NOTICE OF THE 22ND ANNUAL GENERAL MEETING

To
The Members of BF Utilities Limited,

NOTICE is hereby given that the Twenty Second Annual General Meeting of the Members of BF Utilities Limited will be held on Thursday, the 29th day of September, 2022, at 11:00 a.m. Indian Standard Time (IST) through Video Conference ("VC") / Other Audio Visual Means ("OAVM") facility, to transact the following business:

ORDINARY BUSINESS:

1. To consider and adopt :
 - a) the audited standalone financial statements of the Company for the Financial Year ended March 31, 2022, the reports of the Board of Directors and Auditors thereon.
 - b) the audited consolidated financial statements of the Company for the Financial Year ended March 31, 2022 and the report of the Auditors thereon.
2. To appoint a Director in place of Mr. A. B. Kalyani (DIN: 00089430), who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

3 : APPOINTMENT OF MR. B S. MITKARI (DIN :03632549) AS A WHOLE TIME DIRECTOR

To consider and if thought fit, to pass with or without modification(s), the following Resolution as a Special Resolution :

"RESOLVED THAT pursuant to the provisions of Sections 196, 197, proviso to Item (A) of Section II of Part II of Schedule V and all applicable provisions of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 [including any statutory modification(s) or re-enactment(s) thereof for the time being in force], Mr. B. S. Mitkari [DIN: 03632549] be and is hereby re-appointed as a Whole-time Director and CEO of the Company ("Whole-time Director") for a period of 3 (Three) years with effect from April 1, 2022 upto March 31, 2025, on the following terms and conditions including remuneration:

I. SALARY:

A salary, (consisting of Basic Salary and all other allowances other than House Rent Allowance) of Rs.7,49,000/- (Rupees Seven Lakh Forty Nine Thousand Only) Per Month in the grade of Rs.7,00,000/- (Rupees Seven Lakh Only) to Rs.12,00,000/- (Rupees Twelve Lakh Only), with the authority to the Board to determine the salary and grant such increases in salary and/or allowances by whatever name called from time-to-time within the aforesaid limit.

II. PERFORMANCE INCENTIVE:

Performance Incentive upto an amount of Rs.60,00,000/- (Rupees Sixty Lakh only) per annum, as may be decided by the Board, subject to the applicable provisions, if any, of Schedule V of the Companies Act, 2013.

III. PERQUISITES:

Perquisites are classified into three categories 'A', 'B' and 'C' as follows:

CATEGORY 'A'

This will comprise house rent allowance, leave travel concession, medical reimbursement, fees of clubs and personal accident insurance. These may be provided as under:

- a) House Rent Allowance:
The Whole time Director shall be entitled to house rent allowance of 50% of the Basic Salary.
- b) Medical Reimbursement:
As per the rules of the Company.
- c) Leave Travel Concession:
For the Whole time Director and his family equivalent to one month's Basic Salary.

d) Club Fees:
Fees of clubs as per the rules of the Company.

e) Personal Accident Insurance:
As per the rules of the Company.

Explanation:

For the purpose of category 'A', 'Family' means the spouse, the dependent children and dependent parents of the Whole time Director.

CATEGORY 'B'

- a) Contribution to Provident Fund, Superannuation Fund or Annuity Fund will not be included in the computation of the ceiling on perquisites to the extent these either singly or put together are not taxable under the Income Tax Act, 1961.
- b) Gratuity to be paid as per the Rules of the Company.
- c) Encashment of leave at the end of the tenure or otherwise.
- d) Retirement and other benefits as per the Rules of the Company.

CATEGORY 'C'

Provision of car for use on Company's business and telephone will not be considered as perquisites. Use of car for private purpose shall be billed by the Company to the Whole time Director.

Notwithstanding anything mentioned herein, where in any Financial Year during the currency of tenure of the Whole-time Director, the Company has no profits or its profits are inadequate, the Company will pay him remuneration by way of salary, Performance Incentive and perquisites specified above, which is as per the proviso to Item (A) of Section II of Part II of Schedule V of the Companies Act, 2013 and the rules made thereunder.

4. Re-appointment of Mr. Shrikrishna K. Adivarekar as an Independent Director of the Company

To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution :

"RESOLVED THAT pursuant to the provisions of Sections 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment thereof for the time being in force), Mr. Shrikrishna K. Adivarekar (DIN 06928271 and IDDB Registration No. IDDB-DI-202002-012411), who has submitted a declaration that he meets the criteria for independence as prescribed in Section 149(6) of the Act and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in respect of whom the Company has received a notice in writing from a member proposing his candidature for the office of Director, be and is hereby re-appointed as an Independent Director of the Company to hold office for a Second Term of 3 (Three) consecutive years with effect from May 30, 2023 to May 29, 2026."

By Order of the Board
For BF Utilities Limited

B. S. Mitkari
Company Secretary
Membership No.FCS/3237

Place : Pune
Date : 28th June, 2022

NOTES :

1. In view of the outbreak of COVID-19 pandemic, social distancing measures are a pre-requisite and in terms of Ministry of Corporate Affairs ("MCA") in continuation to previous Circular No. 20/2020 dated 5th May, 2020, Circular No. 02/2021 dated 13th January, 2021, Circular No. 21/2021 dated 14th December, 2021, further extended the relaxation vide Circular dated 5th May 2022 ("MCA Circulars") and The Securities and Exchange Board of India ("SEBI") has also issued circular in continuation to previous Circular dated 12th May, 2020, further extended the relaxation vide Circular dated 15th January, 2021 and 13th May, 2022, which does not require physical presence of the Members at common venue, In view of this, the Twenty Second Annual General Meeting (AGM) is being conducted through Video Conference ("VC")/ Other Audio Visual Means ("OAVM"). The deemed venue for the AGM shall be the Registered Office of the Company.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.bfutilities.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circulars issued in this behalf.
8. in case of any change of address or queries relating to their shares please contact to R & T Agent Link Intime India Pvt. Ltd. at the address given in the Annual Report
9. Members holding more than one share in the same name or joint names in the same order but under different ledger folios are requested to apply for consolidation of such folios into a single folio and accordingly send a request letter duly signed by the shareholder and the relevant share certificates alongwith the self-attested copy of Permanent Account Number (PAN) card and Aadhar card to the Company, to enable us to consolidate all such multiple folios into one single folio.
10. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act, will be available for electronic inspection for the Members without any fee from the date of circulation of this Notice upto the date of AGM, i.e. 29th September, 2022. Members seeking to inspect can send an e- mail to secretarial department of the Company at Secretarial@bfutilities.com.
11. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
12. SEBI vide its circular No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 has mandated that w.e.f. April 1, 2019 except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository. In light of same, shareholders are requested to kindly convert their physical shares in Demat form to avoid hassle in transfer of shares.

13. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company's Registrar and Share Transfer Agent, Link Intime India Pvt. Ltd. ("Registrar" or "RTA") at the address given in Annual Report for assistance in this regard.
14. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on Monday, 26th September, 2022 at 9:00 A.M. and ends on Wednesday, 28th September, 2022 at 5:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Thursday, 22nd September, 2022, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 22nd September, 2022.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	<ol style="list-style-type: none"> Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsd.com either on a Personal Computer or on a mobile. Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
6. If you are unable to retrieve or have not received the " Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details/Password?**"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) "**Physical User Reset Password?**" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to cs@svdandassociates.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "[Forgot User Details/Password?](#)" or "[Physical User Reset Password?](#)" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to Ms. Sarita Mote, Assistant Manager at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to Secretarial@bfutilities.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to Secretarial@bfutilities.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. [Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.](#)
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. [In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.](#)

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE 22nd AGM ARE AS UNDER:-

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not

casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.

3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.

Pune Power Developers Ltd.	Non-Executive Director	NA	NA
Saarloha Advanced Materials Private Ltd.	Non-Executive Director	NA	NA
Kalyani Global Engineering Pvt,Ltd.	Non-Executive Director	NA	NA

In view of the provisions of the Companies Act, 2013, the Company seeks consent of the members by way of a Special Resolutions for Appointment of Mr. B. S. Mitkari as a Whole Time Director for a period of three (3) years.

Accordingly, the Board recommends the Resolution set out at Item No.3 of the Notice, for the approval of the members of the Company.

Mr. Mitkari is not disqualified from being appointed as Director in terms of Section 164 of the Companies Act, 2013.

The Board is of the opinion that he fulfils the conditions specified in the Companies Act, 2013 and rules thereof and also possesses appropriate balance of skills, experience and knowledge so as to enable the Board to discharge its functions and duties effectively. The Board considers that his experience and expertise would be of immense benefit to the Company.

Mr. Mitkari does not hold any shares in the Company.

Except Mr. B. S. Mitkari, being appointee, none of the Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the Resolutions set out at Item No.3 of the Notice.

Item No. 4

The members at their Eighteenth Annual General Meeting held on September 25, 2018, had appointed Mr. Shrikrishna K. Adivarekar, as an Independent Directors of the Company for the period of 5 (Five) consecutive years with effect from May 30, 2018 to May 29, 2023.

Pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment thereof for the time being in force), it is proposed to re-appoint Mr. S. K. Adivarekar as an Independent Director of the Company.

The Company has received a declaration in writing from Mr. Adivarekar that he meet the criteria of independence as provided in Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has received notice in writing from members as per Section 160 of the Companies Act, 2013, proposing the candidature of Mr. Shrikrishna K. Adivarekar as an Independent Director of the Company.

In view of the same, pursuant to Section 149 (10) of the Companies Act, 2013, the fresh approval of the members is sought by way of Special Resolutions for the re-appointment of Mr. Shrikrishna K. Adivarekar as an Independent Director of the Company for a Second Term of 3 (Three) consecutive years with effect from May 30, 2023 to May 29, 2026.

In the opinion of the Board, Mr. Shrikrishna K. Adivarekar fulfill the conditions specified in the Companies Act, 2013 and rules made thereunder and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for his re-appointments as an Independent Director of the Company.

The Board is of the opinion that his association would be of immense benefit to the Company and it is desirable to avail his services as an Independent Director on the Board of the Company. Brief Profiles of Mr. Shrikrishna K. Adivarekar along with requisite information pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 along with the skills and capabilities required for the role as Independent Director, is enclosed herewith as Annexure - A.

Accordingly, the Board recommends the Special Resolutions set out at Item No.4 of the Notice, for the approval of the members of the Company.

Except Mr. Shrikrishna K. Adivarekar, being appointee, none of the Directors and Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the resolutions set out at Item No.4 of the Notice.

By Order of the Board
For BF Utilities Limited

B. S. Mitkari
Company Secretary
Membership No.FCS/3237

Place : Pune
Date : 28th June, 2022

CORPORATE GOVERNANCE REPORT

(Pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, herein after called "Regulations, 2015")

1. Company's Philosophy on Corporate Governance

The Securities and Exchange Board of India (SEBI) has prescribed a set of standards on corporate governance for the listed companies.

The Company has included a compliance report on Corporate Governance in its Annual Report in the spirit of transparency in management and best board practices. This Chapter of the report, plus the information given under 'Management Discussion and Analysis' and 'Shareholder Information' constitute such a compliance report on corporate governance during 2021-22.

The Company has adhered to the requirements stipulated under Regulations 17 to 27 read with Para C and D of Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') as applicable with regard to Corporate Governance.

2. Board of Directors

Composition of the Board

The Company has an active, experienced, diverse and a well-informed Board. The Board along with its Committees undertakes its fiduciary duties keeping in mind the interests of all its stakeholders and the Company's Corporate Governance philosophy. The Board periodically evaluates the need for change in its composition and size.

In terms of Regulation 17 of the SEBI Listing Regulations, at least 50% of the Board should comprise Non-Executive Independent Directors with at least one Woman Director. Out of total 6 Directors as on March 31, 2022, the Non-Executive Independent Directors constitute 50.00% of the Board. The Company has one Women Director on the Board as on the said date who is holding her office as Non-Executive Independent Director.

Detailed profile of the Directors is available on the Company's website at <http://www.bfutilities.com/Board%20of%20Directors.html>

The Board met seven (7) times during FY 2021-22 on the following dates:

- June 14, 2021
- August 11, 2021
- November 11, 2021
- February 14, 2022
- June 30, 2021
- August 20, 2021
- February 11, 2022

The gap between two Meetings did not exceed 120 days and the Meetings were conducted in compliance with all applicable laws. The necessary quorum was present for all the Board Meetings.

Category and Attendance of Directors:

The category of Directors, attendance at Board Meetings held during the financial year under review, the number of Directorships and Committee Chairpersonships/Memberships held by them in other public limited companies and Directorships held by them in other listed entities as on March 31, 2022 are as follows:

Board Procedure

For seamless scheduling of Meetings, the calendar of Meetings of the Board and Committees is circulated and agreed upon at the beginning of the year.

The Company Secretary tracks and monitors the Board and Committee proceedings to ensure that the terms of reference/charters are adhered to, decisions are properly recorded in the minutes and actions on the decisions are tracked. The terms of reference/charters are amended and updated from time to time in order to keep the functions and role of the Board and Committees at par with the changing statutes. Meeting effectiveness is ensured through clear agenda, circulation of material in advance and as per statutory timelines, detailed presentations at the Meetings.

The Board plays a critical role in the strategy development of the Company. To enable the Board to discharge its responsibilities effectively and take informed decisions, the CEO apprises the Board on the overall performance of the Company every quarter.

The Board periodically reviews the strategy, annual business plan, business performance of the Company. Amongst other things, the Board also reviews the compliance reports of the laws applicable to the Company, internal financial controls and financial reporting systems, adoption of quarterly/half-yearly/annual results, minutes of the Meetings of the Audit and other Committees of the Board.

In addition to the information required under Regulation 17(7) read with Part A of Schedule II of the SEBI Listing Regulations which is required to be placed before the Board, the Directors are also kept informed of major events.

Independent Directors

The Company currently has 3 Non-Executive Independent Directors (including 1 Woman Director) which comprise 50.00% of the total strength of the Board of Directors.

During the year under review, Ms. Aarti A. Sathe was reappointed as Director for the 2nd term of 5 years, none of the Independent Director(s) of the Company resigned.

All Independent Directors are Non Executive Directors as defined in Regulations 16(1) of SEBI (LODR).

Independence of Directors

The Company has received a declaration from the Independent Directors confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Act read with Regulation 16(1)(b) of the SEBI Listing Regulations. In terms of Regulation 25(8) of the SEBI Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstances or situations which exist or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

In the opinion of the Board, the Independent Directors fulfil the conditions of independence specified in the Act and the SEBI Listing Regulations and are independent of the management.

Further, the Independent Directors have in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014, confirmed that they have enrolled themselves in the Independent Directors' Databank maintained with the Indian Institute of Corporate Affairs ('IICA'). They are exempt from the requirement to undertake the online proficiency self-assessment test conducted by IICA.

Meeting of Independent Directors

During the year under review, one (1) meeting of the Independent Directors of the Company was held on February 11, 2022 as required under Schedule IV to the Act (Code of Independent Directors) and Regulation 25(3) of the SEBI Listing Regulations. At their Meeting, the Independent Directors reviewed the performance of Non-Independent Directors and the Board as a whole including the Chairman of the Board after taking the views of other Non-Executive Directors and also assessed the quality, quantity and timeliness of flow of information between the Company's management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

The Meeting was attended by all the Independent Directors as on that date and Mr. B. B. Hattarki chaired the said Meeting.

Terms and Conditions of appointment of Independent Directors

All the Independent Directors of the Company have been appointed as per the provisions of the Act and the SEBI Listing Regulations. Formal letters of appointment are issued to the Independent Directors after their appointment by the Members. As required by Regulation 46 of the SEBI Listing Regulations, the terms and conditions of their appointment have been disclosed on the website of the Company at <http://www.bfutilities.com/pdfs/Terms%20of%20Appointment%20of%20Independent%20Directors.pdf>

Induction and Familiarisation Programme for Directors

The Company has a familiarisation programme for its Independent Directors. The objective of the programme is to familiarise the Independent Directors to enable them to understand the Company, its operations, strategies, business, functions, policies, industry and environment in which it functions and the regulatory environment applicable to it. These include orientation programme upon induction of new Directors as well as other initiatives to update the Directors on a continuous basis.

Pursuant to Regulation 25(7) of the SEBI Listing Regulations, the Company imparted various familiarisation programmes to its Directors.

Pursuant to Regulation 46 of the SEBI Listing Regulations, the details of such familiarisation programme during FY 2021-22 are available on the website of the Company at <http://www.bfutilities.com/pdfs/Familiarisation%20Programme%20for%20Independent%20Directors.pdf>

Appointment/Re-appointment of Directors

As required under Regulation 26(4) and Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standards - 2 on General Meetings issued by the Institute of Company Secretaries of India, particulars of Directors seeking appointment/re-appointment at this AGM are given in the Notice of the AGM which forms part of this Integrated Annual Report.

Code of Conduct

The Company has formulated Code of Conduct for its Directors, Senior Management Personnel and other Executives which is available on the website of the Company at <http://www.bfutilities.com/Code%20of%20conduct.html>

The Board has also adopted a Code of Conduct for Non-Executive Directors, which incorporates the duties of Independent Directors as laid down in Schedule IV to the Act ('Code for Independent Directors') and Regulation 17(5) of the SEBI Listing Regulations and the same is available on the website of the Company at <http://www.bfutilities.com/pdfs/Code%20of%20Conduct.pdf>

As on March 31, 2022, all the Board Members and Senior Management of the Company have affirmed compliance with their respective Codes of Conduct. A declaration to this effect duly signed by the CEO forms part of this Report.

Apart from reimbursement of expenses incurred in discharging their duties and the remuneration that the Directors would be entitled under the Act as Non-Executive Directors, except for Mr. B. N. Kalyani and Mr. A. B. Kalyani (being promoters) none of the Directors have any other material pecuniary relationships or transactions with the Company, its Promoters, its Directors or its Senior Management during the two immediately preceding financial years.

Senior Management of the Company have made disclosures to the Board confirming that there are no material, financial and/or commercial transactions between them and the Company which could have potential conflict of interest with the Company at large

3. Audit Committee

The Audit Committee's role is to assist the Board fulfil its Corporate Governance and overseeing responsibilities in relation to the Company's financial reporting process carried out by the Management, internal control system, risk management system and internal and external audit functions. The Audit Committee functions according to its terms of reference that defines its composition, authority, responsibilities and reporting functions. All the items listed in Section 177 of the Act and Regulation 18(3) read with Part C of Schedule II of the SEBI Listing Regulations are covered in its terms of reference.

- xviii.) Reviewing, with the management, the quarterly financial statements before submission to the Board for approval;
- xix.) Reviewing the adequacy of internal audit function, if any, including the structure of the Internal Audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- xx.) Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularities or failure of internal control systems of a material nature and reporting the matter to the Board;
- xxi.) To look into the reason for substantial default in the payment to the depositors, debenture holders, shareholders (in case of non payment of declared Dividends) and creditors;
- xxii.) To review the functioning of the whistle blower mechanism;
- xxiii.) Approval of appointment of CFO (i.e. the whole time finance Director or any other person heading the finance function or discharging that function) after accessing the qualifications, experience and background, etc. of the candidate;
- xxiv.) Carrying out any other function as is mentioned in the terms of reference of audit committee.
- xxv.) To consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.

Further, pursuant to Regulation 18(2)(c) of the SEBI Listing Regulations, the Audit Committee is empowered to investigate any activity within its terms of reference, seek information it requires from any employee, obtain outside legal or other Independent professional advice and secure attendance of outsiders with relevant expertise, if considered necessary. Apart from the above, the Audit Committee also exercises the role and powers entrusted upon it by the Board of Directors from time to time.

Meetings Held

During FY 2021-22, seven (7) Meetings of the Audit Committee were held on the following dates:

- June 14, 2021
- August 11, 2021
- November 11, 2021
- February 14, 2022
- June 30, 2021
- August 20, 2021
- February 11, 2022

The gap between two Meetings did not exceed 120 days. Necessary quorum was present for all the Meetings of the Committee.

Composition and Attendance

Name of the Member	Category	No. of Meetings held during tenure	No. of Meetings attended
Mr. S. K. Adivarekar (Chairperson)	ID	7	7
Mr. A. B. Kalyani	NED	7	7
Mr. B. B. Hattarki	ID	7	7
Ms. A. A. Sathe	ID	7	2

ID - Independent Director; NED - Non-Executive Director

The Company Secretary acts as the Secretary to the Audit Committee. The composition of the Committee is in conformity with Section 177 of the Act and Regulation 18(1) of the SEBI Listing Regulations.

The Chairperson of the Audit Committee has one-on-one meetings both with the Internal Audit Team and the Statutory Auditors on a periodic basis to discuss key concerns, if any.

The Chief Executive Officer & Chief Financial Officer, Company Secretary, Statutory Auditor, Internal Auditor attend and participate in all the Meetings of the Committee. Internal Audit Reports are discussed. During the year under review, the Committee reviewed the key audit findings covering operational, financial and compliance areas, internal financial controls and financial reporting systems. The Committee reviewed Related Party Transactions. During the year under review, the Audit Committee reviewed the process and controls for Insider Trading and also adopted a framework for levying penalties in case of any violation under the Insider Trading Code.

The Chairperson of the Audit Committee briefs the Board at each Board Meeting about the significant discussions at the Audit Committee Meetings including the internal audit matters. The minutes of each of the Audit Committee Meetings are placed in the next Meeting of the Board after they are confirmed by the Committee.

Mr. S. K. Adivarekar, Chairperson of the Audit Committee, was present at the last e-AGM held on September 29, 2021.

4. Nomination and Remuneration Committee

The role of the Nomination and Remuneration Committee ('NRC') is to oversee the selection of Directors and Senior Management Personnel based on criteria related to the specific requirement of expertise and independence. The NRC evaluates the performance of Directors and Senior Management Personnel based on the expected performance criteria. The NRC also recommends to the Board the remuneration payable to Directors and Senior Management Personnel of the Company.

The Policy of the Company including the terms of reference is disclosed on the Company's website <http://www.bfutilities.com/pdfs/Nomination%20and%20Remuneration%20Policy.pdf>

Meetings Held

During FY 2021-22, one (1) Meetings of the NRC were held on the following dates:

- August 11, 2021

The necessary quorum was present for all the Meetings of the Committee.

Composition and Attendance

Name of the Member	Category	No. of Meetings held during tenure	No. of Meetings attended
Mr. B. B. Hattarki (Chairperson)	ID	1	1
Mr. A. B. Kalyani	NED	1	1
Mr. S. K. Adivarekar	ID	1	1

ID - Independent Director; NED - Non-Executive Director

Mr. B. B. Hattarki, Chairman of the NRC, was present at the last e-AGM held on September 29, 2021.

The composition and terms of reference of the NRC are in compliance with the provisions of Section 178(1) of the Act and Regulation 19 of the SEBI Listing Regulations.

The Chairman of the NRC briefs the Board at each Board Meeting about the significant discussions at the NRC Meetings.

Board and Director Evaluation

In terms of the requirement of the Act and the SEBI Listing Regulations, during the year under review, the Board has carried out an annual performance evaluation of its own performance, performance of the Directors as well as the evaluation of the working of its Committees. The exercise was led by the Chairman of the NRC along with the Chairman of the Board.

Criteria for Evaluation

The performance evaluation criteria for Independent Directors is determined by the Nomination and Remuneration Committee. An indicative list of factors on which evaluation was carried out includes participation and contribution by a director, commitment, effective deployment of knowledge and expertise, integrity and maintenance of confidentiality and independence of behaviour and judgement.

The procedure followed for the performance evaluation of the Board, Committees and Individual Directors is detailed in the Board's Report

Remuneration of Directors

The Company's philosophy for remuneration of Directors, Key Managerial Personnel ('KMP') and all other employees is to promote leadership, skill, development and innovation. The Company has adopted a Policy for remuneration of Directors, KMP and other employees, which is aligned to this philosophy.

The principles governing the Company's Remuneration Policy is provided in the Board's Report. The said Policy is also uploaded on the website of the Company at <http://www.bfutilities.com/pdfs/Nomination%20and%20Remuneration%20Policy.pdf>

Chief Executive Officer

The Company pays remuneration by way of salary, allowances (variable pay) to its Chief Executive Officer. Annual increments are recommended by the NRC and are effective April 1 each year.

10. Means of Communication

Stock Exchange Intimations

All submissions to the Stock Exchanges are made through the respective electronic filing systems. All unpublished price sensitive information, material events or information as detailed in Regulation 30 of the SEBI Listing Regulations are disseminated to the Stock Exchanges by filing them with the National Stock Exchange of India Limited ('NSE') through NEAPS and with BSE Limited ('BSE') through BSE Online Portal.

They are also displayed on the Company's website at <http://www.bfutilities.com/announcement.html>

Financial Results

The quarterly/half-yearly/annual financial results are published in the Financial Express (English) all India edition and Loksatta (Marathi), Pune edition. They are displayed under 'Investors' section of the Company's website viz.

<http://www.bfutilities.com/Financial%20-%20Results.html> They are also filed with the NSE through NEAPS and with BSE through BSE Online Portal.

Company's Website

The Company's website is in line with the requirements laid down under Regulation 46 of the SEBI Listing Regulations. The section on 'Investors' serves to inform the Members by giving complete financial details, annual reports, shareholding patterns, stock exchange intimations, Company policies, etc.

The proceedings of the 21st AGM held on September 29, 2021 are also available under the 'Investors' section

Transfer of unpaid dividend to Investor Education and Protection Fund (IEPF)

Pursuant to Section 124 of the Companies Act, 2013 and rules thereof, any money transferred to the Unpaid Dividend Account of a company, which remains unpaid or unclaimed for a period of seven years, shall be transferred by the Company to the Investor Education and Protection Fund (IEPF).

Since the Company has not declared any dividend in past, this clause is not applicable.

Transfer of equity shares to the Investor Education and Protection Fund (IEPF)

Pursuant to provisions of Section 124(6) of the Companies Act, 2013 and rules thereof as amended from time to time, all shares, in respect of which dividend has not been paid or claimed for seven consecutive years or more, shall be transferred by the company in the name of Investor Education and Protection Fund (IEPF) alongwith a statement containing such details as may be prescribed.

Since the Company has not declared any dividend in past, this clause is not applicable.

Procedure for dealing with unclaimed shares

Pursuant to Regulation 39(4) of the Listing Regulations, the Company had in past sent reminder letters to those shareholders, whose share certificates have returned undelivered by the postal authorities due to insufficient / incorrect information and are lying with the Company. These share certificates will be sent to eligible shareholders, if these shareholders submit necessary documents to the Company. The Company is in the process of dematerialising the unclaimed shares.

Nominations in respect of shares held in physical form / electronic form

Individual shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be vested in the event of death of the registered shareholder(s). The prescribed nomination form can be obtained from the Company or the Registrar and Share Transfer Agent.

Nomination facility for shares held in electronic form is available with the depository participant as per the bye laws and business rules applicable to NSDL and CDSL.

Business Hours: 10.00 a.m. to 3.30 p.m. (Monday to Friday)

Share Transfer Process

Effective April 1, 2019, requests for effecting the transfer of listed securities were required to be processed only in dematerialised form with a Depository.

The Company had stopped accepting any fresh transfer requests for securities held in physical form with effect from the said date. In order to address the issue of transfer requests filed prior to April 1, 2019 but rejected due to deficiency in documents, etc., the Company accepted transfer requests up to March 31, 2021 in accordance with SEBI Circular dated September 7, 2020. After March 31, 2021, the Company has stopped accepting any transfer requests.

Dematerialisation of holdings will, *inter alia*, curb fraud in physical transfer of securities by unscrupulous entities and improve ease, convenience and safety of transactions for investors. In view of the aforesaid, Members who are holding shares in physical form are hereby requested to dematerialise their holdings.

Secretarial Audit

M/s. SVD & Associates, Practising Company Secretaries (Firm Registration No.P2013MH075200), has conducted a Secretarial Audit of the Company for FY 2021-22.

The observations of Secretarial Auditors are given in the Directors' Report alongwith Board's explanations to the same.

In accordance with the SEBI Circular dated February 8, 2019 read with Regulation 24A of the SEBI Listing Regulations, the Company has obtained an Annual Secretarial Compliance Report from M/s. SVD & Associates, Practising Company Secretaries.

Pursuant to Regulation 40(9) of the SEBI Listing Regulations, certificates have been issued, on a yearly basis, by M/s. SVD & Associates, Company Secretary in practice, certifying due compliance of share transfer formalities by the Company.

Subhash Y. Joshi & Co., Chartered Accountant in practice has carried out a quarterly Reconciliation of Share Capital Audit, to reconcile the total admitted capital with NSDL & CDSL and the total issued and listed capital. The audit confirms that the total issued/ paid-up capital is in agreement with the aggregate of the total number of shares in physical form and the total number of shares in dematerialised form (held with NSDL and CDSL).

Certificate from Practising Company Secretary

Mr. Sunny Arun Warghade, Practising Company Secretaries, has issued a certificate confirming that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as Directors of Company's by SEBI/MCA or any such statutory authority. The said Certificate is annexed to the Director's Report.

Independent Auditor's Certificate on Compliance with the Corporate Governance requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Members
BF Utilities Limited

1. We have examined the compliance of conditions of Corporate Governance by BF Utilities Limited ('the Company'), for the year ended March 31, 2022, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") as amended from time to time.

Management's Responsibility

2. The Management is responsible for ensuring that the Company complies with the conditions of Corporate Governance. This responsibility also includes the design, implementation and maintenance of internal controls and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We conducted our examination in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India ("ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements issued by ICAI.

Opinion

7. Based on our examination as above and to the best of the information and explanations given to us and representations provided by the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46 (2) and paragraphs C, D and E of Schedule V of the Listing Regulations during the year ended March 31, 2022.

-
8. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on Use

9. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this Certificate for any events or circumstances occurring after the date of this Certificate.

**TO THE BOARD OF DIRECTORS OF BF UTILITIES LIMITED
CERTIFICATION BY CHIEF EXECUTIVE OFFICER/DIRECTOR AND
CHIEF FINANCIAL OFFICER OF THE COMPANY**

(under Regulation 17 read with Part B of Schedule II of SEBI
(Listing Obligations and Disclosure Requirements) Regulations, 2015)

We the undersigned, in our respective capacities as Director, Chief Executive Officer and Chief Financial Officer, of BF Utilities Limited, ("the Company") to the best of our knowledge and belief certify that :

- a) we have reviewed the standalone financial statements and the cash flow statements of BF Utilities Ltd. for the year 2021-22 and that to the best of our knowledge and belief:
 - i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii) these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b) There are, to the best of our knowledge and belief, no transactions entered into by BF Utilities Ltd. during the year 2021-22 which are fraudulent, illegal or violative of the Company's Code of Conduct.
- c) We accept responsibility for establishing and maintaining internal controls for financial reporting of BF Utilities Ltd. and that we have evaluated the effectiveness of the internal control systems of BF Utilities Ltd. pertaining to financial reporting and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- d) We have indicated to the Auditors and the Audit Committee, with respect to BF Utilities Ltd.:
 - i) significant changes in internal control over financial reporting during the year;
 - ii) significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statement; and
 - iii) instances of significant fraud of which we are aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

Inventory Turnover	NA	NA	NA
Interest Coverage Ratio	NA	NA	NA
Current Ratio	0.98	0.87	NA
Debt Equity Ratio	0.16	0.19	NA
Operating Profit Margin (%)	5.70%	-18.39%	NA
Net profit Margin (%)	11.32%	NA	NA

Details of any change in Return on Net Worth as compared to the immediately previous financial year:

Particulars	Standalone		Consolidated	
	2021-22	2020-21	2021-22	2020-21
Return on Net Worth (%)	2.14%	NA	129.51%	NA

Return on net worth is computed as net profit by average net worth. The details for change, if any, in return on net worth are explained in relevant sections above.

3. SHARE CAPITAL

The paid-up Equity Share Capital as on 31st March, 2022 stood at Rs.188.34 Million. During the year under review, the Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity. As on 31st March, 2022, none of the Directors of the Company hold instruments convertible into equity shares of the Company.

4. DIVIDEND

Your Directors do not recommend any dividend on the equity shares for the year ended 31st March, 2022.

5. MANAGEMENT DISCUSSION AND ANALYSIS

International Scenario

The global wind industry had its second-best year in 2021, with almost 94 GW of capacity added globally, trailing behind the 2020's record growth by only 1.8%.

Europe, Latin America and Africa & Middle East had record years for new onshore installations, but total onshore wind installations in 2021 was still 18% lower than the previous year.

Total global wind power capacity is now up to 837 GW, helping the world avoid over 1.2 billion tons of CO₂ annually.

Wind auction activities bounced back in 2021 with more than 88 GW of wind capacity awarded globally, 153% higher than in 2020.

Domestic Scenario

Wind power generation capacity in India has significantly increased in recent years. As of 31 May 2022, the total installed wind power capacity was 40.71 GW, the fourth largest installed wind power capacity in the world. Wind power capacity is mainly spread across the Southern, Western and Northern Western regions.

Company's Performance :

The Company ensures maximum capacity utilization by reducing machine downtimes. Preventive and regular maintenance of turbines is done to ensure machine availability. The Company is putting maximum efforts to reduce operating costs.

6. COMPANY PERFORMANCE

During the Financial Year under review, on a standalone basis, your Company earned total income of Rs.249.73 Mln. (previous years Rs. 170.19 Mln.). The net profit / (Loss) after tax is Rs.28.27 Mlns. (previous years Rs. (17.17) Mlns.).

During the Financial Year under review, on a consolidated basis, your Company earned total income of Rs.5342.09 Mln. (previous years Rs. 3,938.68 Mln.). The net profit / (Loss) after tax is Rs.931.36 Mlns. (previous years Rs.(220.94) Mlns.).

7. BUSINESS OVERVIEW AND OPERATIONS OF THE COMPANY

The working conditions for wind mill continue to be difficult. Despite such problems, the Company was able to generate 21.87 Million (Net) Units of power. The Company is making all efforts to maximize power generation and reduce costs.

8. FINANCE AND CREDIT RATING

During the year under review, the liquidity and cash positions were monitored with reinforced focus. Earnings from the cash surplus investments, comprising bank fixed deposits during the year saw a reduction due to the drop in the market interest rates. Nevertheless, utmost importance was given to ensure the safety and liquidity of surplus cash.

Your Company has not done any Credit Rating.

9. HUMAN RESOURCES

As on 31st March, 2022, the Company has 8 employees. The relations with Company's employees are cordial.

10. CONCERNS AND THREATS

- The Company operates in a highly regulated environment. Any change in Government Policies will adversely affect the operations of the Company.
- The Company depends on the service provider for operations and maintenance of Wind Turbines. Certain litigations against the earlier service providers are pending before the judicial / quasi judicial authorities. Unfavourable outcome of these litigations will adversely affect our operations.
- The Company has only one customer for sale of power.

11. PROSPECTS FOR THE CURRENT YEAR

The Company is taking all efforts to improve wind power generation, reduce cost and improve realization.

12. BUSINESS RESPONSIBILITY REPORT

Pursuant to the SEBI Listing Regulations, the Business Responsibility Report initiatives taken from an environmental, social and governance perspective in the prescribed format forms part of this Integrated Annual Report.

13. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal control systems to ensure operational efficiency and accuracy in financial reporting and compliance of various laws and regulations.

The internal control system is supported by the internal audit process. The internal audit is conducted by a Chartered Accountant in practice. The Audit Committee of the Board reviews the Internal Audit process and the adequacy and effectiveness of internal audit and controls periodically.

14. SAFETY, HEALTH AND ENVIRONMENT

The Company ensures safety of all its employees working at different places. Necessary safety gadgets are provided to the employees requiring the same.

15. CAUTIONARY STATEMENT

Statements in this Report, particularly those which relate to Management Discussion and Analysis, describing the Company's objectives, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied.

16. SUBSIDIARY COMPANIES

The Company has four subsidiary companies as on 31st March, 2022.

There has been no material change in the business of subsidiaries except as disclosed elsewhere in the Annual Report and accounts of Subsidiaries

The Company's Policy on determining material subsidiaries, as approved by the Board, is uploaded on the Company's website at <http://www.bfutilities.com/pdfs/Policy%20on%20Material%20Subsidiary.pdf>

A report on the financial position of each of the Subsidiaries as per the Act is provided in Form No. AOC-1 attached to the Financial Statements

The details are given in Annexure 'III'

17. PARTICULARS OF INFORMATION FORMING PART OF THE BOARD'S REPORT PURSUANT TO SECTION 134 OF THE COMPANIES ACT, 2013, RULE 8 OF THE COMPANIES (ACCOUNTS) RULES, 2014 AND RULE 5 OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014

The details are given in Annexure 'IV'

18. NUMBER OF MEETINGS OF THE BOARD

During the year under review, Seven Board Meetings were convened and held. The details of which are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013 and the Securities Exchange Board of India (Listing Obligations & Disclosure Requirements), Regulations 2015 hereinafter called "Regulations, 2015".

19. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirements of Section 134 (3) and (5) of the Companies Act, 2013, in respect of Directors' Responsibility Statement, your Directors' to the best of their knowledge and ability state that:

- a) in the preparation of the Annual Financial Statements for the year ended 31st March 2022, the applicable accounting standards have been followed along with the proper explanation relating to material departures;
- b) accounting policies as mentioned in Notes to the Financial Statements have been selected and applied consistently. Further judgments and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2022 and of the profit / loss of the Company for the year ended on that date;
- c) proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

- d) the Annual Financial Statements have been prepared on a going concern basis;
- e) proper internal financial controls were in place and that the financial controls were adequate and were operating effectively; and
- f) proper systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

20. A STATEMENT ON DECLARATION GIVEN BY INDEPENDENT DIRECTORS

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 read with Rule (6) of The Companies (Appointment and Qualifications) Rules, 2014 and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and also confirmed that they have complied with the Code of Independent Directors prescribed in Schedule IV of The Companies Act, 2013.

The Company has laid down a Code for the Board of Directors and Senior Management of the Company. The said Code is available on the website of the Company viz. <http://www.bfutilities.com/pdfs/Code%20of%20Conduct.pdf>

All the Board Members and Senior Management Personnel of the Company have affirmed compliance with the Code of Conduct.

21. COMPANY'S POLICY ON DIRECTORS' AND KMP'S APPOINTMENT AND REMUNERATION

Director's appointment and remuneration is done as per the policy for selection and appointment of Directors, Key Managerial Personnel and Senior Management Personnel and their remuneration. The Nomination & Remuneration Policy is available on Company's website <http://www.bfutilities.com/pdfs/Nomination%20and%20Remuneration%20Policy.pdf>

22. ACCOUNTS AND AUDIT

a. Statutory Auditors

M/s. G. D. Apte & Co. Chartered Accountant (Firm Registration No.100515W), are the auditors of the Company and will continue the audit for Financial year 2022-23. The Audit report of M/s. G. D. Apte & Co. on the Financial Statements of the Company for the Financial Year 2021-22 is a part of the Annual Report. The Report does not contain any qualification, reservation, adverse remark or disclaimer

b. Secretarial Audit

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s. SVD & Associates, Company Secretaries, Pune to undertake the Secretarial Audit of the Company for the year 2021-22. The Report of the Secretarial Audit is annexed herewith as Annexure 'V' to this Report. The Secretarial Audit Report of material subsidiary Nandi Infrastructure Corridor Enterprises Limited is enclosed in Annexure 'VI'

c. Cost Auditor

The cost audit rules are not applicable to the Company.

d. Consolidated Accounts

The Consolidated Accounts for the year ended 31st March, 2022 are enclosed. Further, a statement containing the salient features of the financial statements of subsidiaries in the prescribed Form AOC-1 is appended as Annexure to Note No.35 which forms part of this Report.

The Company will make the said financial statements and related detailed information available upon the request by any Member of the Company. These financial statements will also be kept open for inspection at the Registered Office of the Company. Pursuant to the provisions of Section 136 of the Companies Act, 2013, the financial statements of the Company, consolidated financial statements along with relevant documents and the financial statements of subsidiaries are available on the website of the Company at <http://www.bfutilities.com/Financial%20-%20Results.html> & <http://www.bfutilities.com/AnnualReports.html>

The Company has adopted a Policy for determining Material Subsidiaries in terms of Regulation 16(1)(c) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). The Policy, as approved by the Board, is uploaded on the Company's website at <http://www.bfutilities.com/pdfs/Policy%20on%20Material%20Subsidiary.pdf>

23. EXPLANATION ON COMMENTS ON STATUTORY AUDITORS' AND SECRETARIAL AUDITORS' REPORTS

There are no qualifications, reservations or adverse remarks or disclaimers made by M/s. G. D. Apte & Co., Statutory Auditors, in their Audit Report on standalone accounts and Consolidated Accounts. M/s. SVD &

Associates, Practicing Company Secretary, in their Secretarial Audit Report have made certain qualifications. The auditor's qualifications and Boards explanation thereto are summarized as under:

Auditors Qualifications	Boards' explanation
<p>A) Secretarial Audit - <i>As required under respective Regulations of LODR :</i></p> <p>1. <i>As per the revised CSR computation and e-Form CSR-2 filed by the Company there is no unspent amount of CSR obligation for the financial year 2020-2021 (said year) that is required to be transferred to the fund specified in Schedule VII, pursuant to the provisions of sub-section (5) of section 135 of the Act, as was disclosed in the Board's Report of the said year.</i></p> <p>2. <i>The Company has delayed in submission of consolidated financial results under Regulation 33 (3)(b) of LODR for the quarter ended June 30, 2021. Consequently, the Company received notices from BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) both dated September 14, 2021 imposing a fine of Rs.23,600/- each. The Company has duly paid the fine imposed.</i></p>	<p>The observation is self explanatory</p> <p>The delay was for reasons beyond the control of the Company.</p>

24. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENT UNDER SECTION 186

During the year, the Company has not made any investments, other than the Current Investments. The closing balances of investments which would be covered under Section 186 of the Companies Act, 2013, are disclosed in the Schedule of Non-Current Investments in the Financial Statements. The details of loans and guarantees, if any, are disclosed in the financial statement of 2021-22.

25. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES REFERRED TO IN SUB-SECTION (1) OF SECTION 188 OF THE COMPANIES ACT, 2013

Pursuant to the provisions of Section 134 of the Companies Act, 2013, read with Rule 8 (2) of the Companies (Accounts) Rules, 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business. Particulars are being provided in Form AOC - 2 in Annexure 'VII' Related Party Disclosures as per AS -18 have been provided in to Note No.29 to the Standalone Financial Statements.

The Company has formulated a Policy on Related Party Transactions which is available on the Company's website at <http://www.bfutilities.com/pdfs/Related%20Party%20Transactions%20Policy.pdf> . All related party transactions entered into during FY 2021-22 were on arm's length basis and in the ordinary course of business.

All transactions with related parties were reviewed and approved by the Audit Committee. Omnibus approval is obtained for related party transactions which are of repetitive nature and entered in the ordinary course of business and on an arm's length basis. A statement giving details of all related party transactions entered pursuant to omnibus approval so granted is placed before the Audit Committee on a quarterly basis for its review. The related party transactions entered into pursuant to the omnibus approval so granted are also reviewed by the internal audit team on a half-yearly basis.

The details of the transactions with related parties are also provided in the accompanying Financial Statements.

26. STATE OF COMPANY'S AFFAIRS

Discussion on state of Company's affairs has been covered in the Management Discussion and Analysis.

27. AMOUNTS PROPOSED TO BE CARRIED TO RESERVES

Particulars of the amounts proposed to be carried to reserves have been covered as part of the financial performance of the Company.

28. MATERIAL CHANGES AND COMMITMENTS BETWEEN THE DATE OF THE BALANCE SHEET AND THE DATE OF REPORT

There have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the Financial Year of the Company to which the Financial Statements relate and the date of the report, except as disclosed elsewhere in this report.

29. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Conservation of Energy and Technology Absorption

The particulars relating to conservation of energy, technology absorption, foreign exchange earnings and outgo, as required to be disclosed under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014 are annexed herewith as Annexure 'VIII' to this report.

30. DIVIDEND DISTRIBUTION POLICY :

In term of Regulations 43A of SEBI Listing Regulations, the Board of Directors of the Company has adopted a Dividend Distribution Policy which can be accessed on the website of the Company at <http://www.bfutilities.com/pdfs/Dividend%20Distribution%20Policy.pdf>

31. RISK MANAGEMENT POLICY

Risk Management at BF Utilities Ltd. forms an integral part of Management focus.

The Risk Management Committee oversees the risk management process in the Company. The RMC is chaired by an Independent Director and the Chairperson of the Audit Committee is also a member of the RMC.

Some of the risks identified are set out in the Management Discussion and Analysis and this report which forms part of this Integrated Annual Report.

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified are systematically addressed through mitigating actions on a continuing basis. These are discussed at the meetings of the Audit Committee and the Board of Directors of the Company.

32. CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Corporate Social Responsibility ('CSR') activities of the Company are governed through the Corporate Social Responsibility Policy ('CSR Policy') approved by the Board. The CSR Policy guides in designing CSR activities for improving quality of life of society and conserving the environment and biodiversity in a sustainable manner. The CSR Committee of the Board oversees the implementation of CSR Projects in line with the Company's CSR Policy. The CSR Policy is available on Company's website <http://www.bfutilities.com/pdfs/Corporate%20Social%20Responsibility%20Policy.pdf>

The Annual Report on CSR activities for FY 2021-22 is enclosed as 'Annexure I' to this Report.

33. PERFORMANCE AND FINANCIAL POSITION OF EACH OF THE SUBSIDIARIES, ASSOCIATES AND JOINT VENTURE COMPANIES:

The details are given in Annexure 'III'

34. CHANGE IN THE NATURE OF BUSINESS, IF ANY

There has been no change in the nature of business during the Financial Year under review.

35. DETAILS OF DIRECTORS OR KEY MANAGERIAL PERSONNEL WHO WERE APPOINTED OR HAVE RESIGNED DURING THE YEAR

Directors appointed during the year

Name of Director	Designation	Term of appointment
Mr. B. S. Mitkari	Director	Re-appointed with effect from 29 th September, 2021, subject to retirement by rotation

Independent Directors

The Company has received declarations from all the Independent Directors confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations and are independent of the management. In terms of Regulation 25(8) of the SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgement and without any external influence. The Board of Directors of the Company has taken on record the declaration and confirmation submitted by the Independent Directors after undertaking due assessment of the veracity of the same. They are not liable to retire by rotation in terms of Section 149(13) of the Act.

The Board is of the opinion that the Independent Directors of the Company possess requisite qualifications, experience and expertise in the fields of technology, strategy, finance, engineering and Law, etc. and that they hold highest standards of integrity

The Independent Directors of the Company have confirmed that they have enrolled themselves in the Independent

Directors' Databank maintained with the Indian Institute of Corporate Affairs ('IICA') in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014. They are exempt from the requirement to undertake the online proficiency self-assessment test conducted by IICA.

Details of Familiarisation Programme for the Independent Directors are provided separately in the Corporate Governance Report which forms a part of this Integrated Annual Report.

Key Managerial Personnel ('KMP')

In terms of the provisions of Section 2(51) and Section 203 of the Act, the following are the KMP of the Company:

- Mr. B. S. Mitkari CEO / CFO & Company Secretary

Employees designated as Key Managerial Personnel (KMP) during the year

NIL

Directors and KMP's resigned during the year

None of the Directors and KMPs resigned during the year ended March 31, 2022.

Procedure for Nomination and Appointment of Directors.

The NRC is responsible for developing competency requirements for the Board based on the industry and strategy of the Company. The Board composition analysis reflects in-depth understanding of the Company, including its strategies, environment, operations, financial condition and compliance requirements.

The NRC conducts a gap analysis to refresh the Board on a periodic basis, including each time a Director's appointment or re-appointment is required. The Committee is also responsible for reviewing the profiles of potential candidates vis-a-vis the required competencies and meeting the potential candidates, prior to making recommendations of their nomination to the Board. At the time of appointment, specific requirements for the position including expert knowledge expected is communicated to the appointee.

The list of core skills, expertise and competencies of the Board of Directors as are required in the context of the businesses and sectors applicable to the Company are identified by the Board and are available with the Board. The Company has also mapped each of the skills, expertise and competencies against the names of the Board Members possessing the same. The same is disclosed in the Corporate Governance Report forming part of this Integrated Annual Report.

Criteria for determining Qualifications, Positive Attributes and Independence of a Director

The NRC has formulated the criteria for determining qualifications, positive attributes and independence of Directors in terms of provisions of Section 178(3) of the Act and the SEBI Listing Regulations. The relevant information has been given in 'Annexure II' which forms part of this Report. The Policy on Nomination & Remuneration Policy is available on the website of the Company <http://www.bfutilities.com/pdfs/Nomination%20and%20Remuneration%20Policy.pdf>

Board Evaluation

The Board has carried out the annual evaluation of its own performance and that of its Committees and individual Directors for the year pursuant to the provisions of the Act and the SEBI Listing Regulations.

The performance of the Board and individual Directors was evaluated by the Board after seeking inputs from all the Directors. The criteria for performance evaluation of the Board included aspects such as Board composition and structure, effectiveness of Board processes, contribution in the long-term strategic planning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the Committee Members. The criteria for performance evaluation are broadly based on the Guidance Note issued by SEBI on Board Evaluation which included aspects such as structure and composition of Committees, effectiveness of Committee Meetings, etc.

The Chairman of the Board had one-on-one meetings with each Independent Director and the Chairman of the NRC had one-on-one meetings with each Executive and Non-Executive, Non-Independent Directors.

In a separate meeting, the Independent Directors evaluated the performance of Non-Independent Directors and performance of the Board as a whole including the Chairman of the Board. The NRC reviewed the performance of the Board, its Committees and of the Individual Directors. The same was discussed in the Board Meeting that followed the meeting of the Independent Directors and the NRC, at which the feedback received from the Directors on the performance of the Board and its Committees was also discussed.

The Company follows a practice of addressing each of the observations and suggestions by drawing up an action plan and monitoring its implementation through the Action Taken Report which is reviewed by the Board of Directors from time to time.

36. Directors proposed to be appointed and re-appointed at the ensuing Annual General Meeting

- 1) Mr. A. B. Kalyani (DIN : 00089430) retires by rotation at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment.
- 2) Re-appointment of Mr. B. S. Mitkari (DIN : 03632549) as a Wholetime Director of the Company
- 3) Re-appointment of Mr. Shrikrishna K. Adivarekar (DIN 06928271) as an Independent Director of the Company

The brief resumes and other details relating to Directors who are proposed to be re-appointed, as required to be disclosed under 'Regulations 2015', form part of the Notes and Statement setting out material facts annexed to the Notice of the Annual General Meeting.

37. NAMES OF COMPANIES WHICH HAVE BECOME OR CEASED TO BE ITS SUBSIDIARIES, JOINT VENTURES OR ASSOCIATE COMPANIES DURING THE YEAR

N.A.

ANNEXURE II TO THE DIRECTORS' REPORT

Criteria for Determining Qualifications, Positive Attributes and Independence of Directors

1. Definition of Independence

1. A director will be considered as an 'Independent Director' ('ID') if the person meets with the criteria for 'Independent Director' as laid down in the Companies Act, 2013 ('the Act') and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').
2. The definition of Independent Director is as provided in the Act and Listing Regulations.
3. Ex-employees of a Kalyani Group company may be considered as independent only if he/she has or had no pecuniary relationship with the Company (due to employment/receipt of monthly pension by way of Special Retirement Benefits/holding consultant or advisor positions) during the two immediately preceding financial years or during the current financial year.

2. Qualifications of Directors

1. Boards will ensure that a transparent board nomination process is in place that encourages diversity of thought, experience, knowledge, perspective, age and gender.
2. It is expected that boards have an appropriate blend of functional and industry expertise.
3. While recommending appointment of a director, it is expected that the Nomination and Remuneration Committee ('NRC') consider the manner in which the function and domain expertise of the individual contributes to the overall skill-domain mix of the Board.
4. IDs ideally should be thought/practice leaders in their respective functions/domains.

3. Positive attributes of Directors

Directors are expected to comply with duties as provided in the Act. For reference, the duties of the Directors as provided by the Act are as follows:

1. Act in accordance with the articles of the company.
2. Act in good faith in order to promote the objects of the company for the benefit of its members as a whole and in the best interests of the company, its employees, the shareholders, the community and for the protection of environment.
3. Exercise duties with due and reasonable care, skill and diligence and exercise independent judgement.
4. Not be involved in a situation in which he may have a direct or indirect interest that conflicts, or possibly may conflict, with the interest of the company.
5. Not achieve or attempt to achieve any undue gain or advantage either to himself or to his relatives, partners, or associates.
6. Not assign his office.

ANNEXURE V TO THE DIRECTORS' REPORT

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2022

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule no.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

And

[Pursuant to Regulation 24A of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015]

To,

The Members,
BF Utilities Limited,
Mundhwa, Pune Cantonment,
Pune 411 036

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **BF Utilities Limited** having CIN: L40108PN2000PLC015323 (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of:

- (i) The Companies Act, 2013, as amended from time to time (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment , External Commercial Borrowings and Overseas Direct Investment, wherever applicable;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (not applicable to the Company during the audit period);
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 upto August 12, 2021. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 with effect from August 13, 2021 (not applicable to the Company during the audit period);
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 upto August 15, 2021. The Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations 2021 with effect from August 16, 2021) (not applicable to the Company during the audit period);
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (not applicable to the Company during the audit period);
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 upto June 10, 2021. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulation, 2021 with effect from June 11, 2021 (not applicable to the Company during the audit period); and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (not applicable to the Company during the audit period).

(vi) The management has identified and confirmed the compliances of the following law as specifically applicable to the Company:

a) The Electricity Act, 2003

We have also examined compliance with the applicable clauses and regulations of the following:

- (i) Secretarial Standards issued by 'The Institute of Company Secretaries of India'; and
- (ii) The Listing Agreement entered into by the Company with Stock Exchange(s) pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015(LODR).

During the year under review, the company has complied with the provisions of the Act, rules, regulations, guidelines, standards etc. mentioned above subject to the following:

1. *As per the revised CSR computation and e-Form CSR-2 filed by the Company there is no unspent amount of CSR obligation for the financial year 2020-2021 (said year) that is required to be transferred to the fund specified in Schedule VII, pursuant to the provisions of sub-section (5) of section 135 of the Act, as was disclosed in the Board's Report of the said year.*
2. *The Company has delayed in submission of consolidated financial results under Regulation 33 (3)(b) of LODR for the quarter ended June 30, 2021. Consequently, the Company received notices from BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) both dated September 14, 2021 imposing a fine of Rs. 23,600/- each. The Company has duly paid the fine imposed.*

We further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Further, in the incidences where, for the purpose of any Board or Committee Meeting, notice, agenda or notes to agenda are circulated with shorter period of less than seven days, all the Directors including Independent Directors have consented to the shorter period of circulation of the same.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

ANNEXURE VI TO THE DIRECTORS' REPORT

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2022

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule no.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members

Nandi Infrastructure Corridor Enterprises Limited

No.1, Midford House, Midford Gardens

Off M.G. Road, Bangalore - 560 001, Karnataka

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Nandi Infrastructure Corridor Enterprises Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under; **(Not applicable to the Company as the Company is an Unlisted Public Company)**
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent applicable;
- (v) I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with other Acts, Laws, Policies and Regulations applicable specifically to the Company.
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **(Not applicable to the Company as the Company is an Unlisted Public Company)**
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; **(Not applicable to the Company as the Company is an Unlisted Public Company)**
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable to the Company as the Company is an Unlisted Public Company)**
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **(Not applicable to the Company as the Company is an Unlisted Public Company)**
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company as the Company is an Unlisted Public Company)**
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not applicable to the Company as the Company is an Unlisted Public Company)**
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company as the Company is an Unlisted Public Company)** and
 - h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 1998 **(Not applicable to the Company as the Company is an Unlisted Public Company).**

(vii) I have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by The Institute of Company Secretaries of India on Board Meetings (SS-1) and General Meetings (SS-2);
- b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR") read with the Listing agreements as entered by the Company with the Stock Exchanges. (Not applicable to the Company as the Company is an unlisted public company).

We have not examined compliance by the Company relating to the applicable financial laws, such as direct and indirect tax laws, since the same have been subject to review by statutory financial audit and other designated professionals.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors during the Audit Period. The changes in the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings. Agenda and detailed notes on agenda were sent in advance of the meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as per the minutes, as duly recorded and signed by the Chairman of the meeting of the Board of Directors or Committees of the Board;

I further report that:

There are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

No.

4. Did your Company carry out any consumer survey/ consumer satisfaction trends?

No.

Standalone Financial Statements

INDEPENDENT AUDITORS' REPORT

To
The Members of
BF Utilities Limited,
Pune.

Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the accompanying standalone financial statements of BF Utilities Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including other comprehensive income), statement of Changes in Equity and statement of Cash Flows for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the Standalone Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

3. Emphasis of Matter

We draw attention to the following matters in the Notes to the Standalone Financial Statements:

- a) Certain litigations by and against the Company and subsidiaries of the Company are pending in various Courts and the matter is subjudice. The company shall review and if required carry out necessary accounting adjustments after the final outcome of the cases.
- b) The Subsidiaries viz. Nandi Infrastructure Corridor Enterprises Ltd. (NICE) and Nandi Economic Corridor Enterprises Ltd. (NECE) have not yet submitted their audited financial statements for the year ended March 31, 2022 to the Company. The Company will publish consolidated financial statements, once the audited financial statements are made available by the subsidiary companies.

Our opinion is not modified in respect of these matters.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter given below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matter to be communicated in our report.

Sr. no.	Key Audit Matter	Auditor's response
1.	Management's judgement in respect of Impairment testing of investment in Subsidiary having negative net worth Nandi Economic Corridor Enterprises Ltd. (NECE), which is subsidiary of the company, is in the process of finalising the accounts for the financial year ended 31st March, 2022. However, negative net worth is observed based on the information available with the company.	The audit procedures that were performed are as under: <ul style="list-style-type: none">● We have reviewed the reasonableness of the projected revenue, expenses, and the net present value of the cash flows (NPV) of the subsidiary and discount rate involved on the basis of the projected financial statements.● We have also compared the NPV with carrying amounts of the asset in order to ascertain

Sr. no.	Key Audit Matter	Auditor's response
	Management of NECE has applied key judgements in estimating the discounted future cash flows. Considering the discounted future cash flows and explanations, the company's management is of the view that there is no impairment adjustment required in the value of investment in subsidiary company. Refer Note. 42 to the Standalone Financial Statement.	<p>adequacy of judgement of impairment testing.</p> <ul style="list-style-type: none"> ● Our procedures did not reveal any material concerns in respect of impairment testing of investment in subsidiary.

5. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Corporate Governance and Directors' Report, but does not include the Standalone Financial Statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this report.

Our opinion on the Standalone Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above and in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Upon reading of the other information made available to us, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

6. Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under Section 133 of the Act read with the companies (Indian Accounting Standards) Rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the Standalone Financial Statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

7. Responsibilities of Auditor for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also

responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Standalone Financial Statements and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matter

The standalone financial statements of the company for the year ended March 31, 2021 were audited by predecessor auditor viz. Joshi Apte & Co., Chartered Accountants who expressed an unmodified opinion on those statements vide their audit report dated June 14, 2021.

Our opinion is not modified in respect of this matter.

9. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1," a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2022, and taken on record by the Board of Directors, none of the director is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164 (2) of the Act.

-
- (f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report.
- (g) The managerial remuneration has been paid and provided in accordance with the provisions of Section 197 and Schedule V of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 24 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The management has represented that to the best of its knowledge or belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies) including foreign entities (intermediaries) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - v. The management has represented that to the best of its knowledge or belief, no funds have been received by the company from any other person(s) or entity(ies) including foreign entities (funding parties) with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - vi. Based on the audit procedures considered reasonable and appropriate in the circumstances carried out by us, nothing has come to our notice that has caused us to believe that the representation under clause (iv) & (v) contain any material misstatements.
 - vii. The Company has neither declared nor paid any dividend during the year.

ANNEXURE "1" TO THE INDEPENDENT AUDITORS' REPORT

(referred to in Paragraph 1 under the heading 'Report on Other Legal and Regulatory Requirements' section of our report to the members of the BF Utilities Ltd. of even date).

- i. (a) (A) The company has maintained proper records showing full particulars including quantitative details and situation of Property, plant and equipment.
(B) According to the information and explanations given to us and based on the examination of the records of the company, the company does not have any intangible assets as at March 31, 2022 and as such reporting under clause i(a)(B) of the Order is not applicable to the company.
- (b) The Company has carried out physical verification of significant items of its property, plant and equipment during the year and no materials discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets.
- (c) According to the information and explanations given to us and based on the examination of registered documents provided to us, we report that, the title deeds of immovable properties as disclosed in the Standalone Financial Statements, are held in the name of the Company, subject to correction in the revenue record in respect of land admeasuring 65.75 Acres situated at Boposhi, District Satara which is under litigation.
- (d) During the year, the Company has not revalued its Property, plant and equipment.
- (e) According to the information and explanations given to us, we report that no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) (1) The Company has carried out physical verification of inventories in the nature of spare parts during the year and no materials discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable.
(2) Based on the information and explanations provided to us and based on the audit procedures conducted by us, we report that, the inventories of renewable energy certificates (RECs) have been verified electronically on web portal of "Renewable Energy Certificate Registry of India" as at March 31, 2022, since the same are not physically verifiable, considering the nature of inventories. We report that, we did not observe any material discrepancies therein.
- (b) Based on the audit procedures conducted by us and according to the information and explanations given to us, we report that the Company has not been sanctioned any working capital limits from banks or financial institutions during the year. As such, reporting under paragraph 3 (ii)(b) of the Order is not applicable to the Company.
- iii. Based on the audit procedures conducted by us and according to the information and explanations provided to us, during the year the company has not made any investments in or has not provided any guarantee or security or has not granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. As such, reporting under paragraph 3 (iii) (a) to (f) of the Order are not applicable to the Company.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 of the Act. The provisions of section 186 of the Act, except sub-section 1 are not applicable to the Company being company providing infrastructural facilities as specified in Schedule VI to the Act. We further report that provisions of sub-section 1 of section 186 are complied with.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits to which the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules made there under apply. According to the information and explanations given to us, no order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- vi. The maintenance of cost records is not applicable to the company pursuant to the provisions of sub-section (1) of section 148 of the companies Act, 2013.
- vii. (a) The company is generally regular in depositing the undisputed statutory dues including provident fund, income tax, employees state insurance, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and services Tax, cess and other material statutory dues as applicable with appropriate authorities.

According to the information and explanations given to us and on the basis of examination of the books of account and the records of the Company, we report that there were no undisputed statutory dues as at the last day of the financial year which were outstanding for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of examination of books of account and records of the company, we report that there are no dues in respect of provident fund, income tax, employees state insurance, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and services Tax, cess and other material statutory dues which have not been deposited on account of any dispute.

viii. According to the information and explanations given to us and on the basis of examination of books of account and records of the company, we report that there are no transactions, which were not recorded in the books of account but have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- ix. (a) The company has not defaulted in repayment of interest free inter corporate loans repayable on demand. According to the information and explanations given to us, such loans have not been demanded for repayment. The company has not taken any loans from banks or financial institutions.

The company has not defaulted in repayment of other borrowings, being amount of Sales Tax Deferral obligation.

- (b) According to the information and explanations given to us and on the basis of examination of books of account and records of the company, we report that the company has not been declared to be a wilful defaulter by any lender.

- (c) According to the information and explanations given to us and on the basis of examination of books of account and records, the company has not availed term loans during the year. As such, reporting under clause 3(ix)(c) shall not be applicable.

- (d) During the year, the company has not raised any loans from banks or financial institutions and as such reporting under clause 3(ix)(d) is not applicable.

- (e) According to the information and explanations given to us and on the basis of examination of books of account and records, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

- (f) During the year, the company has not raised any loans on the pledge of securities held in any of its subsidiaries, and as such reporting under the clause 3(ix)(f) of the Order is not applicable.

- x. (a) During the year, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments). As such, reporting under clause 3(x)(a) is not applicable.

- (b) The company has not made any preferential allotment or private placement of shares during the year. As such reporting under clause 3(x)(b) is not applicable.

- xi. (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the Standalone Financial Statements and as per the information and explanations given by the management, we report that no fraud by the Company or any fraud on the company has been noticed or reported during the year.

- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

- (c) According to the information and explanations given to us, we report that, no whistle-blower complaints were received during the year by the company.

xii. The Company is not a Nidhi Company within the meaning of Section 406 of the Act. As such, reporting under clause 3 (xii) (a) to (c) is not applicable.

xiii. Based upon the audit procedures performed and as per the information and explanations given to us, we report that the transactions with the related parties are in compliance with Sections 177 and 188 of the Act where

applicable and the details as required by the applicable Indian Accounting Standards have been disclosed in the Standalone Financial Statements.

- xiv. (a) In our opinion, the internal audit system of the company is commensurate with the size and nature of its business.
- (b) The reports of internal auditors for the year under audit have been considered by us.
- xv. Based upon the audit procedures performed by us and according to the information and explanations given to us, we report that the Company has not entered into any non-cash transactions of the nature as described in Section 192 of the Act.
- xvi. (a) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, the provisions of clause (xvi (a)) of the Order are not applicable to the company.
- (b) The company has not conducted any Non-Banking Financial or Housing Finance activities during the year.
- (c) The Company would not be classified as a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) According to the information and explanation given to us, the group has two Core Investment Companies as defined in Core Investment Companies (Reserve Bank) Directions, 2016.
- xvii. On the basis of examination of books of account and records of the company and overall examination of the Standalone Financial Statements, we report that the Company has not incurred cash losses in the financial year 2021-22 or in the immediately preceding Financial Year 2020-2021.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3 (xviii) is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. In our opinion and according to information and explanation provided to us and based on the audit procedures carried out by us, we report that the Company is not required to incur expenditure on Corporate Social Responsibility (CSR) under section 135 of the Act, since the Company does not satisfy any of the criteria of applicability of CSR provisions as specified under section 135 of the Act. Accordingly reporting under clause 3(xx) of the Order is not applicable to the Company.

ANNEXURE "2" TO THE INDEPENDENT AUDITORS' REPORT

Annexure-2 to the Independent Auditor's Report of even date on the Standalone Financial Statements of the BF Utilities Ltd.

Report on the Internal Financial Controls with reference to Standalone Financial Statements under clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act").

To the Members of BF Utilities Limited

We have audited the internal financial controls with reference to **BF Utilities Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Responsibilities of Management for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Responsibilities of Auditor

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to Standalone Financial Statements

A Company's internal financial control over financial reporting with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to Standalone Financial Statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

Pune, 30 May, 2022

Pune, 30 May, 2022

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

Corporate Information:

BF Utilities Ltd. ("the Company" or "BFUL") is a public company domiciled in India and incorporated on 15 September, 2000 under the provisions of the Companies Act, 1956 ("the Act"). The Company's shares are listed on National stock exchange of India and BSE Limited. The Company is engaged in the generation of electricity through wind mills. The Company's CIN is L40108PN2000PLC015323. The registered office of the Company is located at BF Utilities Limited Mundhwa, Pune Cantonment, Pune 411 036, Maharashtra, India.

The standalone financial statements of the company for the year ended March 31st, 2022 were authorized for issue by the Board of Directors on 30 May, 2022.

1. Significant accounting policies :

a. Basis of preparation

The Standalone Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("the Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The Standalone Financial Statements have been prepared on an accrual basis and under historical cost convention, except Defined Benefit Plan - Plan assets and certain financial Assets & Liabilities which are measured at fair value (refer accounting policy regarding financial instruments). The accounting policies are consistently applied by the Company during the year and are consistent with those used in previous year except for the changes in accounting policies required to be made on adoption of Indian Accounting Standards notified under the Companies Act, 2013.

b. Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, including the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

This note provides an overview of the areas that involved a higher degree of judgement or complexity and of items which are likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

c. Critical estimates and judgements

Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Fair Value of Financial Instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. For further details about determination of fair value refer note 1(f).

Defined Benefit Plans

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates. Further details about defined benefit plans obligations are given in note 31.

Provisions

Provisions are determined based on the best estimate required to settle the obligation at the reporting date. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Estimate of current and deferred tax

The Company's tax charge on ordinary activities is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgement in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material profits/losses and/or cash flows.

The complexity of the Company's structure makes the degree of estimation and judgement more challenging. The resolution of issues is not always within the control of the Company and it is often dependent on the efficiency of the legal processes in the relevant taxing jurisdictions in which the Company operates. Issues can, and often do, take many years to resolve. Payments in respect of tax liabilities for an accounting period result from payments on account and on the final resolution of open items. As a result, there can be substantial differences between the tax charge in the statement of profit and loss and tax payments.

d. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

e. Functional and presentation currency

The Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). The standalone financial statements are presented in Indian rupee (Rs.) rounded off to nearest million (unless otherwise stated), which is the Company's functional and presentation currency.

f. Foreign currencies

Transactions and translations

Foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Exchange difference that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognized as income or expenses in the period in which they arise.

The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or statement of profit and loss are also recognised in OCI or statement of profit and loss, respectively).

g. Investment in subsidiaries

The Company has accounted for its investment in subsidiaries at cost less accumulated impairment, if any.

h. Fair value measurement

The Company measures financial instruments at fair value on initial recognition.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Standalone Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets. Involvement of external valuers is decided upon annually by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes. Please refer to Note No 27

- Disclosures for valuation methods, significant estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Financial instruments (including those carried at amortised cost)

i. Property, plant and equipment

Recognition and measurement

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). Internally manufactured property, plant and equipment are capitalised at cost, including non-cenvatable excise duty (blocked ITC credit under GST), wherever applicable. All significant costs relating to the acquisition and installation of property, plant and equipment are capitalised. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

Depreciation

The identified components are depreciated over their useful lives, the remaining asset is depreciated over the life of the principal asset.

Depreciation for identified components is computed on Straight Line Method ('SLM') except in respect of Furniture & Fixtures and Vehicles is computed on Written Down Value ('WDV') method based on useful lives estimated by the management.

The management estimates the useful lives for the assets as follows:

Assets	Useful lives
Building	60 Years
Plant & Machinery (Windmills) *	25 Years
Electrical Installation	10 Years
Testing Meters	5 Years
Furniture & Fixtures	10 Years
Tools and equipments	10 Years
Computers and mobile phones	3 Years
Office Equipments	5 Years
Vehicles	8 Years

Useful lives of the above assets are as per prescribed under Part C of Schedule II of the Companies Act, 2013.

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

*The Company, based on technical assessments made by technical experts and management estimates depreciates certain items of plant and machinery over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

De-recognition / Disposal

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

j. Intangible assets

Recognition and measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in statement of profit and loss in the period in which the expenditure is incurred.

Amortisation

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset, as provided by another Ind-AS.

De-recognition / Disposal

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the net carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred.

Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Such capitalized expenditure is reflected as intangible under development.

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

During the period of development, the asset is tested for impairment annually.

k. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from sales of electricity is recognized when all the significant risks and rewards of ownership have been passed to the buyer, usually on the basis of electricity wheeled into MSEB grid and jointly certified.

Income from Certified Emission Reduction (CERs) units and Renewable Energy Certificates (RECs) is recognised in the period of its actual sales.

Claims / Insurance Claim etc. are accounted for when no significant uncertainties are attached to their eventual receipt.

Interest income

Interest on fixed deposits with banks, bonds, etc., is recognised on a time proportion basis taking into account the amount outstanding and rate applicable. In case of significant uncertainty of receiving interest, the same is not recognised though accrued and is recognised only when received. Interest income from debt instruments is recognised using Effective Interest Rate method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instruments or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

Interest income is included in other income in the statement of profit and loss.

Profit / Loss of the sale / redemption of investments is dealt with at the time of actual sale / redemption.

Dividend income

Dividend income from investments is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend. Dividend income is included in other income in the statement of profit and loss.

I. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and is allocated to statement of profit and loss over the periods and in the proportions in which depreciation on those assets is charged.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

m. Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT)

MAT paid in a year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

n. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or development of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur.

o. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term unless the same is in line with inflation.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease unless the same is in line with inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

p. Inventories

Cost of inventories have been computed to include all cost of purchases, cost of conversion and other cost incurred in bringing the inventories of their present location and condition.

Stores and spares and loose tools are valued at lower of cost or net realisable value. However, materials and other items held for operation and maintenance of fixed assets are not written down below cost.

Costs are determined on unsold Certified Emission Reduction (CER) and Renewable Energy Certificate (REC) are considered as Inventory and valued on the basis of costs which are directly allocated to it. The cost is assigned to inventories on First in First Out (FIFO) basis. This CERs and RECs are valued at lower of cost or net realisable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

q. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cashflow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Intangible assets under development are tested for impairment annually. Impairment losses including impairment on inventories are recognised in the statement of profit and loss.

For the assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

of the asset does not exceed its recoverable amount, nor exceeds the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

r. Provisions

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value (unless the effect of time value of money is material) and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and contingent assets, if any, are disclosed in the notes to accounts.

s. Post-employment and other employee benefits

Post-employment benefits are employee benefits (other than termination benefits and short-term employee benefits) that are payable after the completion of employment.

Provident fund

Provident fund is a defined contribution plan covering eligible employees. The Company and the eligible employees make a monthly contribution to the provident fund maintained by the Regional Provident Fund Commissioner equal to the specified percentage of the basic salary of the eligible employees as per the scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully cover the same under cash accumulation policy of the Life Insurance Corporation of India. The employee's gratuity is a defined benefit funded plan.

The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet as asset/liability with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in statement of profit and loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs
- Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:
 - Service costs comprising of current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
 - Net interest expense or income

Superannuation

Superannuation is a defined contribution plan covering eligible employees. The contribution to the superannuation fund managed by the insurer is equal to the specified percentage of the basic salary of the eligible employees as per the scheme. The contribution to this scheme is charged to the statement of profit and loss on an accrual basis. There are no other contributions payable other than contribution payable to the respective fund.

Compensated Absences

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date.

Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the entire leave encashment liability as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for twelve months after the reporting date. Where the Company has the unconditional legal and contractual right to defer the settlement for a period beyond twelve months, the same is presented as non-current liability.

t. Financial instruments

The Company has elected to apply following exceptions/exemptions prospectively at the time of transition.

- Classification and measurement of financial assets have been done based on facts and circumstances existed on transition date.
- Elected to continue carrying value of equity instruments in subsidiaries, associates and jointly controlled entities as deemed cost on transition date.
- De-recognition of financial assets and financial liabilities have been applied prospectively.
- Applied the requirements of relating to accounting for difference between fair value of financial asset or financial liability from its transaction price of Ind-AS 109 prospectively.

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. For all equity instruments not held for trading, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are debt instruments and are measured as at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind-AS11 and Ind-AS 18
- d) Loan commitments which are not measured as at FVTPL
- e) Financial guarantee contracts which are not measured as at FVTPL

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss.

- The balance sheet presentation for various financial instruments is described below: Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables:

ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

- Debt instruments measured at FVTOCI:

Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings. For more information refer Note 11.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

u. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts and cash credit facilities as they are considered an integral part of the Company's cash management.

v. Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferral or accruals of past or future cash receipts or payments. The cash flows from regular operating, investing and financing activities of the Group are segregated.

w. Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

x. Dividend to equity holders of the Company

The Company recognises a liability to make cash or non-cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022 :

y. Segment reporting

Ind AS 108 'Operating Segments' requires Management to determine the reportable segments for the purpose of disclosure in financial statements based on the internal reporting reviewed by the Managing Director, being Chief Operating Decision Maker (CODM) to assess performance and allocate resource. The standard also required Management to make judgments with respect to recognition of segments.

z. Earnings per share

The Company reports basic and diluted earnings per share (EPS) in accordance with Indian Accounting Standard 33 "Earnings per Share". Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

30. Financial Instruments

Capital management:

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the Company may issue new shares or sell assets to reduce debt. The capital structure of the Company consists of debt and total equity of the Company.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and short-term borrowings. The Company's policy is aimed at combination of short-term and long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The Company is not subject to any externally imposed capital requirements.

Fair Value Measurement

Total	-	534.87	-	534.87	534.87

Notes forming part of Standalone Financial Statements for the Year ended 31st March, 2022 :

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

1. The fair values of quoted instruments are based on price quotations at the reporting date.
2. The Company has performed fair valuation of material investment in unquoted equity shares, other than in subsidiary company, which has been classified as Investment carried at Fair Value through Other comprehensive Income.

Financial risk management framework:

The Company is exposed primarily to market risk, credit risk and liquidity risk which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the interest rates and other market changes.

Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Outstanding customer receivables are regularly monitored. The Company maintains its cash and cash equivalents and deposits with banks having good reputation and high-quality credit ratings.

The Company has only one customer i.e. Bharat Forge Ltd. To mitigate the credit risk, the Company has taken security deposit of Rs. 200 Million (Rs 200 Million as on March 31, 2021) which covers the sales made by Company to it over next year(s).

Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, liquid cash and bank balance by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. The table below provides details regarding the contractual maturities of significant financial liabilities:

(Million Rs)

Particulars	As at March 31, 2022		As at March 31, 2021	
	Less than 1 Year	More than 1 Year	Less than 1 Year	More than 1 Year
Borrowings	209.16	-	238.49	10.76
Trade payables	12.79	13.55	60.42	14.01
Other financial liabilities	1.48	210.10	1.09	210.10

Fair Value Measurement

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the Ind AS 113 - Fair Value Measurement.

An explanation of each level is as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included in level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Unobservable inputs for the asset or liability.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities

(Million Rs.)

Quantitative disclosure fair value measurement hierarchy for assets	Fair value measurement using		
	Quoted prices in active markets (Level 1)	Significant observable Inputs (Level 2)	Significant un-observable Inputs (Level 3)
Financial assets at FVTOCI			
Equity Instruments (Quoted)			
March 31, 2022	4.03	-	-
March 31, 2021	3.17	-	-
Equity Instruments (Un-Quoted)			
March 31, 2022	-	-	4.96
March 31, 2021	-	-	0.88

31. Gratuity and other post-employment benefit plans**Gratuity plan****Funded scheme**

The Company has a defined benefit gratuity plan for its employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972 and the Scheme framed by the Company. Under the Act, every employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the employee's length of service and salary at retirement age. Every employee who has completed five years but not more than fifteen years of service gets a gratuity on departure at 15 days salary (last drawn) for each completed year of service as per the provisions of the Payment of Gratuity Act, 1972. Every employee who has completed fifteen years of service gets a gratuity on departure at one month's salary (last drawn) for each completed year of service, subject to maximum for 20 months' salary as per the Scheme of the Company. The scheme is funded with insurance companies in the form of a qualifying insurance policy.

Risk exposure and asset-liability matching

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as companies take on uncertain long-term obligations to make future benefit payments.

1) Liability risks**a) Asset-liability mismatch risk**

Risk arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Company is successfully able to neutralize valuation swings caused by interest rate movements.

b) Discount rate risk

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practice can have a significant impact on the defined benefit liabilities.

c) Future salary escalation and inflation risk

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

2) Asset risks

All plan assets are maintained in a trust fund managed by a public sector insurer viz. LIC of India and other insurance companies. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years. The Company has opted for a traditional fund wherein all assets are invested primarily in risk averse markets. The Company has no control over the management of funds but this

Notes forming part of Standalone Financial Statements for the Year ended 31st March, 2022 :

option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also, interest rate and inflation risk are taken care of.

The following table summarises the components of net benefit expense recognised in the statement of profit and loss and the funded status and amounts recognised in the balance sheet for the gratuity plan.

The principal assumptions used in determining gratuity for the Company's plan is shown below:

Particulars	As at March 31, 2022	As at March 31, 2021
Mortality table	IALM(2012-14) ult	IALM(2012-14) ult
Discount rate	6.30%	5.90%
Rate of increase in compensation levels	7.50%	7.50%
Expected rate of return on plan assets	5.90%	6.20%
Expected average remaining working lives (in years)	4.81	5.31
Withdrawal rate (based on grade and age of employees)		
Age upto 30 years	10%	10%
Age 31 - 44 years	10%	10%
Age 45 - 50 years	10%	10%
Age above 50 years	10%	10%

Changes in the present value of the defined benefit obligation recognised in balance sheet are as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
	Million Rs.	Million Rs.
Present value of obligation as at the beginning of the period	4.31	5.70
Interest expense	0.25	0.30
Current service cost	0.27	0.26
Benefits (paid)	-	(1.68)
Remeasurements on obligation [Actuarial (Gain) / Loss]	(0.29)	(0.27)
Closing defined benefit obligation	4.54	4.31

Changes in the fair value of plan assets recognised in the balance sheet are as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
	Million Rs.	Million Rs.
Opening fair value of plan assets	4.57	5.88
Interest Income	0.27	0.31
Contributions	0.00	0.00
Benefits paid	-	(1.68)
Remeasurements	-	-
Return on plan assets, excluding amount recognized in Interest Income - Gain / (Loss)	0.06	0.05
Closing fair value of plan assets	4.90	4.57
Actual return on plan assets	0.33	0.37

Net periodic benefit cost recognised in the statement of profit and loss	0.25	0.25

Notes forming part of Standalone Financial Statements for the Year ended 31st March, 2022 :

Reconciliation of net asset/ (liability) recognised:

Particulars	As at	As at
	March 31, 2022	March 31, 2021
	Million Rs.	Million Rs.
Net asset / (liability) recognised at the beginning of the period	0.26	0.19
Company contributions	0.00	0.00
Expense recognised at the end of period	(0.25)	(0.25)
Amount recognised outside profit & loss for the period	0.35	0.32
Net asset / (liability) recognised at the end of the period	0.36	0.26

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Particulars	As at	As at
	March 31, 2022	March 31, 2021
Funds managed by insurer	100 %	100 %

Sensitivity analysis

A) Impact of change in discount rate when base assumption is decreased/increased by 100 basis points

Discount Rate	As at	As at
	March 31, 2022	March 31, 2021
	Million Rs.	Million Rs.
5.30%	4.72	4.51
7.30%	4.37	4.13

B) Impact of change in salary increase rate when base assumption is decreased/increased by 100 basis points

Salary Increment Rate	As at	As at
	March 31, 2022	March 31, 2021
	Million Rs.	Million Rs.
6.50%	4.41	4.17
8.50%	4.67	4.47

C) Impact of change in withdrawal rate when base assumption is decreased/increased by 100 basis points

Withdrawal Rate	As at	As at
	March 31, 2022	March 31, 2021
	Million Rs.	Million Rs.
9.00%	4.56	4.33
11.00%	4.53	4.30

The estimates of future salary increase, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

Notes forming part of Standalone Financial Statements for the Year ended 31st March, 2022 :

The following are the expected benefit payments to the defined benefit plan in future years:

Particulars	As at	As at
	March 31, 2022	March 31, 2021
	Million Rs.	Million Rs.
Within one year	0.47	0.43
After one year but not more than five years	3.62	3.38
After five years but not more than ten years	1.26	1.41

Weighted average duration of the plan (based on discounted cash flows using mortality, withdrawal and interest rate) is 4.27 years.

Provident Fund

In accordance with the law, all employees of the Company are entitled to receive benefits under the provident fund. Till the Financial Year 2016-17, the Company operated defined benefit plan. Under the defined benefit plan, the Company contributes to the " BFUL Employees Provident Fund Trust. ". The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust and the notified interest rate.

From the Financial Year 2017-18 onwards the Company operated defined contribution plan. Under the defined contribution plan, provident fund is contributed to the government administered provident fund. The Company has no obligation, other than the contribution payable to the provident fund.

32. Income Taxes

A reconciliation of the Income tax provision to the amount computed by applying the statutory income tax rate to the profit before tax is summarised below.

Particulars	Year ended	Year ended
	March 31, 2022	March 31, 2021
	Million Rs.	Million Rs.
Accounting profit/(loss) before tax from operations	45.91	(35.29)
Enacted tax rate in India	27.82%	27.82%
Computed tax expense at enacted tax rate	12.77	(9.82)
Effect of Income from other sources	-	-
Effect of non-deductible expenses	6.19	10.39
Effect of deductible expenses	(0.16)	(2.71)
Effect of Carry Forward Losses	-	2.14
Effect of MAT Credit availed	(10.60)	-
Effect of timing difference	(3.20)	(11.72)
Short / (Excess) provision of earlier years	12.64	(6.40)
Tax expense reported in statement of profit and loss	17.64	(18.12)

33. Corporate Social Responsibility (CSR)

The Company has formed Corporate Social Responsibility (CSR) Committee and has also adopted a CSR Policy in accordance with the provisions of section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014. The company has not met any of the thresholds prescribed under section 135 of the Companies Act, 2013 for the financial year 2019-20 and 2020-21. As such, provisions of Section 135 shall not be applicable for immediately subsequent financial years 2020-21 and 2021-22 respectively.

Note on Variation:

- Debt service coverage ratio : Loan instalments paid during the year.
- Return on equity : Profit increased due to increase in Revenue and reversal of provision.
- Trade Receivable : Rs. 0.30 Million receivable against Rs. Nil in previous year.
- Net Capital Turnover : increase in sale of RECs.
- Net profit Ratio : Profit increased due to increase in Revenue and reversal of provision.
- Return on Capital employed : increase in revenue and provision reversed during the year.

Notes forming part of Standalone Financial Statements for the Year ended 31st March, 2022 :

35. Relationship with Struck off companies:

The Company did not enter into any transaction with Companies struck off from ROC records for the period ended 31 March 2022 and 31 March 2021.

36. a. No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies) including foreign entities (intermediaries) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. No funds have been received by the company from or in any other person(s) or entity(ies) including foreign entities (funding parties) with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
37. Segment information as required by Ind AS 108 "Operating Segments" as prescribed by Rules, as amended is set out in a separate statement annexed thereto.
38. Certain litigations by and against the Company and subsidiaries of the Company are pending in various Courts, and the matter is subjudice. No cognizance thereof is taken in the preparation of the Ind AS financial statements, pending final outcome of the cases.
39. The Company has advanced amounts aggregating to Rs. 370 million to Nandi Economic Corridor Enterprises Limited (NECE), Subsidiary Company, for purchase of developed parcels of land, which remain outstanding at the balance sheet date. These have been considered as good and recoverable in these financial statements by the Management of the Company based on the balance confirmation received from NECE.
40. Disclosures required as per Schedule V of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 have been set out in a separate statement annexed hereto.
41. Nandi Infrastructure Corridor Enterprises Ltd. (NICE) and Nandi Economic Corridor Enterprises Ltd. (NECE) which are the subsidiaries of the Company, have not yet submitted the audited financial statements for the year ended 31 March, 2022, to the Company.
- The Company will prepare consolidated financial statements, once the audited accounts of all the above-mentioned subsidiaries are made available to the Company.
42. Nandi Economic Corridor Enterprises Ltd. (NECE), which is a subsidiary of the Company, is in the process of finalising the accounts for the financial year ended 31st March, 2022. However, negative net worth is observed based on the information available with the Company.
- Management of NECE has applied key judgments in estimating the discounted future cash flows. Considering the discounted future cash flows and explanations, the Company's management is of the view that there is no impairment adjustment required in the value of investment in the subsidiary company.
43. Previous year's figures have been regrouped wherever necessary.

The accompanying notes form an integral part of the standalone financial statements.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To,
The Members
BF Utilities Limited, Pune

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of BF Utilities Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated Balance Sheet as at March 31, 2022, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated statement of Changes in Equity and the consolidated statement of Cash Flows for the year then ended, and notes to the consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended including the Companies (Indian Accounting Standards) Amendment Rules, 2019 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, its consolidated profit and consolidated other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of consolidated financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Responsibilities of Auditor for the Audit of the consolidated financial statements' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the ICAI) together with the ethical requirements that are relevant to our audit of the consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial Statements.

Emphasis of Matter

We draw attention to the following matter included in the Notes to the Consolidated Financial Statements:

- (i) As mentioned in Note No. 36, certain litigations by and against the Company are pending in the Court, and the matter is subjudice. The Company shall review and if required carry out the necessary accounting adjustments after the final outcome of the cases.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that in our professional judgment and based on the consideration of the reports of the other auditors on standalone financial statements and the other financial information of the subsidiaries, which were of most significance in our audit of the consolidated financial statements for the year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We did not audit the financial statements of the subsidiaries, as at and for the year ended on March 31, 2022, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our identification and reporting of the Key Audit Matters, in so far as it relates to these subsidiaries, is based solely on the reports of the other auditors.

We report that there were no Key Audit Matters in our audit of Consolidated Financial Statements.

Information other than the Consolidated Financial Statements and Auditors' report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion & Analysis, Report of the Board of Directors and the report on Corporate Governance but does not include the Consolidated Financial Statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial

Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Upon reading of the other information made available to us, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, the consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended including the Companies (Indian Accounting Standards) Amendment Rules, 2019 and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Responsibilities of Auditor for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary companies have adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the standalone financial statements of Holding Company included

in the consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

1. We did not audit the financial statements of subsidiaries whose financial statements, before consolidation adjustments, reflect Group's share of total assets of Rs. 22,585.97 Million as at March 31, 2022, Group's share of total revenue of Rs. 5,111.55 Million, Group's share of total net profit after tax of Rs. 903.09 Million for the year ended March 31, 2022, total comprehensive income of Rs. 919.60 Million for the year ended March 31, 2022 respectively and cash outflow of Rs. 98.28 Million. These financial statements have been audited by other auditors, whose reports have been furnished to us by the Management. Our opinion on the consolidated Financial Statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries is based solely on the report of the other auditors.
2. The consolidated financial statements of the group for the year ended March 31, 2021 were audited by the predecessor auditors Joshi Apte and Co., Chartered Accountants who expressed an unmodified opinion on those statements vide their audit report dated June 30, 2021.

Our opinion on the consolidated Financial Statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors and predecessor auditor.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements and the other financial information of subsidiaries as noted in the 'other matter' paragraph we report to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended including the Companies (Indian Accounting Standards) Amendment Rules, 2019.
 - e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries, none of the directors of the Group companies is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its Subsidiaries and the operating effectiveness of such controls, refer our separate Report in "Annexure 1".
- g. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding company to its directors during the year is in accordance with the provisions of section 197 and Schedule V of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'other matter' paragraph:
- i. The Group has disclosed the impact of pending litigations as at March 31, 2022 on its consolidated financial position in its consolidated financial statements. Refer Note 26 to the consolidated financial statements;
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended 31st March 2022.
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries during the year ended March 31, 2022.
 - iv. The management has represented that to the best of its knowledge or belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies) including foreign entities (intermediaries) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - v. The management has represented that to the best of its knowledge or belief, no funds have been received by the Group from any other person(s) or entity(ies) including foreign entities (funding parties) with the understanding, whether recorded in writing or otherwise, that the Group shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - vi. Based on the audit procedures considered reasonable and appropriate in the circumstances carried out by us, nothing has come to our notice that has caused us to believe that the representation under clause (iv) & (v) contain any material misstatements.
 - vii. None of the companies of the group have declared or paid any dividend during the year.
- i. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the holding Company and by other auditors of the subsidiaries included in the consolidated financial statements of the Group, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE "1" TO THE INDEPENDENT AUDITORS' REPORT

Annexure 1 to the Independent Auditor's Report of even date on the Consolidated Financial Statements of BF Utilities Limited.

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of BF Utilities Limited (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiaries are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to consolidated financial statements of the Holding company and its subsidiaries based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated Ind AS financial statements and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in 'Other Matter' paragraph below, in respect of Holding company and its subsidiaries respectively, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated financial statements.

Meaning of Internal Financial Controls over financial reporting with reference to consolidated financial statements

A Company's internal financial control over financial reporting with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to consolidated financial statements includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over financial reporting with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to consolidated financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to consolidated financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding company and its subsidiaries have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matter

Our report under Section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it relates to the subsidiaries, is based on the corresponding reports of the auditors of such subsidiaries.

Our opinion is not modified in respect of above matter.

The equity shares of the parent Company are listed on two recognised stock exchanges in India i.e. BSE Limited and National Stock Exchange of India Limited. The Group is engaged in the business of generation of electricity through wind mills and Infrastructure activities. The Company's CIN is L40108PN2000PLC015323.

The Consolidated financial statements for the year ended 31 March 2022 were authorized for issue by the Board of Directors on 28 June 2022.

1. Significant accounting policies:

a. Statement of compliance

The Consolidated Financial Statements of the Group have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as per Companies (Indian Accounting Standards) Rules 2015 notified under section 133 of the Companies Act, 2013 ("The Act") and other relevant provisions of the Act.

b. Basis of Preparation

The Group's consolidated financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ('Ind AS') as issued under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by the Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with rule 7 of the Companies (Accounts) Rules, 2014. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) and the guidelines issued by the Securities and Exchange Board of India are also applied.

The Consolidated financial statements have been prepared on an accrual basis and under historical cost convention, except Defined benefit Plan - Plan assets and certain financial Assets & Liabilities which are measured at fair value (refer accounting policy regarding financial instruments). The accounting policies are consistently applied by the group during the year and are consistent with those used in previous year except for the changes in accounting policies required to be made on adoption of Indian Accounting Standards notified under the Companies Act, 2013.

c. Basis of Consolidation

The consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting standards ('Ind AS') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ('the 2013 Act') and the relevant provisions of the 1956 Act / 2013 Act, including rules thereunder as applicable and guidelines issued by Securities and Exchange Board of India ('SEBI'). The accounting policies adopted in the preparation of the consolidated financial statements are consistent. All assets and liabilities have been classified as Current or Non-current as per the respective Company's normal operating cycle and other criteria set out in Schedule III to the 2013 Act.

The Consolidated financial statements comprise the financial statements of the Parent Company and its subsidiaries as at March 31, 2022. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the Consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the Consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of subsidiaries have been drawn for the year ended 31 March, 2022.

Consolidation procedure:

The Consolidated financial statements of the Company and its subsidiaries ("the Group") for the year ended 31 March, 2022 are prepared in accordance with generally accepted accounting principles applicable in India, and the Indian Accounting Standard 110 (Ind AS 110) on 'Consolidated Financial Statements', notified by Companies (Accounting Standards) Rules, 2015, ("Indian Accounting Standards") by and to the extent possible in the same format as that adopted by the Parent Company for its separate financial statements.

The Parent Company consolidates entities which it owns or controls. The Consolidated financial statements comprise the financial statements of the parent company, its subsidiaries as disclosed below.

The financial statements of the Company and its subsidiary companies have been combined by adding together the like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries after eliminating intra group balances and intra group transactions except where cost cannot be recovered. The unrealized profits or losses resulting from the intra group transactions and balances have been eliminated.

The excess of the cost to the Company of its investment in a subsidiary and the Company's portion of equity of subsidiary on the date at which investment in the subsidiary is made, is described as goodwill and recognized separately as an asset in the Consolidated financial statements.

The excess of the Company's portion of equity of the subsidiary over the cost of investment in the subsidiary is treated as capital reserve in the Consolidated financial statements.

Goodwill arising on consolidation is not amortized. It is tested for impairment on a periodic basis and written off if found impaired.

The Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and necessary adjustments required for deviations, if any, are made in the Consolidated financial statements.

The Consolidated financial statements are presented in the same manner as the Company's separate financial statements.

The subsidiary companies considered in Consolidated financial statements are as follows:

Name of the subsidiary and Country of Incorporation	Ownership Percentage as at	
	March 31, 2022	March 31, 2021
Nandi Infrastructure Corridor Enterprise Ltd. (NICE) - India	74.52 %	74.52 %
Nandi Highway Developers Ltd.(NHDL) - India	69.53 %	69.53 %
Nandi Economic Corridor Enterprises Ltd. * (NECE) - India	40.41 %	40.41 %
Avichal Resources Private Ltd. # - India	100.00 %	100.00 %

* Step-down subsidiary

with effect from 16 March, 2016

Statutory group information is provided in Annexure A

d. Significant accounting judgements, estimates and assumptions

The preparation of the group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, including the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

This note provides an overview of the areas that involved a higher degree of judgement or complexity and of items which are likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

e. Critical Estimates and Judgements

Useful lives of depreciable/amortizable assets

Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software and other assets.

Impairment of non-financial assets

The group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate evaluation model is used.

Recoverability of advances / receivables - At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

Evaluation of indicators for impairment of assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Service concession arrangements (SCA)

The evaluation of applicability of SCA requires the Management to assess whether the group has right to operate the asset/infrastructure or has ownership of the asset. The Management among other factors considers who regulates the prices and controls residual interest in the asset for determining application of guidance relating to SCA.

Defined Benefit Obligation (DBO)

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Provisions

Provisions are determined based on the best estimate required to settle the obligation at the reporting date. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Estimate of current and deferred tax

The group's tax charge on ordinary activities is the sum of the total current and deferred tax charges. The calculation of the group's total tax charge necessarily involves a degree of estimation and judgement in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material profits/losses and/or cash flows.

The complexity of the group's structure makes the degree of estimation and judgement more challenging. The resolution of issues is not always within the control of the group and it is often dependent on the efficiency of the legal processes in the relevant taxing jurisdictions in which the group operates. Issues can, and often do, take many years to resolve. Payments in respect of tax liabilities for an accounting period result from payments on account and on the final resolution of open items. As a result, there can be substantial differences between the tax charge in the statement of profit and loss and tax payments.

f. Functional and presentation currency:

The items included in the Consolidated Financial Statements of the Company are measured using the currency of primary economic environment in which the Group operates ("the functional currency").

The Consolidated financial statements are presented in Indian rupees (Rs.) rounded off to nearest million (unless otherwise stated), which is the Group's functional and presentation currency.

g. Property, Plant and Equipment

Recognition and Measurement

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). Internally manufactured property, plant and equipment are capitalised at cost, including non-deductible excise duty (blocked ITC credit under GST), wherever applicable. All significant costs relating to the acquisition and installation of property, plant and equipment are capitalised. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

Depreciation

The identified components are depreciated over their useful lives, the remaining asset is depreciated over the life of the principal asset.

Depreciation for identified components, other than Furniture & Fixtures and Vehicles is computed on straight line method (in case for the Company for Furniture & Fixtures and Vehicles on written down value method) based on useful lives, determined based on internal technical evaluation as follows:

Assets	Useful lives
Building	24 to 60 Years
Plant & Machinery *	10 to 25 Years
Electrical Installation	10 Years
Computers and mobile phones	3 to 6 Years
Testing Meters	5 Years

Assets	Useful lives
Furniture & Fixtures	10 Years
Tools and equipments	10 Years
Towers	13 Years
Office Equipments	5 Years
Vehicles	8 to 10 Years

Useful lives of the above assets are as per prescribed under Part C of Schedule II of the Companies Act, 2013.

* The Group, based on technical assessments made by technical experts and management estimates, depreciates certain items of plant and machinery over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

De-recognition / Disposal

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

h. Intangible assets

Recognition and Measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in statement of profit and loss in the period in which the expenditure is incurred.

Toll road assets, created under Build, Own, Operate and Transfer ("BOOT") model is considered as intangible asset since the asset will be transferred to GoK at the end of the concession period. The cost of such intangible asset comprises of land acquisition cost, direct and indirect expense incurred on procurement / construction of roads, bridges, culverts, including toll plazas, other equipment and utilities used in or in connection with operation of toll road including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), borrowing cost if capitalization criteria are met and any directly attributable expenditure for making the asset ready for its intended use and net of any trade discounts and rebates.

Amortisation

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset, as provided by another Ind-AS.

The summary of amortization policy applied to the group's intangible assets is as below:

Type of Asset	Life (years)
Computer software	3

- Solely for purposes of amortisation of the Rights to Operate Toll Roads, the group has considered a period of 26 to 40 years from the initial financial closure.
- The amortisation is provided on the systematic basis over the above-mentioned period.

De-recognition / Disposal

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the net carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred.

Development expenditures on an individual project are recognised as an intangible asset when the group can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Such capitalized expenditure is reflected as intangible under development.

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

During the period of development, the asset is tested for impairment annually.

i. Current versus non-current classification

The group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The group has identified twelve months (5 years for Township Development from the date of registration of land in the name of the Company and after getting the required regulatory approval for commencing the development activities) as its operating cycle.

j. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial instruments at amortized cost
- Financial instruments at fair value through other comprehensive income (FVTOCI)
- Financial instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial instruments at amortised cost

A 'financial instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the group. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

Financial instruments at FVTOCI

A 'Financial instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial instrument at FVTPL

FVTPL is a residual category for financial instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the group may elect to designate a financial instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Financial instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. For all equity instruments not held for trading, the group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI

to statement of profit and loss, even on sale of investment. However, the group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the group has transferred substantially all the risks and rewards of the asset, or (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

When the group has transferred its rights to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the group continues to recognise the transferred asset to the extent of the group's continuing involvement. In that case, the group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the group could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are financial instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are financial instruments and are measured as at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 109
- d) Loan commitments which are not measured as at FVTPL
- e) Financial guarantee contracts which are not measured as at FVTPL

The group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables.

The application of simplified approach does not require the group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss.

- The balance sheet presentation for various financial instruments is described below:

Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables:

ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the group does not reduce impairment allowance from the gross carrying amount.

Financial instruments measured at FVTOCI:

Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value.

For assessing increase in credit risk and impairment loss, the group combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The group does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Loans and borrowings

This is the category most relevant to the group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Financial guarantee contracts

Financial guarantee contracts issued by the group are those contracts that require a payment to be made

to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

k. Fair value measurement

The group measures financial instruments at fair value on initial recognition. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets. Involvement of external valuers is decided upon annually by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the group's external valuers, which valuation techniques and inputs to use for each case.

For the purpose of fair value disclosures, the group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes. Please refer to Note No 30

- Disclosures for valuation methods, significant estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Financial instruments (including those carried at amortised cost)

I. Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the group operates and generates taxable income. Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT)

MAT paid in a year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as an asset only to the extent that there is convincing evidence that the group will pay normal

income tax during the period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the group recognizes MAT credit as an asset for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the group does not have convincing evidence that it will pay normal tax during the specified period.

m. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. (NECE) Borrowing costs directly attributable to the acquisition, construction or development of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur.

n. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Finance leases

Assets acquired on lease which effectively transfer to the company substantially all the risks and benefits incidental to ownership of the assets, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalized.

Operating Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term except where scheduled increase in rent compensates the company with expected inflationary costs.

Group as a lessee

A lessee is required to recognise assets and liabilities for all leases and to recognise depreciation of leased assets separately from interest on lease liabilities in the Statement of Profit and Loss. The Group uses the practical expedient to apply the requirements of this standard to a portfolio of leases with similar characteristics if the effects on the financial statements of applying to the portfolio do not differ materially from applying the requirement to the individual leases within that portfolio.

However, when the lessee and the lessor each have the right to terminate the lease without permission from the other party with no more than an insignificant penalty the Group considers that lease to be no longer enforceable.

Also according to Ind AS 116, for leases with a lease term of 12 months or less (short-term leases) and for leases for which the underlying asset is of low value, the lessee is not required to recognize right-of-use asset and a lease liability. The Group applies both recognition exemptions.

The lease payments associated with those leases are generally recognised as an expense on a straight-line basis over the lease term or another systematic basis if appropriate.

Right-of-use assets:

Right-of-use assets, which are included under Property, plant and equipment, are measured at cost less any accumulated depreciation and, if necessary, any accumulated impairment. The cost of a right-of-use asset comprises the present value of the outstanding lease payments plus any lease payments made at or before the commencement date less any lease incentives received, any initial direct costs and an estimate of costs to be incurred in dismantling or removing the underlying asset. In this context, the Group also applies the practical expedient that the payments for non-lease components are generally recognised as lease payments. If the lease transfers ownership of the underlying asset to the lessee at the end of the lease term or if the cost of the right-of use asset reflects that the lessee will exercise a purchase option, the right-of-use asset is depreciated to the end of the useful life of the underlying asset. Otherwise, the right-of-use asset is depreciated to the end of the lease term.

Lease liability

Lease liabilities, which are assigned to financing liabilities, are measured initially at the present value of the lease payments. Subsequent measurement of a lease liability includes the increase of the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

Lease modification

For a lease modification that is not accounted for as a separate lease, the group accounts for the remeasurement of the lease liability by making a corresponding adjustment to the right-of-use asset.

Group as a lessor

Leases in which the group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease unless the same is in line with inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

o. Inventories

Stock of land and related developments are valued at lower of cost and net realizable value. Cost is the aggregate of land cost and development cost which includes materials, contract works, direct expenses and apportioned borrowing costs. Cost of inventories have been computed to include all cost of purchases, cost of conversion and other cost incurred in bringing the inventories of their present location and condition.

Stores and spares and loose tools are valued at lower of cost or net realisable value. However, materials and other items held for operation and maintenance of fixed assets are not written down below cost.

Costs are determined on unsold Certified Emission Reduction (CER) and Renewable Energy Certificate (REC) are considered as Inventory and valued on the basis of costs which are directly allocated to it. The cost is assigned to inventories on First in First Out (FIFO) basis. This CERs and RECs are valued at lower of cost or net realisable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

p. Impairment of non-financial assets

The group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the group's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the group extrapolates cashflow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Intangible assets under development are tested for impairment annually. Impairment losses including impairment on inventories, are recognised in the statement of profit and loss.

For the assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount

of the asset does not exceed its recoverable amount, nor exceeds the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

q. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts and cash credit facilities as they are considered an integral part of the group's cash management.

r. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and is allocated to statement of profit and loss over the periods and in the proportions in which depreciation on those assets is charged.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

s. Provisions

A provision is recognized when the group has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value (unless the effect of time value of money is material) and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and contingent assets, if any, are disclosed in the notes to accounts.

t. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sale of land - Revenue from sale of land is recognised when all significant risks and rewards of ownership of land is transferred to the buyer and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Toll collections - Income from toll collections is recognised on the basis of actual collection as and when vehicle crosses toll plaza.

Construction revenue and construction expenses - Construction revenue from contracts covered under service concession agreements are recognised in line with the Appendix C to Ind AS 115 - Revenue from Contracts with Customers.

Under Appendix C to Ind AS 115 - Revenue from Contracts with Customers, these arrangements are accounted for based on the nature of the consideration. The intangible asset model is used to the extent that the operator receives a right (i.e. a concessionaire) to charge users of the public service.

Revenue from sales of electricity is recognized when all the significant risks and rewards of ownership have been passed to the buyer, usually on the basis of electricity wheeled into MSEB grid and jointly certified.

Income from Certified Emission Reduction (CERs) units and Renewable Energy Certificates (RECs) is recognised in the period of its actual sales.

Claims / Insurance Claim etc. are accounted for when no significant uncertainties are attached to their eventual receipt.

Interest income

Interest on fixed deposits with banks, bonds, etc., is recognised on a time proportion basis taking into account the amount outstanding and rate applicable. In case of significant uncertainty of receiving interest, the same is not recognised though accrued and is recognised only when received. Interest income from debt instruments is recognised using Effective Interest Rate method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instruments or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

Interest income is included in other income in the statement of profit and loss.

Profit / Loss of the sale / redemption of investments is dealt with at the time of actual sale / redemption.

Dividend income

Dividend income from investments is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend. Dividend income is included in other income in the statement of profit and loss.

u. Foreign currencies

Transactions and Translations

Foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Exchange difference that arise on settlement of monetary items or on reporting at each balance sheet date of the group's monetary items at the closing rate are recognized as income or expenses in the period in which they arise.

The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or statement of profit and loss are also recognised in OCI or statement of profit and loss, respectively).

v. Post-employment and other employee benefits

Post-employment benefits are employee benefits (other than termination benefits and short-term employee benefits) that are payable after the completion of employment.

Provident fund

Provident fund is a defined contribution plan covering eligible employees. The group and the eligible employees make a monthly contribution to the provident fund maintained by the Regional Provident Fund Commissioner equal to the specified percentage of the basic salary of the eligible employees as per the scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The group has no obligation, other than the contribution payable to the provident fund.

Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully cover the same under cash accumulation policy of the Life Insurance Corporation of India. The employee's gratuity is a defined benefit funded plan.

The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet as asset/liability with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in statement of profit and loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising of current service costs, past-service costs, gains and losses on curtailments and nonroutine settlements; and
- Net interest expense or income

Superannuation

Superannuation is a defined contribution plan covering eligible employees. The contribution to the superannuation fund managed by the insurer is equal to the specified percentage of the basic salary of the eligible employees as per the scheme. The contribution to this scheme is charged to the statement of profit and loss on an accrual basis. There are no other contributions payable other than contribution payable to the respective fund.

Compensated Absences

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The group presents the entire leave encashment liability as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for twelve months after the reporting date. Where the group has the unconditional legal and contractual right to defer the settlement for a period beyond twelve months, the same is presented as non-current liability.

w. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. The group does not recognize a contingent liability but discloses its existence in the financial statements.

x. Dividend to equity holders of the Company

The group recognises a liability to make cash or non-cash distributions to equity holders of the group when the distribution is authorised and the distribution is no longer at the discretion of the group. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

y. Segment reporting

Ind AS 108 "Operating Segments" requires Management to determine the reportable segments for the purpose of disclosure in Consolidated Financial Statements based on internal reporting reviewed by Chief Operating Decision Maker (CODM) to assess performance and allocate resource. The standard also requires Management to make judgements with respect to recognition of segments.

The Group identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market/ fair value factors.

Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue/ expenses/ assets/ liabilities".

z. Earnings per share

The Group reports basic and diluted earnings per share (EPS) in accordance with Indian Accounting Standard 33 "Earnings per Share". Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share (or increase net loss per share) from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March 2022 :

25 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the Net profit attributable to the owners of the Parent Company by the Weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by adjusting the Weighted average number of equity shares outstanding, for effects of all dilutive potential ordinary shares.

The following reflects income and share data used in the basic and dilutive EPS calculations:

Particulars	Year ended 31 st March, 2022	Year ended 31 st March, 2021
Numerator for basic and diluted EPS		
Net profit / (Loss) attributable to owners of the Parent Company (Rs. in Million)	508.26	(24.68)
Weighted average number of equity shares (Nos)	37,667,628	37,667,628
Basic earnings per share of face value of Rs. 5/- each (Rs.)	13.49	(0.66)
Diluted earnings per share of face value of Rs. 5/- each (Rs.)	13.49	(0.66)

26. Contingent Liabilities and commitments

Particulars	As at 31 st March, 2022	As at 31 st March, 2021
	Million Rs.	Million Rs.
1 Claims against the Group not acknowledge as debt (Refer Note ii)	500.02	700.67
2 Estimated Amounts of Contracts remaining to be executed on capital account and not provided for (net of advances)		
i. In respect of NECE Ltd (Step down subsidiary)	236.31	159.10
3 Income Tax Liability (Refer note (iii))	119.19	119.19

As regards NECE Ltd -

- (i) The step- down subsidiary of the Holding Company, NECE Ltd has been subject to litigations and allegations from time to time regarding irregularities in the Project. As at the Balance sheet date, there are various cases pending against NECE Ltd. challenging the execution of the BMICP (the 'Project') which can be categorised under the following broad heads: a) Land acquisition and allotment related b) Litigation against layout approvals c) Enhanced compensation and d) other matters related to Project. NECE Ltd. has been legally advised that none of these pending litigations or threatened litigation is likely to affect the execution of the Project. The Management of NECE Ltd. believes that aforesaid litigations will not have any material impact upon the financial statements.
- (ii) NECE Ltd. has received claims from certain suppliers for payment of statutory dues aggregating to Rs. 260.00 Million (31 March 2021: Rs. 460.64 Million) as at 31 March 2022. During the current year, NECE Ltd has paid the dues relating to suppliers except Nandi Engineering Ltd. ((NEL). NECE Ltd believes that NEL is an affiliate of NECE Ltd., hence NEL is entitled to exemption that were granted to the Project.
- (iii) NECE Ltd has received tax demand from the income tax authorities aggregating to Rs. 119.19 Million (31 March 2021: Rs. 119.19 Million) in respect of various deductions claimed in the tax return, unexplained cash deposits during demonetization period and other matters relating to the assessment year 2017-18. NECE has filed an appeal before Commissioner of Income Tax (Appeals) on 24 January 2020 and basis its assessment believe that no liability would devolve upon NECE.

Commitments

The Holding Company has given undertaking to Axis Finance Limited in respect of term loan facility granted by it to Nandi Highway Developers Limited (NHDL) of Rs. 1,200 Million. The Holding Company has agreed that-

- It shall not dispose off its interest in the entire shareholding in the NHDL till the final settlement date of the term loan; and
- It shall not sell/ transfer/ encumber in any form, the shares of the NHDL held by the Company, without prior written approval of Axis Finance Limited.

The Holding Company has pledged its investment in NHDL of 26,071,902 shares with Axis Finance Limited.

27. Revenue from Contracts with Customers**a. Revenue Stream:**

The Holding Company generates revenue primarily from Sale of Wind power:

Particulars	Year ended 31 st March, 2022	Year ended 31 st March, 2021

30. Financial Instruments**Capital Management:**

The group's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the group may issue new shares or sell assets to reduce debt.

The capital structure of the group consists of debt and total equity of the group.

The group determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and short-term borrowings. The group's policy is aimed at combination of short-term and long-term borrowings. The group monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the group.

Total debt includes all long and short-term debts as disclosed in note 13 to the financial statements.

Fair Value Measurement

Set out below is a comparison, by class, of the carrying amounts and the fair value of the Company's consolidated financial instruments as at 31 March 2022

Particulars	At Cost	Amortised cost	Financial assets/liabilities at fair value through Profit & Loss	Financial assets/liabilities at fair value through OCI	Total carrying value	Total fair value
Financial Assets						
Investments	0.07	-	1,596.94	8.99	1,606.00	1,606.00

Other financial liabilities	-	1,735.89	-	-	1,735.89	1,735.89
Total	-	19,350.34	-	-	19,350.34	19,350.34

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Further the management assessed that the fair value of security deposits and other non-current receivables approximate their carrying amounts largely due to discounting at rates which are an approximation of current lending rates.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

1. The fair values of quoted instruments are based on price quotations at the reporting date.
2. The group has performed fair valuation of its investment in unquoted ordinary shares which has been classified as Investment carried at Fair Value Through Other Comprehensive Income.

Financial Risk management framework:

The group is exposed primarily to market risk, credit risk and liquidity risk which may adversely impact the fair value of its financial instruments. The group assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the group.

Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the interest rates and other market changes.

Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Outstanding customer receivables are regularly monitored. The Group maintains its cash and cash equivalents and deposits with banks having good reputation and high-quality credit ratings.

The group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an on-going basis throughout each reporting period. In general, it is presumed

Notes forming part of the Consolidated Financial Statements for the year ended 31st March 2022 :

that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Expected credit loss for trade receivables under simplified approach - The group recognises significant income from toll road on the basis of actual collection and hence there are no significant outstanding. Hence, as the group does not have significant credit risk, it does not present the information related to ageing pattern. The group has widespread customer base and no single customer accounted for 10% or more of revenue in any of the years indicated.

During the periods presented, the group made no write-offs of trade receivables and it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

Interest rate risk (mainly in case of Step down subsidiary- NECE Ltd)

NECE Ltd.'s fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

(Rs. In Million)

Particulars	31 March 2022	31 March 2021
Variable rate borrowings	14,924.27	15,372.43
Fixed rate borrowings	-	-
Interest free borrowings	845.00	714.80
Total borrowings	15,769.27	16,087.23

Particulars	31 March 2022	31 March 2021
Interest rates - increase by 50 basis points (50 bps)	(74.62)	(76.86)
Interest rates - decrease by 50 basis points (50 bps)	74.62	76.86

Liquidity Risk

Liquidity risk refers to the risk that the group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The group manages liquidity risk by maintaining adequate reserves, liquid cash and bank balance by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. The table below provides details regarding the contractual maturities of significant financial liabilities:

(Rs. In Million)

Particulars	As at March 31, 2022		As at March 31, 2021	
	Less than 1 Year	More than 1 Year	Less than 1 Year	More than 1 Year
Borrowings	1,114.77	15,166.95	1,087.39	16,024.00
Trade payables	465.70	-	465.80	-
Other financial liabilities	325.86	1,247.70	318.29	1,417.60

Fair Value Measurement

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the Ind AS 113 - Fair Value Measurement. An explanation of each level is as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included in level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Unobservable inputs for the asset or liability.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the group's assets and liabilities.

(Rs. In Million)

Quantitative disclosure fair value measurement hierarchy for assets	Fair value measurement using		
	Quoted prices in active markets (Level 1)	Significant observable Inputs (Level 2)	Significant un-observable Inputs (Level 3)
Financial assets at FVTOCI

31. Income Taxes

A reconciliation of the Income tax provision to the amount computed by applying the statutory income tax rate to the profit before tax is summarised below.

Particulars	Year ended 31 st March, 2022	Year ended 31 st March, 2021
	Million Rs.	Million Rs.
Accounting profit before tax from operations	1,030.85	(200.54)
Enacted tax rate in India	27.82/29.12	27.82/29.12
Computed tax expense for the Group at enacted tax rates	152.43	(42.90)
Effect of non-deductible expenses	6.21	11.16
Effect of deductible expenses	(57.91)	(52.07)
Effect of MAT Credit availed	(10.68)	-
Effect of timing difference	(3.21)	(11.72)
Effect of set off of tax expense on account of accumulated tax losses.	-	122.43
Short / (excess) provision of earlier years	12.64	(6.50)
Tax expense reported in statement of profit and loss	99.48	20.40

Notes forming part of the Consolidated Financial Statements for the year ended 31st March 2022 :

32. Leases

a. Lessee accounting

Lease liabilities movement:

(In Rs. Million)

Particulars	As at 31 st March, 2022	As at 31 st March, 2021
Lease liability at the beginning of the year	38.26	43.91
Add: Interest on Lease liability	5.17	5.93
Less: Lease rental payments	(12.16)	(11.58)
Lease Liability at the end of the year	31.27	38.26

Total Cash outflow for leases:

Particulars	As at 31 st March, 2022	As at 31 st March, 2021
Operating lease rentals not included in the measurement of the lease liabilities	8.31	8.78

The Group has taken various residential/ commercial premises on cancellable operating leases. As per the terms and conditions mentioned in the respective lease agreements, the same are generally renewed on expiry of the lease period and there is no lock-in period in such operating lease taken by the Group.

33. Segment Reporting

Segment information as required by IND AS 108 "Operating Segments" as prescribed by Rules, as amended is set out in a separate statement annexed thereto.

34. Relationship with Struck off companies:

The Group did not enter into any transaction with Companies struck off from ROC records for the period ended 31 March 2022 and 31 March 2021.

35. Disclosures for investments and transactions through/ as an intermediary:

- a. No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company and its subsidiary companies to or in any other person(s) or entity(ies) including foreign entities (intermediaries) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company / subsidiary companies (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. No funds have been received by the company and its subsidiary companies to or in any other person(s) or entity(ies) including foreign entities (funding parties) with the understanding, whether recorded in writing or otherwise, that the company / subsidiary companies shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

36. Certain litigations by and against the Holding Company are pending in various Courts, and the matter is subjudice. No cognizance thereof is taken in the above financial statements, pending final outcome of the cases.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March 2022 :

37. Statement containing the salient features of the Financial of Subsidiary companies in terms of Section 129(3) of the Companies Act, 2013, is annexed.
38. NECE Ltd., step down subsidiary of the Holding Company has negative net worth at 31 March 2022. Notwithstanding the above, the financial statements have been prepared on going concern basis as NECE Ltd has earned positive cash flow from operations; and the Management of NECE Ltd on the basis of projections believe that NECE Ltd will be able to meet the liabilities as they arise in foreseeable future.
39. Previous year's figures have been regrouped or reclassified wherever necessary.
