Subject: Launch of PCL x EMOSS – India eBus Unveil

Dear Sir/Madam,

Pursuant to Regulation 30 & 46 of SEBI (Listing Obligations and Disclosure Requirements) (LODR) Regulations, 2015, as informed earlier to the stakeholders at the 29th Annual General Meeting held on 27th July 2021 and Earnings Call held on 18th August 2021, the Company has retrofitted a mid-size passenger AC Bus into 100% electric Bus. It is being tested at Automotive Research Association of India (ARAI).

We are proud to unveil and present PCL's first ELECTRIC retrofitted mid-size passenger bus driven on public roads in India.

Designed and developed in the Netherlands and built from ground up in India, this vehicle marks a significant milestone in the PCL journey as we embark on a journey to provide localized, electrified buses, trucks and LCVs to Indian customers. The company has localized more than 60% of the electric driveline in the first vehicle itself with a target to further indigenize in the upcoming vehicles.

We are delighted to launch the video of **PCL x EMOSS – India eBus Unveil** for the benefit of all the Stakeholders. Please click on the link <https://pclindia.in/>

Thanking You.

Yours Faithfully,

For Precision Camshafts Limited

Mayuri I. Kulkarni

Company Secretary and Compliance Officer
