10. Voting through Electronic means

(a) The Company is pleased to provide members the facility to exercise their right to vote on the resolutions as set out in the Notice calling for the Annual General Meeting (AGM) by 'electronic means' and all the businesses may be transacted through e- Voting services provided by Central Depository Services (India) Limited (CDSL), in compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules 2014.

(b) Voting rights are reckoned on the basis of the shares registered in the names of the members / beneficial owners as on the record date fixed for this purpose viz 5th November, 2022.

11. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Mr. Mohit Gurjar, Practicing Company Secretary has been appointed as scrutinizer for conducting the e-Voting process in a fair and transparent manner.

12. **The instructions for members for voting electronically are as under :-**

1. The voting period begins on Wednesday 9th November 2022 (9:00 am) and ends on Friday 11th November 2022 (5:00pm). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date is Saturday, 5th November, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
3. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
4. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
5. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs,

thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

6. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. **EXPLANATORY STATEMENT
(PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013)**

As required by Section 102 of the Companies Act, 2013 (Act), the following explanatory statement sets out all the material facts relating to the business mentioned under Item Nos. 3 to 16 of the accompanying Notice.

Item No. 3

In view of the proposed project of setting up Multi-Product Free Trade Warehousing Zone, it is proposed to raise Equity capital of the company, which requires a commensurate increase in the Authorized Capital. Accordingly, it is proposed to increase the Authorized capital of the company, subject to the approval of the shareholders of the Company, from Rs. 8,00,00,000/- to Rs.10,00,00,000/-. As per the provisions of Section 13 of the Companies Act, 2013, any increase in Authorised Capital of the Company requires prior approval of the Shareholders. Hence, the proposed resolution is recommended for consideration and approval of the Members of the Company.

Copy of the existing Memorandum of Association of the Company and copy of Memorandum of Association, indicating the proposed amendments, being referred in the resolution would be available for inspection by the Members free of cost, in physical or electronic form during business hours ie, 09.00 a.m. to 05.00 p.m. at the Registered Office and Corporate Office of the Company, up to and including the last date of Annual General Meeting.

None of the Directors or Key Managerial Personnel or other relatives are, in any way, concerned or interested, financially or otherwise in the said Resolution.

Item No. 4

As per the existing Articles of Association of the Company the Authorized Capital of the Company is Rs. 8,00,00,00/- Now the Board proposes to alter the Articles of Association of the Company to refer to the capital clause of Memorandum of association of the Company. As per the provisions of Section 14 of the Companies Act, 2013, any alteration of the Articles of Association of the Company requires prior approval of the Shareholders by means of Special Resolution.

Hence, the proposed resolution is recommended for consideration and approval of the Members of the Company. Copy of the existing Articles of Association of the Company and copy of Memorandum of Association, indicating the proposed amendments, being referred in the resolution would be available for inspection by the Members free of cost, in physical or electronic form during business hours i.e, 09.00 a.m. to 05.00 p.m. at the Registered Office and Corporate Office of the Company, up to and including the last date of Annual General Meeting.

None of the Directors or Key Managerial Personnel or other relatives are, in any way, concerned or interested, financially or otherwise in the said Resolution.

Item No. 5, 6, 7 & 8:

The Company has been going through severe financial crisis for over a decade now. In order to meet basic and necessary expenditure, the Company had availed Unsecured loans from Promoters and Non-Promoters.

Further as you are aware, the Company had undertaken to set up super critical Power Plant at its land in Nellore, however due to market conditions, coal shortage and other factors beyond the control of the management, the Company had to shelve the project to set up the Power Plant. The Company was not able to clear some of the dues payable to the vendors in respect of the Power Project.

Currently, the Company is generating minimum revenue, which does not provide the bandwidth to the management to repay the unsecured loans and sundry creditors. Hence, the Board of Directors at their meeting held on 10th October, 2022 considered and approved the raising of funds from non-promoters. The Board had further had, based on the consent of the Promoters and the other Non-promoters, approved the proposal for providing an option for conversion of unsecured loan and dues to sundry creditors into equity shares of the Company, subject to the approval of shareholders. Further, the said conversion option is subject to the compliance of applicable provisions and approvals under Section 42 of the Companies Act 2013, Chapter V of SEBI (Issue of Capital & Disclosure Requirements) Regulations, 2018 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

As such, the Board of Directors of the Company, in its meeting held on 10th October 2022, subject to the approval of the members of the Company and such other approvals as may be required, approved the proposal for raising funds by way of issuance and allotment of upto 31,38,930 (Thirty One Lakhs Thirty Eight Thousand Nine Hundred Thirty Only) Equity Shares having face value of Rs.10/- (Rupees Ten Only) each on preferential basis to the Promoters and Non-Promoter Investors as mentioned in the resolution no. 5.

Since the Company is a listed Company, the proposed Preferential Issue is in terms of the provisions of the SEBI (ICDR) Regulations 2018 (as amended), the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011 (as amended), and other applicable provisions, if any and Sections 42 and 62(1) of the Companies Act, 2013, Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and Rule 13 of the Companies (Share Capital and Debentures) Rules, 2014.

The information as required under SEBI (ICDR) Regulations 2018 and as per the provisions of the Companies Act, 2013 read with Rule 13(2) of the Companies (Share Capital and Debentures) Rules, 2014 and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 are given below:

A. Objects of the Preferential issue

The Company proposes to raise funds through issue of equity shares on preferential basis:

MANAGEMENT DISCUSSION & ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian Engineering sector has witnessed a remarkable growth over the last few years driven by increased investments in infrastructure and industrial production. The engineering sector, being closely associated with the manufacturing and infrastructure sectors, is of strategic importance to India's economy.

India on its quest to become a global superpower has made significant strides towards the development of its engineering sector. The Government of India has appointed the Engineering Export Promotion Council (EEPC) as the apex body in charge of promotion of engineering goods, products and services from India. India exports transport equipment, capital goods, other machinery/equipment and light engineering products such as castings, forgings and fasteners to various countries of the world

INFRASTRUCTURE AND CONSTRUCTION - THE LONG TERM OPPORTUNITY

Infrastructure remains a vital sector for India's growth story. But, lack of adequate infrastructure is a major constraint in India's growth. Infrastructure, which was the golden sector a few years ago, is battling regulatory bottlenecks, land acquisition delays and credit crunch. Without any dichotomy - the future growth prospects of the Indian economy lingers primarily on the infrastructure investment and timely execution of the projects.

Defying inflationary pressures and euro zone crisis, the Finance Minister in his Budget has attempted to steer the economy out of recessionary slumber. To give infrastructure the much needed boost and to bridge the infra funding deficit he marshaled all resources at his disposal and fired a barrage of tax free bonds to generate funds for infrastructure sector which plays a pivotal role in generating jobs, shaping the fiscal health of economy and accelerating GDP growth. In fact, the approach is straight, loud and crystal clear attempt to make India an attractive destination for global investors by conceptualizing the cascading effect of dividend distribution tax by terminating secondary tax on companies and skillfully employing the ECB window to generate infra funds both from internal and external resources.

ECONOMIC OVERVIEW

The global economy is now projected to grow by only 3.1 per cent in 2022, down from the 4.0 per cent growth forecast released in January 2022. Global inflation is projected to increase to 6.7 per cent in 2022, twice the average of 2.9 per cent during 2010-2020, with sharp rises in food and energy prices, it said.

The report said that the outlook in South Asia has deteriorated in recent months, against the backdrop of the ongoing conflict in Ukraine, and higher commodity prices and potential negative spillover effects from monetary tightening in the United States. The regional economic output is projected to expand by 5.5 per cent in 2022, which is 0.4 percentage points lower than the forecast released in January.

India, the largest economy in the region, is expected to grow by 6.4 per cent in 2022, well below the 8.8 per cent growth in 2021, as higher inflationary pressures and uneven recovery of the labour market will curb private consumption and investment, it said. For the fiscal year 2023, India's growth is forecast to be 6 per cent.

Lead Author & Chief, Global Economic Monitoring Branch, Economic Analysis and Policy Division, United Nations Department of Economic and Social Affairs Hamid Rashid told reporters at the UN Headquarters that almost all regions in the world are affected by high inflation except for East Asia and South Asia. He said India in that sense is a little bit in a better position as it did not have to aggressively pursue monetary tightening compared to other countries in Latin America. Brazil has raised interest rates repeatedly.

India's projected growth for 2022 is 6.4 per cent, a downward adjustment of 0.3 per cent from January. We expect Indian recovery to remain strong in the near term, in the next year and two, but again we cannot completely discount the downside risk that would come from external channels. So that risk is still there, he said. The report added that higher prices and shortages of farming inputs including fertilisers are likely to persist in the region, negatively impacting the agricultural sector in Bangladesh, India, Pakistan, and Sri Lanka.

This will probably result in weaker harvests and exert further upward pressures on food prices in the near term, the report said. It said along with higher energy prices, elevated prices of food will likely increase food insecurity across the region. Consumer price inflation in the region is expected to accelerate to 9.5 per cent in 2022, from 8.9 per cent in 2021.

FINANCIAL PERFORMANCE AND OPERATIONS

VSF Projects (VSFPROJ.) is one of India's leading companies with a history of 29 years. Over this span, the company built strong capabilities and established widespread credentials for success of project delivery across wide spectrum of sectors within the infrastructure industry. It is this pedigree that has helped the Company re-invents itself to meet the challenges of different times and deliver value to all stake-holders.

The Company's core business is providing Engineering & Construction services for large projects across sectors like Power (Thermal, Solar), Transportation (Roads, Bridges etc.) Water (Irrigation and water supply) and Industrial Projects.

The Financial Year 2021-22 has been a another very tough year for the Company as the company had no new order due to huge financial crunch and the biggest slowdown in construction business over all in the economy. Further the Management has been scouting for various other business opportunities and Accordingly, Company has obtained a formal Approval from Ministry of Commerce & Industry Department of Commerce (SEZ Section), Government of India for Setting up of a Multi-Product Free Trade Warehousing Zone at Ankulpaturu Village, SPSR Nellore District, Andhra Pradesh over an area of 50Ha (132.96 Acres).

OPPORTUNITIES & THREATS

Infrastructure Industry: The continued thrust on infrastructure projects including highways / express ways and Power will bring lot of opportunities for India and your Company.

Power Generation: The necessity for addition of power generation capacity of the country and the various incentives provided by the Government of India for private sector participation in development of power will be key to the development of Power projects.

General: The Indian Economy is expected to slowdown and grows at around 5% p.a and provides ample opportunity for the Company to sustain the growth.

All though the Company is well poised and equipped to face any risk of exposure to Business, Assets and Financial Risks in the form of competition, accidents, natural calamities, obsolescence, and fluctuations in foreign currency etc, the Company is not secluded from the threats of slowing economy around the world and India in particular.

Emerging economies around the globe have witnessed outflow of FII investment from both Debt and Equities, resulting in a free fall of the domestic currency against the US Dollar. India is no exception to this and companies across the sectors are feeling the pinch of the slowing economy and falling rupee.

Apart from the global and macro factors, power sector in India is going through a lean phase. The delay in getting various clearances from the government, non signing of Fuel Supply Agreements by the Coal and Gas ministries, the cost escalation have all impacted adversely the Power Sector.

The management of your company is however hopeful that the government will take appropriate and timely steps to revive the prospects of the ailing infra and power companies.

RISKS & CONCERNS

1. Infrastructure sector is dependent on political stability.
2. Contract Payment Risk
3. un organized Sector
4. Shortage of Labor and Employees.
5. Coal Shortages

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The philosophy we have with regard to internal control systems and their adequacy has been formulation of effective systems and their strict implementation to ensure that assets and interests of the Company are safeguarded; checks and balances are in place to determine the accuracy and reliability of accounting data. INDEPENDENT AUDITOR’S REPORT
To The Members of
VSF PROJECTS LIMITED

Report on Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **VSF PROJECTS LIMITED** (“the Company”), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters (‘KAM’) are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Company’s management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company’s annual report, but does not include the financial statements and our auditors’ report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process

Auditor's Responsibility for the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016, issued by the department of company affairs, in terms of section 143 (11) of the companies Act, 2013, and on the basis of our examination of the books and records as we considered appropriate and according to the information and explanation given to us, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **VSF PROJECTS LIMITED** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Kaveri Engineering Projects Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that

- i. In respect of the Company's Property, Plant and Equipment:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment including leased assets.
 - (b) Maintenance of Proper records for Intangible records is not applicable to the company.
 - (c) As explained to us, fixed assets have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification.
 - (d) According to the information and explanations given to us, the company does not own any immovable Properties at the balance sheet date, hence the clause of reporting whether the title deeds are held in the name of company is not applicable.
 - (e) The Company has not revalued any of its Property, Plant and Equipment including right of use assets during the year.
 - (f) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

- ii.
 - (a) As explained to us, the physical verification of inventories, excluding stocks lying with third parties, have been conducted at reasonable intervals by the Management during the year. In case of inventories lying with third parties, certificates of stocks holding have been received.
 - b) In our opinion and according to the information and explanation given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification of stocks as compared to book records.
 - d) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. There is no material discrepancy found between quarterly returns or statements filed by the company with such banks or financial institutions and books of account of the Company.

- iii. According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Consequently, the provisions of clauses iii (a),(b),(c),(d),(e),(f) of the order are not applicable to the Company.

- iv. The company has not advanced any loans, guarantees to directors of the company. Hence this clause is not applicable to the company.
- v. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- vi. Maintenance of cost records as specified by central government under subsection (1) of section 148 is not applicable to the company.
- vii. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
 - (b) There are no disputed dues Pending as on March 31,2022.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. The Company has not defaulted in repayment of Loans or borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
 - (a) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (b) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - (c) On an overall examination of the financial statements, Company has not raised fund any funds during the Year. Hence, this clause is not applicable.
 - (d) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations.

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

A. General Information

VSF Projects Limited (the company) is engaged in Construction and Infrastructure development and Execution. The Company is a public limited company incorporated and domiciled in India and has its registered office at Anakalapatur Village, Nellore District, Andhra Pradesh. The Company has its primary listings on the Bombay Stock Exchange. The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation and presentation of Financial Statements

The financial statements of VSF Projects Limited (“VSF” or “the Company”) have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 , as amended and as per other relevant provisions of the Act. The presentation of financial statements is based upon Ind AS Schedule III of Companies Act, 2013.

Basis of Measurement

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for impairment of trade receivables as per expected credit loss model in balance sheet.

All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realisation/settlement within twelve months period from the balance sheet date.

B. Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, the areas involving critical estimates or Judgments are:

i) Depreciation and amortization

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

ii) Provision and contingencies

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

iii) Fair valuation

Fair value is the market based measurement of observable market transaction or available market information.

C. Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest rupees.

D. Current and noncurrent classification

All the assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1, and Presentation of financial statements.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realized within twelve months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is due to be settled within twelve months after the reporting date; or
- The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/ liabilities include the current portion of noncurrent assets/ liabilities respectively. All other assets/ liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non-current

Significant Accounting Policies

1) Property Plant & Equipment

The company has elected revaluation model as its accounting policy for accounting its property, plant and equipment.

After recognition as an asset, an item of property, plant and equipment whose fair value can be measured reliably is carried at a revalued amount, being its fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Revaluations is made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period. If an asset's carrying amount is increased as a result of a revaluation, the increase should be recognised in other comprehensive income and accumulated in equity under the heading of revaluation surplus. However, the increase is recognised in profit or loss to the extent that it reverses a revaluation decrease of the same asset previously recognized in profit or loss.

If an asset's carrying amount is decreased as a result of a revaluation, the decrease is recognised in profit or loss. However, the decrease shall be recognised in other comprehensive income to the extent of any credit balance existing in the revaluation surplus in respect of that asset. The decrease recognised in other comprehensive income reduces the amount accumulated in equity under the heading of revaluation surplus.

Depreciation

Depreciation is recognized in the statement of profit and loss on a Straight line method over the estimated useful lives of property, plant and equipment based on Schedule II to the Companies Act, 2013 ("Schedule"), which prescribes the useful lives for various classes of tangible assets. For assets acquired or disposed off during the year, depreciation is provided on prorata basis.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate

The estimated useful lives are as follows:

Type of Asset	Estimated useful life in years
Buildings	30
Plant & Machinery	15
Vehicles	
i) Motor cycles, scooters and other mopeds	10
ii) Motor buses, Motor lorries, Motor taxis and Motor cars	8
Computers	3
Office Equipment	5
Furniture & Fixtures	10

2) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a

time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified into following categories:

- Financial Assets at amortized cost
- Financial Assets at fair value through other comprehensive income (FVTOCI)
- Financial Assets at fair value through profit or loss (FVTPL)
- Impairment of financial assets

Financial Assets at amortised cost

A Financial Asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in other income in the statement of profit and loss.

Financial Assets at FVTOCI

A Financial Asset is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Financial Assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified to the statement of profit and loss. Interest earned whilst holding FVTOCI is reported as interest income using the EIR method.

Financial Assets at FVTPL

FVTPL is a residual category for Financial Assets. Any asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. These include surplus funds invested in mutual funds.

Impairment of trade receivables

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. Expected credit loss model takes into consideration the present value of all the cash shortfalls over the expected life of a financial

instrument. In simple terms, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate. The Standard presumes that entities would suffer credit loss even if the entity expects to be paid in full but later than when contractually due. In other words, it simply focuses on DELAYS in collection of receivables.

For the purpose of identifying the days of delay, the Company took into consideration the weighted average number of delays taking into consideration deviation of receivables turnover ratio from normal credit period.

Investment in Subsidiary:

Following the principles enumerated in Ind AS 27, *Separate Financial Statements*, the Company elected to account for its investment in its subsidiary in accordance with Ind AS 109, *Financial Instruments*.

Ind AS 109 requires an entity to measure the investment in equity shares at fair value and recognize the changes in fair value through profit and loss account. However, it also gives an irrevocable option to an entity to recognize the aforesaid changes in fair value through other comprehensive income (“OCI”). On the transition date, the Company has elected the irrevocable option to recognize the fair value changes in the equity shares in the subsidiary in Other Comprehensive Income.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Company’s balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a ‘pass-through’ arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company’s continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognised in OCI. These gains/ losses are not subsequently transferred to the statement of profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

3) Inventories

Inventories consist of goods and to be measured at the lower of cost and net realisable value. The cost of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity. Stores and spares, that do not qualify to be recognised as property, plant and equipment and consumables which are used in operating machines or consumed as indirect materials in the manufacturing process. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

4) Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment.

If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year at March 31.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

5) **Cash & Cash Equivalents**

Cash and bank balances comprise of cash balance in hand, in current accounts with banks,. Bank overdrafts that are repayable on demand and form an integral part of our cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

6) **Employee Benefits**

Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as

an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

7) Provisions, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

8) Revenue Recognition

Revenue from Construction Contracts

Revenue from Construction contracts is measured at fair value of the consideration received or receivable.

Revenue from construction contracts is recognized only to the extent of contract costs incurred that is probable will be recoverable.

Revenue from construction contracts is recognized only when the revenue can be estimated reliably and contract revenue and contract costs associates with the construction contract is recognized by reference to the stage of completion of the contract activity at the end of the reporting period.

Prior period figures have been regrouped/reclassified wherever necessary for comparative purposes

9) Tax Expenses

Tax expense consists of current and deferred tax.

Income Tax

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred Tax

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Dividend distribution tax arising out of payment of dividends to shareholders under the Indian Income tax regulations is not considered as tax expense for the Company and all such taxes are recognized in the statement of changes in equity as part of the associated dividend payment.

10) Earnings Per Share

The Company presents basic and diluted earnings per share (“EPS”) data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

11) Trade receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortized cost using effective interest method, less provision for impairment.

12) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented

as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

2.25 Property, Plant and Equipment:

The company has elected revaluation model as its accounting policy for accounting its property, plant and equipment.

After recognition as an asset, an item of property, plant and equipment whose fair value can be measured reliably is carried at a revalued amount, being its fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Revaluations is made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

If an asset's carrying amount is increased as a result of a revaluation, the increase should be recognised in other comprehensive income and accumulated in equity under the heading of revaluation surplus

However, the company has not carried out any revaluation of its items of property, plant and equipment and hence, the previous balance amount of property plant and equipment is continued to be considered carrying amount of property, plant and equipment for the end of the reporting period.

2.26 Investments:

Ind AS 109 requires an entity to measure the investment in equity shares at fair value and recognize the changes in fair value through profit and loss account. However, it also gives an irrevocable option to an entity to recognise the aforesaid changes in fair value through other comprehensive income (“OCI”). Accordingly, the company has no Investments during the year as there is material uncertainty in respect ability to continue as going concern.

2.27 Financial Risk Management:

The Company’s activities expose it to a variety of financial risks, including credit risk, liquidity risk and Market risk. The Company’s risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company’s activities. The Board of Directors, risk management committee and the Audit Committee is responsible for overseeing the Company’s risk assessment and management policies and processes.

a. Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company’s receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected losses in respect of trade and other receivables and investments.

Trade Receivables-The Company’s exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Financial assets that are neither past due nor impaired - None of the Company’s cash equivalents, including deposits with banks, were past due or impaired as at 31 March 2022.

Of the total trade and other receivables, Nil as at 31 March 2022 and Nil as at 31 March 2021 has been impaired.

The Company's credit period for customers generally ranges from 60-90 days. The ageing of trade receivables that are past due but not impaired is given below:

As on 31-03-2022

Particulars	Less than 6 months	6 months- 1 year	1-2 years	2-3 years	More than 3 years	Total
(i) Undisputed Trade receivables - considered good			55,751			55,751
(ii) Undisputed Trade Receivables - which have significant increase in credit risk						
(iii) Undisputed Trade Receivables - credit impaired						
(iv) Disputed Trade Receivables - considered good						
(v) Disputed Trade Receivables - which have significant increase in credit risk						
(vi) Disputed Trade Receivables - credit impaired						

As on 31-03-2021

Particulars	Less than 6 months	6 months- 1 year	1-2 years	2-3 years	More than 3 years	Total
(i) Undisputed Trade receivables - considered good		55,751				55,751
(ii) Undisputed Trade Receivables - which have significant increase in credit risk						
(iii) Undisputed Trade Receivables - credit impaired						
(iv) Disputed Trade Receivables - considered good						
(v) Disputed Trade Receivables - which have significant increase in credit risk						
(vi) Disputed Trade Receivables - credit impaired						

Other than trade receivables, the Company has no significant class of financial assets that is past due but not impaired.

On account of adoption of Ind AS 109, the Company uses Expected Credit Loss (ECL) model for assessing the impairment loss. For this purpose, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate

Reconciliation of allowance for credit losses

The details of changes in allowance for credit losses during the year ended 31 March 2022 and 31 March 2021 are as follows:

Balance at the end of the year	12,82,10,080	12,82,10,080

Liquidity Risks:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

As of 31 March 2022, the Company had working capital (current assets less current liabilities) of Rs. (22,20,25,440) including cash and cash equivalents of Rs 27220/-. As of 31 March 2021, the Company had working capital of Rs. (22,23,11,452/-), including cash and cash equivalents of Rs. 2,52,117/-.
