STL RECEIVES AEO - LO CERTIFICATION BY CENTRAL BOARD OF INDIRECT TAXES AND CUSTOMS AS IT OPENS DOORS TO GARNER NEW CLIENTS

Vashi, Navi Mumbai, 10th April, 2023: Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, has received AEO - LO Certificate (Custodian) from the Central Board of Indirect Taxes & Customs.

- Shreeji Translogistics Ltd is delighted to share that it has received the prestigious **Authorized Economic Operator - Logistics (AEO-LO) Certificate (Custodian)** by the Central Board of Indirect Taxes and Customs.
- The AEO - LO Certification is a government issued certification symbolizing excellence in securing the supply chain and delivering seamless and efficient logistics solutions. It recognizes business entities that are in compliance with highly stringent **World Custom Organization's (WCO's) SAFE Framework**. This certificate demonstrates high degree of reliability of the services provided by STL.
- Basically, the AEO is involved in the international movement of goods that have been approved by the national customs authorities, as they comply with the standards set by the WCO on the supply chain security
- This certification highlights the application of market-leading methods used in our bespoke custom bonded services, a one-of-a-kind logistics service offered to global cargo customers by STL, and demonstrates that it has complied with all security and compliance standards approved by the administration.

Commenting on the announcement, the Management team of Shreeji Translogistics Limited, stated:

"We are proud to announce that the Company has been conferred with the prestigious AEO-LO Certification from the Central Board of Indirect Taxes and Customs which will be valid from 20th March 2023 up till 5 years. We view this achievement as a significant milestone for us.

The AEO - LO Certificate serves as an evidence of STL's adherence to the highest standards in MAINTAINING AND SECURING supply chain, which enables smooth functioning of the economy. Further this certificate indicates that STL has fulfilled all the essential security and compliance criteria as authorized by the administration.

This certification highlights the trust placed by the customs authority in Shreeji to ensure smoother and legally compliant movement of goods and shall further add to our USP in the bonded trucking segment.

This AEO - LO certification will support STL to add new reputed clients to its portfolio who have a preferred guideline of using services from AEO –LO entity and will eventually help the company to generate additional order wins and scale revenue from operations.

STL is elated to achieve this recognition as it reiterates our team's commitment in deploying advanced processes and infrastructure to provide world-class services to our customers in a safe and secure manner."

About Shreeji Translogistics Limited

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from import-export container movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and bonded trucking services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of more than 300 owned trucks and more than 4,500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
