

Modi inaugurates 37th National Games in Goa

Prime Minister Narendra Modi with Goa Chief Minister Pramod Sawant during the opening ceremony of the 37th National Games at Parvati Jawahar Balli Stadium in Goa on Thursday.

PTI ■ MARGAO (GOA)
Prime Minister Narendra Modi on Thursday said his government has increased expenditure on sports by three-fold in last five years, and re-emphasised that the country is prepared to host 2026 Olympics. Speaking after inaugurating the 37th National Games at Parvati Jawahar Balli Stadium in Margao, Modi said the Games are taking place in Goa at a time when Indian sports is reaching new heights.

“We have brought in changes in schemes to provide financial incentives to sportsmen”, Modi said. “System of Operation Aids flights to facilitate the return of Indian nationals trapped in Israel.”

India successfully completing key test in Gaganyaan mission, launch of Name Bharat train, launch of the National Rapid Transit System and Operation Aids flights to facilitate the return of Indian nationals trapped in Israel. The National Games are being held in Goa from October 26 to November 9. More than 10,000 athletes from across the country are competing in over 43 sports disciplines across 28 venues.

Minister inspects cleanliness in MoD

PIONEER NEWS SERVICE ■ NEW DELHI
Defence Minister Rajnath Singh on Thursday inspected the cleanliness in the Ministry of Defence (MoD) Secretariat in South Block here as part of the government's continuous endeavour to inculcate Swachhata as a daily habit. He urged the employees to individually contribute a few hours of shramdaan every week to maintain utmost cleanliness at the workplace.

Interacting with the employees, Rajnath also emphasised that a clean and de-cluttered workplace leads to enhanced productivity. He felicitated the Swachhata Veers whose untiring efforts have been instrumental in successful conduct of the Swachhata Abhiyan in MoD, officials said. The MoD is in the fourth and penultimate week of the Special Campaign 3.0 along with the concomitant pan-India Swachhata Abhiyan. The overarching thrust of this campaign has been on ganfial utilisation of available resources and generation of revenue from disposal of scrap. It is pertinent to mention that the Ministry has generated revenue of ₹5.34 lakh

New viruses from rodents next pandemic risk: Scientists

PIONEER NEWS SERVICE ■ NEW DELHI
Just as the world has started recovering from Covid-19 shocks, a team of scientists in China has sounded alarm that it has discovered never-before seen viruses from rodents that have the potential for spillover to humans, sparking health pandemic risks. The nightmarish observations come amid concerns that zoonotic diseases is one of the areas of concern which is affecting humans as well as the animal health and 75% of newly emerging infectious diseases that have affected people over the last three decades are zoonotic in nature. In fact, Joint Health Secretary Sudanshu Panj had recently at an event here had stressed on a better understanding of specific zoonotic diseases and their spread, which he added were, crucial to preparing for a future disease outbreak.

Pak targets post after failing to push mercenaries

MOHT KHANRAH ■ JAMMU
Pakistani Rangers targeted on Thursday evening targeted border outposts of Border Security Force and some civilian pockets in the Arma sector of Rs-10. Unprovoked firing started by the Pakistan Rangers on BSF posts in the Arma sector, which is being retaliated by BSF troops. The firing was still on all the lines of firing the report. Unconfirmed reports claimed a BSF jawan received injuries during cross border firing. Power supply was snarped across several villages along the International border. BSF authorities have directed the villagers to stay indoors to prevent loss of life. The ceasefire violation in the Arma sector came hours after the joint operation by police and Army along the Line of Control in Machhal sector of Kupwara in which five heavily armed Lashkar-e-Tayyiba (LeT) terrorists making an infiltration bid in Kupwara district were killed.

Operation was launched in the area on the basis of specific information provided by the Kupwara police in the initial round of firing two terrorists were gunned down by the security forces while three others were neutralised later. Kashmir Zone Police posted a message on X (earlier Twitter), “Based on specific information provided by Kupwara Police, an encounter has started in the Machhal sector in which two terrorists have been killed. Almost four hours later, Additional Director General of Police, Kashmir Range Vijay Kumar said three more terrorists had been killed in the ongoing operation. In a separate message, Kashmir Zone police said, “Three more terrorists of LeT killed (Total 05). Identification being ascertained. Search operation in progress.”

ED raids Bengal Minister close to Didi in ration scam case

SAUGAR SENGUPTA ■ KOLKATA
Pressure mounted on the Bengal Government with the Enforcement Directorate on Thursday conducting simultaneous raids in 12 places including at the residences of senior Trinamool Congress leader and Forest Minister Jyotipriya Mallick in an alleged multi-crore ration distribution scam. Mallick was in charge of the Food and Civil Supplies Department before getting the Forest portfolio. Raids were conducted at Mallick's residences and those of his close associates including his personal assistants, chartered accountants and a close businessman. ED sources said adding they were in the process of searching his residences and starting an 8 in the morning was on for more than 13 hours when reports last came in. Though the minister could not be contacted as ‘his phones have been confiscated by the ED’, officials said he was being investigated for his role in the ‘D offences’ regarding his role in the multi-crore scam that took place during the corona years and came to the fore soon after the arrest of a city businessman Babbar Rehman known for his meteoric rise in a matter of a couple of years -- to own multiple flats, rice and flour mills, pubs, restaurants and hotels in Kolkata and Bengaluru and even in Dubai. Babbar was arrested early this month after subsequent investigations showed that he was indeed in touch with him through his personal assistant ‘Midi’. ‘They are other close associates’, he said. The raids were being conducted following complaints that the central aids in the form of Minister Ratna Ghosh's residence (in ‘D’ offences) was free distribution during the corona years was covertly sold in the open market.

Mamata: will file FIR against BJP, ED if raided Minister dies

SAUGAR SENGUPTA ■ KOLKATA
Hours after the Enforcement Directorate began raids at the premises of her senior ‘Mamata’ ally, Bengal Chief Minister Mamata Banerjee on Thursday slammed the “Atyachari” (oppressing) BJP Government and warned if the Minister who was “suffering from high blood sugar dies due to this situation I will be forced to file FIRs against the BJP and the ED”. Hitting out at the BJP Government for running a government resembling the one of Muhammad bin Tughlaq, the Chief Minister said, “BJP says Sabka Saath Sabka Videsh (everyone's contribution and everyone's development) but in practice they are doing Sabka Satyanas (everyone's destruction).” Mamata who has been recuperating from a knee injury and had been keeping indoors for the past several fortnights suddenly emerged on Thursday to address the media when she advised Prime Minister Narendra Modi to follow the path of cooperative federalism and not victimisation of others. “I will file FIR against the BJP if the Minister dies”, she said. “I will request the Enforcement Directorate to file FIR against the BJP and the ED if the Minister dies”, she said. “I will request the Enforcement Directorate to file FIR against the BJP and the ED if the Minister dies”, she said. “I will request the Enforcement Directorate to file FIR against the BJP and the ED if the Minister dies”, she said.

Govt meet to discuss fliers' grievances

PTI ■ NEW DELHI
A mid rising complaints from air travellers, the Centre has called a meeting on November 8 with senior officials of all airlines and travel portals to discuss grievances related to refund not given after ticket cancellation and other issues. Consumer Affairs Secretary Rishi Kumar Singh, in a media briefing, said about 10,000 complaints related to the airline sector has been received from air travellers. The National Consumer Helpline in the last one year. “About 10% of the complaints are related to ‘ticket cancelled but no refund received from airlines’. Some of the major grievances also include airlines showing every seat as ‘major’ despite free mandatory web check-in, he said. “These complaints are just a

ED summons M Gello's son in paper leak case

PTI ■ JAJPUR
The sting is on the ruling Congress in poll-bound Rajasthan, the Enforcement Directorate on Thursday raided the premises of state Congress president Govind Singh Dotse in Jaipur and Sikar as part of a money laundering probe into the alleged scam paper leak case and summoned Chief Minister Ashok Gehlot's son in a foreign exchange violation case. The raids are being undertaken under the provisions of the Prevention of Money Laundering Act (PMLA). An armed constabulary force CRPF accompanied the ED teams. “Congress slammed the Centre over the ED's claim against its leader in Rajasthan and accused Prime

‘Cold seeding’ experiment over Solapur led to 18% rise in rain

PTI ■ NEW DELHI
A cold seeding experiment to artificially trigger rain over the Solapur region of southwest Maharashtra led to 18 per cent more rainfall than in normal conditions, a study has revealed. In the results of the study published in the Bulletin of the American Meteorological Society (AMS), scientists from the Pune-based Indian Institute of Tropical Meteorology and other institutes found that hygroscopic cloud seeding using silver iodide in a rain shadow area spanning 100 square kilometres in Solapur. Hygroscopic seeding is done in warm convective clouds with a cloud base height greater than zero degree Celsius. It uses hygroscopic flares of calcium chloride particles released at the convective cloud base. “As per rain observations over an area spanning 100 sq km downwind of the seed location, there was a relative enhancement of rainfall by 18 per cent in the ‘seed’ category clouds”, Thara Prabhalakar, the project director of Cloud Aerosol Interaction and Precipitation Enhancement Experiment told PTI. Prabhalakar is one of the authors of the study published in AMS, a peer-reviewed journal, earlier this week.

Taken measures to deal with farm fires: Punjab

PIONEER NEWS SERVICE ■ NEW DELHI/HANDSARH
Even as the national Capital grapples with poor air quality, the Punjab Government on Thursday said it has undertaken substantial measures to address the critical issue of paddy straw burning in the state. In a statement, the Punjab government said their persistent efforts have yielded impressive results and the number of fire counts has reduced from 598 in 2021 to 274 in 2023, a 54% decrease as on 25th Oct 2023 vis-a-vis 25th Oct 2022. The ranking of the number of fire incidents is done starting from 15th September to 15th October. Punjab, a state with 31 lakh hectares under paddy cultivation, generates a considerable 20 million tonnes of paddy straw. To address this challenge, the government adopted a comprehensive approach, implementing initiatives across both in-situ (on-field) and ex-situ (off-field) paddy straw management, driving behavioural change and communication and monitoring the implementation of initiatives through stringent review and monitoring. “The state emphasised and focused on long-term, sustainable solutions. In-situ management initiatives include the provision of crop residue management (CRM) machines to farmers at a 50% subsidy for farmers groups and 50% subsidy for individual farmers. Ex-situ management, well in advance of the harvesting season, the state sanctioned the procurement of 24,000 machines, with 16,000 of these already in use by farmers.

Rajiv Gandhi Cancer Institute hosts HOPE

New Delhi: The Department of Pain and Palliative Care at the Rajiv Gandhi Cancer Institute (RGCI) in New Delhi played host to the enlightening HOPE 2023 event in honour of World Hospice and Palliative Care Day. The primary focus of HOPE 2023 was to raise awareness about the crucial role of pain management and palliative care in cancer treatment, with speakers addressing a wide range of often-overlooked aspects of spiritual pain in cancer patients. Aligned with this year's theme of ‘Compassionate Communities’, the event welcomed a diverse group of participants, including active members from the community, Abha workers, social workers, volunteers, as well as patients and caregivers, doctors and nurses. Dr Kishan Jain, the head of the Department of Pain and Palliative Care, emphasised the need for recognition and understanding of spiritual pain in the overall cancer management. PWS
