**GUEST LECTURE ON CONTENT WRITING AND PUBLIC SPEAKING AT SSM**

Saveetha School of Management (SIMATS) conducted a guest lecture on content writing and public speaking on July 20, 2022. According to Neha Saravanan, a professional content writer and public speaker, the guest lecturer of the day, "Writing is a form of self-expression. It is powerful and can be equated to the depths of the oceans and seas. Even I feel as I am writing that- I am only wetting my feet in deep waters where instead I would like to lead an aquatic life underwater".

She responds to many questions like how is public speaking and content writing important in one's life. Is public speaking and content writing mandatory for a PG graduate? How useful it is if the individual is not a public figure?- Do you believe that, aside from academics, public speaking or content writing is taught in schools or colleges? Even if it is, many people are still afraid or nervous about addressing large crowds; how can we help them overcome this fear? and many more

A brief overview of content writing and public speaking was addressed in the session, and students became aware of the importance of content writing and public speaking.
