National Stock Exchange of India Limited – ESCORTS

Dear Sir,

As a measure of good governance and transparent reporting practices, we have been reporting monthly wholesales volume data for Tractors and Construction Equipment for Escorts Kubota Limited on a monthly basis.

However, now with amalgamation of Escorts Kubota India Private Limited and Kubota Agricultural Machinery India Private Limited (Amalgamating Companies) with Escorts Kubota Limited (EKL, Amalgamated Company) under the scheme of Amalgamation duly approved by Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT) and made effective on 1st September 2024 upon filing of the certified true copy of the said Order with the Registrar of Companies with appointed date of 1st April 2023, the wholesales volume of Amalgamating Companies will also be consolidated and reported as part of EKL wholesales volume data from Sep'24 month onwards.

In order to make the consolidated wholesales volume data being reported from Sep'24 month onwards comparable with corresponding previous period data, the Company has prepared a statement showing consolidated monthly wholesales volume of Tractors and Construction Equipment from April 2023 till August 2024 including wholesales volume numbers of the amalgamating companies for easy reference and the same can be accessed @ <https://www.escortskubota.com/images/pdf/EKL-Tractor-and-CE-Consolidated-Sales-volume-from-April-2023-to-August-2024.pdf>

Kindly take the same on record.

Thanking you.

Yours faithfully,
For Escorts Kubota Limited
