26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along with its financial implications, as per the following format

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Climate and Decarbonization Strategy	Opportunity	Angel One's sustainability efforts across energy, water and waste management exemplify a proactive approach in mitigating climate change impacts. These initiatives not only aim to minimize their environmental footprint but also foster stakeholder engagement and adherence to ESG criteria.	The Company is dedicated to sustainable practices including comprehensive recycling, usage of energy-efficient devices and secure waste disposal protocols to ensure effective environmental management.	Positive Outcome: Enhances ESG performance and corporate reputation, thereby increasing appeal to stakeholders who prioritize or are environmentally conscious and potentially improving market positioning.
2	Digitization	Opportunity	The swift and continuous digital transformation of operational workflows is a key growth lever for Angel One. Digitization has significantly enhanced the company's product and service delivery, leading to excellent client experience. Digitization has enabled the Company to expand its outreach, acquire and cater to clients across India. As on 31 March, 2024, Angel One is the largest listed broking company in India, in terms of NSE active clients.	Angel One has established comprehensive frameworks to manage risks associated with digital transformation. It employs technologies like Digi-Locker for efficient and secure KYC processes, enhancing operational efficiency and client experience.	Positive Outcome: Streamlines operations, reduces costs and enhances client satisfaction, leading to potential market share growth and increased revenue from digital services.
3	Systemic Risk Management	Opportunity & Risk	Angel One recognizes effective risk management as crucial for achieving business goals and delivering long-term value. The Company is poised to enhance its ESG integration and risk management frameworks to adapt to emerging risks efficiently.	Angel One maintains robust risk management practices and a proactive Risk Management Committee, ensuring the company's preparedness and resilience against emerging risks and compliance with its Risk Management Policy.	Positive Outcome: Strengthened risk management boosts the company's resilience and reliability, enhancing stakeholder confidence and safeguarding stakeholder value.
4	Corporate Governance	Opportunity & Risk	Angel One places significant emphasis on upholding high standards of business ethics, integrity and regulatory compliance, essential for navigating the evolving market dynamics and regulatory landscape.	Angel One has implemented solid governance frameworks and policies, including robust anti-corruption measures and insider trading prevention, supplemented by regular employee training to ensure compliance and uphold ethical standards.	Positive Outcome: Strong corporate governance enhances investor trust and maintains high ESG ratings, thereby protecting and potentially enhancing the company's market reputation and appeal to investors.
5	Diversity, Equity & Inclusion	Opportunity	Angel One is committed to diversity and inclusion, valuing diverse perspectives and experiences that align with the company's core values. This commitment enhances creativity and decision-making across the organization.	Angel One enhances representation of women and other under-represented groups through targeted hiring practices and regular DE&I audits, embedding these principles deeply within its culture.	Positive Outcome: Embracing diversity is a competitive advantage that drives innovation, mirrors a diverse customer base and promotes sustainable business growth.
6	Customer Service	Opportunity	Enhancing customer service is essential to maintain and grow Angel One's market reputation and brand. Effective management of customer experiences is crucial for retaining and expanding the customer base.	Angel One has implemented robust grievance redressal systems and prioritizes ethical training in marketing and sales practices to ensure high standards of customer service.	Positive Outcome: Improved customer satisfaction and loyalty lead to increased market share and revenue growth, reinforcing Angel One's standing in the industry.

¹Complaints received in FY 2023-24 were primarily due to non-seeding of PAN-Aadhaar, technical issues and introduction of ODR platform.

²Complaints registered by Authorised Persons were primarily on account of terminations and claims for full and final settlement of deposits/dues.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
7	Data Privacy & Information Security	Opportunity & Risk	The evolving digitization in the financial sector introduces both risks and opportunities in data security and privacy. Angel One recognizes the importance of safeguarding customer data and managing cybersecurity risks effectively. Angel One employs stringent security measures, including engaging ethical hackers and maintaining a proactive incident response strategy. This ensures the integrity and security of customer data.	Angel One maintains a strict stance on technology and cybersecurity breaches. The Company has established policies and procedures to respond to such incidents and have a robust reporting and resolution mechanism for addressing risks. As of FY 24, no security breaches or data loss have been reported, reflecting proactive efforts.	Positive Outcome: Strong data privacy and cybersecurity measures enhance client trust and attract new partnerships, supporting Angel One's growth in a digital landscape.
8	Financial Inclusion	Opportunity	Through initiatives like awareness and educational programmes, Angel One aims to empower individuals residing across the country with financial knowledge and tools. This commitment aids in fulfilling the country's financial inclusion goals and drives business expansion by diversifying its clientele.	Angel One offers fair pricing, develops tailored products for underserved markets and ensures accurate information about its financial products, addressing key risks in financial inclusion.	Positive Outcome: Strengthening its commitment to financial inclusion enhances Angel One's reputation as a provider of inclusive financial services, broadening its customer base and increasing its market penetration.
9	Community Engagement	Opportunity	Angel One is dedicated to fostering resilient communities through its CSR initiatives focused on digital and financial literacy and placement of youth PAN India.	The Company collaborates closely with NGO partners to ensure effective communication and resolution of any issues in its CSR initiatives.	Positive Outcome: By enhancing community engagement, Angel One strengthens its reputation and contributes to sustainable development, affirming its role as a responsible corporate leader.
10	Human Capital Development	Opportunity & Risk	Developing a premier talent pool equips Angel One with unparalleled capabilities in technological innovations, positioning it as a leading innovator in digital financial services.	Angel One maintains a robust professional environment, recognized as a Great Place to Work and runs programmes like EVOLVE, a leadership accelerator programme, to nurture diverse leadership talent.	Positive Outcome: The development and retention of exceptional talent drive expansion and growth, positioning Angel One as an employer of choice and a leader in innovation.

2. Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same.

Yes, Angel One has embedded a comprehensive conflict of interest management policy within its corporate governance framework, underscored by a Board composed of Independent Directors. This structure ensures a distinct separation between the Board's oversight roles and managerial functions. The Board's Committees, comprising Independent Directors, proactively oversee key operational areas, adhering to the Companies Act, 2013, which mandates Directors to recuse themselves from discussions where they have a personal interest, thus maintaining high governance standards. The Company adheres to a Board-approved 'Framework for managing conflicts of interest', applicable to all employees, directors and subsidiaries' employees. This Framework, part of Angel One's strong corporate governance, mandates annual compliance affirmations from Directors, ensuring no conflicts of interest occurred during the year. The governance framework, emphasizing independence and transparency, separates the Board's supervisory responsibilities from management, with critical areas overseen by committees chaired by Independent Directors.

PRINCIPLE 2

Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	FY 2024 (Current Financial Year)	FY 2023 (Previous Financial Year)	Details of improvements in environmental and social impacts
R&D	Given the nature of our business, investments into technologies that improve environmental and social impacts of products and processes are directly not applicable. However, Angel One has made significant investments in FY 2024 and planned for more investments in FY 2025 to further strengthen the existing information security and risk management aspects which indirectly contributes to impacts of services sold by the organization.		
Capex			

2. Does the entity have procedures in place for sustainable sourcing? If yes, what percentage of inputs were sourced sustainably?

Our core operations are primarily focused on providing financial products and services, which involve minimal resource consumption. As a result, the applicability of sustainable procurement practices is limited in our context.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

Given that Angel One operates in the financial services sector, it does not produce hazardous waste. The main types of waste generated are paper, plastic and electronic waste. Despite the limited influence over waste generation practices, the company is committed to responsible waste disposal and sustainability. Here are the processes in place:

Product	Process to safely reclaim the product
a. Plastics (including packaging)	NA
b. E-Waste	The Company guarantees the conscientious disposal of electronic waste generated within its operations, earning recognition through the receipt of Green Certificates. This signifies the organization's commitment to environmentally responsible practices in managing electronic waste. The awarded Green Certificates underscore the company's dedication to sustainable and eco-friendly initiatives, contributing to a positive environmental impact.
c. Hazardous Waste	NA
d. Other Waste	NA

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Company offers financial and brokerage services and not produces any hazardous materials; hence it is not applicable to Extended Producer Responsibility (EPR) Act.

PRINCIPLE 4:

Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

At Angel One, stakeholders are identified basis the significance of their impact on the business and the impact of the business on them. This encompasses a broad range of groups including employees at all management levels, shareholders, investors, customers, channel partners, knowledge management partners, regulators, lenders, researchers and communities involved in CSR programmes.

The identification of key stakeholders is a strategic process at Angel One, involving consultation with internal and external thematic experts. This approach considers several factors such as the nature of the partnership, geographical location, statutory compliance needs and the specific requirements of initiatives undertaken by the Company. For instance, in CSR projects, considerations include the classification of areas like Aspirational Districts, aiding in the selection of relevant stakeholder groups or communities to benefit from these programmes. This process ensures stakeholders are recognized not just by their impact on the company, but also by how the Company's activities influence them, maintaining a balance between the organization's interests and its societal responsibilities.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Board, along with designated committees facilitated by senior management, engages in interactions with various stakeholders regarding the subject matter. This involves proactive communication and collaboration with relevant parties to discuss and address pertinent issues. Such engagements ensure that there is effective communication between the leadership, committees and senior management, fostering a comprehensive understanding and consideration of the subject matter among all stakeholders. The aim is to promote transparency, gather insights and maintain a mutually beneficial relationship with the diverse stakeholders involved.

2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, Insights from diverse stakeholders, if available, are integrated into environmental, social and economic initiatives to enhance transparency and effectiveness in the process. These inclusive inputs play a crucial role in shaping our initiatives related to financial literacy as well as skilling and placement programmes in Rajasthan, Maharashtra and Gujarat.

The thoughtful incorporation of these inputs serves as a driving force behind our endeavors, ensuring that our initiatives are well-informed, impactful and aligned with the needs and perspectives of the stakeholders involved. This collaborative approach enhances the overall transparency and success of our programmes.

In addition, Angel One conducted a comprehensive ESG materiality survey in the current year with a view to identify the material ESG topics for the organization. The stakeholders invited for the survey includes employees, senior leadership, board members, value chain partners and customers.

3. Provide details of instances of engagement with and actions taken to address the concerns of vulnerable/ marginalized stakeholder groups.

Angel One is committed to addressing the concerns of vulnerable and marginalized stakeholder groups through its Corporate Social Responsibility(CSR) initiatives. 4. **Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)**

Yes, Angel One has established focal points, including both individual roles and committees, responsible for addressing human rights impacts or issues related to the business. The Company has established a PRoSH policy to prevent sexual harassment in compliance with the mandates of the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013. As part of this commitment, the company has formed its Internal Complaints (IC) and Appeals Committees, specifically designed to address and resolve complaints related to sexual harassment in the workplace.

In addition, the company has established a Vigil mechanism and Whistle Blower Policy which is as per the requirements of 'Listing Regulations' and provides adequate safeguards against victimization of employees, directors or any persons who avails the provisions of this policy to report inappropriate behaviors or cases. A dedicated Investigation Committee is created under this policy for addressing and investigation any concerns of unethical practices reported.

Moreover, recognizing the importance of an internal grievance mechanism for employees, the company has implemented a system to address and resolve grievances. This comprehensive approach underscores the company's dedication to creating a secure and supportive work environment while promoting ethical practices and accountability.

5. **Describe the internal mechanisms in place to redress grievances related to human rights issues.**

The grievances related to human rights are primarily under the purview of PRoSH policy and Vigil Mechanism and Whistle Blower policy. The Company maintains a strict zero-tolerance policy towards any form of violation or misconduct, particularly related to misdemeanors. In ensuring a safe and supportive environment for employees to pursue their professional aspirations, the company has implemented employee-centric policies. These policies aim to establish a secure space for employees and provide an effective mechanism for addressing their grievances.

Upon receiving a complaint, the company mandates the formation of a committee comprised of members with no conflicts of interest related to either party involved, i.e., the complainant or respondent. This committee is tasked with investigating the matter. An HR representative is assigned to brief the committee about the complaint and facilitate committee meetings.

The committee is empowered to seek assistance from the investigation team or any company officer for the purpose of collecting evidence and conducting a thorough inquiry in alignment with the allegations raised in the complaint. Following a comprehensive review and unanimous approval by the committee members, the final report is shared with the affected parties and the management. Any necessary actions are then taken based on the committee's findings and recommendations.

6. **Number of Complaints on the following made by employees and workers:**

Category	FY 2024 (Current Financial Year)			FY2023 (Previous Financial Year)

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:

	FY2024	FY2023
Total Complaints reported under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	1	0
Complaints on POSH as a % of female employees / workers	0.08%	0
Complaints on POSH upheld	0	0

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

Angel One has transitioned from its previous Prevention of Sexual Harassment (POSH) Policy to the more comprehensive Prevention, Prohibition and Redressal of Sexual Harassment (PRoSH) Policy, in alignment with the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013. This policy is designed to protect complainants from any adverse consequences in cases of discrimination and harassment.

Under the PRoSH Policy, the company ensures that the identity and details of complainants and witnesses are kept strictly confidential throughout the investigation process. Angel One strictly prohibits any form of retaliation, victimization, or discrimination against individuals who lodge complaints or participate in the inquiry process. To further support complainants, the Company provides necessary assistance, including help with filing complaints and pursuing legal remedies if desired.

The Internal Complaints (IC) Committee may recommend interim reliefs, such as transferring the complainant or granting leave, to ensure their well-being during the investigation. Angel One is committed to the prompt investigation and resolution of complaints, adhering to defined timelines for the completion of inquiries and implementation of recommendations. These mechanisms reflect the company's dedication to maintaining a safe, respectful and inclusive work environment. In addition, the company has established a Vigil mechanism and Whistle Blower Policy which is as per the requirements of 'Listing Regulations' and provides adequate safeguards against victimization of employees, directors or any persons who avails the provisions of this policy to report inappropriate behaviors or cases. A dedicated Investigation Committee is created under this policy for addressing and investigation any concerns of unethical practices reported.

9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes, our policies and codes of conduct explicitly include human rights standards and these standards are intricately woven into our business agreements and contracts. This means that our commitment to upholding human rights is not merely stated in principles but is actively integrated into the legal and contractual frameworks that govern our business activities.

By incorporating human rights standards into our agreements, we are emphasizing the importance of conducting business in a manner that respects and safeguards the fundamental rights and dignity of all individuals. This comprehensive approach ensures that our commitment to human rights is not just a theoretical stance but is a practical and enforceable aspect of our business operations.

10. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	
Forced/involuntary labour	
Sexual harassment	Given the nature of company's business operations, the human rights related risks are not material. No formal assessment was conducted in FY 2023-2024; however, Angel One maintains stringent internal checks to ensure compliance
Discrimination at workplace	
Wages	
Others - please specify	

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

While no human rights related corrective actions are underway in FY 2023-2024, Angel One is committed to continuous improvement in its operations. The Company's proactive approach includes regular policy reviews, training programmes and updates to ensure ongoing compliance and address any potential human rights risks identified during internal checks.

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.

No human rights related grievances/complaints were received in FY 2023-2024 and thus there have been no changes implemented in the business processes.

2. Details of the scope and coverage of any Human rights due-diligence conducted.

Angel One has undertaken a comprehensive Human Rights due-diligence exercise, conducted in collaboration with an external partner. This initiative was aimed at assessing the company's adherence to industry best practices concerning human rights. The scope of this due-diligence covered an evaluation of the effectiveness of existing procedures and the identification of areas requiring enhancement. The insights and recommendations provided through this audit have been carefully taken up by the respective team owner. This individual is tasked with implementing improvements in policies and processes based on the received feedback, ensuring a responsive and adaptive approach to enhance our overall HR practices.

3. Is the premise/office of the entity accessible to differently-abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

The entity's premise or office currently adheres to some, but not all, of the provisions outlined in the Rights of Persons with Disabilities Act, 2016. Our corporate office provides restrooms designed for differently abled individuals and includes provisions for wheelchairs, reinforcing our dedication to accessibility across all aspects of our workplace.

4. Details on assessment of value chain partners:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Sexual harassment	
Discrimination at workplace	
Child labour	Angel One did not conduct value chain assessments in FY 2023-2024 but acknowledges their importance and will consider developing mechanisms and processes for the same in future.
Forced/involuntary labour	
Wages	
Others - please specify	

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

No assessments were conducted on value chain partners in FY 2023-2024; thus, no corrective actions were needed.

PRINCIPLE 6

Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

- With treatment – please specify level of treatment		
Total water discharged (in kiloliters)		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No independent evaluation or assurance was conducted in FY 2023-2024.

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Based on the nature of company's operations, this is not applicable to Angel One.

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2024 (Current Financial Year)	FY 2023 (Previous Financial Year)
NOx	mg/m ³	Most of the company's offices are in commercial buildings that have common facilities for power back-up. Such back-up in the form of DG's is operated only during power failure. Hence the emissions associated with operation of DG's are very minimal and not measured.	
SOx	mg/m ³		
Particulate matter (PM)	mg/m ³		
Persistent organic pollutants (POP)			
Volatile organic compounds (VOC)			
Hazardous air pollutants (HAP)	mg/m ³		
Others please specify	PPM		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No independent evaluation or assurance was conducted in FY 2023-2024.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2024 (Current Financial Year)	FY 2023 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO ₂ equivalent	0.641	
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO ₂ equivalent	635.46	
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)	tCO ₂ e/Million INR	0.015	Not Measured
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)(Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)	tCO ₂ e/INR	0.006	
Total Scope 1 and Scope 2 emission intensity in terms of physical output	tCO ₂ e/INR	Not applicable given the nature of business	
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	tCO ₂ e/INR	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No independent evaluation or assurance was conducted in FY 2023-2024.

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Given the nature of our operations and the fact that most of our offices are on leased premises, the company does not have any direct projects specifically aimed at reducing greenhouse gas (GHG) emissions.

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2024 (Current Financial Year)	FY 2023 (Previous Financial Year)
Total Waste generated (in metric tonnes)		
Plastic waste (A)	NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No independent evaluation or assurance was conducted in FY 2023-2024.

⁹The significant difference in e-waste between FY22-23 and FY23-24 is due to a major laptop update in FY22-23, making it an exceptional year. We expect future e-waste trends to align with FY23-24 levels.

¹⁰Due to nature of its operations and being predominantly located in leased buildings, the company currently does not monitor the non-hazardous waste generated from its offices on a standalone basis. However, such waste which predominantly includes paper, food, plastics are segregated and disposed to the respective municipal corporation through the building management for treatment and disposal.

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

The Company operates in the Financial Services sector and does not engage in the manufacturing or production of physical goods. As a result, there is no generation of hazardous or toxic waste. The waste generated within our facilities is strictly administrative in nature.

All waste materials are meticulously segregated and stored in accordance with regulatory norms. The general waste is collected periodically from Angel One offices and is disposed through the local municipal corporation. Electronic waste is specifically collected and disposed of through authorized recyclers, leading to the recognition of our initiatives with a green certificate. This certification underscores our commitment to environmentally responsible practices, even in areas beyond our core business activities.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/ offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
	All our company office spaces are located within commercial areas of the respective cities without any impact on ecological sensitivity, hence it does not applicable to the company.		

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
All our company office spaces are located within commercial areas of the respective cities and most of our office spaces are lease based operations with minimum of built-up area. Hence EIA is not applicable. However, Angel One has embarked on a comprehensive ESG strategy exercise in FY 2024 whereby the material ESG topics that might have a direct and indirect impact on the environment have been identified through a rigorous process that involved obtaining stakeholder inputs too. The Company will establish strategic targets and initiatives to address any negative environmental impacts from such material topics.					

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

S. No.	Specify the law/regulation/ guidelines which was not complied with	Provide details of the non-compliance	Any fines/ penalties/ action taken by the regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
	Based on the nature of its business, the Company complies with applicable environmental norms			

Leadership Indicators

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):

For each facility / plant located in areas of water stress, provide the following information:

a. Name of the area

Most of our company offices operated as part of the commercial buildings in major cities in New Delhi, Gujarat, Maharashtra, Utter Pradesh, Karnataka, Telangana. Water consumption in such offices is minimal and only restricted to domestic usage.

b. Nature of operations

Company offers financial and brokerage service

c. Water withdrawal, consumption and discharge in the following format:

Parameter	FY 2024 (Current Financial Year)	FY 2023 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water		
(ii) Groundwater		
(iii) Third party water		
(iv) Seawater / desalinated water		
(v) Others		
Total volume of water withdrawal (in kiloliters)		
Total volume of water consumption (in kiloliters)		
Water intensity per rupee of turnover (Water consumed / turnover)		
Water intensity (optional) - the relevant metric may be selected by the entity		
Water discharge by destination and level of treatment (in kilolitres)		
(i) Into Surface water		
- No treatment		
- With treatment - please specify level of treatment		
(ii) Into Groundwater		
- No treatment		
- With treatment - please specify level of treatment		
(iii) Into Seawater		
- No treatment		
- With treatment - please specify level of treatment		
(iv) Sent to third parties		
- No treatment		
- With treatment - please specify level of treatment		
(v) Others		
- No treatment		
- With treatment - please specify level of treatment		
Total water discharged (in kiloliters)		

Most of our company offices operate as part of the commercial buildings in lease mode. Water is utilized for domestic applications only. Hence quantitative analysis is not possible at this point of time; however, company will take appropriate measures to monitor the water consumption and withdrawal in future.

The only source of wastewater from the company's operations is the domestic wastewater generated from the office locations. The domestic wastewater is sent to the respective municipal corporations for treatment and disposal via the building management. Most of the company's leased office premises are part of larger buildings occupied by multiple tenants and thus a standalone measurement of domestic wastewater generated from Angel One's premises is currently not feasible.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No independent evaluation or assurance was conducted in FY 2023-2024.

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2024 (Current Financial Year)	FY 2023 (Previous Financial Year)
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	4,766.32 ¹¹	Not measured
Total Scope 3 emissions per rupee of turnover	tCO ₂ e/Million INR	0.11	

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No independent evaluation or assurance was conducted in FY 2023-2024.

3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

All our company office spaces are located within commercial areas of the respective cities without any impact on ecological sensitivity.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1	Collection, effective segregation and disposal of electronic waste generated within its operations, earning recognition through the receipt of Green Certificates.	The Company ensures responsible disposal of e-waste generated by it, for which it has been awarded Green Certificates	Angel One has disposed of 100% of its e-waste through recyclers.
2	Collection, Segregation and disposal of Plastics (including packaging) waste	The Company follows segregation and disposal of biodegradable and nonbiodegradable waste, in accordance with the local municipal laws and regulations	Disposal of plastic waste as per local laws.

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Yes, Angel One has a comprehensive Business Continuity Plan (BCP) and Disaster Recovery Plan (DRP). These plans are designed to ensure the continuity of critical business processes and the protection of information assets during disruptions. The DRP includes real-time data replication, regular backups, defined recovery time objectives (RTOs) and recovery point objectives (RPOs). The plans are reviewed annually by the Technology team and comply with regulatory requirements.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

Given the nature of the business, there has been no adverse impact to the environment.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

There was no assessment of value chain partners done during the reporting period.

PRINCIPLE 7

Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1.a. Number of affiliations with trade and industry chambers/ associations.

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

The Company regularly disseminates communications to its entire client base, aiming to cultivate a culture of responsible and secure trading and investment practices. These messages serve to illuminate the various risks associated with such deceptive propositions, emphasizing the need for vigilance and due diligence before committing to any investment. By providing this crucial information, the Company not only enhances its clients' understanding of the investment landscape but also equips them with the knowledge to protect themselves from financial frauds and losses.

Central to our educational efforts is the Knowledge Centre on our website, which serves as a resource for clients to deepen their understanding of trading and investment in the capital market. This platform is complemented by digital content tailored specifically for young, first-time investors, encompassing blogs, podcasts and video content. These resources are crafted to demystify the complexities of securities and financial matters, facilitating a comprehensive understanding of the financial landscape.

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

At Angel One, we prioritize transparency as a core value. We go beyond legal requirements by offering thorough product information across multiple channels including our website, digital platforms and branches. Furthermore, we actively seek feedback from our diverse customer base through surveys conducted via telephone to assess their satisfaction and advocacy of our products and services.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Yes, the Company has undertaken initiatives to gauge consumer satisfaction and identify trends through detailed consumer surveys. By systematically conducting surveys among a randomly selected group of clients, the Company evaluates the effectiveness and appeal of the various features offered on its digital platform. This process involves collecting feedback on a wide range of functionalities and services, which is then meticulously analyzed to calculate the Net Promoter Score (NPS) for each feature. The NPS score is periodically communicated to the stakeholders through the Annual reports and the investor presentations.
