PRESS RELEASE

BHEL emerged as successful bidder for 3x800 MW Telangana Stage-II Supercritical Thermal Power Plant by NTPC

New Delhi, November 12: Bharat Heavy Electricals Limited (BHEL) has emerged as a successful bidder in a major contract from NTPC Ltd. for the establishment of the Main plant package of 3x800 MW Telangana Stage-II supercritical thermal power plant.

Under this contract, BHEL's scope of work includes design, engineering, manufacturing, supply, erection, commissioning, and civil construction. Presently, BHEL has received a Limited Notice to Proceed (LNTP) from NTPC Ltd. for initiating the basic engineering work of Main plant package for this upcoming supercritical thermal power plant.

This project further strengthens BHEL's enduring partnership with NTPC, where BHEL has contributed over 57% of NTPC's thermal power installations nationwide.

As India's foremost power equipment manufacturer, with over 1,68,000 MW of utility power capacity installed across the country, BHEL continues to play a pivotal role in bolstering India's energy security and supporting the vision of self-reliance in the power sector.
