B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- 1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <u>https://www.evoting.nsdl.com/</u> either on a Personal Computer or on a mobile.
- 2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
- 3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
- Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <u>https://eservices.nsdl.com/</u> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
- 4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:		
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.		
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary IDFor example if your Beneficiary ID is12************************************		
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 131161 then user ID is 101456001***		

- 5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can user your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "<u>Forgot User Details/Password?</u>"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) <u>Physical User Reset Password?</u>" (If you are holding shares in physical mode) option available on <u>www.evoting.nsdl.com</u>.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system. How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- 1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
- Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
- 3. Now you are ready for e-Voting as the Voting page opens.

EXPLANATORY STATEMENT [PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013]

ITEM NO.3

Appointment of Mrs. Priya Rudra (DIN- 10765261) as an Independent Director of the Company. Based on the recommendation of the NRC, the Board of Directors proposes the appointment of Mrs. Priva Rudra (DIN-10765261; age-31 years) as a Non-Executive Woman Independent Director, for a term of five (5) years from the conclusion of this Annual General Meeting up to the conclusion of the Annual General Meeting to be held in the calendar year 2029, or the expiry of five (5) years, whichever is earlier. Mrs. Priya Rudra has expressed her willingness and has given her consent for appointment as the Director and has also given the declaration that in terms of Section 164 of the Act, she is eligible to be appointed as a Director and is not disqualified / debarred from holding the office of director by virtue of any SEBI order or any other such authority. The Company has received a declaration from her to the effect that she meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Schedule IV thereto, Regulation 16(1)(b) of the Listing Regulations and declaration that she is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to her registration with the data bank of independent directors maintained by the Indian Institute of Corporate Affairs. In terms of Regulation 25(8) of the Listing Regulations, she has confirmed that she is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact her ability to discharge her duties with an objective independent judgment and without any external influence. The Company has received notice in writing pursuant to Section 160 of the Act, from a Member proposing the appointment of for the office of independent director under the provisions of Section 149 of the Act. In the opinion of the Board, she fulfils the conditions specified in the Act and Listing Regulations for appointment as an Independent Director and that she is independent of the management of the Company.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 of the Listing Regulations and other applicable provisions, the appointment of Priya Rudra (DIN-10765261) as an Independent Director for a term of five (5) years is now being placed before the Members for their approval by way of a Special Resolution set out at Item No. 3 of the Notice, which the Board recommends.

Except Priya Rudra (DIN- 10765261), none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested in the Resolution set out at Item No. 3 of the Notice. Disclosures pursuant to Regulations 36(3) and other applicable provisions of the Listing Regulations and Secretarial Standard – 2 on General Meetings are set out in Annexure-A to the Notice.

ITEM NO. 4

Appointment of Mr. Rajendra Kumar Mallick (DIN- 1765261) as an Independent Director of the Company. Based on the recommendation of the NRC, the Board of Directors proposes the appointment of Mr. Rajendra Kumar Mallick (DIN- 1765261); age- 49 years) as a Non-Executive Independent Director, for a term of five (5) years from the conclusion of this Annual General Meeting up to the conclusion of the Annual General Meeting to be held in the calendar year 2029, or the expiry of five (5) years, whichever is earlier. Mr. -Rajendra Kumar Mallick has expressed his willingness and has given his consent for appointment as the Director and has also given the declaration that in terms of Section 164 of the Act, she is eligible to be appointed as a Director and is not disqualified / debarred from holding the office of director by virtue of any SEBI order or any other such authority. The Company has received a declaration from his to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Schedule IV thereto, Regulation 16(1)(b) of the Listing Regulations and declaration that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to his registration with the data bank of independent directors maintained by the Indian Institute of Corporate Affairs. In terms of Regulation 25(8) of the Listing Regulations, he has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties with an objective independent judgment and without any external influence. The Company has received notice in writing pursuant to Section 160 of the Act, from a Member proposing the appointment for the office of independent director under the provisions of Section 149 of the Act. In the opinion of the Board, he fulfils the conditions specified in the Act and Listing Regulations for appointment as an Independent Director and that he is independent of the management of the Company.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 of the Listing Regulations and other applicable provisions, the appointment of Rajendra Kumar Mallick (DIN-1765261) as an Independent Director for a term of five (5) years is now being placed before the Members for their approval by way of a Special Resolution set out at Item No. 4 of the Notice, which the Board recommends.

Except Rajendra Kumar Mallick, none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested in the Resolution set out at Item No. 4 of the Notice. Disclosures pursuant to Regulations 36(3) and other applicable provisions of the Listing Regulations and Secretarial Standard – 2 on General Meetings are set out in Annexure-A to the Notice.

ITEM NO. 5

Appointment of Mr. Nirmalya Sircar (DIN 01822540) as a Non-Executive Non-Independent Director of the Company: The Board of Directors of the Company had appointed Mr. Nirmalya Sircar as an Non Executive – Non Independent Director of the Company with effect from 26th September, 2024. In accordance with the provisions of the Companies Act, 2013, Mr. Nirmalya Sircar shall hold office for a term up-to five years. The Company has received notice under Section 160 of the Companies Act, 2013 from Mr. Nirmalya Sircar signifying his candidature as Non-Executive Non-Independent Director of the Company. In the opinion of the Board, Mr. Nirmalya Sircar fulfills the conditions specified in the Companies Act, 2013 and the Equity Listing Agreement, for appointment as a Director of the Company. None of the Directors or Key Managerial Personnel and their relatives, except Mr. Nirmalya Sircar, are concerned or interested (financially or otherwise) in this Resolution. The Board commends the Special Resolution set out at Item no. 5 for approval of the Members.

ITEM NO. 6

Your directors' in its meeting held on 2nd September, 2024 had approved (subject to the approval of members) the amendment in the Memorandum of Association of the Company with respect to the Object Clause of the Company.

The draft of the amended Memorandum of Association proposed for approval, are circulated along with this notice of the Annual General Meeting and also available for inspection by the shareholders of the Company

during normal business hours at the Registered office of the Company and copies thereof shall also be made available for inspection at the Corporate Office of the Company and also at the place of the meeting on the meeting day.

The Directors of the Company and their relatives are deemed to be concerned or interested in the resolutions at Item Nos. 4 only to the extent of shares held by them, if any, in the Company. The proposed Resolutions do not relate to or affect any other Company.

Your Board recommends the resolution for approval of the Members as a Special Resolution.

ITEM NO. 7

As per Section 180(1)(c) of the Act read with the Rules framed there under, the Company is required to obtain the prior approval of the Members by way of Special Resolution for borrowing money when the money already borrowed exceed aggregate of its paid-up share capital and free reserves, apart from temporary loans obtained from the company's bankers in the ordinary course of business.

Consent of the members is therefore sought to enable the Company to borrow money, within the limit as set out in the resolution.

The Board of Directors, therefore, recommends the Resolution to be passed as a Special Resolution by the members.

None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

ITEM NO.8

As per Section 186(3) of the Act read with the Rules framed there under, the Company is required to obtain the prior approval of the Members by way of Special Resolution for making loan(s) and/or for giving any guarantee(s)/providing any security(ies) in connection with loan(s) made to and/or acquiring by way of subscription, purchase or otherwise the securities of anybody corporate exceeding 60% of its paid-up share capital, free reserves and securities premium account or 100% of Its free reserves and securities premium account, whichever is more.

Consent of the members is therefore sought to enable the Company to give loan or Guarantee or provide security or acquire for the above, within the limit as set out in the resolution.

The Board of Directors, therefore, recommends the Resolution to be passed as a Special Resolution by the members.

None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

ITEM NO. 9

The registered office of the Company is situated at State of Rajasthan. With a view to improve operational efficiency of the Company, the Board of Directors is proposing for shifting of the registered office of the Company to West Bengal.

In accordance with the provisions of Section 12(5) of the Companies Act, 2013, except on the authority of a Special Resolution passed by a Company, the registered Office of the Company shall not be changed outside the local limits of any city, town or village where such office is situated.

Accordingly, consent of the members of the Company is sought for passing a Special Resolution as set out above

The Board recommends the proposed resolution to the members of the Company for their consideration and approval.

None of the directors of the company is concerned or interested in the proposed resolution.

ITEM NO.10

Board of Directors of the Company in the Board Meeting held on 4th March, 2024 appointed Mr. Prabir Kundu as Additional non-Executive Independent Director and Mr. Prabir Kundu holds office of the Director till the conclusion of next Annual General Meeting. Accordingly, in terms of the requirements of the provisions of Companies Act, 2013 approval of the members of the Company is required for regularization of Mr. Prabir Kundu as Independent Director of the Company. As per the provisions of the Companies Act, 2013 as amended the Board seeks the members approval by way of an ordinary resolution. None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

Annexure II

Massage from Managing Director

To our valued shareholders and customers First and foremost, I would like to express our sincerest appreciation for your enduring trust and support for to our company. Furthermore, we have made a significant progress in market position and brand value as well as in our preparations for the future. In the electronics business, we were able to deliver brand new customer value by leveraging superior technologies and attractive product offerings. We also enhanced business competitiveness in growth businesses. The performance of our business has greatly improved thanks in large part to strong cost and product competitiveness as well as to robust growth in high value-added business.

CORPORATE GOVERNANCE

Good Corporate Governance is an integral part of our work culture and best followed industrial practice lies at the foundation of our company's business ethos. The Company believes that the management carries fiduciary responsibility towards all the investors and stake holders and is responsible for protection of their interest in the company and increase in their wealth. It is committed to high levels of ethics and integrity in all its business dealings that avoids all conflicts of interest. In order to conduct business with these principles, the company creates simple corporate structures based on business needs and maintains a high degree of transparency through regular disclosures and a focus on adequate control systems. The report of Corporate Governance is prepared in accordance with SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 (hereinafter referred to as 'SEBI LODR'). A report on Corporate Governance is annexed to this Report

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In the electronics business, we were able to deliver brand new customer value by leveraging superior technologies and attractive product offerings such as the all types of Electronics Goods to our Customers, while bolstering profitability with expanding sales thanks to the successful launch and scale of the premium appliance brands in markets across the Bihar although the Management has considered future risks as part of the discussions, future uncertainties are not limited to Management perceptions.

1. <u>Review Of Indian Economy</u>:

India is one of the fastest growing economies of the world and is poised to continue on this path, with aspirations to reach high middle income status by 2047, the centenary of Indian independence. It is also committed to ensuring that its continued growth path is equipped to deal with the challenges of climate change, and in line with its goal of achieving net-zero emissions by 2070.

The growth of the past two decades has also led to India making remarkable progress in reducing extreme poverty. Between 2011 and 2019, the country is estimated to have halved the share of the population living in extreme poverty - below \$2.15 per person per day (2017 PPP) (World Bank Poverty and Inequality Portal and Macro Poverty Outlook, Spring 2023). In recent years, however, the pace of poverty reduction has slowed especially during the COVID-19 pandemic, but has since moderated in 2021-22.

Certain challenges persist. Inequality in consumption continues, with a Gini index of around 35 over the past two decades. Child malnutrition has remained high, with 35.5 percent of children under the age of 5 years being stunted, with the figure rising to 67 percent for children in the 6-59 months age group. Headline employment indicators have improved since 2020 but concerns remain about the

quality of jobs created and the real growth in wages, as well as around the low participation of women in the labour force.

India's aspiration to achieve high income status by 2047 will need to be realized through a climateresilient growth process that delivers broad-based gains to the bottom half of the population.Growthoriented reforms will need to be accompanied by an expansion in good jobs that keeps pace with the number of labour market entrants. At the same time, gaps in economic participation will need to be addressed, including by bringing more women into the workforce.

The World Bank is partnering with the government in this effort by helping strengthen policies, institutions, and investments to create a better future for the country and its people through green, resilient, and inclusive development.

2. Industry Structure and developments:

The electronics industry has seen sweeping changes over the last two decades. These have primarily been in the product domain (across technologies, formats and design), the evolution of the retail environment (from traditional to large-format specialised stores and e-commerce), and an evolving regulatory landscape. The requirements of both the consumers and businesses have evolved, leading to a demand for more innovative products.

The industry's ecosystem has undergone drastic changes to keep pace with the changing demand patterns. The supply chains are now far more complex, diverse, and optimised to meet the new industry structure. Currently, a significant share of Indian demand is met by imports. But the Indian electronics industry is being ushered into an era wherein the manufacture of several components will be indigenised through regulatory support and incentivised production from thegovernment of India.

Specific to the electronics sector, several policies such as Make in India, National Policy of Electronics, Net Zero Imports in Electronics, and Zero Defect Zero Effect, augur well for the industry, as they signal a commitment to growth in domestic manufacturing, lowering import dependence, energising exports, and environmentally-conscious manufacturing. Incentives to attract capital and measures to develop the component supply base (applying the Phased Manufacturing Plan for mobiles to other categories) will have to be sustained at the supply side, while also correcting aberrations in GST on the demand side. Furthermore, despite the lockdown, the government of India has been consistently expanding incentives through the three major schemes it launched in April 2020 with an outlay of ₹ 500 billion.

3. Strength, Opportunities, Threats

Strength:

Growth in the Indian economy and demand creates unprecedented opportunities for company to invest significantly in each of its core businesses. Outlook for the overall industries is positive. In keeping with the philosophy of continuous consumer centric approach which is the hall mark of our organization, several developmental activities have been planned for the next fiscal year.

Opportunities:

- Vast Industrial Presence in both Public and Private Sectors
- Huge demand for Domestic Industrial goods.
- Avail of Low-cost, Skilled Human Resources.
- Proactive government continued thrust on reforms- Further liberalization under process.
- Increasing investment in real assets (Capacity Expanding), Inflow of FDI (Foreign Direct Investment) across Industrial sector.

Threats:

Indian electronics industry may face following possible threats.

• Tough Competition from Global Players:

The Indian industries possesses major threat of established manufacturing ecosystems in China, Japan, Taiwan, South Korea, etc. Also, the emergence of low cost manufacturing destinations, like Vietnam, has created the tough competition. Inadequate testing facilities, delayed policy implementations are some of the major inhibitors of our competitiveness in global manufacturing sector.

• Infrastructural inadequacy:

Infrastructural and other facilities in our country are inadequate to cater the demands of the Goods and Products. We are lacking in building and developing indigenous manufacturing plants, semiconductor fabrication units, and adequately equipped laboratories for testing and measuring facilities. These barriers are diverting the business related to other destinations rather than from India.

• A complex value chain:

The electronics industry is constantly changing due to disruptive innovation, thereby increasing the pressure on the value chain to upgrade continuously. The sourcing and contractual interdependencies between OEMs and suppliers are now more complex due to the highly advanced technology of the components, the number of components required for a single finishedproduct, the level of aggregation or assembly required, and the need to adapt to changes in product design. The Indian ecosystem for electronic components is still evolving and has a long way to go.

• Other Risk:

Risk in cost of raw materials, environmental liabilities, tax laws, labour relations, litigation and significant changes in the Global political and economical environment exert tremendous influence on the performance of the company. The Company has laid down procedures to inform Board Members about the risk assessment and minimization procedures.

4. <u>Segment Wise- Product wise performance:</u>

During the year under review, the Company operates into the different segments which are Electronic Items and Trading Activities.

As per Accounting Standard AS- 17, during the year under review, the business of the Company falls under one segment namely:-

• Trading in Electronic Items : The Total Revenue is Rs. 1,599.17/- Lakhs

5. <u>Outlook</u>

The Continual growth in the Indian sector is necessary to give necessary support to the industry. The Company is making all effort to accelerate the growth of its business. It expects to improve its position in the market by focusing in the technologically advanced and more profitable Product and market segment and working aggressively in the area of productivity, efficiency and cost reduction.

6. <u>Risks and Concerns</u>

The Industry is exposed to the following risk and concerns:

• Complex Global Supply-Chain:

Companies have to juggle internal and external resources while staying within international standards. Issues such as traceability and compliance are increasing operational burdens. It is not unusual for components and sub-components to embark on a journey that touches three or more continents before reaching the end-consumer.

• Uncertain Demand:

Aggregately, economic volatility and cyclical demand cause fluctuations in production. On a more granular level, consumer preference can cause spikes in demand for an individual products or company. Efficient lean capabilities must be in place to keep inventory aligned with demand.

• Sustainability:

Emerging regulations and standards for cleaner and greener technology are forcing companies to be accountable for the manufacturing process as well as the final product. The entire recycling and disposal process for electronics needs to be considered as a vital part of the product life cycle.

7. Internal Control systems and its adequacy

The Company has an effective and reliable internal control system commensurate with the size of its operations. At the same time, it adheres to local statutory requirements for orderly and efficient conduct of business, safeguarding of assets, the detection and prevention of frauds and errors, adequacy and completeness of accounting records and timely preparation of reliable financial information. The efficacy of the internal checks and control systems is validated by selfaudits and internal as well as Statutory Auditors.

8. <u>Discussion on financial performance of the Company with respect to operational performance.</u>

Share Capital

The Paid up Share Capital of the Company as on 31st March, 2024 is Rs. 29,71,00,000/- (Rupees Twenty Nine Crore Seventy One Lakh only) divided into 2,97,10,000 (Two Crore Ninety Seven Lakh Ten Thousand) Equity Shares of Rs. 10 /- (Rupees Ten only).

Reserves and Surplus

The reserves and surplus is Rs. 65.80 Lakhs as on the end of the current year.

• Total Income

During the year under consideration, the total income was Rs. 1608.97 Lakhs as against Rs. 816.88 Lakhs during the previous year.

9. <u>Material developments in Human resources / industrial Relations front, including</u> <u>number of people employed</u>

Human Resources and an effective and efficient human resource is a key to the success of any organization and our company has been well focused in adopting the best standards in the Industry which not only gives us the benefit of attracting good talent but gives us an edge towards providing best qualitative services to our customers. Our manpower is a mix of experienced and young talent pool of resources which gives us the dual advantage of stability and growth. Our work processes and skilled resources together with our strong management team have enabled us to successfully implement our growth plans.

The total strength of permanent employees as on 24/05/2024 is 10 employees.

Ratios	2024	2023	Change
Debtors Turnover	10.76	3.76	7.00
Inventory Turnover	5.48	3.96	1.52
Current Ratio	1.45	2.84	-1.39

CERTIFICATION BY MANAGING DIRECTOR AND CHIEF FINANCIAL OFFICER

To, The Board of Directors Mehai Technology Limited

Dear members of the Board,

We, certify that:

- 1. We have reviewed the Balance Sheet as at March 31, 2024, Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information of the Company, and the Board's report for the year ended March 31, 2024.
- 2. These statements do not contain any materially untrue statement or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report.
- 3. The financial statements, and other financial information included in this report, present in all material respects a true and fair view of the Company's affairs, the financial condition, results of operations and cash flows of the Company as at, and for, the periods presented in this report, and are in compliance with the existing accounting standards and / or applicable laws and regulations.
- 4. There are no transactions entered into by the Company during the year that are fraudulent, illegal or violate the Company's Code of Conduct and Ethics, except as disclosed to the Company's auditors and the Company's audit committee of the Board of Directors.
- 5. We are responsible for establishing and maintaining disclosure controls and procedures and internal controls over financial reporting for the Company, and we have:
 - a) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Indian Accounting Standards (Ind AS).
 - b) Evaluated the effectiveness of the Company's disclosure, controls and procedures.

Disclosed in this report, changes, if any, in the Company's internal control over financial reporting that occurred during the Company's most recent fiscal year that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

6. We have disclosed, based on our most recent evaluation of the Company's internal control over financial reporting, wherever applicable, to the Company's auditors and the audit committee of the Company's Board (and persons performing the equivalent functions):

- a) Any deficiencies in the design or operation of internal controls, that could adversely affect the Company's ability to record, process, summarize and report financial data, and have confirmed that there have been no material weaknesses in internal controls over financial reporting including any corrective actions with regard to deficiencies.
- b) Any significant changes in internal controls during the year covered by this report.
- c) All significant changes in accounting policies during the year, if any, and the same have been disclosed in the notes to the financial statements.
- d) Any instances of significant fraud of which we are aware, that involve the Management or other employees who have a significant role in the Company's internal control system.
- 7. We affirm that we have not denied any personnel access to the audit committee of the Company (in respect of matters involving alleged misconduct) and we have provided protection to whistleblowers from unfair termination and other unfair or prejudicial employment practices.
- 8. We further declare that all Board members and senior management personnel have affirmed compliance with the Code of Conduct and Ethics for the year covered by this report.

INDEPENDENT AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To, The Members of Mehai Technology Limited

We have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31 March 2024, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the Listing Regulations).

Managements' Responsibility:

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulate in Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance (the "Guidance Note") issued by the Institute of the Chartered Accountants of India ("ICAI") and the Standards on Auditing ("SA"s) specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended 31 March, 2024.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company

Form No. MR-3 Secretarial Audit Report for the financial year ended 31.03.2024

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members Mehai Technology Limited B-40, Sudarshanpura Industrial Area (Extension); Jaipur-302006

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherenceto good corporate practices by **Mehai Technology Limited** (hereinafter called the company). Secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have also examined the following:

all the documents and records made available to us and explanation provided by Mehai Technology Limited ("the Listed Entity"),

- (a) the filings/submissions made by the Listed Entity to the Stock Exchanges,
- (b) website of the listed entity,
- (c) books, papers, minute books, forms and returns filed with the Ministry of Corporate Affairs and other records maintained by Mehai Technology Limited ("the Company") for the financial year ended on 31st March, 2024 according to the provisions as applicable to the Company during the period of audit and subject to the reporting made hereinafter and in respect of all statutory provisions listed hereunder:
 - i. The Companies Act, 2013 (the Act) and the Rules made there under;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
 - iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment, External Commercial Borrowings, and Foreign Trade (Development and Regulation) Act 1992;
 - v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

Annual Report 2023-24 - Mehai Technology Limited

- b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- c. The Securities and Exchange Board of India (Prohibition of Insider Trading Regulations, 2015);- Some issues found, mentioned later in the report
- d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- e. The Securities and Exchange Board of India (Share based employee benefit) Regulations, 2014; (not applicable to the Company during the audit period)
- f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (not applicable to the Company during the audit period)
- g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and (not applicable to the Company during the audit period)
- i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (not applicable to the Company during the audit period)

We hereby report that

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c. All decisions at Board Meetings and Committee Meetings are carried out unanimously or as per requisite majority as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.
- d. The Listed Entity has complied with the provisions of the above Regulations and circulars/guidelines issued thereunder.
- e. The Listed Entity has maintained proper records under the provisions of the above Regulations and circulars/guidelines issued thereunder in so far as it appears from our examination of those records.
- f. There were no actions taken against the listed entity/its promoters/directors/material subsidiaries either by SEBI or by Stock Exchanges (including under the Standard Operation Procedures issued bySEBI through various circulars) under the aforesaid Acts/Regulations and circulars/guidelines issued thereunder except the maters mentioned later in the report.

We have also examined the compliance with the applicable clauses of the following:

- (i) The Listing Agreements entered into by the Company with the Stock Exchanges, where the Securities of the Company are listed and the uniform listing agreement with the said stock exchanges pursuant to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (ii) Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India.

It is reported that during the period under review, the Company has been regular in complying with the provisions of the Act, Rules, Regulations and Guidelines, except:

 Under The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, this is to mention that, There was an inadvertent error in disclosure made under regulation 29(2) on July 27, 2022 and which was disseminated in the exchange on July 28, 2022. The pre-sale shareholding as per the disclosure made under regulation 29(2) have been shown as 75,11,875 which was an inadvertent error and the same should be read as 77,61,875 shares. Further missed out to make disclosure u/s 29(2) for 8,878 shares as on July 27, 2022 and 1,00,000 shares as on 22.08.2022.

Further, this is to mention this error has been intimated in SEBI on date 14.01.2023 and copy of the details of error has been attached in our previous report (For F.Y. 2022-23). – **No progress in this issue till date**

- The company maintains it's SDD software in the RTA's (Bigshare Services Private Limited) Database. We
 have strongly recommended the company to bring the same at it's own database but it's yet not done till
 date.
- 3. Fine of Rs. 7,60,000/-payable by the Company for delay in submission of trading application of 25,00,000 and 5,30,000 equity shares issued pursuant to the preferential issue. Paid by the company in the F.Y. 2024-25 along with the additional fine for late payment.
- 4. It is observed from the submission made under 31 of LODR and Reg 76 of DP regulation for quarter ended Jun 30, 2023, that there is a mismatch in no of shares held in dematerialized form in Shareholding Pattern and Reconciliation of Share capital Audit report. Company is requested to provide clarification for the discrepancy observed. - Replied by the company in the F.Y. 2024-25
- 5. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MEHAI TECHNOLOGY LIMITED

Report on the Audit of the Consolidated Financial Statements

<u>Opinion</u>

We have audited the accompanying consolidated financial statements of **MEHAI TECHNOLOGY LIMITED** (the "Company") and its subsidiaries (the Company and its subsidiaries together referred to as the "Group") which comprise the Consolidated Balance Sheet as at **March 31, 2024**, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethicsissued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial

statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

<u>Responsibilities of Management and Those Charged with Governance for the</u> <u>Consolidated Financial Statements</u>

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequateaccounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

<u>Auditor's Responsibilities for the Audit of the Consolidated Financial</u> <u>Statements</u>

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud

or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professionalskepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk ofnot detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override ofinternal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and,based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among othermatters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- **1.** As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act,2013. we give in The "Annexure **A**", a statement on the matters specified in the paragraph 3 and 4 of the order to the extent applicable.
 - 2. A). As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules , 2014.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2024 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Reportin "Annexure A" which is based on the auditors' reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financialstatements of those companies.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us,the remuneration paid by the Company to its directors during the year is in accordance with theprovisions of section 197 of the Act.

- B). With respect to the other matters to be included in the Auditor's Report in accordance with Rule11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group (refer Note 2.24 to the consolidated financial statements).
 - ii) The Group has made provision as required under applicable law or accounting standards formaterial foreseeable losses (refer Note 2.16 to the consolidated financial statements). The Group did not have any long-term derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.
 - iv) (a) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries toor in any other person or entity, outside the Group, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall,directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that have been considered reasonable and appropriatein the circumstances performed by us on the Company and its subsidiaries whichare companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that therepresentations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) As stated in Note 2.12.3 to the consolidated financial statements
 - a. The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - b. The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.
 - c. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
 - d. Based on our examination, which include test checks, the Company has used accounting software for maintaining its books of accounts which have a feature of recording audit trail (edit log) facility and that have operated throughout the financial year for all relevant transactions recorded in the software except for modifications, if any, made by certain users having specific access to the accounting software. During the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with during the period for which the audit trail feature was enabled.
- 2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company andits subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

 - ii. (a) The inventory has been physically verified by the management during the year. In the opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book record that were 10% or more in the aggregate for each class of inventory.
 - (b) According to information and explanation given to us and on the basis of our examination of the records of the company, the company has not sanctioned working capital limits in excess of five crore in aggregate from banks or financial institutions on security of current asset. Accordingly, clause 3(ii)(b) of the order is not applicable.
 - iii. According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (f) of the Order are not applicable to the Company and hence not commented upon.

records the company has complied with the provision u/s 185 and 186 of the companies Act 2013 for loans given or provided any guarantee or security as specified under section 185 of the companies Act, 2013.

- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public. Accordingly, clause 3(v) of the order is not applicable.
- vi. According to the information and explanations given to us, the maintenance of Cost Records has not been specified by the Central Government under sub section (1) of Section 148 of the Act for the business activities carried on by the Company.
- vii. According to the information and explanation given to us and on the basis of our examination of the record of the company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), provident fund, Employees' state insurance, income tax, Duty of customs, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities.
- a. According to information and explanation given to us, no undisputed amounts payable in respect of GST, provident fund, Employees' state insurance, income tax, Duty of custom, cess and other material statutory dues were in arrear as at 31st March 2024 for a period of more than six months from the date they became payable.
- **b.** According to the information and explanations given to us, there are no material dues of income tax, sales tax, duty of customs, duty of excise, service tax, value added tax which have not been deposited with the appropriate authorities on account of any dispute.
- viii. According to the information and explanations given to us and on the basis of our examination of the company, the company has not surrendered or disclosed any transaction, previously unrecorded as income in the books of account, in the tax assessments under the income-tax Act, 1961 as income during the year.
- ix. a) According to the information and explanations given to us and based on our examination of the records of the Company, the company did not defaulted in repayment of loan or other borrowings or in the payment of interest thereon to any lender during the years.

b) According to the information and explanation given to us and on the basis of our examination of the records of the company, the company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

c) According to the information and explanations given to us, the company has utilized the money obtained by way of term loan during the financial year for the purpose for which they were obtained.

d) According to the information and explanations given to us and on an overall examinations of balance sheet of the company, we report that no funds have been raised on short-term basis have been used for long-term purposes by the company.

e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the companies Act, 2013. Accordingly, clause 3(ix)(e) of the order is not applicable.

f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the companies Act, 2013. Accordingly, clause 3(ix)(f) of the order is not applicable.

- x) a) The Company has not raised any money by way of initial public offer (including debt instruments).
 Accordingly, clause 3(x)(a) of the order is not applicable.
- xi) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has made referential allotment of share from Convertible Share Warrant during the year.
- xii) a) Based on examination of the books and records of the company and according to the information and explanations given to us, considering the principles of materiality outlined in standards on Auditing, we report that no fraud by the company or on the company has been noticed or reported during the course of audit.
 - b) According to information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by the auditors in form ADT-4 as prescribed under Rule 13 of companies (Audit and Auditors) Rules, 2014 with the central government.
 - c) As Auditor, we did not received any whistle-blower complaints during the year.
- xiii) According to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiv) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards.
- xv) a) Based on information and explanations provided to us and our audit procedures, in our opinion, the company has an internal audit system commensurate with the size and nature of its business.
 - b) We have considered the internal audit reports of the company issued till date for the period under audit.

- xvi) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected to its directors and provision of section 192 of the companies act, 2013 are not applicable.
- xvii)(a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, clause 3(xvi)(a) of the order is not applicable.
 - (b) The Company has not conducted any Non–Banking Financial & Housing Finance Activities during the year, clause 3(xvi)(b) of the order is not applicable.
 - (c) The company is not core investment company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the order is not applicable.
 - (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- xviii) The company has not incurred cash losses in the current and in the immediately preceding financial year.
- xix) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the order is not applicable.
- xx) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of directors and management plans based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future ability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance.
- xxi) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the order are not applicable.

xxii) The company is required to prepare Consolidated Financial Statement, there have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO).

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Mehai Technology Limited** of even date)

<u>Report on the Internal Financial Controls with reference to Consolidated</u> <u>Financial Statements under Clause (i) of sub-section 3 of Section 143 of the</u> <u>Companies Act, 2013 (the "Act")</u>

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to Consolidated Financial Statements of **Mehai Technology Limited** (hereinafter referred to as the "Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Noteon Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to

Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements of the Company and its subsidiary companies, which are companies incorporated in India.

<u>Meaning of Internal Financial Controls with reference to Consolidated</u> <u>Financial Statements</u>

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and thatreceipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention ortimely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all materialrespects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2024, based on the criteria for internal financial control with reference to Consolidated Financial Statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls OverFinancial Reporting issued by the ICAI.

"Annexure – B" to the Independent Auditors' Report of even date on the Financial Statements of Mehai Technology Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mehai Technology Limited** ("**The Company**") as of 31st March, 2024 in conjunction with our audit of the standalonefinancial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MEHAI TECHNOLOGY LIMITED

MEHAI TECHNOLOGY LIMITED

1. CORPORATE AND GENERAL INFORMATION

Mehai Technology Limited ("the Company") is a public limited company incorporated in 2013 and domiciled in India and has its listing on the Bombay Stock Exchange Limited. The registered office of the Company is situated in Jaipur, Rajasthan. The Company's principal business is trading of electronic items.

The Financial Statement comprise the audited Financial Statements of the Parent Company and its subsidiaries:

Name of Subsidiaries	Principal	Place	of	Proportion	of	Principal	Business
	Business			Ownership Interest	as	Activities	
				on March 31, 2024			
Mehai Aqua Pvt. Ltd.	India			51%		Construction	of Water
						Plant and Ma	nufacture
						of Water Bottl	es
Momentous Retails Pvt.	India			100%		Retail Busines	s
Ltd.							

The consolidated financial statements of the Company for the year ended 31st March 2024 has been approved by the Board of Directors in their meeting held on 24th May 2024.

2. BASIS OF PREPARATION & PRESENTATION OF CONSOLIDATED FINANCIAL STATEMENT

2.1. <u>Statement of Compliance</u>

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

2.2. Basis of Measurement

The Company maintains accounts on accrual basis following the historical cost convention, except for followings:

Certain Financial Assets and Liabilities are measured at Fair value/ Amortised cost (refer accounting policy regarding financial instruments);

2.3. Functional and Reporting Currency

The Consolidated Financial Statements are presented in Indian Rupee (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All financial information presented in INR have been rounded off to the nearest lakhs up to two decimals as per the requirements of Schedule III, unless otherwise stated.

2.4. Use of Estimates and Judgements

The preparation of consolidated financial statements in conformity with Ind AS requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

2.5. Presentation of Consolidated Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division-II, Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Division-II, Schedule III to the Act, and various stipulations of Ind AS or any other act are presented by way of notes forming part of the consolidated financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time).

2.6. Operating Cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current depending on the Company's normal operating cycle and other criteria set out in the Division-II, Schedule III of the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

An asset is classified as current when it is:

- > Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- > Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is current when:

- > It is expected to be settled in normal operating cycle;
- > It is held primarily for the purpose of trading;
- > It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.7. Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- > In the principal market for the asset or liability, or
- > In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- ▶ Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ▶ Level 3 Inputs which are unobservable inputs for the asset or liability.
- External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and maintenance of professional standards.

2.8. <u>Principles of Consolidation</u>

Subsidiaries

- Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.
- The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.
- Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity

owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

Goodwill is initially recognised at cost and is subsequently measured at cost less impairment losses, if any. Goodwill is tested for impairment annually or more frequently when there is an indication that it may be impaired. An impairment loss for goodwill is recognised in profit or loss and is not reversed in subsequent periods.

3. MATERIAL ACCOUNTING POLICIES

A summary of the material accounting policies applied in the preparation of the consolidated financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the consolidated financial statements.

3.1. INVENTORIES

Inventories are valued at the lower of cost and net realizable value (NRV). Cost is measured by including, unless specifically mentioned below, cost of purchase and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.2. CASH AND CASH EQUIVALENTS

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

For the purpose of the statement of cash flows, cash and cash equivalents includes cash on hand, term deposits and other short-term highly liquid investments, net of bank overdrafts as they are considered an integral part of the Company's cash management. Bank overdrafts/cash credit are shown within short term borrowings in the Balance sheet.

3.3. INCOME TAX

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognised in the statement of profit & loss, except to the extent that it relates to items recognised in other comprehensive income or directly attributable to other equity. In these cases, the tax is also recognised in other comprehensive income or in statement of change in other equity, respectively.

3.3.1. Current Tax:

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

3.3.2. Deferred Tax

Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

- Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.
- > Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- > The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in statement of change in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.
- Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

3.4. PROPERTY, PLANT AND EQUIPMENT

3.4.1. Tangible Assets

3.4.1.1. Recognition and Measurement:

- Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet under cost model i.e., cost, less any accumulated depreciation and accumulated impairment losses (if any), except for freehold land which are carried at historical cost.
- Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located. Such costs includes borrowing cost if recognition criteria are met.
- > If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

3.4.1.2. Subsequent Measurement:

- Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

3.4.1.3. Depreciation and Amortization:

- Depreciation on Property, Plant & Equipment is provided on Straight Line Method in terms of life span of assets prescribed in Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation.
- In case the cost of part of tangible asset is significant to the total cost of the assets and useful life of that part is different from the remaining useful life of the asset, depreciation has been provided on straight line method based on internal assessment and independent technical evaluation carried out by external valuers, which the management believes that the useful lives of the component best represent the period over which it expects to use those components.
- Depreciation on additions (disposals) during the year is provided on a pro-rata basis depending on the usage period of assets since/up to the date of installation / disposal.
- Depreciation on assets built on leasehold land, which is transferrable to the lessor on expiry of lease period, is amortized over the period of lease.
- > Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

3.4.1.4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

3.4.1.5. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.5 LEASES

3.5.1 Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

3.5.2 Company as lessee

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(i) the contract involves the use of an identified asset;

- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and;
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is re-measured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The re-measurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

3.6 REVENUE RECOGNITION

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

3.6.1 Other Income:

- **3.6.1.1** <u>Interest Income</u>: For all debt instruments measured either at amortized cost or at fair value through other comprehensive income (FVTOCI), interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. For other financial assets interest is accounted for in terms of fair rate.
- **3.6.1.2** <u>Dividend Income</u>: Dividend income is accounted in the period in which the right to receive the same is established.
- **3.6.1.3** <u>Other Income</u>: Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

3.7 EMPLOYEE BENEFITS

3.7.1 Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

3.7.2 Post-Employment Benefits

The Company operates the following post-employment schemes:

Defined Benefit Plans (Gratuity)

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurements of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

3.8 GOVERNMENT GRANTS

Government grants are recognised at their fair value, where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

3.9 FOREIGN CURRENCY TRANSACTIONS

Foreign currency (other than the functional currency) transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

3.10 BORROWING COSTS

Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes foreign exchange difference to the extent regarded as an adjustment to the borrowing costs.

3.11 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.11.1 Financial Assets

Recognition and Initial Measurement:

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification and Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- o Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit or Loss (FVTPL); and
- Equity Instruments designated at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- <u>Measured at Amortized Cost</u>: A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company.

- <u>Measured at FVTOCI</u>: A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other

comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- <u>Measured at FVTPL</u>: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. Equity instruments which are, held for trading are classified as at FVTPL.
- <u>Equity Instruments designated at FVTOCI</u>: For equity instruments, which has not been classified as FVTPL as above, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

Derecognition:

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

Impairment of Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.11.2 Financial Liabilities

Recognition and Initial Measurement:

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

3.11.3 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.12 Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

3.13 Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

3.14 Provisions, Contingent Liabilities and Contingent Assets

3.14.1 Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

3.14.2 Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Consolidated Financial Statements.

3.15 Operating Segment

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

The Company has identified one reportable segment "Electronic Goods" based on the information reviewed by the CODM.

3.16 Standards notified but not yet effective

There are no new standards that are notified, but not yet effective, upto the date of issuance of the Company's

consolidated financial statements

4 SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Information about Significant judgments and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the consolidated financial statements is included in the following notes:

- Recognition of Deferred Tax Assets: The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgment is required in assessing the impact of any legal or economic limits.
- Defined Benefit Obligation (DBO): Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- Provisions and Contingencies: The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgment by management regarding the probability of exposure to potential loss.
- Impairment of Financial Assets: The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Fair value measurement of financial Instruments: When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

41 Fair Values of Financial Assets and Financial Liabilities measured at Amortised Cost

41 The following is the comparison by class of the carrying amounts and fair value of Group's financial instruments that are measured at amortized cost:

Deutinchen	As at 31st March,	As at 31st March, 2024		As at 31st March, 2023	
Particulars	Carrying Amount	Fair Value	Carrying Amount	Fair Value	
Financial Assets					
Other Financial Assets	42.08	42.08	549.26	549.2	
Trade Receivables	255.18	255.18	88.77	88.7	
Cash and Cash Equivalents	44.01	44.01	75.20	75.20	
Other Bank Balances	0.15	0.15			
Other Financial Assets	23.07	23.07	212.65	212.6	
Total Financial Assets	364.48	364.48	925.88	925.8	
Financial Liabilities					
Borrowings	885.41	885.41	149.43	149.4	
Trade Payables	184.31	184.31	188.02	188.0	
Other Financial Liabilities	6.14	6.14	22.16	22.1	
Total Financial Liabilities	1,075.86	1,075.86	359.61	359.6	

41 The management assessed that the fair values of cash and cash equivalents, bank balances, trade receivables, trade payables, borrowings, and other financial assets & liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

The management considers that the carrying amounts of Financial assets and Financial liabilities recognised at nominal cost/amortised cost in the Consolidated Financial Statements approximate their fair

42 Fair Value Hierarchy

The following are the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels of fair value measurement as prescribed under the Ind AS 113 "Fair Value Measurement".

42 Assets and Liabilities measured/disclosed at Fair Value

Particulars	As at 31st March, 2024			As at 31st March, 2023		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Assets Investment in Equity Shares	-	-	-		-	-
Financial	-	-	-	-	-	-

42 During the year ended March 31, 2024 and March 31, 2023, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

42 Explanation to the Fair Value hierarchy

The Group discloses Financial instruments, such as, unquoted investments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the Standalone Financial Statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The valuation of unquoted shares and preference shares have been made based on level 3 inputs as per the hierarchy mentioned in the Accounting Policies.

43 Financial Risk Management

Financial management of the Group has been receiving attention of the top management of the Group. The management considers finance as the lifeline of the business and therefore, financial management is carried out meticulously on the basis of detailed management information systems and reports at periodical intervals extending from daily reports to long-term plans. Importance is laid on liquidity and working capital management with a view to reduce over-dependence on borrowings and reduction in interest cost. Various kinds of financial risks and their mitigation plans are as follows:

43 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables). On account of adoption of Ind AS 109, the Group uses an expected credit loss model to assess the impairment loss.

a Trade Receivables

Customer credit risk is managed by the Group's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and reconciled. Based on historical trend, industry practice and the business environment in which the group operates, an impairment analysis is performed at each reporting date for trade receivables.

b Other Financial Assets

Credit Risk on loans, cash and cash equivalent, and deposits with the banks is generally low as the said financial assets have been made with the banks/ related parties who have been assigned high credit rating by international and domestic rating agencies.

43 Liquidity Risk

The Group's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Group relies on borrowings and excess inflows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/ long term needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

13.2. Maturity Analysis for financial liabilities

a The following are the remaining contractual maturities of financial liabilities as at 31st March 2024 & 31st March 2023

Particulars		As at 31st March, 2024				
	On Demand	Less than 1 year	Between 1 to 5	More than 5 Years	Total	
	On Demand	Less than I year	year	WOTE CITAILS TEALS	IULAI	
Borrowings(No	-	-	27.23	-	27.23	
n current)						
Borrowings(Cu	-	858.18	-	-	858.18	
rrent)						
Trade payables	-	184.31	-	-	184.31	
Other Financial Liabilities	-	6.14	-	-	6.14	
Total	-	1,048.63	27.23	-	1,075.86	

Particulars	As at 31st March, 2023				
	On Demand	Less than 1 year	Between 1 to 5	More than 5 Years	Total
	On Demana	Eess than I year	year	more than 5 rears	Total
Borrowings(No	-	-	103.45	-	103.45
n current)					
Borrowings(Cu	-	45.97	-	-	45.97
rrent)					
Trade Payables	-	188.02	-	-	188.02
Other Financial Liabilities	-	22.16	-	-	22.16
Total	-	256.15	103.45	-	359.61

It is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

43 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of Foreign Exchange Risk and Interest Rate 43 Foreign Exchange Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group do not have exposure to the risk of changes in foreign exchange rates as the group do not have foreign currency exposure during the year ended 31st March, 2024.

44 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates. The group's exposure to the risk of changes in market interest rate relates primarily to group's borrowing with floating interest rates. The group do not have any significant interest rate risk on its current borrowing due to their short tenure.

а	Exposure to Interest Rate Risk	- 20	22 N.
	Particulars	As at 31st March,	As at 31st March, 2023
		2024	
	Financial Liability		
	Fixed Rate Instruments	581.86	103.45
	Variable Rate Instruments	303.55	45.97
		885.41	149.43

b Interest Rate Sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the group profit before tax is affected through the impact on floating rate borrowings, as follows:

P articulars	Sensitivity Analysis	For the Year ended 31st Impact On	Other Equity	For the Year ended Impact On	Other Equity
No. AN AND AN AND AN		Profit Before Tax		Profit Before Tax	
Interest Rate (Increase)	1%	(1.52)	(1.10)	(0.23)	(0.17)
Interest Rate (Decrease)	1%	1.52	1.10	0.23	0.17

44 Capital Management

The group objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Sourcing of capital is done through judicious combination of equity/internal accruals and short term borrowings.

Particulars	As at 31st March,	As at 31st March, 2023
Share capital	1,961.00	1,071.00
Other equity	2,299.18	275.23
Equity (A)	4,260.18	1,346.23
Cash and cash equivalents	44.01	75.20
Total fund (B)	44.01	75.20
Long Term Borrowing	27.23	103.45
Short Term Borrowing	858.18	45.97
Total debt (C)	885.41	149.43
Net debt (D=(C-B))	841.40	74.23
Total capital (equity + n et debt)	5,101.58	1,420.46
Net debt to equity ratio (E=D/A)	0.20	0.06

45 Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, if a group is meeting the applicable threshold, it needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The group has not met the threshold and hence the provision of CSR are not applicable.

46 Other Statutory Disclosure

46 The group does not have any benami property, where any proceedings have been initiated or pending against the group for holding any benami property under Benami Transactions (Prohibitions) Act, 1988 |45 of 1988) and the rules made there under.

46 The group has been sanctioned working capital limit from a bank on the basis of security of current assets of the group. The quarterly returns / statements are filed by the group with such bank. The differences, if any, are stated below.

The Quarterly statements submitted to banks were prepared and filed before the completion of all financial statement closure activities including Indian Accounting Standard related adjustments / reclassifications & regrouping as applicable, which led to these differences between the final books of accounts and the quarterly statements submitted to banks based on provisional books of accounts. Reconciliation of guarterly statements submitted to banks with books of accounts of the group (Rs in lakhs)

- 46 The group has not been declared as wilful defaulter by any bank or financial institution or other lender.
- 46 There has no any transaction with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956.
- 47 The group does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- 47 The group does not have any undisclosed income which is not recorded in the books of account that has been surrendered or disclosed as income during the previous year in the tax assessments under the 47 The group has not advanced or loaned or invested funds to any other person(s) or entity(ies),including foreign entities(intermediaries) with the understanding that the intermediary shall :
- (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the group(Ultimate beneficiaries) or

47	The group has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the group shall :
	(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
	(b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiary.

47 The group has not traded or invested in Crypto currency or Virtual Currency during the financial year.

47 Disclosure pursuant to Indian Accounting Standard - 19 'Employee Benefits'

Defined Contribution Plan:

47 Provident Fund Contribution

Provident Fund as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952.

a	The amount rec	ognized as an expense for the Defined Contribution Plans are as under:	12 44
ь	Si. No.	Particulars	For the Year ended 31st March, 2024

ь	Provident Fund ESIC	0.03	
efined Benefit	Plant		

For the Year ended

31st March, 2023

The group has one type of defined benefit plan :

a Gratuity Plan

47 De

Every employee who has completed five years or more of service is entitled to Gratuity as per the provisions of the Payment of Gratuity Act, 1972. The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date.

b Risk Exposure

Through its defined benefit plans, the group is exposed to a number of risks, the most significant of which are detailed below:

INTEREST RATE RISK	The Defined Benefit Obligation calculation uses a discount rate based on government bonds. If bonds yield fall, the defined benefit obligation will increase.
SALARY GROWTH RISK	The present value of defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of plan participants will increase the plan liabilities.
DEMOGRAPHIC RISK	This is the risk of variability of results due to unsystematic nature of variables that include mortality, withdrawal, disability and retirement. The effect of these variables on the defined benefit obligation is not straight forward and depend upon the combination of factors drawing weightage from salary increase, discount rate and vesting criteria.

c Reconciliation of the net defined benefit (asset)/ liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset)/liability and its components:

Particulars	As at 31st March, 2024	As at 31st March, 202

To The Members Mehai Technology Limited

Report on the audit of the Financial Statements

We have audited the accompanying Standalone financial statements of the **Mehai Technology Limited ("The Company")**, which comprise the Balance Sheet as at **31st March 2024**, the statement of Profit & Loss, statement of changes in equity and the statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and otherexplanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act 2013** in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and its Profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's responsibilities for the audit of the financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirement that are relevant to our audit of the Financial Statement under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statement for the current period. These matters were addressed in the context of our audit of standalone financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to the Board Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we concluded that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of the financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India including the accounting standards specified under section 133 of the Act read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period

and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- **1.** As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act,2013. we give in The "**Annexure A**", a statement on the matters specified in theparagraph 3 and 4 of the order to the extent applicable.
- **2.** A) As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account, as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of written representations received from the directors, as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - B) With respect to the other matters to be included in the Auditor's Report in accordance

with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

a) The Company have disclosed the pending litigations as at 31st March 2024 which would impact its financial position.

b) The Company has made provisions as required under applicable law or accounting standard for foreseeable losses; if any on long-term contracts including derivative contracts.

c) There has been no need to transfer any amount which is required to be transferred, to the Investor Education and Protection Fund by the Company.

d) i. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) during the year by the

Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of Company or
- Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- ii. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any persons or entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall:
 - Directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the funding party or
 - Provide any guarantee, security or the like form or on behalf of the Ultimate Beneficiaries; and
- Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub clause (d) (i) and (d) (ii) contain any material misstatement.
- e) The Company has not declared or paid any dividend during the year.
- **C)** With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of the Act.
- **D)** Based on our examination, which include test checks, the Company has used accounting software for maintaining its books of accounts which have a feature of recording audit trail (edit log) facility and that have operated throughout the financial year for all relevant transactions recorded in the software except for modifications, if any, made by certain users having specific access to the accounting software. During the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with during the period for which the audit trail feature was enabled.

Annexure - A to the Independent Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31st March 2024, we report that:

(i) (a) A. The company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and equipment.

B. The company does not have any Intangible Assets. Accordingly, clause 3(i)(a)(B) of the order is not applicable.

- (b) According to the information and explanation given to us and on the basis of our examination of the record of the company, the Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to information and explanation given to us and on the basis of our examination of the records of the Company, the Company have Immovable Property under work in progress.
- (d) According to information and explanation given to us and on the basis of our examination of the records of the Company, the company has not revalued its Property, Plant and equipment (including Right-of-use assets) during the year.
- (e) According to information and explanation given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the company for holding any Benami property Transactions Act, 1988 and the rules made thereunder.
- ii. (a) The inventory has been physically verified by the management during the year. In the opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book record that were 10% or more in the aggregate for each class of inventory.
 - (b) According to information and explanation given to us and on the basis of our examination of the records of the company, the company has not sanctioned working capital limits in excess of five crore in aggregate from banks or financial institutions on security of current asset. Accordingly, clause 3(ii)(b) of the order is not applicable.
- iii. According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (f) of the Order are not applicable to the Company and hence not commented upon.

- iv. According to the information and explanations given to us and on the basis of our examination of the records the company has complied with the provision u/s 185 and 186 of the companies Act 2013 for loans given or provided any guarantee or security as specified under section 185 of the companies Act, 2013.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public. Accordingly, clause 3(v) of the order is not applicable.
- vi. According to the information and explanations given to us, the maintenance of Cost Records has not been specified by the Central Government under sub section (1) of Section 148 of the Act for the business activities carried on by the Company.
- vii. According to the information and explanation given to us and on the basis of our examination of the record of the company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), provident fund, Employees' state insurance, income tax, Duty of customs, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities.
- **a.** According to information and explanation given to us, no undisputed amounts payable in respect of GST, provident fund, Employees' state insurance, income tax, Duty of custom, cess and other material statutory dues were in arrear as at 31st March 2024 for a period of more than six months from the date they became payable.
- **b.** According to the information and explanations given to us, there are no material dues of income tax, sales tax, duty of customs, duty of excise, service tax, value added tax which have not been deposited with the appropriate authorities on account of any dispute.
- viii. According to the information and explanations given to us and on the basis of our examination of the company, the company has not surrendered or disclosed any transaction, previously unrecorded as income in the books of account, in the tax assessments under the income-tax Act, 1961 as income during the year.
- ix. a) According to the information and explanations given to us and based on our examination of the records of the Company, the company did not defaulted in repayment of loan or other borrowings or in the payment of interest thereon to any lender during the year.
 - b) According to the information and explanation given to us and on the basis of our examination of the records of the company, the company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

c) According to the information and explanations given to us, the company has utilized the money obtained by way of term loan during the financial year for the purpose for which they were obtained.

d) According to the information and explanations given to us and on an overall examinations of balance sheet of the company, we report that no funds have been raised onshort-term basis have been used for long-term purposes by the company.

e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the companies Act, 2013. Accordingly, clause 3(ix)(e) of the order is not applicable.

f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the companies Act, 2013. Accordingly, clause 3(ix)(f) of the order is not applicable.

- x) a) The Company has not raised any money by way of initial public offer (including debt instruments). Accordingly, clause 3(x)(a) of the order is not applicable.
 - b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has made preferential allotment of shares from convertible share warrant during the year.
- xi) a) Based on examination of the books and records of the company and according to the information and explanations given to us, considering the principles of materiality outlined in standards on Auditing, we report that no fraud by the company or on the company has been noticed or reported during the course of audit.
 - b) According to information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by the auditors in form ADT-4 as prescribed under Rule 13 of companies (Audit and Auditors) Rules, 2014 with the central government.
 - c) As Auditor, we did not receive any whistle-blower complaints during the year.
- xii) According to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii)In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards.
- xiv)a) Based on information and explanations provided to us and our audit procedures, in our opinion, the company has an internal audit system commensurate with the size and nature of its business.
 - b) We have considered the internal audit reports of the company issued till date for

the period under audit.

- xv) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into noncash transactions with directors or persons connected to its directors and provision of section 192 of the companies act, 2013 are not applicable.
- xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bankof India Act 1934. Accordingly, clause 3(xvi)(a) of the order is not applicable.
 - (b) The Company has not conducted any Non–Banking Financial & Housing Finance Activities during the year, so the clause 3(xvi)(b) of the order is not applicable.
 - (c) The company is not core investment company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the order is not applicable.
 - (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- xvii) The company has not incurred cash losses in the current and in the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the order is not applicable.
- xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of directors and management plans based on our examination of the evidence supporting the assumptions, nothing has come to our attention, whichcauses us to believe that any material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future ability of the company. We further state that our reporting is based on the facts up to the date of the audit reportand we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date.
- xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the order are not applicable.

xxi) The company is required to prepare Consolidated Financial Statement, there have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO).

"Annexure – B" to the Independent Auditors' Report of even date on the Financial Statements of Mehai Technology Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Mehai Technology Limited** ("**The Company**") as of 31st March, 2024 in conjunction with our audit of the standalonefinancial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatementsdue to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reportingcriteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MEHAI TECHNOLOGY LIMITED

4. CORPORATE AND GENERAL INFORMATION

Mehai Technology Limited ("the Company") is a public limited company incorporated in 2013 and domiciled in India and has its listing on the Bombay Stock Exchange Limited. The registered office of the Company is situated in Jaipur, Rajasthan. The Company's principal business is trading of electronic items.

The standalone financial statements of the Company for the year ended 31st March 2024 has been approved by the Board of Directors in their meeting held on 24th May 2024.

5. BASIS OF PREPARATION & PRESENTATION OF STANDALONE FINANCIAL STATEMENT

5.1. Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

5.2. Basis of Measurement

The Company maintains accounts on accrual basis following the historical cost convention, except for followings:

 Certain Financial Assets and Liabilities are measured at Fair value/ Amortised cost (refer accounting policy regarding financial instruments);

5.3. Functional and Reporting Currency

The Standalone Financial Statements are presented in Indian Rupee (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All financial information presented in INR have been rounded off to the nearest lakhs up to two decimals as per the requirements of Schedule III, unless otherwise stated.

5.4. Use of Estimates and Judgements

The preparation of standalone financial statements in conformity with Ind AS requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the standalone financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

5.5. <u>Presentation of Standalone Financial Statements</u>

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division-II, Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Division-II, Schedule III to the Act, and various stipulations of Ind AS or any other

act are presented by way of notes forming part of the standalone financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time).

5.6. Operating Cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current depending on the Company's normal operating cycle and other criteria set out in the Division-II, Schedule III of the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

An asset is classified as current when it is:

- > Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- > Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- > It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

5.7. Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- > In the principal market for the asset or liability, or
- > In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and

minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- > Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ▶ Level 3 Inputs which are unobservable inputs for the asset or liability.
- External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and maintenance of professional standards.

6. MATERIAL ACCOUNTING POLICIES

A summary of the material accounting policies applied in the preparation of the standalone financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the standalone financial statements.

6.1. INVENTORIES

Inventories are valued at the lower of cost and net realizable value (NRV). Cost is measured by including, unless specifically mentioned below, cost of purchase and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

6.2. CASH AND CASH EQUIVALENTS

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

For the purpose of the statement of cash flows, cash and cash equivalents includes cash on hand, term deposits and other short-term highly liquid investments, net of bank overdrafts as they are considered an integral part of the Company's cash management. Bank overdrafts/cash credit are shown within short term borrowings in the Balance sheet.

6.3. INCOME TAX

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognised in the statement of profit & loss, except to the extent that it relates to items recognised in other comprehensive income or directly attributable to other equity. In these cases, the tax is also recognised in other comprehensive income or in statement of change in other equity, respectively.

6.3.1. Current Tax:

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been

enacted or substantively enacted, at the end of the reporting period.

6.3.2. Deferred Tax

- > Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.
- > Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in statement of change in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.
- Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

6.4. PROPERTY, PLANT AND EQUIPMENT

6.4.1. Tangible Assets

6.4.1.1. <u>Recognition and Measurement:</u>

- Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet under cost model i.e., cost, less any accumulated depreciation and accumulated impairment losses (if any), except for freehold land which are carried at historical cost.
- Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located. Such costs includes borrowing cost if recognition criteria are met.
- ➤ If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

6.4.1.2. Subsequent Measurement:

- Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

6.4.1.3. Depreciation and Amortization:

- Depreciation on Property, Plant & Equipment is provided on Straight Line Method in terms of life span of assets prescribed in Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation.
- In case the cost of part of tangible asset is significant to the total cost of the assets and useful life of that part is different from the remaining useful life of the asset, depreciation has been provided on straight line method based on internal assessment and independent technical evaluation carried out by external valuers, which the management believes that the useful lives of the component best represent the period over which it expects to use those components.
- Depreciation on additions (disposals) during the year is provided on a pro-rata basis depending on the usage period of assets since/ up to the date of installation / disposal.
- Depreciation on assets built on leasehold land, which is transferrable to the lessor on expiry of lease period, is amortized over the period of lease.
- > Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

6.4.1.4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

6.4.1.5. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

4.5 LEASES

4.5.1 Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

4.5.2 Company as lessee

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (iv) the contract involves the use of an identified asset;
- (v) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and;
- (vi) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is re-measured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The re-measurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

4.6 REVENUE RECOGNITION

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the

extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

4.6.1 Other Income:

- **4.6.1.1** <u>Interest Income</u>: For all debt instruments measured either at amortized cost or at fair value through other comprehensive income (FVTOCI), interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. For other financial assets interest is accounted for in terms of fair rate.
- **4.6.1.2** <u>Dividend Income</u>: Dividend income is accounted in the period in which the right to receive the same is established.
- **4.6.1.3** <u>Other Income</u>: Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

4.7 EMPLOYEE BENEFITS

4.7.1 Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

4.7.2 Post-Employment Benefits

The Company operates the following post-employment schemes:

Defined Benefit Plans (Gratuity)

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurements of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected

immediately in retained earnings and will not be reclassified to the statement of profit and loss.

4.8 GOVERNMENT GRANTS

Government grants are recognised at their fair value, where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

4.9 FOREIGN CURRENCY TRANSACTIONS

Foreign currency (other than the functional currency) transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

4.10 BORROWING COSTS

Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes foreign exchange difference to the extent regarded as an adjustment to the borrowing costs.

4.11 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.11.1 Financial Assets

Recognition and Initial Measurement:

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification and Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- o Measured at Fair Value Through Profit or Loss (FVTPL); and
- o Equity Instruments designated at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- <u>Measured at Amortized Cost</u>: A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company.

- <u>Measured at FVTOCI</u>: A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- <u>Measured at FVTPL</u>: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. Equity instruments which are, held for trading are classified as at FVTPL.
- Equity Instruments designated at FVTOCI: For equity instruments, which has not been classified as FVTPL as above, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

Derecognition:

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

Impairment of Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

4.11.2 Financial Liabilities

Recognition and Initial Measurement:

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

> <u>Derecognition</u>:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

4.11.3 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

4.11.4 Investments in Subsidiaries, Associates and Joint Venture

Investments in subsidiaries, associates and joint venture are carried at cost less provision for impairment, if any. Investment in subsidiaries, associates and joint venture are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the carrying amount of investments exceeds its recoverable amount.

4.12 Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

4.13 Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

4.14 Provisions, Contingent Liabilities and Contingent Assets

4.14.1 Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

4.14.2 Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Standalone Financial Statements.

4.15 Operating Segment

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for

allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

The Company has identified one reportable segment "Electronic Goods" based on the information reviewed by the CODM.

4.16 Standards notified but not yet effective

There are no new standards that are notified, but not yet effective, upto the date of issuance of the

Company's standalone financial statements

5 SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Information about Significant judgments and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the standalone financial statements is included in the following notes:

- Recognition of Deferred Tax Assets: The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgment is required in assessing the impact of any legal or economic limits.
- Defined Benefit Obligation (DBO): Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- Provisions and Contingencies: The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgment by management regarding the probability of exposure to potential loss.
- Impairment of Financial Assets: The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Fair value measurement of financial Instruments: When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

41 Fair Values of Financial Assets and Financial Liabilities measured at Amortised Cost

41.1 The following is the comparison by class of the carrying amounts and fair value of the Company's financial instruments that are measured at amortized cost:

Destinion	As at 31st March,	, 2024	As at 31st March, 2023	
Particulars	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
Investment	2.51	4.26	2.00	3.70
Other Financial Assets	1,572.42	1,572.42	549.26	549.26
Trade Receivables	208.38	208.38	88.77	88.77
Cash and Cash Equivalents	37.06	37.06	74.78	74.78
Other Bank Balances	0.15	0.15		00 70
Other Financial Assets	35.91	35.91	217.03	217.03
Total Financial Assets	1,856.43	1,858.18	931.84	933.55
Financial Liabilities				
Borrowings	395.18	395.18	149.43	149.43
Trade Payables	30.71	30.71	106.41	106.41
Other Financial Liabilities	6.14	6.14	21.27	21.27
Total Financial Liabilities	432.03	432.03	277.10	277.10

41.2 The management assessed that the fair values of investments, cash and cash equivalents, bank balances, trade receivables, trade payables, borrowings, and other financial assets & liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

41.3 The management considers that the carrying amounts of Financial assets and Financial liabilities recognised at nominal cost/amortised cost in the Standalone Financial Statements approximate their fair values.

42 Fair Value Hierarchy

The following are the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels of fair value measurement as prescribed under the Ind AS 113 "Fair Value Measurement".

42.1 Assets and Liabilities measured/ disclosed at Fair Value

Particulars		As at 31st March, 2	24 As at 31st March, 2023			23
	Level1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Assets Investment in Equity Shares		to .	4.26	ā	×	3.70
Financia Assets Total		()	4.26		(in the second se	3.70

42.2 During the year ended March 31, 2024 and March 31, 2023, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

42.3 Explanation to the Fair Value hierarchy

The Company discloses Financial instruments, such as, unquoted investments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the Standalone Financial Statements are categorised within the fair value have head on the lowest level input that is significant to the fair value measurement as a whole. The valuation of unquoted shares and preference shares have head methods in the Accounting Delivier.

43 Financial Risk Management

Financial management of the Company has been receiving attention of the top management of the Company. The management considers finance as the lifeline of the business and therefore, financial management is carried out meticulously on the basis of detailed management information systems and reports at periodical intervals extending from daily reports to long-term plans. Importance is laid on liquidity and working capital management with a view to reduce over-dependence on borrowings and reduction in interest cost. Various kinds of financial risks and their mitigation plans are as follows:

43.1 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables). On account of adoption of Ind AS 109, the Company uses an expected credit loss model to assess the impairment loss.

a Trade Receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and reconciled. Based on historical trend, industry practice and the business environment in which the company operates, an impairment analysis is performed at each reporting date for trade receivables.

b Other Financial Assets

Credit Risk on loans, cash and cash equivalent, and deposits with the banks is generally low as the said financial assets have been made with the banks/ related parties who have been assigned high credit rating by international and domestic rating agencies.

43.2 Liquidity Risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on borrowings and excess inflows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/ long term needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

43.2.1 Maturity Analysis for financial liabilities

a The following are the remaining contractual maturities of financial liabilities as at 31st March 2024 & 31st March 2023

Particulars		As at 31st March, 2024					
	On Demand	Less than 1 year	Between 1 to 5 year	More than 5 Years	Total		
Borrowings(Non current)	÷.		27.23	H.	27.23		
Borrowings(Current)	() (367.95	-	×.	367.95		
Trade payables	() - 20)	30.71	1. 10	÷))	30.71		
Other Financial Liabilities		6.14		-	6.14		
Total	100	404.80	27.23	2	432.03		
Particulars		As at 31st March, 2023					
	On Demand	Less than 1 year	Between 1 to 5 year	More than 5 Years	Total		
Borrowings(Non current)		8 9 1	103.45		103.45		
Borrowings(Current)		45.97	-		45.97		
Trade Payables		106.41	828		106.41		
Other Financial Liabilities). P	21.27	520	2	21.27		
Total		173.65	108.45	22	277.10		

It is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

43.3 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of Foreign Exchange Risk and Interest

43.4 Foreign Exchange Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company do not have exposure to the risk of changes in foreign exchange rates as the company do not have foreign currency exposure during the year ended 31st March, 2024.

43.5 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates. The company's exposure to the risk of changes in market interest rate relates primarily to company's borrowing with floating interest rates. The Company do not have any significant interest rate risk on its current borrowing due to their short tenure.

a Exposure to Interest Rate Risk

Particulars	As at 31st March, 2024	As at 31st March, 2023
Financial Liability		
Fixed Rate Instruments	91.63	103.45
Variable Rate Instruments	303.55	45.97
	395.18	149.43

b Interest Rate Sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Sensitivity Analysis	For the Year ended 31st Impact On Profit Before Tax	Other Equity	For the Year ended Impact On Profit Before Tax	Other Equity
Interest Rate (Increase)	1%	(1.52)	(1.10)	(0.23)	(0.17)
Interest Rate (Decrease)	1%	1.52	1.10	0.23	0.17

44 Capital Management

The Company objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure and strategic investments. Sourcing of capital is done through judicious combination of equity/internal accruals and short term borrowings.

Particulars	As at 31st March, As 2024	s at 31st March, 202
Share capital	1,961.00	1,071.00
Other equity	2,305.57	273.53
Equity (A)	4,266.57	1,344.53
Cash and cash equivalents	37.06	74.78
Total fund (B)	37.06	74.78
Long Term Borrowing	27.23	103.45
Short Term Borrowing	367.95	45.97
Total debt (C)	395.18	149.43
Net debt (D=(C-B))	358.12	74.65
Total capital (equity + net debt)	4,624.69	1,419.18
Net debt to equity ratio (E=D/A)	0.08	0.06

45 Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, a company meeting the applicable threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The Company has not met the threshold and hence the provision of CSR are not applicable.

46 Other Statutory Disclosure

- 46.1 The Company does not have any benami property, where any proceedings have been initiated or pending against the company for holding any benami property under Benami Transactions (Prohibitions) Act, 1988 (45 of 1988) and the rules made there under.
- 46.2 The Company has been sanctioned working capital limit from a bank on the basis of security of current assets of the Company. The quarterly returns / statements are filed by the Company with such bank. The differences, if any, are stated below.

The Quarterly statements submitted to banks were prepared and filed before the completion of all financial statement closure activities including Indian Accounting Standard related adjustments / reclassifications & regrouping as applicable, which led to these differences between the final books of accounts and the quarterly statements submitted to banks based on provisional books of accounts and the quarterly statements submitted to banks based on provisional books of accounts and the quarterly statements submitted to banks based on provisional books of accounts and the quarterly statements submitted to banks based on provisional books of accounts and the quarterly statements submitted to banks based on provisional books of accounts and the quarterly statements are consistent accounts are consistent accounts and the quarterly statements are consistent accounts are consistent accounts and the quarterly statements are consistent accounts are consistent accounts and the quarterly statements are consistent accounts are consistent accounts and the quarterly statements are consistent accounts are consistent accounts and the quarterly statements are consistent accounts are consistent accounts are consistent accounts are consistent accounts and the quarterly statements are consistent accounts and the quarterly statements are consistent accounts are

48.2 Defined Benefit Plan:

The company has one type of defined benefit plan :

a Gratuity Plan

d

Every employee who has completed five years or more of service is entitled to Gratuity as per the provisions of the Payment of Gratuity Act, 1972. The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date.

b Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

INTEREST RATE RISK	The Defined Benefit Obligation calculation uses a discount rate based on government bonds. If bonds yield fall, the
	defined benefit obligation will increase.
SALARY GROWTH RISK	The present value of defined benefit plan liability is calculated by reference to the future salaries of plan
	participants. An increase in the salary of plan participants will increase the plan liabilities.
DEMOGRAPHIC RISK	This is the risk of variability of results due to unsystematic nature of variables that include mortality, withdrawal, disability and retirement. The effect of these variables on the defined benefit obligation is not straight forward and depend upon the combination of factors drawing weightage from salary increase, discount rate and vesting criteria.

c iliation of the net defined benefit (asset) / liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset)/ liability and its components:

Particulars	As at 31st March, 2024	As at 31st March, 2023
