#### 2. NECESSITY / RATIONALE FOR BUYBACK:

Share buyback is the acquisition by a Company of its own Equity Shares. The objective is to return surplus cash to the Members holding Equity Shares of the Company. The Board, at its meeting held on Tuesday, May 28, 2019, considered the accumulated free reserves as well as the cash liquidity reflected in the audited financial statements as on March 31, 2019 and considering these, the Board decided to allocate a sum of Rs. 49,50,00,000/. (Ruppes Forty Nine Crores Fifty Lakhs only) for distributing to the Members holding Equity Shares of the Company, through the Ruyback The Angliar Buyback activity was successfully completed in the Shares of the Company, through the Buyback. The earlier Buyback activity was successfully completed in the

month of April 2018, wherein 8,80,000 shares were bought back at a price of Rs. 500/-.

After considering several factors and benefits to the Members holding Equity Shares of the Company, the Board decided to recommend the Buyback of maximum of 9,00,000 (Nine Lakhs) Equity Shares (representing 6.51% of the total number of Equity Shares of the paid-up equity capital of the Company) at a price of Rs. 550/- (Rupees Five Hundred Fifty only) per Equity Share for an aggregate consideration of Rs. 49,50,00,000/- (Rupees Forty Nine Crores Fifty Lakhs only). As the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it was necessary to obtain the consent of the shareholders of the Company to the Buyback by way of a special resolution. As per Section 110 of the Act read with Rule 22(16)(g) of the Companies (Management & Administration) Rules 2014, in respect of Buyback of Equity Shares, the consent of the shareholders of the Company to the Buyback is required to be obtained by means of Postal Ballot, provided that the Company may transact such business at the General Meeting if the facility of voting by electronic means under Section 108 of the Act is given to the shareholders. Accordingly, the consent of the shareholders of the Company to the Buyback was obtained by means of a special resolution passed at the Annual General Meeting and the results

The Buyback is being undertaken by the Company after taking into account the strategic and operational cash needs in the medium term and for returning surplus funds to the shareholders. The Buyback is being undertaken for the following reasons:

(i) The Buyback will facilitate the Company to return surplus cash to its shareholders, in proportion to their shareholding, thereby, enhancing the overall returns to the shareholders;

in the equity base, thereby leading to long term increase in shareholders' value: (iii) The Buyback, which is being implemented through the Tender Offer route would involve allocating to the Small Shareholders the higher of: (a) the number of shares entitled per their shareholding; or (b) 15% of the number of shares to be bought back, as per Regulation 6 of the Buyback Regulations. The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders";

(iv) The Buyback gives an option to the shareholders of the Company, either to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or not to participate and get a resultant increase in their percentage shareholding in the Company post the Buyback offer, without additional investment.

MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK, ITS PERCENTAGE OF THE TOTAL PAID-UP CAPITAL AND FREE RESERVES AND SOURCE OF FUNDS FROM WHICH BUYBACK WOULD BE FINANCED: The maximum amount required for Buyback will not exceed Rs. 49,50,00,000/- (Rupees Forty Nine Crore Fifty Lakh only) excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, GST, stamp duty, etc. The said amount works out to 24.94% of the aggregate of the fully paid-up capital and free reserves as per the audited accounts of the Company as on March 31, 2019 which is within the prescribed limit of 25%.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves, as

permitted by the Buyback Regulations or the Act. The Company shall transfer from its free reserves, a sum equal to the nominal value of the equity shares so ought back to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its

subsequent audited financial statements. The funds borrowed, if any, from Banks and Financial Institutions will not be used for the Buyback. 4. ## 11. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed Friday, August 16, 2019 as the "Record Date" for the nurnose of determining the entitlement and the names of the shareholders holding Equity Shares, who will be eligible to participate in the Buyback.
- The Equity Shares proposed to be bought back by the Company as a part of the Buyback shall be divided into two categories;
- (a) Reserved category for Small Shareholders ("Reserved Category"); and
- (b) General category for all Eligible Shareholders other than Small Shareholders ("General Category"). As defined in the Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of the closing price of the Equity Shares on the Stock Exchanges having the highest trading volume as on the Record Date, of not more than Rs. 2.00.000/- (Rupees Two Lakhs only).
- In accordance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be the higher of (a) 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or (b) number of Equity Shares to which the Small Shareholders are entitled, as per the shareholding of Small Shareholders as on the Record Date.
- Based on the holding of Equity Shares as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including Small Shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares that the Company shall purchase from Fligible Shareholders will be based on the total number of Equity Shares tendered. Accordingly, in the event of overall response to the Tender offer being in excess of the Buyback Offer Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders.
- In order to ensure that the same Eligible Shareholder with multiple demat accounts / folios does not receive a nent under the Small Shareholder category, the Company will club together the Equity Shares held by such Eligible Shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar ("Registrar") as per the shareholder records received from the Depositories.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category
- Eligible Shareholders' participation in the Buyback will be voluntary. Eligible Shareholders can choose to participate, in part or in full, and get cash in lieu of Equity Shares accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Eligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and
- participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholde cannot exceed the number of Equity Shares held by the Fligible Shareholder as on the Record Date. If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e. not a multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. The Small Shareholders whose entitlement would be less than 1 Equity Shares may tender additional Equity Shares as part of the Buyback offer and will be given preference in the acceptance of one Equity Share, f such Small Shareholders have tendered for additional Equity Shares.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. Each Eligible Shareholder will receive the letter of offer along with a tender / offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.
- Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date. #### Limited (http://karisma.karvy.com). 2. NECESSITY / RATIONALE FOR BUYBACK:

Share buyback is the acquisition by a Company of its own Equity Shares. The objective is to return surplus cash to the Members holding Equity Shares of the Company. The Board, at its meeting held on Tuesday, May 28, 2019, considered the accumulated free reserves as well as the cash liquidity reflected in the audited financial statements as on March 31, 2019 and considering these, the Board decided to allocate a sum of Rs. 49,50,00,000/- (Rupees Forty Nine Crores Fifty Lakhs only) for distributing to the Members holding Equity Shares of the Company, through the Buyback, The earlier Buyback activity was successfully completed in the month of April 2018, wherein 8,80,000 shares were bought back at a price of Rs. 500/

After considering several factors and benefits to the Members holding Equity Shares of the Company, the Board decided to recommend the Buyback of maximum of 9,00,000 (Nine Lakhs) Equity Shares (representing of the total number of Equity Shares of the paid-up equity capital of the Company) at a price of Rs. 550/- (Rupees Five Hundred Fifty only) per Equity Share for an aggregate consideration of Rs. 49,50,00,000J. (Rupees Forty Nine Crores Fifty Lakhs only). As the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it was necessary to obtain the consent of the shareholders of the Company to the Buyback by way of a special resolution. As per Section 110 of the Act read with Rule 22(16)(g) of the Companies (Management & Administration) Rules 2014, in respect of Buyback of Equity Shares, the consent of the shareholders of the Company to the Buyback is required to be obtained by means of Postal Ballot, provided that the Company may transact such business at the General Meeting if the facility of voting by electronic means under Section 108 the Act is given to the shareholders. Accordingly, the consent of the shareholders of the Company to the Buyback was obtained by means of a special resolution passed at the Annual General Meeting and the results of the same were declared on Wednesday, July 31, 2019

#### 2.1 Necessity of the Buyback:

The Buyback is being undertaken by the Company after taking into account the strategic and operational edium term and for returning surplus funds to the shareholders. The Buyback is being undertaken for the following reasons:

- The Buyback will facilitate the Company to return surplus cash to its shareholders, in proportion to their shareholding, thereby, enhancing the overall returns to the shareholders;

The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders"
- (iv) The Buyback gives an option to the shareholders of the Company, either to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or not to participate and get a resultant increase in their percentage shareholding in the Company post the Buyback offer, without additional investment.
- MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK, ITS PERCENTAGE OF THE TOTAL PAID-UP CAPITAL AND FREE RESERVES AND SOURCE OF FUNDS FROM WHICH BUYBACK WOULD BE FINANCED: e maximum amount required for Buyback will not exceed Rs. 49,50,00,000/- (Rupees Forty Nine Crore

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves, as permitted by the Buyback Regulations or the Act.

The Company shall transfer from its free reserves, a sum equal to the nominal value of the equity shares so bought back to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its

#### 11. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed Friday, August 16, 2019 as the "Record Date" for the purpose of determining the entitlement and the names of the shareholders holding Equity Shares, who will be eligible to participate in the Buyback.
- The Equity Shares proposed to be bought back by the Company as a part of the Buyback shall be divided into
- (a) Reserved category for Small Shareholders ("Reserved Category"); and (b) General category for all Eligible Shareholders other than Small Shareholders ("General Category").
- As defined in the Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of the closing price of the Equity Shares on the Stock Exchanges having the highest trading volume as on the Record Date, of not more than Rs. 2,00,000/- (Rupees
- In accordance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be the higher of (a) 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or (b) number of Equity Shares to which the Small Shareholders are entitled, as per the shareholding of Small Shareholders as on the Record Date.
- Based on the holding of Equity Shares as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including Small Shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Fligible Shareholder will be calculated based on the number of Fquity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Share's that the Company shall purchase from Eligible Shareholders will be based on the total number of Equity Shares tendered. Accordingly, in the event of overall response to the Tender offer being in excess of the Buyback Offer Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders.
- In order to ensure that the same Eligible Shareholder with multiple demat accounts / folios does not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such Eligible Shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar ("Registrar") as per the shareholder records received from the Depositories.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- Eligible Shareholders' participation in the Buyback will be voluntary. Eligible Shareholders can choose to participate, in part or in full, and get cash in lieu of Equity Shares accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Eligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e. not a multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. The Small Shareholders whose entitlement would be less than 1 Equity Shares may tender additional Equity Shares as part of the Buyback offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. Each Eligible Shareholder will receive the letter of offer along with a tender / offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.
- Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date. Share buyback is the acquisition by a Company of its own Equity Shares. The objective is to return surplus cash to the Members holding Equity Shares of the Company. The Beard, at its meeting held on Tuesday, May 28, 2019, considered the accumulated free reserves as well as the cash liquidity reflected in the audited financial statements as on March 31, 2019 and considering these, the Board decided to allocate a sum of Rs. 49,50,00,000! (Rupees Forty Nine Crores Fifty Lakhs only) for distributing to the Members holding Equity Shares of the Company, through the Boyback. The earlier Buyback activity was successfully completed in the month of April 2018, wherein 8,80,000 shares were bought back at a price of Rs. 500!

After considering several factors and benefits to the Members holding Equity Shares of the Company, the Board decided to recommend the Buyback of maximum of 9,00,000 (Nine Lakhs) Equity Shares (representing 6.51% of the total number of Equity Shares of the paid-up equity capital of the Company) at a price of Rs. 550). (Rupees Five Hundred Fifty only) per Equity Share for an aggregate consideration of Rs. 49,50,00,000 (Rupees Forty Nine Crores Fifty Lakhs only). As the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it was necessary to obtain the consent of the shareholders of the Company to the Buyback by way of a special resolution. The Company bolieves that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders";

(iv) The Buyback gives an option to the shareholders of the Company, either to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or not to participate and get a resultant increase in their percentage shareholding in the Company post the Buyback offer, without additional investment.

11. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- 11.1 As required under the Buyback Regulations, the Company has fixed Friday, August 16, 2019 as the "Record Date" for the purpose of determining the entitlement and the names of the shareholders holding Equity Shares, who will be aligible to participate in the Buyback. 11.2 The Equity Shares proposed to be bought back by the Company as a part of the Boyback shall be divided into
- (a) Reserved category for Small Shareholders ("Reserved Category"); and (b) General category for all Eligible Shareholders other than Small Shareholders ("General Category").
- As defined in the Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of the closing price of the Equity Shares on the Stock Exchanges having the highest trading volume as on the Record Date, of not more than Rs. 2.00.000/- (Rupees
- In accordance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be the higher of (a) 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or (b) number of Equity Shares to which the Small Shareholders are entitled, as per the shareholding of Small Shareholders as on the Record Date.
- Based on the holding of Equity Shares as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including Small Shareholders, to tender their Equity Shares in the Buyback. This emittement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Boyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares that the Company shall purchase from Eligible Shareholders will be based on the total number of Equity Shares tendered. Accordingly, in the event of overall response to the Tender offer being in excess of the Buyback Offer Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders,
- In order to ensure that the same Eligible Shareholder with multiple demat accounts / folios does not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such Eligible Shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANx is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar ("Registrar") as per the shareholder records received from the Depositories.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- Elioible Shareholders' participation in the Buyback will be voluntary. Eligible Shareholders can choose to participate, in part or in full, and get cash in lieu of Equity Shares accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Eligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional Equity Shares lover and above their entitlement) and
- participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e. not a multiple of 1 Equity Share). then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. The Small Shareholders whose entitlement would be less than 1 Equity Shares may tender additional Equity Shares as part of the Buyback offer and will be given preference in the acceptance of one Equity Share,
- If such Small Shareholders have tendered for additional Equity Shares. 11.10 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. Each Eligible Shareholder will receive the letter of offer along with a tender / offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback...
- 11.11 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date. Eligible Sellers which have registered their email ids with the depositories / the Company, shall be dispatched the Letter of Offer through electronic means. #### STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("THE ACT")

The following Statement sets out all material facts relating to the Special Business mentioned in the Notice:

#### Item No. 4

The earlier Buyback activity was successfully completed in the month of April 2018, wherein 8,80,000 shares were bought back at a price of Rs. 500/-

The Board of Directors of the Company at its meeting held on Tuesday, May 28, 2019 ("Board Meeting") has, subject to the approval of the Members of the Company by way of Special Resolution ("Special Resolution") and subject to such approvals of statutory, regulatory or governmental authorities as may be required under applicable laws, approved buyback of fully paid-up Equity Shares of the Company of face value of Rs. 5/-(Rupees Five) each ("Equity Shares") up to 9,00,000 (Nine Lakh) Equity Shares, on a proportionate basis through the "Tender Offer" route under Stock Exchange mechanism in accordance with the Act, the Companies (Share Capital and Debentures) Rules, 2014 ("Rules"), to the extent applicable, the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Securities and Exchange Board of India (Buy Back of Securities) Regulations, 2018, (the "Buyback Regulations"), as amended from time to time, read with Securities and Exchange Board of India Circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015 as amended via SEBI CFD/DCR2/CIR/P/2016/131 dated December 9, 2016 ("SEBI Circular") at a maximum price of Rs. 550/-(Rupees Five Hundred Fifty only) per Equity Share payable in cash for an aggregate consideration not exceeding Rs. 49,50,00,000/- (Rupees Forty Nine Crore Fifty Lakh only) ("Offer Size") excluding transaction costs viz. filing fees, advisors' fees, brokerage, applicable taxes such as securities transaction tax, GST, stamp duty, public announcement expenses, printing and dispatch expenses and other incidental and related expenses, etc. ("Buyback"). The Buyback shall be within 25% of the aggregate of paid-up share capital and free reserves of the Company as per audited accounts of the Company as on March 31, 2019 (the last audited financial statements available as on the date of Board Meeting recommending the proposal of the Buyback). The Offer Size of the Buyback constitutes 24.94% of the aggregate paid-up share capital and free reserves of the Company, and represents 6.51% of the total issued and paid-up equity share capital of the Company.

Since the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, it is necessary to obtain the consent of the Members of the Company, to the Buyback, by way of a special resolution in terms of Section 68(2)(b) of the Act. Accordingly, the Company is seeking your consent for the aforesaid proposal as contained in the Resolution under item No. 4.

Requisite details relating to the Buyback are given below.

#### (a) Necessity for the Buyback:

The Buyback is being undertaken by the Company after taking into account the strategic and operational cash needs in the medium term and for returning surplus funds to the shareholders. The Buyback is being undertaken for the following reasons:

- The Buyback will help the Company to return surplus cash to its shareholders, in proportion to their shareholding, thereby, enhancing the overall returns to the shareholders;
- (ii) The Buyback is generally expected to improve return on equity and earnings per share by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- (iii) The Buyback, which is being implemented through the Tender Offer route would involve allocating to the Small Shareholders the higher of: (a) the number of shares entitled as per their shareholding;

- or (b) 15% of the number of shares to be bought back, as per Regulation 6 of the Buyback Regulations. The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders"
- (iv) The Buyback gives an option to the shareholders of the Company, either to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or not to participate and get a resultant increase in their percentage shareholding in the Company post the Buyback offer, without additional investment.
- (b) Maximum amount required under the Buyback its percentage of the total paid-up share capital and free reserves and source of funds from which Buyback would be financed:

(c) Maximum Price at which the Equity Shares are proposed to be bought back and the basis of arriving at the price of the Buyback:

The Equity Shares of the Company are proposed to be bought back at a price of Rs. 550/- (Rupees Five Hundred Fifty only) per share ("Maximum Buyback Price"). The Buyback Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices and closing price of the Equity Shares on the BSE Limited ("BSE") and the National Stock Exchange of India Limited ("NSE") where the Equity Shares of the Company are listed, the networth of the Company, price earnings ratio, impact on other financial parameters and the possible impact of Buyback on the earnings per share. However, the Board is authorised to determine the specific price, the number of Equity Shares and other related particulars at which the Buyback will be made at the time of the Public Announcement for Buyback to the eligible Members.

The Maximum Buyback Price represents:

- (i) Premium of 57.45% and 57.58% to the volume weighted average market price of the Equity Share on BSE and NSE, respectively, during the three months preceding the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback.
- (ii) Premium of 45.00% and 45.46% over the closing price of the Equity Share on BSE and on NSE, respectively, as on Monday, May 20, 2019, being the date on which the Company intimated the Stock Exchanges of the date of the Meeting of the Board of Directors wherein proposal of the Buyback was considered.

#### (d) Maximum number of securities that the company proposes to buyback:

The Company proposes to buyback up to 9,00,000 (Nine Lakh) Equity Shares of face value of Rs 5/-(Rupees Five) each of the Company, which represents 6.51% of the total number of Equity Shares of the Company.

#### (e) Method to be adopted for the Buyback:

The Buyback shall be on a proportionate basis through the "Tender Offer" route, as prescribed under the Buyback Regulations, to the extent permissible, and the "Mechanism for acquisition of shares through Stock Exchanges" as prescribed under the SEBI Circular. The Buyback will be implemented in accordance with the Act, Rules, to the extent applicable, the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date ("Record Date") for determining the names of the Members holding Equity Shares of the Company who will be eligible to participate in the Buyback ("Eligible Shareholder(s)"). Consequent to the approval of the Special Resolution under this Notice, Eligible Shareholders will receive a Letter of Offer along with a Tender / Offer Form indicating their entitlement.

The Equity Shares to be bought back is divided in two categories:

- (i) Reserved category for small shareholders; and
- (ii) General category for all other shareholders.

As defined in Regulation 2(1)(n) of the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on Stock Exchange having highest trading volume as on Record Date, of not more than Rs.2,00,000 (Rupees Two Lakhs only).

In accordance with Regulation 6 of the Buyback Regulations, 15% (Fifteen percent) of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the record date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs. In order to ensure that the same shareholder with multiple demat accounts / folios does not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the equity shares held by such shareholders with a common Permanent Account Number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these equity shares are held for different schemes and have a different demai account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories.

Shareholders' participation in Buyback will be voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may

also accept a part of their entitlement. Eligible Shareholders holding equity shares of the Company having exercised their right in full, also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.

The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circular.

Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer to be sent to the Eligible Shareholder(s).

#### (f) Time limit for completing the Buyback:

The Buyback, subject to the regulatory consents and approvals, if any, is proposed to be completed within 12 months from the date of special resolution approving the Buyback.

#### (g) Compliance with Section 68(2)(c) of the Act:

The aggregate paid-up share capital and free reserves as on March 31, 2019 is Rs. 1,98,45,45,058/- Under the provisions of the Act, the funds deployed for the Buyback cannot exceed 25% of the aggregate of the fully paid-up share capital and free reserves of the Company i.e. is Rs. 49,61,36,265/- (Rupees Forty Crore Sixty one Lakh Thirty Six Thousand Two Hundred Sixty Five only). The maximum amount proposed to be utilized for the Buyback, is not exceeding Rs. 49,50,00,000/- (Rupees Forty Nine Crore Fifty Lakh only) and is therefore within the limit of 25% of the Company's fully paid-up share capital and free reserves as per the audited accounts of the Company as on March 31, 2019 (the last audited financial statements available as on the date of Board meeting recommending the proposal for the Buyback). Further, under the Act, the number of Equity Shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in that financial year. Accordingly, the maximum number of Equity Shares that can be bought back in the current financial year is 34,54,654 Equity Shares. Since the Company proposes to buyback up to 9,00,000 Equity Shares, the same is within the aforesaid 25% limit.
