Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors
IFGL Refractories Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of IFGL Refractories Limited (the "Company") for the quarter ended June 30, 2020 and year to date from April 01, 2020 to June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

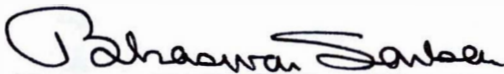

5. Emphasis of Matter

We draw attention to:

- a) Note 3 to the standalone financial results, relating to amalgamation of the erstwhile IFGL Refractories Limited with the Company (the amalgamated entity was thereafter renamed as IFGL Refractories Limited) with effect from April 01, 2016 following Scheme of Amalgamation approved by the Hon'ble National Company Law Tribunal, Kolkata Bench, vide its Order date August 03, 2017, under the provisions of sections 230 and 232 of the Companies Act, 2013 (the "Scheme"). Pursuant to the Scheme, the aforesaid business combination was recognized under the 'Purchase Method' as defined under Accounting Standard (AS) 14, Accounting for Amalgamations, and Goodwill arising on such amalgamation aggregating Rs. 26,699 lakhs had been recognized. Based on management's assessment, such Goodwill is being amortized over a period of ten years with a charge of Rs. 667 lakhs per quarter. As per Indian Accounting Standard (Ind AS) 103, Business Combinations, the aforesaid amalgamation had to be recognized under 'Pooling of Interest Method' since these were entities under common control.
- b) Note 4 to the standalone financial results regarding Company's writ petition challenging the 'Explanation' to Section 10AA(1) of the Income Tax Act, 1961 inserted on and from assessment year beginning April 01, 2018, which was admitted by the Hon'ble High Court at Calcutta. Pending decision by the Hon'ble High Court, uncertainty exists as regards realizability of resultant recognized deferred tax assets of Rs. 1,164 lakhs.

Our conclusion is not modified in respect of these matters.

NOTES :

- Above financial results have been reviewed by the Audit Committee at its meeting held on August 22, 2020 and approved by the Board of Directors (Board) at their meeting held on that date. The Statutory Auditor has reviewed the same.
- The above reviewed financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. These financial results have been prepared in accordance with the recognition and measurement principles of Ind AS - 34 - Interim Financial Reporting, prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
- A scheme of amalgamation of erstwhile IFGL Refractories Ltd. with the Company with effect from April 01, 2016 was approved by the Hon'ble National Company Law Tribunal, Kolkata vide order dated August 03, 2017. Goodwill of Rs. 26,699 lakhs arose on such merger which was accounted for under "Purchase Method" as defined under erstwhile Accounting Standard 14 - Accounting for Amalgamation. Useful life of such Goodwill was estimated to be 10 years and it is being amortised accordingly.
- The Company's Writ Petition No. 544 of 2019 challenging vires of the Explanation to Section 10AA(1) of the Income Tax Act, 1961 inserted on and from assessment year beginning April 1, 2018, on grounds that such explanation denies the benefit that was intended to be provided under the said section, was admitted by the Hon'ble High Court at Calcutta on November 7, 2019. Supported by a legal opinion obtained in this regard, management believes that the Company has a good case on merit in this matter and the resultant deferred tax assets of Rs. 1,164 lakhs are considered as recoverable in future.
- The Company operates in a single segment and is engaged in the business of manufacture, trading and sale of refractories based on customer specifications.
- Operations of the Company were partially impacted due to temporary disruptions following nationwide lockdown on and from March 25, 2020 enforced by the Government of India because of pandemic COVID-19 outbreak. However, the Company's overall operations, performance and results have normalised May 2020 onwards. Based on the situation currently prevailing and considering the improvement in steel industry, the management expects demand for its products and services to remain stable; and further, does not anticipate any challenge in the Company's ability to continue as a going concern or meeting its financial obligations. However, the above evaluations are based on scenario analysis of internal and external information available up to the date of approval of these standalone financial results.
- The figures of the last quarter ended March 31, 2020 are the balancing figures between the audited figures in respect of the financial year ended March 31, 2020 and the unaudited published year to date figures up to December 31, 2019, being the date of the end of the third quarter of that financial year, which was subjected to limited review.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Based on management's assessment, such Goodwill is being amortized over a period of ten years with a charge of Rs. 667 lakhs per quarter. As per Indian Accounting Standard (Ind AS) 103, Business Combinations, the aforesaid amalgamation had to be recognized under 'Pooling of Interest Method' since these were entities under common control.

The Group has adopted geographical location of its operations (where its products are produced or service rendering activities are based) as its operating segment in terms of Ind AS 108 'Operating Segments'.
- A scheme of amalgamation of erstwhile IFGL Refractories Ltd. with the Holding Company with effect from April 01, 2016 was approved by the Hon'ble National Company Law Tribunal, Kolkata vide order dated August 03, 2017. Goodwill of Rs. 26,699 lakhs arose on such merger which was accounted for under "Purchase Method" as defined under erstwhile Accounting Standard 14 - Accounting for Amalgamation. Useful life of such Goodwill was estimated to be 10 years and it is being amortised accordingly.
- The Holding Company's Writ Petition No. 544 of 2019 challenging vires of the Explanation to Section 10AA(1) of the Income Tax Act, 1961 inserted on and from assessment year beginning April 1, 2018, on grounds that such explanation denies the benefit that was intended to be provided under the said section, was admitted by the Hon'ble High Court at Calcutta on November 7, 2019. Supported by a legal opinion obtained in this regard, management believes that the Holding Company has a good case on merit in this matter and the resultant deferred tax assets of Rs. 1,164 lakhs are considered as recoverable in future.
- The outbreak of Coronavirus (COVID-19) pandemic globally is causing significant disturbance and slowdown of economic activities. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown and uncertainties pertaining to future operations of their businesses.
The Group resumed its business activities after a brief disruption in certain components and there has been continuous improvement in the operations since then. The Group management has assessed the operations and liquidity position of the Group taking into consideration improvement in the steel sector. Based on such assessment, the Group management does not anticipate any challenge in the Group's ability to meet its financial obligations. However, the above evaluations are based on scenario analysis of internal and external information available up to the date of approval of these consolidated financial results.
- During the previous year, the Group had recognised impairment loss amounting to Rs 2,061 lakhs, which has been disclosed as an exceptional item in these consolidated financial results. This impairment loss represented the write-down of carrying value of goodwill to the recoverable amount pertaining to German operations (IFGL GmbH and its step-down subsidiaries). The recoverable amount was based on value in use calculations using present value of future cash flows estimated by the management and was determined at the level of CGU which consists of the assets of IFGL GmbH and its step-down subsidiaries.
- The figures of the last quarter ended March 31, 2020 are the balancing figures between the audited figures in respect of the financial year ended March 31, 2020 and the unaudited published year to date figures up to December 31, 2019, being the date of the end of the third quarter of that financial year, which was subjected to limited review.
