Rules, 2015 prescribed under Section 133 of the Companies Act, 2013 and accordingly the Revenue from Contracts with Customers' are arrived as The Company has adopted Equity Method of Accounting while Consolidating the Financial Results of its Joint Venture Company M/s. SAA & Suditi Retail Pvt. Ltd. as per Ind AS - 28 "Investments in Associates and Joint Ventures". In terms of the Joint Venture agreement executed by the Company

with Project Anushka Sharma Lifestyles Pvt. Ltd., the Company has recognized the loss fully in the financial results of Suditi Industries Ltd in the 4) In accordance with Ind AS 108 "Operating Segments", the Company has only one reportable Primary Business segment viz. Hosiery Fabrics and Garments. The Geographical segment reported earlier under Export as well as Domestic are now not reported as the exports are insignificant.

Further, the Company does not have separate identifiable bifurcation of Assets as the entire operations are undertaken for Hosiery Fabric/Garments 5) The subsidiary company, M/s. Suditi Sports Apparel Limited, is yet to commence the business activities. However the company has started the necessary process to start the operations and the company will be starting the garment manufacturing and selling activities under the various

licentiate agreements executed by the company with renowned sports clubs and entities. The delay in commencing the activities is mainly due to the impact of the COVID 19 pandemic. The results are prepared on going concern basis. The other subsidiary M/s. Suditi Design Studio Limited even though has commenced the business in full swing from 2015-16, in view of the

prevailing pandemic situation the operations during the year continues to be adversely affected. Considering the economic situation prevailing in the country and the slump prevailing in the retail sector, the present loss incurred by the company is not taken as a yardstick to measure the financial strength of the company by the management. Accordingly the results are prepared on going concern basis. The joint venture company M/s. SAA & Suditi Retail Pvt. Ltd. has prepared the financial results on a going concern basis as the company has a

strong vibrant band supported by the company promoted by the celebrity Ms. Anushka Sharma and her family and also M/s. Suditi Industries Limited an established quality fabric and garment manufacturer. Hence the present conditions are not considered by the management as a yardstick

to measure the financial strength of the company and results are prepared on going concern basis. The board has adopted the Directors Report to the shareholders for the financial year 2019-20 as well as the notice calling the 29th. Annual General

Meeting to be held on 30th. December 2020 through VC/OAVM. The Group's operations and consolidated financial results for the half year ended September 30, 2020 have been adversely impacted by the

outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government, due to which the operations were suspended for a large part of the quarter ended June 30, 2020 and resumed only gradually with prescribed regulations and precautions. The consolidated financial results for the quarter ended June 30, 2020 and half year ended September 30, 2020 are therefore not comparable with those of previous periods. Towards the end of guarter ended June 30, 2020, many of these restrictions were gradually relaxed by the Government and production activity gradually resumed during the second quarter with prescribed regulations and precautions. The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues etc. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these consolidated financial results has used internal and external sources of information including credit reports and related information, economic forecasts and consensus estimates from market sources on the expected future demand of its products The Group has performed analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. However, given the effect of the pandemic on the overall economic activities globally and in particular the region where the Group operates and in particular on the domestic textile industry, the impact assessment of COVID-19 on the abovementioned consolidated financial results is subject to significant estimation, uncertainties given its nature and duration and, accordingly, the actual impact in future may be different from those estimated as at the date of approval of these consolidated financial results. The Group will continue to monitor any material changes to future economic conditions and consequential impact on its consolidated financial results.

 The Code on Social Security 2020 (Code), which received the Presidential Assent on 28th September 2020, subsumes nine laws relating to social security, retirement and employee benefits, including the Employees Provident Fund and Miscellaneous Provisions Act, 1952 and the Payment of Gratuity Act, 1972. The above Un-Audited quarterly/year to date Financial Results for tthe period ended 30.09.2020 were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 13th November, 2020. Further the statutory auditors have performed the "Limited Review approved by the board of infections actist meaning field of individuals a continuous provided by the state of the above Un-Audited Financial Results for the quarter/half year ended 30th. September 2020 and their opinion is not modified.

The Company has prepared the Consolidated & Standalone Financial Results in accordance with the Companies (Indian Accounting Standards)

Rules, 2015 prescribed under Section 133 of the Companies Act, 2013 and accordingly the Revenue from Contracts with Customers" are arrived a The Company has adopted Equity Method of Accounting while Consolidating the Financial Results of its Joint Venture Company M/s. SAA & Sudit

Retail Pvt. Ltd. as per Ind A5 - 28 "Investments in Associates and Joint Ventures". In terms of the Joint Venture agreement executed by the Company with Project Anushka Sharma Lifestyles Pvt. Ltd., the Company has recognized the loss fully in the financial results of Suditi Industries Ltd in the Consolidated Financial Statements.

In accordance with Ind AS 108 "Operating Segments", the Company has only one reportable Primary Business segment viz. Hosiery Fabrics and Garments. The Geographical segment reported earlier under Export as well as Domestic are now not reported as the exports are insignificant Further, the Company does not have separate identifiable bifurcation of Assets as the entire operations are undertaken for Hosiery Fabric/Garments

The subsidiary company, M/s. Suditi Sports Apparel Limited, is yet to commence the business activities. However the company has started the necessary process to start the operations and the company will be starting the garment manufacturing and selling activities under the various licentiate agreements executed by the company with renowned sports clubs and entities. The delay in commencing the activities is mainly due to the impact of the COVID 19 pandemic. The results are prepared on going concern basis.

The other subsidiary M/s. Suditi Design Studio Limited even though has commenced the business in full swing from 2015-16, in view of the

prevailing pandemic situation the operations during the year continues to be adversely affected. Considering the economic situation prevailing in the country and the slump prevailing in the retail sector, the present loss incurred by the company is not taken as a yardstick to measure the financia strength of the company by the management. Accordingly the results are prepared on going concern basis. The joint venture company M/s. SAA & Suditi Retail Pvt. Ltd. has prepared the financial results on a going concern basis as the company has a strong vibrant band supported by the company promoted by the celebrity Ms. Anushka Sharma and her family and also M/s. Suditi Industries

Limited an established quality fabric and garment manufacturer. Hence the present conditions are not considered by the management as a vardstick to measure the financial strength of the company and results are prepared on going concern basis.

3) The board has adopted the Directors Report to the shareholders for the financial year 2019-20 as well as the notice calling the 29th. Annual Genera Meeting to be held on 30th. December 2020 through VC/OAVM.

The Group's operations and consolidated financial results for the half year ended September 30, 2020 have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government, due to which the operations were suspended for a large part of the quarter ended June 30, 2020 and resumed only gradually with prescribed regulations and precautions. The consolidated financial results for the guarter ended June 30, 2020 and half year ended September 30, 2020 are therefore not comparable with those of previous periods Towards the end of quarter ended June 30, 2020, many of these restrictions were gradually relaxed by the Government and production activity gradually resumed during the second quarter with prescribed regulations and precautions. The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues etc. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these consolidated financial results has used internal and external sources of information including credit reports and related information economic forecasts and consensus estimates from market sources on the expected future demand of its products The Group has performed analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. However, given the effect of the pandemic on the overall economic activities globally and in particular the region where the Group operates and in particular on the domestic textile industry, the impact assessment of COVID-19 on the abovementioned consolidated financial results is subject to significant estimation, uncertainties given its nature and duration and, accordingly, the actual impact in future may be different from those estimated as at the date of approval of these consolidated financial results. The Group will continue to monitor any material changes to future economic conditions and consequential impact on its consolidated financial results.

For the items referred in sub-clauses (a), (b), (d) and (e) of the Regulation 52 (4) of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015, the pertinent disclosures have been made to the National Stock Exchange (NSE) and can be accessed on the website of NSE. c) During the period KRCL has received ₹ 1040 Lakhs against 2nd Right Issues from Government of

Karnataka and allotment worth ₹ 2940 Lakhs has been made on 03/06/2020. With this allotment 2nd right issue has been fully paid During the previous year, KRCL has announced 3rd Right Share issue worth ₹ 49,000 Lakh. Out of

d) The prior period expenses and income accounted for during the half year have been treated in accordance with Ind AS-8. The relevant adjustments have been made and the corresponding previous year figures have been restated, including in the retained earnings for figures prior to previous year. Expenses / (Income) amounting to (₹ 2,251) Lakh accounted for during the current half year, were

pertaining to previous year(s). Therefore, as per Ind AS -8, these prior period expenses have been shifted to previous years and the relevant expenses for previous years are restated, resulting in the decrease of Profit After Tax for previous year by ₹ 49 Lakh and increase in Retained earnings by ₹ 2300 lakhs. The reduction in revenue from operations is largely for suspension of train operations due to the outbreak of Covid -19 during the said period. Prevailing of the same situation may have financial impact during future period. However, considering the partial relief in travel restrictions, resuming of train service and earnings through other segments, and projects, the company expects to overcome this impact and recover from the present slowdown
