Aurionpro continues winning orders- Bags project from Transport Department of NCT, Delhi for implementation of AFC system

05th October, 2020, India

Aurionpro Solutions Ltd, (NSE: AURIONPRO) (BSE: 532668), leading global IT solutions provider, announces an order win in the Smart Transit segment. The Transport Department of NCT, Delhi has awarded a project for the supply, commission and operation of the Automates Fare Collection (AFC) System for the buses in Delhi for fleet size of 4000+ buses. The ticketing system, to be implemented will be interoperable with DMRC Card and will also scan the QR Ticketing on mobile, encouraging use of digital fare media in the pandemic. The project, which is valued at INR 30 Crores, will be for a duration of 5 years, consisting of implementation within six months followed by the maintenance and support.

Agreement was signed by **Shri Subodh Kumar (Deputy Commissioner, NCT)** and **Shri Hanmant Pujari (Head Mobility Projects, Aurionpro)**

Mr. Sanjay Bali EVP Head, South Asia, said that ***"The public transportation across the globe, is on the cusp of transformation. We are delighted to see an increased momentum in this segment, particularly in post pandemic world, which marks rapid adoption of digital, contactless ticketing technologies. This order win, along with the recent wins announced by us in this space will firmly establish us as one of the key players in the Automated Fare Collection Business."***
