Limited Review Report on unaudited quarterly and year to date consolidated financial results of Tata Chemicals Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Tata Chemicals Limited

We have reviewed the accompanying statement of unaudited consolidated financial results of Tata Chemicals Limited ('the Company'), its subsidiaries (collectively referred to as 'the Group') and its joint ventures (listed in Annexure I) for the quarter ended 30 September 2018 and the year-to-date results for the period from 1 April 2018 to 30 September 2018 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 2 November 2018. Our responsibility is to issue a report on these unaudited consolidated financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* specified under Section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the consolidated financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We did not review the financial information of one subsidiary included in the statement of unaudited consolidated quarterly and year to date financial results, whose unaudited financial information reflect total revenue of Rs. 2.15 crore and Rs. 3.32 crore for the quarter ended 30 September 2018 and period from 1 April 2018 to 30 September 2018 respectively and total assets of Rs. 18.19 crore as at 30 September 2018. This unaudited financial information has been reviewed by other auditors whose report has been furnished to us, and our conclusion on the unaudited consolidated financial results for the quarter and the year-to-date results, to the extent they have been derived from such unaudited financial information is based solely on the report of such other auditors. Our conclusion is not modified in respect of this matter.

We did not review the financial information of five subsidiaries included in the statement of unaudited consolidated quarterly and year to date financial results, whose unaudited financial information before consolidation eliminations reflect total revenue of Rs. 380.34 crore and Rs. 551.48 crore for the quarter ended 30 September 2018 and period from 1 April 2018 to 30 September 2018 respectively and total assets of Rs. 15,174.26 crore as at 30 September 2018. The consolidated financial results also include the Group's share of net profit (including other comprehensive income) of Rs. 37.19 crore and Rs. 59.09 crore for the quarter ended 30 September 2018 and period from 1 April 2018 to 30 September 2018 respectively in respect of four joint ventures. These unaudited financial information have not been reviewed by their respective auditors and are based solely on the management certified accounts. In our opinion and according to the information and explanations given to us by the management, these unaudited financial information are not material to the Group. Our conclusion is not modified in respect of this matter.
