Members further note that the primary objectives of the aforementioned Plan is to reward the employees for their association, dedication and contribution to the goals of the Company. The Company intends to use this Plan to attract and retain the key talent by way of rewarding their performance and motivating them to contribute to the overall corporate growth and profitability. The Company views employee stock option plan as a long-term incentive tool that would assist in aligning employees' interest with that of the shareholders and enable the employees not only to become co-owners, but also to create wealth out of such ownership in future. The initiative is being introduced to link the employee's performance in the Company along with other initiatives which would contribute to improve the performance of the Company

Under the Plan, the Company would grant up to 5,00,000 (Five Lakhs only) Employee Stock Options ('Options'), in one or more tranches, to such eligible employees as may be determined by the Compensation Committee in terms of the Plan, that would entitle the grantees (in aggregate) to subscribe up to 5,00,000 (Five Lakhs only) fully paid-up equity shares with face value of ₹ 5/- (Rupees five only) each.
