We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

**Qualified Opinion**

- i) *Due to defaults in repayment of loans taken from Bank/s, the account of the company has been classified as non-performing asset by banks in the previous financial years and except two banks, other banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 2,56,59,311 /- (exact amount cannot be ascertained) for the quarter ending September 30, 2019, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 2,56,59,311 /- (exact amount cannot be ascertained) for the quarter ending September 30, 2019. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks.*
- ii) *The aggregate carrying value of business and commercial rights in the books of the Company as on September 30, 2019 is Rs. 119,97,38,804 /-. There is no revenue generation from monetization of these assets during the period and quarter ended September 30, 2019 due to which the Company has incurred substantial losses during the period and quarter ended September 30, 2019 and previous financial years. Hence, there is a strong indication of impairment in the value of these business and commercial rights. However, in the absence of exact amount of diminution in the value of these business and commercial rights, we are unable to quantify the amount of impairment of these business and commercial rights and its consequential effects on the financial statements as on September 30, 2019.*

**Emphasis of Matters**

- i) We draw attention to Note No. 4 forming part of unaudited standalone financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and in case of other borrowers, wherein corporate guarantee was given by the Company, substantial losses incurred by the Company during the quarter and period ended September 30, 2019 and previous financial years and negative "Other Equity" of Rs. 1,375.18 Lakhs as on September 30, 2019. The appropriateness of assumption of going concern is mainly dependent on approval of company's resolution plan with the secured lenders, company's ability to generate growth in cash flows in future, to meet its obligation. We are of the opinion that, the concept of preparation of accounts on going concern basis has to be reviewed periodically and be suitably modified, if required.
- ii) During the previous financial year, the Company has been served a legal notice from one of its secured lenders proposing to initiate proceedings under Insolvency and Bankruptcy Code, 2016 by filing necessary application before the jurisdictional National Company Law Tribunal (NCLT) as per the applicable law and rules.

Our opinion is not modified in respect of these matters.

3. Based on our review conducted as above and except for the effect of the matters stated in Qualified Opinion paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.  
  
We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.
4. The Statement includes the results of the following entities :-

7. The consolidated unaudited financial results include the interim financial results of 1 subsidiary which have been reviewed by us, whose interim financial results reflect total assets of Rs. 4,98,42,339 /- as on September 30, 2019, total revenue of Rs. NIL and total net loss after tax of Rs. 5,900/- for the period ended September 30, 2019, as considered in the consolidated unaudited financial results. The consolidated unaudited financial results does not include Group's share of net loss after tax for the quarter and period ended September 30, 2019, in respect of one associate, whose interim financial results have not been reviewed by us. According to the information and explanations given to us by the Management, these interim financial results of the associate are not considered in the results of the Parent as the investment in the associate had become NIL in the previous financial year in the books of the Parent and liability for proportionate losses of the current quarter and period ended September 30, 2019 are not recognised as per requirements of Indian Accounting Standard (Ind AS) 28 "Investments in Associates".
