<b>Notes:</b>	
1	The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on June 14, 2021. The audit report has been filed with stock exchange and is available on the Company's website.
2	The Board of Directors has proposed a dividend of 20 % i.e. Rs. 2 /- (Two Rupees only) Per Share for the Financial Year 2020-21.
3	Financial results for all the periods presented have been prepared in accordance with recognition and measurement principles of Ind AS notified under the Companies (Indian Accounting Standards) Rule, 2015 as amended from time to time.
4	The Company operates in two segments i.e. Audio/Video Products and Film Production/ Distribution Rights.
5	Considering the nature of business carried on by the company whereby revenues do not necessarily accrue evenly over the year, the results of the quarter may not be representative of the result for the year. As such, the result of the current quarter is not comparable with the result of corresponding quarter.
6	The Code on Social Security, 2020 ("Code") relating to employees benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/ interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
7	The company proposes to exercise the option permitted under section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. The Company accordingly has recognized Provision for Income Tax for the year ended March 31, 2021 and re-measured its Deferred Tax Liability on the basis the rate prescribed in the said section.
8	The Board of Directors of the Company at its meeting held on May 10, 2021 has considered and approved to restructure the business of the Company by way of a Scheme of Arrangement and Demerger ("Scheme") whereby the Film Business Undertaking ("Film Division") of Tips Industries Limited ("Demerged Company") will be demerged into the "Tips Films Limited" Company as a going concern basis with effect from the Appointed Date of April 1, 2021. The said Scheme would be subject to requisite approvals of the National Company Law Tribunal, BSE Limited, National Stock Exchange of India Limited, Securities and Exchange Board of India and other statutory / regulatory authorities, including those from the shareholders and/or creditors of the Demerged Company. The Company is in the process of filing the Scheme with the concerned authorities. Pending necessary regulatory approvals and other compliances, no adjustments have been made in the books of account and accompanying results.
9	Towards the end of the financial year 2020-2021, the 2nd wave of COVID-19 pandemic caused operational disturbances even before the lockdown. The Company was able to reorganise its operations to remain functional as well as comply with the lockdown regulations. However, the lockdown induced decline in economic activity has led to diminished revenues, posed challenges in collections of contracted revenues and impeded contract renewals. The Company is bracing for a challenging year ahead. Based on the current indications of future economic conditions, the management expects to recover carrying amounts of Non-Current and Current Assets. This assessment and the outcome of the pandemic as regards the aforesaid matters is highly dependent on circumstances / developments as they evolve in the subsequent periods.
10	Pursuant to provisions of Sections 68, 69 and 70(1) and all other applicable provisions, if any, of the Companies Act, 2013 and the provisions of Securities and Exchange Board of India (Buy Back of Securities) Regulations, 2018, the Company has bought back 13,50,000 (Thirteen Lakhs Fifty Thousand) fully paid-up equity shares of the Company of face value of Rs. 10/- (Rupees Ten only) each, from all the equity shareholders/beneficial owners of the Company who holds Equity Shares as on the record date i.e. Friday, April 03, 2020, on a proportionate basis, through the tender offer route, at a price of Rs. 140/- (Rupees One Hundred and Forty Only) per Equity Share for an aggregate amount of up to Rs. 18,90,00,000/- (Rupees Eighteen Crores Ninety Lakhs only) excluding the Transaction Cost. The equity shares bought back were extinguished on June 26, 2020.
11	Figures for the quarter ended March 31, 2021 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.
12	The Previous period's / Year's figures have been regrouped / rearranged wherever necessary to make it comparable with the current period.

**Auditor's responsibilities for the audit of the Annual financial results**

Our objectives are to obtain reasonable assurance about whether the statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on effectiveness of the Company's internal financial controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
