Dear Sir,

SUB: OUTCOME OF THE BOARD MEETING

In the Board Meeting of Indowind Energy Limited held on 15th September 2020, the Board has approved the Un-Audited Financial Results along with Limited Review Report for the First Quarter ended 30th June, 2020, which were reviewed and recommended by the Audit Committee (copies attached).

The EXIM Bank of India who had sanctioned a Term Loan of Euro 18 million [Equivalent to USD 25 million Or Rs. 111.30 Crore] for the execution of a project involving 20 MW wind mills and released only USD 12 million, thus enabling the company to complete only 8 MW, have made an application to Hon'ble NCLT, Chennai under Sec.7 of IBC, 2016, attributing to default in the loan repayment. While the Company has already disputed the quantum of debt on account of debit of unrelated charges, exorbitant interest, disagreed conversion charges and the suit filed before the Hon'ble High Court of Mumbai on 30.01.2019 itself which is pending for adjudication, a Guarantor having extended a limited guarantee has also moved to Hon'ble Madras High Court on 10.09.2020 seeking restraining orders against the bank citing irregular invocation as well as extinguishment of the guarantee. The Company has decided to defend the reference as the disputes in respect of the debt is pending before the Hon'ble High Court of Mumbai and a demand notice against the Guarantor under a limited Guarantee as well as

extinguished guarantee is pending before the Hon'ble High Court of Chennai. Company is confident that the reference will not sustain admissibility and mere reference will not have any major impact till the reference is admitted.

Kindly take the above documents on record.

Thanking you,

Your faithfully,

For **INDOWIND ENERGY LIMITED**

Harsha J
Company Secretary

Notes:

1. The Unaudited Financial Results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their meeting held on 15th September, 2020 through Video Conference / Other Audio Visual Means.

2. The Statutory Auditors have carried out the limited review of the results for the first quarter ended 30th June 2020

3. On account of COVID-19 pandemic, the Government of India had imposed a complete Nation wide lockdown on March 24, 2020. This affected the Company's operations. The Fall in Turnover is consequent to the late commencement of wind season coupled with Covid – 19 related restriction like lockdowns, limited man power liability and frequent load sheddings. However, as the lockdown was in force for significant period of the quarter, the results for the quarter ended 30th June, 2020 was adversely impacted. The results for the quarter are, therefore, not comparable with those of previous quarters.

The Company has taken into account the possible impacts of COVID-19 in preparation of the financial results, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenues. The Company has considered internal and certain external source of information including reliable credit reports, economic forecasts and industry reports upto the date of approval of the financial results and expects to recover the carrying amount of its assets. The Situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19, which may be different from the estimate as at the date of approval of the financial results. The Company will continue to closely monitor any material changes arising out of future economic conditions and impact on its business.

4. There is no separate Reportable segment as per Ind -AS 108 on 'Operating Segments' in respect of Company.

Limited Review Report on Standalone Unaudited Financial Results for the quarter ended June 30, 2020 of M/s Indowind Energy Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Indowind Energy Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Indowind Energy Limited ('the company') for the quarter ended June 30, 2020, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), including relevant circulars issued by the SEBI from time to time. The Statement is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, 'Interim Financial Reporting' prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India.

Our responsibility is to express a conclusion on the Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

4. We draw attention regarding impact on the Profit for the quarter ended June 30, 2020 where there is a legal dispute between the Company and the Exim Bank on non-release of the balance loan of \$12.11 million as per the initial agreed terms and the matter is pending before Honourable High Court of Bombay. The Company has provided for the interest on the EXIM loan @4.4% (quarterly rests) as against the interest including penal and additional interest charged by the bank. As the outcome of the case is uncertain at this stage, the recognition of Contingencies in the Statement is not in accordance with recognition and measurement principles laid down in the applicable Indian Accounting

Standards prescribed under section 133 of the Companies Act 2013. In the absence of closing confirmation on the outstanding principal and interest including penal and additional interest as at June 30,2020 from the EXIM bank, we are unable to quantify the impact of the same on the profit for the quarter ended June 30,2020. Our audit report dated August 07,2020 on the standalone financial results for the year ended March 31,2020 was also qualified in respect of this matter.

5. Based on our review conducted as above, except for the effects/possible effects of the matter described in previous section nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respects in accordance with Ind AS and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 3 of the statement, which describes the uncertainties and the impact of COVID-19 pandemic on the Company's operation and results as assessed by the management. Our conclusion on the statement is not modified in respect of this matter.
