**WABAG House Receives Triple Recognition from CII-IGBC
*Becomes India's First Operational Corporate Office to Attain IGBC Net-Zero Water
and Near Net-Zero Energy Certifications***

January 08, 2025: VA TECH WABAG ('WABAG'), a global leader in water technology, proudly announces a significant milestone for its corporate office, WABAG House, as it receives multiple prestigious certifications from the Indian Green Building Council (IGBC). These recognitions include IGBC Platinum Re-Certification, Net-Zero Water, and Near Net-Zero Energy certifications, solidifying WABAG's leadership in sustainable corporate operations and resource optimization.

Having first achieved IGBC Platinum Certification in 2018 and subsequently re-certified in 2021, WABAG House continues to exemplify operational excellence in green building initiatives. This latest achievement marks it as the first operational corporate office in India to achieve the dual recognition of Net-Zero Water and Near Net-Zero Energy.

WABAG House integrates cutting-edge design and innovative operational strategies to create a model for sustainable corporate infrastructure. It achieves 100% rainwater harvesting and returns 2.7 times the water consumed back to the environment. The office maintains an Energy Performance Index (EPI) of under 80 kWh/sqm/year, with 78% of its energy sourced from renewables and a target to reach 100%. Looking ahead, WABAG House is on track to achieve IGBC Health & Well-being Certification within this financial year. It ambitiously aims to become a "Zero Waste" building by 2025 and achieve "Zero Carbon" status by 2028.

To commemorate these accolades, a ceremonial plaque was presented to Mr. Rajiv Mittal, Chairman & Managing Director, VA TECH WABAG LIMITED, by Mr. C. Shekar Reddy, National Vice Chairman, CII-IGBC. The event was attended by senior WABAG leaders and esteemed IGBC representatives.

An ISO 9001 Company

Speaking on the occasion, Mr. Rajiv Mittal, Chairman & Managing Director, VA TECH WABAG LIMITED, expressed his gratitude: *"At WABAG, we are deeply committed to making the planet cleaner, greener, bluer and more sustainable. We have adopted a policy to ensure that all our projects aspire to IGBC Platinum certification, driving us closer to our organization's Net Zero aspirations. This commitment reflects our responsibility towards creating a resilient and sustainable future for generations to come."*

Mr. C. Shekar Reddy, National Vice Chairman, CII-IGBC, commended WABAG's commitment, stating: *"What stands out about WABAG is not just their unwavering commitment to sustainability but also the remarkable speed at which they achieve their ambitious goals. Their Green and Net Zero initiatives are truly inspiring and set a high benchmark for others to follow. I extend my heartfelt appreciation to the entire WABAG team for their exemplary efforts in advancing sustainable development."*

WABAG House's trailblazing achievements exemplify its commitment to environmental stewardship and operational innovation. By pioneering net-zero practices, WABAG continues to inspire businesses and communities to adopt sustainable solutions for a greener tomorrow.
