CHAIRPERSON'S MESSAGE

Dear Shareholders,

It gives me immense pleasure to present the 39th Annual Report of the Company for the year 2023-24.

As we mark the end of another financial year, I am delighted to celebrate the collective achievements and progress of Sera Investments & Finance India Limited. The year has been one of insightful leadership and shared efforts, resulting in growth and success across your Company.

Today, we witness the fruitful dividends of our combined efforts. On behalf of the Board of Directors of Sera Investments & Finance India Limited, I am pleased to report that your Company delivered outstanding results for the financial year ended March 31, 2024 posting an increase in the profits. On the strength of the performance, the Board was pleased to declare a final dividend of ₹ 0.10 per equity share for the financial year ended on March 31, 2024.

The Indian economy continues to demonstrate resilience against global headwinds, recording stronger-than-expected growth in 2023-24 with a positive outlook ahead. The Government's emphasis on capital expenditure is beginning to stimulate private investment, setting the stage for the next phase of growth. India is currently on a transformation path, focused on enhancing physical, digital, and social infrastructure at a record scale and pace. Our vision for Sera Investments is to become the partner of choice for Emerging India. The growth engines of our nation are in the vibrant cities, towns and rural landscapes brimming with entrepreneurial spirit and innovation.

The NBFC sector has been systemically important in driving the growth of the financial sector in India. By reaching out to underserved areas and remote regions, NBFCs help expand formal financial services to a broader population. The growth of NBFCs aligns with India's broader economic goals, supporting efforts to create a more inclusive and accessible financial system.

Sera has established a strong financing platform with deep understanding of the customer across the credit spectrum and strategic partnerships within the ecosystem. Over the past couple of years, we are making significant investments in data and technology. We are transforming sourcing, disbursements, and collections processes, using data analytics to drive faster decisions, with the objective of creating an outstanding customer experience for Emerging India.

We have met our commitments to significantly improve asset quality. Our sustainable business growth is intricately linked with a vigilant focus on risk management. Our approach is to attract customers within our defined risk guardrails and maintain a high level of collection efficiency, ensuring the highest standards of governance and compliance. We recognize the critical importance of operational stability and strong controls as fundamental pillars of our operations.

While we continue to build large and profitable businesses, our swift progress towards integrating Environmental, Social and Governance (ESG) parameters into all our operations reflects our commitment to creating shared value for all stakeholders. Your Company also cares deeply about Environmental, Social and Governance (ESG) practices. Our ESG theme is 'A Legacy of Responsibility'. To fulfill this vision, your Company has created a comprehensive framework for Responsible and Sustainable Business conduct. It covers corporate governance, financial inclusion, customer orientation, human capital management, cyber security, and stakeholder management.

As we march forward on our transformation journey – stabilising asset quality, building a high-quality diversified business, strengthening technology and digital capabilities for data-backed decision-making, and building a high-performing organisation with future-ready human capital – we lay the foundation for what lies ahead.

Your Company remains very excited about its long-term growth prospects. It remains committed to continuous transformation, excellent customer service and fostering a supportive and dynamic work environment, all leading to higher shareholder value creation.

In conclusion, I would like to express my deepest gratitude to all our shareholders for their unwavering support and trust. Your continued belief, support, encouragement and trust has been instrumental in our success. As we look towards the future, we remain dedicated to serving the undeserved, embracing technological advancements, sustainable growth, profitability and value creation for all our stakeholders. With a rising entrepreneurship culture, proactive Government support, and increased access to financing, the future is bright for the world's largest democracy. The future is bright for Emerging India.

We are grateful for your continued trust, confidence and patronage for the growth of the Company. As always, thank you for your support. We truly appreciate it.

Warm regards,
Sincerely

SHWETA SAMIR SHAH
CHAIRPERSON

306, 3rd Floor, Ashirwad Paras-1,
Near Kanti Bharwad PMT, Opposite Andaj Party Plot,
S. G. Highway, Makarba, Ahmedabad-380051, Gujarat

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SERA INVESTMENTS & FINANCE INDIA LIMITED (CIN: L51900GJ1985PLC110976)**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **SERA INVESTMENTS & FINANCE INDIA LIMITED** for the financial year ended on March 31, 2024 according to the provisions of:

- i. The Companies Act, 2013 ("the Act") and the Rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowing. (not applicable to the company during the audit period);
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2021 **(not applicable to the company during the audit period);**
 - (e) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(not applicable to the company during the audit period);**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **(not applicable to the company during the audit period);**
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(not applicable to the company during the audit period);**
 - (i) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

I have relied on the representations made by the Company and its officers for systems and mechanism formed by the Company for compliances system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on

test-check basis, the Company has complied with the provisions of the Reserve Bank of India Act, 1934 and rules made there under, as is specifically applicable to the Company.

I have also examined compliance with the applicable Clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India;
- (ii) The Uniform Listing Agreement entered into by the Company with BSE Limited (BSE).

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above **subject to** following observations:

- a) The Company failed to appoint the Company Secretary as compliance officer within the stipulated time as per Regulation 6(1A) of SEBI LODR. However, The Company has appointed Company Secretary Mrs. Sangeeta Amit Khyani as Company Secretary and Compliance Officer w.e.f. December 20, 2023.**

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Board takes decision by majority of directors while the dissenting directors' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable Laws, Rules, on the operation of the Company and the rules made thereunder.

I further report that during the audit period apart from the instances mentioned hereunder, there were no specific events/actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, etc. except the following:

- i) During the year under review, the Company has allotted 2,00,00,000 (Two Crores) Convertible Warrants ("Warrants") convertible into, or exchangeable for 1 (one) fully paid-up equity share of the Company having face value of Rs.2/- (Rupees Two Only) ("Equity Share") each at an issue price of Rs.13.50/- per warrant including Premium of Rs. 11.50/-each on preferential basis on December 19, 2023. However, out of allotment of 2,00,00,000 (Two Crores) Convertible Warrants ("Warrants"), the Company had received request for conversion of 1,50,00,000 (One Crore Fifty Lacs) Convertible Warrants ("Warrants") into equity shares and the same has been converted into equity shares approved by Board in their meeting held on March 02, 2024. Further, the Company has not received any request for conversion of 50,00,000 (Fifty Lacs) Convertible Warrants ("Warrants") into equity shares; therefore, 50,00,000 (Fifty Lacs) warrants are pending for conversion;
- ii. During the year under review the Stock Split become effective from April 28, 2023. MANAGEMENT DISCUSSION & ANALYSIS REPORT**FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2024**Regulation 34(2)(e) read with Paragraph B of Schedule V of Securities and Exchange Board of India
(Listing Obligations and Disclosures Requirements)

In terms of the provisions of Regulation 34(2) (e) of the Listing Regulations, the Management's discussion and analysis are as follows:

GLOBAL ECONOMY OVERVIEW:

The global economy has shown remarkable resilience despite enduring repeated and overlapping shocks, coupled with unprecedented monetary tightening measures. Growth in the US and several key emerging market economies (EMEs) has outperformed expectations. While, manufacturing activity has remained subdued, services have exhibited strength. The global economy grew by 3.1% and is anticipated to slowdown to 2.9% in 2024. Although, headline inflation has decreased across countries, the decline in core and service inflation has been gradual, given the persistent tightness in labour markets.

Following a two-year surge, global inflation exhibited signs of easing in 2023, although it remained elevated compared to the 2010-2019 average. After peaking at 8.1% in 2022, the highest in nearly three decades, global headline inflation declined to an estimated 5.7% in 2023. Projections indicate a further decrease to 3.9% in 2024, driven by the continued moderation in international commodity prices and reduced demand amid monetary tightening measures. While developed economies witnessed a notable slowdown in inflation, core inflation rates remain relatively high, influenced by increasing service sector prices and tight labour markets.

OUTLOOK:

Looking ahead, the global economy is anticipated to grow at a steady pace, with diminishing effects of positive shocks. Alongside, it is set to witness increasing yields and tighter credit conditions. There are likely to be persistent supply disruptions, along with a shift in inflation sentiment, which may restrain the fall in inflation. Notably, the business sector is likely to experience increased pressure, with shrinking profit margins, leading to a slowdown in hiring and expenditure.

The potential resurgence of consumer price inflation is a primary concern for the global economy. The economic rebound in 2025 largely hinges on central banks alleviating economic constraints, as inflation indicators approach their respective targets. The US and the Euro Area are particularly susceptible, with real policy rates currently at their highest levels since January 2008. Prolonged periods of high rates could substantially dampen economic activity, worsening mild recessions into more severe downturns.

INDIAN ECONOMY OVERVIEW:

India has solidified its position as the world's third-largest fintech economy, ranking behind only USA and the UK. Furthermore, it has surged ahead of Hong Kong to claim the fourth spot in global stock markets. This accomplishment stems from both domestic and international investor confidence, strengthened by sustained IPO activity. Initiatives like the Skill India Mission, Start-Up India, and Stand-Up India have played a pivotal role in fostering greater women's participation in human capital development. Despite global economic uncertainties, India's GDP grew by 8.2% in FY 2023-24, driven by increased public sector investments, a resilient financial sector, and significant growth in non-food credit.

Year	F.Y. 2019-20	F.Y. 2020-21	F.Y. 2021-22	F.Y. 2022-23	F.Y. 2023-24
GDP Growth	4.2	(6.6)	8.7	7.0	8.2

OUTLOOK:

Going forward, the country is likely to remain the world's fastest-growing major economy on the back of growing demand, moderate inflation, stable interest rate regime and robust foreign exchange reserves. The economy is poised to achieve nearly 7% growth in FY 2024-25. The catalysts for this projected growth are likely to be robust domestic demand, private consumption and investment, and Government reforms and initiatives implemented over the past decade.

India is making significant strides to achieve its futuristic growth targets. The Indian economy is projected to cross the USD 4 Trillion mark during FY 2024-25, further escalating to USD 5 trillion by FY 2026-27. Additionally, the Government has set an ambitious goal of transforming into a developed country by 2047. India will sustain its upward growth track, propelled by stable and robust domestic demand, expanding private consumption and investments, and ongoing structural reforms.

INDIAN FINANCIAL SERVICE SECTOR SCENARIO:

India's financial services sector is experiencing rapid expansion, characterised by robust growth among existing firms and the influx of new entrants. This diverse landscape encompasses insurance companies, commercial banks, cooperatives, non-banking financial companies, mutual funds, pension funds and various smaller entities. Despite this diversification, banking remains the dominant force, accounting for 70% of total assets within the financial system. The Government of India has implemented several reforms to liberalise, regulate, and strengthen the industry. Initiatives like the Credit Guarantee Fund Scheme for Micro, Small, and Medium Enterprises (MSMEs), guidelines on collateral requirements for banks, and the establishment of the Micro Units Development and Refinance Agency (MUDRA) have facilitated improved access to finance for MSMEs. This concerted effort by the Government and private sector has propelled India into one of the world's most dynamic capital markets. A primary catalyst fueling sectoral growth is the heightened focus on financial inclusion, aimed at enhancing access to finance for marginalised and underprivileged segments of society. This shift has spurred the rise of digital banking, microfinance initiatives and collaborative ventures with fintech companies, reshaping conventional banking paradigms.

India's financial services sector is undergoing a profound transformation, driven by the widespread adoption of digital technologies, shifting consumer preferences and heightened competition. This dynamic landscape is reshaping the sector's growth direction.

INDUSTRY SECENARIO:

Financial institutions play a crucial role in fostering stability and implementing regulatory measures to reinforce households and businesses, particularly during periods of economic uncertainty. Currently, geopolitical conflicts have hindered post-Covid-19 pandemic recoveries in various countries, leading to an expedited normalisation of monetary and fiscal policies.

In India, Non-Banking Financial Companies (NBFCs) have emerged as critical pillars of financial support for a significant segment of the population, including Small and Medium Enterprises (SMEs) and those historically underserved by traditional banking institutions. Displaying impressive agility and efficiency, NBFCs have adeptly catered to the diverse financial needs of borrowers, leveraging their widespread geographical presence, deep understanding of various financial requirements and prompt processing times. Furthermore, NBFCs are increasingly adopting digitisation to enhance operational efficiency, elevate customer experiences, drive cost savings and ensure compliance with regulatory standards. Despite facing stiff competition from public and private sector banks and Microfinance Institutions (MFIs) across market share, customer acquisition, asset quality and technological innovation, NBFCs have spearheaded innovative digital initiatives. This digital transformation enables NBFCs to compete effectively with larger institutions for customer engagement, while delivering seamless experiences for both customers and employees. In recent times, NBFCs have surpassed banks in terms of new credit disbursements, leveraging technology to reach underserved sectors and capitalising on banks' limitations in swiftly expanding operations and adapting inflexible policies.

COMPANY OVERVIEW:

Sera Investments & Finance India Limited, is a non-deposit taking Non-Banking Financial Company registered with the Reserve Bank of India (RBI) and is classified as an NBFC-Investment and Credit Company (NBFC-ICC). It is a prominent NBFC that has emerged as a progressive and growth oriented Non-Banking Financial Company (NBFC) over the past few years. The Company is primarily engaged in providing retail loans. It has established a diversified business management system which enables optimal balance of risk and profitability to deliver a sustainable business. The Company is focused on continuous innovation to transform customer experience and create sustainable and profitable growth opportunities. The Company is optimistic about its growth potential in the future years, with its strong financial position, low NPAs, growth momentum, well provisioned balance sheet, strong capital adequacy, omnichannel business approach and strong start into FY2025.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

Financial and operational performance forms part of the Annual Report and is presented elsewhere in the report.

HUMAN RESOURCES:

Sera Investments & Finance India Limited highly values its human capital, recognising that the organisation's success hinges upon the competencies, capabilities, contributions and experiences of its employees. Rooted in a core philosophy of fostering a safe, healthy, and joyful workplace, the Company prioritises nurturing an environment that supports employee well-being and productivity.

The Company actively nurtures a culture of integrity, honesty and continuous learning, while upholding principles of equality and preventing harassment and strives for promoting trust, confidence and transparency. In line with this philosophy, the Company's Human Resource policies are tailored to empower its workforce with the knowledge and skills needed to thrive in a supporting work environment. Through a culture that values performance, the Company inspires its employees to pursue excellence, thereby enhancing the organisation's brand and effectively addressing business challenges.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company maintains a well-defined organisational structure, documented policy guidelines to ensure operational efficiency, compliance with internal policies, laws and regulations, as well as the protection of resources. The Company believes that a robust internal control system and processes are vital for its day-to-day operations.

SERA INVESTMENTS & FINANCE INDIA LIMITED

In pursuit of this goal, Company established an effective internal control system to align its business processes, operations, financial reporting, fraud control and compliance with regulatory guidelines. Stringent internal control measures are in place to uphold the highest standards of governance. The Company ensures the implementation of a standardised and effective internal control framework across the organisation, ensuring the protection of assets and precise transaction execution in accordance with authorised procedures. The Company's internal control system is complemented by comprehensive internal audits, regular management reviews and standardised policies and guidelines, all aimed at ensuring the accuracy and reliability of financial and other records.

The Company maintains, in all material respects, adequate internal financial control over financial reporting, which operates effectively.

SWOT ANALYSIS:

Strengths:

- Prioritises serving underserved retail markets through a unique relationship-based business model;
- Boasts a strong brand pedigree and successful track record in credit appraisal and collection processes;
- Operates with a well-defined and scalable organisational structure based on product and process knowledge;
- Employs an integrated technology platform for streamlined processes and customer on boarding;
- Supported by an experienced management team;
- Nurtures strong relationships with all the stakeholders including lenders, investors, fixed deposit holders etc.

Weaknesses:

- Business and growth correlate closely with the country's GDP growth rate;
- Company's customer base is particularly susceptible to the adverse impacts of economic downturns;

Opportunities:

- Providing financing solutions to face challenges accessing credit from traditional banks. Opportunities of co-lending with the Banks to the end customer;
- Boosting MSME spending, government initiatives encourage demand for MSME loans, while India's financial inclusion remains at an early stage, offering NBFCs opportunities to reach the unbanked and underbanked population;
- Rising disposable income, evolving consumption patterns and a shift towards spending drive demand for consumer loans;
- Expanding geographical reach and customer base facilitates deeper penetration into hinterland markets;
- Streamlining customer on boarding process through the technology platform;
- Forming partnerships with private financiers to expand reach without substantial investments;
- Presenting financial opportunities, growth in the financial markets remains significant;

Threats:

- Facing competition from captive finance companies, small banks, Fintechs and emerging players;
- Managing limited access to bank finance, expected rise in the borrowing cost and incremental borrowings;
- Addressing external risks related to liquidity strain, political uncertainties and fiscal instability;
- Navigating intense competition from global and local rivals in product innovation and technological advancements, resulting in narrow margins;
- Adapting to regulatory and compliance shifts impacting the NBFC sector;
- Confronting the increasing challenge of financial product commoditisation;

RISKS MANAGEMENT:

The Company places a high priority on risk management to safeguard the interests of customers, colleagues, shareholders, and the organisation itself, all while promoting sustainable growth. The Company's risk management framework strictly adheres to industry standards, with a robust control framework serving as its foundation.

The Risk Management Committee oversees major risk categories, encompassing credit, market, legal and regulatory, operational, liquidity, interest rate, cybersecurity, information technology, strategic and economic risks. To effectively address these increasingly intricate risks, the Company's risk management system conducts thorough risk analysis and proactively implements measures.

Risk Management Framework

Process

- Identification of cause of the risk and its effect as it is vital for appropriate plans and controls to address the risk.
- Assessment of risk considering all possible scenarios and thoroughly examine every aspect of the risk.
- Respond to Risk: Develop strategies to minimize, accept, transfer, or avoid the risk.
- Continuous risk monitoring.
- Evaluation of risk management processes & update.

Key Risks and Mitigation

- a) **Interest Rate Risk:** The risk arising from a financial loss, owing to unfavourable interest rates for both lending and treasury operations. It has a significant influence upon a Company's net-interest income and profitability.

Mitigation: The Company has implemented comprehensive policies and procedures to ensure compliance with regulatory guidelines concerning asset and liability exposure.

- b) **Credit Risk:** This is the risk arising from the potential loss due to borrowers and/or counterparties failing to fulfil their contractual obligations. This risk stems primarily from the Company's lending activities.

Mitigation: With operational expertise, Company effectively manages credit risk through stringent credit protocols and robust procedures. This involves various measures like a rigorous credit assessment process, meticulous evaluation of borrowed capital considering customer cash flows. Furthermore, Risk exposures are carefully managed through a comprehensive analysis of counterparty fundamentals, industry dynamics and sector-specific risks.

- c) **Operation Risk:** This risk is about failure of processes and controls in operations, which can also have an adverse impact on business continuity, reputation and profitability of the Company.

Mitigation: A robust control and audit mechanism has been implemented to identify and mitigate operational risks. The Company has a strong operating model and well-documented Standard Operating Procedures and a good reporting framework. This ensures that operational risks are minimised at any given point of time.

- d) **Regulatory Risk:** A complex regulatory framework exists in the financial sector. Any non-compliance with regulations could result in monetary losses and has the capability to damage the Company's reputation.

Mitigation: The Company ensures strict adherence to applicable rules and regulations owing to a strong internal control framework, robust IT systems and an expert team. It closely monitors actions and proactively responds to changes in government policies to keep a tab on regulatory risk.

- e) **Fraud Risk:** We may face fraud risks such as loan fraud, identity theft, internal fraud, and cyber fraud. These risks pose the threat of financial loss and reputation loss, resulting from intentional deception or misrepresentation by individuals or entities, internally or externally.

Mitigation: We have implemented a control framework to prevent, detect, investigate and deal with fraud. We maintain a zero-tolerance policy towards fraud, actively raising awareness and implementing robust controls to prevent any occurrence. Our Fraud Risk Management reports to the Chief Risk Officer and monitors all fraud risks, while our Audit Committee and Board of Directors monitor frauds specified by the regulator.

- f) **Liquidity Risk:** The risk arises when Company is unable to fulfil its financial obligations as required or within predetermined timelines.

Mitigation: The Company has implemented various policies, procedures and controls to effectively handle liquidity risk. To standardise the assessment of liquidity risk on specific maturity dates, the Company has established a contingency plan for liquidity management during crisis situations. Furthermore, proactive monitoring of capital adequacy and asset exposure levels allows the Company to evaluate potential funding requirements. Company maintains a diversified funding base, which includes borrowings from banks, financial institutions, capital markets and public fixed deposits, ensuring flexibility in meeting funding needs.

- g) **Cash Management Risk:** Cash management risk related to the collection of loan instalments denotes the possible obstacles and risks encountered by a financial institution. It pertains to ensuring the timely and complete receipt of payments from borrowers.

Mitigation: The Company maintains an indomitable focus on customer onboarding onto its technology platform, emphasising digitisation.

- h) **Information Technology Risk:** This risk stems from IT infrastructure failure or threats to data integrity, leading to operational disruptions and financial losses.

SERA INVESTMENTS & FINANCE INDIA LIMITED

Mitigation: To effectively manage potential IT risks associated with such a setup, the Company has established a robust IT risk management mechanism with comprehensive measures, checks and controls in place. In the event of any functional section becoming non-operational, Company has contingency plans in place to ensure the continuity of critical business functions for its customers.

- i) **Cybersecurity Risk:** The risk stemming from cyberattacks and hacking has escalated due to the heightened reliance on the internet and digital platforms.

Mitigation: The Company has implemented a robust cybersecurity framework to effectively manage and mitigate cyber threats. To ensure comprehensive information security throughout the organisation, Company has established a detailed security framework, policies and procedures aligned with industry best practices. The Company scrutinizes fraud protection measures to authenticate risk-based transactions effectively.

SEGMENT-WISE OR PRODUCT WISE PERFORMANCE:

The Company operates in single business segment i.e. NBFC, it has witnessed considerable growth in the last few years and is now being recognised as complementary to the banking sector due to implementation of innovative marketing strategies, customer-oriented services, attractive rates of return on deposits and simplified procedures, etc.

SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS:

The Report for the financial year ended March 31, 2024 on compliance by the Company with the Corporate Governance provisions as prescribed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) is given below:

COMPANY’S PHILOSOPHY ON CORPORATE GOVERNANCE:

The Company’s philosophy on Corporate Governance is aimed at (a) enhancing long term shareholder value through assisting the top management in taking sound business decisions and prudent financial management; (b) achieving transparency and professionalism in all decisions and activities of the Company; (c) achieving excellence in Corporate Governance by conforming to the prevalent guidelines on Corporate Governance, and excelling in, wherever possible and reviewing periodically the existing systems and controls for further improvements.

Effective Corporate Governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The Company’s philosophy in relation to Corporate Governance is to ensure transparent disclosures and reporting that conforms fully to laws, regulations and guidelines and to promote ethical conduct throughout the organization with the primary objective of enhancing stakeholders’ value while being a responsible corporate citizen. The Company has always thrived towards building trust with shareholders, employees, customers, suppliers, regulators, and other stakeholders based on the principles of good Corporate Governance.

At the heart of Company’s Corporate Governance policy is the ideology of transparency and openness in the effective working of the management and Board. It is believed that the imperative for good Corporate Governance lies not merely in drafting a code of Corporate Governance but in practicing it. Strong leadership and effective corporate governance practices have been significant contributors to the Company’s growth story. The Company has always worked towards building trust with shareholders, employees, customers, suppliers and other stakeholders based on the principles of good corporate governance.

Your Company has always practiced Corporate Governance of the highest standards. Its philosophy on Corporate Governance is embedded in its rich legacy of fair, ethical and transparent governance practices, many of which were in place even before they were mandated under the law.

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI (LODR) Regulations, 2015”), as applicable, with regard to Corporate Governance. This report is to be read with Board’s Report and all its annexures for more clarity on Corporate Governance practices of the Company.

A Report on compliance with the Corporate Governance provisions as prescribed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (“Listing Regulations”) is given herein below:

BOARD OF DIRECTORS:

The composition of the Board of your Company is in conformity with Regulation 17 of the Listing Regulations.

The Chairperson of your Company, is a Promoter & Executive Director and the number of Non-Executive and Independent Directors is more than one-half of the total number of Directors. The composition of the Board represents an optimum combination of knowledge, experience and skills from diverse fields including finance, economics, law, governance, etc. which are required by the Board to discharge its responsibilities effectively. The Directors take active part in the deliberations at the Board and Committee Meetings by providing valuable guidance and expert advice to the Management on various aspects of business, policy direction, strategy, governance, compliance, etc. and play a critical role on strategic issues and add value in the decision making process of the Board of Directors.

The day-to-day management of the affairs of the Company is entrusted with the leadership team of senior management personnel who receive guidance from the Chairperson and the Managing Director, Chief Financial Officer and other Key Managerial Personnel. They function under the overall supervision, direction and control of the Board of Directors (“the Board”) of the Company. The Board meets regularly to discuss, review, decide and approve critical business/ financial matters, review of policies and formulation of new policies, setting up of goals, appraisal of performances with the goals, overseeing risk-management control functions, etc. In order to facilitate the day-to-day business affairs of the Company, the Board has constituted various Committees of the Board and has delegated necessary powers to the Committees and Key Managerial Personnel. The Board thus exercises control over the overall functioning of the Company with a view to enhance the stakeholder’s value.

The maximum tenure of Independent Directors is in compliance with the Companies Act, 2013 (“the Act”) and the Listing Regulations. The Independent Directors on the Board of the Company have submitted their respective declarations confirming that they meet the criteria of independence and disclosures confirming that there are no material, financial and/or commercial transactions between Independent Directors and the Company which could have potential conflict of interest with the Company at large. Based on the confirmations/ disclosures received from the Independent Directors, the Board is of the opinion that the Independent Directors fulfil the conditions specified in the Listing Regulations and are Independent of the Management.

11. Share Transfer System:

Trading in Equity Shares of the Company through recognized Stock Exchanges is permitted only in dematerialized form. The Stakeholders Relationship Committee meets as and when required to, inter alia, consider the issue of duplicate share certificates and attend to Shareholders' grievances, etc.

Pursuant to Regulation 40 of Listing Regulations, no requests for effecting transfer of securities have been processed unless the securities are held in the dematerialised form with the depository with effect from April 01, 2019. However, this restriction shall not be applicable to request received for effecting transmission or transposition of physical shares. Further, SEBI has mandated that securities shall be issued only in dematerialized mode while processing duplicate/unclaimed suspense/renewal/exchange/endorsement /sub-division/consolidation/transmission/transposition service requests received from physical securities holders.

SEBI has also mandated furnishing of PAN, contact details, bank account details and nomination by holders of physical securities. Further, SEBI has also directed RTAs to freeze folios wherein PAN, KYC details and Nomination are not available on or after October 01, 2023. The shareholders are requested to update their details with Company/RTA by submitting forms which are available on website of the Company at www.serafinances.com

The Shareholders holding shares in physical form are requested to get their shares dematerialised at the earliest to avoid any inconvenience in future while transferring the shares. Shareholders are accordingly requested to get in touch with any Depository Participant having registration with SEBI to open a Demat account to seek guidance in the demat procedure.

The Shareholders may also visit website of depositories viz. National Securities Depository Limited viz. <https://nsdl.co.in/faqs/faq.php> or Central Depository Services (India) Limited viz. <https://www.cdslindia.com/Investors/open-demat.html> for further understanding of the demat procedure.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Sera Investments & Finance India Limited
(Formerly known as Kapashi Commercial Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Sera Investments & Finance India Limited** ("the Company") which comprise the Balance Sheet as at March 31, 2024 and the Statement of Profit and Loss (including the Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statement.

Other information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the Financial Statements and Auditor's report there on. The Company's Annual Report is expected to be made available to us after the date of this Auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(A)(g)] under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date.)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the Internal Financial Controls with reference to financial statements of Sera Investments & Finance India Ltd ("the Company") as of March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's and Board of Directors' Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining Internal Financial Controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

Company Overview & Significant Accounting Policies

1. Reporting Entity

Sera Investments & Finance India Limited (the 'Company') is a Company domiciled in India, with its registered office situated at 206, S. F. Ashirwad Paras 1, Near Kanti Bharwad PMT Opposite Andaz Party Plot, Makarba Ahmedabad - 380051. The Company has been incorporated under the provisions of Companies Act, 2013. The Company is primarily involved in Investments activity. The company has been registered as a Core Investments Company (CIC) Specified NBFC with the Reserve Bank of India in terms of the regulation governing Non-Banking Financial Companies.

2. Basis of preparation

a. Statement of compliance with Ind AS

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under Section 133 of Companies Act, 2013 (the 'Act') and other relevant provisions of the Act. The Company has adopted all the relevant Ind AS and the adoption was carried out in accordance with Ind AS 101, "First Time Adoption of Indian Accounting Standards". The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliation and description of the effect of the transition have been summarized in Note 29. The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. Details of Significant accounting policies are included in the Note 3.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the functional currency.

Basis of Measurement

The financial statements have been prepared on the historical cost basis.

c. Use of Estimates and Judgments:

In preparing these financial statements, management has made judgements, estimates, and assumptions that affect the application of accounting policies and

The reported amounts of assets, liabilities, incomes and expenses. Actual results may differ from these estimates.

Estimates:

Estimates and underlying assumptions are reviewed on an ongoing basis. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Revisions to the accounting estimates are recognised prospectively.

Judgements:

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the respective note.

Assumptions and Estimation Uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the respective note.

d. Measurement of Fair Values:

The Company has established control frame work with respect to the measurement of

Fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in fair value hierarchy in which the valuations should be classified.

Significant valuation issues are reported to the Company's Board of Directors.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the

Level 1 - quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the respective note.

3. Significant Accounting Policies

1. Financial Instruments

A. Financial Assets:

i.) Classification:

The Company classifies its financial assets in the following measurement categories:

- Those measured at amortized cost and

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

- Those to be measured subsequently at either 'Fair value through other comprehensive income' (FVTOCI) or 'Fair value through profit or loss' (FVTPL).

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

- A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL :
 - the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
 - the contractual terms of a financial asset give rise on specified dates to cash flows that are solely payments of Principal and interest on the principal amount outstanding.
- A debt investment is measured at FVOCI if it meets both following conditions and is not designated as at FVTPL:
 - the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
 - the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Financial assets are not reclassified subsequent to their initial recognition except if and in the period the Company changes its business model for managing financial assets.

ii.) Measurement

At initial recognition, the Company measures a financial asset when it becomes a party to the contractual provisions of the instruments and measures at its fair value. Transaction costs are incremental costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent Measurement and Gains and Losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains including any interest or dividend income, are recognized in profit or loss.
Financial assets at amortized cost	These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on de-recognition is recognized in profit or loss.

iii.) De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

B. Financial Liabilities:

(i) Classification, Subsequent Measurement and Gains and losses

Financial liabilities are classified as measured at Historical cost. Government of Gujarat, in capacity of the Promoter of the company, provides investment funds in form of interest free loans having specific directions to invest in equity shares of Group Entities of the company in terms of CIC directions. Investment funds, released as loan by GoG, when received for investment in equity are recognized as financial liabilities. There exist an obligation, however, the terms and conditions do not specify that whether the loan is repayable on demand and also fixed repayment schedule is not specified. Considering the said fact it is not possible to value such financial liability at amortized cost.

ii) De-recognition

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the profit or loss.

C. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

D. Investments in Associates and Subsidiaries

Investments in associates is carried at cost in the separate financial statements. Subsidiaries are valued at Fair Value.

2. Property, Plant and Equipment

i. Recognition and Measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Useful lives have been determined in accordance with Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1 April 2019, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

iii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iv. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the written down value method and is recognised in the statement of profit and loss.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

v. Derecognition

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

3. Impairment

i. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for valuing impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Measurement of Expected Credit Losses

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Based on the above, the Company categorises its loans into Stage 1, Stage 2 and Stage 3, as described below:

Stage 1: When loans are first recognised, the Company recognises an allowance based on 12 months ECL. Stage 1 loans includes those loans where there is no significant increase in credit risk observed and also

includes facilities where the credit risk has been improved and the loan has been reclassified from stage 2.

Stage 2: When a loan has shown a significant increase in credit risk since origination, the Company records an allowance for the life time ECL.

Stage 3: Loans considered credit impaired are the loans which are past due for more than 90 days. Borrowers are also classified under stage 3 bucket under instances like fraud identification and legal proceeding.

Further, stage 3 loan accounts are identified at customer level (i.e. a Stage 1 or 2 customer having other loans which are in Stage 3). The Company records an allowance for life time ECL.

There is a curing period with Stage 3 loan, where even if the DPD days are reduced by 90 days the same will not be upgraded to Stage 1 until the loan is 0 DPD.

ii. Impairment of Non-Financial Assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognised.

4. Employee Benefits

i. Short Term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

ii. Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions in to a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in future payments is available.

iii. Defined Benefit Plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount using market yields at the end of reporting period on government bonds.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the Asset Ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

5. Provisions (other than Employee Benefits), Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present legal obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes to the financial statements. A contingent asset is neither recognized nor disclosed if inflow of economic benefit is probable.

6. Recognition of Dividend Income, Interest Income

Income from dividend is accounted as and when such dividend has been declared and the company's right to receive payment is established.

Interest income is recognized on a time proportion basis, taking in the account the amount outstanding and the rate applicable.

7. Income Tax

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to setoff the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred Tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different taxable entities, but they intend to settle current tax liabilities and assets on net basis or their tax assets and liabilities will be realized simultaneously.

8. Cash and Cash Equivalents

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short

term highly liquid Investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

9. Earnings per Share

Basic earnings per share is calculated by dividing the net profit after tax for the year attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity share holders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year plus potential equity shares.

10. Cash Flow Statement

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

24 Segment Reporting

The main business of company is financing activity, hence there are no separate reportable segments as per Ind AS 108 on "Operating Segments".

25 Financial Risk Management Objectives and Policies**Risk Exposure**

The Company's business activities expose it to only one type of financial risk and that is market risk. Market risk is the risk or uncertainty arising from possible market price movements and their impact on the present/future performance of a business. The market risks include price risk, currency risk and interest rate risk. The primary price risk for the company is equity securities price risk i.e. price risk of various investments that could adversely affect the value of the Company's financial assets or expected future cash flows.

The Company's exposure to equity securities price risk arises from investments held by the Company which are classified in the balance sheet as fair value through Other Comprehensive Income (FVOCI).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

Risk Management Policy

The Company's senior management has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has constituted a Risk Management Committee which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Management of the Company are governed by appropriate policies and procedures and that financial risk is identified, measured and managed in accordance with the Company's policies and risk objectives. The activities are designed to protect the Company's financial results and position from financial risks, maintain market risks within the acceptable parameters while optimizing returns and protect the Company's financial investments while maximizing returns.

26 Cashflow statement

Cash flows are reported using indirect method whereby profit for the period is adjusted for the effects of the transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts and payments and items of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

27 Event after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

28 Capital management

The company defines capital as total equity including issued equity capital and all other equity reserves. The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities and comprising debt instruments and borrowings less cash and cash equivalents. Adjusted equity comprises all components of equity.

The Company's adjusted net debt to equity ratio on balance sheet date was as follows

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

30 Financial Instruments :

The Company uses the following hierarchy for determining the fair value of financial instruments by valuation technique :
Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.”
