Hence they have submitted the request for reclassification of their status from the promoter category to the public category pursuant to Regulation 31A of SEBI (LODR) Regulations 2015.

The Board of Directors of the Company have considered and approved their request for reclassification in the public category pursuant to Regulation 31A(8)(a) and 31A(8)(b) of SEBI (LODR) Regulations 2015.

It is proposed to approve the reclassification request received from the above mentioned promoter and promoter group members of the Company by passing ordinary resolution.

Item No. 7:

At present the Company is engaged in the business of manufacturing of Gas Products and trading in the related products. However, in the recent past, the Company has not performed well in the current business line. The Board of Directors of the Company are of the opinion to switch the main line of business from Gas Industry to Solar Energy Industry.

Various research and survey indicate that in the next decade to come, India will open ample business opportunities in solar industry, be it Power Products, Solar Panel manufacturing, Solar cell manufacturing.

Hence, the Board of Directors in their Board Meeting held on 15th May 2024 have resolved to change the object clause of the Company.

Further, changing the mainline of business of the Company, will require alteration of Object Clause of the Memorandum of Association of the Company. Further, alteration of main object clause of the Company requires approval of the members of the Company by passing special resolution in the general meeting.

The draft copy of Memorandum of Association of the Company would be available for inspection during the AGM online.

Hence, it is proposed to pass the special resolution for the special business item no. 6.

Item No. 8:

The present name of the Company is ABC Gas (International) Limited which indicates the main line of business of the Company i. e. Gas Industry. However, the Board of Directors of the Company in their Board Meeting held on 15th May 2024 have resolved to switch the mainline of business of the Company to Solar Industry.

On commencement of new line of business, the major revenue of the Company would flow from the Solar Industry and hence it is essential and requirement of law to make sure that the name of the Company reflect the main line of business of the Company.

The Board of Directors of the Company in their Board Meeting held on 15th May 2024 have resolved to change the name of the Company as either "Onix Solar Energy Limited" or "Gujarat Green Energy Limited" or such other name as may be made available by the Registrar of Companies. On the date of this approval of the notice, the company has not received the approval for reservation of name and the same is under process. Company has applied for reservation of two names "Onix Solar Energy Limited" or "Gujarat Green Energy Limited". If Company does not receive approval for reservation of name, the Company may send addendum to the notice with the new name as may be approved by the Registrar of Companies.

To change the name of the Company, it is required to alter the Name Clause of the Company. Further, alteration of name clause of the Company requires approval of the members of the Company by passing special resolution pursuant to the provisions of Companies Act 2013.

The draft copy of Memorandum of Association of the Company would be available for inspection during the AGM online.

Hence, it is proposed to pass the special resolution for the special business item no. 7.

Item No. 9:

At present, the Registered office of the Company is situated in the State of Maharashtra. Considering the business strategic decision that the Company is switching its mainline of business to Solar Industry, the Board of Directors think it fit to shift the Registered office of the Company in the State of Gujarat as Kutchh and Saurashtra region of the State of Gujarat has big business potentials in the Solar industry.

To shift the registered office of the Company from the State of Maharashtra to the State of Gujarat will require alteration of Clause II of Memorandum of Association of the Company. This alteration of Clause II of Memorandum of Association of the Company requires approval of the members of the Company by way of passing special resolution. Hence this alteration shall be subject to approval of the members of the Company in this Annual General Meeting and shall also be subject to the subsequent approval of the concerned Regional Director, Ministry of Corporate Affairs.

Our opinion is not modified in respect of these above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon,

and we do not provide a separate opinion on these matters. In our opinion, there is no Key Audit matter to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information in the Management Discussion and Analysis, Board's Report including Annexure to the Board's Report and Corporate Governance but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in

our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. (A) As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Company does not have any branch. Hence, the provisions of section 143(3)(c) is not applicable.
- d) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- e) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- f) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.

(B) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts, for which there were any material foreseeable losses;
- iii. There has been no delay in transferring the amount, required to be transferred to the Investor Education and Protection Fund by the company

except Rs.9,500 in respect of share application money pending for refund which have been deposited after due date.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented that, to the best of its knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in my manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year ended March 31, 2024.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant

transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

(C) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our Independent Auditors' Report of ABC GAS (INTERNATIONAL) LIMITED on the standalone financial statements for the year ended March 31, 2024.)

- (i) In respect of its property, plant and equipment
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of Intangible assets.
 - b) Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification as informed by management.
 - c) According to the information and explanations given to us, the company does not have any immovable properties under PPE. Accordingly, paragraph 3(i)(c) of the Companies (Auditor's Report) Order, 2020 ("the Order") is not applicable to the Company.
 - d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year.
 - e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) In respect of its Inventory
 - a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.

- b) The Company has not been sanctioned working capital limits in excess of Rs.5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that, during the year, the Company has not made any investments, not provided any guarantee, or security or granted any loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties.
- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that, during the year, the Company has not provided any guarantee, or security or granted any loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Hence, reporting under clause 3(iii) (a)(A) and 3(iii) (a)(B) of the Order is not applicable.
- b) According to the information and explanations given to us and on the basis of our examination of the records, we report that, during the year, the Company has not made any investments, not provided any guarantee, or security or granted any loans or advances in the nature of loans and hence the reporting under clause 3(iii)(b) of the order is not applicable.
- c) According to the information and explanations given to us and on the basis of our examination of the records, we report that, there is no loans and advances in the nature of loans granted, the reporting under clause 3(iii)(c) of the order is not applicable.
- d) As there is no loans and advances in the nature of loans granted, the reporting under clause 3(iii)(d) of the order is not applicable.
- e) As there is no loans and advances in the nature of loans granted, the reporting under clause 3(iii)(e) of the order is not applicable.
- f) As there is no loans and advances in the nature of loans granted, the reporting under clause 3(iii)(f) of the order is not applicable.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Sections 73 to 76 or any other relevant

provisions of the Act and the rules framed thereunder. Hence, reporting under clause 3(v) of the Order is not applicable. However, during the year, the company has transferred long due share application money of Rs.9,500 which was pending for refund to the Investor Education and Protection Fund.

(vi) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company. Hence, reporting under clause 3(vi) of the Order is not applicable.

(vii) In respect of statutory dues:

a) According to the information and explanation given to us, the statutory dues have been regularly deposited during the year by the company with the appropriate authorities. There are no undisputed amounts payable in respect of Income Tax, Sales Tax, Wealth Tax, GST, Custom Duty, Service Tax, Investor Education and Protection Fund, Excise Duty, Cess and any other statutory dues as at March 31, 2024 for a period of more than six months from the date of becoming payable.

b) According to the information and explanation given to us, there were no statutory dues in respect of Sales Tax, Wealth Tax, GST, Custom Duty, Service Tax, Investor Education and Protection Fund, Excise Duty, Cess which have not been deposited as on March 31, 2024 on account of any dispute except as mentioned below:

Name of Statute	Nature of the Dues	Forum where dispute is pending	Period to which the amount relates	Amount involved (Rs. In Lacs)	Part Payment (Rs. In Lacs)
Income Tax Act, 1961	Income Tax	ITO 6(1)(1), Mumbai	FY 2007-08	2.10	-

(viii) In our opinion and according to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) (a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not raised any amount by way of term loan during the year.

(d) The Company has not raised any funds on short term basis during the year and hence, reporting under clause 3(ix)(d) of the Order is not applicable.

(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies as defined under the companies Act, 2013 and hence reporting on clause 3(ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) According to the information and explanations given to us, there were no whistle blower complaints received by the Company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable.

- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, there is non-compliance with Sections 177 and 188 of the Act in respect of the transactions with related parties as detailed below:

Nature of the Related party relationship	Nature of the underlying transaction	Amount involved (Rs. In Lacs)	Remarks
Director	Sale of Immovable Property	98.26	The company had sold immovable property which was held as investments to one of the directors without obtaining prior approval of shareholders, audit committee as required under section 188 and 177 of the companies act, 2013.

However, the details of all related party transactions have been disclosed in the notes to the standalone financial statements as required by the applicable accounting standards.

- (xiv) (a) In our opinion the Company neither have an adequate internal audit system commensurate with the size and the nature of its business nor appointed internal auditor.
- (b) As the company does not have internal audit system, the reports were not available for consideration.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or

persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) (a) In our opinion, the Company not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi)(a) of the Order is not applicable.

(b) The company has not conducted any Non-Banking Financial or Housing Finance activities during the year and hence reporting under clause 3(xvi)(b) of the Order is not applicable.

(c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence reporting under clause 3(xvi)(c) of the Order is not applicable.

(d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and hence reporting under clause 3(xvi)(d) of the Order is not applicable.

(xvii) The company has not incurred any cash losses during the financial year covered by our audit and during the immediately preceding financial year.

(xviii) There has been no resignation of statutory auditors of the company during the year and hence reporting under clause 3(xviii) of the Order is not applicable.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, the provisions of section 135 of the Companies Act, 2013 with respect to Corporate Social Responsibility are not applicable to the company and hence reporting under clause 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls with reference to the aforesaid Standalone Financial Statements under Clause (i) Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph (2) (f) under 'Report on Other Legal and Regulatory Requirements' section of our Independent Auditors' Report of ABC GAS (INTERNATIONAL) LIMITED on the standalone financial statements for the year ended March 31, 2024)

We have audited the internal financial controls over financial reporting of **ABC GAS (INTERNATIONAL) LIMITED** ("the Company") as of March 31, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of

internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Standalone Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements .

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

According to the information and explanations given to us and based on our examination of the records of the company, we report that, material weakness has been identified in the Company's internal financial controls over recovery of trade receivables of the company. Such weak internal control system is contributing to the negative growth of the company and deteriorating the funds of shareholders.

A 'material weakness' is a deficiency or a combination of deficiencies in internal financial control over financial reporting such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ABC GAS (INTERNATIONAL) LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2024

Note 1- Corporate Information

- 1.1 ABC GAS (International) Ltd. ("the Company") is a limited Company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE), in India. The registered office of the Company is situated at 1, Mahesh Villa, B.G.Kher Road, Worli, Mumbai - 400018
- 1.2 Company is engaged in the business of Trading in Non Ferrous Metals.

Note 2- Basis of Preparation and Presentation

2.1 Statement of compliance

These financial statements ("the Financial Statements") are prepared in accordance with the Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs (MCA) under Section 133 of the Companies Act, 2013 (Act) read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in these financial statements.

2.2 Accounting convention

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3 Presentation

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division II of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The Standalone financial statements are presented in Indian Rupees (Rs.) and all values are rounded

2.4 Reporting Currency

The Financial Statements are presented in Indian Rupees which is also the functional and presentation currency of the company and all amounts are rounded of to nearest lakhs, except when otherwise indicated

2.5 Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the note 3 of the financial statements.

Note 3- Significant Accounting Policies & Judgements

3.1 Property, Plant & Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

The assets' residual values, useful lives and method of depreciation are reviewed at each financial year end and are adjusted prospectively, if appropriate.

ABC GAS (INTERNATIONAL) LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2024

3.2 Intangible Assets

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the intangible assets.

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Computer software are capitalized at the amount paid to acquire the respective license for use and are amortized over period of useful lives. The assets useful lives are reviewed at each financial year end.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognized.

3.3 Capital Work-In-Progress

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

3.4 Employee Benefits

Short term employee benefits are recognised as an expense in the statement of profit and loss of the year in which the related services are rendered.

Post employment and other long term employee benefits are charged off in the year in which the company paid for the same. The company follows a policy of accounting for gratuity as and when it is paid and doesn't get the actuarial valuation done.

The company does not have any defined contribution plan.

3.5 Foreign Currency Transaction

i. Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the date of the transaction.

ii. Monetary Items denominated in foreign currencies at the year end are restated at year end rates. In case of those items, which are covered by forward exchange contracts, the difference between the year end rate and spot rate on the date of the contract is recognized as exchange difference and transferred to dollar hedge account as on the date of Balance Sheet and the premium paid on forward contracts has been recognized over the life of the contract.

iii. All other exchange difference are dealt with in the profit & loss account.

3.6 Investments

Long term investments are stated at cost. Provision for diminution in the value of long term investment is made only if such decline is other than temporary in the opinion of the management. The carrying amount for current investments recognized in Financial Statements is the lower of cost and fair value. Any reduction to fair value and any reversals of such reductions, in case of these Current Investments, are included in the profit and loss statement.

3.7 Inventories

Inventories are valued at lower of cost and net realisable value. Cost includes all charges incurred for bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Cost of Finished goods include appropriate proportion of overheads and, where applicable. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

3.8 Revenue from Contract with Customers:

Revenue from contract with customers is recognised when control of the goods or services are transferred to the customers at an amount that reflects the consideration at which the company expects to be entitled in exchange for those goods or services. The company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customers.

Sale of Goods:

Revenue from sale of goods is recognised at the point in time when control of the goods has been transferred to the customer, generally on delivery of the goods and there is no unfulfilled obligation that could affect the customer's acceptance of the goods. The company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for the sale of goods, the company considers the effects of variable consideration, and consideration payable to the customers (if any). Sales are recorded net of duties and taxes adjusted for discount and after deducting returns, discounts and claims.

ABC GAS (INTERNATIONAL) LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2024

Dividend Income

Dividend income from investments is recognised when the Company's right to receive is established which generally occurs when the shareholders approve the dividend.

Rent Income

Rent income is included in other income in the statement of profit or loss. Rent Income mainly include Rent from Godown which is recognised on accrual basis.

3.9 GST paid on acquisition of assets or on incurring expenses:

Expenses and assets are recognised net of the amount of GST paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority (Ineligible input credit) , in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of tax included.
- The net amount of tax recoverable from, or payable to, the taxation authority is included as part of "Other Current Assets" or Other Current Liabilities , as the case may be, in the balance sheet.

3.10 Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

ABC GAS (INTERNATIONAL) LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2024

3.11 Provisions, Contingent Liabilities, Contingent Assets and Commitments:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

3.12 Borrowing Costs

Borrowing costs comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant and Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

3.13 Impairment of Assets

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the statement of profit and loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

3.14 Financial instruments – initial recognition, subsequent measurement and impairment:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. For trade receivables and other financial assets maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

b) Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value.

ABC GAS (INTERNATIONAL) LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2024

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Impairment of financial assets

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss

3.15 **Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

3.16 **Current and non-current classification**

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading & manufacturing.
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

ABC GAS (INTERNATIONAL) LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2024

A liability is classified as current when it is:

- a) Expected to be settled in normal operating cycle,
- b) Held primarily for the purpose of trading, & manufacturing.
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

3.17 Earnings per share:

Basic earnings per share is computed using the 'net profit for the year attributable to the shareholders and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the 'net profit for the year attributable to the shareholder and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

3.18 Significant Accounting Judgements, Estimates and Assumptions

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

Property, plant and equipment and Intangible Assets

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per Schedule II of the Companies Act, 2013 or are based on the Company's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Contingencies

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Fair value measurements and Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions

Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2024

NOTE 27- FINANCIAL INSTRUMENTS

1) CAPITAL MANAGEMENT

The primary objective of the Company's capital management is intended to maximise the return to shareholders for meeting the long-term and short-term goals of the Company through the optimization of the debt and equity balance. The Company is monitoring capital using debt equity ratio as its base which is debt to equity. For the purpose of capital management, capital includes issued equity capital, securities premium and all other reserves attributable to the equity shareholders of the Company. Net debt includes all long and short-term borrowings (including current maturities of long term debt) as reduced by cash and cash equivalents.

Debt-to-equity ratio are as follows:

Particulars	(Rs. In Lakhs)	
	31-Mar-24	31-Mar-23
Debt (Total Debt- Cash & Cash equivalent) (A)	-	54.15
Equity (B)	1,66,13,177	166.10
Debt to Equity Ratio (A/B)	-	0.33

2) FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company is exposed to market risk, credit risk and liquidity risk. Risk management is carried out by the company under policies approved by the board of directors. The Company's documented risk management policies are effective tool in mitigating the various financial risk to which the business is exposed to in the course of daily operations. This Risk management plan defines how risks associated with the Company will be identified, analysed, and managed. It outlines how risk management activities will be performed, recorded, and monitored by the Company. The basic objective of risk management plan is to implement an integrated risk management approach to ensure all significant areas of risks are identified, understood and effectively managed, to promote a shared vision of risk management and encourage discussion on risks at all levels of the organisation to provide a clear understanding of risk/benefit trade-offs, to deploy appropriate risk management methodologies and tools for use in identifying, assessing, managing and reporting on risks, and to determine the appropriate balance between cost and control of risk and deploy appropriate resources to manage/optimize key risks. Activities are developed to provide feedback to management and other interested parties (e.g. Audit committee,

a) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: foreign currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk.

i) Foreign Exchange Risk and Sensitivity

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company transacts business primarily in USD. The Company generally imports the goods from outside India and has foreign currency trade payables, and therefore, exposed to foreign exchange risk. The Company regularly reviews and evaluates exchange rate exposure arising from foreign currency

ii) Interest Rate Risk and Sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest expenses and to manage the interest rate risk treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

iii) Commodity Price Risk

The Company trading in ferrous and non ferrous metal materials i.e. Copper pipes and copper fittings etc. Commodity price risk arises due to fluctuation in prices of metal products. The Company mitigate the risk by natural hedge as any increase/ decrease in materials price directly reflect the changes in finished goods price.

b) Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk for trade receivables, other bank balances, loans, other financial assets and financial guarantees.

i) Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings with the Company for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored.

ii) Bank Balances

The Company seeks to limit its credit risk with respect to banks by only dealing with reputed banks.

c) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times, maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company limits its liquidity risk by ensuring funds from trade receivables.
