C. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on 26th September, 2022 at 10.00 a.m. and ends on 28th September, 2022 at 5 p.m. During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 22nd September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020 under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2022.

(A) INDUSTRY STRUCTURE AND DEVELOPMENTS

India produces 2065 million pairs of different categories of footwear. India exports about 115 million pairs. Thus, nearly 95% of its production goes to meet its own domestic demand.

The global footwear market is expected to grow at a compounded annual growth rate of 3.8% to reach USD 269.9 billion by 2025.

Footwear demand in India is expected to grow with favorable government initiatives and policy framework for the industry.

(B) OPPORTUNITIES, THREATS AND CONCERNS

The COVID-19 pandemic has caused heavy losses to almost all industries across the country. However, with the present behavior of the consumers it is presumed that footwear industry is anticipating a comeback of momentum in 2022 onwards.

(C) OUTLOOK

“Atma-Nirbhar Bharat Abhiyan” entails greater focus on local manufacturers and service providers, thereby giving impetus to economic growth.

The raw material prices still seem a matter of concern. However, with control of COVID Pandemic, the prices are expected to cool down in coming days. Once the economic stability returns, the footwear industry will be in much better place in future.

(D) RISKS AND CONCERNS AND CONTINGENT LIABILITIES

Your Company acknowledges the fact that competition from both domestic and international players is increasing every passing day. In addition to increasing competition, Covid has changed customer's needs, behaviour and buying habits and subsequent covid waves, even localized, may impact customer experience and business operations. Your Company acknowledges that continuous changes will have to be made in the product portfolio mix, so that the Company will not lose relevance to the millennials and the increasing youth population of India.

During the normal course of its business operations, your Company has been subjected to litigations in connection with or incidental thereto. These litigations include civil cases, excise and customs related cases, etc. filed by and against the Company. These cases are being pursued with due importance and in consultation with legal experts in respective areas. Your Board believes that the outcome of these cases is unlikely to cause a materially adverse effect on the Company's profitability or business performance. Your Company has a Contingent Liability of Rs.120.82 lakh as on March 31, 2022 as compared to Rs. 130.09 lakh as on March 31, 2021. In view of the present status and based on legal advice obtained from time to time, your Board is of the opinion that no provision is required to be made against these Contingent Liabilities.

(E) CORPORATE VALUES

Hardly a few companies can claim the position that our company has won for itself in the hearts of millions of consumers, with its corporate values of Excellence, Quality and Trust.

o Excellence

We believe in achieving excellence in all we do. Be it crafting world-class quality products, implementing best industry practices or delivering delightful service experience, the quest for excellence is integral to the Company.

- o **Quality**

Your Company has always been recognized for its high quality product offerings. The testimony to success is its loyal consumer base spanning domestic markets.

- o **Trust**

Having stayed relevant for over decades, the trust bestowed on company by our consumers has enabled us to become an iconic name. Being one of India's most trusted name, we believe that conducting business in a fair, transparent and ethical manner is pivotal in building strong relationships.

- o **Legacy**

Having enjoyed the patronage of millions of consumers, we have been consistently delivering world class quality products and services to its consumers since the past decades. A name that has earned the trust and respect of its consumers, employees, business partners and all relevant stakeholders throughout its journey is a manifestation of the organizational values of Excellence, Quality & Trust. Having created world-class pioneering innovations, Company have not just stayed relevant but has consistently commanded a leadership position. Over the decades, company have spread its wings from a single-product focus into a multiproduct business comprising Footwear, Accessories (Belt, Wallet & Bags), etc.

(F) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has engaged the services of an independent Chartered Accountant to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transactions are appropriately authorized, recorded and reported. Exercises for safe-guarding assets and protection against unauthorized use are undertaken from time to time. All these measures are continuously reviewed by the management and as and when necessary improvements are effected.

(G) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial performance during the year under reference is reasonable in terms of sales keeping in view Covid-19 situation.

(H) CORPORATE SOCIAL RESPONSIBILITY

The management of your company is of the opinion that the company's contribution to the society should be the top priority of the company. Hence, the company has contributed funds in accordance with Schedule VII of the Companies Act, 2013 and the Company's CSR policy. The details have been provided in the "Annual Report on CSR Activities" as attached to the Board's Report. Also, the Corporate Social Responsibility committee formed by the Board is continuously looking forward for projects in which your company can make a contribution.

(I) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

As on March 31, 2022, the company had 45 employees at its showroom, godown and administrative office.

The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them. The company takes initiative for training the employees at regular interval. The company enjoyed excellent relationship with workers and staff during the last year.

INDEPENDENT AUDITORS' REPORT

To The Members of Sreeleathers Limited

Report on the Audit of the Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Sreeleathers Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone IndAS financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including IndAS as amended specified under Section 133 of the Act, of the state of affairs of the Company as at 31 March 2022, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Completeness, existence and accuracy of Revenue Recognition	
Key Audit Matters	How the matter was addressed in our audit
<p>The Company's major part of revenue relates to retail and wholesale sales which comprises of high volumes of small transactions recorded in the books through journals.</p> <p>Revenue from the sale of goods is recognized when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when control over the same is transferred to the customer, which is mainly upon delivery.</p> <p>The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance.</p>	<p>In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <ol style="list-style-type: none"> Obtaining an understanding of and assessing the design, implementation and operating effectiveness of management's key internal controls relating to the recognition of revenue, including those related to the reconciliation of sales records to cash / credit card / online receipts, preparation, posting and approval of manual journal entries relating to revenue recognition. Testing the accuracy of retail revenue recorded during the year by examining that the sale of goods transactions are in agreement with the cash / credit card / online receipts and deposit of cash amounts recorded in daily cash reports with bank remittances, on sample basis. Testing whether the sales have been recorded in the correct period by selecting samples of reconciliation between sales transactions and cash / credit card / online and agreeing those reconciliations through supporting documentation.

Completeness, existence and accuracy of Revenue Recognition	
Key Audit Matters	How the matter was addressed in our audit
Since revenue comprises of high volumes of individually small transactions, the process of summarizing and recording sales revenue is critical with regard to the completeness, existence and accuracy of retail sales revenue.	<p>d) Obtaining reconciliation of retail sales as per books of account with the sales as per Indirect tax records and inquire about reasons for differences, if any.</p> <p>e) Performing an analysis of the manual journal entries passed during the year.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the, standalone financial statements and our auditor's report thereon.

Our opinion on financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IndAS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone IndAS financial statements that give a true and fair view of the state of affairs, profit /loss and other comprehensive income , changes in equity, and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone IndAS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IndAS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE I TO AUDITOR'S REPORT Companies (Audit Report) Order, 2020

Statement referred to our report of even date to the Members of Sreeleathers Limited on the Ind AS financial statements for the year ended 31st March, 2022, we report that:

According to information and explanations given to us by the Company and the books of account and records examined by us in the normal course of audit, to the best of our knowledge and belief, we report that:

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, right of use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment (including right of use asset) are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except goods-in-transit and stocks lying with third parties. There was no stock lying with third parties at the year end and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, clause 3(ii) (b) of the Order is not applicable to the Company.
- iii According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties covered. Accordingly, reporting under clause 3 (iii) (a) to (f) of the Order are not applicable to the Company.
- iv According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has complied with the provision of section 185 and 186 of the Companies Act, 2013 with respect to investment made.
- v In our opinion and according to information and explanation given to us, the company has not accepted deposits under the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013. Accordingly, clause 3(v) of the Order is not applicable.
- vi The Central Government has not prescribed for the maintenance of cost records under section 148 (1) of the Companies Act, 2013 for the company. Accordingly, clause 3(vi) of the Order is not applicable.

- vii (a) The company, as per information given, is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income tax, duty of Customs, GST, cess and any other statutory dues applicable to it with appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, GST, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and other material statutory dues, to the extent applicable, were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable

ANNEXURE II TO INDEPENDENT AUDITORS' REPORT

Statement referred to in paragraph 2(f) of the Independent Auditors' Report of even date to the members of **Sreeleathers Limited** on the standalone IndAS financial statements for the year ended March 31, 2022.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Sreeleathers Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the IndAS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the Internal Control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS**I. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES****a. Basis of preparation**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments and defined benefit plan, which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Classification of assets and liabilities as current and noncurrent

All Assets and Liabilities have been classified as Current or Non-Current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realisation in cash and cash equivalent, the Company has determined its operating cycle as twelve months for the purpose of Current and Non-Current classification of assets and liabilities.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rs. in lakhs as per requirement of schedule III, unless otherwise stated.

c. Fair Value Measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Financial Instruments by Category and hierarchy

The Company uses following hierarchy for determining and disclosing the fair value of financial instruments by Valuation technique:

Level 1: Quoted (Unadjusted) Prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have significant effect on the recorded fair value are observable either directly or indirectly.

Level 3: Techniques which use inputs have a significant effect on the recorded fair value that are not based on observable market data.

d. Revenue Recognition

Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Ind AS 115 five step model is used to determine whether revenue should be recognised at a point in time or over time, and at what amount is as below:

- Step 1: Identify the contract with the customer
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation.

Revenue is recognised upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Revenue from sales of goods is recognised on output basis measured by units delivered, number of transactions etc.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which coincides with the performance obligation under the contract with the customer.

Revenue from services is recognized in accordance with the terms of contract when the services are rendered and the related costs are incurred.

NOTES TO FINANCIAL STATEMENTS

NOTE I : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Contd.)

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenue from related party is recognised based on transaction price which is at arm's length.

Use of significant judgments in revenue recognition :-

The Company's contracts with customers could include promises to transfer multiple products and services to a customer. The Company assesses the products / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgments to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgment is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

Interest Income is recognised on time proportion basis taking into account the amount outstanding and the applicable interest rates and is disclosed in "other income".

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("contract liability") is recognised when there is billings in excess of revenues.

e. Exceptional Items:

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Company. These are material items of income or expense that have to be shown separately due to the significance of their nature or amount.

f. Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS 103, 'Business Combinations'.

Goodwill is considered to have indefinite useful life and hence is not subject to amortization but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

g. Property, plant and Equipment's

Capital Work in Progress, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such Cost includes the cost of replacing part of the plant and equipment and borrowing costs for long term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. No decommissioning liabilities are expected to be incurred on the assets of plant and equipment. Depreciation is calculated on a straight line basis over the estimated useful lives of the assets. Lease hold properties are amortised on straight line basis over the period of lease.

An item of Property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any Gain or Loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and carrying amount of the asset) is included in the income statement when the asset is derecognized.

NOTES TO FINANCIAL STATEMENTS

NOTE I : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Contd.)

Useful life considered for calculation of depreciation for various assets class are as follows:

Sr No.	Particulars	Useful Life (in years)
1	Building	60
2	Airconditioner/Refrigerator/Security system	15
3	Office equipment/mobile phone/water cooler	5
4	Furniture Fixture/Electrical Installation/Television	10
5	Motor Vehicle	8
6	computer	3
7	Elevator/camera/fire alarm system	15

h. Inventories

Inventories are valued as under:

- a. Raw Materials: At Cost or Net Realisable Value whichever is lower
- b. Finished Products: At Cost or Net Realisable Value whichever is lower
- c. Stores, Spares and Components: At Cost
- d. Stock in process: At Raw material Cost plus estimated cost of conversion up to the stage of completion or Net Realisable Value whichever is lower.

Cost includes all direct cost and applicable manufacturing and administrative overheads. Inventories are valued on FIFO basis. Variation, if any, between books and physical stocks detected on physical verification, obsolete & slow moving stocks are adjusted in accounts as found appropriate.

i. Financial instruments

1. Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

2. Subsequent measurement

a. Non-derivative financial instruments

i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

NOTES TO FINANCIAL STATEMENTS**NOTE I : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Contd.)****iv) Financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

v) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

b. Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

Financial assets or financial liabilities, at fair value through profit or loss

This category has derivative financial assets or liabilities which are not designated as hedges. Although the company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/ liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

3. De-recognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under IndAS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Impairment of Assets**a. Financial assets**

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

b. Non-financial assets**Property, plant and equipment**

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

NOTES TO FINANCIAL STATEMENTS

NOTE I : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Contd.)

c. Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year. Tax benefits of deductions earned on exercise of employee share options in excess of compensation charged to income are credited to share premium.

d. Provisions, Contingent Liabilities and Contingent Assets

The Company makes a provision when there is present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent Assets are disclosed when an inflow of economic benefit is probable and/or certain.

e. Investments

Long term investments being Investment in Listed Equity Shares are stated at fair value through other comprehensive income.

f. Foreign Exchange Transactions**i. Initial Recognition**

Foreign Exchange transactions are recorded normally at the exchange rates prevailing on the date of the transactions.

ii. Conversion Foreign

Currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction and non-monetary items which are carried at the fair value or other similar denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

iii. Exchange differences

Exchange differences arising on settlement of transactions or on reporting monetary items of the Company at the rate different from those at which they were initially recorded during the year, or reported in previous financial statement, are recognised as income or expenses in the year in which they arise except in case where they relate to acquisition of fixed assets.

g. Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under

NOTES TO FINANCIAL STATEMENTS

NOTE I : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Contd.)

operating leases are recognized as an expense on a straight line basis in net profit in the Statement of Profit and Loss over the lease term.

As per Ind AS 116 "Leases", the determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee: Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred. A leased asset is depreciated over the useful life of the asset.

Amortisation on right to use assets Amortisation is provided on straight line method over the useful life of asset as assessed by the management.

h. Earnings per equity share

The basic earnings per share ("EPS") are computed by dividing the net profit after tax for the Year by the weighted average number of equity shares outstanding during the Year. For the purpose of calculating diluted earnings per share, net profit after tax for the Year and the weighted average number of shares outstanding during the Year are adjusted with the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the Year, unless they have been issued at a later date.

i. Cash Flow Statements

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

j. Employee benefits

a. Short Term Employment Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

b. Post-Employment Benefits:

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees and superannuation scheme for eligible employees.

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period. If the contributions payable for services received from employees before the reporting date exceed the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

k. Government Grants

Export benefits in the form of Duty Drawback, Duty Entitlement Pass Book (DEPB) and other schemes are recognized in the Statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

NOTES TO FINANCIAL STATEMENTS

NOTE I : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Contd.)

I. Significant accounting judgments, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the accounting policies and the reported amounts of income, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

(i) Contingent liabilities

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

(ii) Revenue recognition

The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

b. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment defined benefits are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The underlying bonds are further reviewed for quality.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Further details about gratuity obligations are given in Note 32.

m. Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

NOTES TO FINANCIAL STATEMENTS

NOTE I : STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Contd.)

Ind AS 103 – Business Combinations

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date.

Ind AS 16 – Property, Plant and Equipment

For items produced during testing/ trail phase, clarification added that revenue generated out of the same shall not be recognised in statement of profit and loss and considered as part of cost of PPE.

Ind AS 37 – Provisions, Contingent Liabilities & Contingent Assets

Guidance on what constitutes cost of fulfilling contracts (to determine whether the contract is onerous or not) is included.

Ind AS 109 – Financial instruments

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability.

Ind AS 101 – Agriculture

This align the fair value measurement in Ind AS 41 with the requirement of Ind AS 113 Fair value measurement to use internally consistent cash flows and discount rates and enables preparers to determine whether to use pre-tax or post-tax cash flows and discount rates for the most appropriate fair value measurement.

Ind AS 101 – First time Adoption of Ind AS

Measurement of Foreign Currency Translation Difference in case of subsidiary/ associate/ JV's date of transition to Ind AS is subsequent to that of parent-FCTR in the books of subsidiary/ associate/ JV's can be measured based Consolidated Financial Statements.

Ind AS 106 – Exploration for and Evaluation of Mineral Resources

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 : INVESTMENTS (Contd.)**A) Financial risk management objectives and policies**

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

B) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables, loans and derivative financial instruments.

- (i) **Interest rate risk** -is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. At present the company has no borrowing and accordingly the exposure to risk of changes in market interest rates is minimal. The Company has not used any interest rate derivatives.
- (ii) **Foreign currency risk**- is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates.The Company does not have any foreign exchange transactions or any derivative instruments for trading or speculative purposes.So foreign currency risk is nil.
- (iii) **Other price risk**- is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price.Other price risk arises from financial assets such as investments in mutual funds ,bonds ,equity instruments etc. The Company is exposed to price risk arising mainly from investments in mutual funds recognised at FVTOCI. As at 31st March, 2022, the carrying value of mutual funds recognised at FVTOCI amounts to Rs. 181.93 crores (Previous year Rs 159.29 Crores).

The Company is mainly exposed to change in market rates of its investments in equity investments recognised at FVTOCI. A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

If the equity prices had been higher/lower by 5% from the market prices existing as at 31st March, 2022, Other Comprehensive Income for the year ended 31st March, 2022 would increase/(decrease) by Rs.909.65 Lakhs (2020-21 796.47 lakhs) with a corresponding increase/decrease in total equity of the Company as at 31st March, 2022. 5% represents management's assessment of reasonably possible change in equity prices as the company has basically invested in Debt oriented Mutual Funds.

C) Credit Risk

Credit risk refers to risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, derivative financial instruments, other balances with banks, loans and other receivables.To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

NOTE 3 : INVESTMENTS (Contd.)

D) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial assets.

The company is exposed to liquidity risk as there are outstanding related to trade and other payables. The company measures risk by forecasting cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient fund to meet expected operational expenses, servicing of financial obligations.

NOTE 34 :

The Covid-19 outbreak and measures to contain it had caused significant disturbances and slowdown of economic activities. The Company's operations for the period were impacted due to temporary suspension of trading activities. The operations are gradually ramping up, in spite of limited availability of workforce and supply chain disruptions. Further, the sales of the Company during the period were adversely affected, however with the easing out of restrictions the demand of the products is gradually increasing. The Company has considered internal and external sources of informations and determined, exercising reasonable estimates and judgement, that the carrying amount of the assets are recoverable. Having regard to above, the Company's liquidity position is comfortable in meeting its financial obligations.
