**Mumbai, November 15, 2021:** GlobalSpace Technologies Limited (BSE Code: 540654), one of the leading HealthTech and EduTech digital platform provider, has announced results for quarter and half year ended September 30, 2021.

**Commenting on the Company's performance for Q2 FY21-22, Mr. Krishna Singh, Founder & CMD said, There is a dip in turnover** because of strategic shift in the focused segment of business & moving out from the non-strategic business. This would help the company in long-term value creation. As disclosed earlier in next 2 quarters we would be bouncing back with much stronger & profitable numbers. As a group we are focused on health tech and edutech segments. The silver lining for this quarter is that we have reached brake even point in our edutech vertical Makebot with 394% growth on top line vis corresponding period of FY 20.
