Fast-track capex plan: FM to power, coal ministries

PRESS TRUST OF INDIA
New Delhi, November 1

ASSERTING THAT INFRA-STRUCTURE projects are a priority for the government, Union finance minister Nirmala Sitharaman on Monday reviewed the progress of capital expenditure by the ministries of power and coal and asked them to ensure that project implementation is fast-tracked.

Besides, the department of atomic energy was also part of the review meeting called to give a fillip to capital expenditure (capex) and infrastructure push. The finance minister emphasised there must be close monitoring for infrastructure spending on-ground and ministries must continuously make concerted efforts, including enhanced coordination with all states, to ensure that project implementation is fast-tracked, an official statement said.

She directed officials in the department of economic affairs to work in coordination with ministries/ departments to ensure project implementation via civil works is not hampered due to any lack of coordination amongst agencies (like contractors), or by delay in procurement of necessary equipment from international markets.

During the meeting, capex status of Q1 and Q2, front-loading of capital spending by ministries and their CPSEs and expenditure incurred for implementation of the National Infrastructure Pipeline projects were discussed.
