The above is an extract of the detailed format of Financial Results for the Q4 and year ended 31.03.2021 filed with Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulation, 2015. The complete format of Financial Results is available on the Stock Exchange websites at www.bseindia.com, www.nseindia.com and also on Company's website at www.izmold.com.

Notes:

- The above audited Q4 and Annual financial results for the financial year ended 31st March, 2021 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 12-06-2021.
- Statutory Audit of financial results for the Q4 and financial year ended 31st March, 2021 has been carried out by the Auditors.
- Investors Grievances during the quarter: Received - Nil, Attended - Nil, Pending - Nil.
- The company has added 32 clients in Europe in this quarter. Some of the marquee clients added were Group Bernier and Autosphere.
- In the US market, the company has added 13 clients for the izmocars product range including Capital One, Fareportal and Motor Trend.
- The company's AI driven Analytics division FrogData has added more than 59 rooftops in the last quarter! This is the highest ever client acquisition in any quarter for FrogData. It is the only Analytics product suite in the Automotive segment which incorporates significant elements of Artificial Intelligence (AI) making it the most advanced solution for the Auto Dealership market. The clients using the FrogData Analytics suite have seen tremendous benefits in ROI of their business. That is the reason driving the more than 300% growth in FrogData's revenues last year.
- The company is looking at entering new markets such as Germany and Switzerland in Europe as well as expanding its presence in the United States. The entry into new markets as well as the increase of its footprint in existing markets will be financed by its existing cash reserves.
- The company has pared down its high cost debt in India significantly and will be debt free in India by March 2022.
- The company has also filed a lawsuit against a very large car rental company for illegal use of its copyrighted images. We expect a substantial settlement to accrue to the company once the suit is settled around the end of this year. The company is pursuing many such claims against companies who have violated copyright laws by using its multimedia content illegally.
- The Company operates in one reportable segment only.
