7. Relevant documents referred to in the accompanying notice and the explanatory statement are open for inspection at the registered office of the Company on all working days, except Saturdays and Sundays, between 11:00 a.m. and 1:00 p.m. upto the date of AGM.
8. Additional information, pursuant to Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, in respect of the Directors seeking appointment and re-appointment at the AGM is furnished as annexure to the notice and forms part of the notice. The Directors have furnished consent/declarations for their appointment/re-appointment as required under the Companies Act, 2013 and the rules thereunder.
9. The Register of Members and Share Transfer Books of the Company will be closed from 24th September, 2019 to 30th September, 2019 (both days inclusive) for determining the names of members eligible for dividend on Equity Shares, if declared at the meeting.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) for participating in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company or Share Transfer Agent. SEBI has also mandated that for registration of transfer of securities, the transferee(s) as well as transferor(s) shall furnish a copy of their PAN card to the Company /RTA for registration of transfer of securities.
11. If the Final Dividend on equity shares as recommended by the Board of Directors, if declared at the meeting, payment of such dividend will be made within 30 days from the date of declaration.

- i) To all Beneficial Owners in respect of shares held in dematerialized form as per the data made available by National Securities Depository Limited (NSDL) and the Central Depository Services Limited (CDSL) as of the close of business hours on 23rd September, 2019.
 - ii) To all members in respect of shares held in physical form after giving effect to valid transfers in respect of transfer requests lodged with the Company on or before the close of business hours on 23rd September, 2019.
12. The Shareholders/ Proxies/ Authorized Representatives are requested to produce at the Registration Counter(s) the attendance slip duly completed and signed, for admission to the meeting hall.
 13. Members/ proxies should bring their copy of the Annual Report for reference at the meeting.
 14. Members who hold shares in dematerialized form are requested to write their Client ID and DP ID and those who hold shares in the physical form are requested to write their folio number in the attendance slip for attending the meeting to facilitate identification of membership at the meeting.
 15. In case of joint holders attending the meeting, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
 16. Members desirous of making a nomination in respect of their shareholding in the company, as permitted under Section 72 of the Companies Act, 2013, are requested to write to Karvy Finetech Pvt. Ltd. (formerly known as Karvy Computershare Pvt. Ltd.), Registrar & Transfer Agent of the Company in the nomination form (i.e. Form No. SH. 13). In case, shares held in dematerialised form, the nomination has to be lodged with the respective depository participant. The nomination form can be downloaded from the Company's website www.ptcfinancial.com.
 17. The communication address of our Registrar and Share Transfer Agent (RTA) is M/s. Karvy Finetech Private Limited, Karvy Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 008.
 18. Members are requested to notify immediately any change of address and change in bank details etc.:
 - i) to their DP in respect of Shares held in dematerialized form
 - ii) to RTA i.e. M/s. Karvy Finetech Pvt. Ltd. (formerly known as Karvy Computershare Pvt. Ltd.) in respect of their physical shares, if any, quoting their folio number.
 19. Members holding shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares.
 20. For Electronic Clearing System (ECS) facility for crediting dividend directly to your designated bank accounts, shareholders are requested to give their mandate in the form enclosed.
 21. Members may also note that the Notice of 13th AGM and PFS Annual Report 2018-2019 will be available on the Company's website www.ptcfinancial.com.
 22. None of the Directors/KMPs of the Company is in any ways related to each other.
 23. Members are requested to send all correspondence concerning registration of transmissions, sub-division, consolidation of shares or any other shares related matter and/or change in address and bank account, to Company's Registrar, Karvy Fintech Pvt. Ltd , Karvy Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032.
 24. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to the Company or Share Transfer Agent, for consolidation into a single folio.
 25. Members desirous of getting any information on any item(s) of business of this Meeting are requested to address their queries to the Company at the registered office atleast 10 days prior to the date of the meeting, so that the information required can be made readily available at the meeting.
 26. The Company is not providing video conferencing facility for this meeting but the voting at the meeting shall be conducted through polling and polling papers will be made available in the meeting. Further, the members attending the meeting who have not already casted their voting by e-voting will be able to exercise their voting at the meeting. Moreover, the members who have casted vote through e-voting may attend the meeting but they are not eligible to vote in the meeting.
 27. Members who wish to claim dividends, which remain unpaid, are requested to correspond with our Registrar and Share Transfer Agent (RTA) i.e. Karvy Fintech Pvt. Ltd. Members are requested to note that dividend not en-cashed/ claimed within seven years will be transferred to Investor Education and Protection Fund of Government of India. In view of this, members are requested to send all un-cashed dividend warrants pertaining to respective years to Company/ RTA for revalidation and en-cash them before due date.
 28. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 as substituted by the Companies (Management and Administration) Amendment Rules, 2015 and in terms of Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means at the 13th AGM of the Company and the businesses as contained in this notice may be transacted through e-voting. The Company has entered into an arrangement with Karvy Fintech Private Limited for facilitating e-voting for AGM.
 29. (a) This Notice is being sent to all the members whose name appears as on 23rd August, 2019 (closing hours) in the Register of members or beneficial owner as received from Karvy Fintech Private Limited (RTA).
 - (b) The voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on 23rd September, 2019 being cut-off date. Members are eligible to cast vote through remote e-voting or voting in the AGM only if they are holding shares as on that date.
 30. The Ministry of Corporate Affairs has undertaken a 'Green Initiative in Corporate Governance' and allowed companies to share documents with its shareholders through electronic mode. Members are requested to support this green initiative by registering/uploading their email addresses, in respect of shares held in dematerialized form with their respective Depository Participant and in respect of shares held in physical form with the Company's Registrar and Share Transfer Agents.
 31. The Annual Report 2018-2019, the Notice of 13th AGM and instructions for e-voting, along with the Attendance Slip and Proxy form, are being sent by electronic mode to all members whose e-mail address are registered with the Company/ Depository Participant(s), unless a member has requested for a physical copy of the documents. For members who have not registered their email addresses, physical copies of the documents are being sent by the permitted mode.
 32. Non-Resident members are requested to inform RTA, immediately of:
 - (a) Change in their residential status on return to India for permanent settlement.

- (b) Particulars of their bank account maintained in India with complete name branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
 - (c) In terms of notification issued by Securities and Exchange Board of India (SEBI), equity shares if the Company are under compulsory demat trading by all investors. Members are therefore, advised to dematerialize their shareholding to avoid inconvenience in trading in shares of the Company.
33. Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the Meeting i.e. 30th September, 2019.
34. A route map to reach the venue of the AGM, including prominent landmark for easy location, attached along with the notice.
35. **Voting through Ballot Paper**

Members who have not exercised the option of Remote E-voting shall be entitled to participate and vote at the venue of the AGM on the date of AGM. The voting at the venue of the AGM shall be done through the Ballot Papers and Members attending the AGM shall be able to exercise their voting right at the meeting through Ballot Papers. After the agenda items have been discussed, the Chairman will instruct the scrutinizer to initiate the process of voting on the all resolutions through Ballot Papers. The Ballot Paper/s will be issued to the Shareholders/Proxy holders/ Authorised Representatives present at the AGM. The shareholder may exercise their right of vote by tick marking as (✓) against 'FOR' and 'AGAINST' as his/her choice may be, on the agenda item in the Ballot Paper and drop the same in the Ballot Box(es) kept at the meeting hall for this purpose.

In such an event, votes cast under Poll taken together with the votes cast through remote e-voting shall be counted for the purpose of passing of resolution(s).

The Scrutinizer shall after the conclusion of voting at the General Meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than 48 hours of the conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing who shall countersign the same and declare the result of the voting forthwith.

The results declared, alongwith the report of the Scrutinizer Report shall be placed on the website of the Company www.ptcfinancial.com under the section 'Investor Service- Corporate Announcement' and on the website of Karvy immediately after the declaration of result by the Chairman or a person authorised by him in writing. The Results shall also be immediately forwarded to the Stock Exchanges where the shares of the Company are listed. A member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the AGM.

Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the Meeting i.e. 30th September, 2019

PROCEDURE AND INSTRUCTIONS FOR EVOTING

Members may cast their votes through electronic means by using an electronic voting system from a place other than the venue of AGM (Remote E-voting) in the manner provided below during the e-voting period as mentioned below:

The procedure and instructions for e-voting are as under:

- i) Open your web browser during the voting period and navigate to '<https://evoting.karvy.com>'

- ii) Enter the login credentials (i.e., user-id & password) mentioned on Attendance Slip/ Email forwarded through the electronic notice or physical copies sent by courier along with Annual Report and Notice calling the AGM.

User - ID	For Members holding shares in Demat Form:- a) For NSDL :- 8 Character DP ID followed by 8 Digits Client ID
	b) For CDSL :- 16 digits beneficiary ID
	c) For Members holding shares in Physical Form:- Event no. followed by Folio Number registered with the company
Password	Your Unique password is printed on the E-voting Form / via email forwarded through the electronic notice
Captcha	Enter the Verification code i.e., please enter the alphabets and numbers in the exact way as they are displayed for security reasons.

- iii) Please contact toll free No. 1-800-34-54-001 for any further clarifications.
- iv) The remote e-voting period commences on 27th September, 2019 (9:00 am) and ends on 29th September, 2019 (5:00 pm). During this period, members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 23rd September, 2019, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by Karvy for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
- v) After entering these details appropriately, click on "LOGIN".
- vi) Members holding shares in Demat/Physical form will now reach Password Change menu wherein they are required to mandatorily change their login password in the new password field. The new password has to be minimum eight characters consisting of at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character. Kindly note that this password can be used by the Demat holders for voting for resolution of any other Company on which they are eligible to vote, provided that Company opts for e-voting through M/s. Karvy Fintech Private Limited e-Voting platform. System will prompt you to change your password and update any contact details like mobile number, e-mail ID etc. on 1st login. You may also enter the Secret Question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- vii) You need to login again with the new credentials.
- viii) On successful login, system will prompt to select the 'Event' i.e., 'PTC India Financial Services Ltd.'
- ix) If you are holding shares in Demat form and had logged on to "<https://evoting.karvy.com>" and casted your vote earlier for any company, then your existing login id and password are to be used.
- x) On the voting page, you will see Resolution Description and against the same the option 'FOR/AGAINST/ABSTAIN' for voting. Enter the number of shares (which represents number of votes) under 'FOR/AGAINST/ABSTAIN' or alternatively you may partially enter any number in 'FOR' and partially in 'AGAINST', but the total number in 'FOR/AGAINST' taken together should not exceed your total shareholding. If the shareholder do not want to cast the vote, select 'ABSTAIN'
- xi) After selecting the resolution to vote, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

- xii) Once you 'CONFIRM' your vote on the resolution, you will not be allowed to modify your vote.
- xiii) Corporate/Institutional Members (corporate /Fls/Flls/Trust/Mutual Funds/Banks, etc) are required to send scan (PDF format) of the relevant Board resolution to the Scrutinizer through e-mail with a copy to evoting@karvy.com. The file scanned image of the Board Resolution should be in the naming format "Corporate Name_ Event no."
- xiv) If you are already registered with Karvy Fintech Private Limited for e-voting then you can use your existing user ID and password for casting your vote. You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s)
- xv) Shri Ashish Kapoor (Membership No. F-8002) Prop. M/s. Ashish Kapoor & Associates, Company Secretaries has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner. The scrutinizer shall forward the consolidated report of total votes cast in favour or against through remote e-voting and voting at the venue of the AGM immediately. The Chairman shall within 48 hours of conclusion of AGM declare the result and such result along with the scrutinizer shall be displayed on the website of the Company and on the website of the agency.
- xvi) The Results declared along with Scrutinizer's Report(s) will be available on the website of the Company (www.ptcfincial.com) and on Service Provider's website (<https://evoting.karvy.com>) within two (2) days of passing of the resolutions and communication of the same to the BSE Limited and the National Stock Exchange of India Limited.
- xvii) The Scrutinizer shall, immediately after the conclusion of voting at the Annual General Meeting, first count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two persons not in the employment of the Company.

Item no. 5

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company in their meeting held on 3rd October, 2018 has appointed Dr. Pawan Singh as Managing Director & CEO of the Company for a period of 5 years w.e.f. 03rd October, 2018 or upto the date of superannuation whichever is earlier.

Presently, the Annual cost to the company (CTC) of Dr. Pawan Singh is fixed at Rs. 73.58 lacs. Further, he was also entitled for Performance Related Pay of upto 40% of fixed CTC. In addition to this, he is also entitled to PF, Gratuity, other perquisites, yearly increment, vehicle facility and other benefits which are admissible to a MD & CEO level functionary in line with the Remuneration Policy of the Company as amended from time to time The remuneration of Dr. Pawan Singh and the perquisites has been provided in this Annual Report. The remuneration is also proposed to be ratified by the members besides his appointment. The total remuneration shall be subject to the applicable provisions relating to remuneration as specified under the Companies Act, 2013.

The Board or a duly constituted Committee of the Board of the Company shall be authorized to take decisions related to the remuneration, perquisites as per terms of appointment and periodical increments/performance related pay, etc of Dr. Pawan Singh and also to settle all issues relating to his appointment and remuneration. Dr. Pawan Singh does not have any shareholding in the Company.

Brief resume of Dr. Pawan Singh

Dr. Pawan Singh is Managing Director & CEO of the Company. He was member of the IRAS and holds MBA and Ph.D in management and has more than 35 year of experience in infrastructure and infrastructure finance. He has handled high/Board level responsibilities over 13 year. He has been responsible for turnaround of power companies from loss making to dividend paying companies. Dr. Pawan Singh was the Director (Finance) of the Company since February 2012.

A brief profile of Dr. Pawan Singh is also annexed to the Notice in accordance with the SEBI (Listing Regulations), 2015 and Secretarial Standard. The Company has received a notice in writing as per Section 160 of the Companies Act, 2013, signifying intention to propose Dr. Pawan Singh as Managing Director & CEO on the Board of the Company.

The above appointment of Dr. Pawan Singh, being liable to retire by rotation in terms of Section 152 of Companies Act, 2013 requires approval of the Members in the General Meeting.

Dr. Pawan Singh has confirmed that he is not disqualified from being appointed as Director under Section 164 of Companies Act, 2013 and given his consent to act as Director.

No other Director/KMP or any relative of any of the Directors of the Company or the relatives of any key managerial personnel is, in anyway, concerned or interested in appointment of Dr. Pawan Singh except him. The Board recommends the resolution for approval of the shareholders.

The Board recommends the resolutions set out at the Item No. 5 of the Notice for your approval

Item no. 6

Mrs. Pravin Tripathi was appointed as Independent Director of the Company w.e.f. 15th October, 2015 for a period of 3 years and her tenure was completed on 14th October, 2018 In terms of requirement of corporate governance norms of SEBI Listing Regulations of having requisite number of independent directors and based upon the recommendation of Nomination & Remuneration Committee, the Board of Directors of the Company in their meeting held on 03rd October, 2018 has re-appointed Mrs. Pravin Tripathi (DIN: 06913463) as an Independent Director for a period of three year w.e.f. 15th October, 2018.

Further, the Company has received a notice in writing from a member under Section 160 of the Act proposing the candidature of Mrs. Pravin Tripathi for the office of Director of the Company. Mrs. Pravin Tripathi is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director.

The Board, based on the performance evaluation and recommendation of Nomination and remuneration Committee considers that given her background, experience, and contribution, the continued association of Mrs. Pravin Tripathi (DIN: 06913463) would be beneficial to the Company and it is desirable to continue to avail her service as Independent Director.

The Company has received a declaration from Mrs. Pravin Tripathi that she meets the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015 ("LODR").

In the opinion of the Board, Mrs. Pravin Tripathi fulfills the conditions specified in the Act and the SEBI Listing Regulations.

Brief resume of Mrs. Pravin Tripathi

Mrs. Tripathi has worked at various senior positions in Govt. of India. She is a B.A. (Hons.) and Master in English from Punjab University and also IA&AS of 1973 Batch (retired). Mrs. Tripathi was appointed as member of Competition Appellate Tribunal and also worked as member of Airport Economic Regulatory Authority Appellate Tribunal. She has also worked as Deputy Comptroller & Auditor General of India.

A profile of Mrs. Pravin Tripathi is also annexed to the Notice in accordance with the LODR and Secretarial Standard.

The resolution seeks approval of the shareholders in terms of provisions of Section 149, 150, 152, Schedule IV of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014, for the re-appointment of Mrs. Pravin Tripathi as Independent Director for the tenure as mentioned in the resolutions mentioned in this notice. Her office of directorship shall not be liable to retire by rotation. The terms and conditions of appointment shall be open for inspection by the shareholders at the registered office of the Company during normal business hours on any working day excluding Saturday & Sunday.

No other Director/KMP or any relative of any of the Directors of the Company or the relatives of any key managerial personnel is, in anyway, concerned or interested in appointment of Mrs. Pravin Tripathi except her. The Board recommends the resolution for approval of the shareholders.

The Board considers that her continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mrs. Pravin Tripathi as an Independent Director. Accordingly, the Board recommends the resolution in relation of appointment of Mrs. Pravin Tripathi as an Independent Director, for the approval of members of the Company as an Special Resolution.

Item no. 7

Dr. Nagesh Singh (DIN: 08550944) was appointed as Independent Director of the Company w.e.f. 30th August, 2019 for a period of 3 years In terms of requirement of corporate governance norms of SEBI Listing Regulations of having requisite number of independent directors and based upon the recommendation of Nomination & Remuneration Committee, the Board of Directors of the Company appointed Dr. Nagesh Singh (DIN: 08550944) as an Independent Director for a period of three years w.e.f. 30th August 2019 to 29th August, 2022.

Further, the Company has received a notice in writing from a member under Section 160 of the Act proposing the candidature of Dr. Nagesh Singh for the

office of Director of the Company. Dr. Nagesh Singh is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director.

The Company has received a declaration from Dr. Nagesh Singh that he meets the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015 ("LODR").

In the opinion of the Board, Dr. Nagesh Singh fulfills the conditions specified in the Act and the SEBI Listing Regulations.

Brief resume of Dr. Nagesh Singh

Dr. Nagesh Singh joined the Indian Economic Services 1982. During his career, he had worked in Planning Commission, Department of Industrial Policy and Promotion, Ministry of Social Justice and Empowerment, Ministry of Human Resources Development and Ministry of Rural Development. In Planning Commission he worked in the Project Appraisal and Management Division for over 20 years. This division appraises all public sector investment proposals for final approval by the Government. PTC India Financial Services Limited

BOARD'S REPORT OF THE BOARD OF DIRECTORS

Dear Shareholders,

On behalf of the Board of Directors, it is our pleasure to present the 13th (thirteenth) Annual Report together with the Audited Financial Statements of PTC India Financial Services Limited ("the Company" or "PFS") for the financial year ended 31st March, 2019.

1. Financial Performance

The summarized standalone results of your Company are given in the table below.

	(₹ in millions)	
	FY2018-19	FY2017-18
Total Income	13,365.12	11,851.56
Profit/(loss) before Finance Charges, Depreciation & Tax (EBITDA)	12,280.38	5,378.33
Finance Charges	9,443.11	6,850.01
Depreciation and Amortization	27.27	32.59
Provision for Income Tax	968.57	(501.92)
Net Profit/(Loss) After Tax	1,841.43	(1,002.35)
Other Comprehensive Income (Net of Tax)	(336.12)	(1,206.89)
Total Comprehensive Profit/(Loss) for the year	1,505.31	(2,209.24)

The financials for the FY 2018-19 has been prepared as per Ind AS and previous year financials has also been recast. There are two main changes in accounting due to adoption of Ind AS. First, the accounting of fee income/ expense which are required to be recognize over the tenure of the loan instead of upfront and second provision on loans are required to be calculated as per expected credit loss model instead of provision calculated as per RBI prudential norms.

In FY 2018-19 the total income has been increased by 12.77% from Rs. 11,851.56 million in year 2017-18 to Rs. 13,365.12 million. In FY 2018-19 our borrowings cost has been increased, in line with market trend, by 37.85% to Rs. 9,443.11 million as compared to Rs. 6,850.01 million during FY2017-18. The other expenses increased by 46.22% to Rs. 326.84 million during FY2018-19 as compared to Rs. 223.52 million in FY2017-18, the significant increase is due to increase in amount spend on CSR activities which has increased to Rs 91.64 million during the FY 2018-19 from Rs. 8.09 million in FY 2017-18. Other income increased by 244.33% to Rs. 20.97 million during FY2018-19 compared to Rs. 6.09 million in FY2017-18. There is improvement in portfolio quality of the company and accordingly provision for Impairment on Financial Instruments has been decreased to Rs. 605.83 million in FY 2018-19 from Rs. 6,097.15 million in FY 2017-18. Provision for diminution of equity investments is Rs. 320.39 million in FY2018-19.

The year 2018-19 was challenging year due to liquidity issues for NBFCs in general and increase in borrowing cost across the industry due to which the operational performance for the year has been affected with increased cost of borrowing. In spite of the inherent challenges in the industry with deterioration in portfolio quality across the country, our company is been able to perform by maintaining the adequate liquidity as well as continuous improvement of portfolio quality with reduction in NPA / Stress assets.

During FY 2018-19, PFS explored innovate ways of alternate finance and become first NBFC to avail Partial Credit Enhancement (PCE) facility from State Bank of India which would support to raise bonds upto Rs.20,000

million. The PCE facility would help the company to have better credit rating and thereby open new doors of having long term finance at lower cost.

During the FY 2018-19, with the focused efforts of the management PFS Gross NPA has reduced from Rs. 8,383.79 million to Rs.8,046.80 million and net NPA from Rs. 5,192.66 million to Rs. 4,032.23 million as on 31st March, 2019 Gross NPA as a % to gross advances is 6.04% and Net NPA as a % to net advances is 3.12% as compared to 6.54% and 4.16% respectively for FY2017-18. PFS has resolved stress/ NPA loan accounts amounting to Rs. 4,962 million. The company is focusing its stuck money in stress assets to income generating assets and our efforts may result in better profitability in coming quarters. Most of the NPA accounts belong to Thermal and Large Hydro project whereas the company is shifting its focus on other areas including renewable energy as a result of which the company exposure to thermal has been reduced to 14% as on 31st March, 2019 in comparison to 17% as at the beginning of the year.

The profit before tax (PBT) for FY 2018-19 stood at Rs. 2,810.00 million compared to loss of Rs. 1,504.27 million during FY2017-18. The profit after tax (PAT) for FY 2018-19 stood at Rs. 1,841.43 million against a loss of Rs. 1,002.35 million.

In FY 2018-19 in spite of challenging environment, PFS not only addressed the liquidity issues efficiently but also reported growth in its portfolio growth of 4%. The company continued to focus of new areas of sustainable finance with better yields and explored upcoming areas like Electrical Vehicle Charging stations, projects under Namami Gange, HAM road projects etc. and committed to contribute for environment friendly projects. During FY 2018-19 PFS sanctioned new loans of Rs. 51,239 million and made disbursement of Rs.40,852 million to various Infrastructure projects. During FY 2018-19, PFS sanctioned Rs 23,994 million to Solar projects, Rs. 4,504 million to wind projects, Rs. 22,741 million to other projects including road, transmission, distribution and corporate loan.

For ensuring robust quality of portfolio, PFS continues to strengthen credit appraisal process and risk management function, PFS has further strengthened the project monitoring function and implemented early warning signal framework for early identification of stress in assisted projects, and, a special team has been set up to deal with and find resolution of stressed assets.

2. Summary of Operations and State of Company's Affairs

The debt assistance sanctioned during FY2018-19 stands at Rs. 51,239 million and disbursement at Rs. 40,852 million as compared to Rs 82,500 million and Rs. 51,032 million during 2017-18.

The gross portfolio stood at Rs. 142,370 million as at 31st March 2019 as compared to ₹ 143,120 million as at the end of FY2017-18. The fund based portfolio stood at ₹ 133,210 million as at 31st March 2019 as compared to Rs. 128,164 million as at 31st March 2018 and the letter of comfort stood at Rs. 9,156 million as at 31st March 2019 as against Rs. 14,959 million as at 31st March 2018. The equity investments made by the Company aggregated to another Rs. 2,469 million as at the year end. The cumulative gross aggregate debt assistance sanctioned by the Company as at 31st March 2019 aggregated to Rs. 374,512 million and net of cancellations/loan closure, the cumulative debt sanctioned aggregated to Rs. 215,116 million.

The financial assistance sanctioned by PFS would help in capacity addition of about 45,000 MW of power projects, majority of which are renewable / environmental friendly projects. PFS is constantly working with new as well as existing developers and is focused towards diversifying its portfolio to upcoming areas like Electrical Vehicle Charging stations, projects under

Namami Gange etc.. As at 31st March 2019, the renewable portfolio comprises the highest proportion in the outstanding loan book at around 59%, thermal projects constitute about 14%. PFS will continue to focus on reduction of its thermal exposure and in FY 2019–20 its exposure is expected to be in single digit. PFS is also having exposure of 2% in hydro sector and 25% in other infra sectors as at March 31, 2019 and more diversification would be seen to upcoming sectors in coming year.

The power sector is witnessing stress particularly in case of thermal projects. Several thermal projects in the country (both operational and under construction) are facing challenges related to fuel price and availability, power tariff, time and cost overruns alongwith equity infusion by promoters specially in case of under construction projects. PFS has also faced challenges in respect of such projects. As at 31st March 2019, the non-performing loans portfolio stood at Rs. 8,047 million, one thermal power project having aggregate loan outstanding of Rs. 3,284 million is under corrective action plan (SDR/OSDR) and projects having aggregate loan outstanding of Rs. 4,092 million faced delays in commencement of commercial operations and have been classified as Standard Restructured Assets. The Company continues to regularly monitor the progress and operations of the assisted projects through its comprehensive project monitoring mechanism. The company is having Rs 110,087 million of projects which are operational and commissioned and consisting 82.64% of its total loan outstanding: projects of Rs. 66,079 million is having more than one year satisfactory conduct post their respective commissioning.

3. Net Owned Funds and Earnings Per Share (EPS)

The Net Owned Funds of the Company aggregated to Rs. 19,319.50 million as at 31st March 2019 and the total capital funds aggregated to Rs. 20,665.51 million as at that date. The percentage of aggregate risk weighted assets on balance sheet and risk adjusted value of off balance sheet items to net owned funds is 21.92% as at 31st March 2019.

EPS of the Company for the year ended 31.03.2019 stands at Rs. 2.87 per share in comparison to Rs. (1.56) per share for the year ended 31.03.2018. In FY 2018–19 there is turnaround in the financial performance of the company and the company reported PAT of Rs 1,841.43 million as against loss of Rs. 1,002.35 million in FY 2017–18. The trend in upward performance is expected to improve further with expected resolution of some stress / NPA assets in coming year, with innovative structure of finance to upcoming areas and also with exploring alternative sources of long term finance at lower cost.

4. Reserves

Out of the profits earned during the financial year 2018–19, the Company has transferred an amount of Rs. 368.29 million to Statutory Reserve in accordance with the requirements of Section 45-IC of the Reserve Bank of India Act, 1934.

5. Dividend

Based on Company's performance, the Board of Directors are pleased to recommend for your consideration and approval, a dividend at the rate of 8% (which is higher than earlier recommendation of 2% in last year) i.e. Rs. 0.80/- per equity share of Rs. 10/- for the FY 2018–2019. The dividend on equity shares, if approved by the members at ensuing Annual General Meeting, would involve the cash outflow of Rs. 619.45 million including dividend distribution tax amounting to Rs. 105.62 million.

The dividend will be paid to the members whose names appear in the Register of Members as on a record date and in respect of shares held in dematerialized form whose names are furnished by National Securities Depositories Limited and Central Depository (India) Limited as beneficial owners as on record date.

6. Fixed Deposits/Public Deposits

Your Company has not accepted any deposits during the year from public in terms of provisions of Companies Act, 2013. Further, at the end of the year, there were no unclaimed, unpaid or overdue deposits.

7. Capital adequacy ratio

The Capital Adequacy Ratio as on 31st March 2019 stood at 21.92% compared to 21.19% as on 31st March, 2018. No adverse material changes affecting the financial position of the Company have occurred during the financial year.

8. Material changes and commitments, if any, affecting the financial position of the Company

There have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relates (i.e. 31st March, 2019) and the date of the report. No adverse Material changes affecting the financial position of the Company have occurred during the Financial Year.

9. Particulars of loans, guarantees and investments under Section 186

The particulars of loans, guarantees and investments have been disclosed in the financial statements.

10. Share Capital/ Finance

During the period under review, no change has taken place with regard to capital structure of the Company. The paid up share capital of the Company as at 31st March 2019 aggregates to Rs. 6,422.83 million comprising of 642,283,335 equity shares of Rs. 10/- each fully paid up. PTC India Limited holds 64.99% of the paid up share capital of the Company as at 31st March 2019. The equity shares of the Company are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE).

11. Extract of Annual Return

As provided under section 92(3) of the Companies Act, 2013 and rule 12(1) of the Companies (Management and Administration) Rules, 2014, extract of annual return is given in *Annexure - I in the prescribed Form MGT-9*, which forms part of this report.

12. Directors and Key Managerial Personnel

In accordance with provisions of the Companies Act, 2013 and Articles of Association of the Company, Shri Naveen Kumar (Whole Time Director) shall retire by rotation at the ensuing Annual General Meeting and being eligible offers himself for re-appointment.

Details of changes in the composition of Board and appointment/re-appointment during the period under review have been specifically mentioned in the report on the Corporate Governance which is annexed with this report.

13. Dividend Distribution Policy

As per regulation 43A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the top 500 listed companies shall formulate a dividend distribution policy. Accordingly, the policy was adopted to set out the parameters and circumstances that will be taken in to account by the Board while determining the distribution of dividend to its shareholder. The policy is enclosed as *Annexure-II* to the Board Report and is also available on Company's website, at : <http://www.ptcfinancial.com/upload/pdf/Dividend%20Distribution%20Policy-PFS.pdf>

Further, the attendance of each director is more specifically mentioned in the report on the Corporate Governance which is annexed with this report.

15. Committees of Board

The Company's Board has the following Committees:

- 1) Audit Committee
- 2) Nomination and Remuneration Committee
- 3) Asset Liability Management Committee
- 4) Risk Management Committee
- 5) Stakeholders' Relationship Committee
- 6) Corporate Social Responsibility Committee
- 7) Committee of Directors for Bond issuance
- 8) Investment Committee
- 9) IT Strategy Committee

The details of the Committees, their meetings and other disclosures are mentioned in the corporate governance report which forms part of this report.

16. Corporate Social Responsibility

As a good corporate citizen, the Company is committed to ensuring its contribution to the welfare of the communities in the society where it operates, through its Corporate Social Responsibility ("CSR") initiatives.

The Corporate Social Responsibility Committee has formulated and recommended to the Board, a Corporate Social Responsibility Policy (CSR Policy) indicating the activities to be undertaken by the Company, which has been approved by the Board. The composition of the Corporate Social Responsibility Committee has been specifically mentioned in the report of Corporate Governance Section which is annexed with this report.

The objective of PFS's CSR Policy is to consistently pursue the concept of integrated development of the society in an economically, socially and environmentally sustainable manner and at the same time recognize the interests of all its stakeholders.

To attain its CSR objectives in a professional and integrated manner, PFS shall undertake the CSR activities as specified under the Companies Act, 2013. The composition and other disclosures are mentioned in the corporate governance report which forms part of this report.

The report on CSR activities/initiatives is enclosed at *Annexure III* and is also available at website of the Company, at http://www.ptcfinancial.com/upload/pdf/corporate_social_responsibility_policy.pdf

17. Vigil mechanism/Whistle Blower Policy

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behavior. In compliance with requirements of Companies Act, 2013 & Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR" or "SEBI Listing Regulations"), the Company has established a mechanism called 'Whistle Blower Policy' for employees to report to the management instances of unethical behavior, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy. 'Whistleblowing' is the confidential disclosure by an individual of any concern encountered in the workplace relating to a perceived wrongdoing. The policy has been framed to enforce controls so as to provide a system of detection, reporting, prevention and appropriate dealing of issues relating to fraud, unethical behavior, etc. The policy provides for adequate safeguards against victimization of director(s) / employee(s) who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee in exceptional cases. During the year under review, no complaint has been received.

The Whistle Blower policy is available at http://www.ptcfinancial.com/upload/pdf/whistle_blower_policy.pdf

18. Directors' Responsibility Statement

Pursuant to the requirement clause (c) of sub-section (3) of Section 134 read with section 134(5) of the Companies Act, 2013, your Directors, to the best of their knowledge confirm that:

- (a) in the preparation of the annual accounts for the year ended March 31, 2019, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year ended March 31, 2019 and of the profit and loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) the directors, had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively.
- (f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

19. Statutory Auditors, their Report and Notes to Financial Statements

M/s. Deloitte Haskins & Sells, Chartered Accountants were ratified in the last Annual General Meeting of the Company as statutory auditors of the Company for FY 2018-19 by the shareholders and shall hold office upto the conclusion of the forthcoming Annual General Meeting.

The auditors have audited the Accounts of the Company for the year ended 31st March 2019. Audited Financial Statements (both standalone and consolidated) comprising Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended and a summary of significant accounting policies & other explanatory information together with Auditor's Report thereon are annexed to this report. The Auditors' Report does not contain any qualification, reservation or adverse mark.

Further, the auditors of the Company while performing their duties as such has not found any fraud which was required to be reported to the Board of Director or Central Government.

M/s Deloitte Haskins & Sells was appointed as Statutory Auditors for the FY 2009-10 for the first time and since then they were re-appointed as statutory auditor till current FY i.e. 2018-19. As per section 139(2) of the Companies, Act 2013, company has to rotate their statutory auditors once their auditor served the office as an auditors for a period of 10 years. M/s. Deloitte Haskins & Sells has been completed 10 years as auditor, therefore, the Board of Directors has recommended the appointment of M/s. MSKA & Associates Chartered Accountants as Statutory Auditors of the Company for a period of 5 (five) years w.e.f. FY 2019-20 to shareholders in the ensuing annual general meeting.

20. Secretarial audit

Pursuant to provisions of Section 204 of Companies Act, 2013 and rules mentioned thereto, the Board of Directors of the Company appointed M/s. Agarwal S. and Associates, Practicing Company Secretary, to conduct the Secretarial Audit of records and documents of the Company. The Secretarial Audit Report is enclosed as *Annexure IV*. The observations set out in Secretarial Audit report and its reply of the same is as under:-

Observation by Secretarial Auditor	Reply by the Company

The Company was also compliant in terms of provisions under Section 149 (4) of the Companies Act, 2013 as out of 9 Board of Directors there were 4 Independent Directors on the Board of Company. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.</p>	<p>The same was complied on 18th September, 2018 on superannuation of Dr. Ashok Haldia (then MD&CEO). It is also to be mentioned that no penalty was imposed by SEBI/ Stock Exchanges in this regard.</p>

21. Related party transactions

During the financial year 2018-2019, the Company has not entered into any other related party transactions which attracts the provision of Section 188 of the Companies Act, 2013 and SEBI Listing Regulations. The details of transactions entered into with the related parties is given in note no. 40 of the audited accounts of the Company. During the year, the Company had not entered into any contract/ arrangement/ transaction with related parties which could be considered material in accordance with the policy of the Company on materiality of related party transactions. The Policy on Materiality of Related Party Transactions and Dealing with Related Party Transactions as approved by the Board is available on the Company's website at the link:

http://ptcfinancial.com/statutory_policies/20150629_Policy_materiality_of_Related_Party_Transactions.pdf

Further, all the transactions are made in the ordinary course of business and on arm's length basis.

Information on transactions with related parties pursuant to section 134(3)(h) of the Act read with rule 8(2) of the Companies (Accounts) Rules, 2014 are given in *Annexure - V* in Form AOC-2 and the same forms part of this report.

22. Human Resources

Your Company treats its "human resources" as one of its most important assets. Your Company continuously invests in attraction, retention and development of talent on an ongoing basis. A holistic assessment of manpower needs led to fresh recruitment at various level. A number of individual employee specific, group of employee specific and organizational wise programs that provide focused people attention are currently underway. Your Company's thrust is on the development of talent internally through job enlargement, rotation and development.

Your Company thrust on development of all levels of the employee has helped your organization achieve employee's loyalty and attachment to the Company. There is a huge opportunity for all of us to learn, practice and perform. Though the expectation from the employees are realistic, each employee get to work on challenging assignments, and a chance to learn, innovate and perform. Handholding, guidance & mentoring has a special place for a young team and organization. Sharing of knowledge and learning from the experience of seniors has helped us grow steadily.

Your Company focus on human resource development is at all levels of organization including non-executive and support staff. The human resource development is critical to implementation of organizational strategy and to make organization humble and responsive to the customers need. Employees are encouraged to participate and be part of the organizational growth and development strategy. Lateral entry at different levels keeps the organization vibrant.

23. Industrial Relations

Your Company has always maintained healthy, cordial and harmonious industrial relations at all levels. Despite of competition, the enthusiastic efforts of the employees have enabled the Company to grow at a steady pace.

24. Risk Management Policy

PFS has put in place a comprehensive policy framework for management of risks, which includes the followings:-

- Risk Management Policy: - The Risk Management Framework of PFS encompasses credit risk, market risk, as well as operational risk management. The Risk Management Policy, evolved under the guidance of Risk Management Committee and duly approved by Board of Directors, is refined periodically based on emerging market trends and own experience. The Risk Management Committee is headed by Independent Director.

- Asset Liability Management Policy :- The objectives of Asset Liability Management Policy are to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.
- Interest Rate Policy: - Interest rate policy provides for risk based pricing of the debt financing by the Company. It provides the basis of pricing the debt and the manner in which it can be structured to manage credit risk, interest rate risk and liquidity risk, while remaining competitive.
- Operational Risk Management Policy: - The operational risk management policy recognizes the need to understand the operational risks in general and those in specific activities of the Company. Operational risk management is not understood as a process of eliminating such risk but as a systematic approach to manage such risk. It seeks to standardize the process of identifying new risks and designing appropriate controls for these risks, minimize losses and customer dissatisfaction due to possible failure in processes.

25. Employees' Stock Option Scheme

The Shareholders' approval was obtained at the Annual General Meeting held on 27th October 2008 for introduction of Employee Stock Option Plan at PTC India Financial Services Limited. All the ESOPs made under the Employees' Stock Option Scheme-2008, have been surrendered and as on date no claim is outstanding.

26. Declaration given by independent directors

Mrs. Pravin Tripathi, Shri Kamlesh Shivji Vikamsey, Shri Santosh Balachandran Nayar and Shri Harbans Lal Bajaj were the Independent Directors on the Board of your Company as on 31st March, 2019. In the opinion of the Board and based upon the declaration furnished by the Independent Directors, fulfills the conditions specified in section 149 of the Companies Act, 2013 and the rules made thereunder and Regulation 16(1)(b) of SEBI Listing Regulations. In terms of Regulation 25(8 & 9) of SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations received from the Independent Directors, the Board of Directors has confirmed that they meet the criteria of independence as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations and that they are independent of the management.

27. Company's policy on appointment and remuneration of Senior Management and KMPs

As per the requirements of the Companies Act 2013, the Board of Directors of your Company has constituted a 'Nomination and Remuneration Committee'. The Committee's role is to be supported by a policy "Nomination and Remuneration & Board Diversity"

The Policy of the Company on Nomination and Remuneration & Board Diversity is attached herewith and marked as *Annexure - VI*.

28. Formal Annual Evaluation

The Board of Directors has carried out an annual evaluation of its own performance, Board Committees and individual Directors pursuant to the provisions of the Companies Act, 2013 and the corporate governance requirements as prescribed by SEBI Listing Regulations.

The Company pays performance linked remuneration to its WTDs/MD.

It is ensured that the remuneration is determined in a way that there exists a fine balance between fixed and incentive pay. On the basis of Policy for Performance Evaluation of Independent Directors, a process of evaluation is being followed by the Board for its own performance and that of its Committees and individual Directors.

The performance of the Board was evaluated by the Board after seeking inputs from all the Directors on the basis of the criteria such as the Board composition and structure, effectiveness of Board processes, information and functioning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the Committee members on the basis of the criteria such as the composition of Committees, effectiveness of Committee meetings, etc. The Board are viewed the performance of the individual Directors on the basis of the criteria such as the contribution of the individual Director to the Board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the Chairman was also evaluated on the key aspects of his role.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, performance of the Board as a whole and performance of the Chairman was evaluated, taking into account the views of Executive Directors and Non-Executive Directors.

29. Disclosure under the Sexual Harassment of Women at the work place (Prevention, Prohibition and Redressal) Act, 2013

A Committee has been constituted to look into grievance/complaints of sexual harassment lodged by employees as per Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. Further, no complaints were received during the year and no complaint is pending on 31st March, 2019.

30. Internal financial controls and Internal Auditor

The internal financial controls with reference to the Financial Statements are commensurate with the size and nature of business of the Company.

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit function is defined by the Audit Committee. The Company has appointed M/s Grant Thornton India LLP as Internal Auditors of the Company. To maintain its objectivity and independence, the Internal Auditor reports to the Audit Committee. The Audit Committee has the responsibility for establishing the audit objectives and determines the nature, timing and extent of audit procedures as well as the locations where the work needs to be carried out.

The Internal Auditor monitors and evaluates the efficacy & adequacy of internal financial controls & internal control system in the Company that has been put in place to mitigate the risks faced by the organization and thereby achieves its business objective. Broadly the objectives of the project assigned are:-

- Review the adequacy and effectiveness of the transaction controls;
- Review the operation of the Control Supervisory Mechanisms;
- Recommend improvements in processes management;
- Review the compliance with operating systems, accounting procedures and policies

The internal control and compliance is an on-going process. Based on the findings and report of internal auditor, process owners undertake corrective action that may be required in their respective areas for further strengthening the controls and control environment. Significant audit observations and corrective actions thereon are presented to the Audit Committee. The internal auditors also independently carry out the design evaluation and testing of controls related to requirements of Internal Financial Controls. The evaluation of design effectiveness and testing of controls for various business activities, processes and sub processes was carried out and found satisfactory.

31. Cost Auditors

Cost Audit is not applicable to the Company.

32. Details of Holding, Subsidiaries, Associates and Joint Ventures

REPORT ON CORPORATE GOVERNANCE

(As on 31st March, 2019)

1. Company's philosophy on Corporate Governance

Corporate Governance is an ethically driven business process that is committed to values and conduct aimed at enhancing an organization's wealth generating capacity. This is ensured by taking ethical business decisions and conducting the business with a firm commitment to values, while meeting stakeholders' expectations. Good governance practices stem from the culture and mindset of the organisation and at PTC India Financial Services Limited ("PFS" or "the Company") we are committed to meet the aspirations of all our stakeholders and believes in adopting best corporate practices for ethical conduct of business. This is demonstrated in shareholder returns, high credit ratings, governance processes and focused work environment. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability in the management's higher echelons. The demands of corporate governance require professionals to raise their competence and capability levels to meet the expectations in managing the enterprise and its resources effectively with the highest standards of ethics.

The Company has adopted a Code of Conduct for its employees including Directors. Apart from the performance evaluation of regular employees, PFS has formed the Performance evaluation mechanism for its Executive and Non- Executive Directors which suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013 ("the Act"). These codes are available on the Company's website. PFS has also established a mechanism called 'Whistle Blower Policy' for employees to report to the management instances of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy.

The spirit of governance of the Company is derived from this philosophy and has been articulated through the Company's various policies. At PFS, we are committed to meet the aspirations of all our stakeholders. As a financial institution, PFS has to regularly pursue businesses that maximise returns while effectively managing the inherent risks. Decision making and execution is driven by its governance structure, ethics and value systems. Corporate Governance ensures transparency and accountability. Corporate Governance also has broader social and institutional dimensions. Properly designed rules of governance focus on implementing the values of fairness, transparency, accountability and responsibility to all the stakeholders.

The Company is in compliance with the requirements stipulated under regulation 17 to 27 read with para C and D of Schedule V and clauses (b) to (i) to Sub-Regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR" or "SEBI Listing Regulations" with regard to Corporate Governance. PFS is committed to achieve the best standards of Corporate Governance. The Company has built up a strong foundation for making Corporate Governance a way of life by having an independent Board with experts of eminence, forming a core team of top level executives, inducting competent professionals across the organization and putting in place best systems and processes. Going beyond, PFS has endeavoured to regulatory and legal compliances and adopt practices of high level of business ethics.

2. Board of Directors

The Board of Directors of PFS provide leadership and strategic guidance, objective judgement and exercises control over the Company, while remaining at all times accountable to the stakeholders. The Board has adopted a Policy which sets out the approach to diversity of the Board of Directors. The Board functions either as a full Board or through various committees constituted to oversee specific areas. Policy formulation, setting up of goals, evaluation of performance and control functions vest with the Board. The Board also provides directions and exercises appropriate control to ensure that the Company fulfills stakeholders' aspirations and societal expectations.

a) Composition and Category of Directors

As on 31st March, 2019, the Company's Board comprised of nine Directors. Out of the nine Directors, 3 are Non-Executive Nominee Directors, 4 are Independent Directors and 2 are Whole-Time Directors. The Company's Board has an optimum combination of Executive, Non-Executive and Independent Directors with one Woman Director, as per the requirements of Regulation 17 of SEBI Listing Regulations. The Composition of the Board of the Company meets the criteria mandated by SEBI Listing Regulations and the Act except the number of Independent Directors as prescribed in explanation to proviso of Regulation 17(1) (b) of SEBI Listing Regulations is less than half of the total number of the Board of directors. j) Independent Directors

Mrs. Pravin Tripathi, Shri Kamlesh Shivji Vikamsey, Shri Santosh Balachandran Nayar and Shri Harbans Lal Bajaj were the Independent Directors on the Board of your Company as on 31st March, 2019. In the opinion of the Board and based upon the declaration furnished by the Independent Directors, fulfills the conditions specified in section 149 of the Companies Act, 2013 and the rules made thereunder and Regulation 16(1)(b) of SEBI Listing Regulations. In terms of Regulation 25(8 & 9) of SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations received from the Independent Directors, the Board of Directors has confirmed that they meet the criteria of independence as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations and that they are independent of the management.

k) Familiarisation programme for independent directors

The Company has familiarisation programme for Independent Directors. Web link to the program is given below:

http://www.ptcfinancial.com/upload/pdf/2015062_FAMILIARISATION_PROGRAMME_MODULE.pdf

All independent directors inducted into the Board attended an orientation program organised by the Company from time to time. Further, at the time of the appointment of an Independent Director, the Company issues a formal letter of appointment outlining his / her role, function, duties and responsibilities. The terms and conditions of appointment of Independent Directors is available on the Company's website www.ptcfinancial.com.

l) Meetings of Independent Directors

As stipulated by the Code of Independent Directors under the Companies Act, 2013 and the SEBI Listing Regulations, two separate meetings of the Independent Directors of the Company were held on 12th August, 2018 and 17th March, 2019 respectively during the Financial Year 2018 - 19 without the attendance of non-independent directors and members of management to:

- review the performance of non-independent directors and the Board as a whole;
- review the performance of the Chairperson of the Company, taking into account the views of executive directors and non-executive directors;
- assess the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

m) Availability of information to Board Members

The required information, including information as enumerated in regulation 17(7) read with Part A of Schedule II of the SEBI Listing Regulations is made available to the Board of Directors, for discussion and consideration at the Board Meetings. Such information is submitted either as part of the agenda papers in advance of the respective Meetings or by way of presentations and discussions during the Meetings.

n) Board Evaluation

The Board of Directors has carried out an annual evaluation of its own performance, Board Committees and individual Directors pursuant to the provisions of the Companies Act, 2013 and the corporate governance requirements as prescribed by SEBI Listing Regulations.

The Company pays performance linked remuneration to its

Whole Time Directors/Managing Director. It is ensured that the remuneration is determined in a way that there exists a fine balance between fixed and incentive pay. On the basis of Policy for Performance Evaluation of Independent Directors, a process of evaluation is being followed by the Board for its own performance and that of its Committees and individual Directors. The performance evaluation process and related tools are reviewed by the "Nomination & Remuneration Committee" on need basis, and the Committee may periodically seek independent external advice in relation to the process. The Committee may amend the Policy, if required, to ascertain its appropriateness as per the needs of the Company. The Policy may be amended by passing a resolution at a meeting of the Nomination & Remuneration Committee.

The performance of the Board was evaluated by the Board after seeking inputs from all the Directors on the basis of the criteria such as the Board composition and structure, effectiveness of Board processes, information and functioning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the Committee members on the basis of the criteria such as the composition of Committees, effectiveness of Committee meetings, etc. The Board and the Nomination and Remuneration Committee reviewed the performance of the individual Directors on the basis of the criteria such as the contribution of the individual Director to the Board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the Chairman was also evaluated on the key aspects of his role.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, performance of the Board as a whole and performance of the Chairman was evaluated, taking into account the views of Executive Directors and Non-Executive Directors. The same was discussed in the Board meeting that followed the meeting of the Independent Directors, at which the performance of the Board, its Committees and individual Directors was also discussed. Performance evaluation of Independent Directors was done by the entire Board, excluding the Independent Director being evaluated.

o) The Board annually reviews compliance reports of all laws applicable to the Company, prepared by the Company.

p) **Code of Conduct**

In compliance with the SEBI Listing Regulations and the Companies Act, 2013, a code of conduct for Board Members and Senior Officials is in place. It is a comprehensive code applicable to all Directors and Members of Senior Management of the Company. It is in alignment with Company's vision and values to achieve the Mission and Objectives and aims at enhancing ethical and transparent process in managing the affairs of the Company. A copy of the Code is available on the website of the Company i.e. www.ptcfinancial.com.

Based on affirmation received from Board members and Senior Management Personnel, declaration regarding compliance of Code of Conduct made by the Managing Director and CEO is given below:

Declaration

All the Board members and Senior Management Personnel have affirmed compliance of Code of Conduct for financial year ended on 31st March, 2019.

The declaration by the Managing Director & Chief Executive Officer of the Company, under the Schedule V of the SEBI Listing Regulations, 2015, affirming compliance with the Code of Conduct by all the Board members and senior managerial personnel for the year ended March 31, 2019 is published herewith and forming part of this report.

q) **Code for Prevention of Insider Trading**

In terms of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, the Company has formulated a comprehensive Code for Prevention of Insider Trading to preserve the confidentiality and to prevent misuse of unpublished price sensitive information. Every Director, officer and designated employee of the Company has a duty to safeguard the confidentiality of all such information obtained in the course of his or her work at the Company and not to misuse his or her position or information regarding the Company to gain personal benefit or to provide benefit to any third party. The code lays down guidelines and procedures to be followed and disclosures to be made while dealing with the shares of the Company and the consequences of non-compliance. In line with the requirement of Code for Prevention of Insider Trading, trading window was closed from time to time, whenever some price sensitive information was submitted to the Board and other Committees of Directors. Notice of closure of trading window was issued to all the employees well in advance, restraining all the employees and their relatives not to deal in the shares of the Company when the window is closed.

The code has been intimated to Stock Exchanges where the shares of the Company are listed and has also been duly published on the website of the Company (www.ptcfinancial.com) as prescribed by SEBI.

r) **Committees of the Board of Directors**

The Board functions either as a full Board or through various Committees constituted to oversee specific areas. The Board of Directors and its Committees meet at regular intervals.

As on 31st March, 2019, the Board had nine (9) committees:

- 1) Audit Committee
- 2) Nomination and Remuneration Committee
- 3) Stakeholders' Relationship Committee
- 4) Asset Liability Management Committee

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Scenario

India is sixth-largest global economy with a nominal GDP of \$2.61 trillion. India continues to remain the fastest growing economy in the world with GDP growth of 7.1 per cent in 2018. Infrastructure development plays a very crucial and critical role in economic growth of the country. There exists a very high correlation between infrastructure investment and economic growth and therefore massive investment is needed in infrastructure to achieve targeted economic growth in the country. Promoting growth of the economy has always been the utmost priority of the Government of India (GoI). GoI continuously taking steps to facilitate production and GDP growth of the economy. The Government of India aims at creating a conducive environment by streamlining the existing regulations and processes and eliminating unnecessary requirements and procedures.

Power is one of the most important drivers of economic development. The level of availability and accessibility of affordable and quality power is also one of the main determinants of the quality of life. India has the fifth largest power generation capacity in the world after China, USA, European Union and Japan. India ranks third globally in terms of electricity production only after China and USA. Electricity production in India reached 108.90 Billion Units (BU) in April 2019. Indian Government is continuously giving priority to power sector considering the important role of power generation in nation building. As a result, the installed generation capacity has risen from a mere 1.3 Gigawatt (GW) at the time of Independence to 350 GW mark. The power sector in the country has seen transformational growth in the last one decade with addition of generation capacity primarily through focus on solar and wind energy with policy initiatives of the Government, massive investments towards modernization of transmission capacity and distribution networks, electrifying villages and extending power to all households.

Keeping in view commitment to a healthy planet and Nationally Determined Contributions as per the Paris Accord on Climate Change, India made a pledge that by 2030, 40% of installed power generation capacity shall be based on clean sources. Accordingly, it was determined that 175 GW of renewable energy capacity will be installed by 2022. Therefore, Government of India thrust on Renewable energy made this sector as fast emerging major source of power in India. Currently, wind energy is the largest source of installed renewable energy in India, accounting for 45.20% (36.36 GW) followed by solar power accounting for 36.72% (29.55 GW) of total installed renewable capacity of 80.46 GW as on 30th June 2019. Ministry of New & Renewable Energy (MNRE) has set the target to double the wind power generation capacity to 60 GW and taking solar power capacity to 100 GW by 2022.

Roads are part of an integrated multimodal system of transport which influences the pace, structure and pattern of economic development. Road provides crucial links to airports, railway stations, ports and other logistical hubs and acts as a catalyst for economic growth by playing a critical role in the supply chain management. India is having world second largest road network after USA, with a total road network of 54.83 lakh kilometre. With the introduction of Hybrid Annuity Model (HAM) projects, Indian highway sector has seen tremendous increase in road construction from mere 12 KM per day in 2014 to 27 KM per day in 2018. The Government tends to increase it to 40 KM a day by next year. The introduction of Toll-Operate-Transfer (TOT) model helps the Government to monetise operational road assets by giving tolling rights on operational road projects in return for an upfront amount to the Government. The Infrastructure Investment Trust also gaining popularity among developers to unlock the capital and de-leverage their balance sheets to explore further investment avenues.

NBFCs have played a crucial role as a one of the key contributor to India's economy by providing a fillip to infrastructure, employment generation, wealth creation and access to financial services for the rural and weaker economical sections of society. However, NBFC sector in India is going through a very rough phase, which started with the unexpected default of IL&FS in September 2018. PTC India Financial Services Limited (PFS) has also affected with the NBFC crisis. However, PFS maintained its credit rating despite liquidity issues in the NBFC sector. PFS decision to shift its liability mix from short term to long term, has also helped the company to tide over the cash flow mismatch situation. The Government of India has also launched a phased program for

bank recapitalization entailing infusion of capital to the public sector banks, to the tune of about Rs. 2.11 lakh crore over two financial years, which is expected to encourage banks to enhance lending.

Financial and Operational Performance

The operational performance in FY 2018-19 has been improved significantly due to higher interest income and resolution of stress/ NPA loan accounts.

In FY 2018-19 the total income has been increased by 12.77 % from Rs. 11,851.56 million in year 2017-18 to Rs. 13,365.12 million. In FY 2018-19 our borrowings cost has been increased, in line with market trend, by 37.85% to Rs. 9,443.11 million as compared to Rs. 6,850.01 million during FY2017-18. The other expenses increased by 46.22% to Rs. 326.84 million during FY2018-19 as compared to Rs. 223.52 million in FY2017-18, the significant increase is due to increase in amount spend on CSR activities which has increased to Rs 91.64 million during the FY 2018-19 from Rs. 8.09 million in FY 2017-18. Other income increased by 244.33% to Rs. 20.97 million during FY2018-19 compared to Rs. 6.09 million in FY2017-18. There is improvement in portfolio quality of the company and accordingly provision for Impairment on Financial Instruments has been decreased to Rs. 605.83 million in FY 2018-19 from Rs. 6,097.15 million in FY 2017-18. Provision for diminution of equity investments is Rs. 320.39 million in FY2018-19.

The profit before tax (PBT) for FY2018-19 stood at Rs. 2,810.00 million compared to loss of Rs. 1,504.27 million during FY2017-18. The profit after tax (PAT) for FY2018-19 stood at Rs. 1,841.43 million against a loss of Rs. 1,002.35 million.

During the FY 2018-19, with the focused efforts of the management PFS Gross NPA has reduced from Rs. 8,383.79 million to Rs.8,046.80 million and net NPA from Rs. 5,192.66 million to Rs. 4,032.23 million. As on 31st March 2019 Gross NPA as a % to gross advances is 6.04% and Net NPA as a % to net advances is 3.12% as compared to 6.54% and 4.16% respectively for FY2017-18. PFS has resolved stress/ NPA loan accounts amounting to Rs. 4,962 million.

In FY 2018-19 inspite of challenging environment, PFS not only addressed the liquidity issues efficiently but also reported growth in its loan portfolio of 4%. The gross portfolio stood at Rs. 142,370 million as at 31st March 2019 as compared to Rs. 143,13 million as at the end of FY2017-18. The fund based portfolio stood at Rs. 133,210 million as at 31st March 2019 as compared to Rs. 128,164 million as at 31st March 2018 and the letter of comfort stood at Rs. 9,156 million as at 31st March 2019 as against Rs. 14,959 million as at 31st March 2018. The equity investments made by the Company aggregated to another Rs. 2,469 million as at the year end. The cumulative gross aggregate debt assistance sanctioned by the Company as at 31st March 2019 aggregated to Rs. 374,512 million and net of cancellations/loan closure, the cumulative debt sanctioned aggregated to Rs. 215,116 million.

The financial assistance sanctioned by PFS would help in capacity addition of about 45,000 MW of power projects, majority of which are renewable / environmental friendly projects. During FY 2018-19 PFS sanctioned new loans of Rs. 51,239 million and made disbursement of Rs.40,852 million to various infrastructure projects. During FY 2018-19 PFS sanctioned Rs 23,994 million to solar projects, Rs. 4504 million to wind projects, Rs. 22741 million to other projects including road, transmission, distribution and corporate loan. As at 31st March 2019, the renewable portfolio comprises the highest proportion in the outstanding loan book at around 59%, thermal projects constitute about 14%. PFS will continue to focus on reduction of its thermal exposure and in FY 2019-20 its exposure is expected to be in single digit. PFS is also having exposure of 2% in hydro sector and 25% in other infra sectors as at 31st March, 2019 and more diversification would be seen to upcoming sectors in coming year. PFS is constantly working with new as well as existing developers and is focused towards diversifying its portfolio to upcoming areas like Electrical Vehicle Charging stations, projects under Namami Gange etc..

The power sector is witnessing stress particularly in case of thermal projects. Several thermal projects in the country (both operational and under construction) are facing challenges related to fuel price and availability, power tariff, time and cost overruns alongwith equity infusion by promoters specially in case of under construction projects. PFS has also faced with challenges in respect

of such projects. As at 31st March 2019, the non-performing loans portfolio stood at Rs. 8,047 million, one thermal power project having aggregate loan outstanding of Rs. 3,284 million is under corrective action plan (SDR/OSDR) and projects having aggregate loan outstanding of Rs. 2,071 million faced delays in commencement of commercial operations and have been classified as Standard Restructured Assets. The Company continues to regularly monitor the progress and operations of the assisted projects through its comprehensive project monitoring mechanism. The company is having Rs. 110,087 million of projects which are operation and commissioned and consisting 82.64% of its total loan outstanding: projects of Rs. 66,079 million is having more than one year satisfactory conduct post their respective commissioning.

The Company has complied with all the norms prescribed by the Reserve Bank of India including the Fair Practices, AML/CFT & Know Your Customer (KYC) guidelines and also all mandatory accounting standards notified by the Central Government under the Companies (Accounting Standards) Rules, 2006.

Risk Management:

PFS's risk management framework is based on clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring.

The Board of Directors of PFS has oversight of all risk assumed by PFS with specific committees of the board constituted to facilitate focussed risk management. There is adequate representation of independent directors on each of these committees. The proceedings and decisions of these Committees are reported to the Board. The policies approved by the Board of Directors or Committees of the Board from time to time constitute the governing framework within which business activities are undertaken.

The hallmark of PFS's Risk Management function is that it is independent of the business sourcing unit with the convergence only at MD level.

The key risks that PFS is exposed to in the course of business are Credit Risk, Market Risk, Liquidity Risk and Operational Risk. These risks not only have a bearing on PFS's financial strength and operations but also its reputation.

Credit Risk:

PFS's core business is lending, which exposes it to various types of credit risk especially failure in repayments and increase in non-performing loans. PFS measures, monitors and manages credit risk at an individual borrower level and at the portfolio level. In the last few years, PFS has strengthened its credit risk management framework by adopting Early Warning Signal Framework (EWS Framework) and introducing sector specific credit risk grading framework.

Further, PFS rigorously adheres to RBI mandated prudential norms on provisioning of stressed assets and has adopted stringent approach in taking aggressive provisioning thereby preserving the shareholder value. During the year, PFS has worked on the resolution of the stressed assets portfolio and has significantly reduced the quantum of stress assets.

Market Risk:

Liquidity Risk is the risk that PFS may not be able to meet its short term financial obligation due to an asset liability mismatch or interest rate fluctuation.

PFS's framework for liquidity and interest rate risk management is spelt out in its Asset Liability Management Policy that is implemented, monitored and periodically reviewed by ALCO. ALCO provides guidance for management of liquidity of PFS and the management of interest rate risk within the broad parameters laid down by the Board of Directors/RMC.

Operational Risk:

There is a risk of loss resulting from inadequate or failed internal processes, people or systems or from external events. This could include fraud or other misconduct by employees or outsiders, unauthorised transactions by employees and third parties, misreporting or non-reporting with respect to statutory, legal or regulatory reporting and disclosure obligations, operational errors including clerical and record keeping and system failures.

PFS had Operational Risk Management Policy that covers the system of internal controls, systems and procedures to monitor transactions, key back-up procedures and undertakes regular contingency planning.

Policy for Investment of Surplus Funds

The policy of investment of surplus funds i.e. treasury policy provides the framework for managing investment of surplus funds. Realizing that the purpose of mobilization of resources in the Company is to finance equity as well as loans to power sector projects, the prime focus is to deploy surplus funds with a view to ensure that the capital is not eroded and that surplus funds earn optimal returns.

Apart from these policies there are various guidelines to help understand and mitigate different kinds of other risks. These include Operational Policy, Business Continuity Policy and the like.

Monitoring Mechanism

To monitor the status of funded projects, a robust monitoring mechanism has been put in place. The projects are monitored by a separate monitoring team. Further, a detailed status report on investments and debt assisted project is presented periodically in the Audit Committee/ Board of Directors meeting of PFS. Further, through early warning signal system, critical parameters related to financial, technical, regulatory, management and other aspects of the projects are continuously monitored. A status report on both debt and equity projects is also presented to the Board of Directors of PFS periodically (at least quarterly) to ensure that directors are kept informed about the developments in the projects especially about any areas of concerns.

The power sector is witnessing stress and several projects in the country (both operational and under construction) are facing challenges and portfolio of PFS is also affected due to stress in sector. The Company is continuously engaged in resolution of such loans and is working proactively with the consortium members. Regular lenders' meetings are conducted, detailed feedback obtained from lenders' independent engineers and financial advisors to see that project development activities may be continued unhindered. Discussions are held with promoters' and other stakeholders to work out a financially viable solution. The Company also engages consultants / professional agencies for working out effective solution / resolution for such cases.

Outlook

India is the fastest-growing trillion-dollar economy in the world after USA, China, Japan, Germany and United Kingdom. As per the IMF projection, India is poised to become the fifth-largest economy overtaking the United Kingdom by 2019. India is projected to grow at faster pace at 7.3 percent in 2019 and 7.5 percent in 2020 supported by the continued recovery of investment and robust consumption amid a more expansionary stance of monetary policy and some expected impetus from fiscal policy as per International Monetary Fund (IMF). India continues to be the fastest growing emerging market economies in the world, driven by key structural reforms and further reduction in external vulnerabilities. Government of India has retained its focus on fiscal consolidation and implementing structural reforms for further growth in Infrastructure sector in general.

The Government of India recent move to allow Public Private Partnership in sectors like water sanitation, railways and other sector has opened more avenues to Private sector. The mix of Public Private Participation model is continuously increasing, thereby increasing confidence, support and investment in infrastructure sector. India infrastructure sector is looking towards paradigm shift as some of the timely completion of projects as against the general phenomenon of delay in completion of projects due to delay in obtaining approval and clearances, lack of co-ordination between various departments resultant delay in project completion.

Power will remain as one of the most important components of infrastructure, crucial for economic growth and welfare of the country. The total installed capacity in the country crossed the 357 GW mark with installed capacity of renewable energy of 80.46 MW as at 30th June 2019. The renewable power sector saw moderated capacity addition during FY-19 after recording highest capacity additions in solar and wind installed capacity during FY-18 due to imposition

of safeguard duty, continuously decreasing tariff, cap of tariff caps and lack of clarity on the classification of solar modules, inverters and EPC contracts, for the purpose of GST and consolidation in solar power sector. However, with the formation of new Government and clarity emerged on safeguard duty, it is expected that the renewable sector will achieve its target capacity of 175GW by 2022.

In addition to renewable power sector, other areas such as power transmission, roads and highways, ports, airports etc. are also witnessing action. Infrastructure sector plays a very crucial role in economic development and possesses the potential for propelling overall development of the country. The sector continues to enjoy focus from Government both in terms of policy related initiatives and development of infrastructure in the country. New projects are being undertaken and government is poised to ensure all round development of the infrastructure sector of the country.

With the introduction of innovative project implementation mode like Hybrid Annuity Model (HAM), revised concession agreement, Enhanced Inter-Ministerial coordination, digitizing the entire process of land acquisition through Web Portal to expedite land acquisition, promotion of Infrastructure Investment Trust to unlock equity capital and de-leverage the balance sheet of developers has helped the Government to increase the pace of highway construction in India. Road corridor project Bharatmala, Pradhan Mantri Gram Sadak Yojana, port-linked industrialization plan Sagarmala and UDAN will help improving transport infrastructure and bring fresh investment in the sector.

PFS believes that recent announcement made during Budget by finance minister to provide a one-time partial credit guarantee to PSBs to buy high-rated pooled assets of financially sound NBFCs and allow Foreign Institutional and Portfolio Investors to invest in debt securities offered by non-banking financial companies (NBFC) will help to boost the investors' confidence in NBFC sector and will also

help NBFCs, which have been going through a liquidity crisis, to raise funds.

The power and infrastructure sector is witnessing stress and several projects in the country (both operational and under construction) are facing challenges. The Company is continuously engaged in resolution of such loans and working proactively with the consortium of lending member banks/FIs of respective projects. Regular lenders' meetings are conducted, detailed feedback obtained from lenders' independent engineers and financial advisors to see that project development activities may be continued unhindered. Discussions are held with promoters' and other stakeholders to work out a financially viable solution. The Company also engages consultants / professional agencies for working out effective solution / resolution for such cases.

The Company continues to partner with credible players in the industry who can help all the stakeholders to benefit mutually PFS believes that the infrastructure development and renewable energy area offers good potential and Company continues to evaluate these business proposals in these areas.

PFS also believes that public private partnership in infrastructure development offers good potential and company continues to evaluate these business proposals in these areas. PFS views that the growth momentum will increase with the formation of stable government at the center and expects that the balance growth momentum with the change in sectoral macro economic environment. The debt commitments and disbursements have been moderated during the year and it is expected to continue considering the on going liquidity issues with the Banking/NBFC sector.

Cautionary Note

Certain statements in the "Management Discussion and analysis" section may be forward looking and are stated as required by applicable laws and regulations. Many factors may affect the actual results, which could be different from what the Management envisages in terms of future performance and outlook.

POLICY ON DIVIDEND DISTRIBUTION

1. Introduction

The Securities Exchange Board of India (“SEBI”) on July 8, 2016 inserted Regulation 43A in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which requires top five hundred listed companies (based on market capitalization of every financial year) to formulate a Dividend Distribution Policy which shall be disclosed in their annual reports and on their websites.

PTC India Financial Services Limited (“PFS” or “Company”) being one of the top five hundred listed companies as per the market capitalization as on the last day of the immediately preceding financial year, frames this policy to comply with the requirements of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

2. Objectives & Scope

This Policy lays down the broad framework which will act as guiding principles for the purpose of declaring or recommending any dividend during or for any financial year by the Company.

The Policy aims at balancing the twin objectives of the growth of the Company and Shareholders’ value.

Through this Policy, the Company endeavours to bring a fair, transparent and consistent approach to its dividend pay-out plans. The Policy has been framed broadly in line with the provisions of the Companies Act, 2013 and also taking into consideration guidelines issued by SEBI/ RBI/and other regulations, to the extent applicable.

The Policy is a general declaration of intention and the actual declaration of dividend will require corporate action at the time a decision is taken, depending on the precise circumstances at that point of time.

In addition, payment of any such dividend will be subject to any restriction under applicable laws and regulation, the Articles of Association, available cash flows and capital requirements.

The Policy, however, is not an alternative to the decision of the Board for recommending dividend, which is made every year after taking into consideration all relevant circumstances enumerated hereunder or other factors as may be considered by the Board of Directors from time to time.

3. Definitions

- 1.1. “Act” shall mean the Companies Act, 2013 including the Rules made thereunder, as amended from time to time.
- 1.2. “Applicable Laws” shall mean the Companies Act, 2013 and Rules made thereunder, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; as amended from time to time and such other act, rules or regulations which provides for the distribution of dividend.
- 1.3. “Company” shall mean PTC India Financial Services Limited
- 1.4. “Board” or “Board of Directors” shall mean Board of Directors of the Company.
- 1.5. “Dividend” shall mean Dividend as defined under Companies Act, 2013 and shall include interim dividend.
- 1.6. “Policy or this Policy” shall mean the Dividend Distribution Policy.
- 1.7. “SEBI Regulations” shall mean the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 together with the circulars issued thereunder, including any statutory modification(s) or re-enactment(s) thereof for the time being in force.
- 1.8. “RBI Regulations” means Reserve Bank of India Act, 1934 and various circulars, guidelines issued by Reserve Bank of India from time to time.

4. Relevant Statutory Provisions of the Companies Act, 2013 and Companies (Declaration and Payment of Dividend) Rules 2014 relating to Dividend

- 1.1 Dividend shall be declared or paid by company for any financial year:
 - i) Out of the current year profit after providing depreciation.
 - ii) Out of the previous years profit remaining undistributed and after providing for depreciation.
 - iii) Out of both the above.
- 1.2 No Dividend shall be declared or paid by company from its reserves other than free reserves.
- 1.3 The Company may, before the declaration of any dividend in any financial year, transfer such percentage of its profits for that financial year as it may consider appropriate to the reserves of the company.

- 1.4 Company shall declare dividend after carried over previous losses and depreciation not provided, if any, in previous year or years are set off against profit of the company for the current year.
- 1.5 In case of losses or inadequate profits in any financial year, the Company can declare dividend out of the profits earned by it in previous years and transferred to the reserves subject to the following conditions:-
- i. The rate of dividend declared shall not exceed the average of the rates at which dividend was declared by it in the three years immediately preceding that year:
Provided that the above condition shall not apply in case the Company has not declared any dividend in each of the three preceding financial year.
 - ii. The total amount to be drawn from such accumulated profits shall not exceed one-tenth of the sum of its paid-up share capital and free reserves as appearing in the latest audited financial statement.
 - iii. The amount so drawn shall first be utilised to set off the losses incurred in the financial year in which dividend is declared before any dividend in respect of equity shares is declared.

The balance of reserves after such withdrawal shall not fall below fifteen per cent of company's paid up share capital as appearing in the latest audited financial statement

5. **Circumstances under which the shareholders may or may not expect dividend:** The decision regarding dividend pay-out is a crucial decision as it determines the amount of profit to be distributed among shareholders of the Company and the amount of profit to be retained in business.

The Board will consider the factors mentioned under Clause 5 below and before determination of any dividend payout analyse the prospective opportunities and threats, viability of the option of dividend payout or retention etc. If the Board proposes that it is financially prudent not to recommend dividend, it may recommend no dividend, in that case, reason(s) thereof and information on utilization of the undistributed profit, if any, shall be disclosed to the shareholders in the Annual Report of the Company.

1. **Parameters for declaration of Dividend**

The Board of Directors will consider the following parameters for determining the quantum of dividend:

1.1 **Financial Parameters**

- Net profit after tax;
- Transfer of Statutory Reserve as per Reserve Bank of India Act, 1934
- Working Capital requirements;
- Capital expenditure requirements and alternative use of cash;
- Outstanding borrowings
- Available cash and cash flow requirement to meet any unforeseen events & contingencies/ group's capital requirements
- Dividend received by the company.
- Net worth of the company
- Dividend yield
- Dividend payout ratio.
- In case the dividend is paid out of the reserves, the balance of reserves after such withdrawal shall not fall below 25% of company's paid up share capital as appearing in the latest audited financial statement.

1.2 **Developments in internal and external environment.**

- Opportunities available for growth/expansion/ modernisation
- Past Dividend Trends
- Expectations of shareholders
- Prudential requirements
- Capital Markets
- Industry Conditions
- Customers and suppliers concentration and their financial health
- Market Capitalization
- Statutory Provisions and Guidelines;
- Policies of the Government (centre and state)
- Dividend Pay-out ratios of companies in same industries i.e. Peer Group Comparison
- Economic Environment

1.3 **Any other factor as the Board may deem fit**

6. **Utilization of retained earnings**

The Company is engaged into financing the infrastructure sector and the retained earnings are deployed in the long-term infrastructure loan assets. The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The profit being retained in the business shall be continued to be deployed in its operations, expansion plans, investment plans etc. The Company stands committed to deliver sustainable value to all its stakeholders.

7. Provision with regard to various classes of shares

The holders of the equity shares of the Company, as on the record date, will be entitled to receive dividends. Since the Company has issued only one class of equity shares with equal voting rights, all the members of the Company shall be entitled to receive the same amount of dividend per share. The Policy shall be suitably revisited at the time of issue of any new class of shares depending upon the nature and guidelines thereof.

8. Timing of Dividend

- 1.1 Interim dividends, as and when decided by the Board, will be declared after considering the interim financial statements for the period for which interim dividends are declared along with factors mentioned in clause 4 & 5 above. Interim financial statements will be prepared considering working expenses, depreciation and anticipated losses, if any, for the full year.
- 1.2 Final dividends as and when approved at the Annual General Meeting (AGM) of the shareholders will be based on the recommendations of the Board based on review of audited financial statements for the year, factors mentioned in clause 4 & 5 above and considering interim dividend, if any, declared during the year.
- 1.3 In case no final dividend is declared, interim dividend, if any, will be regarded as final dividend in AGM.

9. Exclusions

This policy shall not cover the following

- Capitalizing of profits by way of bonus issue of fully or partly securities
- Declaration of dividend on preference shares (as and when issued), since the same will be governed by terms of issue of such shares
- Buyback of shares

10. Amendment(s):

- The Board will change/amend this Policy from time to time at its sole discretion and/or pursuant to any amendments made in the Companies Act, 2013 or any other Statutory Regulations.
- In case of any clarification(s), circular(s) etc. issued by the relevant authorities, not being inconsistent with the provisions laid down under this Policy, then this Policy shall be read along with such clarification(s), circular(s) so issued, from the effective date as laid down under such clarification(s), circular(s) etc. In case of any conflict in the Policy and regulatory provisions then regulatory provisions shall prevail.

11. Disclosures: The Company shall disclose this Policy in its Annual Reports & website.

EFFECTIVE DATE The Policy shall become effective from the date of its adoption by the Board.

SECRETARIAL AUDIT REPORT

For the financial year ended 31st March, 2019

{Pursuant to Section 204(1) of the Companies Act, 2013 and

Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of the Securities and Exchange Board of India (Listing Obligations & Disclosure requirements) Regulations, 2015}

To
The Members,
PTC India Financial Services Limited.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by PTC India Financial Services Limited (hereinafter called PFS/the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the PFS's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial period ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and Compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by PFS("the Company") for the financial year ended on 31st March, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulation, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **Not Applicable**
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **Not Applicable**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **Not Applicable**
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **Not Applicable**
- (vi) The Reserve Bank of India Act, 1934 and Regulation framed thereunder for Non-Banking Financial Companies
- (vii) Prevention of Money Laundering Act, 2002.

We have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standards issued by the Institute of Company Secretaries of India –Generally complied with.
- (b) The Listing Agreement with National Stock Exchange of India Limited and BSE Limited and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations.

1. *The composition of the Board of the Company was not in compliance as per proviso to Regulation 17 (1) (b) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the period from 01st April 2018 to 18th September 2018.*

We further report that the Board of Directors of the Company shall be duly constituted in terms of Regulation 17 (1) (b) of the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 i.e. at least half of the Board of Directors should comprise of Independent Directors as on 31st March 2019. The Company was also compliant in terms of provisions under Section 149 (4) of the Companies Act, 2013 as out of 9 Board of Directors there were 4 Independent Directors on the Board of Company. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Generally, adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes, if any.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws.

“NOMINATION AND REMUNERATION & BOARD DIVERSITY POLICY”

Legal Framework

As per the requirements of Companies Act 2013, the Board of Directors of PTC India Financial Services Limited (“Company”) has constituted a Nomination and Remuneration Committee. The Committee’s role is to be supported by a policy for nomination of Directors and Senior Management Personnel including Key Managerial Personnel as also for remuneration of Directors, Key Managerial Personnel (KMP), Senior Management Personnel and other Employees. Further, a policy on Board Diversity is also to be adopted.

Definitions

For the purpose of this Policy:

- ‘Act’ shall mean the Companies Act, 2013;
- ‘Board’ shall mean the Board of Directors of PTC India Financial Services Limited (PFS);
- ‘Committee’ shall mean the Nomination and Remuneration committee of the Company, constituted and re constituted by the Board from time to time;
- ‘Company’ shall mean PTC India Financial Services Limited (PFS);
- ‘Directors’ shall mean the directors of the Company;
- ‘Independent Director’ shall mean a director referred to in Section 149 (6) of the Companies Act, 2013 and under the Listing Agreement with the Stock Exchanges;
- ‘Other employees’ means, all the employees other than the Directors, KMPs and the Senior Management Personnel.
- “Key Managerial Personnel” or KMP means key managerial personnel as defined under the Companies Act, 2013 & includes:-
 - i. Managing Director, or Chief Executive Officer or Manager and in their absence, a Whole-Time Director;
 - ii. Company Secretary; and
 - iii. Chief Financial Officer
 - iv. Such other officer as may be prescribed
- ‘Senior Management Personnel’ means personnel of the company who are members of its core management team excluding Board of Directors, and comprises of all members of management who are in the grade that is one level below the WTD
- ‘Nomination & Remuneration Committee’ means “Nomination & Remuneration Committee” constituted by the Board of Directors of the Company from time to time under the provisions of the Companies Act 2013 and the Listing Agreement with the Stock Exchanges.

OBJECTIVE & PURPOSE

The Nomination & Remuneration Committee and this Policy shall be in compliance with Section 178 of the Companies Act, 2013 read with applicable rules thereto and Clause 49 of the Listing Agreement. The objective and purpose of the Committee would be as follows:

- To guide and assist the Board in laying down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Whole-time and Independent) and persons who may be appointed in Senior Management and Key Managerial positions and to determine their remuneration through a remuneration policy.
- The Company has adopted a remuneration policy which provides for Performance Related Pay (PRP), a reward linked directly to efforts, performance, dedication and achievement relating to the Company’s operations. Apart from the PRP, the annual increases in remuneration have a component of Merit Increase, which is also linked to performance of an individual.

This policy provides the Committee with an overall framework for governance of the remuneration policy of the Company.

- To retain, motivate and promote talent and to ensure long term sustainability for retention of talented managerial persons and create competitive advantage for the Company.
- To guide and assist the Board in laying down ESOP Compensation policy in terms of SEBI Guidelines, as and when decided.
- To guide and assist the Board in clarifying any matter relating to remuneration.

CONSTITUTION

- The Board has determined the membership of the Nomination and Remuneration Committee (hereinafter “the Committee”).
- The Committee shall elect its Chairman who will be an Independent Director.

NOMINATION & REMOVAL CRITERIA

1 Appointment criteria and qualifications:

- 1.1 The Committee shall identify and ascertain the criteria like integrity, expertise and experience and qualifications for appointment to the positions of Director, KMP and Senior Management.

- 1.2 A potential candidate being considered for appointment to a position should possess adequate qualification, expertise and experience for the position. The Committee shall review qualifications, expertise and experience commensurate to the requirement for the positions. The Committee will insist on the highest standards of ethical and moral qualities to be possessed by such persons as are considered eligible for the positions.
- 1.3 The Committee shall determine the suitability of appointment of a person to the Board of Directors of the Company by ascertaining whether the fit and proper criteria is met by the candidate in the opinion of the Committee.
- 1.4 The Committee may recommend appropriate induction & training programme for any or all of the appointees.
- 1.5 The Company shall normally not appoint or continue the employment of any person as Whole Time Director, KMP or Senior Management Personnel who has attained the superannuation age as per the policy of the Company.
- 1.6 The Committee shall make recommendations to the Board concerning any matters relating to the continuation in office of any director at any time including the suspension or termination of service of a director subject to the provisions of law and the respective service contract.
- 1.7 The Committee shall recommend any necessary changes in the Policy to the Board, from time to time.
- 1.8 The Company should ensure that the person so appointed as Director/ Independent Director, KMP, Senior Management Personnel shall not be disqualified under the Companies Act, 2013, rules made there under, Listing Agreement or any other enactment for the time being in force.
- 1.9 The Director/ Independent Director/Senior Management Personnel/KMP shall be appointed as per the procedure laid down under the provisions of the Companies Act, 2013, rules made there under, Listing Agreement or any other enactment for the time being in force.
- 1.10 The company shall familiarize the independent directors with the company, including their roles, rights, responsibilities in the company, nature of the industry in which the company operates, business model of the company, etc., through various programs.

2 Term / Tenure

- 2.1 MD & CEO or Managing Director/Whole-time Director (WTD):
The Company shall appoint or re-appoint any person as its MD & CEO or WTD for a term not exceeding five years at a time subject to the age of superannuation. No re-appointment shall be made earlier than one year before the expiry of term of the Director appointed.
- 2.2 Independent Director shall hold office in accordance with the Company's Policy and subject to the Act.
- 2.3 The Term/Tenure of the Senior Management Personnel/KMP shall be as per the Company's prevailing policy.

2. Removal

Due to reasons for any disqualification mentioned in the Companies Act, 2013 and rules made there under or under any other applicable Act, rules and regulations, the Committee may recommend to the Board with reasons to be recorded in writing, removal of a director, KMP or senior management personnel, subject to the provisions and compliance of the Act, rules and regulations.

3. Retirement / Superannuation

The director, senior management personnel or KMP shall retire / superannuate as per the applicable provisions of the Companies Act, 2013 along with the rules made there under and the prevailing policy of the Company. The Board will have the discretion to retain the director, senior management personnel or KMP in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

4. Diversity on the Board of the Company

The Company aims to enhance the effectiveness of the Board by diversifying its composition and to obtain the benefit out of such diversity in better and improved decision making. In order to ensure that the Company's boardroom has appropriate balance of skills, experience and diversity of perspectives that are imperative for the execution of its business strategy, the Company shall consider a number of factors, including but not limited to skills, industry experience, background, race and gender.

The Policy shall conform to the following two principles for achieving diversity on the Board:

- Decisions pertaining to recruitment, promotion and remuneration of the directors will be based on their performance and competence; and
- For embracing diversity and being inclusive, best practices to ensure fairness and equality shall be adopted and there shall be zero tolerance for unlawful discrimination and harassment of any sort whatsoever.

In order to ensure a balanced composition of executive, non-executive and independent directors on the Board, the Company shall consider candidates from a wide variety of backgrounds, without discrimination, and based on the following factors:

- Ø Gender- The Company shall not discriminate on the basis of gender in the matter of appointment of directors on the Board. The Company encourages the appointment of women at senior executive levels to achieve a balanced representation on the Board. As per the provisions of the Companies Act, 2013, the Company shall at all times have at least one woman director on the Board. Any vacancy of the woman director shall be filled within a period of six months.
- Ø Ethnicity - The Company shall promote having a boardroom comprising of people from all ethnic backgrounds so that the directors may efficiently contribute their thorough knowledge, sources and understanding for the benefit of Company's business;
- Ø Physical disability - The Company shall not discriminate on the basis of any immaterial physical disability of a candidate for appointment on the Company's Board, if he/she is able to efficiently discharge the assigned duties.
- Ø Educational qualification- The Directors of the Company shall have a mix of finance, engineering, legal and management background, so that they collectively provide the Company with considerable experience in a range of activities including varied industries, education, policy and investment.

3 Remuneration

The level and composition of remuneration to be paid to the MD & CEO, Whole-Time Director(s), KMPs, Senior Management Personnel and other employees shall be reasonable and sufficient to attract, retain and motivate directors, KMPs, Senior Management and other employees of the company. The relationship of remuneration to performance should be clear and should encourage meeting of appropriate performance benchmarks. The remuneration should also involve a balance between fixed and incentive / performance related pay reflecting achievement of short and long-term performance objectives appropriate to the working of the company and meeting its goals.

i. MD & CEO/ WTD

Besides the above Criteria, the Remuneration/ Compensation/ Commission / PRP / Bonus etc. to be paid to MD & CEO/ WTD shall be governed as per provisions of the Companies Act, 2013 and rules made thereunder or any other enactment for the time being in force as also by Company policy.

ii. Non-Executive Directors/ Independent Directors

The Non-Executive / Independent Directors may receive sitting fees for attending meetings of Board or Committee thereof. Provided that the amount of fees shall be such as determined by the Board of Directors from time to time.

iii. Senior Management Personnel / KMPs

The Remuneration to be paid to Senior Management Personnel / KMPs shall be based on the remuneration policy of the Company and the experience, qualification and expertise of the related personnel and shall be decided by the MD & CEO (for KMPs other than those who are at the WTD / Board level) of the Company as per the internal process in consonance with the limits, if any, prescribed under the Companies Act, 2013 and rules made thereunder or any other enactment for the time being in force.

iv. Other Employees

The power to decide structure of remuneration for other employees has been designed in the Remuneration policy and implementation of the same is to be ensured by MD & CEO of the Company or any other personnel that the MD & CEO may deem fit to delegate.

DISCLOSURE OF THIS POLICY

This Nomination & Remuneration policy shall be disclosed in the Board's report as required under the Companies Act, 2013 and in the Listing Agreement.

REVIEW

The Committee may assess the adequacy of this Policy and make any necessary or desirable amendments from time to time to ensure it remains consistent with the Board's objectives, current laws and best practices.

Form No. AOC-1

(Pursuant to first proviso to sub-section (3) of section 129 read with rule 5 of Companies (Accounts) Rules, 2014)

The 2015-16 Sustainability Report can be accessed at https://www.ptcfinancial.com/cms/showpage/page/sustainability

SECTION E: PRINCIPLE WISE PERFORMANCE

Principle No.	Description	Response
P-1 Business should conduct and govern themselves with Ethics, Transparency and Accountability.		
1.1	Does the policy relating to ethics, bribery and corruption cover only the Company? Yes / No. Does it extend the group / joint ventures/ suppliers/ contractors/ NGOs/ others?	<p>The Company has adopted the Code of Business Conduct and Ethics, governing conduct of the business of the Company in an ethical manner. Policies of the Company are aligned with those of the parent company i.e. 'PTC India Limited'. It applies to the Directors, Key Managerial Personnel and Senior Management of the Company. The Company obtains an annual confirmation affirming compliance with the Code from the Directors, Key Managerial Personnel and Senior Management every year.</p> <p>The Company has in place:</p> <ul style="list-style-type: none"> • Whistle Blower Policy: It provides an avenue for Directors and employees to inform about any wrongdoing in the Company and reassurance that they will be protected from victimization for whistle blowing. • Code of Conduct for Prevention of Insider Trading: It prevents insider trading and protect price sensitive information. <p>Further, PFS does not have any joint venture /suppliers/ contractors etc.</p>
1.2	How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so provide the details thereof in about 50 words or so.	The details of the complaints of the investor are provided in the report on corporate governance. All complaints received during the year were dealt by the competent authority.
P-2 Business should provide goods and services that are safe and contribute to sustainability throughout their life cycle		
2.1	List upto 3 of your products whose design has incorporated social or environmental concerns, risks and / or opportunities.	<p>PFS is a NBFC engaged in lending primarily in infrastructure and power sector with a view on sustainable lending and has established an ESMS (environmental and social management system) which assesses E&S risks associated with projects financed by PFS and stipulates conditions to mitigate adverse impacts.</p> <p>To further reduce carbon footprint from our operations, PFS on its balance sheet has commissioned a wind project of 6 MW in the state of Karnataka. PPA for the project has been signed with Karnataka Discom for 25 years. The energy generated by the wind project exceeds the electric energy consumption at our Delhi office, thus offsetting the emissions from our operations/services.</p> <p>Additionally, our CSR initiatives listed under section B of this report creates positive social and environmental impact.</p>
2.2	For each such product, provide the following details in respect of resource use (energy, raw material etc.) per unit of product (optional): a. Reduction during the sourcing / production/ distribution achieved since the previous year throughout the value chain. b. Reduction during usage by consumers (energy, water) has been achieved since the previous year?	<p>Not applicable directly, as PFS is not engaged in manufacturing business and only human resource is engaged by PFS to carry out its operations.</p> <p>Though, as part of sustainable lending PFS encourages its borrowers to follow IFC performance standards to ensure environmental and social sustainability which deals with the aspects of resource efficiency and conservation. Hence, indirectly contributing to resource conservation.</p> <p>We have also adopted several direct measures to reduce carbon footprint from our office operations. Some of the initiatives include:</p> <ul style="list-style-type: none"> • Implementing established energy reduction measures, such as air -conditioning and lighting controls in the buildings we occupy. • Installing energy efficient LED lighting in our office, replacing all other light. • Ensuring all lights, computers and other equipment are powered off when not in use during extended periods of time, including at night and at weekends
2.3	Does the Company have procedures in place for sustainable sourcing (including transportation)? a. If yes, what percentage of your inputs was sourced sustainably? Also provide details thereof, in about 50 words or so.	Not applicable.
2.4	Has the Company taken any steps to procure goods and services from local and small producers, including communities surrounding their place of work? a. If yes, what steps have been taken to improve their capacity and capability of local and small vendors?	Not applicable.
2.5	Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also provide details thereof, in about 50 words or so.	<p>Not applicable as PFS is not into product manufacturing, thus recycling is not applicable to us.</p> <p>E-waste generated from our operations is handed over to CPCB (Central Pollution Control Board) certified vendors.</p>

P-3 Business should promote the well-being of all employees					
3.1	Please indicate the total number of employees	47 permanent employees as on 31 st March, 2019.			
3.2	1. Please indicate the total of employees hired on temporary / contractual / casual basis.	Total 15 personnel (two are on direct contract of the company) have been hired by PFS on contractual basis.			
3.3	2. Please indicate the number of permanent women employees	Eight (8)			
3.4	3. Please indicate the number of permanent employees with disabilities	One (1)			
3.5	4. Do you have an employee association that is recognised by management?	Yes, there is an employee welfare association by the name of ERA (Employees Recreation Association) which is recognized by PFS. It plans recreational activities which fosters team spirit and encourages organizational belongingness.			
3.6	What percentage of your permanent employees is members of this recognized employee association?	100%; all permanent employees are members of this association.			
3.7	Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending as on the end of the financial year:	Nil			
		S. No.	Category	No. of complaints filed during the financial year	No. of complaints pending as on end of the financial year
		1.	Child labour / forced labour / involuntary labour	Nil	Nil
		2.	Sexual Harassment	Nil	Nil
3.	Discriminatory employment	Nil	Nil		
3.8	What percentage of your under mentioned employees were given safety & skill upgradation training in the last year? <ul style="list-style-type: none"> • Permanent employees • Permanent women employees • Casual/ Temporary/ Contractual Employees • Employees with disabilities 	S. No.	Category (who were provided skill upgradation training)	No. of employees to whom training has been imparted	
		1.	Permanent employees	47/47; 100%	
		2.	Permanent women employees	8 women were provided training in FY 2018-19; hence 100%.	
		3.	Casual/ Temporary/ Contractual Employees	13/15; 86% (Persons under contract of services have also been provided training).	
4.	Employees with disabilities	1; 100%			
P- 4 Business should respect the interest of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised					
4.1	Has the Company mapped its internal and external stakeholders?	Yes, stakeholders of the company have been mapped through a formal process of consultation. Key stakeholders identified by PFS are: <ul style="list-style-type: none"> • Internal stakeholders (Employees) • External Stakeholders (Borrowers, Lenders, Shareholders, government and regulatory body, community, portfolio companies and PTC India (parent company). 			
4.2	Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?	PFS has a sexual harassment policy in place. Moreover, there is a whistle blower policy whereby an employee with any grievance can raise the issue with the top management fearlessly. Further, as part of the CSR initiative, we engage with the disadvantaged, vulnerable & marginalized stakeholders			

4.3	Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details, in about 50 words or so.	<p>As part for our lending business we expect our borrowers to follow the IFC environmental and social performance standards, 2012 which supports projects which protects rights of indigenous people (marginalized and vulnerable group) and creates opportunities for their growth and resultantly provides benefits like employment through project related activities.</p> <p>Moreover, company through its CSR initiatives has engaged with disadvantaged, vulnerable and marginalized stakeholders. Details of major CSR initiatives have been elaborated below:</p> <ul style="list-style-type: none"> • PFS has partnered with HLFPPPT to run three mobile health clinics (MHC's) in the economically backward areas of Delhi for three years in its effort to promote health care including preventive health care for the disadvantaged, vulnerable and marginalized stakeholders; • PFS has partnered with Indian Green Services, a reputed NGO to implement a decentralized waste to energy project in Delhi; • PFS has made contribution of INR 2 crores towards PM relief fund; • PFS has partnered with a global NGO, SOS Children's Village for Digitisation of their village homes; 136 desktop computers along with internet and other supporting infrastructure will be donated as part of the Project; PTC India Foundation Trust is the monitoring and implementing organization; • PFS organized a 28 day skill development programme for the underprivileged youth in Bhadla, a remote location at Jodhpur, Rajasthan. The underprivileged youth were trained to set up and maintain solar panels on roof tops as well as in the solar park. This training was conducted in partnership with NTPI (National Power Training Institute) in FY 2017-18. However, part payment for the project was released in FY 2018-19. • PFS partnered with its parent company PTC India in the cleanliness drive in Bhikaji Cama Place under the <i>Swachh Bharat Abhiyan</i>.
P-5 Business should respect and promote human rights		
5.1	Does the policy of the Company on human rights cover only the company or extend to the group / joint ventures / suppliers / contractors / NGOs / others.	<p>Company believes in protecting the human rights of our people, recognizing their need for respect and dignity. We are committed to fair employment practices and freedom of expression, supported by a strong, company-wide value system. We provide every avenue to our workforce for voicing their opinion. PFS also has a well-defined Grievance Redressal Policy, which is applicable to all regular employees except for officers who are one step below the Board Level.</p> <p>During the FY 2018-19, the Company has given thrust to an organizational development programme and has been developing systems and processes that maximize human potential. The Company has developed a KRA/KPI based Performance Management System to link and measure individual performance with the organizational performance score card during the year. Our Company continuously invests in attraction, retention and development of talent on an ongoing basis. Company's thrust is on the promotion of talent internally through job rotation and job enhancement. Strong governance processes and stringent risk management policies are adhered to, in order to safeguard our stakeholders' interest. The Company also adheres to the highest levels of ethical business practices as articulated in the Code of Conduct and Ethics. A strong commitment to human rights is embedded in the Company's Code of Conduct and Ethics Policy which lays down acceptable behaviour on various aspects including human rights. This code is applicable for all employees, associates and business partners.</p> <p>It has been adopted by our parent company as well.</p>
5.2	How many stakeholders complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?	No complaints were received under the whistle blower policy. The details of the complaints of the investor are provided in the report on corporate governance. All complaints received during the year were dealt by the competent authority.
P-6 Business should respect, protect and make efforts to restore the environment.		
6.1	Does the policy related to Principle 6 cover only the company or extend to the group / joint ventures / suppliers / contractors / NGOs / others.	Environmental and Social Policy of PFS extends to the projects financed by PFS and indirectly covers contractors and borrowers engaged in project financing. E&S Policy scope extends to consortium funding where PFS is in lead.
6.2	Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming etc.? Y/N. if yes, please give hyperlink for webpage etc.	<ul style="list-style-type: none"> • PFS provides loans for large renewable energy projects and constitute 59% of our lending portfolio as on 31st March, 2019; thus promoting green energy which indirectly supports climate change and global warming initiative. • Moreover, PFS has developed a 6 MW wind farm in Karnataka State to offset emissions from its operations.

6.3	Does the company identify and assess potential environmental risks	To promote sustainable lending and to ensure compliance with our environmental and social management systems, PFS either internally or with the help of third party conducts environmental and social due diligence to assess environmental and social risks associated with the projects financed by PFS. In line with our established ESMS, the due diligence scope includes verification of relevant environmental and social aspects of the project in line within the reference framework (including the current operations and the future planned additions/ expansions). It includes but not be limited to the following aspects: <ul style="list-style-type: none"> • Environmental impact management; • Social impact management; • Health and safety management; • Human resources management (including human rights and labour standards); and • Community engagement.
6.4	Does the company have any project related to clean development mechanism? If so, provide details hereof, in about 50 words or so. Also if yes, whether any environmental compliance report is filed?	PFS is into lending business and we finance renewable energy projects which are based on clean and green fuel. PFS has a single 6 MW wind power project in Karnataka state and no environmental compliance report is required to be filled for 'white' category project as per CPCB revised categorization.
6.5	Has the company undertaken any other initiatives on-clean technology, energy efficiency and renewable energy, etc. Y/N. if yes, please give hyperlink for web page, etc.	<ul style="list-style-type: none"> • PFS disposes of its e-waste through CPCB certified vendor. • To promote renewable energy, as on 31st March, 2019 PFS's renewable portfolio is 59% of the total portfolio. • Moreover, PFS has developed a 6 MW wind farm in Karnataka State which got commissioned in May, 2010.
6.6	Are the emission / waste generated by the Company within the permissible limits given by CPCB/ SPCB for the financial year being reported?	Not applicable.
6.7	Number of show cause / legal notices received from CPCB / SPCB which are pending (i.e. not resolved to satisfaction) as on end of the financial year.	None.
P- 7 Business, when engaged in influencing public and regulatory policy, should do so in a responsible manner.		
7.1	Is your company a member of any trade and chamber or association? if yes, name only those major ones that your business deals with.	No
7.2	Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes / No; if yes specify the broad areas (drop box: governance and administration, economic reforms, inclusive development policies, energy security, water, food security, sustainable business principles, others)	No
P-8 Business should support inclusive growth and equitable development.		
8.1	Does the company have specified programmes / initiatives / projects in pursuit of the policy related to Principle 8? if yes details thereof.	PFS has established and implemented robust environmental and social management systems (ESMS) which is applicable to our lending business (core business). As part of the sustainable lending and as committed in our Environmental and Social (E&S) policy, PFS provides lending for projects which strive to minimize, mitigate or compensate adverse impacts on workers, affected communities and the environment. E&S Policy also states, that PFS would support lending to projects where affected communities are engaged on project related issues that could potentially affect them. We also support the principles of inclusive growth and equitable development through the CSR initiatives taken by PFS as well as through our core business as elaborated above. Details of CSR activities have been already elaborated in above sections.
8.2	Are the programmes / projects undertaken through in house team / own foundation / external NGO/ government structure/ any other organisation?	We directly do not engage in any such activities, however as stated in above column we support lending for projects which through its operations promotes aspects of inclusive growth and equitable development. CSR initiatives have been undertaken through PTC foundation/ by PFS itself and also through government institutes. Details of CSR activities have been presented in above sections.
8.3	Have you done any impact assessment of your initiative?	The key objective of our ESMS, is to identify and assess the environmental and social impacts in the project's area of influence and as part of the project appraisal process, PFS conducts environmental and social due diligence for the projects to assess the impacts of the project. Subsequently, to minimize the adverse impacts of the project an environmental and social action plan (ESAP) is prepared to improve the E&S performance of the company/project. Apart from this, the approved projects are monitored on annual/ once in two years frequency based on the project categorization. It should be noted that more than 50% of our portfolio as of 31 st March, 2019 was in renewable sector. Pursuant to the solar training extended to 20 number persons in Jodhpur, Rajasthan, 4 persons got immediate placement while for others opportunities shall arise in future. PFS also has plans to conduct formal impact assessment studies for its CSR initiatives in future.

8.4	What is your company's direct contribution to community development projects- Amount in INR and details of the projects undertaken?	The details have been already captured under section B and Section E (sub section 4.3) of the report. Please refer for details.
8.5	Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words or so.	Prior to undertaking an initiative, PFS engages with the community to assess the need and ensure that the activity/ initiatives benefit the community. Formal impact assessment studies would be conducted in future to assess the success of the programme, once the project is implemented.
P-9 Business should engage with and provide value to their customers and consumers in a responsible manner		
9.1	What percentage of customer complaints/consumer cases are pending as on the end of the financial year.	Nil
9.2	Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A/Remarks (additional information)	Not Applicable
9.3	Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and / or anti-competitive behaviour during the last five years and pending as on the end of financial year. If so, provide the details thereof, in about 50 words.	Nil
9.4	Did your company carry out any consumer survey / consumer satisfaction trends?	Yes. PFS conducts customers/ borrowers / developers meet to discuss customer satisfaction, their feedback on our services, products and new offerings from time to time. Moreover, feedback was sought from the stakeholders through e-mails.

Whistleblower Policy

1.0 Background

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behavior.

Clause 49 of the Listing Agreement between listed companies and the Stock Exchanges, inter alia, provides for a non-mandatory requirement for all listed companies to establish a mechanism called 'Whistle Blower Policy' for employees to report to the management instances of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy.

'Whistleblowing' is the confidential disclosure by an individual of any concern encountered in the workplace relating to a perceived wrongdoing.

The Whistleblower's role is that of a reporting party with reliable information. Protected Disclosure will be appropriately dealt by Audit Committee, as the case may be.

The terms such as 'Company', 'Audit Committee' and 'Board of Directors' refer to the relevant Company, Committee or Board of the Group Company adopting the policy, unless specified. The definitions of some key terms used in this Policy are mentioned below:

- A. "Audit Committee" means the Committee constituted by the Board of Directors of the Company in accordance with the Companies Act and read with Clause 49 of the Listing Agreement with the Stock Exchange.
- B. "Employee" means every employee of the Company, including the whole time Directors of the Company.
- C. "Protected Disclosure" means any communication made in good faith that discloses or demonstrates information that may evidence unethical or improper activity.
- D. "Whistleblower" means any Employee making a Protected Disclosure under this Policy.
- E. "Ombudsperson" or "Nodal Officer" for the purpose of receiving all complaints under this Policy and ensuring appropriate action.

2.0 Policy Objective

The policy has been framed to enforce controls so as to provide a system of detection, reporting, prevention and appropriate dealing of issues relating to fraud, unethical behavior etc. The policy aims to ensure that:-

- A. Management is aware of its responsibility for the detection and prevention of fraud, misappropriations, and other inappropriate conduct. The Management is to ensure that procedures and systems exist in the Corporation which minimize the incidence of, and opportunity for fraud and irregularities.
- B. Any fraud / unethical issue that are detected or suspected must be reported immediately to the designated authority for the purpose of co-ordination of preliminary investigation.
- C. To encourage all employees to feel confident in raising concerns and to question and act upon concerns about practice.
- D. To ensure that an employee receives a response to his concerns and that the employee is aware of how to pursue them if he/she is not satisfied.

3.0 Types of Concern

- A. Forgery or alteration of any document or account belonging to the Company.
- B. Sexual or physical abuse
- C. Willful suppression of facts/ deception in matters of appointments, placements, tender committee recommendations, entity and project appraisal, submission of reports, etc. as a result of which a wrongful gain(s) is made to one and /or wrongful loss(s) is caused to the others.
- D. Utilizing Company assets/ funds/ services for personal purposes other than those which have specifically provided for personal purposes.
- E. Authorizing or receiving payments for goods not supplied or services not rendered.
- F. Destruction, disposition, removal of records or any other assets of the Corporation with an ulterior motive to manipulate and misrepresent the facts so as to create suspicion/ suppression/ cheating as a result of which objective assessment/ decision would not be arrived at.
- G. Impropriety in the handling or reporting of money or financial transactions.
- H. Profiteering as a result of insider knowledge of company activities.
- I. Disclosing confidential and proprietary information to outside parties.
- J. Accepting or seeking anything of material value from contractors, vendors, lenders, borrowers and persons providing services/ materials to the company in contravention of Company's Conduct, Discipline and Appeal Rules.
- K. Conduct which is an offence or a breach of law.
- L. Other unethical conduct like gross misconduct, general malpractices etc

The Competent Authority will not tolerate any harassment or victimization (including informal pressures) and will take appropriate action.

4.0 Confidentiality

All concerns will be treated in confidence and every effort will be made not to reveal the Whistleblower's identity. At the appropriate time, however, the Whistleblower might need to come forward as a witness.

Please note that:

- A. An employee must believe the disclosure of information is in the interest of the Company / its stakeholders / public.
- B. Staff must not act maliciously or make false allegations.
- C. Staff must not seek any personal gain.

5.0 Voicing Concerns

- 5.1 This essentially means that boards expect their internal audit functions to identify issues before they become a major problem for the company.
- 5.2 They expect internal auditors to take appropriate actions to mitigate them and provide assurance that they pose no immediate or serious danger.
- 5.3 The Ombudsperson / Nodal officer shall be nominated by the Chairman of the Audit Committee. The Company may adopt either of the following two alternatives for addressing the whistleblower issues:

I. Alternative-1

1. Whistleblower should give the detailed report/complaint to the Ombudsperson / Nodal officer.
2. Report/Complaint would then be screened by the Nodal officer who would forward the report/complaint to the Chairman of Audit Committee. Report/Complaint would finally be reviewed by the Chairman of Audit Committee.
3. All complaints would be recorded regardless of the context it held.
4. Nodal officer would apprise the Audit committee on regular intervals about all the complaints received.
5. If the whistleblower believes that there is a conflict of interest between the Nodal Officer/Ombudsman and the whistle blower, he/she may send his protected disclosure directly to the Chairman, Audit Committee.
6. The report shall first be forwarded to the Chairman of Audit Committee by the ombudsperson. On submission of report, the Audit Committee Chairman may discuss the matter with Ombudsperson who shall on advice of the Chairman, may refer the matter before the Audit Committee and/ or Board (the option to forward it to Audit Committee or Board shall be suggested by the Audit Committee Chairman) with his / her recommendations. The Audit Committee and/ or the Board shall decide on the matter.

II. Alternative-2

1. A "Whistle Blower Committee" may be constituted consisting of senior officials to conduct an investigation in the matters of protected disclosure received by company.
 2. A report shall be prepared after completion of investigation and shall be submitted along with recommendations to the Managing Director for action, after providing reasonable opportunity of being heard to all associated individuals.
 3. It is further proposed that the protected disclosures be addressed to the ombudsperson / nodal officer nominated.
 4. The protected disclosure against the ombudsperson / nodal officer should be addressed to the Managing Director & CEO of the Company
 5. The Protected Disclosure against the Managing Director & CEO should be addressed to the Chairman of the Audit Committee.
 6. All complaints would be recorded regardless of the context it held.
- 5.4 In case the disclosure made by the whistleblower found to be malafide, frivolous, baseless then the disclosure would not be entertained. Details of the complaints would be recorded & maintained for a term of 5 years or even extended period (for specific complaints) as may be decided by Chairman of Audit Committee.
- 5.5 Detailed written record of the protected disclosure will include
- a. findings of Ombudsperson / Nodal officer's;
 - b. The recommendations of the Ombudsperson whether disciplinary / other action(s).

Note: PFS has adopted Alternative-1 provided in the policy and Company Secretary had been appointed as Nodal Officer.

INDEPENDENT AUDITOR’S REPORT To The Members of PTC India Financial Services Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of PTC India Financial Services Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act

(SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibility for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor’s Response
1.	<p>Impairment of loans to customers</p> <p>Allowance for impairment losses on loans to customers involves significant judgement by management to determine the timing and amount of the asset to be impaired.</p> <p>Refer Notes 1B (k), 2 (i) and 7 to the standalone financial statements.</p>	<p>Principal Audit Procedures</p> <p>We assessed the appropriateness of the Company’s impairment review and provisioning policy by comparing with the RBI prudential norms and applicable accounting standards ;</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing:</p> <ul style="list-style-type: none"> • We evaluated and tested the design and operating effectiveness of the relevant controls over the impairment assessments and impairment allowance computations for loans and advances to customers. • We tested the management assumptions, estimates and judgements, which could give rise to material misstatement: <ul style="list-style-type: none"> a. The completeness and timing of recognition of loss events; b. The measurement of provisions for individual instances of loans which is dependent on the valuation of security provided and the collaterals against each loan, the timing of cash flows and realisations; c. We discussed with management and scrutinised the appropriateness of those key assumptions applied in management’s impairment assessment, and compared them with available external evidence where necessary. d. The measurement of modelled provisions, which is dependent upon key assumptions relating to probability of default, loss given default and expected future recoveries; e. Performed procedures to obtain comfort on the accuracy of the impairment calculation process through recalculation of the provision charge based on inputs; f. Assessed accuracy and completeness of disclosures made as required by relevant accounting standards.

Sr. No.	Key Audit Matter	Auditor's Response
2.	<p>Expected Credit Losses (ECL) model</p> <p>As described in the notes to the standalone financial statements, the impairment losses have been determined in accordance with Ind AS 109 Financial Instruments requiring considerable judgment and interpretation in its implementation, which also involved significant judgement by management in measuring the expected credit losses. Key areas of judgment included:</p> <ol style="list-style-type: none"> Determining the criteria for a significant increase in credit risk ('SICR') Techniques used to determine the Probability of Default (PD) and Loss Given Default ('LGD') Assumptions used in the expected credit loss model such as the financial condition of the counterparty, expected future cash flows etc. <p>Refer Notes 1B (k), 2 (ii), 7 and 45A.2 to the standalone financial statements.</p>	<p>Principal Audit Procedures</p> <p>We assessed the appropriateness of the Company's policy on Expected Credit Loss recognition on financial instruments with reference to the applicable accounting standards and prudential norms laid down by RBI.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing:</p> <ul style="list-style-type: none"> We evaluated and tested the design and tested the operating effectiveness of Company's controls over the data used to determine the impairment reserve, internal credit quality assessments, external credit ratings and methodology followed for computation of ECL. For Expected Credit Losses computed by the management, we performed the following procedures: <ol style="list-style-type: none"> Assessed the reasonableness of assumptions and judgement made by management on model adoption and parameters selection; Examined the key data inputs (valuation of collateral, the timing of cash flows and realisations) to the ECL model on a sample basis to assess their accuracy and completeness; Evaluated and tested on sample basis the appropriateness of staging including determination of significant increase in credit risk. Assessed the Company's methodology for ECL provisioning, Classification and Measurement with the assistance of our internal experts; Assessed accuracy and completeness of disclosures made as required by relevant accounting standards.
3.	<p>Revenue Recognition</p> <p>Revenue recognition- Interest income on stressed loans involves significant management estimates and assumptions in determining both timing and expected realisation from them.</p> <p>Refer Notes 1B (a), 2 (iv) and 23 to the standalone financial statements.</p>	<p>Principal Audit Procedures</p> <p>Assessed the appropriateness of the Company's revenue recognition policy by comparing with applicable accounting standards and prudential norms laid down by RBI.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing:</p> <ul style="list-style-type: none"> Evaluated and tested the design of internal controls relating to revenue recognition on stressed loans and advances. Tested the operating effectiveness of the Company's controls through combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operations of these controls. Evaluated and tested the management estimates and assumption used while accruing the income on stressed loans and advances. Performed recalculation of interest accrual and tested input data, such as principal amounts, contractual interest rates etc. through substantive testing and tracing to source documents. We also took cognizance of the events arose subsequent to the end of the financial year from them. Ensured compliance with RBI regulation on revenue recognition for each case.
4.	<p>Evaluation of uncertain tax positions for Income taxes</p> <p>The Company has material uncertain tax positions relating to matters under litigation for Income taxes. These matters involve significant management judgement to determine the possible outcome of disputes.</p> <p>Refer Notes 1B (p), 2 (iii) and 34 to the standalone financial statements.</p>	<p>Principal Audit Procedures</p> <p>We obtained details of completed income tax assessments during the year ended March 31, 2019 from the management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions relating to Income taxes.</p> <p>Additionally we considered the effect of new information in respect of uncertain tax positions to evaluate whether any change was required to management's position on these uncertainties.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Directors' report, Report on Corporate Governance and Management discussion and analysis report, but does not include the standalone financial statements and our auditor's report thereon. The Directors' report, Report on Corporate Governance and Management discussion and analysis report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Directors' report, Report on Corporate Governance and Management discussion and analysis report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's Responsibilities Relating to Other Information'.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone fi-

ncial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The comparative financial information of the Company for the year ended March 31, 2018 and the related transition date opening balance sheet as at April 1, 2017 included in these standalone financial statements, have been prepared after adjusting previously issued standalone financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 to comply with Ind AS. Adjustments made to the previously issued standalone financial statements to comply with Ind AS have been audited by us.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the

Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements- Refer to note 34 of the standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts- Refer to note 49 of the standalone financial statements.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company- Refer to note 50 of the standalone financial statements.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of PTC INDIA FINANCIAL SERVICES LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on “the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

ANNEXURE “B” TO THE AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Legal and Regulatory Requirements’ section of our report of even date)

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered conveyance deed provided to us, we report that, the title deed, comprising an immovable property of building which is freehold, is held in the name of the Company as at the balance sheet date. In respect of immovable property of building that has been taken on lease and leasehold improvements thereon disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) The Company does not have any inventory and hence reporting under clause (ii) of the Order is not applicable.
- (iii) According to the information and explanations given to us, the Company has granted secured loan to a company covered in the Register maintained under Section 189 of the Companies Act, 2013, in respect of which:
- (a) The terms and conditions of the grant of such loan are, in our opinion, prima facie, not prejudicial to the Company’s interest.
 - (b) The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principle amounts and interest have been regular as per stipulations.
 - (c) There is no overdue amount remaining outstanding at the year end.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable. The Company being a non-banking financial company, nothing contained in section 186, except sub-section (1), shall apply.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit from the public during the year within the meaning of Section 73 to 76 or any other relevant provisions of the Act and hence reporting under clause (v) of the Order is not applicable.
- (vi) Having regard to the nature of the Company’s business / activities, reporting under clause (vi) of the Order is not applicable.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees’ State Insurance, Income-tax, Goods and Services Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. We are informed that the Company’s operations did not give rise to any dues on account of Custom duty.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income-tax, Goods and Services Tax, Cess and other material statutory dues in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.
 - (c) There were no disputed dues in respect of Sales Tax, Service Tax and Value Added Tax which have not been deposited. Details of dues of Income Tax which have not been deposited as on March 31, 2019 on account of disputes are given below:

Name of Statute	Nature of the Dues	Forum where dispute is pending	Period to which the amount relates	Amount involved (Rs. in lakhs)*	Amount unpaid (Rs. in lakhs)
Income-tax Act 1961	Income Tax	Income Tax Appellate Authority	2011-2014	2087.76	168.86
		Upto Commissioner (Appeals)	2013-2014, 2015-2017	954.96	754.07

* Amount as per demand orders including interest and penalty wherever indicated in the order.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to bank, financial institutions and debenture holders. The Company has not taken any loans or borrowings from Government.
- (viii) In our opinion and according to the information and explanations given to us, the term loans (including debt instruments) have been applied by the Company for the purposes for which they were obtained. The Company has not raised any money by way of initial public offer or further public offer.
- (ix) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (x) In our opinion and according to the information and explanations given to us, the Company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xi) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

- (xii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 and of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiii) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of CARO 2016 is not applicable to the Company.
- (xiv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding or associate companies or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xv) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.

PTC India Financial Services Limited

Notes to the standalone financial statements for the year ended March 31, 2019

1. Company overview

PTC India Financial Services Limited (“PFS”) (“the Company”) a registered Non-banking finance company (NBFC) with Reserve Bank of India (RBI) and has been awarded the Infrastructure Finance Company (IFC) status by RBI. PFS is set up with an objective to provide total financing solutions to the energy value chain which includes investing in equity or extending debt to Road infrastructure projects, power projects in generation, transmission, distribution, fuel resources and fuel related infrastructure.

The Company’s registered office and principal place of business is situated at 7th Floor, Telephone Exchange Building, 8 Bhikaji Cama Place, New Delhi - 110066. The shares of the Company are listed on the National Stock Exchange of India Limited and the Bombay Stock Exchange.

The financial statements for the year ended March 31, 2019 are approved by Board of Directors of the Company on May 04, 2019

1A. Basis of preparation and presentation

i. Statement of compliance

These financial statements (“the Financial Statements”) are prepared in accordance with the Indian Accounting Standards (‘Ind AS’) as notified by Ministry of Corporate Affairs (‘MCA’) under Section 133 of the Companies Act, 2013 (‘Act’) read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in this financial statements.

ii. Accounting convention

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

iii. Going concern

The board of directors have considered the financial position of the Company at March 31, 2019 and the projected cash flows and financial performance of the Company for at least twelve months from the date of approval of these financial statements as well as planned cost and cash improvement actions, and believe that the plan for sustained profitability remains on course.

The board of directors have taken actions to ensure that appropriate long-term cash resources are in place at the date of signing the accounts to fund the Company’s operations.

iv. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the note 2 of the financial statements.

1B. Significant Accounting Policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

a) Revenue recognition

Interest and processing fee income on loans

Interest and processing fee income is recorded on accrual basis using the effective interest rate (EIR) method in accordance with Ind AS 109. Additional interest/overdue interest/penal charges, if any, are recognised only when it is reasonable certain that the ultimate collection will be made.

Commission income

Income from business correspondent services is recognised as and when the services are rendered as per agreed terms and conditions of the contract.

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date.

Sale of power

Revenue from power supply is accounted on accrual basis.

Miscellaneous income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/collection.

b) **Leasing**

The Company as a lessee

At the inception of each lease, the lease arrangement is classified as either a finance lease or an operating lease, based on the substance of the lease arrangement.

Finance leases

Assets leased by the Company in its capacity as lessee where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. A finance lease is recognized as an asset and a liability at the commencement of the lease, at the lower of the fair value of the asset and the present value of the minimum lease payments.

Minimum lease payments made under finance leases are apportioned between finance charges and reduction of the lease liability. The Finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases

Leases in which the lessor does not transfer substantially all the risks and rewards of ownership of an asset to the lessee are classified as operating leases. Lease rental are charged to statement of profit and loss.

c) **Foreign currencies**

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements have been prepared and presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

Transition to Ind AS

The Company has elected to exercise the option for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period as per the previous GAAP.

d) **Borrowing costs**

Borrowing costs directly attributable to the' acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

e) **Employee benefits**

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Other long-term employee benefit obligations

Liabilities for leave encashment and compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

Post-employment benefit plans are classified into defined contribution plans and defined benefits plans as under:

Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Company has an obligation towards gratuity and post medical retirement benefit, a defined benefit retirement plan covering eligible employees. Where in the employee will receive on retirement is defined by reference to employee's length of service and last drawn salary. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets, if any. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to Statement of Profit and Loss in the year in which such gains or losses are determined.

f) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternate tax ("MAT") credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively

g) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value) Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on the written-down method over the useful life of the assets as prescribed under Part 'C' of Schedule II of the Companies Act, 2013.

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed. Asset costing less than Rs. 5,000 each are fully depreciated in the year of capitalisation.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

h) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation method, useful lives and residual value)

Intangible assets are amortised over a period of 3 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

i) Impairment of tangible and intangible assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

j) Non-derivative financial assets

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test : the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI on the principal amount outstanding).

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest (SPPI on the principal amount outstanding).

All other financial assets are measured at fair value through profit or loss.

Subsequent measurement

- i. **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost if both the following conditions are met:
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

- ii. **Investments in equity instruments** – Investments in equity instruments are measured at fair value through other comprehensive income (FVOCI). Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.
- iii. **Investments security receipts** – Investments in security receipts are measured at fair value through profit and loss (FVTPL).
- iv. **Equity investment in associates** – Investments representing equity interest in associates are carried at cost less any provision for impairment. Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.
- v. **Trade receivables** – Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment.
- vi. **Cash and cash equivalents** – In the cash flow statement, cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions, short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

All other financial assets are measured at fair value through profit or loss.

k) **Impairment of financial assets**

Loan assets

The Company follows a ‘three-stage’ model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
- Stage 2 includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) – The PD represents the likelihood of a borrower defaulting on its financial obligation (as per “Definition of default and credit-impaired” above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) – LGD represents the Company’s expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) – EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

The Company considers various factors while considering the recoverability of credit impaired advances. These include nature and value of assets, different resolution channels, interest of potential buyers etc. Considering the typical nature of advances given by the Company, there is significant uncertainty and variability in timing of resolution of these advances. In reference to RBI’s prudential norms, the Company does not recognize interest income on these advances on a conservative basis, and the provisioning is considered using current estimate of realization which are based on valuation of security/ collateral as at current date.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial

recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

l) Non-derivative financial liabilities and equity instruments

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities

Subsequent measurement

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' Line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

m) Derivative financial instruments

The Company enters into foreign exchange forward contracts and certain other derivative financial instruments to manage its exposure to foreign exchange risks. Further details of derivative financial instruments are disclosed in note 5.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument which is recognised in other comprehensive income (net of tax) and presented as a separate component of equity which is later reclassified to profit or loss when the hedge item affects profit or loss.

n) Hedge Accounting

Initial and subsequent measurement

The Company uses derivative financial instruments to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss. For the purpose of hedge accounting, hedges are classified as cash flow hedges where Company hedges its exposure to variability in cash flows that is attributable to foreign currency risk and interest rate risk associated with recognised liabilities in the financial statements.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk

being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in cash flows and are assessed on an ongoing basis to determine that they continue to be highly effective throughout the financial reporting periods for which they are designated.

Accounting for cash flow hedges

The effective portion of the gain or loss on the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in the statement of profit and loss.

The Company uses swaps as to hedge its exposure to foreign currency risk and interest rate risk in respect of certain financial liabilities. The ineffective portion relating to such hedging instruments is recognised in other income or expenses. Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognised. If the hedging instrument expires or is sold, terminated or exercised, or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the expected future cash flows occur.

o) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

p) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

q) Earnings per share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year/period.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

r) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly reviewed by the CODM ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

s) Investments in Associates

The Company records the investments in Associates at cost less impairment loss, if any.

After initial recognition, the Company determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of investment in Associates and that event (or events) has an impact on the estimated future cash flows of the Associates that can be reliably estimated. If there exists such an objective evidence of impairment, then impairment loss is recognized with respect to the Company's investment in Associates.

2. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

- i. **Evaluation of indicators for impairment of loans** - The evaluation of applicability of indicators of impairment of assets requires management assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.
- ii. **Expected credit loss model ('ECL')** - The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:

- Determining criteria for significant increase in credit risk;
 - Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and
 - Establishing groups of similar financial assets for the purposes of measuring ECL.
- iii. **Contingent liabilities** – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.
- iv. **Revenue recognition**- Interest income on stressed loans involves management estimates and assumptions in determining both timing and expected realisation from them.
- v. **Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.
- vi. **Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.
- vii. **Business model assessment** - The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

2A. Standards issued but not yet effective

Ind AS 116 'Leases'

On March 30, 2019, Ministry of Corporate Affairs ('MCA') has clarified that Ind AS 116 is effective for annual periods beginning on or after April 1, 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees - leases of 'low-value' assets and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 12, Income taxes

On March 30, 2019, Ministry of Corporate Affairs ("MCA") has notified Appendix C to Ind-AS 12 Income taxes - "Uncertainty over Income Tax Treatments". The amendment to Ind AS 12 requires the entities to consider recognition and measurement requirements when there is uncertainty over income tax treatments. In such a circumstance, an entity shall recognise and measure its current or deferred tax asset or liability accordingly. The effective date of amendment is April 1, 2019. Further, there has been amendments in relevant paragraphs in Ind-AS 12 "Income Taxes" which clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events in accordance with Ind-AS 109. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

Amendment to Ind AS 19, Employee benefits

On March 30, 2019, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 19 which requires the entities to determine current service cost using actuarial assumptions and net interest using discount rate determined at the start of the annual reporting period. However, if an entity re-measures the net defined benefit liability (asset) as per the requirement of the standard, it shall determine current service cost and net interest for the remainder of the annual reporting period after the plan amendment, curtailment or settlement using the actuarial assumptions used to re-measure the net defined benefit liability (asset). The effective date of amendment is April 1, 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

Amendment to Ind AS 109, Financial instruments

On March 30, 2019, Ministry of Corporate Affairs ("MCA") issued an amendment to Ind-AS 109 in respect of prepayment features with negative compensation, which amends the existing requirements in Ind-AS 109 regarding termination rights in order to allow measurement at amortized cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. This amendment is effective for annual periods beginning on or after April 1, 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

Amendment to Ind AS 23, Borrowing costs

On March 30, 2019, Ministry of Corporate Affairs ("MCA") issued an amendment to Ind-AS 23 "Borrowing Costs" clarifies that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. This amendment is effective for annual periods beginning on or after April 1, 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

PTC India Financial Services Limited
Notes to the standalone financial statements for the year ended March 31, 2019

(All amounts in Lakha of ₹ unless otherwise stated)

3 Cash and cash equivalents	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Cash on hand	0.03	-	0.06
Balances with banks:			
- in current accounts	2,608.97	4,703.68	2,256.07
- in deposit accounts	614.49	626.31	588.32
Cheques or drafts on hand	-	-	119.40
	3,223.49	5,329.99	2,963.85

4 Other Bank balance	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Balances with banks-			
- in earmarked accounts			
i. Unclaimed share application money lying in escrow account	-	1.77	1.82

iii. Unclaimed dividend	46.88	34.59	18.31
	668.24	492.70	587.94

5 Derivative financial instruments									
The Company enters into derivatives for risk management purposes. The Company has various derivative (i.e. cross currency interest rate swaps, call spread and cap spread options) contract which are entered into as an economic hedge of the for foreign currency and interest rate risks of the Company. The Company has designated cross currency swap contracts under cash flow hedge relationship.									
The table below shows the fair values of derivative financial instruments recorded as assets or liabilities together with their notional amounts. The notional amounts indicate the value of transactions outstanding at the year end and are not indicative of either the market risk or credit risk.									
	As at March 31, 2019			As at March 31, 2018			As at April 1, 2017		
	Notional amounts	Fair Value - Assets	Fair Value - Liabilities	Notional amounts	Fair Value - Assets	Fair Value - Liabilities	Notional amounts	Fair Value - Assets	Fair Value - Liabilities
Currency derivatives									
- Currency and interest rate swaps	11,706.18	-	23.00	12,688.69	-	758.22	13,114.00	-	906.54
- Call spread option	25,440.49	1,782.20	-	29,773.54	2,103.13	-	35,756.87	2,432.08	-
- Cap spread option		215.02	-		397.55	-		279.10	-
Total derivatives		1,997.22	23.00		2,500.68	758.22		2,711.18	906.54
Included in above are derivatives held for hedging and risk management purposes as follows:									
Cash flow hedging:									
- Currency and interest rate swaps	11,706.18	-	23.00	12,688.69	-	758.22	13,114.00	-	906.54
Undesignated derivatives	-	1,997.22	-	-	2,500.68	-	-	2,711.18	-
Total derivative financial instruments		1,997.22	23.00		2,500.68	758.22		2,711.18	906.54

5.1 Hedging activities and derivatives

The Company is exposed to foreign currency risks relating to its ongoing business operations. The primary risks managed using derivative instruments are foreign currency risk and interest rate risk. Currency and interest rate swap contract meets the hedge accounting criteria as per Ind AS 109 and has been accounted as cash flow hedge. The Company has designated this contract in cash flow hedge relationship from January 1, 2019.

(a) Disclosure of effects of hedge accounting on financial performance

For the year ended March 31, 2019

Type of hedge and risks	Change in the value of hedging instrument gain/ (loss)	Hedge ineffectiveness recognised in statement of profit or loss	Amount reclassified from cash flow hedging reserve to profit or loss	Line item affected in statement of profit and loss because of reclassification and hedge ineffectiveness
Cash flow hedge				
Foreign currency and interest rate risk				
(i) Currency and interest rate swap	(401.50)	77.89	(163.60)	Gain/ (loss) on fair value changes and loss/ amortisation of foreign currency transaction/ translation

Hedge effectiveness is determined at the inception of the hedge relationship, and through periodic prospective effectiveness assessment to ensure that an economic relationship exists between the hedged item and hedging instrument.

For derivative contracts, hedge effectiveness is measured using hypothetical derivative method. Ineffectiveness is measured by comparing the change in the fair value of the actual derivative i.e. currency and interest rate swap contracts designated as the hedging instrument and the change in the fair value of a hypothetical derivative representing the hedged item i.e. foreign currency loan. Hypothetical derivative matches the critical terms i.e. maturity date, currency and amount of foreign currency loan.

(b) Movements in cash flow hedging reserve

Particulars	Amount
As at March 31, 2018	-
Add: Changes in fair value of derivative contracts- gain/ (loss)	(401.50)
Less: Amount reclassified to profit or loss	(163.60)
Less: Deferred tax relating to above (net)	(83.13)
As at March 31, 2019	(154.77)

5.2 Derivatives not designated as hedging instruments

The Company uses currency and interest rate swaps and Call and Cap spread options to manage its interest rate risk and currency risk arising from USD denominated borrowings. The currency and interest rate call and cap spread options are not designated in a hedging relationship.

6 Trade receivables	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Trade receivables			
Unsecured, considered good	447.81	565.71	567.22
Which have significant increase in credit risk	491.01	-	-
	938.82	565.71	567.22
Less: Allowance for impairment loss allowance	77.68	-	-
	861.14	565.71	567.22

(i) All amounts are short-term. The net carrying amount of trade receivables is considered a reasonable approximation of their fair value.

(ii) Age of receivables :

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Within the credit period	-	-	-
Up to 180 days past due	305.87	565.71	567.22
More than 180 days	555.27	-	-
	861.14	565.71	567.22

7	Loans	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
	At amortised cost			
	(i) Term loans*	1,337,429.41	1,286,827.65	1,066,353.15
	(ii) Loans to employees	39.92	17.10	17.54

	Total	1,038,603.79	924,837.20	669,256.28

(i) Term loans

Term loans from banks carry interest ranging from 8.50% to 9.75% p.a. The loans carry various repayment schedules according to their respective sanctions and thus are repayable in 12 to 48 quarterly instalments. The loans are secured by first pari-passu charge on receivables of loan assets by way of hypothecation (other than assets created/ to be created in favour of specific lenders) so that lenders should have at least 100%/ 111% security coverage on its outstanding loan at all times during the currency of the loan.

(ii) External commercial borrowings

External Commercial Borrowings ("ECB") carry interest ranging from 3 months LIBOR+1.90% to LIBOR+3.10% p.a. The loans are repayable in 32/36 equal quarterly instalments as per the due dates specified in the respective loan agreements. The borrowings are secured by way of first ranking exclusive charge on all present and future receivables of the eligible loan assets created by the proceeds of ECB. Repayment of 4 ECB loans of which 4 quarterly instalment amounting to USD 28,88,888 (Rs. 2,027.64 lakhs) on first ECB loan, 4 quarterly instalment amounting to USD 62,50,000 (Rs. 4,358.19 lakhs) on two of the ECB loans and 4 quarterly instalment amounting to USD 25,00,000 (Rs.1,671.75 lakhs) on another ECB loan was made during the year ended March 31, 2019.

Retained earnings	39,413.23	26,233.02	54,724.43
Total	142,426.80	129,706.74	162,399.08

(i) Securities premium account

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Opening balance	61,280.57	61,280.57
Add: Amount received pursuant to issue of equity shares	-	-
Closing balance	61,280.57	61,280.57

Securities premium account is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the relevant statutes.

(ii) Statutory reserve (in terms of Section 45-IC of the Reserve Bank of India Act, 1961)

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Opening balance	29,179.68	28,685.59
Add: Transferred from Retained earnings	3,682.85	494.09
Closing balance	32,862.53	29,179.68

This reserve is maintained in accordance with the provisions of Section 45-IC of the Reserve Bank of India Act, 1961.

(iii) Special reserve (in terms of Section 36(1)(viii) of the Income tax Act, 1961)

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Opening balance	29,699.78	23,337.48
Add: Transferred from Retained Earnings	-	6,362.30
Closing balance	29,699.78	29,699.78

This reserve is maintained in accordance with the provisions of Section 36(1)(viii) of the Income tax Act, 1961.

(iv) Equity instruments through other comprehensive income

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Opening balance	(14,937.10)	(2,884.17)
Add: Change in fair value of FVOCI equity investments	(3,203.87)	(12,052.93)
Add/less: Tax impact	-	-
Closing balance	(18,140.97)	(14,937.10)

The Company has elected to recognise changes in fair value of equity investments in other comprehensive income. These changes are accumulated within the "Reserve for equity instruments through other comprehensive income". The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

(v) Cash flow hedge reserve

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Opening balance	-	-
Add/(less): MTM of derivatives instruments	(237.90)	-
Add/less: Tax impact	83.13	-
Closing balance	(154.77)	-

The Company uses hedging instruments as part of its management of foreign currency risk and interest rate risk associated with its foreign currency borrowings. To the extent these hedges are effective; the change in fair value of the hedging instrument is recognised in the cash flow hedge reserve. Amounts recognised in the cash flow hedge reserve is reclassified to profit or loss when hedged item affects profit or loss.

(v) Foreign currency monetary items translation difference account

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018

37 Disclosures under Ind AS 19 (Employee benefits)

The details of various employee benefits provided to employees are as under:

Defined contribution plans

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Provident fund	55.41	54.60

Defined benefit plans:

The Company has following defined benefit plans for its employees

- Gratuity: The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The liability of Gratuity is recognized on the basis of actuarial valuation.
- Post-Retirement Medical Benefit: The Company operates post-employment medical benefits scheme. The liability is recognised on the basis of actuarial valuation.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk

Investment Risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest Risk	A decrease in the bond interest rate will increase the plan liability.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability. The estimates of future salary increases, considered in the actuarial valuation, take into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2019 by Mr. K.K. Dharni (FIAI M.No. 00051), Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost, were measured using the projected unit credit method.

Principal assumptions:	Gratuity/Post Medical retirement benefit		
	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Discount rate	7.65%	7.71%	7.54%
Future salary increase	9.00%	8.25%	6.50%
Retirement age	60/62	60/62	60/62
Withdrawal rate	1.3%	1.3%	1.3%
In service mortality	IALM (2006-08)	IALM (2006-08)	IALM (2006-08)

Amounts recognised in statement of profit and loss in respect of these defined benefit plans are as follows :-

Particulars	Gratuity		Post Medical retirement benefit

Actuarial (gains)/ losses arising from experience adjustments	(10.56)	0.05	(2.56)	(2.30)
Component of defined benefit cost recognised in Other comprehensive Income	3.73	22.07	0.24	2.39

The Current Service Cost and the net interest expense for the year are included in the Employee benefits expenses line items in the statement of profit and loss. The remeasurement of the net defined benefit liability is included in other comprehensive income.

Movements in the present value of the defined benefit obligation are as follows :-

Particulars	Gratuity		Post Medical retirement benefit	
	Year ended March 31, 2019	Year ended March 31, 2018	Year ended March 31, 2019	Year ended March 31, 2018
Present value of obligation as at the beginning	130.22	91.86	24.12	17.11
Current service cost	23.93	20.48	3.69	3.33
Interest cost	10.04	6.93	1.86	1.29
Past service cost including curtailment gains/ losses	-	2.90	-	-
Benefits paid	(27.31)	(14.02)	-	-
Net actuarial (gain) / loss recognised	3.73	22.07	0.24	2.39
Present value of obligation as at the end	140.61	130.22	29.91	24.12

The reconciliation of the Company's defined benefit obligations (DBO) and plan assets in respect of defined benefit plans to the amounts presented in the statement of balance sheet is presented below:

	Gratuity		
	As at March 31, 2019	As at March 31, 2018	As at April 1,2017
Present Value of funded defined benefit obligation	140.61	130.22	91.86
Fair value of plan assets	-	-	-
Net liability arising from defined benefit obligation	140.61	130.22	91.86

	Post Medical retirement benefit		
	As at March 31, 2019	As at March 31, 2018	As at April 1,2017
Present Value of funded defined benefit obligation	29.91	24.12	17.11
Fair value of plan assets	-	-	-
Net liability arising from defined benefit obligation	29.91	24.12	17.11

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase, mortality, etc. The sensitivity analysis below have been determined based on reasonable possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

- If the discount rate is 0.5 basis points higher (lower), the defined benefit obligation would decrease by Rs. 15.84 lakhs (increase by Rs. 16.89 lakhs) [March 31, 2018: 12.82 lakhs (increase by Rs. 13.87 lakhs)].

- If the expected salary growth increases (decreases) by 0.5 basis points, the defined benefit obligation would increase by Rs. 9.96 lakhs (decrease by Rs. 9.14 lakhs) [March 31, 2018: increase by Rs. 8.40 lakhs (decrease by Rs. 7.70 lakhs)].

Sensitivities due to change in mortality rate and change in withdrawal rate are not material and hence impact of such change is not calculated.

Sensitivity Analysis

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of reporting period, which is same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Other disclosures

Maturity profile of defined benefit obligation

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1,2017

42 Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the Reserve Bank of India (RBI) of India. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period.

42.1 Capital management

The capital management objectives of the Company are:

- to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios
- to ensure the ability to continue as a going concern
- to provide an adequate return to shareholders

Management assesses the capital requirements of the Company in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return on capital to shareholders, issue new shares, or sell assets to reduce debt. The Company has a target gearing ratio of 3.00 to 4.50 determined as a proportion of net debt to total equity.

42.2 Regulatory capital

As contained in RBI Master Directions - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (hereinafter referred to as "RBI Master Directions"), the Company is required to maintain a capital ratio consisting of Tier I and Tier II capital not less than 15% of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items. Out of this, Tier I capital shall not be less than 10%. The BoDs regularly monitors the maintenance of prescribed levels of Capital Risk Adjusted Ratio (CRAR). Further, the Company also ensures compliance of guidelines on "Capital Restructuring of Central Public Sector Enterprises" issued by Department of Investment and Public Asset Management (DIPAM), Ministry of Finance, Department of Public Enterprises in respect of issue of bonus shares, dividend distribution, buy back of equity shares etc.

Capital Adequacy Ratio (CAR) and other key financial parameters of the Company are as under:

Capital Adequacy ratio - Tier I	18.69%
Capital Adequacy ratio - Tier II	3.23%
	21.92%

44. Fair value measurement of financial assets and liabilities

Financial assets and financial liabilities measured at fair value in the Statement of Balance Sheet are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3: unobservable inputs for the asset or liability.

The following table shows the levels within the hierarchy of financial assets measured at fair value on a recurring basis at March 31, 2019:

	Level 1	Level 2	Level 3	Total
Financial Assets carried at FVOCI	-	-	-	-
Security receipts	-	-	9,586.99	9,586.99
Derivative instruments (net)	-	1,974.22	-	1,974.22

As at March 31, 2018

	Level 1	Level 2	Level 3	Total
Financial Assets carried at FVOCI	-	-	3,358.55	3,358.55
Security receipts	-	-	2,942.70	2,942.70
Derivative instruments (net)	-	1,742.46	-	1,742.46

As at March 31, 2017

	Level 1	Level 2	Level 3	Total
Financial Assets carried at FVOCI	-	-	11,428.36	11,428.36
Derivative instruments (net)	-	1,804.64	-	1,804.64

Fair value measurements using significant unobservable inputs (level 3)

The following table presents the changes in level 3 items for the periods ended March 31, 2019, March 31, 2018 and April 1, 2017:

	Security receipts	Unlisted equity securities	Total
As at April 1, 2017	-	11,428.36	11,428.36
Acquisitions	2,942.70	3,983.12	6,925.82
Gains/(losses) recognized in profit or loss	-	-	-
Gains/(losses) recognized in other comprehensive income	-	(12,052.93)	(12,052.93)
Disposal/acquisition	-	-	-
As at March 31, 2018	2,942.70	3,358.55	6,301.25
Acquisitions	7,259.68	-	7,259.68
Gains/(losses) recognized in profit or loss	(589.52)	-	(589.52)
Gains/(losses) recognized in other comprehensive income	-	(3,203.87)	(3,203.87)
Disposal/acquisition	(25.87)	(154.68)	(180.55)
As at March 31, 2019	9,586.99	-	9,586.99

There are no financial liabilities measured at fair value on recurring basis. There were no transfers between the 3 levels in the reporting periods.

Fair value of the Company's financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

Except as detailed out in the following table, the management considers that the carrying amounts of financial assets and financial liabilities recognised in the consolidated financial statements approximate their fair values.

Particulars	As at March 31, 2019		As at March 31, 2018		As at April 1, 2017	
	Carrying amount	Fair value	Carrying amount	Fair value	Carrying amount	Fair value
Financial Liabilities						
Infrastructure Bonds	14,085.66	14,087.75	14,960.52	15,381.30	16,914.18	21,023.09

	Fair value hierarchy As at March 31, 2019			
	Level 1	Level 2	Level 3	Total
Financial Liabilities at amortised cost				
Infrastructure Bonds	-	-	14,087.75	14,087.75
Debentures	-	-	39,268.41	39,268.41

	Fair value hierarchy As at March 31, 2018			
	Level 1	Level 2	Level 3	Total
Financial Liabilities at amortised cost				
Infrastructure Bonds	-	-	15,381.30	15,381.30
Debentures	-	-	43,446.11	43,446.11

	Fair value hierarchy As at March 31, 2017			
	Level 1	Level 2	Level 3	Total
Financial Liabilities at amortised cost				
Infrastructure Bonds	-	-	21,023.09	21,023.09
Debentures	-	-	42,372.35	42,372.35

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:-

-Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments, as described below:

- Discounted cash flow method is used to fair value investments in unquoted equity instruments
- Certain investments are valued with reference to sale price observable in the market.
- The Company's foreign currency and interest rate derivative contracts are not traded in active markets. Fair valuation of such instruments are provided by the dealer who are recognised banks and use widely acceptable techniques. The effects of non-observable inputs are not significant for foreign currency forward contracts.

The Company performs valuations in consultation with third party valuation specialists for complex valuations. Valuation techniques are selected based on the characteristics of each instrument, with the overall objective of maximising the use of market-based information.

-Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, current borrowings, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to the short-term maturities of these instruments.

-Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. as such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

45 Financial risk management

i) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Loan receivables, Cash and bank balances, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Expected loss analysis	Credit risk analysis, diversification of customers/asset base, credit limits and collateral.
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting	Derivative contracts/hedging
Market risk - interest rate	Non-current borrowings at variable rates	Sensitivity analysis	Interest rate swaps
Market risk - security price	Investments in equity securities	Sensitivity analysis	Portfolio diversification, exposure limits

The Board has the overall responsibility of risk management - there are two committees of the Board which take care of managing overall risk in the organization. In accordance with the RBI guidelines to enable NBFCs to adopt best practices and greater transparency in their operations, the Board of Directors of the Company has constituted a Risk Management Committee to review risk management in relation to various risks, namely, market risk, credit risk, and operational risk, and an Asset Liability Management Committee (ALCO).

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company has established various internal risk management process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. Counterparty limits are established by the use of a credit risk classification system, which assigns each counterparty a risk rating. Risk ratings are subject to regular revision. The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective actions.

Credit risk arises from loans financing, cash and cash equivalents, trade receivables, investments carried at amortised cost and deposits with banks and financial institutions, as shown below:

Particulars	Balance as at March 31, 2019	Balance as at March 31, 2018	Balance as at April 1, 2017
Loans	1,264,445.23	1,180,634.10	1,019,206.13
Trade receivables	861.14	565.71	567.22
Cash and cash equivalents	3,223.49	5,329.99	2,963.85
Other bank balances	668.24	492.70	587.94
Other financials asset	52.47	174.80	70.15

a) **Credit risk management**

The Company assesses and manages credit risk based on internal credit rating system and external ratings.

From credit risk perspective, the Company's lending portfolio can be segregated into following broad categories:

- (i) Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

The company provides for expected credit loss based on the following:

Nature	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances, loans and other financial assets	12 month expected credit loss
Moderate credit risk	Loans	Life time expected credit loss or 12 month expected credit loss
High credit risk	Loans	Life time expected credit loss or fully provided for

Financial assets that expose the entity to credit risk*

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Low credit risk			
Trade receivables	861.14	565.71	567.22
Cash and cash equivalents	3,223.49	5,329.99	2,963.85
Bank balances other than above	668.24	492.70	587.94
Loans	1,134,991.61	1,062,871.66	885,562.64
Other financial assets	52.47	174.80	70.15
Moderate credit risk			
Loans	67,694.74	52,247.58	105,990.50
High credit risk			
Loans	134,782.98	171,725.51	74,817.55

* These represent gross carrying values of financial assets, without deduction for expected credit losses

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Trade receivables measured at amortized cost and credit risk related to these are managed by monitoring the recoverability of such amounts continuously.

Loans

Credit risk related to borrower's are mitigated by considering collateral's from borrower's. The Company closely monitors the credit-worthiness of the borrower's through internal systems and project appraisal process to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become one year past due.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

b) ii) Expected credit loss for loans

A.1 Credit risk measurement

The Company measures credit risk of its exposure using:

- (a) Internal Rating: Internal ratings are based on board approved policy that guides credit analysis to place borrowers in watch list based on specific risk factors such as project progress schedule, promoter's contribution, PPA status etc.
- (b) External rating: PFS also captures external rating of their borrowers done by RBI approved rating agencies like ICRA, Care etc.

These two together helps the Company in better monitoring of its borrowers. The staging criteria for ECL computation is also driven by these two criteria. Staging of an account gets impacted by taking into consideration both internal rating and external rating.

A.2 Expected credit loss measurement

A.2.1 Significant increase in credit risk and credit impaired financial assets

The Company considers a financial instrument to have experienced a significant increase based on the staging criteria, which is aligned with EWS framework.

As per EWS framework, loan accounts with rating OR1-OR6 may be classified as stage 1 and assets with rating OR7-OR10 may be classified as stage 2 accounts. However, if the loan account was rated OR7-OR10 during the sanction process then the loan account may be classified as stage 1 account as the risk prescription/credit quality has not changed since initial risk assessment.

A.2.2 Definition of default

The Company defines a financial instrument as in default, any borrower whose contractual payments are due for more than 90 days is termed as default, which is in line with RBI guidelines

A.2.3 Explanation of inputs, assumptions and estimation techniques

Probability of default (PD) computation model

Probability of Default is the likelihood that the borrower will not be able to meet its obligations as and when it falls due.

Transition Matrix Approach was used for estimation of PD. ICRA's one-year transition matrix was used as the base probability of default matrix.

Stage 1: 12-month PDs were taken directly from one-year transition matrix and so, PIT conversion was not done, as it is already giving PIT PDs.

Stage 2: PD for second year onwards was estimated using Matrix Multiplication Approach. As a matter of following a best practice, it was decided to keep the PDs constant after 5th year.

Stage 3: As the accounts classified into stage 3 are non-performing assets so probability of default was assumed to be 100%.

Loss given default (LGD) computation model

Loss Given Default is the percentage of total exposure which the borrower would not be able to recover in case of default.

Workout LGD approach has been used for LGD estimation.

$LGD = (\text{Economic loss} + \text{Cost of Recovery}) / EAD$

Basis of calculating loss rates

First step involved in ECL computation is staging of the assets into three categories. Staging of the financial assets depend on the deterioration of the credit quality of the assets over its lifetime. Performing assets fall under Stage I, Underperforming assets fall under Stage II and Impaired assets(non-performing) fall under Stage III.

The following points were considered for stage wise classification of credit exposures:

1. Stage III exposures were exposures where actual default events have occurred i.e. all credit exposures classified as Doubtful or Sub-Standard, or where significant deterioration in credit quality was envisaged.
2. Stage II exposure were exposures which were not considered impaired asset but were classified as 'Stressed Accounts' or were flagged as High-Risk Category.
3. All other accounts not meeting the first two criteria were classified as Stage 1 accounts.

Quantitative and qualitative factors considered along with quantification i.r.t loss rates

Impact of specific risk factors was taken into account while staging of accounts and computation of PD. External credit rating was also used for staging criteria. The industry of the borrower was also considered for classification of the borrower. If a borrower belonged to an industry under stress, then the borrower was classified as stage 2 or 3 account.

For computation of loss given default, haircuts on collateral, based on subjective parameters were used.

- Sector/Sub-sector
- Source of Power Generation
- PPA Status
- COD Status

A.2.4 Forward looking information incorporated in ECL models

The PDs derived from the transition matrix were adjusted using Index for Industrial Production (IIP) for electricity segment prepared by Government of India and published by Reserve Bank of India. A scenario analysis methodology was used to shock the Point-in-Time PDs using IIP data. These shocked PDs were used to compute lifetime ECL for stage 2 accounts.

A.3 Credit risk exposure and impairment loss allowance

	As at March 31, 2019		As at March 31, 2018		As at March 31, 2017	
	Exposure	Impairment allowance	Exposure	Impairment allowance	Exposure	Impairment allowance
Credit impaired loan assets (Default event triggered) (Stage III)	134,782.98	66,475.76	171,725.51	91,363.97	74,817.55	30,426.15
Loan assets having significant increase in credit risk (Stage II)	67,694.74	1,793.27	52,247.58	9,768.03	105,990.50	11,600.15
Other loan assets (Stage I)	1,134,951.69	4,755.07	1,062,854.56	5,078.65	885,545.10	5,138.26
Total	1,337,429.41	73,024.10	1,286,827.65	106,210.65	1,066,353.15	47,164.56

A.3.1 Collateral and other credit enhancements

Loans are secured by :

- i. Hypothecation of assets and/or
- ii. Mortgage of property and /or
- iii. Trust and retention account and /or
- iv. Bank guarantee, Company guarantee or personal guarantee and / or
- v. Assignment of receivables or rights and / or
- vi. Pledge of shares and / or
- vii. Undertaking to create a security

A.4 Loss allowance

The loss allowance recognized in the period is impacted by a variety of factors, as described below:

- Transfers between Stage 1 and Stages 2 or 3 due to financial instruments experiencing significant increases (or decreases) of credit risk or becoming credit-impaired in the period, and the consequent "step up" (or "step down") between 12-month and Lifetime ECL.
- Additional allowances for new financial instruments recognised during the period, as well as releases for financial instruments de-recognised in the period
- Impact on the measurement of ECL due to changes in PDs, EADs and LGDs in the period, arising from regular refreshing of inputs to models
- Financial assets derecognised during the period and write-offs of allowances related to assets that were written off during the period

The following tables explain the changes in the loss allowance between the beginning and the end of the annual period due to these factors:

Loss allowance	Stage 1	Stage 2	Stage 3	Total
	12 months ECL	Lifetime ECL	Lifetime ECL	
Loans and advances to customers at amortised Cost				
Balance as at April 1, 2017	5,138.26	11,600.15	30,426.15	47,164.56
Transfer to 12 months ECL	-	-	-	-
Transfer to life time ECL not credit impaired	(525.60)	525.60	-	-
Transfer to Lifetime ECL credit impaired	(769.40)	(51,044.98)	51,814.38	-
Movement of loss allowance during the year	1,235.39	48,687.26	10,754.44	60,677.09
Write offs	-	-	(1,631.00)	(1,631.00)
Balance as at March 31, 2018	5,078.65	9,768.03	91,363.97	106,210.65
Loans and advances to customers at amortised Cost				
Balance as at April 1, 2018	5,078.65	9,768.03	91,363.97	106,210.65
Transfer to 12 months ECL	-	-	-	-
Transfer to life time ECL not credit impaired	(116.07)	116.07	-	-
Transfer to Lifetime ECL credit impaired	-	(9,083.71)	9,083.71	-
Net remeasurement of loss allowance	(207.51)	992.88	4,605.99	5,391.36
Write offs	-	-	(38,577.91)	(38,577.91)
Balance as at March 31, 2019	4,755.07	1,793.27	66,475.76	73,024.10

The following table further explains changes in the gross carrying amount of the Loan portfolio to help explain their significance to the changes in the loss allowance for the same portfolio as discussed above:

Gross Exposure	Stage 1	Stage 2	Stage 3	Total
	12 months ECL	Lifetime ECL	Lifetime ECL	
Loans and advances to customers at amortised Cost				
Balance as at April 1, 2017	885,545.10	105,990.50	74,817.55	1,066,353.15
Transfer to/from 12 months ECL	-	-	-	-
Transfer to/from life time ECL not credit impaired	(26,502.87)	26,502.87	-	-
Transfer to/from Lifetime ECL credit impaired	(15,388.00)	(80,342.51)	95,730.51	-
New Financial assets originated or purchased	502,801.00	3,684.00	3,833.00	510,318.00
Financial Assets that have been derecognised	(283,600.67)	(3,587.28)	(1,159.27)	(288,347.22)
Write offs	-	-	(1,496.28)	(1,496.28)
Balance as at March 31, 2018	1,062,854.56	52,247.58	171,725.51	1,286,827.65
Loans and advances to customers at amortised Cost				
Balance as at 1 April, 2018	1,062,854.56	52,247.58	171,725.51	1,286,827.65
Transfer to/from 12 months ECL	-	-	-	-
Transfer to/from life time ECL not credit impaired	(37,622.31)	37,622.31	-	-
Transfer to/from Lifetime ECL credit impaired	-	(23,747.00)	23,747.00	-
New Financial assets originated or purchased	403,143.00	5,210.00	166.00	408,519.00
Financial Assets that have been derecognised	(293,423.56)	(3,638.15)	(22,277.62)	(319,339.33)
Write offs	-	-	(38,577.91)	(38,577.91)
Balance as at March 31, 2019	1,134,951.69	67,694.74	134,782.98	1,337,429.41

A.5 Concentration of credit risk

The Company monitors concentration of credit risk by type of industry in which the borrower operates, further bifurcated into type of borrower, whether state or private.

Industry	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Gross carrying amount of loans			
Concentration by industry			
Thermal	187,493.47	222,574.81	243,729.05
Renewable energy	780,200.58	747,624.40	559,262.14
Hydro	23,215.81	29,569.71	29,049.85
Others	346,519.55	287,058.73	234,312.11
	1,337,429.41	1,286,827.65	1,066,353.15

A.6 Write off policy

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

ii) Expected credit losses for financial assets other than loans and derivative financial instruments

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for expectation of any credit losses:

- For cash and cash equivalents and other bank balances - Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.

- For loans comprising security deposits paid - Credit risk is considered low because the Company is in possession of the underlying asset.

- For other financial assets - Credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though the reconciliation of expected credit loss for all sub categories of financial assets (other than loans) are disclosed below:

As at March 31, 2019	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	3,223.49	0%	-	3,223.49
Other bank balance	668.24	0%	-	668.24
Investments	-	0%	-	-
Trade receivables	938.82	8%	77.68	861.14
Other financial assets	52.47	0%	-	52.47

As at March 31, 2018	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	5,329.99	0%	-	5,329.99
Other bank balance	492.70	0%	-	492.70
Investments	-	0%	-	-
Trade receivables	565.71	0%	-	565.71
Other financial assets	174.80	0%	-	174.80

As at April 1, 2017	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	2,963.85	0%	-	2,963.85
Other bank balance	587.94	0%	-	587.94
Investments	-	0%	-	-
Trade receivables	567.22	0%	-	567.22
Other financial assets	70.15	0%	-	70.15

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due.

Management of the Company monitors forecast of liquidity position and cash and cash equivalents on the basis of expected cash flows. The Asset Liability Management Policy aims to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.

The tables below analyse the financial assets and liabilities of the Company into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant

Maturities of financial assets

March 31, 2019	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Trade receivables	861.14	-	-	-	861.14
Fixed Deposit with banks	674.49	-	-	-	674.49
Derivative assets	-	1,997.22	-	-	1,997.22
Loans	227,112.00	358,370.00	348,822.00	1,239,300.69	2,173,604.69
Other financial assets	-	-	52.47	-	52.47
Total	228,647.63	360,367.22	348,874.47	1,239,300.69	2,177,190.01

March 31, 2018	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Trade receivables	565.71	-	-	-	565.71
Fixed Deposit with banks	698.31	-	-	-	698.31
Derivative assets	-	2,500.68	-	-	2,500.68
Loans	203,097.64	377,472.00	416,610.00	1,354,469.00	2,351,648.64
Other financial assets	125.12	-	49.68	-	174.80
Total	204,486.78	379,972.68	416,659.68	1,354,469.00	2,355,588.14

April 1, 2017	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total

Derivative liabilities	-	-	906.54	-	906.54
Trade payables	420.26	-	-	-	420.26
Other financial liabilities	10,626.01	2,541.93	-	-	13,167.94
Total	407,687.64	223,046.21	173,603.18	227,429.87	1,031,766.90

C) Market Risk

a) Foreign currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions. The policy on foreign exchange risk management covers the management of foreign exchange risk related to existing and future foreign currency loans or any other foreign exchange risks derived from borrowing and lending. The objective of the policy is to serve as a guideline for transactions to be undertaken for hedging of foreign exchange related risks. It also provides guiding parameters within which the Asset Liability Management Committee can take decisions for managing the above mentioned risks. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of the Company. The Company as per its overall strategy uses derivative contracts to mitigate its risks associated with fluctuations in foreign currency and interest rates on borrowings. The Company does not use derivative contracts for speculative purposes.

Foreign currency risk exposure:

The exposure to foreign currency risk at the end of the reporting period, translated to INR at closing rate, is as follows

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Financial liabilities (USD)			
Foreign currency loan	37,146.67	42,462.23	48,870.87
Net exposure to foreign currency risk (liabilities)	37,146.67	42,462.23	48,870.87

Sensitivity

The sensitivity to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
USD sensitivity*			
INR/USD- increase by 680 bp (March 31, 2018: 424 bp; April 1, 2017: 400 bp)	1,729.95	1,190.94	1,430.27
INR/USD- decrease by 680 bp (March 31, 2018: 424 bp; April 1, 2017: 400 bp)	(1,729.95)	(1,190.94)	(1,430.27)

* Holding all other variables constant

b) Interest rate risk

i) Liabilities

The policy of the Company is to minimise interest rate cash flow risk exposures on long-term loans and borrowings. As at March 31, 2019, the Company is exposed to changes in market interest rates through loans and bank borrowings at variable interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Variable rate borrowing	930,689.23	776,309.09	547,523.47
Fixed rate borrowing	161,144.00	246,577.04	263,000.98
Total borrowings	1,091,833.23	1,022,886.13	810,524.45

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates.

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Interest sensitivity*			
Interest rates – increase by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	(9,306.89)	(7,889.01)	(5,615.47)
Interest rates – decrease by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	9,306.89	7,889.01	5,615.47

* Holding all other variables constant

ii) **Assets**

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

Below is the overall exposure of the loans:

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
Variable rate loans	1,214,716.04	1,155,103.27	916,167.19
Fixed rate loans	122,713.37	131,724.38	150,185.96
Total loans	1,337,429.41	1,286,827.65	1,066,353.15

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates.

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
Interest sensitivity*			
Interest rates – increase by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	12,147.16	10,807.29	8,539.52
Interest rates – decrease by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	(12,147.16)	(10,807.29)	(8,539.52)

* Holding all other variables constant

c) **Price risk**

Exposure

The Company's exposure to price risk arises from investments held and classified in the balance sheet at fair value through profit and loss. To manage the price risk arising from investments in equity securities, the Company diversifies its portfolio of assets.

Price sensitivity analysis

The sensitivity analysis below have been determined based on the exposure to equity price risk at the end of the reporting period.

If equity price have been 10% higher/ lower:

- Other comprehensive income for the year ended March 31, 2019 would increase / decrease by ₹Nil (for the year ended March 31, 2018: by ₹335.86 lakhs) as a result of the changes in fair value of equity investments measured at FVTOCI.

46 Earnings per share

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
a) Basic earnings per share (in ₹)	2.87	(1.56)
b) Diluted earnings per share (in ₹)	2.87	(1.56)

c) Reconciliations of earnings used in calculating earnings per share

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Basic earnings per share		
Profits attributable to the equity holders of the company used in calculating basic earnings per share	18,414.26	(10,023.45)
Diluted earnings per share		
Profit attributable to the equity holders of the company:		
Used in calculating basic earnings per share	18,414.26	(10,023.45)
Add interest saving on convertible bonds	-	-
Profit attributable to the equity holders of the company used in calculating diluted earnings per share	18,414.26	(10,023.45)

d) Weighted average number of shares used as the denominator

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
	Number of shares	Number of shares
Weighted average number of equity shares used as the denominator in calculating basic earnings per share	642,283,335	642,283,335
Adjustments for calculation of diluted earnings per share:		
Weighted average number of equity shares and potential equity shares used as the denominator in calculating diluted earnings per share	642,283,335	642,283,335

47 Disclosure in respect of Leases

The Company has entered into operating lease arrangement for office premise. The lease is non-cancellable and is for a period of 5 years. The committed lease rentals in the future are:

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
Future minimum lease payments			
Not later than one year	536.55	450.68	-
Later than one year and not later than five years	1,615.01	1,879.91	-
Lease payments recognised in the Statement of Profit and Loss during the year	495.43	476.83	349.05

48 Expenditure on Corporate Social Responsibility

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
(a) Gross amount required to be spent (including unspent amount of Rs. 2,247.11 lakhs till March 31, 2018)	3,198.11	2,328.26	1,448.80
(b) Amount spent:			
(i) Construction/acquisition of any asset	-	-	-
(ii) On purpose other than (i) above	916.41	81.15	-

49 The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

50 There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- 51 There were no disputed dues in respect of Excise Duty, Sales Tax, Service Tax, Customs Duty, Goods & Services Tax and Value Added Tax which have not been deposited. Details of dues of Income Tax which have not been deposited as on March 31, 2019 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where dispute is pending	Period to which the amount relates	Amount involved*	Amount unpaid
Income-tax Act 1961	Income Tax	Income Tax Appellate Authority	2011-2014	2,087.76	168.86
		Upto Commissioner (Appeals)	2013-2014, 2015-2017	954.96	754.07

* Amount as per demand orders including interest and penalty wherever indicated in the order.

52 First time adoption of Ind AS

These financial statements, for the year ended 31 March 2019, are the first financial statements the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2018, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or previous GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2019, together with the comparative period data as at and for the year ended 31 March 2018, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2017, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2017 and the financial statements as at and for the year ended 31 March 2018.

A. Optional exemptions available

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions:

(i) Deemed cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets.

Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

(ii) Long-term foreign currency monetary items

Under previous GAAP, paragraph 46/46A of AS 11 "The Effects of Changes in Foreign Exchange Rates", provided an alternative accounting treatment to companies with respect to exchange differences arising on restatement of long term foreign currency monetary items. Exchange difference on account of long term foreign currency liabilities could be accumulated in a foreign currency monetary item translation difference account, and amortised over the balance period of such long term liability. Ind AS 101 includes an optional exemption that allows a first-time adopter to continue the above accounting treatment in respect of the long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period. The exemption under Ind AS 101 will not be available for long-term foreign currency monetary items recognised after transition date. Accordingly, the Company has elected to carry forward its policy to capitalise exchange differences on foreign currency monetary items that existed on transition date.

(iii) Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVOCI on the basis of the facts and circumstances at the date of transition to Ind AS.

The Company has elected to apply this exemption for its investment in equity investments.

B. Mandatory exceptions

(i) Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at transition date are consistent with the estimates as at the same date made in conformity with previous GAAP.

(ii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

C. Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

52.1 Reconciliation of total equity as at March 31, 2018 and April 1, 2017

	Note	March 31, 2018	April 1, 2017
Total equity (shareholder's funds) as per Previous GAAP		233,954.88	241,927.93
Adjustments:			
Incremental provision on application of expected credit loss model	(h)	(54,991.84)	(18,179.00)
Increase in borrowing cost pursuant to application of effective interest rate method	(e)	588.07	835.84
Amortisation of processing fees on loans based on effective interest rate	(b)	(6,437.55)	(5,574.89)
Incremental impact of fair valuation of derivatives	(d)	(393.97)	(546.54)
Others		(0.28)	(0.50)
Tax effect on adjustments	(i)	21,215.76	8,164.57
Total adjustments		(40,019.81)	(15,300.52)
Total equity as per Ind AS		193,935.07	226,627.41

52.2 Reconciliation of total comprehensive income for the year ended March 31, 2018

	Note	March 31, 2018
Profit after tax as per Previous GAAP		2,470.46
Adjustments:		
Incremental provision on application of expected credit loss model	(h)	(36,812.84)
(Increase)/ Decrease in borrowing cost pursuant to application of effective interest rate method	(e)	(247.77)
Amortisation of processing fees on loans based on effective interest rate	(b)	(862.66)
Incremental impact of fair valuation of derivatives	(d)	309.02
Investments measured at fair value through other comprehensive income	(a)	12,052.93
Remeasurements of post-employment benefit obligations	(g)	24.46
Others		0.22
Tax effect of above adjustments	(i)	13,042.73
Total adjustments		(12,493.91)
Profit after tax as per Ind AS		(10,023.45)
Other comprehensive income	(a), (g)	(12,068.93)
Total comprehensive income as per Ind AS		(22,092.38)

52.3 Reconciliation of cash flow statement for the year ended March 31, 2018

There were no significant reconciliation items between cash flows prepared under Indian GAAP and those prepared under Ind AS.

52.4 Effect of IND AS adoption on the balance sheet as at March 31, 2018 and April 1, 2017

Particulars	Notes	Previous GAAP as at March 31, 2018*	Adjustments	Ind AS as at March 31, 2018	Previous GAAP as at April 1, 2017*	Adjustments	Ind AS as at April 1, 2017

* The previous GAAP figures have been reclassified to confirm to Ind AS presentation requirements for the purpose of this note.

52.6 Notes to the reconciliations

- Under Indian GAAP, the Company accounted for long term investments in unquoted equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, the Company has designated such investments as FVOCI investments. Ind AS requires FVOCI investments to be measured at fair value. At the date of transition to Ind AS, difference between the instruments fair value and Indian GAAP carrying amount has been recognised as a separate component of equity, in the FVOCI reserve, net of related deferred taxes.
- Under Indian GAAP, transaction costs charged to customers was recognised upfront while under Ind AS, such costs are included in the initial recognition amount of financial asset and recognised as interest income using the effective interest method. Consequently loan to customers on date of transition date have decreased, professing fees for the year ended March 31, 2019 has decreased and interest income for the year ended March 31, 2018 has increased.
- Recognition of financial instruments comprising of security deposits at their fair value as opposed to transaction values as considered under IGAAP.
- Under Ind AS, the Company has opted exemption for continuing the policy adopted under the previous GAAP for accounting for exchange differences arising from translation of long-term foreign currency monetary items. Although, this exemption shall not be applied on foreign currency derivatives.
- Under Indian GAAP, transaction costs incurred on borrowings was charged to statement of profit and loss upfront while under Ind AS, such costs are included in the initial recognition amount of financial liabilities and recognised as interest expense using the effective interest method. Consequently borrowings on date of transition date have decreased and interest expense for the year ended 31 March 18 has increased.

- (f) Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting.
- (g) Under Ind AS, premeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.
- (h) Under Indian GAAP, the Company has created provision for impairment of loans to customer consists only in respect of specific amount for incurred losses and in accordance with regulations of the Reserve Bank of India (RBI). Under Ind AS, impairment allowance has been determined based on Expected Credit Loss model (ECL). Impairment allowance for loan assets has been considered higher of provision in accordance with RBI regulations and expected credit loss model. Also, under Indian GAAP provision for NPA and standard asset were presented under provisions. However, under Ind AS financial assets measured at amortised cost (majorly loans) are presented net of provision for expected credit losses. Consequently, the Company has reclassified the Indian GAAP provisions for standard assets / NPA's.
- (i) The various transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity.

53. Schedule to the Balance Sheet of a non-deposit taking non-banking financial Company

(as required in terms of paragraph 18 of Non-banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016)

Particulars		
Liabilities side:		
(1) Loans and advances availed by the non-banking financial company inclusive of interest accrued thereon but not paid:	Amount out-standing *	Amount overdue
(a) Debentures : Secured	53,437.75	-
: Unsecured (other than falling within the meaning of public deposits)	-	-
(b) Deferred Credits	-	-
(c) Term Loans	812,967.99	-
(d) Inter-corporate loans and borrowing	-	-
(e) Commercial Paper	-	-
(f) Public Deposits	-	-
(g) Other Loans (short term bank loan)	225,877.44	-
(2) Breakup of (1)(f) above (Outstanding Public Deposit inclusive of interest accrued thereon but not paid:		
(a) In the form of unsecured debentures		
(b) In the form of partly secured debentures i.e. debentures where there is a shortfall in the value of security		
(c) Other Public Deposits		

* The amount does not include interest accrued but not due

Assets side:	Amount out- standing
(3) Break-up of Loans and Advances including bills receivables [Other than those included in (4) below]:	
(a) Secured (net of provision of Rs. 39,654.74 lacs)	1,291,962.16
(b) Unsecured (net of provision of Rs. 77.68 lacs)	2,534.38
(4) Break up of Leased Assets and stock on hire and other assets counting towards AFC activities	
(i) Lease assets including lease rentals under sundry debtors:	
(a) Financial lease	-
(b) Operating lease	-
(ii) Stock on hire including hire charges under sundry debtors:	
(a) Assets on hire	-
(b) Repossessed Assets	-
(iii) Other loans counting towards AFC activities	
(a) Loans where assets have been repossessed	-
(b) Loans other than (a) above	-
(5) Break-up of Investments:	
Current Investments:	
1. Quoted:	
(i) Shares: (a) Equity	-
(b) Preference	-
(ii) Debentures and Bonds	-
(iii) Units of mutual funds	-
(iv) Government Securities	-
(v) Others (please specify)	-
2. Unquoted:	
(i) Shares: (a) Equity	-
(b) Preference	-
(ii) Debentures and Bonds	-
(iii) Units of mutual funds	-
(iv) Government Securities	-
(v) Others (please specify)	-
Assets side:	Amount out- standing
Long Term investments:	
1. Quoted:	
(i) Shares: (a) Equity	-
(b) Preference	-
(ii) Debentures and Bonds	-
(iii) Units of mutual funds	-
(iv) Government Securities	-
(v) Others (please specify)	-

INDEPENDENT AUDITOR'S REPORT To The Members of PTC India Financial Services Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **PTC India Financial Services Limited** (hereinafter referred to as "the Company") and its associates, which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2019, and their consolidated profit, consolidated total comprehensive income, their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	<p>Impairment of loans to customers</p> <p>Allowance for impairment losses on loans to customers involves significant judgement by management to determine the timing and amount of the asset to be impaired.</p> <p>Refer Notes 1B (k), 2 (i) and 7 to the consolidated financial statements.</p>	<p>Principal Audit Procedures</p> <p>We assessed the appropriateness of the Company's impairment review and provisioning policy by comparing with the RBI prudential norms and applicable accounting standards ;</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing:</p> <ul style="list-style-type: none"> • We evaluated and tested the design and operating effectiveness of the relevant controls over the impairment assessments and impairment allowance computations for loans and advances to customers. • We tested the management assumptions, estimates and judgements, which could give rise to material misstatement: <ul style="list-style-type: none"> a. The completeness and timing of recognition of loss events; b. The measurement of provisions for individual instances of loans which is dependent on the valuation of security provided and the collaterals against each loan, the timing of cash flows and realisations; c. We discussed with management and scrutinised the appropriateness of those key assumptions applied in management's impairment assessment, and compared them with available external evidence where necessary. d. The measurement of modelled provisions, which is dependent upon key assumptions relating to probability of default, loss given default and expected future recoveries; e. Performed procedures to obtain comfort on the accuracy of the impairment calculation process through recalculation of the provision charge based on inputs; f. Assessed accuracy and completeness of disclosures made as required by relevant accounting standards.

Sr. No.	Key Audit Matter	Auditor's Response
2.	<p>Expected Credit Losses (ECL) model</p> <p>As described in the notes to the consolidated financial statements, the impairment losses have been determined in accordance with Ind AS 109 Financial Instruments requiring considerable judgment and interpretation in its implementation, which also involved significant judgement by management in measuring the expected credit losses. Key areas of judgment included:</p> <ol style="list-style-type: none"> Determining the criteria for a significant increase in credit risk ('SICR') Techniques used to determine the Probability of Default (TD') and Loss Given Default ('LGD') Assumptions used in the expected credit loss model such as the financial condition of the counterparty, expected future cash flows etc. <p>Refer Notes 1B (k), 2 (ii), 7 and 45A.2 to the consolidated financial statements.</p>	<p>Principal Audit Procedures</p> <p>We assessed the appropriateness of the Company's policy on Expected Credit Loss recognition on financial instruments with reference to the applicable accounting standards and prudential norms laid down by RBI.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing:</p> <ul style="list-style-type: none"> We evaluated and tested the design and tested the operating effectiveness of Company's controls over the data used to determine the impairment reserve, internal credit quality assessments, external credit ratings and methodology followed for computation of ECL. For Expected Credit Losses computed by the management, we performed the following procedures: <ol style="list-style-type: none"> Assessed the reasonableness of assumptions and judgement made by management on model adoption and parameters selection; Examined the key data inputs (valuation of collateral, the timing of cash flows and realisations) to the ECL model on a sample basis to assess their accuracy and completeness; Evaluated and tested on sample basis the appropriateness of staging including determination of significant increase in credit risk. Assessed the Company's methodology for ECL provisioning, Classification and Measurement with the assistance of our internal experts; Assessed accuracy and completeness of disclosures made as required by relevant accounting standards.
3.	<p>Revenue Recognition</p> <p>Revenue recognition- Interest income on stressed loans involves significant management estimates and assumptions in determining both timing and expected realisation from them.</p> <p>Refer Notes 1B (a), 2 (iv) and 23 to the consolidated financial statements.</p>	<p>Principal Audit Procedures</p> <p>Assessed the appropriateness of the Company's revenue recognition policy by comparing with applicable accounting standards and prudential norms laid down by RBI.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing:</p> <ul style="list-style-type: none"> Evaluated and tested the design of internal controls relating to revenue recognition on stressed loans and advances. Tested the operating effectiveness of the Company's controls through combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operations of these controls. Evaluated and tested the management estimates and assumption used while accruing the income on stressed loans and advances. Performed recalculation of interest accrual and tested input data, such as principal amounts, contractual interest rates etc. through substantive testing and tracing to source documents. We also took cognizance of the events arose subsequent to the end of the financial year from them. Ensured compliance with RBI regulation on revenue recognition for each case.
4.	<p>Evaluation of uncertain tax positions for Income taxes</p> <p>The Company has material uncertain tax positions relating to matters under litigation for Income taxes. These matters involve significant management judgement to determine the possible outcome of disputes.</p> <p>Refer Notes 1B (p), 2 (iii) and 34 to the consolidated financial statements.</p>	<p>Principal Audit Procedures</p> <p>We obtained details of completed income tax assessments during the year ended March 31, 2019 from the management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions relating to Income taxes.</p> <p>Additionally we considered the effect of new information in respect of uncertain tax positions to evaluate whether any change was required to management's position on these uncertainties.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Directors report, Report on Corporate Governance and Management discussion and analysis report of the Company, but does not include the consolidated financial statements and our auditor's report thereon. The Directors report, Report on Corporate Governance and Management discussion and analysis report of the Company is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

When we read the Directors report, Report on Corporate Governance and Management discussion and analysis report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including consolidated total comprehensive income, consolidated cash flows and consolidated changes in equity of the Company and its associates in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the Company and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associates for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Company and its associates are responsible for assessing their ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company and its associates or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its associates are also responsible for overseeing the financial reporting process of the Company and its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect

a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its associate Companies which are Companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associates to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The comparative financial information of the Company and its associates for the year ended March 31, 2018, included in these consolidated financial statements, have been prepared after adjusting the previously issued consolidated financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 to comply with Ind AS. Adjustments made to the previously issued consolidated financial statements to comply with Ind AS have been audited by us.

Attention is invited to Note 52 of the consolidated financial statements, which sets out the position regarding two Associates of the Company for which neither audited nor management accounts for the financial year ended March 31, 2019 were available with the Company for the consolidation purposes. However, since the Company has fully provided for diminution in investment held in these two associates and the Company does not have any further obligation over and above the cost of the investments, in view of the management there is no impact thereof on these consolidated financial statements.

Our opinion on the consolidated financial statements is not modified in respect of the matters stated above.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit of the Company (in the absence of availability of audit reports of the 2 associates referred to in 'Other Matters' paragraph above) we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.

- e) On the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors of the Company, none of the directors of the Company is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Company- Refer to Note 34 of the consolidated financial statements.
 - ii) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts- Refer to Note 49 of the consolidated financial statements.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company- Refer to Note 50 of the consolidated financial statements.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of PTC INDIA FINANCIAL SERVICES LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the consolidated financial statements of the Company and its associates as of and for the year ended on that date. Since the auditors’ reports of associates are not available, we are unable to comment on the adequacy and operating effectiveness of Internal Financial Controls over Financial Reporting under section 143(3)(i) of the Act in respect of these associates.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

PTC India Financial Services Limited

Notes to the consolidated financial statements for the year ended March 31, 2019

1. General information

PTC India Financial Services Limited ("PFS") ("the Company") is a registered Non-banking finance company (NBFC) with Reserve Bank of India (RBI) and has been awarded the Infrastructure Finance Company (IFC) status by RBI. PFS is set up with an objective to provide total financing solutions to the energy value chain which includes investing in equity or extending debt to Road infrastructure projects, power projects in generation, transmission, distribution, fuel resources and fuel related infrastructure.

The Company's registered office and principal place of business is situated at 7th Floor, Telephone Exchange Building, 8 Bhikaji Cama Place, New Delhi - 110066. The shares of the Company are listed on the National Stock Exchange of India Limited and the Bombay Stock Exchange.

The financial statements for the year ended March 31, 2019 are approved by the Board of Directors on May 04, 2019.

1A. Basis of preparation and presentation

i. Statement of compliance

These financial statements ("the Financial Statements") are prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in this financial statements.

ii. Accounting convention

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

iii. Going concern

The board of directors have considered the financial position of the Company as at March 31, 2019 and the projected cash flows and financial performance of the Company for at least twelve months from the date of approval of these financial statements as well as planned cost and cash improvement actions, and believe that the plan for sustained profitability remains on course.

The board of directors have taken actions to ensure that appropriate long-term cash resources are in place at the date of signing the accounts to fund the Company's operations.

iv. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the note 2 of the financial statements.

1B. Significant Accounting Policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

a) Revenue recognition

Interest and processing fee income on loans

Interest and processing fee income is recorded on accrual basis using the effective interest rate (EIR) method in accordance with Ind AS 109. Additional interest/overdue interest/penal charges, if any, are recognised only when it is reasonable certain that the ultimate collection will be made.

Commission income

Income from business correspondent services is recognised as and when the services are rendered as per agreed terms and conditions of the contract.

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date.

Sale of power

Revenue from power supply is accounted on accrual basis.

Miscellaneous income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/collection.

b) Leasing

The Company as a lessee

At the inception of each lease, the lease arrangement is classified as either a finance lease or an operating lease, based on the substance of the lease arrangement.

Finance leases

Assets leased by the Company in its capacity as lessee where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. A finance lease is recognized as an asset and a liability at the commencement of the lease, at the lower of the fair value of the asset and the present value of the minimum lease payments.

Minimum lease payments made under finance leases are apportioned between finance charges and reduction of the lease liability. The Finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases

Leases in which the lessor does not transfer substantially all the risks and rewards of ownership of an asset to the lessee are classified as operating leases. Lease rental are charged to statement of profit and loss.

c) Foreign currencies

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements have been prepared and presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

Transition to Ind AS

The Company has elected to exercise the option for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period as per the previous GAAP.

d) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

e) Employee benefits

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Other long-term employee benefit obligations

Liabilities for leave encashment and compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

Post-employment benefit plans are classified into defined contribution plans and defined benefits plans as under:

Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Company has an obligation towards gratuity and post medical retirement benefit, a defined benefit retirement plan covering eligible employees. Where in the employee will receive on retirement is defined by reference to employee's length of service and last drawn salary. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets, if any. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to Statement of Profit and Loss in the year in which such gains or losses are determined.

f) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively

g) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on the written-down method over the useful life of the assets as prescribed under Part 'C' of Schedule II of the Companies Act, 2013.

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed. Asset costing less than Rs. 5,000 each are fully depreciated in the year of capitalisation.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

h) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation method, useful lives and residual value)

Intangible assets are amortised over a period of 3 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

i) Impairment of tangible and intangible assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

j) Non-derivative financial assets

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test : the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

Subsequent measurement

- i. **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

- ii. **Investments in equity instruments** – Investments in equity instruments are measured at fair value through other comprehensive income (FVOCI). Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.
- iii. **Investments security receipts** – Investments in security receipts are measured at fair value through profit and loss (FVTPL).
- iv. **Equity investment in associates**– Investments representing equity interest in associates are carried at cost less any provision for impairment. Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable
- v. **Trade receivables**– Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment.
- vi. **Cash and cash equivalents**– In the cash flow statement, cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions, short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

All other financial assets are measured at fair value through profit or loss.

k) Impairment of financial assets

Loan assets

The Company follows a ‘three-stage’ model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
- Stage 2 includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per “Definition of default and credit-impaired” above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) – LGD represents the Company’s expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) – EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

The Company considers various factors while considering the recoverability of credit impaired advances. These include nature and value of assets, different resolution channels, interest of potential buyers etc. Considering the typical nature of advances given by the Company, there is significant uncertainty and variability in timing of resolution of these advances. In reference to RBI’s prudential norms, the Company does not recognize interest income on these advances on a conservative basis, and the provisioning is considered using current estimate of realization which are based on valuation of security/ collateral as at current date.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without

undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

l) Non-derivative financial liabilities and equity instruments

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities

Subsequent measurement

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' Line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

m) Derivative financial instruments

The Company enters into foreign exchange forward contracts and certain other derivative financial instruments to manage its exposure to foreign exchange risks. Further details of derivative financial instruments are disclosed in note 5.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument which is recognised in other comprehensive income (net of tax) and presented as a separate component of equity which is later reclassified to profit or loss when the hedge item affects profit or loss.

n) Hedge Accounting

Initial and subsequent measurement

The Company uses derivative financial instruments to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss. For the purpose of hedge accounting, hedges are classified as cash flow hedges where Company hedges its exposure to variability in cash flows that is attributable to foreign currency risk and interest rate risk associated with recognised liabilities in the financial statements.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in cash flows and are assessed on an ongoing basis to determine that they continue to be highly effective throughout the financial reporting periods for which they are designated.

Accounting for cash flow hedges

The effective portion of the gain or loss on the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in the statement of profit and loss.

The Company uses swaps as to hedge its exposure to foreign currency risk and interest rate risk in respect of certain financial liabilities. The ineffective portion relating to such hedging instruments is recognised in other income or expenses. Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognised. If the hedging instrument expires or is sold, terminated or exercised, or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the expected future cash flows occur.

o) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

p) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

q) Earnings per share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year/period.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

r) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly reviewed by the CODM ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

2. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

- i. **Evaluation of indicators for impairment of loans** – The evaluation of applicability of indicators of impairment of assets requires management assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.
- ii. **Expected credit loss model ('ECL')** – The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:
 - Determining criteria for significant increase in credit risk;
 - Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and
 - Establishing groups of similar financial assets for the purposes of measuring ECL.
- iii. **Contingent liabilities** – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.
- iv. **Revenue recognition**– Interest income on stressed loans involves management estimates and assumptions in determining both timing and expected realisation from them.
- v. **Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.
- vi. **Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

- vii. **Business model assessment** - The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

2A. **Standards issued but not yet effective**

Ind AS 116 'Leases'

On March 30, 2019, Ministry of Corporate Affairs ('MCA') has clarified that Ind AS 116 is effective for annual periods beginning on or after April 1, 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees - leases of 'low-value' assets and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 12, Income taxes

On March 30, 2019, Ministry of Corporate Affairs ("MCA") has notified Appendix C to Ind-AS 12 Income taxes - "Uncertainty over Income Tax Treatments". The amendment to Ind AS 12 requires the entities to consider recognition and measurement requirements when there is uncertainty over income tax treatments. In such a circumstance, an entity shall recognise and measure its current or deferred tax asset or liability accordingly. The effective date of amendment is April 1, 2019. Further, there has been amendments in relevant paragraphs in Ind-AS 12 "Income Taxes" which clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events in accordance with Ind-AS 109. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

Amendment to Ind AS 19, Employee benefits

On March 30, 2019, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 19 which requires the entities to determine current service cost using actuarial assumptions and net interest using discount rate determined at the start of the annual reporting period. However, if an entity re-measures the net defined benefit liability (asset) as per the requirement of the standard, it shall determine current service cost and net interest for the remainder of the annual reporting period after the plan amendment, curtailment or settlement using the actuarial assumptions used to re-measure the net defined benefit liability (asset). The effective date of amendment is April 1, 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

Amendment to Ind AS 109, Financial instruments

On March 30, 2019, Ministry of Corporate Affairs ("MCA") issued an amendment to Ind-AS 109 in respect of prepayment features with negative compensation, which amends the existing requirements in Ind-AS 109 regarding termination rights in order to allow measurement at amortized cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. This amendment is effective for annual periods beginning on or after April 1, 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

Amendment to Ind AS 23, Borrowing costs

On March 30, 2019, Ministry of Corporate Affairs ("MCA") issued an amendment to Ind-AS 23 "Borrowing Costs" clarifies that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. This amendment is effective for annual periods beginning on or after April 1, 2019. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

PTC India Financial Services Limited
Notes to the consolidated financial statements for the year ended March 31, 2019

(All amounts in Lakha of ₹ unless otherwise stated)

3 Cash and cash equivalents	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Cash on hand	0.03	-	0.06

	668.24	492.70	587.94

5 Derivative financial instruments									
The Company enters into derivatives for risk management purposes. The Company has various derivative (i.e. cross currency interest rate swaps, call spread and cap spread options) contract which are entered into as an economic hedge of the for foreign currency and interest rate risks of the Company. The Company has designated cross currency swap contracts under cash flow hedge relationship.									
The table below shows the fair values of derivative financial instruments recorded as assets or liabilities together with their notional amounts. The notional amounts indicate the value of transactions outstanding at the year end and are not indicative of either the market risk or credit risk.									
	As at March 31, 2019			As at March 31, 2018			As at April 1, 2017		
	Notional amounts	Fair Value - Assets	Fair Value - Liabilities	Notional amounts	Fair Value - Assets	Fair Value - Liabilities	Notional amounts	Fair Value - Assets	Fair Value - Liabilities
Currency derivatives

5.1 Hedging activities and derivatives

The Company is exposed to foreign currency risks relating to its ongoing business operations. The primary risks managed using derivative instruments are foreign currency risk and interest rate risk. Currency and interest rate swap contract meets the hedge accounting criteria as per Ind AS 109 and has been accounted as cash flow hedge. The Company has designated this contract in cash flow hedge relationship from January 1, 2019.

(a) Disclosure of effects of hedge accounting on financial performance

For the year ended March 31, 2019

Type of hedge and risks	Change in the value of hedging instrument gain/ (loss)	Hedge ineffectiveness recognised in statement of profit or loss	Amount reclassified from cash flow hedging reserve to profit or loss	Line item affected in statement of profit and loss because of reclassification and hedge ineffectiveness
Cash flow hedge				
Foreign currency and interest rate risk				
(i) Currency and interest rate swap	(401.50)	77.89	(163.60)	Gain/ (loss) on fair value changes and loss/ amortisation of foreign currency transaction/ translation

Hedge effectiveness is determined at the inception of the hedge relationship, and through periodic prospective effectiveness assessment to ensure that an economic relationship exists between the hedged item and hedging instrument.

For derivative contracts, hedge effectiveness is measured using hypothetical derivative method. Ineffectiveness is measured by comparing the change in the fair value of the actual derivative i.e. currency and interest rate swap contracts designated as the hedging instrument and the change in the fair value of a hypothetical derivative representing the hedged item i.e. foreign currency loan. Hypothetical derivative matches the critical terms i.e. maturity date, currency and amount of foreign currency loan.

(b) Movements in cash flow hedging reserve

Particulars	Amount
As at March 31, 2018	-
Add: Changes in fair value of derivative contracts- gain/ (loss)	(401.50)
Less: Amount reclassified to profit or loss	(163.60)
Less: Deferred tax relating to above (net)	(83.13)
As at March 31, 2019	(154.77)

5.2 Derivatives not designated as hedging instruments

The Company uses currency and interest rate swaps and Call and Cap spread options to manage its interest rate risk and currency risk arising from USD denominated borrowings. The currency and interest rate call and cap spread options are not designated in a hedging relationship.

6 Trade receivables	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Trade receivables			
Unsecured, considered good	447.81	565.71	567.22
Which have significant increase in credit risk	491.01	-	-

33 Income tax expense

Income tax expense recognised in Statement of profit and loss

Particulars	Year ended March 31, 2019	Year ended March 31, 2019
Current tax		
In respect of the current year	-	13,068.38
	-	13,068.38
Deferred tax charge/ (benefits)		
In respect of the current year	9,685.70	(18,087.62)
	9,685.70	(18,087.62)

The major components of tax expense and the reconciliation of the expected tax expense based on the domestic effective tax rate and the reported tax expense in statement of profit and loss, is as follows:-

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Profit before tax	28,099.96	(15,042.69)
Domestic tax rate	34.944%	34.608%
Expected tax expense [A]	9,819.25	(5,205.97)
Adjustment for tax-exempt income/ non-deductible expenses	121.35	(849.17)
Reversal of deferred tax asset on diminution in value of investment	-	895.56
Reversal during tax holiday period	(12.99)	171.77
Adjustment for change in tax rate during the year	(179.81)	-
Others	(62.10)	(31.43)
Total adjustments [B]	(133.55)	186.73
Actual tax expense [C=A+B]	9,685.70	(5,019.24)
Tax expense comprises:		
Current tax expense	-	13,068.38
Deferred tax credit	9,685.70	(18,087.62)
Tax expense recognized in profit or loss [D]	9,685.70	(5,019.24)

Income tax expense recognized in other comprehensive income

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Income tax relating to cash flow hedge reserve	83.13	-
Income tax relating to remeasurement gains/(losses) on defined benefit plans	1.39	8.46
	84.52	8.46
Bifurcation of the income tax recognised in other comprehensive income into:-		
Items that will not be reclassified to profit or loss	1.39	8.46
Items that will be reclassified to profit or loss	83.13	-
	84.52	8.46

34 Contingent liabilities and commitments

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
a) In respect of following:			
- Income tax matters	3,042.72	3,356.39	3,193.62
b) Commitments			
- Loan financing	91,557.44	149,592.00	173,236.00
- Capital commitments	5,150.00	5,150.00	5,150.00
c) Guarantees furnished to bank	-	2,500.00	2,500.00

The above matters are subject to legal proceedings in the ordinary course of business. The legal proceeding when ultimately concluded will not, in the opinion of the management, have a material effect on financial position of the Company. Amount above does not include the contingencies the likelihood of which is remote.

35 Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006*

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Principal amount remaining unpaid to any supplier as at the end of the accounting year/period.	13.75	13.82	21.70
Interest due thereon remaining unpaid to any supplier as at the end of the accounting year/period.	-	-	-
The amount of interest paid along with the amounts of the payment made to the supplier beyond the appointed day.	-	-	-
The amount of interest due and payable for the year/period.	-	-	-
The amount of interest accrued and remaining unpaid at the end of the accounting year/period.	-	-	-
The amount of further interest due and payable even in the succeeding year, until such date when the interest dues as above are actually paid.	-	-	-

* No interest is payable on outstanding amount.

36 Change in liabilities arising from financing activities

	Debt securities	Borrowings (Other than debt securities)	Total
As at April 1, 2017	141,268.18	669,256.28	810,524.46
Cash flows:			
Proceeds from debt securities/borrowings	-	268,199.76	268,199.76
Repayment of debt securities/borrowings	(43,543.04)	(11,694.13)	(55,237.17)
Non-cash:			
Foreign currency fluctuation impact	-	(999.86)	(999.86)
Impact of borrowings measured at amortised cost	323.79	75.15	398.94
As at March 31, 2018	98,048.93	924,837.20	1,022,886.13
Cash flows:			
Proceeds from debt securities/borrowings	-	407,434.65	407,434.65
Repayment of debt securities/borrowings	(45,456.36)	(293,963.81)	(339,420.17)
Non-cash:			
Foreign currency fluctuation impact	-	743.86	743.86
Impact of borrowings measured at amortised cost	636.87	(448.11)	188.76
As at March 31, 2019	53,229.44	1,038,603.79	1,091,833.23

37 Disclosures under Ind AS 19 (Employee benefits)

The details of various employee benefits provided to employees are as under:

Defined contribution plans

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Provident fund	55.41	54.60

Defined benefit plans:

The Company has following defined benefit plans for its employees

- Gratuity: The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The liability of Gratuity is recognized on the basis of actuarial valuation.
- Post-Retirement Medical Benefit: The Company operates post-employment medical benefits scheme. The liability is recognised on the basis of actuarial valuation.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk

Investment Risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest Risk	A decrease in the bond interest rate will increase the plan liability.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability. The estimates of future salary increases, considered in the actuarial valuation, take into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at March 31, 2019 by Mr. K.K. Dharni (FIAI M.No. 00051), Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost, were measured using the projected unit credit method.

Principal assumptions:	Gratuity/Post Medical retirement benefit		
	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Discount rate	7.65%	7.71%	7.54%
Future salary increase	9.00%	8.25%	6.50%
Retirement age	60/62	60/62	60/62
Withdrawal rate	1.3%	1.3%	1.3%
In service mortality	IALM (2006-08)	IALM (2006-08)	IALM (2006-08)

Amounts recognised in statement of profit and loss in respect of these defined benefit plans are as follows :-

Particulars	Gratuity		Post Medical retirement benefit	
	Year ended March 31, 2019	Year ended March 31, 2018	Year ended March 31, 2019	Year ended March 31, 2018
Service cost				
Current service cost	23.93	20.48	3.69	3.33
Past service cost and (gain)/Loss from settlements	-	2.90	-	-
Net interest expense	10.04	6.93	1.86	1.29
Component of defined benefit cost recognised in profit or loss	33.97	30.31	5.55	4.62
Remeasurement on the net defined benefit liability:				
Actuarial (gains)/ losses arising from changes in demographic assumptions	-	-	-	-
Actuarial (gains)/ losses arising from changes in financial assumptions	14.29	22.02	2.80	4.69
Actuarial (gains)/ losses arising from experience adjustments	(10.56)	0.05	(2.56)	(2.30)
Component of defined benefit cost recognised in Other comprehensive Income	3.73	22.07	0.24	2.39

The Current Service Cost and the net interest expense for the year are included in the Employee benefits expenses line items in the statement of profit and loss. The remeasurement of the net defined benefit liability is included in other comprehensive income.

Movements in the present value of the defined benefit obligation are as follows :-

Particulars	Gratuity		Post Medical retirement benefit	
	Year ended March 31, 2019	Year ended March 31, 2018	Year ended March 31, 2019	Year ended March 31, 2018
Present value of obligation as at the beginning	130.22	91.86	24.12	17.11
Current service cost	23.93	20.48	3.69	3.33
Interest cost	10.04	6.93	1.86	1.29
Past service cost including curtailment gains/ losses	-	2.90	-	-
Benefits paid	(27.31)	(14.02)	-	-
Net actuarial (gain) / loss recognised	3.73	22.07	0.24	2.39
Present value of obligation as at the end	140.61	130.22	29.91	24.12

The reconciliation of the Company's defined benefit obligations (DBO) and plan assets in respect of defined benefit plans to the amounts presented in the statement of balance sheet is presented below:

	Gratuity		
	As at March 31, 2019	As at March 31, 2018	As at April 1,2017
Present Value of funded defined benefit obligation	140.61	130.22	91.86
Fair value of plan assets	-	-	-
Net liability arising from defined benefit obligation	140.61	130.22	91.86

	Post Medical retirement benefit		
	As at March 31, 2019	As at March 31, 2018	As at April 1,2017
Present Value of funded defined benefit obligation	29.91	24.12	17.11
Fair value of plan assets	-	-	-
Net liability arising from defined benefit obligation	29.91	24.12	17.11

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase, mortality, etc. The sensitivity analysis below have been determined based on reasonable possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

- If the discount rate is 0.5 basis points higher (lower), the defined benefit obligation would decrease by Rs. 15.84 lakhs (increase by Rs. 16.89 lakhs) [March 31, 2018: 12.82 lakhs (increase by Rs. 13.87 lakhs)].

- If the expected salary growth increases (decreases) by 0.5 basis points, the defined benefit obligation would increase by Rs. 9.96 lakhs (decrease by Rs. 9.14 lakhs) [March 31, 2018: increase by Rs. 8.40 lakhs (decrease by Rs. 7.70 lakhs)].

Sensitivities due to change in mortality rate and change in withdrawal rate are not material and hence impact of such change is not calculated.

Sensitivity Analysis

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of reporting period, which is same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Shri Santosh B. Nayar	Independent Director
Shri Harun Rasid Khan	Independent Director (Ceased to be Independent Director w.e.f. from January 30, 2019)
Mr. Sanjay Rustagi	Chief Financial Officer (w.e.f. October 3, 2018)
Mr. Vishal Goyal	Company Secretary

Transactions with the key management personnel during the year:			
Particulars	Nature of transaction	Year ended March 31, 2019	Year ended March 31, 2018
Dr. Ashok Haldia	Remuneration		
	Short-term benefits	55.83	93.56
	Post-employment benefits*	15.77	4.38
	Other long-term benefits*	27.31	1.44
		98.91	99.38
Dr. Pawan Singh	Remuneration		
	Short-term benefits	87.68	75.83
	Post-employment benefits	3.87	1.95
	Other long-term benefits	5.92	2.84
		97.47	80.62
Shri Naveen Kumar	Remuneration		
	Short-term benefits	68.01	30.64
	Post-employment benefits	1.25	0.59
	Other long-term benefits	2.16	1.01
		71.42	32.23
Non-Executive Independent Director	Sitting fees	76.00	78.00
	Reimbursement of expenses	1.04	1.32
		77.04	79.32

* Includes payment on retirement in the current year.

Transactions with the related parties

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
With Holding company		
Expenses reimbursed	60.91	46.19
Expenses paid	29.36	0.47
Director sitting fees	16.80	30.00
Dividend paid	834.90	6,261.75
With fellow subsidiary company		
Interest income	647.31	716.62
Expenses paid	6.29	-
Expenses reimbursed	33.58	-
Loan repayment	-	523.04
With Trust to Holding Company		
Amount paid for CSR spend	689.60	71.54

Loans to fellow subsidiary company

PTC Energy Limited

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Beginning of the year	6,668.69	7,192.13
Loan repayments received	(523.03)	(523.04)
Interest charged	647.31	716.62
Interest received	(647.31)	(717.02)
End of the year	6,145.66	6,668.69

Balance outstanding at the year end

Name of related party	Nature	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
PTC India Limited	Payables	-	-	-

PTC Energy Limited	Receivables- loan given	6,145.66	6,668.69	7,192.13

41 Details of assets pledged/ hypothecated as security:

The carrying amounts of assets pledged/ hypothecated as security for current and non-current borrowings are:

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Non-current assets			
Property, plant and equipment	7.57	7.96	8.37
Loans	1,337,464.89	1,286,840.48	1,066,369.53
Trade receivables	861.14	565.71	567.22

42 Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the Reserve Bank of India (RBI). The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period.

42.1 Capital management

The capital management objectives of the Company are:

- to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios
- to ensure the ability to continue as a going concern
- to provide an adequate return to shareholders

Management assesses the capital requirements of the Company in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return on capital to shareholders, issue new shares, or sell assets to reduce debt. The Company has a target gearing ratio of 3.00 to 4.50 determined as a proportion of net debt to total equity.

42.2 Regulatory capital

As contained in RBI Master Directions - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (hereinafter referred to as "RBI Master Directions"), the Company is required to maintain a capital ratio consisting of Tier I and Tier II capital not less than 15% of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items. Out of this, Tier I capital shall not be less than 10%. The BoDs regularly monitors the maintenance of prescribed levels of Capital Risk Adjusted Ratio (CRAR). Further, the Company also ensures compliance of guidelines on "Capital Restructuring of Central Public Sector Enterprises" issued by Department of Investment and Public Asset Management (DIPAM), Ministry of Finance, Department of Public Enterprises in respect of issue of bonus shares, dividend distribution, buy back of equity shares etc.

Capital Adequacy Ratio (CAR) and other key financial parameters of the Company are as under:

Capital Adequacy ratio - Tier I	18.69%
Capital Adequacy ratio - Tier II	3.23%
	21.92%

43. Categories of financial instruments

43.1 The Carrying value of financial assets and liabilities are as follows :-

As at March 31, 2019				
	Fair value through P&L	Fair value through OCI	Amortised cost	Total
Financial Assets				
Investments	9,586.99	-	-	9,586.99
Loans	-	-	1,264,445.23	1,264,445.23
Derivative assets	1,997.22	-	-	1,997.22
Trade Receivables	-	-	861.14	861.14
Cash and cash equivalents	-	-	3,223.49	3,223.49
Bank balances other than above	-	-	668.24	668.24
Other financial assets	-	-	52.47	52.47
Total financial assets	11,584.21	-	1,269,250.57	1,280,834.78
Debt Securities	-	-	53,229.44	53,229.44
Borrowings (Other than debt securities)	-	-	1,038,603.79	1,038,603.79
Derivative liabilities	23.00	-	-	23.00
Trade payables	-	-	322.54	322.54
Other financial liabilities	-	-	19,943.24	19,943.24
Total financial liabilities	23.00	-	1,112,099.01	1,112,122.01

As at March 31, 2018				
	Fair value through P&L	Fair value through OCI	Amortised cost	Total

Derivative assets	2,711.18	-	-	2,711.18
Trade Receivables	-	-	567.22	567.22
Cash and bank balances	-	-	2,963.85	2,963.85
Bank balances other than above	-	-	587.94	587.94
Other financial assets	-	-	70.15	70.15
Total financial assets	2,711.18	11,428.36	1,023,395.29	1,037,534.83
Debt Securities	-	-	141,268.18	141,268.18
Borrowings (Other than debt securities)	-	-	669,256.28	669,256.28
Derivative liabilities	906.54	-	-	906.54
Trade payables	-	-	420.26	420.26
Other financial liabilities	-	-	13,167.94	13,167.94
Total financial liabilities	906.54	-	824,112.66	825,019.20

44. Fair value measurement of financial assets and liabilities

Financial assets and financial liabilities measured at fair value in the Statement of Balance Sheet are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3: unobservable inputs for the asset or liability.

The following table shows the levels within the hierarchy of financial assets measured at fair value on a recurring basis at March 31, 2019:

	Level 1	Level 2	Level 3	Total
Financial Assets carried at FVOCI	-	-	-	-
Security receipts	-	-	9,586.99	9,586.99
Derivative instruments (net)	-	1,974.22	-	1,974.22

As at March 31, 2018

	Level 1	Level 2	Level 3	Total
Financial Assets carried at FVOCI	-	-	3,358.55	3,358.55
Security receipts	-	-	2,942.70	2,942.70
Derivative instruments (net)	-	1,742.46	-	1,742.46

As at March 31, 2017

	Level 1	Level 2	Level 3	Total
Financial Assets carried at FVOCI	-	-	11,428.36	11,428.36
Derivative instruments (net)	-	1,804.64	-	1,804.64

Fair value measurements using significant unobservable inputs (level 3)

The following table presents the changes in level 3 items for the periods ended March 31, 2019, March 31, 2018 and April 1, 2017:

	Security receipts	Unlisted equity securities	Total
As at April 1, 2017	-	11,428.36	11,428.36
Acquisitions	2,942.70	3,983.12	6,925.82
Gains/(losses) recognized in profit or loss	-	-	-
Gains/(losses) recognized in other comprehensive income	-	(12,052.93)	(12,052.93)
Disposal/acquisition	-	-	-
As at March 31, 2018	2,942.70	3,358.55	6,301.25
Acquisitions	7,259.68	-	7,259.68
Gains/(losses) recognized in profit or loss	(589.52)	-	(589.52)
Gains/(losses) recognized in other comprehensive income	-	(3,203.87)	(3,203.87)
Disposal/acquisition	(25.87)	(154.68)	(180.55)
As at March 31, 2019	9,586.99	-	9,586.99

There are no financial liabilities measured at fair value on recurring basis. There were no transfers between the 3 levels in the reporting periods.

Fair value of the Company's financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

Except as detailed out in the following table, the management considers that the carrying amounts of financial assets and financial liabilities recognised in the consolidated financial statements approximate their fair values.

Particulars	As at March 31, 2019		As at March 31, 2018		As at April 1, 2017	
	Carrying amount	Fair value	Carrying amount	Fair value	Carrying amount	Fair value
Financial Liabilities						
Infrastructure Bonds	14,085.66	14087.75	14,960.52	15,381.30	16,914.18	21,023.09
Debentures	39,143.78	39268.41	43,560.92	43,446.11	44,977.69	42,372.35

	Fair value hierarchy As at March 31, 2019			
	Level 1	Level 2	Level 3	Total
Financial Liabilities at amortised cost				
Infrastructure Bonds	-	-	14,087.75	14,087.75
Debentures	-	-	39,268.41	39,268.41

	Fair value hierarchy As at March 31, 2018			
	Level 1	Level 2	Level 3	Total
Financial Liabilities at amortised cost				
Infrastructure Bonds	-	-	15,381.30	15,381.30
Debentures	-	-	43,446.11	43,446.11

	Fair value hierarchy As at March 31, 2017			
	Level 1	Level 2	Level 3	Total
Financial Liabilities at amortised cost				
Infrastructure Bonds	-	-	21,023.09	21,023.09
Debentures	-	-	42,372.35	42,372.35

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:-

-Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments, as described below:

- Discounted cash flow method is used to fair value investments in unquoted equity instruments
- Certain investments are valued with reference to sale price observable in the market.
- The Company's foreign currency and interest rate derivative contracts are not traded in active markets. Fair valuation of such instruments are provided by the dealer who are recognised banks and use widely acceptable techniques. The effects of non-observable inputs are not significant for foreign currency forward contracts.

The Company performs valuations in consultation with third party valuation specialists for complex valuations. Valuation techniques are selected based on the characteristics of each instrument, with the overall objective of maximising the use of market-based information.

-Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, current borrowings, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to the short-term maturities of these instruments.

-Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. as such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

45 Financial risk management

i) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Loan receivables, Cash and bank balances, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Expected loss analysis	Credit risk analysis, diversification of customers/asset base, credit limits and collateral.
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting	Derivative contracts/hedging
Market risk - interest rate	Non-current borrowings at variable rates	Sensitivity analysis	Interest rate swaps
Market risk - security price	Investments in equity securities	Sensitivity analysis	Portfolio diversification, exposure limits

The Board has the overall responsibility of risk management - there are two committees of the Board which take care of managing overall risk in the organization. In accordance with the RBI guidelines to enable NBFCs to adopt best practices and greater transparency in their operations, the Board of Directors of the Company has constituted a Risk Management Committee to review risk management in relation to various risks, namely, market risk, credit risk, and operational risk, and an Asset Liability Management Committee (ALCO).

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company has established various internal risk management process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. Counterparty limits are established by the use of a credit risk classification system, which assigns each counterparty a risk rating. Risk ratings are subject to regular revision. The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective actions.

Credit risk arises from loans financing, cash and cash equivalents, trade receivables, investments carried at amortised cost and deposits with banks and financial institutions, as shown below:

Particulars	Balance as at March 31, 2019	Balance as at March 31, 2018	Balance as at April 1, 2017
Loans	1,264,445.23	1,180,634.10	1,019,206.13
Trade receivables	861.14	565.71	567.22
Cash and cash equivalents	3,223.49	5,329.99	2,963.85
Other bank balances	668.24	492.70	587.94
Other financials asset	52.47	174.80	70.15

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system and external ratings.

From credit risk perspective, the Company's lending portfolio can be segregated into following broad categories:

- (i) Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

The company provides for expected credit loss based on the following:

Nature	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances, loans and other financial assets	12 month expected credit loss
Moderate credit risk	Loans	Life time expected credit loss or 12 month expected credit loss
High credit risk	Loans	Life time expected credit loss or fully provided for

Financial assets that expose the entity to credit risk*

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Low credit risk			
Trade receivables	861.14	565.71	567.22
Cash and cash equivalents	3,223.49	5,329.99	2,963.85
Bank balances other than above	668.24	492.70	587.94
Loans	1,134,991.61	1,062,871.66	885,562.64
Other financial assets	52.47	174.80	70.15
Moderate credit risk			
Loans	67,694.74	52,247.58	105,990.50
High credit risk			
Loans	134,782.98	171,725.51	74,817.55

* These represent gross carrying values of financial assets, without deduction for expected credit losses

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Trade receivables measured at amortized cost and credit risk related to these are managed by monitoring the recoverability of such amounts continuously.

Loans

Credit risk related to borrower's are mitigated by considering collateral's from borrower's. The Company closely monitors the credit-worthiness of the borrower's through internal systems and project appraisal process to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become one year past due.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts.

b) ii) Expected credit loss for loans

A.1 Credit risk measurement

The Company measures credit risk of its exposure using:

- (a) Internal Rating: Internal ratings are based on board approved policy that guides credit analysis to place borrowers in watch list based on specific risk factors such as project progress schedule, promoter's contribution, PPA status etc.
- (b) External rating: PFS also captures external rating of their borrowers done by RBI approved rating agencies like ICRA, Care etc.

These two together helps the Company in better monitoring of its borrowers. The staging criteria for ECL computation is also driven by these two criteria. Staging of an account gets impacted by taking into consideration both internal rating and external rating.

A.2 Expected credit loss measurement

A.2.1 Significant increase in credit risk and credit impaired financial assets

The Company considers a financial instrument to have experienced a significant increase based on the staging criteria, which is aligned with EWS framework.

As per EWS framework, loan accounts with rating OR1-OR6 may be classified as stage 1 and assets with rating OR7-OR10 may be classified as stage 2 accounts. However, if the loan account was rated OR7-OR10 during the sanction process then the loan account may be classified as stage 1 account as the risk prescription/credit quality has not changed since initial risk assessment.

A.2.2 Definition of default

The Company defines a financial instrument as in default, any borrower whose contractual payments are due for more than 90 days is termed as default, which is in line with RBI guidelines

A.2.3 Explanation of inputs, assumptions and estimation techniques

Probability of default (PD) computation model

Probability of Default is the likelihood that the borrower will not be able to meet its obligations as and when it falls due.

Transition Matrix Approach was used for estimation of PD. ICRA's one-year transition matrix was used as the base probability of default matrix.

Stage 1: 12-month PDs were taken directly from one-year transition matrix and so, PIT conversion was not done, as it is already giving PIT PDs.

Stage 2: PD for second year onwards was estimated using Matrix Multiplication Approach. As a matter of following a best practice, it was decided to keep the PDs constant after 5th year.

Stage 3: As the accounts classified into stage 3 are non-performing assets so probability of default was assumed to be 100%.

Loss given default (LGD) computation model

Loss Given Default is the percentage of total exposure which the borrower would not be able to recover in case of default.

Workout LGD approach has been used for LGD estimation.

$LGD = (\text{Economic loss} + \text{Cost of Recovery}) / EAD$

Basis of calculating loss rates

First step involved in ECL computation is staging of the assets into three categories. Staging of the financial assets depend on the deterioration of the credit quality of the assets over its lifetime. Performing assets fall under Stage I, Underperforming assets fall under Stage II and Impaired assets(non-performing) fall under Stage III.

The following points were considered for stage wise classification of credit exposures:

1. Stage III exposures were exposures where actual default events have occurred i.e. all credit exposures classified as Doubtful or Sub-Standard, or where significant deterioration in credit quality was envisaged.
2. Stage II exposure were exposures which were not considered impaired asset but were classified as 'Stressed Accounts' or were flagged as High-Risk Category.
3. All other accounts not meeting the first two criteria were classified as Stage 1 accounts.

Quantitative and qualitative factors considered along with quantification i.r.t loss rates

Impact of specific risk factors was taken into account while staging of accounts and computation of PD. External credit rating was also used for staging criteria. The industry of the borrower was also considered for classification of the borrower. If a borrower belonged to an industry under stress, then the borrower was classified as stage 2 or 3 account.

For computation of loss given default, haircuts on collateral, based on subjective parameters were used.

- Sector/Sub-sector
- Source of Power Generation
- PPA Status
- COD Status

A.2.4 Forward looking information incorporated in ECL models

The PDs derived from the transition matrix were adjusted using Index for Industrial Production (IIP) for electricity segment prepared by Government of India and published by Reserve Bank of India. A scenario analysis methodology was used to shock the Point-in-Time PDs using IIP data. These shocked PDs were used to compute lifetime ECL for stage 2 accounts.

A.3 Credit risk exposure and impairment loss allowance

	As at March 31, 2019		As at March 31, 2018		As at March 31, 2017	
	Exposure	Impairment allowance	Exposure	Impairment allowance	Exposure	Impairment allowance
Credit impaired loan assets (Default event triggered) (Stage III)	134,782.98	66,475.76	171,725.51	91,363.97	74,817.55	30,426.15
Loan assets having significant increase in credit risk (Stage II)	67,694.74	1,793.27	52,247.58	9,768.03	105,990.50	11,600.15
Other loan assets (Stage I)	1,134,951.69	4,755.07	1,062,854.56	5,078.65	885,545.10	5,138.26
Total	1,337,429.41	73,024.10	1,286,827.65	106,210.65	1,066,353.15	47,164.56

A.3.1 Collateral and other credit enhancements

Loans are secured by :

- i. Hypothecation of assets and/or
- ii. Mortgage of property and /or
- iii. Trust and retention account and /or
- iv. Bank guarantee, Company guarantee or personal guarantee and / or
- v. Assignment of receivables or rights and / or
- vi. Pledge of shares and / or
- vii. Undertaking to create a security

A.4 Loss allowance

The loss allowance recognized in the period is impacted by a variety of factors, as described below:

- Transfers between Stage 1 and Stages 2 or 3 due to financial instruments experiencing significant increases (or decreases) of credit risk or becoming credit-impaired in the period, and the consequent "step up" (or "step down") between 12-month and Lifetime ECL.
- Additional allowances for new financial instruments recognised during the period, as well as releases for financial instruments de-recognised in the period
- Impact on the measurement of ECL due to changes in PDs, EADs and LGDs in the period, arising from regular refreshing of inputs to models
- Financial assets derecognised during the period and write-offs of allowances related to assets that were written off during the period

The following tables explain the changes in the loss allowance between the beginning and the end of the annual period due to these factors:

Loss allowance	Stage 1	Stage 2	Stage 3	Total
	12 months ECL	Lifetime ECL	Lifetime ECL	
Loans and advances to customers at amortised Cost				
Balance as at April 1, 2017	5,138.26	11,600.15	30,426.15	47,164.56
Transfer to 12 months ECL	-	-	-	-
Transfer to life time ECL not credit impaired	(525.60)	525.60	-	-
Transfer to Lifetime ECL credit impaired	(769.40)	(51,044.98)	51,814.38	-

A.5 Concentration of credit risk

The Company monitors concentration of credit risk by type of industry in which the borrower operates, further bifurcated into type of borrower, whether state or private.

Industry	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Gross carrying amount of loans			
Concentration by industry			
Thermal	187,493.47	222,574.81	243,729.05
Renewable energy	780,200.58	747,624.40	559,262.14
Hydro	23,215.81	29,569.71	29,049.85
Others	346,519.55	287,058.73	234,312.11
	1,337,429.41	1,286,827.65	1,066,353.15

A.6 Write off policy

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

ii) Expected credit losses for financial assets other than loans and derivative financial instruments

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for expectation of any credit losses:

- For cash and cash equivalents and other bank balances - Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.

- For loans comprising security deposits paid - Credit risk is considered low because the Company is in possession of the underlying asset.

- For other financial assets - Credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though the reconciliation of expected credit loss for all sub categories of financial assets (other than loans) are disclosed below:

As at March 31, 2019	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	3,223.49	0%	-	3,223.49
Other bank balance	668.24	0%	-	668.24
Investments	-	0%	-	-
Trade receivables	938.82	8%	77.68	861.14
Other financial assets	52.47	0%	-	52.47
As at March 31, 2018	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	5,329.99	0%	-	5,329.99
Other bank balance	492.70	0%	-	492.70
Investments	-	0%	-	-
Trade receivables	565.71	0%	-	565.71
Other financial assets	174.80	0%	-	174.80
As at April 1, 2017	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	2,963.85	0%	-	2,963.85
Other bank balance	587.94	0%	-	587.94
Investments	-	0%	-	-
Trade receivables	567.22	0%	-	567.22
Other financial assets	70.15	0%	-	70.15

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due.

Management of the Company monitors forecast of liquidity position and cash and cash equivalents on the basis of expected cash flows. The Asset Liability Management Policy aims to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.

The tables below analyse the financial assets and liabilities of the Company into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant

Maturities of financial assets

March 31, 2019	Less than 1 year	1-3 year	3-5 year	More than 5 years	Total
Trade receivables	861.14	-	-	-	861.14

C) Market Risk

a) Foreign currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions. The policy on foreign exchange risk management covers the management of foreign exchange risk related to existing and future foreign currency loans or any other foreign exchange risks derived from borrowing and lending. The objective of the policy is to serve as a guideline for transactions to be undertaken for hedging of foreign exchange related risks. It also provides guiding parameters within which the Asset Liability Management Committee can take decisions for managing the above mentioned risks. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of the Company. The Company as per its overall strategy uses derivative contracts to mitigate its risks associated with fluctuations in foreign currency and interest rates on borrowings. The Company does not use derivative contracts for speculative purposes.

Foreign currency risk exposure:

The exposure to foreign currency risk at the end of the reporting period, translated to INR at closing rate, is as follows

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Financial liabilities (USD)			
Foreign currency loan	37,146.67	42,462.23	48,870.87
Net exposure to foreign currency risk (liabilities)	37,146.67	42,462.23	48,870.87

Sensitivity

The sensitivity to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
USD sensitivity*			
INR/USD- increase by 680 bp (March 31, 2018: 424 bp; April 1, 2017: 400 bp)	1,729.95	1,190.94	1,430.27
INR/USD- decrease by 680 bp (March 31, 2018: 424 bp; April 1, 2017: 400 bp)	(1,729.95)	(1,190.94)	(1,430.27)

* Holding all other variables constant

b) Interest rate risk

i) Liabilities

The policy of the Company is to minimise interest rate cash flow risk exposures on long-term loans and borrowings. As at March 31, 2019, the Company is exposed to changes in market interest rates through loans and bank borrowings at variable interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Variable rate borrowing	930,689.23	776,309.09	547,523.47
Fixed rate borrowing	161,144.00	246,577.04	263,000.98
Total borrowings	1,091,833.23	1,022,886.13	810,524.45

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates.

Particulars	As at March 31, 2019	As at March 31, 2018	As at April 1, 2017
Interest sensitivity*			
Interest rates – increase by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	(9,306.89)	(7,889.01)	(5,615.47)
Interest rates – decrease by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	9,306.89	7,889.01	5,615.47

* Holding all other variables constant

ii) **Assets**

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

Below is the overall exposure of the loans:

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
Variable rate loans	1,214,716.04	1,155,103.27	916,167.19
Fixed rate loans	122,713.37	131,724.38	150,185.96
Total loans	1,337,429.41	1,286,827.65	1,066,353.15

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates.

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
Interest sensitivity*			
Interest rates – increase by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	12,147.16	10,807.29	8,539.52
Interest rates – decrease by 100 basis points (March 31, 2018:100 bps; April 1, 2017:100 bps)	(12,147.16)	(10,807.29)	(8,539.52)

* Holding all other variables constant

c) **Price risk**

Exposure

The Company's exposure to price risk arises from investments held and classified in the balance sheet at fair value through profit and loss. To manage the price risk arising from investments in equity securities, the Company diversifies its portfolio of assets.

Price sensitivity analysis

The sensitivity analysis below have been determined based on the exposure to equity price risk at the end of the reporting period.

If equity price have been 10% higher/ lower:

- Other comprehensive income for the year ended March 31, 2019 would increase / decrease by ₹Nil (for the year ended March 31, 2018: by ₹335.86 lakhs) as a result of the changes in fair value of equity investments measured at FVTOCI.

46 Earnings per share

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
a) Basic earnings per share	2.87	(1.56)
b) Diluted earnings per share	2.87	(1.56)

c) Reconciliations of earnings used in calculating earnings per share

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Basic earnings per share		
Profits attributable to the equity holders of the company used in calculating basic earnings per share	18,414.26	(10,023.45)
Diluted earnings per share		
Profit attributable to the equity holders of the company:		
Used in calculating basic earnings per share	18,414.26	(10,023.45)
Add interest saving on convertible bonds	-	-
Profit attributable to the equity holders of the company used in calculating diluted earnings per share	18,414.26	(10,023.45)

d) Weighted average number of shares used as the denominator

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
	Number of shares	Number of shares
Weighted average number of equity shares used as the denominator in calculating basic earnings per share	642,283,335	642,283,335
Adjustments for calculation of diluted earnings per share:		
Weighted average number of equity shares and potential equity shares used as the denominator in calculating diluted earnings per share	642,283,335	642,283,335

47 Disclosure in respect of Leases

The Company has entered into operating lease arrangement for office premise. The lease is non-cancellable and is for a period of 5 years. The committed lease rentals in the future are:

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
Future minimum lease payments			
Not later than one year	536.55	450.68	-
Later than one year and not later than five years	1,615.01	1,879.91	-
Lease payments recognised in the Statement of Profit and Loss during the year	495.43	476.83	349.05

48 Expenditure on Corporate Social Responsibility

Particulars	As at 31 March, 2019	As at 31 March, 2018	As at 1 April, 2017
(a) Gross amount required to be spent (including unspent amount of Rs. 2,247.11 lakhs till March 31, 2018)	3,198.11	2,328.26	1,448.80
(b) Amount spent:			
(i) Construction/acquisition of any asset	-	-	-
(ii) On purpose other than (i) above	916.41	81.15	-

49 The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

50 There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- 51 (a) In the year 2014-15, based on an independent investigation into the affairs of R. S. India Wind Energy Private Limited (Associate), the Company had concluded that in earlier years, the Associate and its promoters had misrepresented various facts to it and induced it to make investments aggregating Rs. 6,112.14 lacs in the Associate. The Company had filed a criminal complaint against the Associate and its promoters and is taking suitable steps both under civil and criminal law to safeguard its investments and to recover the same. Pending outcome thereof, the Company has fully provided for the diminution in value of investment held in this Associate.
- (b) Further, the financial statements for the year ended March 31, 2019 of RS India Wind Energy India Private Limited (RSIWEPL) and Varam Bio Energy Pvt Ltd, associates of the Company are not available for consolidation purposes. However, in view of the management, since the Company has made full provision for diminution for its investments held in these 2 Associates and there is no further obligation over and above the cost of the investments, there will be no impact thereof on these financial statements in terms of the requirements of Ind AS-28 "Investments in Associates and Joint Ventures".

53 FIRST TIME ADOPTION OF IND AS

These financial statements, for the year ended 31 March 2019, are the first financial statements the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2018, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or previous GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2019, together with the comparative period data as at and for the year ended 31 March 2018, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2017, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2017 and the financial statements as at and for the year ended 31 March 2018.

A. Optional exemptions availed

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions:

(i) Deemed cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets.

Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

(ii) Long-term foreign currency monetary items

Under previous GAAP, paragraph 46/46A of AS 11 "The Effects of Changes in Foreign Exchange Rates", provided an alternative accounting treatment to companies with respect to exchange differences arising on restatement of long term foreign currency monetary items. Exchange difference on account of long term foreign currency liabilities could be accumulated in a foreign currency monetary item translation difference account, and amortised over the balance period of such long term liability. Ind AS 101 includes an optional exemption that allows a first-time adopter to continue the above accounting treatment in respect of the long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period. The exemption under Ind AS 101 will not be available for long-term foreign currency monetary items recognised after transition date.

Accordingly, the Company has elected to carry forward its policy to capitalise exchange differences on foreign currency monetary items that existed on transition date.

(iii) Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVOCI on the basis of the facts and circumstances at the date of transition to Ind AS.

The Company has elected to apply this exemption for its investment in equity investments.

B. Mandatory exceptions

(i) Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at transition date are consistent with the estimates as at the same date made in conformity with previous GAAP.

(ii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

C. Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

53.1 Reconciliation of total equity as at March 31, 2018 and April 1, 2017

	Note	March 31, 2018	April 1, 2017
Total equity (shareholder's funds) as per Previous GAAP		233,954.88	241,927.93
Adjustments:			
Incremental provision on application of expected credit loss model	(h)	(54,991.84)	(18,179.00)
Increase in borrowing cost pursuant to application of effective interest rate method	(e)	588.07	835.84
Amortisation of processing fees on loans based on effective interest rate	(b)	(6,437.55)	(5,574.89)
Incremental impact of fair valuation of derivatives	(d)	(393.97)	(546.54)
Others		(0.28)	(0.50)
Tax effect on adjustments	(i)	21,215.76	8,164.57
Total adjustments		(40,019.81)	(15,300.52)
Total equity as per Ind AS		193,935.07	226,627.41

53.2 Reconciliation of total comprehensive income for the year ended March 31, 2018

	Note	March 31, 2018
Profit after tax as per Previous GAAP		2,470.46
Adjustments:		
Incremental provision on application of expected credit loss model	(h)	(36,812.84)
(Increase)/ Decrease in borrowing cost pursuant to application of effective interest rate method	(e)	(247.77)
Amortisation of processing fees on loans based on effective interest rate	(b)	(862.66)
Incremental impact of fair valuation of derivatives	(d)	309.02
Investments measured at fair value through other comprehensive income	(a)	12,052.93
Remeasurements of post-employment benefit obligations	(g)	24.46
Others		0.22
Tax effect of above adjustments	(i)	13,042.73
Total adjustments		(12,493.91)
Profit after tax as per Ind AS		(10,023.45)
Other comprehensive income	(a), (g)	(12,068.93)
Total comprehensive income as per Ind AS		(22,092.38)

53.3 Reconciliation of cash flow statement for the year ended March 31, 2018

There were no significant reconciliation items between cash flows prepared under Indian GAAP and those prepared under Ind AS.

53.4 Effect of IND AS adoption on the balance sheet as at March 31, 2018 and April 1, 2017

Particulars	Notes	Previous GAAP as at March 31, 2018*	Adjustments	Ind AS as at March 31, 2018	Previous GAAP as at April 1, 2017*	Adjustments	Ind AS as at April 1, 2017

* The previous GAAP figures have been reclassified to confirm to Ind AS presentation requirements for the purpose of this note.

53.6 Notes to the reconciliations

- (a) Under Indian GAAP, the Company accounted for long term investments in unquoted equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, the Company has designated such investments as FVOCI investments. Ind AS requires FVOCI investments to be measured at fair value. At the date of transition to Ind AS, difference between the instruments fair value and Indian GAAP carrying amount has been recognised as a separate component of equity, in the FVOCI reserve, net of related deferred taxes.
- (b) Under Indian GAAP, transaction costs charged to customers was recognised upfront while under Ind AS, such costs are included in the initial recognition amount of financial asset and recognised as interest income using the effective interest method. Consequently loan to customers on date of transition date have decreased, professing fees for the year ended March 31, 2019 has decreased and interest income for the year ended March 31, 2018 has increased.
- (c) Recognition of financial instruments comprising of security deposits at their fair value as opposed to transaction values as considered under IGAAP.
- (d) Under Ind AS, the Company has opted exemption for continuing the policy adopted under the previous GAAP for accounting for exchange differences arising from translation of long-term foreign currency monetary items. Although, this exemption shall not be applied on foreign currency derivatives.
- (e) Under Indian GAAP, transaction costs incurred on borrowings was charged to statement of profit and loss upfront while under Ind AS, such costs are included in the initial recognition amount of financial liabilities and recognised as interest expense using the effective interest method. Consequently borrowings on date of transition date have decreased and interest expense for the year ended 31 March 18 has increased.
- (f) Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting.
- (g) Under Ind AS, premeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.
- (h) Under Indian GAAP, the Company has created provision for impairment of loans to customer consists only in respect of specific amount for incurred losses and in accordance with regulations of the Reserve Bank of India (RBI). Under Ind AS, impairment allowance has been determined based on Expected Credit Loss model (ECL). Impairment allowance for loan assets has been considered higher of provision in accordance with RBI regulations and expected credit loss model.

Also, under Indian GAAP provision for NPA and standard asset were presented under provisions. However, under Ind AS financial assets measured at amortised cost (majorly loans) are presented net of provision for expected credit losses. Consequently, the Company has reclassified the Indian GAAP provisions for standard assets / NPA's.

- (i) The various transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity.
