Operational Updates:

- Secured a project order from Reliance Industries for Cables
- Inaugurated our 52nd branch in Srinagar
- Started Samsung Consumer Electronics business (Back-to-Back)
- Forayed in Quick Commerce Business
- Successfully completed CBF in 42 cities

Commenting on the performance, **Mr. Kapal Pansari, Managing Director, Rashi Peripherals Limited** said, "Building on the momentum of the previous quarter, we are pleased to report yet another period of solid growth across Revenue, EBITDA, and Net Profit. At Rashi Peripherals, our commitment to customer-centricity is unwavering, and this is demonstrated through our continual efforts to expand our reach across Tier-2 and Tier-3 towns and to keep our product portfolio dynamic and aligned with the evolving needs of the Indian hardware sector. With promising signs of a revival in the IT/ITeS sector, we are optimally positioned to harness these emerging opportunities. This approach, rooted in long-term value creation, reinforces our commitment to sustainable, profitable growth in the quarters ahead."

“Despite challenges in the market, Rashi Peripherals continued to demonstrate robust growth in the last quarter. Our Embedded vertical is growing consistently. We have started Samsung Consumer electronics business and in this quarter we forayed into quick commerce business that promises value addition to our customers. The inauguration of our 52nd branch in Srinagar reflects our consistent efforts to strengthen our channel engagement and reach across the regions. These achievements reflect our steadfast dedication to ensure seamless availability of ICT products through value added support to our B2B customers. We are well-positioned to maintain the growth momentum”, said **Mr. Rajesh Goenka, Chief Executive Officer, Rashi Peripherals Limited.**

About Rashi Peripherals Limited:

Rashi Peripherals Limited founded in 1989, has become one of India's fastest-growing national distribution partners for global technology brands. With over 35 years of experience, RP Tech has played a pivotal role in formalizing the fragmented and unorganized ICT product distribution landscape in India. The company offers a comprehensive range of services that include pre-sale activities, solutions design, technical support, marketing services, credit solutions, and warranty management. It operates through two primary verticals: Personal Computing, Enterprise, and Cloud Solutions (PES) and Lifestyle and IT Essentials (LIT).
