Respected Sir/Madam,

Subject: Announcement under Regulation 30 - Invitation to Serve as Faculty for PCNL Training in Singapore

With reference to the subject cited above; we are pleased to inform you that, Tejnaksh Healthcare Limited has received an invitation for our company's Managing Director, Dr. Ashish Rawandale Patil, to serve as a faculty member for PCNL (Percutaneous Nephrolithotomy) Training in Singapore. The training session will be held at the Singapore General Hospital, Academia Track 3, on 7th July 2023.

The main focus of this training session will include the following key points:

1. Identifying the anterior and posterior calyx.
2. Utilizing USG (Ultrasound) and fluoroscopy guidance for accurate targeting and triangulation.
3. Techniques for lithotripsy.
4. Managing complications during PCNL procedures.

We are delighted to share that this is the first time an Indian simulator company has been invited to Singapore to train urology doctors. Tejnaksh Healthcare Limited specializes in developing indigenous patent simulators used by urology doctors to enhance their skills in various urological procedures. This opportunity represents a significant milestone for our company, as it enables us to expand our simulator practice internationally.

We extend our best wishes to Dr. Ashish Rawandale for a fruitful journey and a successful training session in Singapore.

This is for your intimation and record Yours faithfully,

For Tejnaksh Healthcare Limited
