Dear Ma'am, Sir,

With reference to the above regarding clarification sought from SBFC Finance Limited (“Company”) in relation to increase in volume of Company’s shares across Exchanges, we wish to inform you that the Company has been complying with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 (“SEBI LODR Regulations”) and it ensures to keep its investors updated by intimating all the events, information, etc. that have a bearing on the operation/performance of the Company which include all price sensitive information and the Company has also made disclosures of all the events, information / announcement with the exchanges within the prescribed timelines.

There is no information /announcement (including impending announcement), which in our opinion may have a bearing on the price / volume behavior in the scrip of the Company, which is not disclosed to the Stock Exchanges.

Therefore, the increase in volume of the scrip of the Company is market driven on which the Company neither has any control nor has any knowledge of reasons.

We hope the above clarifies and request you to kindly take the same information on your records.

Thanking you,

Yours faithfully,

For **SBFC Finance Limited**
