Recommendation on the Open offer, as to whether the offer, is or is not, fair and reasonable	The IDC Members believes that the Open Offer is fair and reasonable. However, the shareholders should independently evaluate the Offer and take informed decision in the matter.
Summary of reasons for recommendation	 IDC recommends acceptance of the Open offer made by the Acquirers as the Offer price of Rs. 7.00/- per fully paid -up equity share is fair and reasonable based on the following reasons: The Offer price appears to be reasonable considering negative book value & negative profitability of the Company. The offer price of Rs. 7.00/- per fully paid -up equity share offered by the Acquirers is more than the price paid by Acquirers in SPA to Sellers. The equity shares of the Target Company are frequently traded shares within the meaning of explanation provided in Regulation 2(j) of SEBI (SAST) Regulations, 2011. The offer price of Rs. 7.00/- per fully paid- up equity share offered by the Acquirers are higher than the volume-weighted average market price of shares for a period of sixty trading days immediately preceding the date of the public announcement. Keeping in view above facts IDC is of opinion that Open Offer price is fair and reasonable and is in accordance with the relevant regulations prescribed in the Takeover Code and prima facie appear to be justified.
