THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

REQUEST TO MEMBERS

Members desirous of getting Information/Clarification on the Accounts and Operations of the Company or intending to raise any query are requested to forward the same at least 7 days in advance of the meeting to the Company Secretary at the office address so as the same may be attended appropriately.

KIND ATTENTION OF SHAREHOLDERS HOLDING SHARES IN PHYSICAL FORM

The Shares held by you in physical form can be easily dematerialized i.e. converted into electronic form. The various benefits derived out of dematerialization of shares are:

1. Immediate transfer of securities.
2. No stamp duty on transfer of securities.
3. Elimination of risk associated with physical certificates such as bad delivery, fake securities etc.
4. Reduction in paperwork involved in transfer of securities.
5. Reduction in transaction cost.
6. Nomination facility.
7. Changes in address recorded with DP get registered electronically with all Companies in which investor holds securities in demat form, eliminating the need to correspond with each of them separately.
8. Transmission of securities is done by DP eliminating correspondence with Companies.
9. Convenient method of consolidation of folios/accounts.
10. Automatic credit into demat account of shares arising out of split/ consolidation / merger.

You are therefore, requested to:

- a) Approach any Depository Participant (DP) of your choice for opening a Demat Account.
- b) Fill in a Demat Request Form (DRF) and handover the relative physical share certificate(s) to your DP for Dematerialization of your shares.

Shares will get converted into electronic form and automatically credited to your Demat Account.

Important communication to members

The Ministry of Corporate Affairs has taken a “Green initiative in the Corporate Governance” by allowing paperless compliances by the Companies and has issued a Circular stating that service of notice/ documents including annual report can be sent by e-mail to its members. We request you to join us in this noble initiative and look forward to your consent to receive the annual report in electronic form. To support this green initiative of the Government in full measure and in compliance of Section 101 and Section 136 of the Companies Act, 2013, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participant. Members who hold shares in physical form are requested to register the same with OMDC Limited or our Registrar and Transfer Agent, M/S C B Management Services (P) Ltd , P-22, Bondel Road, Kolkata – 700 019 to enable the Company to send the Annual Reports through e-mail instead of physical form.

CHAIRMANS' SPEECH

At the 105th Annual General Meeting

Good Morning!

Ladies & Gentlemen

On behalf of the Board of Directors of the Company, it is a great honor and privilege for me to extend a very warm welcome to all of you at the 105th Annual General Meeting of your company.

The Directors' Report and the Audited Statement of the Accounts for the year FY 2022-23 and the Notice to the Shareholders have already been circulated and with your permission, I take them as read.

Performance of Your Company:

I am pleased to inform you that the Company has achieved some progress towards resumption of mining operations.

Operational Performance:

There was no mining activity of OMDC during the year 2022-23. Owing to non-availability of statutory clearances all the mines have remained non-operational. The company is vigorously pursuing the matter for obtaining statutory clearance with the state government and central government authorities, so as to resume its mining operations at an early date. EC of Bagiaburu has been obtained on 14.07.2023 and mining operations will resume by Sept 2023.

Belkundi mines is having Forest Clearance and public hearing is scheduled to be held on 25.10.2023. Environmental clearance of Belkundi mines will be obtained after successful conductance of public hearing and mining operation will be resumed by 1st quarter of FY 2024-25.

Forest clearance of Bhadrasahi Mines is pending for payment of NPV of Rs 51.25 Crs and hence Public Hearing date is awaited.

All the three BPMEL mining leases are non-operational due to legal cases at High Court-Orissa, High Court-Calcutta, DRAT, Kolkata and Supreme Court of India which are sub-judice.

OMDC obtained permission from Hon'ble Supreme Court of India for Sale of undisposed stock of minerals from Bhadrasahi vide order dated 11.08.2020 and for Belkundi & Bagiaburu mines vide order dated 07.04.2022. Despatch from Bhadrasahi mines started on 28.06.2021 and 1.50 lakh tonnes of Iron & Manganese Ore dispatched during FY 23. ~3.58 lakh tones of additional undisposed stock of Iron Ore Fines (58-60% Fe grade) at Bhadrasahi Mines and ~0.34 lakh tonnes

of Iron Ore Fines (51-55% Fe grade) at Bagiaburu mines have been updated in i3MS Portal on 25.01.2023. For Bagiaburu first E-Auction conducted on 17.03.2023

Financial Performance:

Total earning of Rs 44.95 Crs includes sale of old stocks of Rs 35.53 Crs and interest received from the term deposits of Rs 3.71 Crs during the FY 2022-23. The interest income reduced during the year from the previous year due to depletion of funds on account of repayment of EMI against Short-term loan.

On the other hand, the interest expense decreased to Rs. 2442.68 lakhs in current financial year as compared to Rs. 3000.26 lakhs in previous financial year due against the Short-Term Loan of Rs.310 Cr taken for payment of compensation.

Existing short-term Loan of Rs. 310 crore with outstanding of Rs 271.17 crore has been restructured by deferment of remaining instalments by 15 months i.e. from March 2021 to June 2022. Sanction of total FITL of Rs 36.12 Crs. on STL Loan of Rs 310 Crs. Outstanding balance of ST Loan is 156.40 Crs and outstanding balance of FITL loan is Rs. 17.20 Crs as on 31.03.23.

Profit/ (Loss) before tax stood at Rs. (2721.94) Lakhs compared to Rs. (1357.26) Lakhs for the previous year. Profit/(Loss) after tax was Rs. (1654.18) Lakhs as compared to Rs. (1449.40) Lakhs during the previous year.

Looking Ahead

The mining operation of Bagiaburu mines is expected to resume by Sept 2023. Co terminus Forest Clearance (FC) for Belkundi mines is at an advanced stage. Environmental Clearance of Belkundi mines will be obtained after successful conductance of Public Hearing and mining operation will be resumed by 1st quarter of FY 2024-25.

Exploring the possibility for enhancement of production capacity in near future through up gradation in technological aspects is incorporated in the MDO contract for the operationalization of Belkundi mines.

Dividend for the year FY 2022-23

In view of the accumulated losses incurred by the Company during financial Year 2022-23, your Company have not proposed any dividend.

Corporate Governance

OMDC as a responsible Corporate citizen strongly believes in complying with the basic principles of Corporate Governance i.e. accountability, transparency, fairness and responsibility. Your company being a Central Public Sector Enterprise (CPSE) has been complying in toto with various guidelines issued by DPE/DoPT/DOE and various other government organizations.

Your Company has been adhering to the principles of good Corporate Governance so as to ensure ethical and efficient conduct of the affairs of the Company. OMDC aims at not only its own growth

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

but also maximization of benefits to the shareholders, employees, customers, government and also the general public at large. For this purpose the company is continuously striving to improve its level of overall efficiency through good corporate governance practices in all its operations which are vital to achieve its Vision.

Corporate Social Responsibility (CSR)

Corporate Social Responsibility (CSR) has been an integral part of our business philosophy and your Company has been following it much before it became a norm for the corporate sector in India. As the Average net profits of OMDC for the last three years is negative, no amount was allocated to CSR during FY 2022-23

However, Your Company is focused in areas such as Health, Education, Employment generation, Empowerment of women and Drinking Water etc. which are enumerated under schedule VII of Companies Act, 2013.

Acknowledgement

On behalf of your Company's Board of Directors, I wish to convey my sincere thanks to the valued Shareholders for their continuous support and reposing trust on us. This motivates us to excel in all our pursuits and constant endeavor to create value for the stakeholders.

I take this opportunity to thank the Government of India, Ministry of Steel, Ministry of Mines, Ministry of Environment and Forest & Climate Change, Ministry of Corporate Affairs, other Departments of Government of India, Government of Odisha, and all other Authorities and Regulatory bodies for their unstinted support and valuable guidance.

I also appreciate the continued and dedicated efforts put in by all the employees/unions to overcome many challenges faced during the year. Last but not the least, I would like to thank my colleagues on the Board who have given their valuable time and assistance in charting Company's progressive move.

I thank you all once again and offer my best wishes for a very joyous festive season ahead.

Thank you and Jai Hind.

MESSAGE OF MANAGING DIRECTOR

105TH ANNUAL GENERAL MEETING

Dear Shareholders,

I am honored to stand before you today as the Managing Director of your mining company to present our Annual Report for the year 2023. This year has been one of both challenges and accomplishments, and I am pleased to share our progress with you.

At the outset, I would like to express my gratitude to all our shareholders for the unwavering support and trust in your company. Your support and commitment to Company's vision are the driving forces behind the success.

The year was marked by various challenges, including fluctuating mineral prices, regulatory changes, logistics constraints and the ongoing global economic uncertainties. Nevertheless, our dedicated team and relentless pursuit for excellence have allowed us to overcome these hurdles and achieve significant milestones.

Let me start by highlighting our financial performance. Despite the volatile market conditions, I am pleased to report that our company maintained its financial stability.

In terms of operations, we continued to focus on obtaining the required statutory clearances for early operationalization of mines, safety, sustainability, and efficiency. Our commitment to the well-being of our employees and the communities where we operate remained unwavering. We invested in minimizing our environmental footprint and safety. These efforts not only safeguarded our workforce but also ensured the long-term sustainability of our mining activities.

As responsible stewards of the environment, we are proud to announce our initiatives to reduce our carbon footprint. We have made substantial progress in our journey toward sustainable mining, including sale of undisposed stock at various mines. We understand the importance of preserving our planet for future generations, and we are fully committed to this cause.

Our commitment to the communities where we operate goes beyond just compliance. We have actively engaged with local communities to foster mutual understanding and collaboration. We are committed to community development, education, and healthcare, contributing to the betterment of society in the regions we serve.

The outbreak of the pandemic led to several challenges. As a Company we faced several challenges from postponement of scheduled Public Hearing of OMDC mines and obtaining statutory

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

clearance for operationalization of mines leading to difficulty in loan payment obligation and seeking One Time Restructuring OTR loan with Union Bank of India etc. In these challenges, the only constant was our unwavering focus on continuously delivering our value proposition to our shareholders.

The global macro headwinds notwithstanding, India remains a bright spot. India has remained resilient from geopolitical and other disruption

Looking ahead, the mining industry is expected to face evolving challenges, from shifting market dynamics to increasing regulatory scrutiny. However, we are well-prepared to navigate these challenges. Our strategic vision, innovation, and commitment as responsible miner will continue to drive our success.

In the end, I want to reiterate my gratitude to our shareholders, employees, partners, and stakeholders. Your unwavering support and dedication have been instrumental in our journey so far, and together, we will continue to build a sustainable, responsible, and prosperous future.

We are confident that our company is on a path to sustained growth and success.

Thank you for your trust in your mining company. We look forward to your continued support and a bright future ahead.

- i. F.M.A - 941 of 2012 (F.M.A.T No. - 649 of 2012) & F.M.A - 939 of 2012 (F.M.A.T No. - 650 of 2012)- The case is pending before the High Court, Calcutta

Both the appeals relate to The Orissa Minerals Development Co. Ltd. & Jai Balaji Industries Ltd. The dispute was raised by Jai Balaji Industries Limited concerning the Supply of Iron Ore (10-30 mm) & Iron Ore (5-18 mm) respectively. The matter was referred for adjudication by Arbitrator. Arbitration award was passed in favour of Jai Balaji Industries Limited. As per the award, OMDC is required to pay the claim amount of Rs.5,03,79,834.11 including interest calculated up to 15th September,2010 & further interest till realization of the same and the claim amount of Rs.3,55,03,760.33 including interest calculated up to 15th September,2010 & further interest till realization of the same respectively. OMDC preferred these two appeals against the arbitration awards before the High Court, Calcutta & the matters are sub-judice. Two separate applications filed by Jai Balaji Industries Limited before NCLT, Calcutta, are dropped in terms of the direction passed by NCLAT, New Delhi.

Two execution proceedings, filed by Jai Balaji Industries Limited to execute the arbitration awards passed in its favor i.e. Money Execution Case No.: 04 of 2021 & Money Execution Case No.: 05 of 2021, are pending for adjudications before the Commercial Court, Rajarhat (West Bengal).

Two Revision applications being CO. No. 2110 of 2022 and CO. No. 2111 of 2022 are filed by OMDC before the High Court, Calcutta challenging orders dated 04.06.2022 passed in the above money execution cases. Both the revision applications are pending for hearing.

- ii. Money Execution - Case No. 04/21 (Arising out of Money Suit No. - 46/2019)- the case is pending before, The Commercial Court, Alipore (West Bengal)

The dispute relates to alleged delay in transmission of shares & payment of dividends to the LRs of a deceased share holder. The applicants approached the court claiming compensation for such delay, loss on profit, harassment etc. Vide order (Judgment) dated. 14.09.2021 the suit was decreed on contest with cost in favor of the applicants. OMDC is directed to pay Rs.4,58,16,186/- to the plaintiff with pendentelite & future interest. DHrs. have filed the present execution case for realization of their decretal dues.

The OMDC preferred an appeal being no. FAT- 58/2022 (FMAT- 690/2021) before the High Court, Calcutta on 15.11.2021 challenging the aforesaid judgment dated 14.09.2021 passed by the Ld. Commercial Court, Alipore. A petition (CAN-01/2021) is also filed before the High Court praying for stay of the execution proceeding as an interim relief pending disposal of the Appeal. Vide order dated 22.03.2022 the appeal is admitted. The execution of the decree is directed to be stayed subject to furnishing bank guarantee for Rs.5.00 Crores in favor of Ld. Registrar General of High Court. However, the OMDC due to financial crunch has not been able to furnish the bank guarantee. The appeal is pending for disposal.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

The Bank Guarantee since could not be furnished, the Commercial Court, Alipore took the view to proceed with the instant Execution Case.

iii. Visa Steel Ltd.

A long term agreement was entered into between OMDC & VISA Steel Ltd for supply of BF grade iron ore CLO (10-30mm) Fe 64% (acceptable up to 62.5% Fe) at the basic price of Rs 512 per MT F.O.R Thakurani, Barajamda, Orissa excluding Royalty, Sales Tax and per siding charges on actual basis for a period of 55 months commencing from the date of agreement (21st December,2004) with the provision that the basic price shall be reviewed & revised by OMDC from time to time as applicable to major PSU's & long term customer.

Dispute and difference arose between the parties following which VISA STEEL LTD invoked the arbitration clause. Accordingly, the dispute was referred to arbitration. Both the parties mutually agreed to appoint Sri V N KHARE, Former chief justice, Supreme Court of India as the sole Arbitrator. Visa Steel Ltd claimed an amount of Rs. 190.21 cores and OMDC submitted the counter claim Rs.1.35 cores and additional claim of Rs. 254 Crores with 10% interest.

The arbitration proceeding commenced from 24.01.2008. The last date of sitting was on 14.12.2019. The matter is pending for further adjudication.

iv. East India Minerals Limited [EIML]

An Arbitration proceeding is going on between East India Minerals Limited and OMDC, before three members' bench and the first meeting of the arbitral tribunal was held on 25.04.2007. OMDC challenged the basis of EIML case as untenable at the Arbitration. It is understood that the last sitting of the Arbitration i.e. 32nd sitting was held on 04.02.2016 fixing the next date to 11.03.2016. However, no further date is yet been fixed and the matter remained idle since 04.02.2016.

It is understood from the petition filed by EIML before the High Court, Calcutta that the Learned Presiding Arbitrator (P.A.) has died. Accordingly, EIML filed petition U/s. 14 & 15 of the Arbitration and Conciliation Act, 1996 being A.P. No. 677/2022 before the High Court, Calcutta praying for appointment of a Learned Presiding Arbitrator to Continue with the Arbitration proceeding.

The High Court vide judgment dated 19.05.2023 has allowed the petition filed by EIML and appointed Shri Ashok Kr. Ganguly J. former Judge S.C. as substitute/P.A. The P.A. issued notice to the parties fixing the next dates of hearing to start the proceeding. However, the arbitrator for OMDC expressed his inability to appear as Arbitrator due to his acute ill health and expressed his intention to retire from the proceeding. The advocate for OMDC under instruction has informed the same to the P.A. requesting to defer the proceedings.

CASES RELATING TO BPMEL:

v. Case No.: CA 400/2013 - (Pending before the High Court, Calcutta)

This Company Application related to 3 Mining Leases of BPMEL filed before the Calcutta High Court by TPG Equity Management Pvt. Ltd. (TPGEMPL) against the Official Liquidator, BPMEL and others. In the said application, TPGEMPL prayed to allow the proposed scheme of revival of 3 Mining Leases in its favor staying the winding up / liquidation proceeding of BPMEL. It was further prayed not to jeopardize its right, title and interest over the property of BPMEL. In the said application OMDC has entered its appearance as an intervener and opposing the contention of TPGEMPL.

An interim order in the said application (CA No. 400 of 2013) is passed on 9th August 2019, wherein the Hon'ble High Court directed for formation of a High-Power committee consisting of three members i.e. one from the Central Government, one from the Orissa State Government and one member from Orissa Mineral Development Company (OMDC) to take a decision by a reasoned order with regard to the renewal of the subject leases. The court also directed to hear the version of TPG Equity Management Private Limited while taking the decision.

In compliance of the order, the Dept. of Heavy Industry vide its letter dated. 20.03.2020 formed a High-Power Committee consisting of the representatives of Govt. of India, Govt. of Odisha and OMDC to hear the issue raised by TPGEMPL. Meeting was held on 03.07.2020 through Video Conference. OMDC has submitted its comments to DHI, Govt. of India. It is understood from the Dept. of Steel & Mines, Govt. of Odisha that Govt. of Odisha has preferred appeal to Supreme Court [SLP.(C) No. 007315-007316/2021] challenging the order of High Court, Calcutta. The report of the committee is yet to be filed by DHI before High Court Calcutta.

The Supreme Court vide its order dated 08.10.2021 upon hearing SLP.(C) No. 007315-007316/2021 directed for issue notice staying the operation and effect of the impugned order until further order. The matter is pending for further hearing. OMDC is yet to receive notice for appearance.

vi. Appeal No -129/2014 (AOO. TA/216/94) & Appeal No -130/2014 (AOO. TA/216/94)- Both cases pending before the Hon'ble Debt Recovery Appellate Tribunal, Kolkata

These two Appeals are filled by OMDC before the DRAT, Kolkata. One challenging the Judgment/Recovery Proceedings by DRT-1, Kolkata (being Appeal No.129/2014) and another i.e. Appeal No 130/2014 was filed challenging an Order passed by DRT-1 Kolkata [i.e. exonerating one of the JDr. (Bharat Bhari Udyog) from the liabilities and making OMDC responsible for repayment of loan].

The appeals are being heard in part by the Ld DRAT, Kolkata and awaits for final hearing.

[Be it noted here that, BPMEL had availed certain financial assistance from UCO Bank and couldn't repay the dues. For which UCO Bank filled Money Suit for recovery against BPMEL at HC, Calcutta. The suit was decreed and transferred to DRT-1, Kolkata (being TA- 216/1994) for recovery followed by initiation of Recovery Proceedings (being RP-142/2003) before the RO, DRT-1 Kolkata.]

OPPORTUNITIES	THREATS
<ul style="list-style-type: none">The operation of Bagiaburu mines is likely to start shortly by Sep'2023. Environmental clearance of Belkundi mines will be obtained after successful conductance of public hearing and mining operation will be resumed by 1st quarter of FY 2024-25.	<ul style="list-style-type: none">OMDC is running with acute financial crisis and salaries to the employees are not disbursed regularly.Non vesting of three major mining leaseholds which are in the name of BPMEL constitutes threat.Disposal of various Court Cases lying in various Courts/Revisional Authorities related to mining lease/financial claims.Risk factors such as high inflation, rising energy prices, uncertain international environment, change in government policies could affect the Company's performance adversely.

1. PERFORMANCE

There was no mining activity of OMDC during the year 2022-23. Owing to non-availability of statutory clearances all the mines have remained non-operational. The company is vigorously pursuing the matter for obtaining statutory clearance with the state government and central government authorities, so as to resume its mining operations at an early date. EC of Bagiaburu has been obtained on 14.07.2023 and mining will resume by Sept 2023.

2. OUTLOOK

The mining operation of Bagiaburu mines is expected to resume by Sept 2023. Co terminus Forest Clearance (FC) for Belkundi mines is at an advanced stage. Environmental Clearance of Belkundi mines will be obtained after successful conductance of Public Hearing and mining operation likely to be resumed by 1st quarter of FY 2024-25.

Exploring the possibility for enhancement of production capacity in near future through up gradation in technological aspects is incorporated in the MDO contract for the operationalization of Belkundi mines.

3. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

OMDC has put in place all the necessary internal controls which are adequate and effective.

4. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE OF THE COMPANY

The financial performance of the Company is placed here in below:

a. SALES FROM OPERATIONS AND PROFIT ARE SHOWN IN TABLE I

The details of Sales from operation and Profit after tax for the financial year 2022-23as compared to previous financial year 2021-22 is represented in Table I.

8. CAUTIONARY STATEMENT

Statements made in the Director's Report and Report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations, predictions etc may be "forward-looking statements" within the meaning of applicable laws, rules and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/ supply and price conditions in the domestic markets in which the Company operates, changes in the Government regulations, tax laws, litigation, industrial relations and other statutes and incidental factors. Readers are cautioned not to place undue conviction on the forward-looking statements.

CORPORATE GOVERNANCE REPORT

"Corporate Governance encompasses a set of systems and practices to ensure that the Company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest sense."

1. A BRIEF STATEMENT ON COMPANY'S PHILOSOPHY

The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability in the management's higher echelons. The demands of Corporate Governance require professionals to raise their competence and capability levels to meet the expectations in managing the enterprise and its resources effectively with the highest standards of ethics. It has thus become crucial to foster and sustain a culture that integrates all components of good governance by carefully balancing the complex inter-relationship among the Board of Directors, Audit Committee, Finance, Compliance teams, Auditors and the Senior Management. Above all, OMDC feels honoured to be integral to India's social development. Details of several such initiatives are available in the Report on Corporate Social Responsibility.

Corporate Governance at OMDC is based on the following main principles:

In essence we believe that good corporate governance consists of a system of structuring, operating and controlling a company such as to achieve the following:

- a. A culture based on a foundation of sound business ethics.
- b. Fulfilling the long term strategic goal of the owners while taking into account the expectations of all the key stakeholders, and in particular consider and care for the interests of employees, past, present and future work to maintain excellent relations with both customers and suppliers take account of the needs of the environment and the local community.
- c. Maintaining proper compliance with all the applicable legal and regulatory requirements under which the company is carrying out its activities.
- d. Ensuring timely flow of information to the Board and its Committees to enable them to discharge their functions effectively.
- e. Independent verification and safeguarding integrity of the Company's financial reporting.
- f. A sound system of risk management and internal control.
- g. The annual secretarial audit reports are placed before the Board, is included in the Annual Report.
- h. Timely and balanced disclosure of all material information concerning the Company to all stakeholders.
- i. Transparency and accountability.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

- j. Fair and equitable treatment of all its stakeholders including employees, customers, shareholders and investors.

We believe that an organization must be structured in such a way that all the above requirements are catered for and can be seen to be operating effectively by all the interest groups concerned.

ETHICS POLICIES

At OMDC, we strive to conduct our business and strengthen our relationships in a manner that is dignified, distinctive and responsible. We adhere to ethical standards to ensure integrity, transparency, independence and accountability in dealing with all stakeholders. - i. Nomination Facility: Shareholders who hold shares in the physical form and wish to make/change a nomination in respect of their shares in the Company, as permitted under the

Companies Act, 2013, may obtain from CB Management Services (P) Ltd, the prescribed Form. Members holding shares in electronic form may obtain Nomination forms from their respective Depository Participant (DP).

- ii. Investor Safeguards: In pursuit of the Company's objective to mitigate/avoid risks while dealing with shares and related matters, the following are the Company's recommendations to its members:
 - a. Open Demat Account and Dematerialize your Shares: Members should convert their physical holdings into electronic holdings. Holding shares in electronic form helps Members to achieve immediate transfer of shares. No stamp duty is payable on transfer of shares held in electronic form and risks associated with physical certificates such as forged transfers, fake certificates and bad deliveries are avoided.
 - b. Consolidate your Multiple Folios: Members are requested to consolidate their shareholding held under multiple folios. This facilitates one-stop tracking of all corporate benefits on the shares and would reduce time and efforts required to monitor multiple folios.
 - c. Confidentiality of Security Details: Folio Nos./DP ID/Client ID should not be disclosed to any unknown persons. Signed blank transfer deeds, delivery instruction slips should not be given to any unknown persons.
 - d. Dealing with Registered Intermediaries: Members should transact through a registered intermediary who is subject to the regulatory discipline of SEBI, as it will be responsible for its activities, and in case the intermediary does not act professionally, Members can take up the matter with SEBI.
 - e. Obtain documents relating to purchase and sale of securities: A valid Contract Note/Confirmation Memo should be obtained from the broker/sub-broker, within 24 hours of execution of the trade. It should be ensured that the Contract Note/Confirmation Memo contains order no., trade no., trade time, quantity, price and brokerage.
 - f. Update your Address: To receive all communications and corporate actions promptly, please update your address with the Company or DP, as the case may be.
 - g. Prevention of Frauds: There is a possibility of fraudulent transactions relating to folios which lie dormant, where the Member is either deceased or has gone abroad. Hence, we urge you to exercise diligence and notify the Company of any change in address, stay abroad or demise of any Member, as and when required.
 - h. Monitor holdings regularly: Do not leave your demat account dormant for long. Periodic statement of holdings should be obtained from the concerned DPs and holdings should be verified.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

- i. PAN Requirement for Transfer of Shares in Physical Form: SEBI has mandated the submission of Permanent Account Number (PAN) for securities market transactions and off market/private transactions involving transfer of shares of listed companies in physical form. It is, therefore, mandatory for any transferee(s) to furnish a copy of the PAN card for registration of such transfers. Members are, therefore, requested to make note of the same and submit their PAN card copy.
- j. Mode of Postage: Share Certificates and high value dividend warrants/cheques/demand drafts should not be sent by ordinary post. It is recommended that Members should send such instruments by registered post or courier.

SECRETARIAL AUDIT REPORT

FORM No. MR-3

SECRETARIAL AUDIT REPORT

(for the financial year ended 31st March, 2023)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

The Members

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

C/O Sail Office, Ground Floor, Plot-271 Bidyut Marg, Unit-IV,

Shastri Nagar, Bhubaneswar- 751001

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED (hereinafter called the “Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023, to the extent applicable, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 (“SCRA”) and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:
- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d. Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
 - e. Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021;
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - i. The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015

These Clauses were not applicable during the year under review.

- vi. We further report that the Management has identified and confirmed the following laws as specifically applicable to the Company:
- The Mines Act, 1952;
 - The Mines & Minerals (Development & Regulations) Act, 1957;
 - The Legal Metrology Act, 1986
- vii. Applicable clauses of Secretarial Standards issued by The Institute of Company Secretaries of India. Though there exist systems to monitor and ensure compliance with the applicable Secretarial Standards yet there lies scope to strengthen the same
- viii. The Listing Agreements entered into by the Company with the National Stock Exchange Limited and Calcutta Stock Exchange Limited. The Company has trading permission to trade under permitted category in the Bombay Stock Exchange (BSE).

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

During the period under review the Company has *generally* complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. Due to absence of Independent Directors in the Company, the Company could not comply with certain provisions of SEBI (LODR) Regulations 2015, the Companies Act, 2013 and DPE guidelines on Corporate Governance. The Company has initiated to take corrective measures for the same.
2. The Company has appointed Internal Auditor but provisions under Section 138 of the Companies Act, 2013 has not been fully complied with.
3. There still remains an unspent amount on account of expenditure under Corporate Social Responsibility out of the total budget approved for the said purpose.
4. There has been delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company. The company has initiated corrective measures to rectify the same.
5. Delay in Reporting under Regulation 13(3), 31(1)(b) and 27(2) for the quarter ended 30th June 2022 has been observed. Delay in Adoption of Unaudited Financial Results under Regulation 33 for the quarter ended 30th June 2022 has been observed. Delay in submission of declaration under Regulation 33(3)(d) of the SEBI (LODR) Regulations, 2015 w.r.t appointment of auditor was seen. The Company has also not complied with Regulation 46(2) regarding website updation and Regulation 47 of SEBI LODR Regulations with regard to publication in the newspapers is being complied since December,2022 quarter. No disclosure has been made under Regulation 74(4) and 74(5) of the SEBI (Depositories and Participants) Regulations. Delay of 1 day in prior intimations of Board Meeting held for Adoption of Unaudited Financial Results for the quarter ended 30th June 2022 has been observed. Delay in intimation of Closure of Trading window for declaration of Financial Results for the quarter ended 30th June 2022 and 30th September 2022 has been observed. Delay in Intimation regarding Order of Supreme Court that the Company is permitted to sale its Undisputed Stock lying in Belkundi Iron and Mn. Mines and Bagiaburu Iron Ore Mines has been observed. Delay in submission of Reconciliation of share capital audit report for the quarter ended 30th June 2022 has been observed. Regulation 3(5) and 3(6) of SEBI (PIT) Regulations, 2015 requires Structured Digital Database (SDD) to be maintained by the company but the Company has purchased the said software on March 2023, hence there was delay in implementation. The Company is in receipt of various notices involving penalties w.r.t. violations under SEBI Regulations. Payment of penalty to NSE is pending for many instances since last few years. The company has applied for waiver with NSE in most of the notices and the company has paid penalty to NSE where the waiver request is rejected by NSE.

6. Since the Company is not having information about the status of all its agencies / enterprises from whom the company procures goods and services, hence identification of all the parties falling under the definition of Micro, Small and Medium Enterprises Development Act, 2006 could not be made and therefore relevant disclosure has not been made during the review period.

We report that, having regard to the compliance system prevailing in the Company and as certified by the Management and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the laws specifically applicable to the Company as detailed above.

We have not verified the correctness, appropriateness and bases of financial records, books of accounts and decisions taken by the Board and by various committees of the Board during the period under scrutiny. We have checked the Board process and compliance management system to understand and to form an opinion as to whether there is an adequate system of seeking approval of respective committees of the Board, of the members of the Company and of other authorities as per the provisions of various statutes as mentioned above.

We further report that:

- a. The Board of Directors of the Company is not properly constituted as the Company does not have prescribed number of Independent Directors in its Board and compliance pertaining to functions and duties as required to be discharged by Board Sub committees are not made during the year under review.
- b. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for the meetings (except that for certain Board meetings were held at shorter notice period or wherein agenda and detailed notes on agenda were sent for a period less than seven days in advance and as per information available to us, the same was held with consent of all the Directors) and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c. As per the minutes of the meetings of the Board duly recorded and signed by the Chairman, the majority decision of the Board was unanimous and no dissenting views have been recorded.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

We further report that during the audit period, the Company has the following specific events/actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

1. OMDC was operating six Iron Ore and Manganese Ore mining leases at Barbil in the district of Keonjhar, Odisha. CAG COMMENTS ON FINANCIAL STATEMENTS OF OMDC

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The preparation of financial statements of The Orissa Minerals Development Company Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 07 July 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of The Orissa Minerals Development Company Limited for the year ended 31 March 2023 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

A.	Comments on Financial Position
	Balance Sheet
1.	<p>Capital Work-in-Progress (Notes-6.2): ₹ 359.97 lakhs</p> <p>The above includes ₹ 245.39 lakh incurred by OMDC towards exploration of Brahmani Coal Block. Ministry of Coal, Gol allotted (July 2016) Brahmani Block with an estimated reserve of 58.90 million tonne Coal in Odisha to OMDC. The Company incurred ₹ 245.39 lakh towards exploration of the coal block and the same had been kept under Capital Work-in- Progress. Subsequently, based on approval (February 2022) of OMDC Board for surrender of the coal block, OMDC requested (May 2022) Ministry of Coal to facilitate the surrender of coal block. Ministry of Coal accorded (July 2022) its approval for surrender of coal block and returned back the bank guarantee furnished by OMDC.</p> <p>As per Ind AS 36, an asset is impaired when the carrying amount exceeds its recoverable amount. As no amount is recoverable from the Capital Work-in-Progress, the same should have been charged. Depiction of surrendered coal block in Capital Work-in-Progress had resulted in overstatement of Capital Work-in-Progress and understatement of Loss for the year by ₹ 245.39 lakh.</p>
2.	<p>Other Current Assets (Note-12B): ₹ 2 3,277.73 lakh</p> <p>The above includes ₹ 2,715.14 lakh deposited by OMDC (₹ 2,515.14 lakh on 29.12.2017 and ₹ 200 lakh on 16.11.2018) with Government of Odisha towards compensation payable under Section 21(5) of Mines and Minerals Development Regulation Act, 1957 on extraction of minerals without/in excess of Environmental Clearance/Forest Clearance in respect of leases in the name of Bharat Process and Mechanical Engineers Limited (BPMEEL), being operated by OMDC on power of attorney basis. The deposit of ₹ 2,715.14 lakh made by OMDC had been appropriated by Government of Odisha as part payment. In view of uncertainty in getting refund/adjustment, OMDC should have made full provision against the amount so deposited with Government of Odisha.</p> <p>Non-provision of the same has resulted in overstatement of Other Current Assets and understatement of Loss for the year by ₹ 2,715.14 lakh.</p> <p>This issue was also commented by C&AG on the financial statement of OMDC for the year 2019-20, 2020-21 and 2021-22.</p>

3. Other Current Liabilities (Note-22): ₹ 13,853.54 lakh

Government of Odisha has renewed (February 2020) Belkundi and Bhadrasahi mining leases of OMDC upto 15 August 2026 and 30 September 2030 respectively with a direction to execute supplementary lease deed within three months. For execution of lease deed, OMDC is liable to pay Stamp Duty (five per cent) and Registration Charges (two per cent), to be assessed as per the Government of Odisha Gazette Notification of January 2012.

As per company's assessment, ₹ 7,427 lakh was payable towards stamp duty and registration charges (Bhadrasahi: ₹ 3,560 lakh and Belkundi: ₹ 3,867 lakh). Non-provision for stamp duty and registration charges payable to Government of Odisha towards execution of supplementary lease of two mining leases of OMDC has resulted in understatement of Current Liabilities by ₹ 7,427 lakh and understatement of Intangible Assets (net of amortization expenses) by ₹ 1,980 lakh. Further, considering the life of the respective leases, current year amortization expenses is understated by ₹ 371 lakh and Retained Earnings (Loss) is understated by ₹ 5,076 lakh.

This issue was also commented by C&AG on the financial statement of OMDC for the year 2019-20, 2020-21 and 2021-22.

Other Current Liabilities (Note-22): ₹ 13,853.54 lakh

Government of Odisha had renewed (February 2020) the mining leases of OMDC namely Belkundi and Bhadrasahi upto 15 August 2026 and 30 September 2030 respectively with a direction to execute supplementary lease deed subject to availability of the requisite forest clearance. Subsequently, OMDC applied for extension of forest clearance co-terminus with the extended mining lease period for the above mines. Government of Odisha demanded (October 2021) ₹ 1,974 lakh and ₹ 5,125 lakh towards Net Present Value on the forest land included in the lease out of which OMDC agreed for payment of ₹ 1,808 lakh and ₹ 5,111 lakh respectively and requested Government of Odisha for revision in demand. The amounts had not yet been paid and disclosed under contingent liabilities of the Company.

As per Para 4.2 of the Ind-AS accounting policy of the Company, mining rights comprising of NPV and related payments to Government authorities for iron ore and manganese mines are amortised over the period of lease from the date of payment or date of renewal of mining lease whichever is earlier. OMDC, however, in violation of its accounting policy had neither provided for the NPV due nor amortised it from the date of renewal of mining lease.

Thus, this has resulted in understatement of Current Liabilities and 'Plant Property and Equipment' by ₹ 6,919 lakh. Further considering the life of the respective leases, this has also resulted in understatement of Depreciation and Amortisation Expenses by ₹ 2,387 lakh with consequent understatement of Loss for the year by the same amount. The Contingent Liabilities has also been overstated by ₹ 6,919 lakh.

5.	<p>Other Current Liabilities (Note-22) : ₹ 13,853.54</p> <p>In view of delay in realisation from sale of additional undisposed stock/mining operation and urgency to pay the quarterly EMI on short term loan and monthly interest on Funded Interest Term Loan, OMDC availed trade advance amounting ₹ 10,200 lakh from Rashtriya Ispat Nigam Limited (RINL) against future supply of iron ore from OMDC mines.</p> <p>The trade advance from RINL was interest bearing which was to be calculated at the monthly average rate on the working capital borrowing of RINL on the outstanding trade advance at the respective period. The interest was to be recovered against future supplies first followed by adjustment of principal against value of supplied quantity.</p> <p>OMDC had not made provisions for interest amounting to ₹ 283.55 due on trade advance as on 31 March 2023. This has resulted in understatement of Other Current Liabilities and Loss for the year by ₹ 283.55 lakh.</p>

MANAGEMENT REPLY TO CAG COMMENTS

The management reply to CAG comments on the financial statements of The Orissa Minerals Development Company Limited for the year ended 31 March 2023 are as given in accordance with the financial reporting framework.

A.	Management reply to CAG Comments on Financial Position
1.	<p>Capital Work-in-Progress (Notes-6.2): Rs. 339.97 lakh</p> <p>The allocated Coal Block was surrendered to MoC in Jul'22.</p> <p>OMDC has paid Rs.245.40 lakhs to Central Mine Planning and Design Institute CMPDIL, a subsidiary of Coal India CIL, a PSU, under Ministry of Coal MoC, for exploration work .</p> <p>OMDC is yet to pay CMPDIL of Rs.11 lakhs which was kept as Security Deposit SD for the said work. The process of releasing the SD and closure of contract is underway. CMPDIL was requested to submit the “No-Dues Certificate (NDC)” for above job. This is a procedural issue between two CPSU’s and likely to be completed during H1FY24.</p> <p>After the receipt of NDC, the expenditure under this head will be charged to revenue in OMDC Books of accounts.</p> <p>Considering above Audit is requested to drop the above para.</p>
2	<p>Other Current Assets (Note-12B): Rs.3277.73 lakh</p> <p>OMDC was operating three leases of BPMEL as beneficial owner by virtue of a power of attorney granted by BPMEL the nominal owner pursuant to the order of Hon’ble Supreme Court dated 2.8.2017 in WP(C) 114/2014.</p> <p>The GoO imposed a penalty of ~ Rs 862 Crs for the three leases. The notices were served on OMDC though addressed to BPMEL.</p> <p>Earlier both BPMEL & OMDC had filed affidavit required as per Mineral Concession Rules 1960 for transfer of mining leases from BPMEL to OMDC. But GoO has not transferred the leases in favour of OMDC.</p> <p>Further the above matter of ownership of the three mines is mired in legal controversy and pending before the High Court of Kolkata and the Hon’ble Supreme Court of India.</p> <p>In order to not lose its claim on the valuable asset, OMDC has paid an amount of Rs 2715 lakhs as penalty.</p> <p>This has been shown as advance paid in protest to Gov. of Odisha GoO.</p>

3	<p>Other Current Liabilities (Note-22): Rs. 13853.54 lakh</p> <p>Mining Sector is marked by uncertainty around getting “Statutory Clearances” from State Government. OMDC has been struggling to revive its mining operation since more than one decade for want of Statutory Clearances.</p> <p>Further, OMDC has paid Rs. 610 Lac towards stamp duty & registration fees and executed the supplementary lease deed of Bagiaburu mines for the period from 11.10.2021 to 10.10.2041 after receipt of “Demand Notice” (DN) from Govt. Of Odisha.</p> <p>In case of Belkundi & Bhadrāsahi mines OMDC has yet to receive “Demand Notice” towards payment of stamp duty & registration fees.</p> <p>As the stamp duty & registration fees is calculated based on the average sales price of last 12 months declaration by IBM, the value to be paid to GoO would change as per the date of DN.</p> <p>In view of the above, OMDC has not created provision towards stamp duty & registration fees w.r.t. Belkundi & Bhadrāsahi mines.</p>
4	<p>Other Current Liabilities (Note-22): Rs.13853.54 lakh</p> <p>The Net Present value (NPV) for Belkundi & Bhadrāsahi mines amounting to Rs 70.99 Crs (Rs.19.74 Cr and Rs.51.25 Cr respectively) is not paid by OMDC yet. However, OMDC has shown the amount of Rs 70.99 Crs as Contingent Liability for FY'23.</p> <p>Meanwhile OMDC has calculated NPV amount as Rs 69.19 (Rs.18.08 Crs and Rs.51.11 Crs for Belkundi & Bhadrāsahi respectively) against the Demand Notice of Rs 70.99 Crs and same was communicated to Forest Dept of GoO for issuance of Revised final Demand Notice. OMDC is yet to receive the revised final Demand Notice.</p> <p>In view of</p> <ul style="list-style-type: none"> - pending final Demand notice from GoO, and - the fact that the mining lease of both mines (Belkundi & Bhadrāsahi mines has been extended instead of renewal and supplementary lease deed is yet to be executed <p>the Amortization of NPV over the period of lease was not done during FY'23 and OMDC expects the same to be likely done during FY'24 after the receipt of Revised final Demand Notice from GoO.</p>

5

Other Current Liabilities (Note-22) : Rs. 13,853.54

The trade advances received from RINL is interest bearing which is calculated at the monthly average rate on the working capital borrowing of RINL on the outstanding trade advance at the respective period (monthly basis). The monthly average rate of working capital borrowing for RINL, total interest amount was not booked in 2022-23.

However, we have considered the same in the current FY'24 by charging to revenue and booking the liability.

AUDITORS' REPORT

To

The Members of
The Orissa Minerals Development Company Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of M/s. The Orissa Minerals Development Company Limited (“the Company”) which comprises the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss (including Other Comprehensive Income), statement of changes in Equity and statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and the Loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants (ICAI) of India together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

- i. Reference is invited to the Note No. 28 and note no. 5 of Segment Reporting wherein it has been stated that Pursuant to the Judgement of Hon'ble Supreme Court dated 02.08.2017, Dy. Director of Mines, Odisha had issued different demand notices dated

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

02.09.2017, 23.10.2017 & 13.12.2017 to OMDC for OMDC Leases and to BPMEL for BPMEL Leases towards compensation. The amount of Demand for OMDC Leases is Rs. 70218.46 Lacs and for BPMEL Leases is Rs. 86157.12 Lacs, totalling Rs. 156375.58 Lacs towards EC, FC and MP/CTO. OMDC had been operating BPMEL Leases backed by Power of Attorney to sign and execute all mining leases and other mineral concessions from time to time. OMDC has paid the compensation of OMDC Leases of Rs.87622.10 Lakhs towards OMDC Leases (Rs. 1479.68 Lakhs on 29.12.2017, Rs. 13093.47 Lakhs on 16.11.2018, Rs. 693.45 Lakhs on 30.01.2019, Rs. 40000.00 Lakhs on 01.03.2019, Rs. 100 Lakhs on 20.09.2019 and Rs. 32255.50 Lakhs on 03.10.2019) in 2017-18, 2018-19 and 2019-20 out of its own fund of Rs.56622.10 Lac and borrowed fund from Bank Rs.31000.00 Lac . OMDC has paid a sum of Rs. 2715.14 Lakhs (Rs. 2515.14 Lakhs on 29.12.2017 and Rs. 200.00 Lakhs on 16.11.2018) towards BPMEL Leases under protest. The remaining amount of compensation including interest upto 31.03.2023 against BPMEL Leases amounting Rs. 186061.84 Lac are shown under Contingent Liability.

- ii. The mine stock has been assessed by a third party, Superintendence Co. of India (P) Ltd. for qualitative and quantitative verification as on 31.03.2023. The certificate of the said third party mentions in a note that for the old stock No.124 which is located at Thakurani Iron Ore Mines, was lying along the rail track at No.2 siding earlier and a platform along the rail track had been prepared by SE Railway by using the mixed iron ore of the same stack lying along the rail track. The stack could not be assessed as the iron ore has been mixed up with other waste within the platform. Assessment can be done after retrieving, screening and stacking of ore from the platform.

The total quantity in the same stake was 18744.124 MT as per physical verification report for 2015-16. The identified stock in 2022-23 by the third party is 1742.98 MT. Management has considered the stock lying under the platform for valuation. SE Railway has issued circular dated 27/10/17 by virtue of which the rights and powers to permit the use of the Railway Siding for the traffic of any person and to work such traffic over this siding has been withdrawn.

- iii. Reference is invited to the Note 39 to the Standalone Financial Statements. Mining operation of the Company is continued to remain suspended due to non-renewal of the leases and non-receipt of requisite clearances from the Government of Odisha and the Central Government. These conditions indicate the existence of a material uncertainty to resume the mining operations. These standalone financial statements have been prepared on a going concern basis mainly for the initiative taken by the Company's management for opening of the mines and resumption of mining operations.

Our opinion is not modified on account of above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the "Annual Report" (as defined in CAS 720), but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and the other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Company to express an opinion on the standalone financial statement. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the company and such other entities included in the standalone financial statements of which we are the independent auditors, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence; and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Companies Act 2013, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. We have complied with the Directions and Sub-Direction given by the Comptroller & Auditor General of India under section 143(5) of the Act while conducting the audit, and on the basis of information and explanations given to us in this regard by the Company, we give in

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

Annexure B to this report, a statement on the matters specified in such Directions and Sub-Directions.

3. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement and statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone Ind-AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. The provisions of section 164(2) are not applicable to the Company as it is a Government Company.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we refer to our separate report in Annexure C; and
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 36 to the Standalone Ind AS financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

 - e. Valuation of inventory has been done based on cost or net realizable value (Average Sales Price as per Indian Bureau of Mines) whichever is lower.
 - f. According to the information and explanations given to us the Company has not granted any loan, secured or unsecured to companies, firms, limited liability partnership or other parties covered in the register maintained under section 189 of the Companies Act 2013. Accordingly, the provision of clauses 3(iii) (a), (b) and (c) of the order is not applicable to the companies and hence not commented upon.
2. In our opinion and according to information and explanations given to us, the Company has not granted any loan and given guarantee and security to any companies, as such the provision of section 185 and 186 of the Companies Act 2013 not applicable.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

3. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
4. The Central Government of India has prescribed maintenance of cost records under sub-section (1) of Section 148 of the Act for the products of the company. However, as the turnover of such products is lower than the prescribed threshold limits, in our opinion, maintenance of cost records is not applicable.
5. .
- a. According to the information and explanations given to us and the records of the Company examined by us, the Company is not paying regular dues regarding the undisputed statutory dues including Income-tax, Sales-tax, Provident Fund, Service tax, Goods and Service Tax, Duty of customs, Duty of excise, Value Added Tax, Cess and any other statutory dues with the appropriate authorities. Odisha Entry Tax Act, 1999	Entry Tax	1.26	2006-07	Commissioner of Commercial Taxes (Appeal)
Finance Act, 1994	Service Tax	6.29	2012-13	Commissioner of Service Tax (Appeal)

6. The Company has not defaulted in repayment of loans and borrowings.
7. Based upon the audit procedures performed and the information and explanations given by the management, the Company has neither raised any money by public issues of shares or debentures.
8. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and information and explanations given to us, we have not come across any instances of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor we have been informed of any such case by the management.
9. In our opinion and according to the information and explanations given to us the provisions of section 197 read with Schedule V to the Act are not applicable to the Company.
10. As the Company is not a Nidhi Company, the Nidhi rules 2014 are not applicable to it. The provisions of clause 3 (xii) of the Order are not applicable to the Company.
11. According to the information and explanations given to us and the records of the Company examined by us, the requirements of sections 177 and 188 of the Act is not applicable to this Company.
12. According to information and explanations given to us and on an overall examination of the Balance Sheet of the Company has not made a preferential allotment/ private placement of shares or fully or partly convertible debentures during the year under review, and hence, reporting requirements under clause 3(xiv) of the order are not applicable to the Company and not commented upon.
13. Based upon the audit procedures performed and the information and explanations given by the management, we have not come across any instances where the Company has entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company.
14. In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company.
15. Based upon the audit procedures performed and the information and explanations given by the management Company has incurred cash losses for Rs. 2395.07 lakhs in the F.Y. 22-23.
16. This clause is not applicable because, the statutory auditor has not given resignation during the year.
17. On the basis of financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities we are of the opinion that no material uncertainty exists as on the date of audit report.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

18. Mining operation of the Company is continued to remain suspended due to non-renewal of the leases and non-receipt of requisite clearances from the Government of Odisha and the Central Government. These conditions indicate the existence of a material uncertainty to resume the mining operations. Therefore, in such circumstances, there is a reasonable doubt that the company may not be capable of meeting its liabilities existing at the balance sheet date as and when they fall due within a period of 1 year from the balance sheet date.
19. According to the information and explanations given to us the Company is not earning any profit during the last 3 Financial Year, hence sub-section (5) of section 135 of the Companies Act, 2013 related CSR expenditure is not applicable to the company.
20. This CARO based on the standalone financial statements of the Company, hence the clause is not applicable.

ANNEXURE 'B' TO THE AUDITOR'S REPORT

Report on the Directions by the Comptroller & Auditor General of India (C&AG) under section 143(5) of the Companies Act, 2013 for the Financial Year 2022-23

1. Whether the Company has system in place to process all the accounting transactions through IT system? If yes, the implication of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any may be stated.

Yes, all the accounting transactions are accounted for through IT System. However, as explained to us, there are operations/transactions which takes place outside the system but have a bearing on the accounts of the Company.

As per past practice, all transactions are manually entered in the software which maintains regular books of account.

As per existing practice, there are chances of some aforesaid transactions being missed to be accounted as the flow of accounting transactions are not automated at the point of generation of transaction. The financial implications of transactions outside the IT system are unascertainable.

2. Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In case, lender is a government company, then this direction is also applicable for statutory auditor of lender company).

To the best of our knowledge and according to the explanations and information given to us, there are no cases of waiver/write off of debts/loans/interest etc. or any restructuring of an existing loan during the period under audit.

3. Whether funds (grants/subsidy etc.) received/receivable for specific schemes from Central/State Government or its agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.

As explained to us and on the basis of information available, the Company has not received any funds from Central/State agencies.

ANNEXURE- C TO THE INDEPENDENT AUDITORS' REPORT

To

The Members of

The Orissa Minerals Development Company Limited

[Referred to in paragraph 3 (f) under head Report on Other Legal and Regulatory Requirements of the Auditors' Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –sections 3 of Section 143 of the Companies Act, 2013(“the Act”)

We have audited the internal financial controls over financial reporting of The Orissa Minerals Development Company Limited (“the Company”) as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Control

The Company’s management is responsible for establishing and maintaining Internal Financial Controls based on the internal control over Financial Reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial Reporting.

Meaning of Internal Financial Control over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statement for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of standalone financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statement.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

IND AS ACCOUNTING POLICIES

1. General Information

The Orissa Minerals Development Company Limited (hereinafter referred to as “OMDC” or the “Company”) was incorporated on 16th August, 1918. It was Nationalized by the Government of India by virtue of the Bird & Company Ltd (Acquisition and Transfer of undertaking and other properties) Act, 1980 (Act No: 67 of 1980) in the year 1980. It became a Schedule-B PSU w.e.f 19th March, 2010, as a subsidiary of EIL, which also become PSU on 19th March, 2010.

Eastern Investment Limited (EIL) became a subsidiary of RINL (Rashtriya Ispat Nigam Limited) on 5th January, 2011.

The company is listed at Calcutta stock exchange (CSE), National Stock Exchange (NSE) and got trading permission to trade under permitted category in Bombay Stock Exchange (BSE).

OMDC operates six Iron Ore and Manganese Ore mining leases at Barbil in the district of Keonjhar, Odisha, namely Dalki Manganese Mines, Kolha Roida Iron & Manganese mines, Thakurani Iron and Manganese Mines, Belkundi Iron and Manganese Mines, Bagiaburu Iron Mines and Bhadrasahi Iron and Manganese Mines.

The lease rights of all the six mines have expired. Presently, all the six mines are inoperative due to non-availability of Forest and Environment clearance. The Company is in process of getting the required clearances.

2. Application of new and revised Ind-AS

As the Ministry of Corporate Affairs (MCA) notified IND-AS – 116 – “Leases” from Financial Years beginning on 1st April, 2019, superseding the IND-AS -17-“Leases”, we have adopted IND-AS-116 from the Financial Year commencing on 1st April, 2019 using the modified Retrospective approach for transitioning to IND- AS - 116.

3. Significant accounting policies

The financial statements of the Company have been prepared in accordance with the relevant provisions of the Companies Act, 2013, Indian Accounting Standards (Ind-AS) prescribed under section 133 of the Companies Act, 2013.

Accounting Policies have been consistently applied except where a newly – issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

4. Basis of preparation and presentation

Prior to adoption of Ind AS, the Company had been preparing its financial statements for all periods up to and including the year ended 31 March 2016, in accordance with generally accepted accounting principles in the India, including accounting standards specified under Section 133 of

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (“Indian GAAP”).

All assets and liabilities have been classified as current or noncurrent as per Company’s operating cycle and other criteria set out in Schedule-III of the Companies Act 2013. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the purpose of Current-noncurrent classification of assets and liabilities.

The Company has adopted all the issued Ind ASs and such adoption was carried out in accordance with Ind AS 101- First Time Adoption of Indian Accounting Standards. The Company has transited from Indian GAAP which is its previous GAAP, as defined in Ind AS 101.

The financial statements have been prepared on historical cost basis, except for financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosures in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102 – Share based Payments, leasing transactions that are within the scope of Ind AS 17 - Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below:

4.1. Property, Plant and Equipment

Property, plant and equipment held for use in the production or/ and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Initial Measurement

The initial cost at cash price equivalent of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, any directly attributable costs of bringing the assets to its working condition and location and present value of any asset restoration obligation or obligatory decommissioning costs for its intended use.

Expenditure incurred on development of freehold land is capitalized as part of the cost of the land.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of overheads, directly attributable borrowing costs.

Subsequent expenditure

Subsequent expenditure on day- to- day servicing of an item of property, plant and equipment is recognized in profit or loss as incurred. However, expenditure on major maintenance or repairs including cost of replacing the parts of assets and overhaul costs where it is probable that future economic benefits associated with the item will be available to the Company, are capitalized and the carrying amount of the item so replaced is derecognised.

Insurance spares that are specific to a fixed asset and valuing more than Rs. 1 lakh per unit are capitalized along with the main assets. All other spares are recognized as inventory, except for spares which are having a useful life greater than a year and can to be identified as components in an asset are capitalized.

Capital work-in-progress

Assets in the course of construction for production or/and supply of goods or services or administrative purposes, or for purposes not yet determined, are included under capital work in progress and are carried at cost, less any recognized impairment loss. Cost includes professional fees and for qualifying asset, borrowings costs capitalized in accordance with the Company's accounting policy. Such capital work in progress, is transferred to the appropriate category of property, plant and equipment when completed or starts operating as per management's intended use.

Costs associated with the commissioning of an asset are capitalized where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed.

Depreciation

Depreciation on assets are provided over their estimated useful lives or, in the case of leased assets (including leasehold improvements), over the lease term if shorter. The lease period is considered by excluding any lease renewals options, unless the renewals are reasonably certain. Depreciation on assets are provided on a straight line basis over the useful life of the asset in the manner prescribed under Schedule II of the Companies Act, 2013.

The estimated useful lives and residual values are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis. Each component of an item of property, plant and equipment with a cost that is significant in relation to the total cost of that item is depreciated separately if its useful life differs from the others components of the asset.

Property, plant and equipment which are subject to componentisation, comprises of main assets, componentised assets and remainders, if any. The useful life of remainders carry the life of main assets unless the same based on technical evaluation is considered to be lower than that of the main asset, in which case, such lower useful life is considered.

The residual value of property, plant and equipment are maintained at 5% of the original cost.

Subsequent expenditure related to an item of property, plant and equipment is prospectively depreciated over the revised useful life of respective assets.

The estimated range of useful lives are as follows:	Years
Buildings	30 – 60
Plant and machinery	8 - 10
Railway Siding	15
Motor Vehicles	8
Furniture and fixtures	10
Computers	3- 10

Freehold land is not depreciated

Depreciation commences when the assets are ready for their intended use. Depreciated assets on property, plant and equipment and accumulated depreciation thereon are retained fully until they are de-recognized or classified as non-current assets held for sale.

Disposal of assets

An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

Deemed cost on transition to Ind AS

For transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognized as of 1 April, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

4.2. Intangible Assets

Intangible assets acquired separately

Intangible assets acquired are reported at cost less accumulated amortisation and accumulated impairment losses. Intangible assets having finite useful life are amortised over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each annual reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Mining Rights

The costs of mining rights include amounts paid for afforestation and wild life conservation as determined by the regulatory authorities are capitalized as “Mining rights” in the year in which they are incurred. Cost of pre-production primary development expenditure other than land, buildings, plant and equipment are capitalized as part of the cost of the mining property until the mining property is capable of commercial production. Capitalized mining properties are amortised on a unit-of-production basis over the total estimated remaining commercial reserves of mining property and are subject to impairment review.

Derecognition of intangible assets

An intangible asset is de-recognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognized in the statement of profit and loss when the asset is de-recognized.

Amortization

The estimated useful lives for the main categories of intangibles assets having finite useful life are as follows:

- a. Acquired computer software are classified as intangible assets and carries a useful life of 4 years.
- b. Mining Rights comprising of NPV and related payments made to government authorities for iron ore and manganese mines are amortized over the period of lease from the date of payment or date of renewal/ deemed renewal of mining lease whichever is earlier.

Deemed cost on transition to Ind AS

For transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognized as of 1 April, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

4.3. Impairment

Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of profit and loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the statement of profit and loss.

4.4. Investments in joint ventures

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

Investments in joint ventures are accounted for at cost.

4.5. Provisions and contingencies

Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable (“more likely than not”) that it is required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the estimated cash flows to settle the present obligation, its carrying amount is the present value of those cash flows. The discount rate used is a pre-tax rate that reflects current market assessments of the time value of money in that jurisdiction and the risks specific to the liability.

a. Restoration, rehabilitation and decommissioning

An obligation to incur restoration, rehabilitation and environmental costs arises when environmental disturbance is caused by the development or ongoing production of a mine and other manufacturing facilities. Such costs, discounted to net present value, are provided for and a corresponding amount is capitalized at the start of each project, as soon as the obligation to incur such costs arises. These costs are charged to the statement of profit or loss over the life of the operation through the depreciation of the asset and the unwinding of the discount on the provision. The cost estimates are reviewed periodically and are adjusted to reflect known developments which may have an impact on the cost estimates or life of operations. The cost of the related asset is adjusted for changes in the provision due to factors such as updated cost estimates, changes to lives of operations, new disturbance and revisions to discount rates. The adjusted cost of the asset is depreciated prospectively over the lives of the assets to which they relate. The unwinding of the discount is shown as finance and other cost in the statements of profit or loss.

b. Environmental liabilities

Environment liabilities are recognized when the Company becomes obliged, legally or constructively to rectify environmental damage or perform remediation work.

c. Litigation

Provision is recognized once it has been established that the Company has a present obligation based on consideration of the information which becomes available up to the date on which the Company’s financial statements are finalized and may in some cases entail seeking expert advice in making the determination on whether there is a present obligation.

Contingent Liabilities

Contingent liabilities arising from past events the existence of which would be confirmed only on occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the Company or contingent liabilities where there is a present obligation but it is not probable that economic benefits would be required to settle the obligations are disclosed in the financial statements unless the possibility of any outflow in settlement is remote.

Contingent Assets

Contingent assets are possible assets that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Contingent assets are disclosed in the financial statements when inflow of economic benefit is probable on the basis of judgment of management. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate. Contingent assets are disclosed in the financial statements when inflow of economic benefit is probable.

4.6. Leasing

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 has become effective w.e.f. 1 April 2019, which eliminates the classification of leases as either finance or operating lease as required by Ind AS 17, Leases. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The Company would be recognizing a right-of-use asset and a corresponding lease liability in its balance sheet. Apart from the balance sheet, statement of profit & loss of a company would also undergo a change as operating lease expenses will be bifurcated into depreciation on the right-of-use asset and interest expense on the lease liability. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual period beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors.
- Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application.

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

- Its carrying amount as if the standard had been applied since the commencement of the date, but discounted at lessee's incremental borrowing rate at the date of initial application or
- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Certain practical expedients are available under both the methods.

On completion of evaluation of the effect of adoption of Ind AS 116, the company is proposing to us the 'Modified Retrospective Approach' for transitioning to Ind AS 116, and take the cumulative adjustment to retained earnings, on the date of initial application (April 1, 2019). Accordingly, comparatives for the year ending or ended March 31, 2019 will not be retrospectively adjusted. The company has elected certain available practical expedients on transition.

Applicability of Ind AS 116:

This standard applies to all leases, including leases of right-of-use assets in a sublease, except for:

- Leases to explore for or use minerals, oil, natural gas, and similar non-regenerative resources;
- Leases of biological assets within the scope of Ind AS 41, Agriculture, held by a lessee
- Service concession arrangements within the scope of Appendix D, Service Concession Arrangements, of Ind AS 115, Revenue from Contracts with Customer
- Licenses of intellectual property granted by a lessor within the scope of Ind AS 115, Revenue from Contracts with Customers

Rights held by a lessee under licensing agreements within the scope of Ind AS 38, Intangible Assets, for such items as motion picture films, video recordings, plays, manuscripts, patents and copyrights

Note: A lessee may, but is not required to, apply this Standard to leases of intangible assets other than those described in above point (v)

Identifying a lease:

Below conditions need to be fulfilled if the contract is to be classified as lease:

- Identified asset.
- Lessee obtains substantially all of the economic benefits.
- Lessee directs the use.

Thus from the above classification of applicability of Ind AS 116 in respect of OMDC, the standard under IND AS 116 cannot be made applicable for OMDC as the main purpose of the business is exploring minerals, Intangible Assets do not cover items such as motion picture films, video recordings, plays, manuscripts, patents and copyrights and there is no such contract where asset has been identified against economic benefits. Hence IND AS 116 could not be made applicable in FY 2019-20.

4.7. Inventories

Inventory of raw material, stores and spares are valued at cost net of CENVAT/ VAT credit wherever applicable. Cost is determined on moving weighted average price on real time basis.

Inventories of finished goods, semi-finished goods and work in process are valued at lower of cost and net realizable value. Cost is generally determined at first in first out basis (FIFO) and includes appropriate share of labour and related overheads. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost necessary to make the sale.

Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Net realizable value is taken as per the latest available price provided by IBM.

Provision is made for old/ obsolete/ surplus/ non- moving inventories as well as other anticipated losses considered wherever necessary.

Where physical stock is more than the book stock, book stock is considered for valuation of stock. However, surplus stock is valued at Rs 1 per LOT for the surplus stock available as on the date of closing.

The excise duty payable on closing stock of finished goods at the time of sale is not considered in valuation of closing stock.

4.8. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If collection is expecting to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component in accordance with Ind AS 18 (or when the entity applies the practical expedient) or pricing adjustments embedded in the contract.

Loss allowance for expected life time credit loss is recognized on initial recognition.

4.9. Financial Instruments

All financial assets are recognized on trade date when the purchase of a financial asset is under a contract whose term requires delivery of the financial asset within the timeframe established by the market concerned. Financial assets are initially measured at fair value, plus transaction costs, except for those financial assets which are classified as at fair value through profit or loss (FVTPL) at inception. All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value.

Classification of financial assets

Financial assets are classified as 'equity instrument' if it is a non-derivative and meets the definition of 'equity' for the issuer (under Ind AS 32 Financial Instruments: Presentation). All other non-derivative financial assets are 'debt instruments'.

Financial assets at amortized cost and the effective interest method

Debt instruments are measured at amortized cost if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at amortized cost using the effective interest method less any impairment, with interest recognized on an effective yield basis in investment income.

Financial assets at fair value through other comprehensive income (FVTOCI)

Debt instruments are measured at FVTOCI if both of the following conditions are met:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows and selling assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income. When the debt instrument is derecognised the cumulative gain or loss previously recognized in other comprehensive income is reclassified to the statement of profit and loss account as a reclassification adjustment.

At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI.

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has evidence of a recent actual pattern of short-term profit-taking; or

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

Investments in equity instruments at FVTOCI are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the investments revaluation reserve. Where the asset is disposed of, the cumulative gain or loss previously accumulated in the investments revaluation reserve is directly reclassified to retained earnings.

For equity instruments measured at fair value through other comprehensive income no impairments are recognized in the statement of profit and loss.

Dividends on these investments in equity instruments are recognized in the statement of profit and loss in investment income when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity; and the amount of the dividend can be measured reliably.

Other Financial Assets (Contract Assets)

Accounts Receivables is the right to consideration in exchange for goods or services, transferred to the Customer. If the Company performs by transferring the goods or services to a Customer before the Customer pays consideration or payment is due, Accounts Receivables (in the nature of Contract Asset) is recognized for the Earned Consideration that is conditional.

Financial assets at FVTPL

Financial assets that do not meet the criteria of classifying as amortised cost or fair value through other comprehensive income described above, or that meet the criteria but the entity has chosen to designate as at FVTPL at initial recognition, are measured at FVTPL.

Investments in equity instruments are classified as at FVTPL, unless the Company designates an investment that is not held for trading at FVTOCI at initial recognition.

Financial assets classified at FVTPL are initially measured at fair value excluding transaction costs.

Financial assets at FVTPL are subsequently measured at fair value, with any gains or losses arising on remeasurement recognized in the statement of profit and loss. The net gain or loss recognized in the statement of profit and loss is included in the 'other gains and losses' line item.

Interest income on debt instruments at FVTPL is included in the net gain or loss described above.

Dividend income on investments in equity instruments at FVTPL is recognized in the statement of profit and loss in investment income when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity; and the amount of the dividend can be measured reliably.

Trade receivables, loans and other receivables are classified as subsequently measured at amortised cost. Trade and other receivables which does not contain any significant financing component are stated at their transaction value as reduced by impairment losses, if any.

Loans and other receivables are subsequently measured at amortized cost using the effective interest method, less any impairment. Interest income is recognized by applying the effective interest rate (EIR) method.

Impairment of financial assets

On initial recognition of the financial assets, a loss allowance for expected credit loss is recognized for debt instruments at amortised cost and FVTOCI. For debt instruments that are measured at FVTOCI, the loss allowance is recognized in other comprehensive income in the statement of profit and loss and does not reduce the carrying amount of the financial asset in the balance sheet.

Expected credit losses of a financial instrument is measured in a way that reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

At each reporting date, the Company assess whether the credit risk on a financial instrument has increased significantly since initial recognition.

When making the assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and consider reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

If, at the reporting date, the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. If, the credit risk on that financial instrument has increased significantly since initial recognition, the Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognized as an impairment gain or loss in the statement of profit and loss.

Derecognition of financial assets

The Company derecognises a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in the statement of profit and loss. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

Financial liabilities and equity instruments issued by the Company

Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at FVTPL' or 'other financial liabilities'.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been acquired or incurred principally for the purpose of repurchasing it in the near term;
- or

- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and for which there is evidence of a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading may also be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- It forms part of a contract containing one or more embedded derivatives, and Ind AS 109 Financial Instruments permits the entire combined contract to be designated as at FVTPL.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in the statement of profit and loss, except for the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability which is recognized in other comprehensive income.

The net gain or loss recognized in the statement of profit and loss incorporates any interest paid on the financial liability.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognized on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Trade and other payables are recognized at their transaction cost, which is its fair value, and subsequently measured at amortised cost.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

4.10. Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less.

4.11. Accounting for government grants

Government grants are recognized when there is reasonable assurance that we will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognized in the statement of profit and loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognized in the balance sheet by setting up the grant as deferred income.

Other government grants (grants related to income) are recognized as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of providing immediate financial support with no future related costs are recognized in the statement of profit and loss in the period in which they become receivable.

Grants related to income are presented under other income in the statement of profit and loss except for grants received in the form of rebate or exemption which are deducted in reporting the related expense.

4.12. Employee Benefits

Retirement benefit, medical costs and termination benefits

A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. The Company has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods. Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement and medical plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. In countries where there is a deep market in high-quality corporate bonds, the market rate on those

bonds that are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating to the terms of the related pension obligation are used.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss. Past service cost is recognized in the statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- Remeasurement.

The Company presents the first two components of defined benefit costs in the statement of profit and loss in the line item employee benefits expense. Curtailment gains and losses are accounted for as past service costs.

When the benefit of a plan is improved, the portion of the increased benefit relating to past service by employees is recognized in profit or loss on a straight line basis over the average period until the benefits become vested. To the extent that the benefits vest immediately, the expenses is recognized immediately in statement of profit and loss.

The Company provides retiring benefits in the nature of provident fund, superannuation and gratuity to its employees.

Obligations for contribution to provident fund and superannuation fund are classified as defined contribution plans whereas retiring gratuity is classified as defined benefit plans.

A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to their present value.

Short-term and other long-term employee benefits

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Other long-term employee benefits

Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date. The expected costs of these benefits are accrued over the period of employment using the same accounting methodology as used for defined benefit retirement plans. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the period in which they arise. These obligations are valued annually by independent qualified actuaries.

The Company is providing benefits in the nature of compensated absences to its employees which are classified as other long-term employee benefits.

4.13. Income Taxes

Tax expense represents the sum of current tax and deferred tax.

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date and includes any adjustment to tax payable in respect of previous years. Subject to exceptions below, deferred tax is provided, using the balance sheet method, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes:

- tax payable on the future remittance of the past earnings of subsidiaries where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future; and
- deferred tax assets are recognized only to the extent that it is more likely than not that they will be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in other comprehensive income is recognized in the statement of comprehensive income and not in the statement of profit or loss.

Deferred tax is provided, using the balance sheet method, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred Tax Assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which likely to give future economic benefits in the form of set off against future income

tax liability. MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over Income Tax treatments under Ind AS 12. According to the Appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition – (i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and (ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS Appendix C is annual period beginning on or after April 1, 2019. The company will adopt the standard on April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

Amendment to Ind AS 12 – Income Taxes: On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The company is currently evaluating the effect of this amendment on the standalone financial statements.

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED

Amendments to Ind AS 19: On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- To use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- To recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The company does not have any impact on account of this amendment.

4.14. Revenue recognition

Revenue is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration the company expects to receive in exchange for those goods or services.

Sales of Goods

The Company derives revenue principally from sale of iron, manganese and sponge iron.

Effective 1st April, 2018, the Company has adopted IND AS 115 "Revenue from Contracts with Customers" using the cumulative which establishes a comprehensive framework for determining whether, how much and when revenue is recognized. Ind AS 115 replaces Ind AS 18 Revenue, Ind AS 11 Construction Contracts and related interpretations. The Company has adopted Ind AS 115 using the cumulative effect method (without the practical expedient), with the effect of initially applying this standard recognized at the date of initial application (i.e., 1st April, 2018). Under this transition method, the standard is applied retrospectively only to contracts that are not completed as at the date of initial application, and the comparative information is not restated- i.e., the comparative information continues to be reported under Ind AS 18 and Ind AS 11. The adoption of the standard did not have any material impact on the financial statements of the Company.

Revenue from the sale of goods is recognized at the point in time when control is transferred to the customer. Revenue from sale of goods is measured based on the transaction price, which is the consideration, adjusted for discounts and pricing incentives, if any, as specified in the contracts with the customer. GST is not received by the company for its own account. Rather, it is tax collected on sale on behalf of the Government. Accordingly, it is excluded from Revenue.

Provisions for estimated losses on incomplete contracts are recorded in the period in which such losses become probable based on the current contract cost estimates.

Other Income – Accounting Policy

Other income is comprised primarily of interest income, dividend income, gain/ loss on investments. Interest Income is recognized as it accrues in the statement of profit and loss using the effective interest method.

- Dividend income is recognized when the right to receive dividend is established.
- Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

5. Critical accounting judgements and key sources of estimation uncertainty:

In the application of the Company's accounting policies, which are described in note 3, the management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

5.1. Critical judgements in applying accounting policies:

The following are the critical judgements, apart from those involving estimations (see note 4.2 below), that the management have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

5.1.1. Financial assets at amortized cost: -

The management has reviewed the Company's financial assets at amortised cost in the light of its business model and have confirmed the Company's positive intention and ability to hold these financial assets to collect contractual cash flows. The carrying amount of these financial assets is Rs. 35,206.00 Lakhs (March 31, 2018: Rs. 84,039.37 Lakhs). Details of these assets are set out in note 33.

5.1.2. Provision for Restoration and rehabilitation of mining sites: -

Provisions are recognised for costs associated with restoration and rehabilitation of mining sites as soon as the obligation to incur such costs arises. Such restoration and closure costs are typical of extractive industries and they are normally incurred at the end of the life of the mines. The costs are estimated on the basis of mine closure plans and the estimated discounted costs of dismantling and removing these facilities and the costs of restoration are capitalized when incurred reflecting the Company's obligations at that time.

A corresponding provision is created on the liability side. The capitalized asset is recognized in the Statement of Profit or Loss over the life of the asset through depreciation over the life of the operation and the provision is increased each period through unwinding the discount on the provision. Management estimates are based on local legislation and/or other agreements. The actual costs and cash outflows may differ from estimates because of changes in laws and regulations, changes in prices, analysis of site conditions and changes in restoration technology.

5.1.3. Ore reserve and mineral resource estimates

The Company estimates and reports ore reserves under the principles contained within the guidelines issued by the Indian Bureau of Mines (IBM) – including:

- Future production estimates – which include proved and probable reserves, resource estimates and committed expansions.

5.1.4. Deferred stripping expenditure

The Company defers stripping (waste removal) costs incurred during the production phase of its operations. This calculation requires the use of judgements and estimates relating to the expected tonnes of waste to be removed over the life of the mining area and the expected economically recoverable reserves to be extracted as a result. This information is used to calculate the average life of mine strip ratio (expected waste to expected mineral reserves ratio). Changes in a mine's life and design will usually result in changes to the average life of mine strip ratio. These changes are accounted for prospectively. However, since the lease of mines have expired and not renewed till date, this is not applicable as on date.

5.2. Key sources of estimation uncertainty:

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

5.2.1. Useful lives of property, plant and equipment:

As described in note 4.2 above, the Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. However, since the lease of mines have expired and not renewed till date, the company is not in a position to review and assess the useful life of the assets constructed over such leases.

5.2.2. Fair value measurements and valuation processes:

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an assets or a liability, the company uses market-observable data to the extent it is available. Where level 1 input is not available, the company engages third party qualified valuers to perform the valuation.

NOTES

9.1. Trade Receivables

The sale of goods is made against advances received from customer. The advance received from customer is adjusted on supply of material. There is no credit period allowed for such sales and accordingly no interest is to be charged. The trade receivable appearing in the books includes amount receivable recognized against the debtors towards the debit notes raised on the customers due to changes in Government levies (Royalty on ad-voleram basis by IBM). The Company has raised such debit notes on the basis of retrospective computation of the sales made in the past period from which the retrospective levies have been made applicable by the Government.

32. EMPLOYEE BENEFIT PLAN

32.1. Defined contribution plan

Provident fund: Company pays fixed contribution to Provident Fund at the rate of 12% on Basic & IDA.

32.2 Defined benefit plans

a) Gratuity: Payable on separation @ 15 days pay for each completed year of service to eligible employees who render continuous service of 5 years or more and maximum payable amount is calculated as per Gratuity Act. The gratuity amount is covered under “the Gratuity cum Life Insurance Scheme” with LIC of India and the provision on account of gratuity is being made as per the actuarial valuation.

These plans typically expose the group to risks such as actuarial risk, investment risk, interest risk, longevity risk and salary risk.

Actuarial risk: It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date."

ii. Investment risk: For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

iii. Interest risk: A decrease in interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

iv. Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

v. Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

"No other post-retirement benefits are provided to these employees.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2021 by M/s. Kapadia Actuaries and Consultants, a firm with fellow of the Institute of Actuaries of India. The present value of defined benefit obligation and the related current service cost were measured using the projected unit credit method."

The principal assumptions used for the purposes of the actuarial valuations were as follows:

Particulars	As at 31-03-23	As at 31-03-22
Discount rate(s)	7.30%	6.60%
Expected rate(s) of salary increase	5.00%	5.00%
Withdrawal rate	3% at younger ages reducing to 1% at older ages	3% at younger ages reducing to 1% at older ages

Amounts recognized in statement of profit and loss in respect of these defined benefits plans are as follows: -

Particulars	As at 31-03-23	As at 31-03-22
Current service cost	58.26	55.17
Past service cost and (gain)/loss from settlements		-
Net interest expense	2.93	4.23

Total	1,147.59	1,142.18

32.2. Sensitivity analysis of defined benefit plans

Significant actuarial assumption for determination of defined benefit plan are discount rate, expected salary growth, attrition rate and mortality rate. The sensitivity analysis below has been based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period while holding all other assumptions constant.

32.3. Sensitivity analysis

Particulars	31-Mar-23		31-Mar-22	
	Gratuity		Gratuity	
	Increase	Decrease	Increase	Decrease
Impact on amount due to change in Discount rate (-/+0.5%)	47.22	59.55	24.74	23.46
% Change compared to base due to sensitivity [+ /(-)%]	-2.17%	2.26%	-2.56%	2.69%
Impact on amount due to change in Salary growth (-/+0.5%)	58.99	47.20	23.41	24.79
% Change compared to base due to sensitivity [+ /(-)%]	2.20%	-2.12%	-2.52%	-2.62%
Impact on amount due to change in withdrawal rate (-/+10%)	53.16	53.14	24.26	23.95
% Change compared to base due to sensitivity [+ /(-)%]	0.09%	-0.09%	0.09%	-0.09%

"The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of defined benefit obligation has been calculated using projected unit credit method at the end of the reporting period, which is same as that applied in calculating the defined benefit obligation liability recognized in the balance sheet.

There is no change in the methods and assumptions used in preparing the sensitivity analysis from prior years."

33.2. Financial risk management objectives

"The Company's principal financial instruments comprise financial liabilities and financial assets. The Company's principal financial liabilities comprise trade payable and other financial liabilities. The main purpose of these financial instruments is to manage short-term cash flow and raise finance for the Company's capital expenditure program. The Company has various financial assets such as trade receivable and cash and short-term deposits, which arise directly from its operations.

Risk exposures and responses

The Company manages its exposure to key financial risks in accordance with the Company's financial risk management policy. The objective of the policy is to support the delivery of the Company's financial targets while protecting future financial security. The main risks that could adversely affect the Company's financial assets, liabilities or future cash flows are market risks, comprising commodity price risk, cash flow interest rate risk and foreign currency risk and

liquidity risk and credit risk. Management reviews and agrees policies for managing each of these risks which are summarized below.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below."

33.3. Market risk

"Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company's financial instrument Market prices comprise three types of risk: currency risk, interest rate risk and other price risk which include equity price risk and commodity price risk. Financial instruments affected by market risk include loans, trade receivables, other financial assets, trade payables and other financial liabilities.

The sensitivity analyses have not been prepared as there is no amount outstanding as debt, having either fixed or floating interest rates, no derivatives financial instruments and no financial instruments in foreign currencies."

33.4. Foreign currency risk management

"The Company does not undertake any transaction in foreign currency, consequently, exposures to exchange rate fluctuation does not arise. The Company has all entered all the transaction in currency which is the functional currency and accordingly the foreign currency risk has been minimized to a very low level.

Foreign currency sensitivity analysis has not been performed considering the fact that there will not be any impact on the profit or loss of the Company, as there are no foreign currency monetary items."

33.5. Interest rate risk management

"Interest rate risk is the risk that the fair value or future cashflows of a financial instrument will fluctuate because of changes in market interest rates. As the Company does not have any borrowings there is not a significant exposure to the interest rate risk but only to the extent of recognition interest portion of financial instrument classified at amortised cost. The Company manages its interest risk exposure relating to the financial instrument classified at amortised cost by using the market interest rate as the effective interest rate and the changes in the assets liabilities is accounted for as interest income/expenses with respect to financial assets/financial liabilities respectively.

However, as there is no primary exposure to the interest rate risk the sensitivity analysis has not been performed by the Company.

33.6. Other price risks

The Company is exposed to other price risks which include equity price risk and commodity price risks. The Company holds investment for strategic rather than trading purposes. The sensitivity analysis on the profit due changes in equity prices has been performed below

33.7. Equity price sensitivity analysis

"The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk by placing limits on individual and total equity instruments which is made subject to the approval of Board of Directors. Reports on the equity portfolio are submitted to the Company's senior management on a regular basis. The Company's Board of Directors reviews and approves all equity investment decisions.

At the reporting date, the exposure to unlisted equity securities was Rs. 2.42 lakhs. The sensitivity analysis based on the equity price risk at the end of the reporting period has been provided for the investment these equity securities other than investment in joint venture is given below:

33.8. Credit risk management

"The Company trades only with recognized, creditworthy third parties and only on advance payment basis. It is the Company's policy that all customers who wish to trade are required to pay the entire amount in advance. The Company does not perceive any risk of default as there is no instance of credit sale. In addition, receivable balances are monitored on an ongoing basis, with the result that the Company's exposure to bad debts is not significant.

With respect to credit risk arising from the other financial assets of the Company, which comprise cash, bank balances, short-term investments and other receivables, the Company's exposure to credit risk arises from default of the counterparty, with a maximum exposure equal to the carrying amount of these instruments. Refer to Note 9 for analysis of trade receivables ageing."

33.9. Liquidity risk management

The Company has huge investment in term deposits with banks and has sufficient owned funds to finance its existing and continuing commitments. New investments and advances are likely to be funded similarly. Major capital investments, if any, would be funded by through the terms deposits and further requirement if any will be addressed through the use of bank overdrafts and bank loans. The Company have deposited significant amount in terms deposits and have sufficient funds required to meet the liquidity requirements of the Company.
