01 About Ashiana

02 Business Model

03 Accolades

04 Abbreviations

Note: Key Metrics are updated on annual basis at the end of each Financial Year

High quality in-house construction

- In house end-to-end construction capabilities – Ensure higher control over cost and quality and flexibility in execution
- Focus on use of high quality and efficient construction methodologies & techniques to help reduce time and cost

In-house sales and marketing

- Instead of broker-driven model, Ashiana has in-house sales and marketing team
- Ensures greater ownership of customers and helps in selling projects to them in future
- High proportion of customer referral sales to overall sales due to established brand and high customer satisfaction level

In-house Facility Management Services

- Services provided to some of the projects of Ashiana through its wholly owned subsidiary
- Other than facility management and maintenance facilities, resale and renting services also provided
- This acts as a continuous direct customer feedback channel

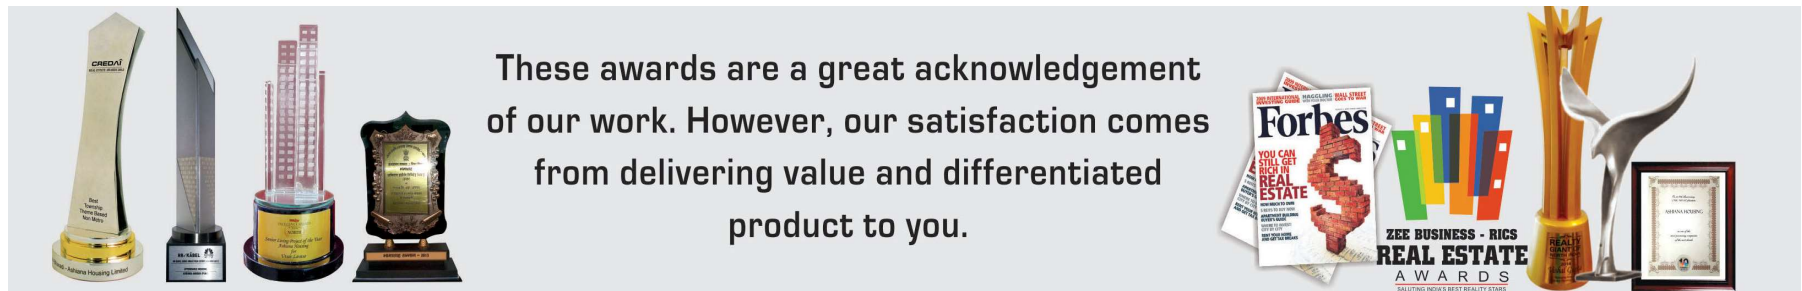

Land is Raw Material

- Execution based model instead of land banking model
- Target land inventory of 5-7 times of current year execution plan
