**Subject: SSWL receives new orders for close to Euro 221K from Europe.**

Dear Sir,

SSWL has bagged firm exports orders for over 36,000 wheels for EU Caravan & Truck Trailer Market to be executed in July & August from its Chennai plant. Adding new orders in its name, SSWL kick-starts operations in EU & US - a step towards normalization after the global pandemic of Covid-19. Additional orders for larger quantities are expected in coming weeks from several other regular customers.

This order will additionally support production ramp-up of SSWL Chennai wheels plant.

Kindly take the same on your records

Thanking you.

Yours faithfully,  
For **Steel Strips Wheels Limited**
