Chatha Foods Limited Enters the Sweet & Savoury Snack Category

Chatha Foods Limited (“Company”), a leading name in the processed & frozen food industry in India since 1997 with considerable investments in technology and R&D, has developed Empanadas entirely in-house, both in Frozen to Fry and Frozen to Bake versions.

(Above images are reference images and not actual images of the products developed by the Company)

Empanadas are Latin American & Spanish treats that have captured the world’s fancy and are enjoyed on special occasions or even on the go! To cater to a wider palette, Empanadas can be sweet or Savoury fillings in a pastry dough that can enjoyed as per individual preferences.

The Company has already started supplying Chocolate Empanadas to one of its large QSR customers and is planning to expand its customer base via such dainty world delicacies. The Company is currently working not only on increasing capacity but also on the range with different products and flavors in sweet, dessert and Savoury categories.

The Company’s deep capabilities and extensive in-house knowledge have helped develop Empanadas through a pioneering process wherein the dough is uniquely crafted to ensure uncompromising freshness and texture even whilst remaining amenable to frying or baking from an initially frozen form.

“It’s a proud and exciting moment for the Company. Products like Empanadas will help us in penetrating further into the QSR, CDR & the Coffee Chain Restaurants and into newer territories,” said **Mr. Paramjit Chatha, Chairman & Managing Director**, Chatha Foods Limited. “Such accomplishments further bolster our reputation of being the preferred partner for our customers in developing unique food offerings,” he added.

Bon Appetit to us all!
