CUET results out today, new scoring system used

HT Correspondent

htreporters@hindustantimes.com

NEW DELHI: The National Testing Agency (NTA) will release the results of the maiden common university entrance test for undergraduate admissions or CUET-UG on Thursday, officials said, adding that the result will be prepared using 'equipercentile method' to normalise scores of candidates across different phases of the exam.

The NTA on Wednesday also reopened the correction window to allow candidates to edit their personal details till 10 am on Thursday.

The debut edition of CUET-UG was conducted in six phases between July 15 and August 30 by the NTA. The exam has been conducted across 489 centres in 259 cities across the country and 10 foreign cities.

A total of 1,490,000 candidates had registered for the examination and consolidated attendance of 60% was reported across six phases.

NTA said 1,490,000 candidates registered for the exam and consolidated attendance of 60% was reported.

According to a statement issued by NTA on Wednesday, a committee headed by senior professors from Indian Statistical Institution (Delhi centre), IIT Delhi and Delhi University, had detailed deliberations and decided to use the 'equipercentile method' to compute CUET-UG scores.

According to NTA, under the new method, the percentile for each candidate is calculated

using the raw marks of the candidate, as compared to the raw marks of others in the same session. "Let us say, in a given shift, 100 students have appeared for the test. We sort their marks in decreasing order. Let us assume one student among these 100 has scored 87% marks. Now, let us assume that 80 out of 100 students have scored less than or equal to 87% marks. The percentile of this student with 87%

marks would be 80/100=0.8. The percentile so calculated, will always be between 0 and 1 and it is usually rounded off to the requisite number of decimal places," the agency said.

The agency further used a method called interpolation to mark students for the shift they did not appear for. "Interpolation is a mathematical way of estimating missing marks of the students absent in one shift because they already took the test in the other shift," it said.

"Each percentile value of the candidates is sorted in descending order having marks for both shifts — raw marks and interpolated marks. Raw marks are available in the shift where the student has written the test and interpolated marks are estimated in the other shift... For each student, we then calculate the average of raw marks in one shift and marks obtained using interpolation in the other shift. This will give normalised marks for the corresponding percentile of each candidate," it added.

President will attend Queen's funeral in UK

HT Correspondent

NEW DELHI: President Droupadi Murmu will represent India at the state funeral of Queen Elizabeth II in London on September 19 and offer condolences on behalf of the government of India.

The president will visit the UK during September 17-19 to attend the state funeral, the external affairs ministry said on Wednesday. The former head of state of the UK and head of the Commonwealth of Nations died on September 8 at the age of 96.

Murmu, vice president Jagdeep Dhankhar and Prime Minister Narendra Modi have expressed condolences at the death of Queen Elizabeth. The Indian government observed one day of national mourning on September 11 as a mark of respect to Queen Elizabeth.

External affairs minister S Jaishankar visited the British high commission in New Delhi on September 12 to convey India's condolences. "In the 70 years of reign of

Droupadi Murmu PTI

H.M. Queen Elizabeth II, India-UK ties have evolved, flourished and strengthened immensely. She played an important role in the welfare of millions of people around the world as Head of the Commonwealth," the external affairs ministry said.

PM Modi conveyed condolences on the behalf of the Indian people to the British royal family and the people of UK on the death of Queen Elizabeth II during a phone conversation with his British counterpart Liz Truss on Saturday.

Truss thanked Modi "for his heartfelt condolences, which he said were on behalf of 1.3 billion Indians", a Downing Street spokeswoman said.

Restart fragmented land deed registration process: ministers

Nadeem Inamdar

puneletters@htlive.com

PUNE: State revenue minister Radhakrishna Vikhe-Patil and higher and technical education minister Chandrakant Patil chaired a special meeting on land deed registration at Mantralaya on Wednesday.

During the meeting, it was discussed that complaints were received about non-registration of fragmented land parcels and flats within grampanchayat limits in the state due to which common flat holders were facing difficulties. It was suggested that the department of Inspector General of Registration and Controller of Stamp (IGR) should immediately submit a proposal regarding the immediate commencement of registration until the oppressive conditions in gunthewari-based system are removed.

The officials termed it as a

positive decision. Nitin Kareer, principal secretary of revenue department; IGR Shrawan Hardikar, officials of revenue and registration departments attended the meet.

Both the ministers stated that the High Court had not given any stay to Article 44(1) (i) of the Maharashtra Registration Rules, 1961 and expressed their belief that the registration of deeds will start soon and ordered officials to submit a proposal.

The meeting also discussed whether the law can be changed in the next assembly session so that common people get permanent relief. Also, during the extension of Gunthewari Act of 2001, there were very few cases of Gunthewari within Municipalities or PMRDA limits due to the imposition of oppressive conditions and exorbitant fines. Therefore, efforts will be made to give justice to the common people by reforming this too, the ministers said.

E-BIKE BATTERY BLAST MAY HAVE CAUSED FIRE

Srinivasa Rao Apparasu

letters@hindustantimes.com

HYDERABAD: The fire in a Secunderabad hotel that claimed the lives of eight people on Monday night is likely to have started from an electric scooter that was being charged in the basement, a senior Hyderabad Police officer said on Wednesday, based on CCTV footage from the establishment.

Late on Monday, a fire broke out in the Ruby Pride Luxury Hotel in Secunderabad, claiming eight lives. An electric 2-wheeler showroom is located in the cellar of the building, where, according to police, a vehicle caught fire while it was being charged.

"The building is equipped with 32-channel CCTV cameras, of which, 25 cameras are functioning. A study of the footage obtained from them after the mishap pointed out the origin of fire and it appears that the smoke first emerged from an e-bike kept for charging," deputy commissioner of police (North Zone, Hyderabad) Chandana Deepthi said.

She added that the police are awaiting reports from the fire department, the electricity department, as well as the forensic team to determine the exact cause of the fire.

Regional fire officer of Telangana state disaster response and fire services department (central region), V Papaiah, also indicated that the fire was the result of an apparent explosion of batteries.

Ambernath factory owner arrested

Gautam S. Mengle

gautam.mengle@htlive.com

MUMBAI: The Anti-Narcotics Cell of Mumbai police has arrested the owner of an Ambar Nath factory where one Prem Prakash Singh allegedly synthesised mephedrone and pumped it into the illegal drug market. This is the eighth arrest in the ₹2,000-crore drug haul case.

Singh and five of his associates were arrested in August and the agency had seized 705 kg mephedrone from a commercial building owned by Singh in Nalasopara. The police also raided a factory in Gujarat, seizing another 513 kg drug and arresting the owner.

According to the police, Jindendra Vora, 54, owner of Namau Chemicals Private Limited, had been under the scanner ever since his name came up in Singh's interrogation. He was called to the ANC's World unit on September 10 and arrested. His manager, Kiran Pawar, has already been arrested.

Before moving in on him, we visited his factory and spoke to workers who said that they were made to work on the mephedrone synthesis. They had also raised concerns with Vora and Pawar, asking them what they were making. We had

{ ₹2,000-CRORE DRUG HAUL CASE }

also seized partially synthesised mephedrone from the building," an ANC officer said.

The officer said further investigation established that Singh had made mephedrone at least four times in Vora's factory and had paid him up to ₹35 lakh in cash.

Deputy commissioner of police Datta Nalawade, ANC, confirmed that Vora had been arrested.

Vora was produced before a special NDPS Act court which remanded him in police custody for 10 days.

In the next stage of its investigation, the ANC will be going after the drug peddlers whose names have come to light, sources said.

An organic chemistry post-graduate, Singh, allegedly put his knowledge to use for producing mephedrone and is said to have been among the biggest suppliers of the drug in Mumbai and nearby cities. An examination of his bank accounts has revealed deposits and transactions amounting to around ₹50 crore. He also owns a three-BHK flat in Dahisar, two shops in Nalasopara, and three plots of land just outside Mumbai.

RANCHI: The Jharkhand cabinet, led by chief minister Hemant Soren, on Wednesday approved two bills, one fixing land records of 1932 as the basis for domicile in the state and another to increase reservation in jobs across categories to 77%.

The cabinet also approved proposals to send these two bills after ratification from the state assembly to the Centre to include them in the Ninth Schedule of Constitution. Jharkhand cabinet secretary Vandana Dadel said, Ninth Schedule shields a law from judicial review.

"The cabinet has approved the 'Jharkhand definition of local persons and for extending the consequential, social, cultural and other benefits to such local persons Bill, 2022'," Dadel said after the cabinet meeting chaired by Soren. "People who have their names of their ancestors' name in the khatiyani (land records) of 1932 or before will be considered as a local inhabitant of Jharkhand."

Jharkhand BJP president Deepak Prakash said, "We are studying the cabinet note. We will discuss it with our leaders."

have passed since the case is in the Supreme Court. Many Chief Justices have changed since then, but not one has opened even the first page of the petition. No date has been given for hearing it. If proceedings start, how many years will it take and in whose favour will it be decided, we do not know.

"So, we will not come up with any slogan which is not fair, just and possible. I don't want to give any false hopes, whether people vote for us or not," he said.

Azad said while Article 370 deserves respect, there are other issues, too, which need to be corrected in terms of development and governance.

"We cannot sit idle till Article 370 is restored," he said.

On the allegation that he was playing second fiddle to the BJP in Jammu and Kashmir, Azad said it was not him but some leaders in the Congress who were helping the BJP in achieving a 'Congress-mukt Bharat'.

"I am accused of being a friend of the BJP. The real friends of the BJP are those who are helping in establishing a Congress-mukt Bharat. This is my counter allegation on them," he said. PTI
