## Media Release

### Business Updates from the Specialty Polymer Compounds Division

---

**New Delhi, 15 July' 2023**, Vikas Ecotech Limited is pleased to share updates from the Speciality Polymer-Rubber Compounds and Specialty Chemical Additives business divisions.

The Company had bagged fresh orders valued well over INR 200 Million. While The Company's Specialty Compounds and Chemicals business has been grown at a 30+% on a Yr on Yr Basis for last 3 years post the Covid-19 Crisis, the team has been relentlessly working towards growing as well as broad-basing the customer base and has been proudly successful in roping in many of the renowned names added to the customer profile including • Olectra Greentech Limited • Polycab India Limited, • DCW Limited, • Khadim India Limited, Paragon Footwears and many more industry leading names in the respective product segments.

#### **About Vikas Ecotech Limited:**

Vikas Ecotech Ltd. is a New Delhi based company engaged in the business of Specialty Polymers & Specialty Additives and Chemicals for Plastics & Rubbers industries, catering to a wide horizon of applications in Agriculture, Infrastructure, packaging, electrical, footwear, pharmaceuticals, automotive, medical devices and components and other consumer goods.

Vikas Ecotech is the only manufacturer of Organotin (Heat Stabilizers for Vinyl applications) in India with in-house R&D facilities and is one of the single digit number of manufacturers of this product worldwide, who have technology and expertise for manufacturing this material right from Tin Metal to the final product. Vikas Ecotech is expanding its business and product portfolio has added many consumer (final) products to its conventional (raw material businesses) profile. The new business segments include Infrastructure Products like Steel Pipe Fittings, MDPE Pipes for Gas applications to its business lines.

The securities of the Company are listed on both the Stock Exchanges, BSE (Scrip Code: 530961) and NSE (Scrip Code: VIKASECO).
