The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.surbhi.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and General Circular No. 09/2023 dated 25.09.2023 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Friday, 27th September, 2024 at 09:30 AM (IST) and ends on Sunday, 29th September, 2024 at 05:00 PM (IST). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on 23rd September, 2024 (cut-off date), may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS

1. MANAGEMENT DISCUSSION:

i. INDUSTRY STRUCTURE AND DEVELOPMENTS

As per report of INDIA BRAND EQUITY FOUNDATION Cotton production in India is projected to reach 7.2 million tonnes (43 million bales of 170 kg each) by 2030, driven by increasing demand from consumers. India enjoys a comparative advantage in terms of skilled manpower and in cost of production, relative to major textile producers. India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

- In FY24, exports of readymade garments including accessories stood at US\$ 14.23 billion.
- Cotton production in India is projected to reach 7.2 million tonnes by 2030, driven by increasing demand from consumers.

- The market for Indian textiles and apparel is projected to grow at a 10% CAGR to reach US\$ 350 billion by 2030, with exports expected to reach US\$100 billion.
- India's textile and apparel exports (including handicrafts) stood at US\$ 28.72 billion in FY24 (April-January 2024)

India's textiles sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports with approximately 13-15 per cent of total exports. The textiles industry is also labour intensive and is one of the largest employers. The textile industry has two broad segments. First, the un-organised sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organized sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale.

The decentralised power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce a wide variety of products suitable for different market segments, both within India and across the world.

In order to attract private equity and employ more people, the government introduced various schemes such as the Scheme for Integrated Textile Parks (SITP), Technology Upgradation Fund Scheme (TUFs) and Mega Integrated Textile Region and Apparel (MITRA) Park scheme.

ii. OPPORTUNITIES AND THREATS

In June 2022, Minister of Textiles, Commerce and Industry, Consumer Affairs & Food and Public Distribution, Mr. Piyush Goyal, stated that the Indian government wants to establish 75 textile hubs in the country.

Production-linked Incentive (PLI) Scheme worth Rs. 10,683 crore (US\$ 1.44 billion) for manmade fibre and technical textiles over a five-year period.

The Indian government has notified uniform goods and services tax rate at 12% on man-made fabrics (MMF), MMF yarns and apparel, which came into effect from January 1, 2022.

Huge funds in schemes such as Rs. 900 crore (US\$ 109.99 million) for Amended Technology Upgradation Fund Scheme (ATUFs) have been released by the Government in the union budget of 2023-24 to encourage more private equity investments and provide employment.

However, international slow-down may have adverse impact on the growth the textile industry. The Indian cotton textile industry is expected to showcase a stable growth in FY 2024-25, supported by stable input prices, healthy capacity utilization and steady domestic demand. Government is providing various incentives under TUFs. The Customers also growing rapidly. At the same time, there is intense price pressure from the competitors and international financial crisis. Major threat is from international market and mainly from china. GST will impact most to the textile industry as the same is in most unorganized sector and implementation of GST will be seen as game changer to this industry. However, international slow-down may have adverse impact on the growth the textile industry.

Government is providing various incentives under TUFs. Further, the government approved the Production-Linked Incentive (PLI) Scheme for Textiles - focusing on manmade fiber (MMF) apparel, MMF fabrics, and products of technical textiles to enhance India's manufacturing capabilities and exports. The Customers also growing rapidly. At the same time, there is intense price pressure from the competitors and international financial crisis. Major threat is from international market and mainly from china. GST will impact most to the textile industry as the same is in most unorganized sector and implementation of GST will be seen as game changer to this industry.

iii. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

Company is having only one segment and that is textile company's main products are yarn and grey falling in one category thus segment wise reporting is not given as the same is evident from financial figures.

iv. OUTLOOK

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players into the Indian market. As a long-term planning strategy, company is planning to develop cotton-based technology. Company intend to launch new project in the field of textile particularly embroidery based production. The Indian Technical Textile market has a huge potential of a 10% growth rate, increased penetration level of 9-10% and is the 5th largest technical textiles market in the world. India's sportech industry, Medical Textiles market for drapes and gowns is expected to grow at 15% to reach US\$ 22.45 million by 2027.

The Indian composites market is expected to reach an estimated value of US\$ 1.9 billion by 2026 with a CAGR of 16.3% from 2021 to 2026 and the Indian consumption of composite materials will touch 7,68,200 tonnes in 2027.

v. RISKS AND CONCERNS:

Now a day due to industrial slow down and change in market purchasing pattern Indian Textile Industry witness setback and down trade. Major fluctuations Rupee v/s dollar price corresponding to fluctuation in the raw material price and stringent market conditions can affect the company's performance. Due to war like situation in Middle East and Russia -Ukrain conflict overall supply chain is affected internationally, that may pose a sincere concern for the entire economy.

vi. INTERNAL CONTROL SYSTEM:

The Company has an adequate internal audit system commensurate with its size and the nature of its business towards achieving efficiency in the operation, optimum utilization of resources and effective monitoring thereof and compliance with applicable laws.

vii. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

Financial performance for the year 2023-24 has been declined and revenue of the company decreased from Rs. 28,65,58,567 to Rs. 20,01,13,635 i.e approx. 30% decrease from previous year revenue. This is mainly due to suppression in overall demand. Further, current changes unrest in Bangladesh, which is also a prominent textile producer, demand in market expected to have sharp turn. In future company expected to provide better financial performance.

viii. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

Textile segment mainly depend on labour and workmen, company always try to conserve the workforce. Training to work men and skill improvement programs were held periodically to improve the productivity. Details of employee are given above at 'PARTICULARS OF EMPLOYEES' hence not reproduce here.

Employee's relations continue to be cordial. Training and development activities are identified, organizes and progress monitored as part of human resource development activities.

ix. DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS, ALONG WITH DETAILED EXPLANATIONS THEREFOR, INCLUDING

During the previous year 2022-23 company reported profit after tax of Rs. 8,92,555 and during the current financial year 2023-24 company attain Loss of Rs. 1,60,36,945. Most of the financial ratios are not comparable to previous year but major improvement shown to Inventory turnover ratio,

current ratio, debt service coverage ratio, return on equity ratio etc. Main reason to improve margins is higher utilisation of resource and increase in net revenue and decrease in financial cost and depreciation cost. Company had made loss of Rs. 1,60,36,945 against previous year net profit of Rs. 8,92,555 and that is the main reason to decrease in the net worth of the company. Following are the details of ratios:

PARTICULAS	YEAR ENDED 31.03.24	YEAR ENDED 31.03.23
Current Ratio	1.72	2.33
Debt Service Coverage Ratio	0.73	1.18
Return on Equity Ratio	-0.12	0.01
Inventory Turnover Ratio	1.76	3.39
Trade payables Turnover Ratio	9.66	33.63
Net Capital Turnover Ratio	3.28	2.90
Return on Capital Employed	0.01	0.10

During the year over review Company has made sizable recovery from debtors and other current liabilities. Hence current ratio has reduced. Overall loss has occurred due to increase in maintenance cost, employee expense and financial cost. This has resulted in reduction in Debt Service Coverage Ratio. Due to major increase in maintenance cost, employee expense and financial cost, loss has occurred. Ratios are specifically explained in Note no. 05 to the Ind AS Financial Statements of Auditor report.

x. Details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof:

Return on Net worth has decreased during the year as compared to previous year due to decrease sale and in year-on-year profit and lower Inventory turnover and increase in maintenance cost. Current year demand was suppressed and due to that overall turnover of the company was decreased to 30.17% and company incurred a loss as compared to profit in previous year.

2. DISCLOSURE OF ACCOUNTING TREATMENT

Appropriate accounting standards were followed in preparation of annual accounts, there is no treatment different from that prescribed in Accounting Standard.

INITIATIVES

The Indian government has come up with a number of export promotion policies for the textiles sector. It has also allowed 100 per cent FDI in the Indian textiles sector under the automatic route. INDEPENDENT AUDITOR'S REPORT

**To the Members of
SURBHI INDUSTRIES LTD.**

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of SURBHI INDUSTRIES LTD ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of profit and loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information [hereinafter referred to as "the Financial Statements"].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit/loss, (changes in equity) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

"Information Other than the Financial Statements and Auditor's Report Thereon"

The Company's Board of Directors is responsible for the other information. The other information comprises the [information included in the X report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other

irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned

scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books [and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.]
 - (c) [The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.]
 - (d) The Balance Sheet, the Statement of Profit and Loss, (the Statement of Changes in Equity) and the Cash Flow Statement dealt with by this Report are in agreement with the books of account [and with the returns received from the branches not visited by us].
 - (e) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (f) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (g) Since the Company's turnover as per last audited Financial Statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company does not have any pending litigations which would impact its financial position.
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SURBHI INDUSTRIES LTD.** ("The Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial

reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES & NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED ON 31.03.2024

1. Notes to the Ind AS Financial Statements for the year ended 31st March, 2024
(All amounts are in INR Actual, unless otherwise stated)

a. COMPANY OVERVIEW:

Surbhi Industries Limited is engaged in the manufacturing of Fabric and Yarn (Textile) It was incorporated on 21st May, 1992 as a public limited company and came out with a public issue on December 21, 1992. The factory premises are located at Karanj. Knitted Fabrics and Yarn are sold in the domestic Market.

The registered office is located at Surbhi House, F.P.no.206, B/h Old Subjail, Ring Road, Khatodara, Surat - 395002, Gujarat, India.

b. Basis of measurement:

The Ind. AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including equity Shares financial instruments which have been measured at fair value as described below.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

C. Functional and Presentation Currency:

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

2. Significant Accounting Policies

a. Method of Accounting

The company is following mercantile system of Accounting on Exclusive of Tax Basis. There is no effect on profit because of said deviation from the method of accounting prescribed under the Income Tax Act,1961.

Reasons for Significant Variations in the ratios :

Sr. No	Ratios	Reason for Variances (>25%)
1.	Current Ratio	Due to good recovery from business receivables, overall debtors have reduced to half resulting into reduction of overall current Assets. Whereas current liabilities have remained the same this has resulted in reduction in current ratio.
2.	Debt Service Coverage Ratio	As the company has faced reduction in cash profit due to fall in turnover and as against the same loan is repaid with interest as per prescribed schedule, debt service coverage ratio has reduced.
3.	Return on Equity Ratio	As the company has made loss due to reduction in total turnover, return on equity ratio has declined.
4.	Inventory Turnover Ratio	Due to reduction in total turnover, corresponding cost of sales have reduced at the same time average stock has increased by 150%. This has resulted in change in Inventory Turnover Ratio.
5.	Trade Receivables Turnover Ratio	Inspite of reduction in credit sales, the company has aggressively collected from debtors, which has changed Trade Receivables Ratio.
6.	Trade payables Turnover Ratio	Overall credit purchase has declined as against the same trade payable have increased. This has resulted in reduction of trade payables Turnover Ratio.
8.	Return on Capital Employed	Due to reduction in total turnover the company has made loss during the year. This has resulted in reduction in return on capital employed.
