Dear Madam/Sir,

Subject: Submission of disclosure pursuant to para C Part A of the Sch-III of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

We hereby inform you that the United States Patent and Trademark Office (USPTO) has granted two new patents to Tanla Digital Labs Private Limited, a wholly owned subsidiary of Tanla Platforms Limited. These patents are focused on enhancing the security of SMS communication.

- Patent: “A Method and a System for Securing Access to User Data During Phishing Detection”:** This patent protects a privacy preservation system that allows enterprises, anti-smishing platforms, and telecommunication operators to securely exchange confidential information.
- Patent: “System and Method for Detecting Phishing Attacks in SMS Communications”:** This patent covers a system and method designed to detect phishing attacks in SMS communications and automatically block these phishing messages.

These patents demonstrate Tanla unwavering commitment and focus on providing innovative solutions for our customers.

Please take this announcement on record.

Thanking you,

Yours faithfully,
For **Tanla Platforms Limited**

Seshanuradha Chava
