Dear Sir/Madam,

Sub: Disclosure of material event/information under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations, 2015)

In continuation to the letter dated 17th October 2024 with respect to reduction in APM priced domestic gas allocation, the company has been intimated by the Nodal agency (GAIL (India) Ltd) for a further reduction in the allocation of APM gas by 13%, effective 16th November 2024.

Such reduction is across the CGD industry. While industry is in discussion with key stakeholders pending resolution, there would be an adverse impact on the profitability of the Company.

Also, the Company is examining the current situation and shall calibrate the retail prices to end consumers to mitigate the impact of lower allocation while it will continue to provide uninterrupted gas to its consumers.

You are requested to take the same on your record.

Thanking you,

Yours faithfully,

For **Adani Total Gas Limited**
