Consolidated Scrutinizer's Report on E-voting and Poll

[Pursuant to rule section 108 and 109 of the Companies Act, 2013 and Rule 20(2) and Rule 21(2) of the Companies (Management and Administration) Rules, 2014]

To,
The Chairperson,
Taparia Tools Limited,
52 and 52B,
MIDC Area,
Satpur, Nashik -422007

Dear Sir,

Subject: Report on electronic voting carried out during 24th day of September, 2019 (09.00 hours) to 26th day of September, 2019 (17.00 Hours) and Poll conducted at the 53rd Annual General Meeting of TAPARIA TOOLS LIMITED held on Friday, 27th September, 2019 at 11.30 am.

I CS Sagar Ramesh Khandelwal, Practicing Company Secretary, (ACS 25781, COP 13778) have been appointed as the Scrutinizer by the Board of Directors of Taparia Tools Limited vide resolution dated 28th May 2019, pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2016 for the purpose of scrutinizing.

The management of the company is responsible to ensure the compliance with the requirements of the relevant provisions of (i) the Companies Act, 2013 and the rules made thereunder and (ii) the Listing Agreement with the Stock Exchanges relating to voting by electronic means. My responsibility as a Scrutinizer is restricted to making a Scrutinizer Report on the electronic voting and the voting through physical ballot forms (by post or in person) from the shareholders of the Company in respect of the resolutions passed, at the 51st meeting of the Equity Shareholders of Taparia Tools Limited, held on Friday, 27th September, 2019

In this connection, I furnish the following information.

- a) As per the information and explanation provided and the documents verified, the Notice dated 08th August, 2019, convening AGM of the Company along with the statement setting out material facts under section 102 of the Act, had been sent to the shareholders, in respect of the said proposed resolutions to be passed at the said AGM of the Company.;
- b) The Company engaged the services of Central Depository Services of India Limited (CDSL) (hereinafter referred to as the "Service Provider") to offer the e-voting facility to its shareholders. The e-voting facility was offered and kept open by the Company.

to its Shareholders for the period commencing on 24th day of September, 2019 (09.00 hours) to 26th day of September, 2019 (17.00 Hours). The shareholders whose names appeared in the Register of Members / List of Beneficial Owners as on 20th day of September, 2019 (i.e. cut - off date) were allowed to participate and vote electronically during the aforesaid period of e-voting.

- c) At the 53rd Annual General Meeting of the Company held on Friday, the 27th day of September, 2019, at 11.30 A.M. at Hotel Emerald Park, Sharanpur Link Road, Nashik-422 002, a Poll was conducted on all the resolutions to facilitate the members present at the meeting, who did not participate in the e-voting to cast their votes through the poll.
- d) Further the empty ballot (polling) boxes were locked and sealed by me in the presence of the members and the proxies. Subsequent to the completion of polling process, both the ballot (polling) boxes were unlocked by me in the presence of Shri. Saurabh Manegaonkar and Shri. Shripad Manegaonkar and the poll papers were diligently scrutinized by me. The poll papers were reconciled with the records maintained by the Company / Registrar and Transfer Agents of the Company and the authorizations / proxies lodged with the Company.
- e) As per the data downloaded from CDSL/NSDL, e-voting system and polling papers received, I have reviewed and scrutinized the voting through electronic means and physical mode and the votes cast therein.

I hereby submit my report on votes cast through e-voting and polling papers in respect of the said resolutions passed at the 53rd AGM of the Company, held on Friday, September 27, 2019.

Thanking you,

 29/09/2019

DIVIDEND

The Directors have not recommended any dividend for the year under review. The Company has retained the funds for expansion of the activities of the Company by introducing additional product range and purchase of Machinery & Equipment, erecting premises at Valvada (Gujarat State), etc.

REVIEW OF OPERATIONS

The Company's working during the year is satisfactory. The Company's total revenue was ₹ 47283.16 Lakh that represents an increase of 15.56 % over the sales of ₹ 40918.28 Lakh (Net of excise duty) in the previous year. Profit earned after tax is ₹ 2350.95 Lakh in the current

year represents an increase of 61.62% against ₹ 1454.63 Lakh in the previous year.

The company has entered into a Wage Settlement Agreement with the Workers Union. Due to which the labour cost has been increased by 30% approx. which has increased the input cost of the company. Despite of the rise in input cost and keen competition in the hand tools market the current results of the Company are fair and satisfactory.

REFORMS IN INDIAN ECONOMY

The host of reforms undertaken by the government has transformed India into the fastest-growing major economy along with the macroeconomic stability not witnessed in the past as per note of Niti Ayog.

Against the world GDP growth of 3.7%, India's GDP growth is likely to be of 7.2 per cent. The uptick in economic growth has come from various economic reforms undertaken by government such as improvement in ease of doing business, opening up to foreign direct investments, the push for infrastructure development and a stable and decisive policy environment.

The World Bank report said that the recent introduction of the GST and steps toward demonetisation are expected to encourage a shift from the informal to the formal sector. Its representative also said that: "India's recent growth numbers suggest that the economy remains robust despite temporary setbacks (due to demonetisation and GST)".

CORPORATE GOVERNANCE

Your Company is committed to follow the best practices of Corporate Governance and the Board is responsible to ensure the same, from time to time.

Your Company has duly complied with the Corporate Governance requirements as set out under Chapter IV of the SEBI Listing Regulations, from time to time and the Secretarial Auditor of the Company, vide his Certificate dated 28th May 2019, has confirmed that the Company is and has been compliant with the conditions stipulated in the Chapter IV of the SEBI Listing Regulations. During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, and Listing Agreements etc. Following is our observations on specific matters of the Company:

1. The Securities and Exchange Board of India (SEBI) had passed an interim order number WTM/PS/09/CFD/MAY/2015 dated 20th May 2015 (herein after called as 'the Order') with reference to categorization of Promoters Shareholding.

During the audit period, The Company was yet to take any action towards re-categorisation and dilution of Promoters and Promoters group share-holding as per the SEBI Order. The Management has represented that in its view there was no violation with reference to promoter and promoters' group shareholding. The Company was allowed further hearing by SEBI on 03/10/2018 in which the Company clarified its stand further as per SEBI's requirement additional submissions were made by the Company on 11/10/2018, 29/10/2018 and 08/12/2018. The Company is awaiting further response or order from SEBI on the matter.

2. *The Quarterly Shareholding pattern being filed by Company with Bombay Stock Exchange is different from the promoters Shareholding pattern mentioned by SEBI in its order as mentioned in Point No. 1 above.* The Management has represented that they have made submissions to SEBI against the Interim order and are awaiting final order from SEBI.
3. Details regarding non-compliance of filing of form, return and documents under various Act, Laws are as follows:

3.1 SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015

75.83% Shareholding of Promoters was dematerialised whereas Regulation 31 necessitates 100% Shareholding of Promoter and Promoter group to be in dematerialised form. The Management has represented that the pending dematerialisation is only for shares in Joint holding between HUF and Individual promoters, the Transfer of Promoters shares are currently restricted by SEBI as per its interim order dated 20th May 2015.

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
 - There was no prosecution initiated and no fines or penalties were imposed during the year under review under the Act, SEBI Act, SCRA, Depositories Act, Listing Agreement and Rules, Regulations and Guidelines framed under these Acts against / on the Company, its Directors and Officers other than mentioned above;
 - The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, their being independent and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel other than mentioned above;
- A) The FEMA, 1999 is not applicable on Company under the review of audit.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were no specific events/actions in the pursuance to the above referred laws, rules, regulations, guidelines, standards etc. having a major bearing on the company's affairs.

Management Discussion And Analysis

Global Economy

The global economy started with upbeat in 2018 but later this rapid growth of industrial production and trade have slowed down.

2018 has seen expansion in US economy as tax cuts and spending have increased stimulated demand. A strong US economy and higher US interest rates have strengthened the US dollar against most other countries in 2018.

In many developed countries, growth rates have risen close to their potential, while unemployment rates have dropped to historical lows.

Despite an improvement in growth prospects at the global level, several large developing countries saw a decline in per capita income in 2018.

Indian Economy

India moved up by 23 places in the World Bank's Ease of Doing Business Index 2018 and got 77th rank. This is attributed to 6 reforms this year- starting a business, getting electricity, construction permits, getting credit, paying taxes and trading across borders.

In terms of revenue from indirect taxes, the monthly collection of GST has met its target and there has been a steady increase in average collection which further reassures a low fiscal deficit and a stable economy.

Talking about FDI, which is as good an indicator of a growing economy as any. The new tax policies on FDI have led to this increase with a permit of 100% FDI in 25 sectors with 74% in aerospace, 49% in defense and 26% in media.

However a matter of concern is the grave issue of Unemployment, it requires immediate resolution, "Unemployment levels have been steadily rising, and after several years of staying around 2-3%, according to a survey conducted by CMIE, there are about 31 million unemployed youth in the country as of February 2018.

After demonetization, the cash flow has decreased multi fold in the Indian economy and this has led to lower cash liquidity in the market which in turn has caused organizations and individuals alike to face financial problems. The cash deficit hit a peak of 1.4 lakh crore in October 2018.

Business Review

Taparia Tools Limited has been able to grow its production at the rate of 20% approximately.

The Company's total revenue was ₹ 47283.16 lakhs that represent an increase of 15.56 % over the sales of ₹ 40918.28 Lakhs in the previous year.

The company has contributed in social security with its contribution of INR 2.10 crore to the Employee Provident Fund Account during the financial year 2018-19.

SWOT ANALYSIS

Strengths

Brand reputation combined with the loyal customer base.

Experienced manpower and know-how along with dedication towards evolving new techniques.

The quality of the products along with the lifetime warranty makes the customers choose the company over its competitors.

Weakness

The actions to increase capacity at the rate of increase in demand.

Opportunities

Unserved markets for specific products.

Press/media coverage of Taparia branded products

Economic growth leading to rise in demand

Threats

Competition from domestic and international companies

Rising costs of operations and cheaper imports.

OPERATIONAL AND FINANCIAL PERFORMANCE

The Company's working during the year is satisfactory. The Company's total revenue during the year are ₹ 47,283.16 lakh that represent an increase of 15.16% as compared to the sales of ₹ 40,781.08 lakh in the previous year. Profit earned after tax is ₹ 2,350.95 lakh in the current year against ₹ 1,454.63 lakh in the previous year.

All the efforts put in by the Management have led to a very stable and conducive work environment in the Company and paves way for the future growth. The Board acknowledges strong commitment and on-the-ground efforts of all the employees towards the growth of the organisation.

Independent Auditor's Report

To the Members of Taparia Tools Ltd.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Taparia Tools Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

i. Provisions for Contingencies and Litigations and disclosure of Contingent liabilities

Description of Key Audit Matter:

At March 31, 2019, the Company held provisions of ₹61.42 lakhs in respect of legal claims and has disclosed total contingent liabilities of ₹109.51 lakhs. These provisions are based on judgements and accounting estimates made by management in determining the likelihood and magnitude of claims. Accordingly, unexpected adverse outcomes could significantly impact the Company's reported loss and balance sheet position.

Refer Note.16 and Note.27 of financial statements for accounting policies for provisions and contingent liabilities and related disclosures.

Our response:

- We evaluated the design and tested the operating effectiveness of controls in respect of the determination of the provisions. We determined that the operation of the controls provided us with evidence over the completeness, accuracy and valuation of the provisions.

- We read the summary of litigation matters provided by management and held discussions with the management and their legal counsels. We requested legal letters from some of the Company's external legal advisors with respect to the matters included in the aforesaid disclosures. Where appropriate, we examined correspondence connected with the cases.
- For litigation provisions, we tested the calculation of the provisions, assessed the assumptions against third party data, where available and assessed the estimates against historical trends.
- We considered management's judgments on the level of provisioning and disclosures in respect of the aforesaid matters, which we considered to be appropriate.

ii. First time adoption of Ind AS 115 "Revenue from Contracts with Customers"

Description of Key Audit Matter:

The application of the new revenue accounting standard involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period.

Refer note 2 (i) and note 17 of the financial statements for accounting policies for revenue recognition and revenue recognised during year under various heads.

Our response:

- Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing on test check basis based on selected samples of contracts with customers.
- We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard.
- We selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control and substantive testing, relating to identification of the distinct performance obligations and determination of transaction price.
- We selected sample documents relating to delivery of goods and documentation of performance of service, including customer acceptances to verify the transfer of control (either 'point in time' or 'over time') for revenue recognition.
- We considered the terms of the contracts to determine the transaction price to verify the transaction price used to compute revenue.
- In respect of samples relating to fixed price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, there is no remuneration paid by the Company to its directors during the year under the provisions of section 197 of the Act

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Annexure – A to the Auditor’s Report

The Annexure referred to in Independent Auditors’ Report to the members of the Company on the Financial Statements for the year ended March 31, 2019, we report that:

- (i) (a) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) According to the information and explanations given to us, the Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified during the year and no material discrepancies were observed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) According to the information and explanations given to us, the inventories (excluding stocks with third parties and goods-in-transit) have been physically verified during the year by the management. For goods in transit in respect of purchase and sales of material, all material is substantially received or delivered until the date of issuance of this report. In respect of inventories lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of verification is reasonable. Further, as informed, the discrepancies noticed on verification between the physical inventory and the book records were not material
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act. Accordingly, paragraph 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us, the Company has not given any loans, or
- made any investments, or provided any guarantee, or security as specified under Section 185 and 186 of the Companies Act, 2013. Accordingly, paragraph 3(iv) of the Order is not applicable.
- (v) According to information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 or any relevant provisions of the Act and rules framed thereunder.
- (vi) According to the information and explanations given to us, we have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148 of the Act, related to the manufacture of hand tools, and are of the opinion that prima-facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income-tax, employees’ state insurance, duty of excise sales tax, value added tax, duty of customs, service tax, Goods and service tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.
- According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, value added tax, duty of customs, service tax, Goods and service tax, cess and other material statutory dues were in arrears as at 31 March 2019 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, outstanding dues of octroi that have not been deposited by the Company on account of disputes are given below:

Name of the Statute	Nature of Dues	Amount (₹ lakhs)	Period to which the amount relates	Forum where dispute is pending
Municipal Tax Act, 1963	Octroi Duty	4.23	1984-1986 & 1988	High Court

- (viii) According to the information and explanations given to us, based on our audit procedures and as per information and explanation given to us, the Company has not defaulted in repayment of dues to any bank. The Company did not have any outstanding dues in respect of loans or borrowings from any financial institution, government or debenture holders during the year.
- (ix) According to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xii) According to the information and explanations given to us, in our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure – B to the Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls over financial reporting of Taparia Tools Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls, both applicable to an Audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain Reasonable Assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor’s Judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s Internal Financial Controls system over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted Accounting Principles. A company’s Internal Financial Control over Financial Reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over

financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

*NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019***1. Reporting entity**

Taparia Tools Ltd (the 'Company') is a Company domiciled in India, with its registered office situated at 52 and 52-B, MIDC Area, Satpur, Nashik - 422007. The equity shares of the company are listed on the Bombay stock exchange (BSE) in India. The Company is primarily involved in manufacturing and trading of hand tools.

The manufacturing facility of the Company is located at Nashik and Goa.

1.1 Basis of preparation*a. Statement of compliance*

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements were authorised for issue by the Company's Board of Directors on 28th May, 2019.

Details of the Company's accounting policies are included in Note 2.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded off to two decimal places to the nearest lakhs, unless otherwise indicated.

c. Basis of measurement

The financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities and defined benefit plan assets/liabilities measured at fair value.

d. Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Note 30 – lease; whether an arrangement contains a lease and:
- Note 30 – lease classification

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2019 is included in the following notes:

- Note 3 – useful life of Property, plant and equipment
- Note 4 – useful life of Intangible assets
- Note 31 – employee benefit plans
- Note 24 – Income taxes

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

- Note 27 – recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

e. Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2. Significant accounting policies

a. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is recognised in the statement of profit and loss.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset	Management estimate useful life	Useful life as per Schedule II of the Companies Act, 2013
Building	30 Years	30 Years
Plant and machinery (including moulds)	15 years	15 years
Office equipment's	5 years	5 years
Furniture and fixtures	10 years	10 years
Computers	3 years	3 years
Computer server	3 years	6 years
Vehicles- Motor car	8 years	8 years
Electric fittings	10 years	10 years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on internal assessment and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off).

b. Intangible assets

i. Acquired intangible

Intangible assets comprise purchased technical know-how are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

iii. Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortisation in Statement of Profit and Loss.

Intangible assets are amortised over a period of 10 years for technical know-how and 3 years for others.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

c. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost includes purchase price, duties, transport & handling costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The basis of determination of cost remains as follows:

- a) Raw material, packing material: Moving weighted average cost.
- b) Stores & stores: Moving weighted average cost.
- c) Work-in-progress: Cost of input plus overhead up to the stage of completion.
- d) Finished Goods: Cost of input plus appropriate overhead.
- e) Scrap: at net realisable value.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

d. Impairment

Impairment of non-financial assets

- a) An asset is deemed impairable when recoverable value is less than its carrying cost and the difference between the two represents provisioning exigency.
- b) Recoverable value is the higher of the 'Value in Use' and fair value as reduced by cost of disposal.
- c) Test of impairment of PPE, investment in subsidiaries / associates / joint venture and goodwill are undertaken under Cash Generating Unit (CGU) concept. For Intangible Assets and Investment Properties it is undertaken in asset specific context.
- d) Test of impairment of assets are generally undertaken based on indication of impairment, if any, from external and internal sources of information outlined in para 12 of Ind AS-36.

Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

e. Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund and Employee State Insurance scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

iii. Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

*NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019***iv. Other long-term employee benefits**

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Remeasurements gains or losses are recognised in profit or loss in the period in which they arise.

f. Provisions and contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assumptions of the time value of money and the risks specific to the liability. The unwinding of discount is recognized as finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A provision for onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

g. Leases

Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognized in the Company's Balance Sheet.

Payments made under operating leases are generally recognized in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessee

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership been classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

h. Borrowing costs

Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the statement of profit and loss.

i. Revenue

The Company has adopted Ind AS 115 - 'Revenue from contracts with customers' with effect from April 01, 2018. Revenue from the sale of goods in the course of ordinary activities is recognised at the 'transaction price' when the goods are 'transferred' to the customer. The 'transaction price' is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods to a customer, excluding amounts collected on behalf of third parties (for example, goods and service tax). The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both. The goods are considered as 'transferred' when the customer obtains control of those goods.

Revenue from services is recognised in the accounting period in which service are rendered. For fixed price contracts, revenue is recognised based on actual services provided to the end of the reporting period as a proportion of the total services to be provided.

Dividend income is recognised when the right to receive payment is established and known.

There is no impact on account of applying the Ind AS 115 Revenue from contract with customers instead of erstwhile Ind AS 18 Revenue on the financials Statements of the Company for the year ended and as at March 31, 2019.

j. Foreign currency transactions

Transactions in foreign currencies are initially recorded by the company at their functional currency spot rates at the date of the transaction.

Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

k. Recognition of interest income or expense

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

l. Government grant

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to revenue, it is recognised in the statement of profit and loss on a systematic basis over the periods to which they relate. When the grant relates to an asset, it is treated as deferred income and recognised in the statement of profit and loss on a systematic basis over the useful life of the asset.

m. Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis

n. *Earnings per share*

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding after adjusting for the effects of all potential dilutive ordinary shares.

o. *Cash flow statement*

Cash Flows are reported using indirect method; where by profit /loss before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

p. *Financial instruments***i. Recognition and initial measurement**

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

ii. Classification and subsequent measurement

Financial assets

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Impairment of financial assets

The company assesses impairment based on expected credit losses (ECL) model at an amount equal to:

- 12 months expected credit losses, or
- Lifetime expected credit losses

depending upon whether there has been a significant increase in credit risk since initial recognition.

However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

q. Recent accounting pronouncements

- Ind AS 116 Leases: Ministry of Corporate Affairs has notified Ind AS 116, Leases on March 30, 2019. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The adoption of this Ind AS will not have any material impact on the Financials.

- Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

The adoption of Ind AS 12 Appendix C would not have any material impact on the financial statements.

- Amendment to Ind AS 12 – Income taxes: On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.
- Amendment to Ind AS 19 – plan amendment, curtailment or settlement: The Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', on 30 March, 2019 in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:
 - a) to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
 - b) to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any material impact on account of this amendment.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

26 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares."

29 The Company was set up with the objective of manufacturing Handtools business segment. This is the only activity performed and is thus also the main source of risks and returns. Accordingly, the Company has a single reportable segment. Further, as the Company does not operate in more than one geographical segment hence the relevant disclosures as per Ind AS 108 are not applicable to the company.

30 In accordance with Accounting Standard on Leases (IND AS-17) disclosures in respect of Leases are made below:

The Company has taken certain office/factory premises on operating lease basis (cancellable leases). Such leases are generally with the option of renewal against increases rent and premature termination of agreement. So the disclosure requirement of Ind AS 17 showing minimum lease payment for less than 1 year between more than 1 year and less than 5 year, and more than 5 years is not applicable. Lease payments in respect of such leases recognized in statement of Profit & Loss ₹ 80.41 lakh (previous year ₹ 63.30 lakh)

Benefit payments	(22.53)	(114.89)
Present value of obligation as at the end of the year	732.11	637.82

Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

	As at March 31, 2019	As at March 31, 2018
Discount rate	7.88%	7.51%
Salary growth rate	10.80%	10.80%
Retirement age	60 years	60 years
Withdrawal rates	2.00%	2.00%
Weighted average duration of defined benefit obligation	10	10

Assumptions regarding future mortality rates are based on Indian Assured Lives Mortality (2006-08) Ultimate as published by Insurance Regulatory and Development Authority (IRDA).

The actuarial valuation is carried out yearly by an independent actuary. The discount rate used for determining the present value of obligation under the defined benefit plan is determined by reference to market yields at the end of the reporting period on Indian Government Bonds. The currency and the term of the government bonds is consistent with the currency and term of the defined benefit obligation.

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

(₹ in lakhs)

	Year ended March 31, 2019
Discount rate (1.00% increase)	(5,438,182)
Discount rate (1.00% decrease)	6,252,856
Future salary growth (1.00% increase)	5,707,804
Future salary growth (1.00% decrease)	(5,115,716)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

(ii) Defined contribution plan

The Company also has certain defined contribution plan. Contributions are made to provident fund and employee state insurance scheme for employees at the specified rate as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 61,50,409 (31 March 2018: ₹ 64,63,916).

34. Financial Instrument - Accounting classifications and fair values measurements

The fair value of the assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to the short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the company based on parameters such as interest rate and individual credit worthiness of the counter party. Based on this evaluation, allowance are taken to the account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2 : other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels of in the fair value hierarchy :

Financial risk management objectives and policies

The Company has exposure to the following risks arising from financial instruments :

- Credit risk
- Liquidity risk
- Market risk
- Interest risk

Risk management framework

The Company's management has overall responsibility for the establishment and oversight of the Company's risk management framework.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

The Company conducts yearly risk assessment activities to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has a system in place to ensure risk identification and ongoing periodic risk assessment is carried out. The Board of directors periodically monitors the risk assessment.

i) Credit risk

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables and deposits to landlords) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments. The company generally doesn't have collateral.

The carrying amounts of financial assets represent the maximum credit risk exposure. The maximum exposure to credit risk at the reporting date was:

Particulars	(₹ in lakhs)	
	As at March 31, 2019	As at March 31, 2018
Trade receivables	4,153.52	3,618.16
Cash and cash equivalents	273.40	1,078.27
Other financial assets	6.56	5.94

Trade receivables

Customer credit risk is managed as per Company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

An impairment analysis is performed for all major customers at each reporting date on an individual basis. In addition, a large number of minor receivables are grouped into homogenous group and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 8. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several industries and operate in largely independent markets.

Bank balances and deposits with banks

Credit risk from balances with banks is managed by the company's finance department as per Company's policy. Investment of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

NOTES TO THE FINANCIAL STATEMENTS for the year ended March 31, 2019

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

	3,580.30	3,580.30	3,580.30	-	-	-	-

iii) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows arising out of change in the price of a financial instrument. These include change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowing.

The company manages market risk through a risk management committee engaged in, inter alia, evaluation and identification of risk factors with the object of governing/mitigation them accordingly to company's objectives and declared policies in specific context of impact thereof on various segments of financial instruments.

Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which purchases are denominated and the functional currency of Company. The functional currency of the Company is Indian Rupees. However the Company is not exposed to foreign currency fluctuation between the foreign currency and Indian Rupees.

Cash flow sensitivity analysis for variable-rate instruments

An increase of 100 basis points in interest rates at the reporting date would have decreased gain as at year end by the amounts shown below. This analysis assumes that all other variables remain constant.

(₹ in lakhs)

Particulars	Profit or loss
March 31, 2019	
Variable-rate instruments	-
Cash flow sensitivity	-
31 March 2018	
Variable-rate instruments	-
Cash flow sensitivity	-
Total	-

A decrease of 100 basis points in the interest rates at the reporting date would have had equal but opposite effect on the amounts shown above, on the basis that all other variable remain constant.

Previous year's figures have been recast/regrouped wherever necessary.
