3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

- II. Inventories and their consumption have been certified by the management. We have not verified the same.
- III. No assessment to determine whether or not a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern has been given to us. Accordingly, we are unable to comment upon the going concern of the entity.
- IV. Trade receivables, Loan and Advances and Trade payables are subject to confirmation and reconciliation as balances of some parties has been set off.
- V. In respect of Property, plant & equipment. As per IND AS 36 "Impairment of Assets" company should recognize impairment loss if the carrying value of the assets in the books of account is more than recoverable amount of the assets. Further IND AS specifies that enterprise should assess at the end of each financial year whether there is any indication that an asset may be impaired.
