Notes:

The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 19th May, 2022.

The Statutory Auditors of the Company have provided the Auditors Report on these financial results with an unmodified opinion The Consolidated financial results include results of the Company's subsidiaries in Italy and Germany

The Board of Directors of the Company proposed a dividend of ₹ 6.25 per equity share of face value ₹ 10 each in respect of the year ended 31th March, 2022

The dividend payout is subject to approval of the shareholders at the Annual General Meeting. The Company has entered into a definitive agreement on 18th May, 2022 to acquire 100% of equity share capital in Maxwell Energy Systems Private Limited ("Maxwell") in a phased manner. The total consideration for the acquisition is up to ₹ 3,080 million. Subject to customary closing adjustments and fulfilment of conditions precedent the Company plans to invest ₹1,350 million for acquisition of 51% stake in Maxwell, which is planned during the first quarter of financial year 2022-23. The balance 49% shall be purchased in a phased manner in five tranches, spread over next five financial years.

Maxwell is in the business of embedded electronics, particularly in battery management systems ("BMS") for vehicles including electric vehicles ("EV") and for stationary storage systems. This acquisition will strengthen the Company's offerings to its automotive OEM customers especially for the EV segment. BMS business has a good

potential for growth in the automotive sector and has synergy with the Company's existing business of auto components.
