Notes :

- The above is an extract of the detailed format of financial results for the quarter and year ended March 31, 2021 filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of financial results for the quarter and year ended March 31, 2021 are available on the Stock Exchange websites (www.bseindia.com and www.nseindia.com) and the Company's website (www.simbhaolisugars.com).
- For the year ended March 31, 2021 and in earlier years, the Company has incurred losses due to high sugarcane costs fixed by th state government, and comparatively lower prices of finished sugar due to higher production which are determined by the marke forces based on demand-supply situation and other market dynamics. Due to above-stated external factors, the company had incurred huge losses in past resulting in complete erosion of it's net worth. This has resulted in delay in meeting the payment obligations to the lenders and sugarcane farmers in terms of their respective agreements and understanding. Although, the operations of the Company remained intact at sub-optimum levels over the years and it has been continuously striving for improvement in operation efficiency i form of improvement in sugar recovery, reduction in overheads and other costs etc. The Company has successfully completed crushin for Sugar season 2020-21 in all of its three sugar mills with better operational performance.

Recognizing the status of the sugar industry, the state and central governments have taken a number of measures to improve th financial health, support for liquidation of cane arrears, fixing minimum obligation for exports to manage the sugar inventory and providing subsidy to compensate export expenses, fixing minimum support price of sugar, and mandatory blending of ethanol with petrol with long term tendering and providing remunerative price of ethanol etc. All these measures have resulted in revival of the sugar industry and the financial performance of the company has also improved during the year. Further, pursuant to an order o Hon'ble High Court of Uttar Pradesh, the Uttar Pradesh sugar industry as well as the Company is confident to receive accrued benefit from the state government under the erstwhile New Sugar Industrial Promotion Policy (NSIPP 2004-09).

On account of delays in servicing of loans, certain lenders to the Company have initiated recovery proceedings at various forum: including filing of applications before the Hon'ble National Company Law Tribunal (NCLT) under the Insolvency and Bankruptcy Code 2016 and approached Debt Recovery Tribunals in Delhi and Uttar Pradesh as well. Against a criminal complaint filed by one of the lenders with the investigating agency, the Enforcement Directorate had passed an attachment order on certain assets of the Company to the extent of Rs. 109.80 Crore, against which the Company has preferred an appeal with the appropriate authority and the matter is sub-judice. Enforcement Directorate had proceeded to take the constructive possession of the attached property on which an interio stay has been granted by the Hon'ble Appellate Tribunal.

The Company is continuing to pursue a comprehensive debt resolution proposal with all the lenders. The majority of commercia lenders have shown their inclination to accept the debt resolution proposal and accepted the Earnest Money offered thereof while Deb realignment proposal is submitted with other lenders. Considering the steps initiated for achieving turnaround of the Company and sugar sector, ongoing discussions with the lenders for resolution of their dues and continuing manufacturing operations in nea foreseeable future with improved operational efficiency, these financial statements are continued to be presented on going concer basis, which contemplates realization of assets and settlement of liabilities, in the normal course of business

The Company has considered the potential impact of spread of Coronavirus Disease (COVID-19), throughout the country, in preparation of financial results for the quarter and year ended March 31, 2021 based on the information available to it up to the date of approval of these financial results. However, the impact of COVID-19 as well as negative outlook of sugar sector on the carrying amount of its property, plant and equipment's and consequential impairment could not be ascertained and provided for due to non-availability of requisite information on account of lockdown restrictions.

The impact of COVID-19 may differ from what has been assessed by the Management as at the date of approval of these financial results. The Company will continue to closely monitor any material change in future economic conditions and take appropriate actio as may be required.

- The credit facilities availed by the Company have been classified as non-performing assets (NPA) by all the lenders and interest thereon is not being charged to the loan accounts by commercial lenders as per RBI's circular. The Company has submitte comprehensive debt resolution proposals with all the lenders to commensurate with its future cash flows. The majority of commercia lenders have shown their inclination to accept the debt resolution proposal (OTS Proposal) of the Company and accordingly accepted the offered Earnest Money Deposit. Accordingly, the Interest expenses pertaining to commercial lenders, for the quarter and year ended March 31, 2021 amounting to Rs. 4,295 lacs and Rs. 15,461 lacs respectively (previous quarter and year ended March 31, 2020 amounting to Rs. 3,430 lacs and Rs 13,146 lacs respectively) has not been recognized in profit and loss account. A total amount of Rs 52,916 lacs towards accrued interest has not been provided for in the books of accounts as on March 31, 2021.
- The Hon'ble High Court of Uttar Pradesh had directed the state government to determine the interest liability for the period of delayer payments of sugarcane price to cape growers for sugar seasons 2012-13 to 2014-15 by the UP sugar industry. No demand, pursuar to the order and for subsequent period has since been received by the Company. Considering this and also prevalent past practices no such provision towards the interest on delayed payment of cane price has been made in the accounts.
- In the audited financial statements of Simbhaoli Power Private Limited ('SPPL') for the year ended March 31, 2020, the statutor auditor of the SPPL has drawn Emphasis of Matter in respect of following "During the year ended March 31, 2020, Uttar Pradesl Electricity Regulatory Commission ('UPERC') has notified UPERC (Captive and Renewable Energy Generating Plants) Regulations 2019 ('CRE Regulations, 2019') which has, inter alia, reduced the tariff applicable to bagasse-based generation plants operating in the state of Uttar Pradesh w.e.f.
