# 'Doctor' enters Rs. 100 crore club

Chennai, Nov 3: The latest news is that Sivakarthy's 'Doctor' has entered the Rs100 crore club. The Nelson Dilipkumar-directorial that also starred Vinay Rai and Priyanka Mohan in the lead has brought in the much-needed cheer to exhibitors, who were also hit during the pandemic. The film that hit the screens on October 9 was the first big project that was released after the second wave. And this has given hope to many other films that are waiting in the pipeline to be released. The film is an action-comedy opened to good reviews across and was appreciated by critics and audiences alike. KJ Studios, who bankrolled the film, tweeted, "Entering the

25th Day with a bang! Your favourite entertainer #DOCTOR joins the 100 crore club Thank you for the overwhelming support and love. You made this happen #DOCTORHits100Cr #MegaBlockBusterDOCTOR." (sic) Nelson and Sivakarthy thanked people for their support.

# Rana to be face of WWE campaign

Chennai, Nov 3: Actor Rana Daggubati has posed as the face of an upcoming WWE campaign in Tamil, Telugu, and English. WWE, or World Wrestling Entertainment, headed by bodybuilder-wrestler-showman-TV mogul Vince McMahon, is the world's No. 1 purveyor of professional wrestling on television. It has been the nursery of international celebrity wrestlers such as Dwayne 'The Rock'

Johnson and John Cena. At a shoot recently at the Railway Sports Complex, Secunderabad, Daggubati posed for the upcoming WWE campaign, which will be aired on Sony Ten 4. The actor, incidentally, was the face of the Sony Ten 4 channels when they were

launched. The channel airs sports programmes, including pro wrestling and mixed martial arts (MMA), in Tamil and Telugu. On the sets of the campaign shoot, Daggubati was spotted donning a WWE championship title and interacting with a group of children. He also posed on a Harley Davidson and performed stunts with ropes. Pictures from the shoot have now gone viral.

# Sai Pallavi reveals her fitness secret

Chennai, Nov 3: Beauty queen Sai Pallavi has revealed her beauty secret. Many actresses have a habit of hitting the gym to maintain their size zero figure. But Sai Pallavi

on the other hand confessed that she never stepped into the gym. She said that dance is enough for her to keep her in good shape and flexibility. She also said that she dances every

day to keep the stress away and maintain her body fit.

her Malayalam film 'Premam' by flaunting her natural skin texture, curly hair and unplucked eyebrows. Fans fell in love with her cuteness and her natural looks (All thanks to Alphonse Puthren).

She is also known for dancing in the sets during her free time. In 2020, she was recognised by Forbes magazine as one of India's 30 under 30. She was the only person from the film industry on that list. On the professional front, she will next be seen in the film Shyam Singha Roy alongside Nani and Virata Parvam opposite Rana Daggubati.

Thailand, Nov 3: Thousands of travellers were expected to touch down in Bangkok and the holiday island of Phuket on Monday as Thailand reboots its tourism industry after 13 months of Covid curbs.

The coronavirus pandemic hammered the kingdom's tourism-reliant economy, which last year saw its worst performance since the 1997 Asian financial crisis with arrivals down more than 80 per cent.

Thai authorities have given the green light to vaccinated tourists from more than 60 "low-risk" countries to skip hotel quarantine -- providing the sector a much-needed lifeline. Bangkok's Suvarnabhumi airport and Phuket's international terminal will be the first to receive visitors under the relaxation, with the rest of the country following suit.

Thailand hopes to capitalise on travellers escaping the winter blues during December, with several European

countries, the United States and China on the approved list. Tourism accounts for nearly a fifth of the

economy and the impact of the pandemic has reverberated across various sectors, from restaurants to transportation.
