MODI ANNOUNCES SCHEME FOR TRUCK, TAXI DRIVERS

India certain to become 3rd-largest economy: PM

PRESS TRUST OF INDIA
New Delhi, February 2

PRIME MINISTER NARENDRA MODI on Friday said India is moving fast and will become the world's third-largest economy in the "third term" of his government.

Addressing industrialists at Bharat Mobility Global Expo 2024, the Prime Minister said the auto and automotive component industry will play a significant role in making India a global economic powerhouse.

Special Address at Bharat Mobility

Modi also announced that the government is working on a new scheme to develop rest facilities on national highways for truck and taxi drivers.

"Drivers are an important part of the mobility sector. They drive for long hours but they do not have access to proper resting place. They do not get adequate time to take rest at some points. This leads to road accidents," Modi said.

In the first phase, 1,000 modern buildings with amenities such as food stalls, clean drinking water, toilets, parking and rest places will be constructed, he added.

Modi said that the scheme will give a boost to both the ease of living and ease of travelling for truck and taxi drivers, thereby improving their health and also helping prevent accidents.

"India is on the move, and is moving fast. In a way, this is the beginning of the golden period for India's mobility sector," he said.

Prime Minister Narendra Modi addresses Bharat Mobility Global Expo 2024, at the Bharat Mandapam, in New Delhi on Friday. The expo features the participation of over 28 vehicle manufacturers, in addition to the presence of more than 600 auto component manufacturers.

Modi said India's economy is expanding rapidly. India is sure to become the third largest economy in the world in the third term of our government," the prime minister said.

The country is going to general polls in April-May this year. The Prime Minister recalled an ability-related conference from his first term (2014-19) and talked about his focus on

in the mobility sector.

Modi said that the number of cars sold in India rose from 1.2 million to more than 2.1 million in the 10 years before 2014 and after 2014, while the number of electric vehicles sold in India rose from 2,000 per year 10 years ago to 1.2 million per year today.

The Prime Minister said that India is making new policies keeping in mind the needs of the future.

Referring to the Union Budget that was presented on Thursday, he said that in 2014 India's capital expenditure was less than ₹2 trillion which now has risen to more than ₹1.1 trillion.

This has brought many opportunities for India's mobility sector as well, he added.

The prime minister further said that the National Electric Mobility Mission is pushing the manufacturing of electric vehicles.

Modi exhorted the industry to explore research avenues that utilize India's abundant raw materials for battery manufacturing and de-waste areas such as green hydrogen and ethanol.

"Why not conduct research to manufacture batteries using raw materials available in India? The auto sector should also explore research in green hydrogen and ethanol," Modi said.

The prime minister also highlighted the work being done in the infrastructure sector.

Subsidy for new rooftop solar scheme to be up to 60%: Singh

Offshore wind projects to get VGF up to 40%

ARUNIMA BHARADWAJ
New Delhi, February 2

THE GOVERNMENT WILL increase the subsidy provided to consumers under the newly announced rooftop solar scheme, Surodyaya Yojana, to 60% against the current 40% provided for installation of rooftop solar projects up to 3 kW capacity. Union minister for power and renewable energy RK Singh said on Friday.

"This subsidy for the north-east and hill states will be 70%. Further, central public sector enterprises have been asked to

by household," Singh said while addressing the reporters. "What we have envisaged is, I am asking my CPSEs to set up SPVs (Special Purpose Vehicle). They will get the loan, set it up, and the excess units generated will go to pay of the loan. We calculate that the loan will be paid off in some 10 years (depending upon the capacity)," he added.

The new scheme will focus on common house assumption of electricity less than or equal to 300 units per month.

The new and renewable energy ministry is seeking grants from the finance ministry for the same.

"The grant will come from the ministry of finance. They have raised funds under green bonds typically. It should come from there," the ministers said.

The government had asked REC to be the nodal agency for the implementation of the scheme which will provide line of credit to the tune of ₹15,000 crore each to eight central public undertakings identified for the implementation of rooftop solar, among other private developers and vendors, amounting to a total credit of ₹120,000 crore.

Talking about the recently announced viability gap funding for offshore wind projects in the interim Budget for 2024-25, the minister clarified that it will provide funding for up to 40% for installation of 1 GW capacity. This 1 GW capacity is divided into two projects of 500 MW each off the coast of Gujarat and Tamil Nadu respectively.

Public infra, education, healthcare key priorities in Gujarat Budget

ABHINAV KUMAR
Gandhinagar, February 2

GUJARAT FINANCE MINISTER Kanubhai Desai on Friday presented the budget in the State Assembly for FY 2024-25, with a total outlay of ₹33.2 trillion up 0.4% on year.

Presenting the Budget, the minister said, "Our government has kept GYAN (Garib, Yuva, Anadhat and Hari Shakti) at the core of all its schemes and programmes. Detailing the state's progress towards Videsat Bharat 2047, our government has come out with a vision document for the development of Viksit

DEPARTMENT-WISE ALLOCATION (₹ cr)	
Finance	81,890.33
Education	55,114.28
Health and family welfare	20,099.64
Roads and buildings	22,163.17
Agriculture, farmers' welfare & cooperation	22,193.58
Narmada, water resources and kalspasar department	25,069.10

Gujarat 2047

The minister announced various new schemes including Suposht Gujarat Mission, Namo Lakshmi Yojana, Namo Shakti Scheme, Namo Sarvagat Scheme, cyclotron project at Gujarat Cancer and Research Institute in Ahmedabad, Mission Schools of Excellence 2.0, Nirmal Gujarat Abhiyan 2.0 and Jan Rakshak Scheme.

A corpus of ₹1,250 crore has been announced for Namo Lakshmi scheme under which girls will get a benefit of ₹5,000 during the four years of their education from class 9th to class 12th (₹10,000 for class 9 and 10 and ₹15,000 for 11 and 12).

Notes :
1. The above financial results are approved by the Board of Directors at their meeting held on Feb 02, 2024 after being reviewed and recommended by the audit committee. The statutory auditors have carried out the limited review of these financial results and have given an unmodified opinion.
2. The above is the extract of the detailed format of quarterly/nine months financial results filed with the stock exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the financial results is available on the Stock Exchange website. www.sebindia.com, www.bseindia.com and on the company website www.dalmiasugar.com
3. The Board has approved an interim dividend @ ₹ 3.75/- per share (Face ₹ 2/- per share) for the financial year 2023-24.
4. The Board has approved a scheme of demerger of its non-core businesses (refractory and travel agency businesses) into Dalmia Bharat Refractories Limited (DBRL) with accumulated date of 1st July 2023 at a share swap ratio of 1 equity share of DBRL for 48.18 shares of Dalmia Bharat Sugar and Industries Limited.

For Dalmia Bharat Sugar and Industries Limited

B B Mehta
Whole Time Director

Place: New Delhi
Date: Feb 02, 2024
