- 2) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the Listing Regulations, MCA Circulars and SEBI Circulars as referred above, the Company is providing facility of remote e-voting to its Members in respect of the businesses to be transacted at the AGM. For this purpose, the Company has entered into arrangement with National Securities Depository Limited (NSDL), for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by NSDL.
- 3) Pursuant to the Circular No. 14/2020 dated 8th April, 2020, issued the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
- 4) A body corporate intending to send their authorized representative(s) to attend the Meeting are requested to send a certified copy of resolution of the Board of Directors or other governing body authorizing such representative(s) to attend and vote on their behalf at the Meeting. The said resolution shall be sent to the scrutinizer by e-mail at kshahcs@yahoo.co.in with a copy marked to cs@salsteel.co.in and evoting@nsdl.co.in.
- 5) The attendance of the Members attending AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- 6) The Members can join AGM through VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. who are allowed to attend AGM without restriction on account of first come first served basis.
- 7) In compliance with the above mentioned MCA Circulars and SEBI Circular, Notice of the 20th AGM, Annual Report and instructions for e-voting are being sent to the members through electronic mode whose email addresses are registered with the Company/ Depository Participant(s). The copy of Notice of 20th AGM and Annual Report will also be available on the website of (i) the Company at www.salsteel.co.in, (ii) the BSE Limited (BSE) at www.bseindia.com and National Stock Exchange of India Limited (NSE) at www.nseindia.com, (iii) NSDL at www.evoting.nsdl.com.
- 8) Explanatory Statements setting out the material facts pursuant to Section 102 of the Act relating to ordinary businesses under Item No. 3 to 5 at the AGM is annexed hereto.
- 9) Information pursuant to Regulations 26(4) and 36(3) of the Listing Regulations and Secretarial Standard - 2 with respect to Directors seeking appointment / re-appointment at AGM is attached hereto. The said Directors have furnished necessary consent / declarations for their appointment / re-appointment.
- 10) As per Regulation 40 of the Listing Regulations, as amended, with effect from January 25, 2022, securities of listed companies can be transacted only in dematerialized form for issuance of duplicate securities certificates, Claim from Unclaimed Suspense Account, Renewal/Exchange of Securities Certificate; Endorsement, Sub-division / splitting of Securities Certificate, Consolidation of Securities Certificates/Folios; Transfer; Transmission; Transposition etc. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Transfer Agents, viz. KFIN Technologies Limited (RTA), having its office at Selenium Building, Tower-B, Plot No 31 & 32, Financial District, Nanakramguda, Serilingampally, Hyderabad, Rangareddy, Telangana India - 500 032, Email ID: einward.ris@kfintech.com and quote their DP ID No. /Client ID No. or folio number in all their correspondence.
- 11) Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank

and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held in electronic form and to RTA in case the shares are held in physical form.

- 12) The businesses set out in the Notice of this AGM will be transacted through electronic voting system. Instructions and other information regarding e-voting are given hereinbelow. The Company / NSDL will also send communication relating to e-voting which inter alia will contain details about User ID and password along with a copy of this Notice to the Members of the Company, separately.
- 13) In case of joint holders, Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
- 14) Members holding shares in single name in physical form are advised to make nomination in respect of their shareholding in the Company. The nomination form can be downloaded from the Company's website: www.salsteel.co.in.
- 15) Pursuant to section 101 of the Act and the rules made thereunder, the Company is allowed to send communication to the Members electronically. We, thus, request you to kindly register/update your Email ID with your respective depository participant and the Company's RTA (in case of physical shares) and make this initiative a success.
- 16) Members are requested to provide or update (as the case may be) their bank details with the respective depository participant for the shares held in demat mode and with the RTA for physical shares.
- 17) SEBI has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to RTA / the Company.
- 18) Members, who have not registered their e-mail addresses so far, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically. However, the Members are entitled to receive such communication in physical form, upon making a request for the same, by permitted mode at free of cost.
- 19) Since AGM will be held through VC/OAVM, the route map, proxy form and attendance slip are not attached to this Notice.
- 20) Non-Resident Indian members are requested to inform RTA/respective DPs, immediately of (a) Change in their Residential Status on return to India for the purpose of permanent settlement, along with PAN details, (b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank along with PIN Code number, if not provided earlier.

21) THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:

The remote e-voting period begins on Tuesday, September 26, 2023, at 09:00 A.M. and ends on Thursday, September 28, 2023 at 05:00 P.M. INSIGHTS ON GLOBAL ECONOMY

The global economy in 2022 and 2023 displayed several noteworthy trends and key figures. Several shocks have hit a world economy already weakened by the pandemic: higher-than-expected inflation worldwide—especially in the United States and major European economies—triggering tighter financial conditions; a worse-than-anticipated slowdown in China, reflecting COVID-19 outbreaks and lockdowns; and further negative spillovers from the war in Ukraine.

Economic Growth: In 2022, the global economy rebounded from the pandemic, with a growth rate estimated at around 4.9%, according to the International Monetary Fund (IMF). While this marked a significant improvement from the recession of 2020, growth rates varied widely among countries, with advanced economies recovering faster than emerging markets. In 2023, global growth was expected to moderate to around 4.4%, reflecting both the continued recovery and concerns about rising interest rates and inflation.

Inflation: Inflation became a major concern during this period. Many countries experienced higher inflation rates due to a combination of supply chain disruptions, rising commodity prices, and increased demand. In the United States, for example, inflation reached levels not seen in over a decade, with the Consumer Price Index (CPI) exceeding 6% at times in 2022. Central banks responded by adjusting monetary policy to combat inflation, which had implications for borrowing costs and financial markets.

Labor Market: Labor markets underwent significant changes. The pandemic accelerated trends in remote work and automation, altering the nature of work in various industries. Some countries faced labor shortages in sectors like healthcare, hospitality, and manufacturing, leading to wage increases and labor disputes. The global gig economy continued to expand, raising questions about worker protections and employment stability.

Green Economy: Sustainability and environmental concerns gained prominence. Investment in renewable energy, electric vehicles, and green technologies surged, with governments and businesses committing to carbon neutrality goals. The renewable energy sector saw substantial growth, and sustainability considerations began to influence investment decisions and consumer behavior.

Trade and Geopolitical Tensions: Geopolitical tensions, particularly between the United States and China, continued to shape global trade dynamics. Supply chain disruptions and trade disputes affected the flow of goods and added complexity to global supply networks. The World Trade Organization (WTO) aimed to address these challenges through trade negotiations.

Technology and Innovation: Technological advancements remained a driving force behind economic growth. Artificial intelligence, blockchain, and biotechnology continued to revolutionize industries. The technology sector attracted substantial investment, and digitalization efforts accelerated across sectors, from healthcare to finance.

Debt Levels: Public and private debt levels reached record highs in many countries due to pandemic-related stimulus measures and economic support. Managing this debt and its long-term implications for fiscal sustainability became a key concern for policymakers.

In summary, 2022 was characterized by a mixed economic picture, with recovery from the pandemic coexisting with inflationary pressures, supply chain disruptions, and ongoing geopolitical tensions. Sustainability and technological innovation emerged as critical drivers of economic growth and transformation, while the global economy faced the challenge of navigating uncertainty and adaptability in an increasingly interconnected world.

In 2023, disinflationary monetary policy is expected to bite, with global output growing by just 2.9 percent. (Source – Indian Monetary Fund Global Outlook)

As of April 2022, India was the world's second-largest producer of crude steel, with an output of 10.14 MT. In FY22, the production of crude steel and finished steel stood at 133.596 MT and 120.01 MT, respectively.

INDIAN ECONOMIC OVERVIEW

This year began with the anticipation that runaway inflation, aggressive policy rate hikes, and high commodity prices might topple a few major economies into recession in 2023. We are halfway past 2023 and, while the world is still in the woods, the probability of a recession this year has trimmed. Labor markets in several advanced countries remain tight, while the largest economy, the United

States, is seeing a rebound in consumer confidence and spending. Risk spreads are declining on both sides of the Atlantic after the recent banking crisis in the United States.

India, meanwhile, enjoys a Goldilocks moment as it sees its economic activity gaining momentum amid continuing global uncertainties. The last quarter's GDP data was pleasantly surprising but not completely unexpected. The GDP growth in the fourth quarter has pushed up the full-year GDP growth of FY2022–23 to 7.2%, 200 basis points (bps) higher than the earlier estimate. The recently released Annual Economic Review for the month of May 2023 highlighted that the postpandemic quarterly trajectories of consumption and investment have crossed pre-pandemic levels.¹

Evidently, economists and analysts are bullish about the Indian economy. Our growth forecasts for FY2023–24 remain similar to our April forecast, although higher-than-expected growth in FY2022–23 has raised our base for comparison. That said, we have raised our lower limit of the range given the buoyancy of the economy. We expect India to grow between 6% and 6.3% in FY2023–24 and have a stronger outlook thereafter. In fact, if global uncertainties recede, we expect growth to surpass 7% over the next two years.

The first-quarter data points to further building on the positive momentum in the economic data. We continue to remain optimistic about the economy this year and expect India to grow between 6.0% and 6.3% during FY2023–24 in our baseline scenario, followed by 6.6% and 7.2% over the next two years as the global economy turns buoyant (figure 6). However, if downside risks weigh on the economic fundamentals and outlook, we may see a substantial economic slowdown (*Source – Deloitte Insights*)

Market Size

In FY23, the production of crude steel and finished steel stood at 125.32 MT and 121.29 MT respectively.

In FY22, the production of crude steel and finished steel stood at 133.596 MT and 120.01 MT, respectively. The consumption of finished steel stood at 105.751 MT in FY22. In FY23, the consumption of finished steel stood at 119.17 MT. In April-July 2022, the production of crude steel and finished steel stood at 40.95 MT and 38.55 MT respectively.

In FY23, exports and imports of finished steel stood at 6.7 MT and 6.02 MT, respectively. In FY22, India exported 11.14 MT of finished steel. In April 2023 exports of steel stood at 8.55 lakh metric tonnes (LMT), while imports stood at 4.60 LMT.

The annual production of steel is anticipated to exceed 300 million tonnes by 2030–31. By 2030–31, crude steel production is projected to reach 255 million tonnes at 85% capacity utilisation achieving 230 million tonnes of finished steel production, assuming a 10% yield loss or a 90% conversion ratio for the conversion of raw steel to finished steel. With net exports of 24 million tonnes, consumption is expected to reach 206 million tonnes by the years 2030–1931. As a result, it is anticipated that per-person steel consumption will grow to 160 kg.

Government Initiatives

Some of the other recent Government initiatives in this sector are as follows:

- Under the Union Budget 2023-24, the government allocated ₹ 70.15 crore (US\$ 8.6 million) to the Ministry of Steel.
- In addition, an investment of ₹ 75,000 crore (US\$ 9.15 billion) (including ₹ 15,000 crore (US\$ 1.83 billion) from private sources) has been allocated for 100 critical transport infrastructure projects for last and first mile connectivity for various sectors such as ports, coal, and steel.
- In January 2021, the Ministry of Steel, Government of India, signed a Memorandum of Cooperation (MoC) with the Ministry of Economy, Trade and Industry, Government of Japan, to boost the steel sector through joint activities under the framework of India–Japan Steel Dialogue.
- The Union Cabinet, Government of India approved the National Steel Policy (NSP) 2017, as it intends to create a globally competitive steel industry in India. NSP 2017 envisage 300 million tonnes (MT) steel-making capacity and 160 kgs per capita steel consumption by 2030–31.
- The Ministry of Steel is facilitating the setting up of an industry driven Steel Research and Technology Mission of India (SRTMI) in association with the public and private sector steel companies to spearhead research and development activities in the iron and steel industry at an initial corpus of ₹ 200 crore (US\$ 30 million).
- The Government of India raised import duty on most steel items twice, each time by 2.5% and imposed measures including anti-dumping and safeguard duties on iron and steel items.

Road ahead

The National Steel Policy, 2017 envisage 300 million tonnes of production capacity by 2030–31. The per capita consumption of steel has increased from 57.6 kgs to 74.1 kgs during the last five years. The government has a fixed objective of increasing rural consumption of steel from the current 19.6 kg/per capita to 38 kg/per capita by 2030–31. As per Indian Steel Association (ISA), steel demand will grow by 7.2% in 2019–20 and 2020–21.

Huge scope for growth is offered by India's comparatively low per capita steel consumption and the expected rise in consumption due to increased infrastructure construction and the thriving automobile and railways sectors.

Opportunities

There is a significant growth being witnessed in Construction sector as the government is spending on Infrastructure projects and the sector is considered to maintain the same level of momentum and demand with a gradual rise in Investment resulting in creating market for the Steel Industries in the Country.

Further the Capital goods market has also improved with rising manufacturing capacity utilization and infrastructure investment which has boosted demand for Construction and earthmoving equipment.

Also Consumer durable growth is driven by segments like Air-conditioner, Refrigerators and furniture supported by lowering of GST and hike in Import Duty and indirectly giving a good demand to steel industries

As per the National steel policy crafted during FY 2018-19, the crude steel production target for India is set at 300 MT by 2030. Share of sponge iron in steel making will be 80MT, which will create huge opportunity for sponge iron industry.

Threats

Presently there are no visible threats in the short and medium term in the sponge iron industry. However availability of key raw materials and environmental concerns might pose significant challenge in the future.

Outlook

The domestic consumption is considered to move at a same momentum as is evident in the demand pull visible in infrastructure, automobile and other sectors. Government is also driving the economy by investing in housing, roads, and ports and in other infrastructure projects.

Favourable domestic demand and remunerative prices in both domestic and international markets are likely to bolster steel production further in the years to come, resulting into more demand for sponge iron.

RISK AND CONCERNS

The process of Risk Management in the company identifies inherent risks in its operations and records residual risk after taking specific risk mitigation steps. The company has identified and categorized risks in the areas of Operations, Finance, Marketing, Regulatory Compliances and Corporate matter.

The volatility in price of sponge iron, excess supply of sponge iron in the market will have an effect of squeezing margins and poses risk to the profitability. New customers, new market and cost reduction have been identified as the mitigation measures.

Also, the enforcement of recent Tariff policy guidelines on power by Government of India that requires the State Electricity Regulatory Commission to ascertain sale price of power based on cost of generation will have an impact on the revenue from export of power.

Fluctuation of import coal price, increase in USD-INR exchange rate, may lead to increase in cost of production. This is mitigated by continuous evaluation of international coal price vis-à-vis Indian coal price and accordingly the action plan for procurement has been formulated.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company's internal control systems are adequate considering size and nature of operations of the Company, meets with the regulatory and statutory requirements, assuring recording of all transactions and also ensuring reporting the financial information in a timely and reliable manner. The Company has defined risk management framework and it is implemented as an integral part of business processes. The Company has installed Enterprise Resource Planning System for accounting purposes. To counter the adverse fluctuation in the sponge iron prices, the Company vigorously keeps watch on its price trends and accordingly plans the purchases to ensure efficient operations and better profitability. The Company applies effective mitigation techniques to manage potential risks. Risk management system includes recording, monitoring and controlling internal enterprise business risks and addressing them through informed and objective strategies. Further, the Board of Directors of the Company has adopted a Risk Management Policy and it has identified various risks and also has mitigation plans for each risk identified. Its comprehensive risk management system ensures that all risks are timely identified, assessed and mitigated in accordance with the Risk Management Policy. The Audit Committee of the Board of Directors of the Company periodically reviews the internal control system and also internal audit reports issued by the Internal Auditors of the Company.

The Company has formulated a robust whistleblower policy for receiving and redressing complaints of employees. No employee has been denied access to the Audit Committee or its Chairman during the year under review.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company is working on enhancing its competencies to take care of current and future business. Its employee strength as on 31st March, 2021 was 420. Human Resource and Industrial Relations departments have developed systems and policies on recruitment, performance management, learning and development, and employee engagement. Further, the Company has adopted various safety measures to ensure safe working environment for the employees of the Company. During the Financial Year, the industrial relations between the employees and management were calm and composed.

Further, the Company has complied with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The Company has formed Internal Complaints Committee and also formulated a policy. No complaint was reported during the Financial Year 2022-23.

INDEPENDENT AUDITOR'S REPORT

TO,
THE MEMBERS OF
S.A.L. STEEL LIMITED

REPORT ON THE AUDIT OF THE STANDALONE IND AS FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone IND AS financial statements of **S.A.L. STEEL LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its Profits, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone IND AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone IND AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone IND AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters:

Description of Key audit Matter	Our response and results
<p>REVENUE (Refer note 45) to the standalone Ind AS financial statements)</p> <p>Revenue of the company comprises of sale of Sponge Iron, Ferro alloys as well as sale of power. The company sells its products directly to the end use customers.</p> <p>Revenue recognition is a significant audit risk across the company. Specifically there is a risk that revenue is recognized on sale of goods before the control in the goods is transferred.</p>	<p>Our key audit procedures to assess the recognition of revenue on sale of goods included the following:</p> <ul style="list-style-type: none"> • We assessed the appropriateness of the Company's revenue recognition policies, including those related to discounts and incentives; • We obtained an understanding of process and assessed the design, implementation and operating effectiveness of management's key internal controls in relation to revenue recognition from sale of goods. We also tested the Company's controls over timing of revenue recognition; • We also tested, on a sample basis, whether specific revenue transactions around the year end had been recognized in the appropriate period on the basis of the terms of sale of the contract, particularly with reference to the transfer of control in the goods in question with regard to the year end transactions. <p>We inspected key customer contracts/ purchase orders to identify terms and conditions related to acceptance of goods and the right to return and assessing the Company's revenue recognition policies with reference to the requirements of the prevailing accounting standards;</p>

<p>Litigations and claims (Refer note 31A) to the standalone Ind AS financial statements)</p> <p>The cases are pending with multiple tax authorities like Service tax, VAT, Excise. & customs and there are claims against the company which have not been acknowledged as debt by the company.</p> <p>In normal course of business, financial exposures may arise from pending proceedings and from claims of the customers not acknowledged as debt by the company. Whether a claim needs to be recognized as liability or disclosed as contingent liability in the standalone Ind AS financial statements is dependent on a number of significant assumptions and judgments. The amounts involved are potentially significant and determining the amount, if any, to be recognized or disclosed in the standalone Ind AS financial statements, is inherently subjective.</p> <p>We have considered Litigations and claims; a Key Audit Matter as it requires significant management judgement, including accounting estimates that involves high estimation uncertainty.</p>	<p>Our audit procedures, inter alia, included following:</p> <ul style="list-style-type: none"> - Discussed disputed litigation matters with the company's management. - Evaluated the management's judgment of tax risks, estimates of tax exposures, other claims and contingencies. Past and current experience with the tax authorities and management's correspondence/response including on the claims lodged by customers were used to assess the appropriateness of management's best estimate of the most likely outcome of each uncertain contingent liability. - Critically assessed the entity's assumptions and estimates in respect of claims, included in the contingent liabilities disclosed in the standalone Ind AS financial statements. Also, assessed the probability of negative result of litigation and the reliability of estimates of related obligations. <p>Conclusion: Based on the procedures described above, we did not find any material exceptions to the management's assertions and treatment, presentation & disclosure of the subject matter in the standalone Ind AS financial statements.</p>

Emphasis of Matter

1. **Financial statements describes about the Non disclosure of Reportable Segments as required under Indian Accounting Standard – 108 'Operating Segments' As IND AS 108 Operating Segments mandates the disclosure requirements there is no impact on the financial results due to non-disclosure. (Refer Note No 32 of notes forming part of Standalone Ind AS financial statement) Our opinion is not modified on the above matter.**

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone IND AS financial statements and our auditor's report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone IND AS Financial Statements

The statement has been prepared on the basis of Standalone Ind AS annual financial statement.

The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone IND AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 197(16) of the Act as amended , In our Opinion and to the best our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of S.A.L. STEEL LIMITED of even date)

With reference to the Annexure A, referred to in the Independent Auditors Report to the members of the Company on the Standalone IND AS financial statements for the year ended on 31st March 2023 , we report following :

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us, the property, plant and equipment are physically verified in a phased manner by the management during the year , which, in our opinion is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties other than the self constructed property are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) As explained to us, the inventories were physically verified by the management at reasonable intervals during the year. In our opinion the frequency of verification is reasonable and the coverage and procedure of such verification by the management is appropriate. As explained to us, there were no discrepancies of 10% or more in aggregate for each class on physical verification of inventory as compared to the book records.
- (b) The Company has not been sanctioned working capital in excess of the limit of ₹ 5 crores during any point of time of the year in aggregate from a bank & financial institutions on the basis of security of the current assets. Hence, reporting under clause 3(ii)(b) of the order is not applicable.
- iii. ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 3(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of S.A.L. STEEL LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of **S.A.L. STEEL LIMITED** (the “Company”) as of March 31, 2023 in conjunction with our audit of the standalone IND AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Standalone IND AS Financial Statement

A company’s internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone IND AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone IND AS Financial Statement

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1.2 BASIS OF PREPARATION OF FINANCIAL STATEMENT

These Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The Financial Statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS 1 – 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

Accounting policies have been consistently applied consistently to all the periods presented in the financial statements.

The financial statements are presented in Indian Rupees in lakhs ('INR ₹ in lakhs). Where changes are made in presentation, the comparative figures of the previous year are regrouped and re-arranged accordingly.

1.3 USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

RECENT ACCOUNTING PRONOUNCEMENT:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1-Presentation of Financial Statements:

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies.

Ind AS 8-Accounting Policies, Changes in Accounting Estimates and Errors:

This amendment has introduced a definition of accounting estimates' and included amendments to IndAS8 to help entities distinguish changes in accounting policies from changes in accounting estimates.

Ind AS 12-IncomeTaxes:

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

The effective date for adoption of these amendments is annual periods beginning on or after April1, 2023. The Company has evaluated the above amendments and there is no material impact on its standalone financial statement.

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statement.

1.4 PROPERTY, PLANT AND EQUIPMENT

- i) Property, Plant and Equipment are stated at original cost (net of tax/duty credit availed) less accumulated depreciation and impairment losses. Cost includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses related to the acquisition, and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.
- ii) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.
- iii) Assets which are not ready for their intended use on reporting date are carried as capital work-in-progress at cost, comprising direct cost and related incidental expenses.
- iv) Property, Plant and Equipment are depreciated and/or amortized on as per the Straight line method on the basis of their useful lives as notified in Schedule II to the Companies Act, 2013 . The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.
- v) Depreciation in respect of additions to assets has been charged on pro rata basis with reference to the period when the assets are ready for use.
- vi) An asset's carrying amount is written down immediately on discontinuation to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Profit/ Loss on Sale and Discard of Fixed Assets.
- vii) Useful lives of the Property, Plant and Equipment as notified in Schedule II to the Companies Act, 2013 are as follows :
 - Buildings - 30 to 60 years
 - Plant and Equipments - 15 to 25 years
 - Furniture and Fixtures - 10 years
 - Vehicles - 8 to 10 years
 - Office Equipments - 5 years
 - Computers – 3 years
- viii) At each balance sheet date, the Company reviews the carrying amount of property, plant and equipment to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.
- ix) Cost is reduced by accumulated depreciation and impairment and amount representing assets discarded or held for disposal.

1.5 INTANGIBLE ASSETS

- i) Intangible assets acquired by payment e.g. Computer Software are disclosed at cost less amortization on a straight-line basis over its estimated useful life.
- ii) Intangible assets are carried at cost, net of accumulated amortization and impairment loss, if any.
- iii) Intangible assets are amortized on straight-line method as follows :
 - Computer Software - 5 years
- iv) At each balance sheet date, the Company reviews the carrying amount of intangible assets to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

1.6 REVENUE RECOGNITION

- i) Revenue comprises of all economic benefits that arise in the ordinary course of activities of the Company which result in increase in Equity, other than increases relating to contributions from equity participants. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

- ii) Sale of Goods: Revenue from sales of goods is recognized on transfer of significant risks and rewards of ownership to the customers. Revenue shown in the Statement of Profit and Loss excludes, returns, trade discounts, cash discounts, Goods and Service tax.
- iii) Services: Revenue from Services are recognized as and when the services are rendered.
- iv) Interest: Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.
- v) Export Benefits are accounted on accrual basis.

1.7 EMPLOYEE BENEFITS

- i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- ii) Post Employment and Retirement benefits in the form of Gratuity are considered as defined benefit obligations and is provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972.
- iii) The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of reporting period on government bonds that have terms approximating to the terms of the related obligation.
- iv) Employee benefits in the form of Provident Fund is considered as defined contribution plan and the contributions to Employees' Provident Fund Organization established under The Employees' Provident Fund and Miscellaneous Provisions Act 1952 is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid.

1.8 VALUATION OF INVENTORIES

- i) The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. The costs of Raw Materials, Stores and spare parts etc., consumed consist of purchase price including duties and taxes (other than those subsequently recoverable by the enterprise from the taxing authorities), freight inwards and other expenditure directly attributable to the procurement.
- ii) Stock of Raw Materials are valued at cost and of those in transit and at port related to these items are valued at cost to date. Goods and materials in transit are valued at actual cost incurred up to the date of balance sheet. Material and supplies held for use in the production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.
- iii) Stock of Stores and spare parts, Packing Material, Power & Fuel and Folders are valued at cost; and of those in transits and at port related to these items are valued at cost.
- iv) Goods-in-process is valued at lower of cost or net realizable value.
- v) Stock of Finished goods is valued at lower of cost or net realizable value.
- vi) Stock-in-trade is valued at lower of cost or net realizable value.

1.9 CASH FLOW STATEMENT

Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the Company is segregated.

Cash and cash equivalents in the balance sheet comprise cash at bank, cash/Cheques in hand and short term investments with an original maturity of three months or less.

1.10 FINANCIAL ASSETS

- i) The Company classifies its financial assets as those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those to be measured at amortized cost.
- ii) Trade receivables represent receivables for goods sold by the Company up to the end of the financial year. The amounts are generally unsecured and are usually received as per the terms of payment agreed with the customers. The amounts are presented as current assets where receivable is due within 12 months from the reporting date.

- iii) Trade receivables are impaired using the lifetime expected credit loss model under simplified approach. The Company uses a matrix to determine the impairment loss allowance based on its historically observed default rates over expected life of trade receivables and is adjusted for forward looking estimates. At every reporting date, the impairment loss allowance is determined and updated and the same is deducted from Trade Receivables with corresponding charge/credit to Profit and Loss.
- iv) A financial asset is derecognized only when the Company has transferred the rights to receive cash flows from the financial asset, or when it has transferred substantially all the risks and rewards of the asset, or when it has transferred the control of the asset.

1.11 FINANCIAL LIABILITIES

- i) Borrowings are removed from balance sheet when the obligation specified in the contract is discharged, cancelled or expired.
- ii) Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.
- iii) Trade Payables represent liabilities for goods and services provided to the Company up to the end of the financial year. The amounts are unsecured and are usually paid as per the terms of payment agreed with the vendors. The amounts are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially and subsequently measured at amortized cost.
- iv) Financial assets and Financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

1.12 FAIR VALUE MEASUREMENT

- i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.
- ii) The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.
- iii) A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.
- iv) The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.
- v) The assets and liabilities which has been measured at fair value is Derivatives

1.13 FOREIGN CURRENCY TRANSACTIONS

- i) Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognized as income or expenses in the period in which they arise.
- ii) Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value is determined.

1.14 BORROWING COSTS

- i) Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.
- ii) General and specific borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets during the period of time that is required to complete and prepare the asset for its intended use. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use.
- iii) All other borrowing costs are expensed in the period in which they are incurred.

1.15 ACCOUNTING FOR TAXES ON INCOME

- i) Tax expenses comprise of current tax and deferred tax including applicable surcharge and cess.
- ii) Current Income tax is computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.
- iii) Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences; the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profits against which the deductible temporary differences, and the carry forward unused tax credits and unused tax losses can be utilized.
- iv) The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it is become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.
- v) Deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income. As such, deferred tax is also recognized in other comprehensive income.
- vi) Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the Deferred Tax Assets and Deferred Tax Liabilities relate to taxes on income levied by same governing taxation laws.

1.16 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

- i) Provisions are made when (a) the Company has a present legal or constructive obligation as a result of past events; (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and (c) a reliable estimate is made of the amount of the obligation.
- ii) Contingent liabilities are not provided for but are disclosed by way of Notes on Accounts. Contingent liabilities is disclosed in case of a present obligation from past events (a) when it is not probable that an outflow of resources will be required to settle the obligation; (b) when no reliable estimate is possible; (c) unless the probability of outflow of resources is remote.
- iii) Contingent assets are not accounted but disclosed by way of Notes on Accounts where the inflow of economic benefits is probable.

1.17 CURRENT AND NON-CURRENT CLASSIFICATION

- i) The Normal Operating Cycle for the Company has been assumed to be of twelve months for classification of its various assets and liabilities into "Current" and "Non-Current".
- ii) The Company presents assets and liabilities in the balance sheet based on current and non-current classification.
- iii) An asset is current when it is (a) expected to be realized or intended to be sold or consumed in normal operating cycle; (b) held primarily for the purpose of trading; (c) expected to be realized within twelve months after the reporting period; (d) Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.
- iv) An liability is current when (a) it is expected to be settled in normal operating cycle; (b) it is held primarily for the purpose of trading; (c) it is due to be discharged within twelve months after the reporting period; (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

1.18 RELATED PARTY TRANSACTIONS

- i) A related party is a person or entity that is related to the reporting entity preparing its financial statements
 - (a) A person or a close member of that person's family is related to reporting entity if that person;
 - (i) Has control or joint control of the reporting entity;

- (ii) Has significant influence over the reporting entity; or
 - (iii) Is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.
- (b) An entity is related to a reporting entity if any of the following conditions applies;
- (i) the entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
 - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
 - (iii) Both entities are joint ventures of the same third party;
 - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity;
 - (v) The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity;
 - (vi) The entity is controlled or jointly controlled by a person identified in (a);
 - (vii) A person identified in (a) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity);
 - (viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.
- ii) A related party transaction is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

Compensation includes all employee benefits i.e. all forms of consideration paid, payable or provided by the entity, or on behalf of the entity, in exchange for services rendered to the entity. It also includes such consideration paid on behalf of a parent of the entity in respect of the entity.

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

- iii) Disclosure of related party transactions as required by the accounting standard is furnished in the Notes on Financial Statements.

1.19 EARNINGS PER SHARE

- i) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- ii) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.20 LEASE

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

1.21 CRITICAL ACCOUNTING JUDGMENTS, ASSUMPTIONS AND KEY SOURCES OF ESTIMATION

Uncertainty

The preparation of the Standalone Financial Statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the standalone financial statements:

(i) Determination of Functional Currency

Currency of the primary economic environment in which the Company operates ("the functional currency") is Indian Rupee (₹) in which the company primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (₹).

(ii) Evaluation of Indicators for Impairment of Property, Plant and Equipment

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline asset's value, significant changes in the technological, market, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the asset etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment.

b) Assumptions and Estimation Uncertainties

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

(i) Useful lives of Property, Plant and Equipment/Intangible Assets

Property, Plant and Equipment/ Intangible Assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. The useful lives and residual values are based on the Company's historical experience with similar assets and taking into account anticipated technological changes or commercial obsolescence. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The depreciation/amortisation for future periods is revised, if there are significant changes from previous estimates and accordingly, the unamortised/depreciable amount is charged over the remaining useful life of the assets.

(ii) Contingent Liabilities

In the normal course of business, Contingent Liabilities may arise from litigation and other claims against the company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the Notes but are not recognised. Potential liabilities that are remote are neither recognised nor disclosed as contingent liability. The management decides whether the matters need to be classified as 'remote', 'possible' or 'probable' based on expert advice, past judgements, experiences etc.

(iii) Evaluation of Indicators for Impairment of Property, Plant and Equipment

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the idle assets etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment and such assessment is based on estimates, future plans as envisaged by the Group.

(iv) Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

(ii) Fair Value Measurement

This note provides information about how the Company determines fair values of various financial assets.

Fair Value of financial assets and liabilities that are not measured at fair value (but fair value disclosures are required)

Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements approximate their fair values.

(iii) Financial Risk Management Objectives

While ensuring liquidity is sufficient to meet Company's operational requirements, the Company's financial management committee also monitors and manages key financial risks relating to the operations of the Company by analyzing exposures by degree and magnitude of risks. These risks include market risk (including currency risk and price risk), credit risk and liquidity risk.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate, currency risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include FVTPL investments, trade payables, trade receivables, etc.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company has a treasury department which monitors the foreign exchange fluctuations on the continuous basis and advises the management of any material adverse effect on the Company.

Interest Rate Risk

The Company's interest rate risk arises from the Long Term Borrowings with fixed rates. The Company's fixed rates borrowings are carried at amortized cost.

Liquidity Risk

The Company manages liquidity risk by maintaining sufficient cash and cash equivalents including bank deposits and availability of funding through an adequate amount of committed credit facilities to meet the obligations when due.

Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The contractual maturity is based on the earliest date on which the Company may be required to pay.

The following are the contractual maturities of non-derivative financial liabilities, based on contractual cash flows:

Trade Payables	4714.41	216.67	--	4931.08
Other Financial Liabilities	135.78	44.05	--	179.83

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables).

Trade Receivables

An impairment analysis is performed at each reporting date on an individual basis for all the customers. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of trade receivables disclosed in Note 3 as the Company does not hold collateral as security. The Company has evaluated the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries.

The Company has made assessment of Allowance for Credit Loss in respect of Trade Receivables. The Company has analysed its trade receivables for gaining analysis and grouped them accordingly and then applied ear wise percentage to calculate the amount of Allowance for Credit Loss in respect of the same.

The Company has a detailed review mechanism of overdue customer receivables at various levels within organization to ensure proper attention and focus for realization.

34. DISCLOSURES REGARDING EMPLOYEE BENEFITS

As per Indian Accounting Standard 19 "Employee Benefits" the disclosures are given below:

Defined Contribution Plan

Contribution to defined contribution plan, recognized as expense for the year is as under:

(Amount ₹ in Lakhs)

Particulars	2022-23	2021-22
Employers contribution to provident fund	65.38	64.40

- (i) Defined Contribution Plan: Employee benefits in the form of Provident Fund are considered as defined contribution plan and the contributions to Employees Provident Fund Organization established under The Employees Provident Fund and Miscellaneous Provisions Act 1952 and Employees State Insurance Act, 1948, respectively, are charged to the profit and loss account of the year when the contributions to the respective funds are due.
- (ii) Defined Benefit Plan: Retirement benefits in the form of Gratuity are considered as defined benefit obligation and are provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.

Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972.

As the Company has not funded its liability, it has nothing to disclose regarding plan assets and its reconciliation.

- (iii) Major risk to the plan

I have outlined the following risks associated with the plan:

A. Actuarial Risk:

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity Benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

B. Investment Risk:

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

C. Liquidity Risk:

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cash flows.

D. Market Risk:

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

E. Legislative Risk:

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.
