PRESS RELEASE

Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited) has received order worth INR 4 Millions

Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited), wish to inform all our stakeholders that the Company has received Export order worth INR 4 millions

Jamnagar, February 01, 2024, Sprayking Limited (referred to as “Sprayking”, “The Company”), brass manufacturer, is pleased to announce that Company has received Export Purchase order worth INR 4 million for supply of Plumbing Fittings on Pilot Project Basis.

This significant achievement not only underscores Sprayking Limited's commitment to excellence but also reflects the company's strategic focus on establishing a strong footprint in the overseas market. The success of the pilot project is a testament to the dedication and hard work of the entire team at Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited).

The Plumbing Fittings are the product Manufactured in range of Brass parts which are used in bathroom fittings, kitchen fittings, etc. The type of Plumbing Fittings includes Adapters, Nipple, Union, Coupling, Cross, Tees, Elbows, Bushings and Valves

The successful export deal is poised to instill confidence within the company's workforce, boosting morale and inspiring further efforts towards international expansion. Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited) remains committed to delivering top-notch quality products and services, and this milestone reinforces its position as a reliable and innovative player in the industry.

Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited) is poised to leverage this success as a springboard for future endeavors in the international market. The company remains focused on exploring new opportunities, building strong partnerships, and delivering outstanding value to its customers worldwide.

About Sprayking

Formerly known as Sprayking Agro Equipment Limited, the Company have now rebranded itself as Sprayking Limited. This change reflects our evolving business strategy and broader aspirations as we continue to expand our product offerings and explore new avenues in the market.

Established in 2005, Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited) is engaged in the manufacturing of brass components and parts, including fittings, forging equipment, transformer parts, and other customized brass components. Sprayking is a renowned manufacturer

SPRAYKING LIMITED

(Formerly known as Sprayking Agro Equipment Limited)

Manufacturer & Exporter of Brass Forged & Turn Components

specializing in copper forging products. With a commitment to quality craftsmanship and exceptional design, Sprayking aims to provide customers with a diverse range of functional and decorative copper products. Sprayking is in the business of manufacturing and trading of agricultural sprayer parts & garden fittings, extruded brass rods, brass fittings & lead free

Brass fittings and forging specialty. The Company has a truly global presence with an unparalleled clientele in USA, Europe, Australia, Canada, South Africa, UAE & India. The high quality Products, Technical knowledge & infrastructure enable Company to encompass global markets.

Sprayking, a leading forging company renowned for its commitment to innovation and excellence, has its state-of-the-art Research and Development (R&D) facility. This cutting-edge facility represents a belief of Company in advancing forging technologies and processes, further solidifying Sprayking's position as an industry leader in its region.

Recent remarkable Development in the Company:

The company bought a new manufacturing facility in Gujarat's Jamnagar. Like the company's current manufacturing facility, the unit will produce brass and forging components and parts. This 3,000 square meter modern manufacturing plant is spread out. The company's market position will be strengthened with the installation of this production plant.

In an effort to grow the company, Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited) recently purchased a 51% share in M/s. Narmada Brass Industries. Mr. Hitesh Dudhagra founded the partnership venture Narmada Brass Industries in 2019. Narmada Brass produces copper brass goods at its own production facility. The manufacturing facility can produce 2,000 tons of forged goods annually. With this acquisition, the business is expanding rapidly and meeting new orders from the domestic and international markets.

As previously stated, the company is expanding both organically and inorganically in order to fulfill its vision and goal. The money being raised will be put toward the company's expansion and the expansion of its investors.

The Company has changed its name from Sprayking Agro Equipment Limited to Sprayking Limited (Formerly known as Sprayking Agro Equipment Limited).

Management Comment:

Commenting on this development, Mr. Hitesh Dudhagara, Managing Director of Sprayking said:

"We are delighted to share a significant milestone achieved by Sprayking Limited, as the company proudly announces a substantial export success in the amount of INR 4 Million. This noteworthy accomplishment is a result of our pilot project in the domain of plumbing fittings.

This successful export not only reflects the exceptional quality of our products but also showcases the efficacy of our strategic initiatives in exploring and expanding into the overseas market. We believe that
