Managing Director & CEO

As the nation gears up to celebrate 75 fruitful and challenging years of independence, it is a time for reflection, a quick press of the rewind button to ponder and visualize a wonderful kaleidoscope of India's glorious achievements after attaining independence at the stroke of the midnight hour on August 15th, 1947. The gamut covers a very definitive constitution framed by the people, of the people and for the people, making India one of the largest democracies, increase in agriculture powered by the green revolution, increase in milk production, polio eradication and enhanced healthcare, ayurveda, biotechnology, giant steel plants, huge sturdy dams to harness water power, a powerful defence system manned by one of the world's most disciplined and dedicated armed forces, world class education, women empowerment, becoming a IT power and the 3rd largest start up orientation.

Thus, India is fast catching up with the developed nations and is considered to be one of the fastest growing economies. At this juncture, it is necessary to introspect as to what each individual and institution should do for the country. There are still many hurdles to overcome, the most potent of them being, bridging the gap between the 'haves' and the 'have-nots'.

A roof over every head, 'housing for all' is still the attainable goal, pursued by the government. As a housing finance Company that has navigated a journey of thirty four years, Can Fin remains unwavering in its vision, mission and objective of increasing housing stock in the country and helping thousands of home aspirants to acquire their dream homes.

With its evergreen motto of Friendship Finance, Can Fin is all set to blaze a new trail, abiding by the true spirit of 'Azadi ka Amrit Mahotsav'.

# Fulfilling housing dreams of millions

For over three decades, we have been on a mission to realise the unifying dream of millions of Indian families of owning a home. As a leading housing finance company promoted by Canara Bank, we understand the hopes and emotions of people and strive to fulfil housing aspirations of low and middle-income population of the country.

We started our journey in 1987 with the objective of promoting home ownership. During the course, we have been steadily pursuing our goal of maintaining high asset quality, sustained business growth and profit margins. Providing affordable financial solutions to help the general public meet their 'own-home' aspirations.

# Expanding countrywide footprint

Our strategic goal is to expand in potential centres across diverse parts of the country.

Map not to scale. Only for representation purpose

# Reiteration of Fundamentals

## Strong lineage

Our promoters, Canara Bank, one of the leading PSUs in the country, provide the right guidance and strategic road ahead.

## Industry optimism

The rise in real estate and housing demand, led by progressive government policies continues to drive growth for business.

## Growth in demand in non-metro cities'

We continue to penetrate tier-II and tier-III cities with an increased focus on branch expansion. The government's focus on affordable housing, largely focused in non-metro cities, will further drive our market presence.

## Diverse lending profile

We continue to strengthen our lending profile with loan book comprising a diverse customer base and differentiated loan products. Improved ticket size and growing first-time borrowers notwithstanding, our unwavering commitment and undiluted focus on Asset Quality along with relentless collection efforts, has led to one of the lowest NPA level of 0.64% in the industry.

## Robust financials

We continue to expand our lending book, with the loan book crossing ₹ 26,700 Cr in FY22. An impressive Net Interest Margin (NIM) of 3.57% is a result of prudent business practices without compromising on asset quality to generate healthy returns.

## Our strategic priorities

Our strategic priorities are linked to the evolving regulatory environment and the demand that we foresee for the short, medium and long term. We periodically review our priorities to ensure flexibility and agility in our operations.

### Grow and expand our customer base

# Accelerating growth through effective measures

## Sustained asset quality

Our gross non-performing assets (GNPA) have decreased, while our provision coverage ratio has increased, with no negative impact on the RBI's NPA threshold. Credit cost has also remained at a bare minimum. The increasing PCR is attributable to the ageing of loans. Moderation in slippages, as well as higher resolution and some write-backs, all contributed to the improvement in asset quality. Due to the RBI circular requiring recovery of all past due amounts, upgrades in the NPA pool have been minimal.

**0.64%**

Gross non-performing asset

## Stable profit growth

Our operations are carried out on the bulwark of cost management, profitable yield and sound asset quality, which ensure a stable profit growth.

## Geographic demography and Strategic expansion of network

We have a pan India presence in 201 locations covering 21 states. Our growth plans encompass expansion of our footprint in potential locations.

## Change in borrowing mix

The share of commercial papers (CPs) in our borrowing mix has decreased to 11%. We primarily use CPs for cost leverage, and only to the extent that we have undrawn bank lines.

### 11%

Share of commercial paper in borrowing mix

## Increase in stakeholders Wealth

The core purpose of all our initiatives, strategies and business achievement is to ensure maximization of stakeholders wealth.

# Managing Director's perspective

## Dear Shareholders,

It gives me great pleasure to present you the Annual Report for the fiscal year 2021-22.

The year's challenges led us to reimagine life as we knew it. The pandemic and its subsequent waves significantly impacted the global economy. As the COVID

induced challenges seemed to subside, bringing a sense of optimism, geopolitical upheavals rendered a blow to the fragile economic recovery. India felt the ripples of the conflict as did the rest of the world, and is now grappling with the challenges of rising crude and commodity prices that are pushing up the already elevated inflation.

Notwithstanding the challenges, the year has been monumental for the real estate industry as it demonstrated strong recovery. Changing attitude of people towards home ownership and adoption of digital technologies are factors that have helped in the revival of the real estate sector. It is notable that the growth of the real estate market has been led by the residential sector due to the renewed buyer confidence and affordable home loan rates.

## Financial performance

Emerging from the shadows of the Pandemic and a good 4th quarter in FY 2020-21, the Company delivered a good performance in the FY 2021-22 except for a muted first quarter. The highest growth in the illustrious journey of the Company was recorded during the fiscal in the three business parameters – Loan Approvals, Disbursals and Loan Book. This strengthened the balance sheet matrix as the profitably parameters improved, which could be attributed to our prudent operating procedures, cost conscious approach and our unwavering commitment to uphold Asset Quality.

## Future perfect

The future growth prospects for the real estate industry are positive owing to the Governments push to housing industry which has also been reflected in Union Budget 2022-23. In the Budget, the government focused on bringing transparency in the real estate sector while prioritising the affordable housing segment.

## Our performance in the fiscal 2021-22 is a testimony to our resilience and perseverance. While the beginning of the year seemed challenging, we were able to stay resilient and deliver a robust performance quarter on quarter.

Amid the growing real estate market, the increase in demand for housing has resulted in a significant rise in demand for home loans which is likely to exceed pre-pandemic levels by the end of the current year. Additionally, the loan book of housing finance companies is also expected to expand.

Your Company is navigating all possibilities to capitalise on these market opportunities. Being one of the leading housing finance companies in India, we recognise our role in the industry to help people in realising their home aspirations.

Our performance in the fiscal 2021-22 is a testimony to our resilience and perseverance. While the beginning of the year seemed challenging, we were able to stay resilient and deliver a robust performance quarter on quarter.

Towards the end of the year, a further pickup in demand for housing loans with low borrowing rates helped us record a very good financial and operational performance.

The improved NIMs due to higher yields, and robust asset quality helped us achieve strong financial numbers. Our ability to sustain asset quality even in a tough environment has reflected our agile business model.

### Priceless Assets

As always, Can Fin's team of dynamic and dedicated employees have carried forward the performance baton admirably in the fiscal gone by too. They have unflinchingly met the innumerable challenges and overcome them, never

stopping pursuit of the Company's goals. They have gone out of the way whenever circumstances warranted. Their firm belief in 'out of the box' thinking has paved the way forward in crucial situations.

### Digital dynamics

To keep up with the changing dynamics of the digital ecosystem, we are making rapid strides towards our digital upgradation. In order to ensure uninterrupted services to our customers, we are leveraging various advanced digital tools and technologies. These allowed us to reach out to a wider customers profile and reduce our turnaround time. For enhancing our digital capabilities, we have set four key digital priorities:

- Providing personalised and seamless services to our customers across the country;
- Creating a digital financial services bouquet in collaboration with some of the nation's leading technological support providers;
- Improve Automation and digitisation of processes to make things simpler, faster and user-friendly;
- robust and secure digital capabilities across platforms to prevent frauds and ensure customer data protection.

### Being a responsible corporate citizen

Our socio-economic development

activities are pivotal to our value-creation process, to this end we are contributing to education, healthcare and women empowerment. During the year under review, we invested ₹ 10.70 Cr towards our CSR initiatives, in line with our strategic objectives.

### Outlook

To expand our footprint further, we are targeting large cities and metros along with our earlier strategy of expanding in tier 3 and tier 4 cities. We will keep focusing on our four strategic pillars of Growth, Asset Quality, Profitability and Liquidity and keep following stringent lending practices, in consonance with regulatory guidelines.

We will continue to have a strong team for retention of customers, backed by effective strategy and efficient customer service. There is scope for improvement in terms of achieving higher operating efficiency.

As I conclude, I would like to sincerely thank the National Housing Bank, Reserve Bank of India (RBI), Canara Bank and all of our stakeholders who have stayed by our side at all times. We look ahead with hope and optimism that your Company will flourish in the coming years.

Regards

**Girish Kousgi**

### Catering to new age customers

In the days ahead, our digital capabilities are likely to make us more prominent. We plan to use innovative digital tools and technologies to provide personalised services to a wide range of new-age customers. It will also allow us to reach a wider range of clients across the country, making our services more appealing to India's millennial population, who continue to rely on digital platforms for a variety of services.

### Driving efficiency

Our digital endeavours are expected to improve our efficiency, enable smarter work, and facilitate optimal resource allocation. Digital transformations are also predicted to create new chances for strengthening core businesses, lowering costs, and providing superior customer service.

### Striving through the pandemic

Our focus on modernising the business and investing in digital projects has allowed us to effectively respond to COVID-19's accelerated transition to digital channels. It has not only helped us get through the crisis unscathed, but it has also secured business continuity in the face of adversity.

# Fulfilment of Social Responsibility

Besides being the core business activity of Can Fin homes, lending for home finance is also considered to be the fulfilment of a deeper and larger social responsibility. Can Fin's lending portfolio caters to diverse segments.

Can Fin strongly supports schemes of women's empowerment and provides concessional ROI to women beneficiaries for loans up to ₹25.00 lakh in metro/urban centres,

The benefit is also extended to Naval/ Airforce/ Defence personnel (both in service and retired) and physically challenged persons

Can Fin espouses the cause of the downtrodden and provides succour and support through various welfare measures under the aegis of its Corporate Social Responsibility.

# Promoting sustainable and inclusive development

Discharging its Corporate Social Responsibility with enthusiasm, efficiency and compassion has become a way of life at Can Fin Homes Ltd. Giving back to society in multifarious ways is very satisfying and the organization is deeply committed to carrying out its CSR activities very diligently. As a Company, we are dedicated to the socio-economic development of the communities in which we operate. We are willingly aspiring to enrich our local communities through our CSR projects in order to assure their development and uplift underserved communities. Our community development CSR programmes are focused on a few key areas.

## CSR focus areas

**Health is one of the prime requisites in life and this fact has been driven home most forcibly after the Pandemic.** Therefore health care facilities are given predominance in our CSR expenditure. Ambulances and advanced medical equipment have been provided for several hospitals to facilitate treatment of patients across the length and breadth of the country.

# Management Discussion and Analysis

## Indian Economic Review

The Indian GDP grew by 8.7% in the fiscal 2021-22. This has been a strong GDP growth post the contraction of 7.3% in 2020. The country's strong recovery was driven by the Government's immediate action to curtail the crisis, a widespread vaccination coverage and a robust industrial output.

Significant indicators like the mobility index, direct tax receipts etc reflected the positive levels of economic growth. The ability of exporters to benefit from good external conditions also contributed to the acceleration of the recovery.

India also saw a major rise in consumption. Due to the economy's earlier-than-expected return to normalcy, private spending witnessed a significant increase. The same provided a boost for higher capex expenditure and investment outlays for infrastructure development.

Despite a strong rebound, inflationary pressures persisted throughout the year. The geopolitical conflict in Europe in the fourth quarter aggravated the already soaring inflation in the country. While, earlier in 2021-22, inflationary pressures were mostly brought on by food and to a lesser extent by the core (which excludes fuel and food), fuel became the new inflation driver in fiscal 2022 as a result of the escalating oil prices.

### Outlook

The macro economic stability indicators driven by strong domestic consumption, suggest that the Indian Economy is well placed to take on the challenges of 2022-23.

As per IMF's latest World Economic Outlook projections, India's real GDP was projected to grow at 9 percent in 2021-22, 2022-23 and at 7.1 percent in 2023-2024, which would make India the fastest growing major economy in the world for all 3 years. However, the Indian economy grew by 8.70% in 2021-22 subsequent to a contraction of 7.3 percent in 2020-21 and the GDP projected to grow by 8- 8.5 percent in real terms in 2022-23.

The current year is poised for a pickup in private sector investment with the financial system in good position to provide support for economy's revival after the upheaval in the last 2 years on account of Covid.

## Indian Housing Review

Despite the continued cyclical upswings and downswings of the pandemic, real estate showed resilience with visible signs of remarkable recovery. This was attributed to the revival in economic activity coupled with a low mortgage rate regime and a continued policy push by the government.

The pandemic in fact turned to be a supporting factor driving the housing demand. During the fiscal, the demand for residential real estate, particularly in India's top cities rose in tandem with the pandemic. This was because the pandemic and subsequent lockdowns led to a strong desire among people to own a house. People who already owned homes also wanted to move to more spacious houses to accommodate the work space since the pandemic. Additionally, it served as a reminder that one's home is the safest place during trying times.

The residential market gained strong momentum in the second quarter of the fiscal 2021-22 and showed sustained recovery throughout the year. The festive season in the third quarter particularly brought a further boost to the industry. In the fourth quarter, despite the occurrence of the Omicron variant, the residential market stayed resilient with sales reaching record highs.

## Outlook

Demand for housing will continue to increase due to the rising preference for larger homes, better amenities, and competitive pricing. Increasing affordability is encouraging real estate developers to provide a wide array of choices at attractive prices. Moreover, as government-backed subsidy programs fuelled the enthusiasm of home buyers, the pent up demand on account of the pandemic has helped decrease the inventory levels and benefitted the developers.

Among a number of opportunities, financial stress continues to be a significant factor for developers across residential markets. However, consistent improvement in the sale of homes will provide them the ability to weather the increase in costs of critical inputs like cement and steel. Notably housing demand is anticipated to grow by 5-10% in 2022-23, on the basis of favourable demographics and urbanization.

## Housing Finance

The HFCs showed resilience in the fiscal 2021-22 despite the impact of the pandemic.

The housing finance industry experienced robust demand during the fiscal 2021-22 which was in line with the increase in demand for housing. While the COVID-19 effect was felt on disbursements in Q1 FY 2022, resurgence of demand was visible post the first quarter. Measures taken by the government and the public at large were responsible for combating the effects of Covid-19, due to which there was a revival in the economy, earlier than anticipated. This made people more confident to take big investment decisions like buying a house. The improved customer sentiment therefore remained on the rise post the opening up of markets.

## Outlook for HFCs

As per ICRA, the loan books for affordable housing finance companies will grow by 17-20% in FY2023, driven by factors like a sizably untapped market, a favourable demographic profile, government confidence in housing and a favourable regulatory/tax regime. Moreover, in the next five years the home loan market is anticipated to double its home loans.

## Growth drivers for Housing

### Infrastructure development

One of the main forces behind the rise of the real estate market is sound infrastructure. Improved connectivity via railways, air, roads and proximity to medical facilities, educational institutions, entertainment hubs, retail market, business centers, schools, retail outlets etc. impact real estate prices as these are the most preferred aspects for a buyer to choose a property. With the government focused on pushing infrastructure reforms, and a pro infrastructure budget for 2022-23, the realty sector can anticipate a boost in quality housing demand.

## Affordable Housing

Housing demand has been steadily rising due to a growing population, and it is anticipated to continue rising. Earlier the emphasis was on mid segment housing, but now the concentration is gradually turning to affordable housing in Tier 1, Tier 2, Tier 3 and Tier 4. This will facilitate customers in the low and middle income groups as well as the developers.

## Increasing work from home culture

In metro cities, because of the work from home culture prevailing post the Pandemic, home buyers are seeking to not only move into their own homes but also consider bigger houses to accommodate their office space. To meet their growing needs, there is a trend of shifting to larger homes in bigger cities.

## Rapid Urbanisation

The demand for housing in cities is being determined by rapid urbanisation and the ensuing demographic shifts. By 2036, 39 percent of Indians are anticipated to reside in cities which will in turn drive the housing sector.

## Government initiatives

Focus on bringing transparency in the real estate business and creating affordable homes for all will be essential in giving this sector a much-needed boost.

Urban planning has taken a centre stage. A high-level committee for urban planners and institutes will be framing policies for development. By assisting the transformation of Tier 1, Tier 2, Tier 3 and Tier 4 cities, this will stimulate the residential real estate market.

To make the market more accessible to small and retail investors, the Securities and Exchange Board of India reduced the minimum application value for Real Estate Investment Trusts from ₹ 50,000 to ₹ 10,000-15,000 in 2021.

## Business Segment Overview

Over the past 34 years of its existence, Can Fin has gained a good reputation across the country as a reliable HFC. Can Fin Homes performed exceedingly well in FY22 despite the second wave of Covid-19. The Company's broad selection of loan products under Housing and Non-Housing category are suitable for meeting the various needs of a wide spectrum of customers. In a fiscal year that was mostly dominated by the Pandemic, necessary steps were taken to strengthen the Company.

The Company's primary focus was on retail house loans in the LIG and MIG spaces. During FY22, the Company's Loan Book Portfolio stood at ₹ 26,711 Cr as against ₹ 22,105 Cr. In comparison to the previous year's total of ₹ 4,631 Cr, the loans approvals figure was ₹ 8,896 Cr. The Disbursements totalled ₹ 8,279 Cr in FY22, as compared to ₹ 4332 Cr in FY21.

The Company's Product Basket includes Individual Housing Loans, Site Loans, Composite Loans (Purchase of Site and Construction), Personal Loans, Mortgage Loans, Loans against Rent Receivables (LRR), Loans for Commercial Properties (LCP), Flexi LAP, Commercial Housing Loan, Loan on Deposit, Special Urban Housing Refinance Scheme – Direct, Special Urban Housing Scheme- Indirect, CFHL Top Up Loan (235), CFHL Nishchint -Loan for Pensioners, Flats under construction etc.

### Lending mix

90% of the Loan Book is made up of Housing Loans, and 10% is made up of Non-Housing Loans, of which 75% loans are for Salaried People and 25% for Self Employed.

### Deposit Schemes

As per the rules of the National Housing Bank (NHB) and Reserve Bank of India (RBI), Can Fin is one of the few institutions permitted to accept Fixed and Cumulative Deposits from the Public. Fixed and Cumulative deposits are the two types of deposits accepted. Senior Citizens are entitled to an additional ROI of 0.50% over

the card rates. For fixed deposit schemes, the minimum deposit amount is ₹ 2 Lakh, with options for quarterly, half-yearly, and annual interest payments, and ₹ 10 Lakh for monthly interest payments. The minimum deposit amount for the cumulative scheme is ₹ 20,000. In this case both the principal and interest are paid upon maturity.

### Funding Mix

For the purpose of supporting its lending, CFHL obtains term loans, credit lines from banks, refinance from the National Housing Bank and money market instruments such as non-convertible debentures (NCDs) and commercial papers (CPs) from the retail market. The borrowings of the company as of March 31, 2022, stood at ₹ 24647.67 Cr.

The Company has always ensured comfortable liquidity levels by following a prudent financial strategy which includes a careful and optimal mix of funding sources. The effectiveness of the cost of funding is regularly assessed, and it is seen that cost has steadily decreased in the last FY. The market liquidity crunch did not adversely affect the Company.

## Risk and concerns

As risk is an integral part of business, CFHL manages various risks like Credit Risk, Operational Risk, Market Risk and Liquidity Risk prudently with the help of standard procedures, systems and guidelines

### Credit Risk :

Credit Risk arises on account of default in payment of instalments and is inherent in any lending activity.

### Mitigation :

Credit Risk is managed by sound credit norms and a pragmatic credit policy. All new proposals undergo the Credit Appraisal Process which involves a comprehensive Credit Risk assessment standardized procedure for an in-depth analysis of related subjective and objective information of each borrower for correctly gauging their individual creditworthiness. This is most essential for lending. The Company uses various credit assessment agencies like the Credit Information Bureau of India Limited (CIBIL), Experian etc., the Central Registry of Securitization Asset Reconstruction and Security Interest of India (CERSAI) to assess the potential risk of a new borrower.

Apart from the check while onboarding a borrower, the Risk Management Policy mandates the periodic assessment of the existing borrowers creditworthiness during the annual resetting of interest. The Offsite Transaction Monitoring System (OTMS), which is an internal monitoring mechanism, provides the necessary inputs and information regularly for corrective action on time.

Review of SMA Accounts is a continuous process for maintaining asset quality.

### Market Risk and Interest Rate Risk:

External factors such as inflation, deflation, demand, supply dynamics are responsible for this type of risk and are not within the control of the Company. Due to negative trend in market prices, risks like funding risk, liquidity risk and interest rate risk arise.

### Mitigation:

All loans availed after April 01, 2017 are subject to annual reset of interest rates. A proper mix of short term and long term debt is an intrinsic part of our borrowing policy along with fixed and floating rate instruments. Rate sensitive assets which can be re-priced, takes care of Interest rate fluctuations.

### Liquidity Risk:

Insufficient funds to meet liabilities constitutes Liquidity Risk. Market liquidity conditions govern this risk of not getting adequate funds when required.

### Mitigation:

Asset-liability management tolerance levels are keenly watched, as a practical risk mitigation measure. CFHL keeps its borrowing options open and raises funds from different sources like NHB, Banks, NCDs, CPs and Deposits. This enables obtention of funds at lowest possible rates and strengthens liquidity management. ALCO committee at RO reviews its funds requirement regularly. The Company is thus able to have a sound liquidity position.

## Covid – 19

Covid-19 has been a major game changer for business, globally. Loss of lives, jobs, income are the consequences of the pandemic and the entire world is still grappling with many issues in the aftermath of this scourge.

In India, the impact of the second wave was for a shorter period and comparatively lesser. Functioning of various economic sectors improved in the second half of the fiscal.

### Mitigation:

The Covid-19 appropriate behavior continues to be followed by all employees of the Company.

On the lending front, CFHL has exercised abundant caution in order to safeguard the borrowers, maintain the balance required and reduce the adverse impact.

On the liquidity front, the available credit lines sanctioned to us by various institutions have helped us to overcome the difficult situation.

On the collections front, CFHL has followed and applied the moratorium guidelines issued by RBI, wherever applicable.

## Asset Liability Management

The Asset Liability Committee (ALCO) has operational control over the balance sheet and asset liability mismatches. ALCO evaluates cash flows over several time periods to determine the behaviour of assets, liabilities, and off-balance sheet items. ALCO avoids inconsistencies between funding sources and uses. With restrictions specified for interest rate sensitivity and liquidity mismatch, ALCO enables efficient operations while adhering to the review procedures and parameters outlined by the National Housing Bank/RBI. According to the Board-approved Policy on Borrowings, the competent authority takes an unanimous decision on the Company's borrowings.

The Company's financials are frequently reviewed by the Risk Management Committee, Audit Committee, and Board of Directors.

## Internal audit

Internal Control for operational effectiveness, efficiency, reliable financial reporting and compliance with laws, regulations and policies, is taken care of by the Internal Audit system.

The Risk Based Internal Audit team (RBIA) was further strengthened to intensify the thrust on evaluation of branches and ensure that the functioning is in consonance with the carefully formulated and well documented policies of the Company, plug loopholes and improve customer service, which is the mainstay in an organization like ours. Details of audit reports provided by the Risk Based Internal Audit (RBIA) inspection, NHB/RBI, Sponsor Bank as well as the internal and external Auditors of branches are placed before the Audit Committee of the Board for review. The reports of standalone "Application audit of IT systems" by the IT auditors and special audits for evaluating the 'efficiency' of existing internal control systems are reviewed by the Audit Committee as well as the IT Strategy Committee, periodically. The operations and performance of the audit department are reviewed by the Audit Committee.

The Board of Directors scrutinizes and reviews the risk profile of the Company, KYC/AML compliances, legal compliance report, ALM at quarterly intervals and compliance of fair practice code, and customer complaints at periodical intervals as per the regulatory guidelines. The critical analysis/review of the various policies of the Company is done by the various Committees prior to approval by the Board.

## Asset quality

Asset Quality is one of the most crucial aspects of an organization, which determines its financial soundness and health.

The Loan Assets of CFHL are administered by the Management with significant time, energy and resources, spent on the same. The critical aspect of reviewing a loan portfolio with regard to borrower default under contractual agreements of payment is undertaken with focus and due diligence. The factors responsible for default are reviewed within the context of any local and regional conditions that adversely affect the Company performance. The adequacy of loan appraisal standards, risk identification practices, reasons resulting in NPAs, existence of asset concentration, timely identification of delinquency and collections, adequacy of internal controls and MIS, the nature of credit documentation are all meticulously verified at various levels for initiating proper and timely action.

The Company has a robust recovery mechanism to contain NPAs, supported by SARFAESI Act. Relentless follow-up both at the branch and Central level, significantly improves collection figures.

As of March 31, 2022, the Gross NPA stood at ₹ 170.59 Cr (0.64%) as against ₹ 201.91 Cr (0.91%) during the previous year.

## Provision for loans

Being a housing finance company, the guidelines given by the National Housing Bank (NHB)/RBI regarding Prudential Norms on Asset Classification and provisioning requirements have to be followed. The Company provides for impairment of financial assets on the basis of the Expected Credit Loss Model or the Prudential norms of NHB / RBI whichever is higher.

## Human Capital

CFHL's management, employees and workers form the Company's workforce. They are our intangible assets and the Company's performance is heavily dependent on their knowledge, competency aptitude and efforts. Our employees comprise a good mix of confident, energetic and enthusiastic youngsters on one hand and several mature, experienced and perceptive seniors on the other hand.

'Excellence is not being the best, but doing your best'. Can Fin abides by this philosophy and lays adequate emphasis on the professional and personal welfare of the staff. Continuous learning is stressed upon in the human resource policy to meet the expectations of the management and to fructify the ambition and aspirations of employees. Several orientation and training programmes are conducted to motivate the staff and help improve efficiency and job proficiency. Several staff welfare measures are implemented to take care of employee interests, which in turn improve productivity.

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

The Company is not as such involved in manufacturing activity, therefore the reporting on sustainable sourcing is not applicable.

- b. If yes, what percentage of inputs were sourced sustainably?

Not applicable.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

Can Fin Homes Ltd. Is a housing finance company and does not manufacture any products. Hence this question is not applicable to the company's operations.

Given the nature of the business, the Company has limited scope to use recycled material as processed inputs. However, the Company has systems in place at an all-India level to manage e-waste. The Company engages with certified e-waste handlers for disposal of e-waste like computers, printers & scanning machines. Approximately 370 kgs of e-waste generated was disposed through authorized recyclers in FY22. The Company uses local vendors for disposal of paper for recycling.

The Company disposes storage media securely, when no longer required, using formal procedures/guidelines. The Company verifies all items of equipment containing storage media, to ensure that any sensitive data and licensed software has been removed or securely overwritten prior to disposal or re-use.

Expiry of useful life, obsolete technology, defects beyond repairs etc. are the key factors for deciding the disposal of equipment.

\*The primary business activity of the Company is providing housing finance. The loan cycle is a sequential process ranging from sourcing of the loan to loan approval, disbursement, servicing and repayment of the loan. Details are elucidated below:

### Sourcing of Loans

Individual home loans are sourced directly as walk-in applications at Company's branches, through the online portal or through channel partners.

### Loan Processing

- **Credit Appraisal**

All loans are processed by the Branch heads. The appraisal process for determining the loan eligibility involves underwriting of the submitted documents and undertaking various checks to ensure authenticity of the documents, genuineness of the transaction and compliance with all regulations. The credit underwriting process is digitally enabled. Supporting documentation for loan appraisals are digitally enabled. This has helped to reduce paper consumption. The digital fetch tools helps in faster authentication of supporting documentation such as income tax returns and GST returns, bank analyser statements amongst others. The Company is in the process of technology transformation to Core Business to become future ready to embrace new digital technologies and build a competitive advantage.

- **Legal Appraisal**

The required title and other documents pertaining to the individual property being financed are verified by empanelled Lawyers to ensure that the title is clear and marketable and can be mortgaged in favour of the Company.

- **Technical Appraisal**

Simultaneously, the technical appraisal process involves verification of property by the Branch officials and collection of valuation reports from empanelled valuers to ascertain the approach and the value of property.

### Disbursement

Disbursement process commences after approval of the loan and verification of requisite documents.

### Repayment & Closure

Once the loan is fully repaid/prepaid, the original/copy of title documents for the property with any other documents procured during the legal process are then released and handed over to the customer with a mortgage release letter stating that all dues towards the loan has been fully repaid.

### Deposits

Sourcing of the deposit could be directly by the customer or through a deposit agent. The requisite KYC checks and other information details of depositors are collected and reviewed to ensure compliance with extant regulations. Post this, a deposit certificate is issued to the customer. Periodic intimations are sent to customers and upon maturity, the deposits are either renewed or repaid to the customer.

## Grievance Redressal Mechanism

As part of the Grievance Redressal policy, the Company has a complaint management system to record and redress grievances/ feedback from customers, which helps in ensuring standard operating procedures and enhancing service standards. The Grievance Redressal department ensures a timely resolution and sending appropriate responses and meets the requirements of the customers.

- All employees of the Company undergo on a Quarterly performance appraisal process as determined by the Company.
- At the end of year, based on the quarterly performances an annual performance appraisal for each of the employees is made which is used for promotions, placements etc.
- The underlying philosophy of the performance management system is to have a fair and transparent system of appraisal, which ensures an objective mechanism to measure each employee's performance and the variable pay component is based on the scores of such appraisals.

## 10. Health and safety management system

- a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

Owing to the nature of the business, per se there are no occupational health and safety risks due to the nature of the work. Owing to COVID-19 induced pandemic, health and safety issues became paramount for both employees/visitors in the office premises and for field staff and periodic internal communication and alerts were sent to employees regarding COVID-19 protocols on safety related aspects.

- b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

Given the nature of business, this is not directly applicable. However, in light of the pandemic, the Company recognizes the risks of infections that could take place in the office premises. To minimise these risks, the Company took necessary precautions at the offices, which included sanitisation of all office premises, removal of biometric scanners, installation of thermal scanners, daily communication updates, working in shifts, restricted movements in common areas and avoidance of large gatherings. The Company also adhered to all the government directives and issued travel and health advisories to its employees and advised its employees to work from home as required or on a rotational basis to ensure employee safety and business continuity.

- c. Whether you have processes for workers to report the work related hazards and to remove themselves from such risks. (Y/N)

Given the nature of business, this is not directly applicable. However, in light of the pandemic, the Company has necessary protocols and systems in place to ensure employees' safety is not compromised at the workplace and intimation of symptoms/infections by employees/their family is done. The Company has organised vaccination Camps for its employees in an endeavor to urge all employees and their families to get vaccinated.

- d. Do the employees have access to non-occupational medical and healthcare services? (Yes/ No)

Yes. All employees of the Company are covered under the company's health insurance and personal accident policy.

# Report of Directors on Corporate Governance

A Report on Corporate Governance for the year ended March 31, 2022 is given below, pursuant to Schedule V(C) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations")

Effective corporate governance practices constitute a strong foundation on which successful commercial enterprises are built to last. Your Company's corporate governance philosophy is based on the principles of 'Accountability', 'Transparency', 'Fairness', 'Values' and 'Ethics' which forms an integral part of the Management's initiative in its dealing with Stakeholders. Accordingly, in the endeavor to take balanced care of Stakeholders, your Company adheres to good corporate governance practices in its business processes. The Company has a strong legacy of fair, transparent and ethical governance practices. The Company has in place a Code of Conduct for its Employees, Senior Managerial Personnel and its Directors to strengthen corporate governance.

Corporate Governance is a set of systems and voluntary practices ensuring commitment to values, compliance of statutory regulations, political and economic environments, ethical conduct of business, accountability, transparency, disclosures and acceptance by management of the inalienable rights of shareholders as the true owners of the Company. It

involves relationships between the Management, the Board of Directors and all its Stakeholders.

Good Corporate Governance is a well-defined and enforced structure that works for the benefit of everyone concerned by ensuring that the enterprise adheres to accepted ethical standards, best practices and formal laws. The main objective of Corporate Governance is not only to protect the interest of the Shareholders but also to enhance Shareholders value. It is rightly said that Corporate Governance is a philosophy which touches every aspect of the functioning of a corporate and its Stakeholders. It is not an end itself but a means to practice and bring about corporate democracy at all levels of the corporate entity.

The Company has adopted improved and efficient governance structures to ensure quality decision making, facilitate effective succession planning for Senior Management and enhance the long-term prosperity. Our Corporate Governance framework thus encompasses:

Good corporate governance helps companies build trust with investors and the community. As a result, corporate governance helps promote financial viability by creating a long-term investment opportunity for market participants. Company's corporate governance is important to investors equally as it shows from time to time the Company's direction and business uprightness.

As a good corporate citizen, your Company is dedicated towards following the best practices built through conscience, fairness, transparency and accountability in building confidence of its various Stakeholders in it, thereby paving the way for its enduring success.

The Corporate Governance arrangements are those through which an organization directs and controls itself and the people associated with it by establishing standards and codes of conduct. Good Corporate Governance is a way of life that necessitates taking into account the stakeholders' interests in every business decision. This report gives a comprehensive look at how our governance adheres to our corporate governance framework.

## 1. Company's Philosophy on Code of Governance

The Company, the Board, the Promoters and the Employees have embraced statutory and regulatory changes towards strengthening corporate governance. The Company's corporate governance philosophy encompasses enhancement of value for all Stakeholders. The Company's Board follows ethical standards of Corporate Governance and adheres to the norms and disclosure requirements mentioned under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI (LODR) (Amendment) Regulations passed from time to time (hereinafter collectively referred to as "the Listing Regulations") as applicable and looks at corporate governance as a part of its business.

The Company has a strong commitment to the principles that underline the effective corporate Governance. The Company's Board oversees how the management serves and protects the long-term interests of the stakeholders. Over more than three decades, the Company has put in place the best practices for the timely, adequate, explicit and accurate disclosure of information on Company's financials, performance, governance and other related matters.

Your Company has been responsive to its Stakeholders and striving to provide equal, timely and cost-efficient access to relevant information to all with whom it has business relations.

The Board has a set policy on Corporate Governance to help fulfil Company's corporate responsibility towards its stakeholders. The Board, at its discretion, may change the policy or guidelines periodically to achieve Company's stated objectives. Further, these guidelines allow the Board to make decisions that are independent of the management. The policy is available on the website of the Company at the link <https://www.canfinhomes.com/pdf/Corporate-Governance-Policy-2021.pdf>

Your Company has built confidence amongst the Stakeholders all these years by adherence to the standards and principles of corporate governance, compliance with statutory and regulatory directions/guidelines, and by its determination to achieve higher levels of excellence in the areas of meeting stakeholder expectations, customer satisfaction, employee welfare and its obligations towards the society.

Your Company strives to achieve the objectives of the principles to protect and facilitate the exercise of the rights of its shareholders like right to be informed of the changes, effective participation & voting in general meetings, adequate mechanism to address the grievances of the shareholders, stakeholders, etc., and provide timely and adequate information to shareholders, equitable treatment, etc. Your Company respects the rights of its stakeholders.

The directors are pleased to present this report on the Corporate Governance practices followed in your Company.

## SHARE TRANSFER SYSTEM

The Board has delegated the powers to the Company Secretary and one of the Asst. General Managers at the Registered Office of the Company to consider and approve share transmissions /consolidation / sub-division, etc. and such requests are processed once in ten days. However, in cases of disputes over title to shares pending before Courts or where stop transfer instructions are registered by owners, the transfers take place on resolution of disputes between the parties and/or in terms of the applicable provisions of law.

The matter connected with the share transfer/transmission and other related matters are being handled by Registrars and Transfer Agents located in the address mentioned above. In terms of SEBI (LODR) (Fourth Amendment) Regulations, 2018, w.e.f. 01/04/2019, requests for effecting transfer of securities shall not be processed unless the securities are in dematerialized form with a depository. All requests for dematerialization of securities are processed and the confirmation is given to the depositories within 15 days.

Grievances received from the investors and other correspondences relating to change of address, transmission, dematerialization, revalidation, mandates, etc., are processed by our RTA within stipulated timelines as per SEBI guidelines from time to time. In case of shares in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. In compliance with the Listing Regulations, a Practicing Company Secretary carries out audit of the System of Transfer and a certificate to that effect is issued.

Members holding shares in physical form are requested to consider converting their holdings to dematerialized form.

Certificates are being obtained and submitted to Stock Exchanges on half yearly basis from a Company Secretary in practice towards due compliance of share transfer formalities by the company within the due dates, in terms of Regulation 40 (9) of SEBI LODR Regulations, 2015.

The Company as required under Regulation 46 of the SEBI LODR Regulations, 2015, has designated the following email ID namely investor.relationship@canfinhomes.com for the purpose of registering complaints if any by the investors and expeditious redressal of their grievances.

The Shareholders are therefore, requested to correspond with RTA for transfer/transmission of shares, change of address and queries pertaining to their shareholdings at the address given in this report.

## PROCEEDS FROM PUBLIC ISSUES, RIGHTS ISSUE AND PREFERENTIAL ISSUE, AMONG OTHERS

The Company did not raise money through any public issue, rights issue or preferential issue during FY 2021-22.

## DEMATERIALIZATION OF SHARES AND LIQUIDITY

The equity shares of the Company are in the list of scripts specified by SEBI to be compulsorily traded in the electronic form. About 98.75% of paid up capital is held in dematerialised form and the remaining 1.25% are held in physical form. The securities of the Company are admitted as the 'Eligible Securities' into the Depository system by NSDL and CDSL. The shares of the Company are listed and traded actively on the stock exchanges and hence the liquidity for the shares of the Company is high.

## RECONCILIATION OF SHARE CAPITAL AUDIT

As required by the Listing Regulations, quarterly audit of the Company's share capital is being carried out by an independent external auditor with a view to reconcile the total share capital admitted with NSDL and CDSL and held in physical form, with the issued and listed capital. The Secretarial Auditor's Certificate with regard to the same is submitted to BSE Limited and National Stock Exchange of India Limited and is also placed before the Board of Directors.

# Independent Auditor's Report

To  
The Members of  
Can Fin Homes Limited

## Report on Audit of the Standalone Financial Statements

### Opinion:

We have audited the standalone Ind AS financial statements of Can Fin Homes Limited ("the Company") which comprise of balance sheet as at March 31, 2022, the statement of profit & loss, statement of changes in equity and the cashflow statement for the year then ended, notes to Ind AS financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, profits, changes in equity and its cash flows for the year ended on that date.

### Basis of Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of

Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter:

Attention of the members is invited to note 47.2 to the financial statements which describes the probable impact of the COVID-19 pandemic on the Company's operations and financial position, including the credit quality and requirement for provisioning, is uncertain and will depend on future steps as they evolve and is highly unpredictable at this stage. Our opinion is not modified in respect of this matter

### Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

### Key audit matters

#### Expected Credit loss allowances:

Expected credit loss allowances relating to loans and advances are determined on a portfolio basis, with the use of impairment models. These models are based on historical loss experience and use a few key assumptions including probability of default, loss given default (including propensity for possession and forced sale discounts for mortgages) and valuation of recoveries. Our work therefore focused on the appropriateness of modelling methodologies adopted and the significant judgements required. Refer to Note 2(i) to the financial statements accounting policy on accounting for the impairment of financial assets and Note 40(i) to the financial statements for credit risk disclosures and for Credit impairment charges and other provisions

### How our audit addressed the key audit matter

We have reviewed the expected credit loss model developed and used by the management at the entity level. This included assessing and challenging the appropriateness of key judgements. We tested the formulae applied within the calculation files, the completeness and accuracy of key data inputs, sourced from underlying systems that are applied in the calculation. We also tested the reconciliation of loans and advances between underlying source systems and the expected credit loss models.

| Key audit matters  | How our audit addressed the key audit matter   |
|--|--|
| <p><b>Information Technology ('IT') systems and controls:</b></p> <p>The Company's key financial accounting and reporting processes are highly dependent on information systems including automated controls in information systems, such that there exists a risk that, gaps in the IT control environment could result in the financial accounting and reporting records being misstated.</p> <p>We have identified 'IT systems and controls' as key audit matter because of significant use of IT system and the scale and complexity of the IT architecture.</p> | <p>Our audit procedures included verifying, testing and reviewing the design and operating effectiveness of the IT system by verifying the reports and other financial and non-financial information generated from the system on a test check basis. Our audit procedures included:</p> <ul style="list-style-type: none"> <li>• Evaluation of the design and testing the operating effectiveness of certain automated controls that were considered as key internal controls over financial reporting including the completeness and accuracy of data feeds, and automated calculations.</li> <li>• Ensuring that deficiencies noticed in our verification were informed to the management for corrective action, which is already been done;</li> <li>• Carrying out independent alternative audit procedures like substantive testing in areas where deficiencies were noticed;</li> <li>• We have considered the report given by IT audit specialists on design and operating effectiveness of the General IT Controls and assessed its impact on the key financial accounting and reporting systems;</li> <li>• Our audit procedures also included the consideration of the observations noted by the statutory branch auditors on the assessment of IT controls over the monitoring of loans, and reviewing the logic and assumptions used in the operating systems and other related IT system controls.</li> </ul> <p>Performing substantive tests on sample automated controls and comparing them with the manual outputs.</p> |

#### Other Matters:

The limited review/ audit of the financial results for the quarter and year ended March 31, 2021 was carried out by Varma & Varma, Chartered Accountants, the Statutory Auditor of the Company, who had expressed an un modified opinion, as the case may be on those financial results. Accordingly, we do not express any conclusion/ opinion, on the figures so reported in the financial statements for the year ended March 31, 2021.

#### Other Information, [such as "Information Other than the Financial Statements and Auditor's Report Thereon"]:

The Company's Board of Directors is responsible for the other information. The other information comprises the board report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for Standalone Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the

accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements:**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion

on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements:**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure – A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The reports on the audit of accounts of 160 branches, by statutory branch auditors appointed by the Company in accordance with the guidelines prescribed by Reserve Bank of India have been sent to us in terms of section 143(8) of the Act and have been dealt in the manner considered appropriate, while preparing our report.
- d) The Balance Sheet, the Statement of Profit and Loss, statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- f) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on that date from being appointed as a director in terms of Section 164 (2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure - B".
- h) With respect to the other matters to be included in the Auditor's Report in accordance with requirement of Section 197 (16) of the Act, as amended:

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Company is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Company, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not

prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The Company has disclosed its pending litigations in note 36 of the financial statements which would impact its financial position.
  - ii) The Company did not have any long-term contracts as required under the applicable law or accounting standards, and also not entered into any derivative contracts, accordingly no provision is required to be made in respect of material foreseeable losses.
  - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv) a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in

writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the

representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement

- v. The dividend declared or paid during the year by the Company is in accordance with section 123 of the Act. The interim dividends declared by the Board and paid by the Company during the year is subject noting and confirmation by the members of the Company in ensuing annual general meeting.

# ANNEXURE-B REFERRED TO IN PARAGRAPH 2 (f) UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT TO THE MEMBERS CAN FIN HOMES LIMITED.

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"):

We have audited the internal financial controls over financial reporting of Can Fin Homes Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

## Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

## Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and

perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised

acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in

conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion:**

In our opinion, the Company, has an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively in all material respects as at March 31, 2022, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

# Notes forming part of Financial Statements

for the year ended March 31, 2022

## 1. Company Overview

Can Fin Homes Ltd (The Company), set up under the sponsorship of Canara Bank, was incorporated in the year 1987, The Company is a housing finance institution approved by National Housing Bank (NHB), the apex authority of housing in the country. It is a listed company and its shares are traded in all the major stock exchanges in the country. The company has its head office in Bengaluru, Karnataka. The financial statements of the Company has been approved by the Board of Directors at their meeting held on April 29, 2022.

## 2. Summary of Significant Accounting Policies:

### a) Statement of compliance:

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable read with Section 133 of the Companies act, 2013 (the "Act") and guidelines issued by National Housing Bank.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

### b) Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments);
- ii. Defined benefit and other long-term employee benefits

### c) Use of estimates and judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, and disclosure of Contingent liabilities at the date of these

financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are as below:

1. Measurement of Expected Credit Loss
2. Measurement of useful life of Property, Plant & Equipment
3. Estimation of Taxes on Income
4. Estimation of Employee Benefit Expense"

### d) Financial instruments

#### Initial recognition and measurement:

All financial instruments are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition of the financial asset are recognised in determining the carrying amount, if it is not classified as at fair value through profit or loss.

Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. Loans, borrowings and payables are recognised net of directly attributable transaction costs. Subsequently, financial instruments are measured according to the category in which they are classified.

#### Subsequent measurement:

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non- derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI or fair value through profit and loss account (FVTPL), non-derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL

# Notes forming part of Financial Statements

for the year ended March 31, 2022

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

## a) Non-derivative financial assets

### (i) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest rate method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets. Cash and cash equivalents are highly liquid instruments that are readily convertible into cash and which are subject to an insignificant risk of changes in value and comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

### (ii) Debt instruments at FVTOCI

debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- (a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and

- (b) the asset's contractual cash flow represents SPPI

Debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain/(loss) in statement of profit and loss. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

### (iii) Debt Instruments at FVTPL

A financial asset shall be measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

## b) Non-derivative financial liabilities

### (i) Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

## e) Statement of Cash Flows:

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

Cash flows are reported using the indirect method whereby profit or loss is adjusted for the effects of the transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows.

# Notes forming part of Financial Statements

for the year ended March 31, 2022

## f) Property, plant and equipment

### i) Recognition and measurement:

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Costs include directly attributable expenditure incurred up to the date the asset is ready for its intended use.

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital advances and capital work-in-progress respectively. Depreciation is not recorded on capital work-in-progress until installation is complete and the asset is ready for its intended use.

Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

### ii) Depreciation:

Depreciation on tangible assets is provided on the Written Down Value method over the estimated useful life of the assets as prescribed in Schedule II of the Companies Act, 2013, except in case of servers, where the useful life is estimated to be 3 years considering its nature, estimated usage, operating conditions, anticipated technological changes, manufacturers warranties and maintenance support.

Depreciation methods, useful life and residual values are reviewed at least at each year end. Changes in expected useful life are treated as change in accounting estimate.

When parts of an item of property, plant and equipment have different useful life, they are accounted for as separate items (major components) of property, plant and equipment.

## g) Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairments. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors.

The estimated useful lives of intangible assets for the current and comparative period are as follows:

| Asset    | Estimated useful life |
|----------|-----------------------|
| Software | 5 Years               |

## h) Lease

The Company recognises assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The Company is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. The Company measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities. As a consequence, the Company recognises depreciation on the right-of-use asset and interest on the lease liability. The depreciation would usually be on a straight-line basis. Assets and liabilities arising from a lease are initially measured on a present value basis. The measurement includes non-cancellable lease payments (including inflation-linked payments), and also includes payments to be made in optional periods if the Company is reasonably certain to exercise an option to extend the lease, or not to exercise an option to terminate the lease."

## i) Impairment

### i) Financial assets

Ind AS 109 establishes a credit risk impairment model based on expected losses. This model will apply to loans and debt instruments measured at amortised cost or at fair value through shareholders' equity (on a separate line), to loan commitments and financial guarantees not recognised at fair value, as well as to lease receivables. The impairment model under

# Notes forming part of Financial Statements

Ind AS 109 requires accounting for 12-month expected credit losses (that result from the risk of default in the next 12 months) on the financial instruments issued or acquired, as of the date of initial recognition on the balance sheet. Expected credit losses at maturity (that result from the risk of default over the life of the financial instrument) will be recognised if the credit risk has increased significantly since initial recognition (Stage 2) or have become credit impaired (Stage 3).

Under the standard, there is also a rebuttable presumption that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due. Based on past experience, the company has developed the ECL model rebutting this presumption and uses 30 days past due as the trigger for confirming a significant increase in credit risk. The structure of the ECL model developed by the company is :

| Stage | Assets  |
|-------|---|
| 1     | Standard Assets/SMA 0* assets : Over due for 30 days                              |
| 2     | SMA 1 and SMA 2 Assets : Over due more than 30 days to 90 days                    |
| 3     | Sub-standard, Doubtful and Loss Assets (all NPAs) – Overdue for more than 90 days |

\*SMA- Special Mention Accounts.

The Company assesses periodically and at each balance sheet date whether there is objective evidence that a financial asset or group of financial assets is impaired. Impairment allowances represent management's best estimate of the losses incurred within the loan portfolios at the balance sheet date. They are calculated on a collective basis for portfolios of loans of a similar nature and on an individual basis for significant loans. The calculation of both collective and specific impairment allowances is inherently judgmental. Collective impairment allowances are calculated using models which approximate the impact of current economic and credit conditions on large portfolios of loans. The inputs to these models are based on historical loss experience with judgement applied to determine the assumptions (for example the value of collateral) used to calculate impairment. The amount of provision for loan losses is calculated by multiplying the exposure at default (EAD), Probability of Default (PD) and Loss Given Default (LGD).

EAD is the amount of outstanding in the account and the interest accrued. PD has been arrived at on the basis of the average of defaults over the past four years in the category to which the asset belongs. LGD is the amount of default expected to occur after considering the value of the security offered as collateral.

Being a housing finance company, the company has to follow the guidelines given by the National Housing Bank (NHB) on Prudential Norms on Asset Classification and provisioning requirement. The Prudential norms prescribed by NHB do not consider the value of security for standard and sub-standard assets. The company provides for impairment of financial assets on the basis of the Expected Credit Loss Model or the Prudential norms of NHB whichever is higher.

## ii) Non-financial assets

The Company assesses at each Balance sheet date whether there is any objective evidence that a non-financial asset or a group of non-financial assets maybe impaired. If any such indication exists, the Company estimates the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in the statement of profit and loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

## j) Employee Benefits

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service.

# Notes forming part of Financial Statements

for the year ended March 31, 2022

Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

The Company has the following employee defined contribution plans:

## i) Employee State Insurance

The Company's contribution to state plans namely Employee's State Insurance Scheme is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the employee renders services.

## ii) Employee Pension Scheme

The Company's contribution to state plans namely Employee's Pension Scheme is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the employee renders services.

## iii) Employee Provident Fund.

Liability in respect of contribution to Employee Provident fund is estimated on the basis of valuation in a manner similar to gratuity liability and is recognised in the balance sheet net of the fair value of the plan assets.

## iv) Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days of last drawn salary for every completed year of service. Vesting occurs upon completion of five years of service. The Company make annual contributions to gratuity funds established as trusts and accounts for the liability for Gratuity benefits payable in the future based on actuarial valuation.

Actuarial gains or losses are recognized in other comprehensive income. Further, the statement of profit and loss does not include an expected return on plan assets. Instead net interest recognized in statement of

profit and loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income.

Re-measurements comprising actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to statement of profit and loss in subsequent periods.

## v) Compensated absences

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognizes accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognized in the period in which the absences occur. The Company recognizes actuarial gains and losses immediately in the statement of profit and loss.

## vi) Leave Travel Concessions:

All confirmed employees are entitled to leave travel concession once in two years, the liability in this respect is recognised in the year the related service is rendered at the undiscounted amount of the benefit expected to be paid in exchange for that service.

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

# Notes forming part of Financial Statements

for the year ended March 31, 2022

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

## k) Revenue recognition

Revenue is measured at fair value of consideration received or receivable. Revenues are recognised when collectability of the resulting receivables is reasonably assured.

### i) Interest

Interest income and expense are recognised in the statement of profit or loss using the effective interest (EIR) method. The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, when appropriate, a shorter period to the net carrying amount of the financial asset or financial liability. When calculating the effective interest rate, the Company estimates cash flows considering all contractual terms of the financial instrument but does not consider future credit losses.

Fees that are integral part of EIR are recognised as interest income.

### ii) Fees and Commission

Fees and commission income include fees other than those that are an integral part of EIR. The company recognises such fee and commission income in accordance with terms of the relevant contracts / agreements with the customers.

### iii) Insurance Commission

Commission on sale of insurance policies are recognised on an accrual basis in accordance with the agreed rates with the Insurer.

### iv) Income from Investments

Interest Income on Investments in government securities is recognized as it accrues in the statement of profit and loss, using the effective interest method and interest on other investments is recognised on accrual basis.

### v) Dividend Income

Dividend income is recognized in the statement of profit and loss on the date that the Company's right to receive payment is established.

### vi) Other income

Other Income represents income earned from the activities incidental to the business of the Company and is recognised when the right to receive the income is established as per the terms of the contracts.

## l) Finance expense

Finance expenses consist of interest expense on loans and borrowings. Borrowing costs are recognized in the statement of profit and loss using the effective interest method.

## m) Foreign Currency

### i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

### ii) Transactions and Translations

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date. Exchange differences arising on settlement of transactions are recognised in the statement of profit and loss.

Foreign currency gains and losses are reported on a net basis. This includes changes in the fair value of foreign

# Notes forming part of Financial Statements

for the year ended March 31, 2022

exchange derivative instruments, which are accounted at fair value through profit or loss.

## n) Income tax

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income in which case is also recognised outside the statement of profit and loss.

### a) Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

### b) Deferred taxes

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilised business loss and depreciation carry forwards and tax credits.

Deferred tax asset is recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when

the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

## o) Earnings per share (EPS)

Basic earnings per share is computed by dividing net profit after tax by the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

## p) Borrowing Costs

Borrowing costs include interest, commission/brokerage on deposits and exchange differences arising from foreign currency borrowings to the extent they are regarded as adjustment to interest cost. Interest expenses are accrued on a timely basis, by reference to the principal outstanding and at the effective interest rate (EIR) applicable. The effective interest method is a method of calculating the amortised cost of a financial liability and allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

## q) Provisions and contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of each reporting period, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

# Notes forming part of Financial Statements

for the year ended March 31, 2022

Contingent liabilities are not recognized but are disclosed in the notes to financial statements. Contingent assets are not recognized but are disclosed in the notes to financial statements when economic inflow is probable.

## r) **Onerous contracts**

Provision for onerous contracts i.e., contracts where the expected unavoidable costs of meeting the obligations under the contract exceed benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required

to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

## s) **Segment**

The Company is engaged mainly in the business of Housing finance. The Company is also involved in the corporate insurance agency business activity, however it is not a separate reportable segment as per the Ind AS 108 "Operating Segments", specified under Section 133 of the Companies Act, 2013. This in the context of Ind AS 108 – operating segments reporting are considered to constitute one reportable segment.

#### Sensitivity Analysis

The sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of reporting year, which is same as that applied in calculating the defined benefit obligation liability recognized in the balance sheet.

## Note 41 Financial Risk Management

### i) Credit Risk

It is defined as the inability or unwillingness of the counterparty to meet the commitment in relation to lending, trading, hedging, settlement and other financial transactions. Also it is defined as the possibility of losses associated with diminution in the credit quality of borrowers or counter parties. The Credit policy articulates credit risk strategy to effectively communicate it throughout the company and all relevant personnel to understand company's approach to grant of credit. The Policy covers products/borrower category, frame work for appraisal process, guidelines for takeover of accounts, entry level matrix (credit scoring system) and flexibility in pricing, dispensation of credit, monitoring and review mechanism, limit structure/prudential exposure levels, reporting frame work. The Company has put in place a proper Loan Review Mechanism with responsibilities assigned in various areas such as, evaluating the effectiveness of loan administration, maintaining the integrity of credit grading process, assessing the loan loss provision, portfolio quality, etc. Credit grading involves assessment of credit quality, identification of problem loans, and assignment of risk ratings. Monitoring is being done through guidelines to branches; follow up by overseeing executives and other regular follow up.

As at balance sheet date, the Company does not have significant concentration of credit risk (Refer Note 46.10(ii)).

### ii) Financial Risk

The market risk is the possibility of loss to the Company prices of security due to changes in the market factors, mainly the changes in interest rates, and competition. It is the risk to the Company's earnings and capital due to the changes in the market interest rates. Market Risk also includes company's ability to meet its obligations as and when due. The limited avenues at the disposal of the Company for raising low cost/cost effective resources and our operating on thin spreads make market risk management all the more significant. The Company has an Investment Policy/ Borrowing Policy in place which addresses the Market Risk which defines safety and liquidity will have preference over returns. Our majority of investment is by way of Bank Deposits and Govt. securities for the purpose of maintenance of SLR as prescribed by NHB. All these deposits are held to maturity. There is an ALM Committee of Executives at RO (ALCO), which functions as the operational unit for managing the balance sheet and asset liability mismatches. All the borrowing decisions and raising short term funds in the form of Non Convertible Debentures, Commercial Papers, Securitization and such other modes, are taken at appropriate level as per the Board approved policy on borrowings. Refer Note 5.8 for Asset Liability Management.

### iv) Interest rate risk

Earnings risk is the danger that income may fluctuate due to changes in economic conditions or other factors. It is also the potential negative impact on the net interest income. The risk refers to vulnerability to movement in interest rates. Changes in interest rates effects earning, value of asset and cash flow. Asset Liability Management Committee (ALCO) meets at periodical intervals and assesses the earning risk and gives proper directions to the management to improve the NIM. Company shall monitor the income earned by way of interest and other income at quarterly intervals and place suitable notes to Board while placing notes on quarterly/ half yearly/annual financial results of the Company. The limited avenues at the disposal of the Company for raising low cost/cost effective resources and our operating on thin spreads make market risk management all the more significant. The credit rating of our borrowings also have a significant impact on our net interest margin. Refer Note 46.4 for credit rating details.

## Note 42: Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital as well as the level of dividends on its equity shares. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

## Note 47: (Contd.)

47.1 General provision required to be maintained in respect of accounts in default but standard and asset classification benefit extended, as per RBI Circular on 'COVID-19 Regulatory Package dated 17th April' 2020. Against this, the Company continues to hold a provision of ₹ 6,984.05 lakhs, on account of COVID - 19 Stress. This provision amount is disclosed as Special Provisioning for RBI regulatory package under Note 17: "Provisions"

47.2 Consequent to the outbreak of the COVID-19 pandemic, the Indian government announced a lockdown in April-May 2020. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with significant number of COVID-19 cases. India experienced the "second wave" of COVID -19 pandemic in April-May 2021 and has resulted in re-imposition of localised lockdowns in various parts of the Country. These were gradually lifted as the second wave subsided. The world is now experiencing another outbreak on account of new coronavirus variant and as a precautionary measure India has started to reimpose localised / regional restrictions.

The impact on the Company's operations and financial position, including the credit quality and requirement for provisioning, is uncertain and will depend on future steps taken by the Government/Reserve Bank of India till such time that the economic activities return to normalcy, which is highly unpredictable. The Company will continue to closely monitor any material changes to the future economic/regulatory conditions. However, operating substantially in asset mortgage business, which is relatively stable asset class, no major impact is anticipated at this juncture.

# Related Party Transactions Policy

## 1. Brief Background:

Security Exchange Board of India (SEBI) vide its circular No.CIR/CFD/POLICY CELL/2/2014 dated 17th April 2014, read with circular No.CIR/CFD/POLICY CELL/7/2014 dated 15 September 2014 has amended clause 35B and 49 of the listing agreement and SEBI (Listing Obligations & Disclosure Requirement) Regulations, 2015. In terms of the said circular and as per Reg.23 of SEBI (LODR) Regulation, 2015, it is mandatory for the listed entities to formulate a policy on materiality of related party transactions and also on dealing with Related Party Transactions including clear threshold limits duly approved by the board of directors and such policy shall be reviewed by the board of directors at least once every three years and updated accordingly.

Can Fin Homes Limited is a public limited company incorporated on October 29, 1987 under the Companies Act, 1956 (Corporate Identity Number L85110KA1987PLC008699). The equity shares of the Company are listed on BSE Limited and the National Stock Exchange of India Limited and as such the provisions of the listing agreements entered into by the Company with the said stock exchanges (hereinafter collectively referred to as the 'Listing Agreements') for equity shares, are applicable and binding on it. In addition to the above SEBI (Listing Obligations & Disclosure Requirement) Regulations, 2015 and amendments thereto is also applicable to the Company.

## 2. Objective of the Policy

The policy is framed as per requirements of Regulation 23 of SEBI(LODR) Regulations, 2015 and intended to ensure proper approval and reporting of transactions between the Company and its Related Parties. Such transactions shall be appropriate only, if they are in the best interest of the Company and its shareholders.

## 3. Scope of the Policy

During the course of its business, the Company enters into transactions with various entities. Some of the transactions were deemed to be 'Related Party Transactions' as per the Indian Accounting Standards on Related Party Disclosures (Ind AS 24), as notified by the Companies (Indian Accounting Standards) Rules, 2015. Such transactions were duly disclosed in the Annual Reports of the Company. The policy shall be applicable to the transactions made with:

- a) Board of Directors and their relatives;
- b) Key managerial Personnel (KMP) of the Company and their relatives; and
- c) Related parties, as defined under section 2 (76) of the Companies Act 2013 and as amended from time to time and the Regulation 2(1)(zb) of SEBI(LODR) Regulations, 2015.

The parties are considered to be related, if, one party has ability to control the other party or exercise significant influence over the other party, directly or indirectly, in making financial and/or operating decisions. The description of the related parties is furnished in "Appendix-1 – Definitions of various terms used in the policy".

## 4. Transactions are considered as related party transactions:

Following types of the transactions considered as related party as per section 188 of Companies Act 2013:

- (a) sale, purchase or supply of any goods or materials;
- (b) selling or otherwise disposing of, or buying, property of any kind;

## 5. Identification of potential related party transactions

Each Director and Key Managerial Personnel is responsible for providing notice to the Board or the Audit Committee, any potential Related Party Transaction involving him or her or his or her Relative, including any additional information

about the transaction that the Board/ Audit Committee may reasonably request. The Audit Committee will determine

whether the transaction does, in fact, constitute a Related Party Transaction requiring compliance with this policy.

The notice of any such potential Related Party Transaction should be given to the Board/Audit Committee well in advance so that the Audit Committee has adequate time to obtain and review information about the proposed transaction.

## 6. Process for ascertaining related party

The Accounts Dept. shall prepare a list of related party on the basis of information collected from the related parties as on 31<sup>st</sup> of March every year and as and when any person or entity becomes related party, in terms of this policy and declarations received. The related party list shall be updated whenever necessary and shall be reviewed at periodical intervals.

The internal Auditors/Statutory Auditors are required to verify the process of ascertaining the related parties and their correct recording/ listing in register of Contracts/ arrangement etc. as well as their classification regarding whether they are on arm's length basis.

The list of the related parties shall be circulated among the branches and any transactions with the related parties shall be carried out as per the Related Party Transaction policy.

## 7. Approval of Related Party Transaction:

Approval of Related party transactions by Audit Committee of the Board: All related Party Transactions proposed to be entered into by the Company shall require prior approval of Audit Committee except those transactions exempted by the committee through omnibus specific approval. All "Material" related party transactions shall require approval of the shareholders through special resolution and no related party shall vote to approve such resolutions. However, this shall not be applicable in the following cases. Transactions entered into between two government companies;

- (a) Transactions entered into between a holding company and its wholly owned subsidiary whose accounts are consolidated with such holding company and placed before the shareholders at the general meeting for approval.

Approval of the Board of Directors: All the contracts/ arrangements prescribed under Section 188(1) of the Companies Act, 2013 and within the threshold limits, which are not in the ordinary course of business of the Company or on an arm's length basis shall along with the approval of

the Audit Committee also require approval of the Board of Directors of the Company.

Approval of Shareholder: All the Material Related Party Transactions (as per Reg.23 of SEBI(LODR) Regulations, 2015) and Related Party Transactions exceeding the threshold limits, whether or not in the ordinary course of business of the Company or on an arm's length basis, shall require prior approval of the Audit Committee, the Board and the shareholders of the Company by way of Special Resolution and no related party shall vote to approve such resolution. The shareholders' approval shall not be required in respect of a resolution plan approved under section 31 of the Insolvency Code, subject to the event being disclosed to the recognized stock exchanges within one day of the resolution plan being approved.

In the following cases the prior approval of the Company by a resolution is required whenever a company is entering into a transaction, and such transaction is contracts or arrangements with respect to clauses (a) to (e) of sub-section (1) of section 188 of the Companies Act, 2013:

- i) Sale, purchase or supply of any goods or materials, directly or through appointment of agent, amounting to 10% or more of the turnover of the company as mentioned in clause (a) and clause (e) respectively of sub-section (1) of section 188;
- ii) Selling or otherwise disposing of or buying property of any kind, directly or through appointment of agent, amounting to 10% or more of net worth of the company as mentioned in clause (b) and clause (e) respectively of sub-section (1) of section 188;
- iii) Leasing of property of any kind amounting to 10% or more of turnover as mentioned in clause (c) of sub-section (1) of section 188;
- iv) Availing or rendering of any services, directly or through appointment of agent, amounting to 10% or more of the turnover of the company as mentioned in clause (d) and clause (e) respectively of sub-section (1) of section 188.

Omnibus approval by the Audit Committee:

In case of certain frequent/ repetitive/ regular transactions with Related Parties which are in the ordinary course of business of the Company (including transactions for support services/sharing of services with Subsidiary/Associate Companies), the Audit Committee may consider grant of an omnibus approval for such Related Party Transactions proposed to be entered into by the Company, subject to the following conditions:

- a. The Audit Committee shall lay down the criteria for granting such omnibus approval in line with this Policy and such approval shall be applicable in respect of transactions which are repetitive in nature.
- b. The Audit Committee shall satisfy itself that the need for such omnibus approval and that such approval is in the business interest of the Company.
- c. Such omnibus approval shall specify (i) the name(s) of the related party, nature of transaction, period of transaction, maximum amount of transaction that can be entered into, (ii) the indicative base price or current contracted price and the formula for variation in the price, if any and (iii) such other conditions as the Audit Committee may deem fit;

Where the need for Related Party Transaction cannot be foreseen and the aforesaid details are not available, the Audit Committee may grant omnibus approval for such transactions subject to their value not exceeding ₹ 1 Cr (Rupees One Crore only) per transaction.

The audit committee shall review, at least on a quarterly basis, the details of related party transactions entered into by the listed entity pursuant to each of the omnibus approvals given.

Such omnibus approval shall be valid for a period not exceeding 1 (one) year and shall require fresh approval after the expiry of 1 (one) year from the date of the original approval granted by the Audit Committee, from time to time.

In terms of Schedule II Part C Para B point 2 of SEBI(LODR) Regulations, 2015, the Audit Committee shall review the statement containing significant Related Party Transactions. The threshold limit for determining significant Related Party Transactions will be the same as applicable for Material Related Party Transactions under Explanation to Reg.23(1) of SEBI(LODR) Regulations, 2015, as amended from time to time.

## 8. Procedure of seeking approval of Related Party Transaction

As and when any transaction is contemplated with any Related Party, the concerned office entertaining the request shall submit to the Accounts Dept. RO, the details of proposed transaction with details/draft contract/ draft agreement or other supporting documents justifying that the transactions are on arms' length basis in an ordinary course of business at prevailing market rate. The Accounts Department at RO shall appropriately take it up for necessary prior approvals from the Audit Committee at its

next scheduled meeting and convey back the decision to the originator.

If the proposed transaction is not in ordinary course of business but at arm's length basis, then the branch/office shall give a detailed note with justification to Accounts Department RO, for entering such transaction along with details of proposed transaction with draft agreement/MoU/other supporting documents. Based on the note the Accounts Department at RO, shall escalate the matter for necessary approvals of the Audit Committee/Board/Share Holders as may be applicable.

The Accounts Department at RO, shall present to the Audit Committee the following information, to the extent relevant, with respect to actual or potential related Party Transaction.

- a) A General Description of the transactions
- b) The name of the related party and the basis on which such party is a related party.
- c) The related party interest in the transaction(s)
- d) The approximate rupee value
- e) In case of lease or other transaction providing for periodic payments or instalments, the aggregate amount of all period payments of instalments expected to be made.
- f) In the case of indebtedness, the aggregate amount of principal to be outstanding and the rate or amount of interest to be payable on such indebtedness.
- g) Any other material information regarding the transaction(s) or the related party's interest in the transactions.

## 9. Review and Approval of Related Party Transactions

Related Party Transactions will be referred to the next regularly scheduled meeting of Audit Committee for review and approval. Any member of the Committee who has a potential interest in any Related Party Transaction will recuse himself or herself and abstain from discussion and shall not vote to approve the relevant transaction.

To review a Related Party Transaction, the Committee will be provided with all, relevant material information of the Related Party Transaction, including the terms of the transaction, the business purpose of the transaction, the benefits to the Company and to the Related Party, and any other relevant matters.

If the Committee determines that a Related Party Transaction should be brought before the Board, or if the Board in any case decides to review any such matter or it is mandatory under any law for Board to approve the Related Party Transaction, then the considerations set forth above shall apply to the Board's review and approval of the matter, with such modification as may be necessary or appropriate under the circumstances.

Notwithstanding the foregoing, the following Related Party Transactions shall not require approval of Audit Committee or Shareholders:

- a. Any transaction that involves providing of compensation to a director or Key Managerial Personnel in connection with his or her duties to the Company or any of its subsidiaries or associates, including the reimbursement of reasonable business and travel expenses incurred in the ordinary course of business.
- b. Any transaction in which the Related Party's interest arises solely from ownership of securities issued by the Company and all holders of such securities receive the same benefits pro rata as the Related Party.

## 10. Related Party Transactions without the prior approval under this Policy

In the event the Company becomes aware of a Related Party Transaction with a Related Party that has not been approved under this Policy prior to its consummation, the matter shall be reviewed by the Committee. The Committee shall consider all the relevant facts and circumstances regarding the Related Party Transaction and shall evaluate all options available to the Company, including ratification, revision or termination of the Related Party Transaction. The Committee shall also examine the facts and circumstances pertaining to the failure of reporting such Related Party Transaction.

In any case, where the Committee determines not to ratify a Related Party Transaction that has been commenced without approval, the Committee, as appropriate, may direct additional actions including, but not limited to, immediate discontinuation or rescission of the transaction.

In connection with any review of a Related Party Transaction, the Audit Committee has the final authority to modify or waive any procedural requirements of this Policy.

## 11. Disclosures

The Company shall keep a register in the prescribed form giving the full particulars of contracts or arrangements in

respect of all RPTs approved by the Audit Committee and the gist of such contracts/RPTs shall be placed before the Board periodically.

Necessary disclosures shall be made in the Annual Financial Statements as required under Ind AS-24 and RBI guidelines. Further, as required under Para A of Schedule V of SEBI(LODR) Regulations, 2015 necessary details of all materially significant related party transactions which may have potential conflict with the interests of the Company at large, shall also be also given in Report on Corporate Governance section in Annual Report.

As per Point 2A of Para A of Schedule V of SEBI(LODR) regulations, 2015 disclosures of transactions of the Company with any person or entity belonging to the promoter/promoter group which hold(s) 10% or more shareholding in the Company, in the format prescribed in the relevant accounting standards for annual results.

Details of all material transactions with related parties shall be disclosed quarterly along with the compliance report on Corporate Governance.

The Company shall disclose the policy on dealing with related party transactions on its website and a web link thereto shall be provided in the Annual Report.

The Company shall submit within 30 days from the date of publication of its standalone and consolidated financial results for the half year, disclosures of related party transactions on a consolidated basis, in the format specified in the relevant accounting standards for annual results to the stock exchanges and publish the same on its website.

## 12. Records relating to Related Party/Supporting documents

All disclosures, supporting documents shall be preserved for a period of eight years from the end of the financial year to which it relates and shall be kept in the custody of the Accounts Dept. and any other person authorized by the Board for the purpose.

Agreement or other supporting documents along with proper justification of the transaction being on arm's length basis in the ordinary course of business at a prevailing market rate shall also be preserved for a period of 8 years from the end of the financial year to which it relates and shall be kept in the custody of the Board and/or any other person authorized by the Board for the Purpose.

## 13. Interpretation

In any circumstances where the terms of these policies and procedures differ from any existing or newly enacted law, rule, regulation or standard governing the Company, the law, rule, regulation or standard will take precedence over these policies and procedure until such time as these policies and procedures are changed to conform to the law, rule, regulation or standard.

## 14. Secrecy Provisions

In terms of paragraph 4A and 4B of Indian Accounting Standard 24, Related party disclosure requirements as laid down in this Standard do not apply in circumstances where providing such disclosures would conflict with the reporting entity's duties of confidentiality as specifically required in terms of a statute or by any regulator or similar competent authority. In case a statute or a regulator or a similar competent authority governing an entity prohibits the entity to disclose certain information which is required to be disclosed as per this Standard, disclosure of such information is not warranted. For example, banks are obliged by law to maintain confidentiality in respect of their customers' transactions and this Standard would not override the obligation to preserve the confidentiality of customers' dealings.

## 15. Review of Related Party Transaction Policy.

The Related Party Transaction Policy is a part of Corporate Governance Policy. Therefore, the same has to be reviewed at periodical intervals by the Board as per the Transactions.

11. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. The shareholders are requested to refer to the Finance Act, 2020 and amendments thereof and FAQ on Tax on Dividend at <https://www.canfinhomes.com/pdf/FAQTAX-DIVIDEND.pdf>. The shareholders are requested to update their PAN with the Company/RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode). (Please refer point 16(i) below for updating PAN etc. under General Information).

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act. A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a declaration in Form No. 15G/15H/Tax exemption certificate, to avail the benefit of non-deduction of tax at source by e-mail to [investor.relationship@canfinhomes.com](mailto:investor.relationship@canfinhomes.com) by August 25, 2022.

Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a rate of 20%. For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. For non-resident shareholders, the rate of TDS is 20% (plus applicable surcharge and cess) as per Income Tax Act, 1961. However, where a non-resident shareholder is eligible to claim the tax treaty benefit and the tax rate provided in the respective tax treaty is beneficial to the shareholder, then the rate as per the tax treaty would be applied. In order to avail tax treaty benefits, nonresident shareholders would be required to submit Tax Residency Certificate for FY 2021-22, Form 10F as per the format specified under Income Tax Act, 1961, Copy of PAN Card attested, Self-declaration of beneficial ownership and not having a Permanent Establishment (PE) in India. The aforesaid declarations and documents need to be submitted by the shareholders by August 31, 2022.

The Resident Non-Individual Members i.e. Insurance companies, Mutual Funds and Alternative Investment Fund (AIF) established in India and Non-Resident Non-Individual Members i.e. Foreign Institutional Investors and Foreign Portfolio Investors may alternatively submit the relevant forms / declarations / documents through their respective custodian who is registered on NSDL platform, on or before the aforesaid timelines.

12. The Board has appointed Shri K N Nagesha Rao, Practicing Company Secretary, as the Scrutinizer for ensuring e-Voting in a fair and transparent manner. The Scrutinizer will submit his report to the Chairman of the Company ('the Chairman') or to any other person authorized by the Chairman (who shall countersign the same) after the completion of the scrutiny of the e-Voting (votes cast during the AGM and votes cast through remote e-Voting), within 2 working days from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchanges, NSDL and RTA and will also be displayed on the Company's website [www.canfinhomes.com](http://www.canfinhomes.com)

The Company has availed the services of NSDL for arrangement of the AGM on VC to enable the Members to participate in the meeting in terms of the Circulars cited above. Also, the Company has provided a facility to the members to exercise their rights to vote electronically through electronic voting service facility made available by NSDL.

13. **Voting through electronic means (e-Voting):** Pursuant to provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 substituted by the Companies (Management and Administration) Amendment Rules, 2015 read with Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has provided a facility to the Members to exercise their right to vote electronically through electronic voting (e-Voting) service facility provided/made available by the National Securities Depository Limited (NSDL). **Note:** Any other information relevant or important for the member to take a decision on the proposed resolution:

The over all related party transactions with Canara Bank, its Subsidiaries/ Associates/ Joint Venture Companies, approved by the members at the Annual General Meeting held on July 17, 2019 was Rs.6,000 Crore.

The Company has opened a DEMAT account with Canara Bank Securities Ltd. Apart from the transactions detailed above, other subsidiaries/Associates/Joint venture companies of Canara Bank may enter into related party transactions like investment in the securities, commercial papers, etc. issued by the Company or any other transactions by Canara Robeco Asset Management Company, Canbank Factors Ltd., Canbank Computer Services Ltd., Canbank Financial Services Ltd., Canbank Venture Capital Fund, etc. in the normal course of business and at arm's length, which will not be material and cannot be quantified at this point of time. However, the same may not exceed the aggregate limit of Rs.6,000 Crore.

Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") requires prior shareholders' approval by means of an ordinary resolution for all material related party transactions and subsequent material modifications as defined by the Audit Committee, even if such transactions are in the ordinary course of business of the concerned company and on an arm's length basis. As per the said Regulations, a transaction with a related party is considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds Rs.1,000 crore or 10% of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower.

The Company has been entering into contracts and arrangements with the promoter and sponsor bank viz., Canara Bank since incorporation i.e., in 1987, in the ordinary course of business. The transactions of the Company with Canara Bank individually or taken together with previous transactions identified and detailed in the table above during a financial year exceed the materiality threshold prescribed under Regulation 23(4) of the Listing Regulations, necessitating obtaining prior approval of the shareholders. Accordingly, prior approval of members is being sought for entering into the above mentioned material related party transactions with Canara Bank from the conclusion of the 35th Annual General Meeting till the conclusion of the 36th Annual General Meeting of the Company or such other period as may be statutorily allowed or permitted. Further since the SEBI Circular referred above applies to transactions with effect from April 01, 2022, all actions taken by the Board in connection with the matters referred to or contemplated in these resolutions are requested to be approved, ratified and confirmed by members.

The transactions/arrangements/contracts with the said subsidiaries and/or associates and/or joint venture companies are in the ordinary course of business and at arm's length and the transactions are within the materiality thresholds.

The Audit Committee of the Board and also the Board of Directors, wherever applicable, have granted approvals for entering into related party transactions with Canara Bank and its subsidiaries and/or associates and/or joint venture as detailed in the resolution.

As per the clarifications given by SEBI vide its Circular SEBI/HO/CFD/CMD1/CIR/P/2022/47 dated April 08, 2022 on applicability of Reg.23(4) read with Regulation 23(3)(e) of SEBI (LODR) Regulations, 2015, the omnibus approvals of material RPTs given by the members at the Annual General Meeting shall be valid upto the date of the next Annual General Meeting, for a period not exceeding 15 months.

Though the above transactions are in the ordinary course of business of the company and on arm's length basis, for abundant

caution and from a better corporate governance perspective, the approval of the members is being sought under Section 188 of the Companies Act, 2013 and the rules thereunder.

All the related documents and registers referred in the Notice, which do not form part of the Annual Report, if any, are available for inspection at the Registered Office of the Company.

None of the directors are related inter-se. No Director, other than Shri L V Prabhakar (Managing Director & CEO, Canara Bank), Shri Debashish Mukherjee (Executive Director, Canara Bank) and Shri Amitabh Chatterjee (Dy. General Manager, Canara Bank), or any key managerial personnel or the relatives of the directors or key managerial personnel, is in any way concerned or interested, financially or otherwise, in the said resolution.

The Board of Directors therefore, recommend the passing of the resolution proposed at Agenda No.4 of the Notice, for the approval of members.

As per the clarifications provided by SEBI vide its Circular dated April 08, 2022 in respect of Regulation 23 of the Listing Regulations, this agenda item is considered unavoidable in terms of MCA Circulars and forms part of this Notice.

The members may please note that all the related parties of the Company are prohibited from voting on Resolution No.4 of this Notice.

He has also submitted a declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act

and confirmed that he continues to satisfy the fit and proper criteria as prescribed and the Deed of covenants as required under the Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021. He has also confirmed that he is not debarred from holding the office of director by virtue of any order by SEBI or any other authority. He has also submitted the Notice of interest in terms of Section 184 of the Companies Act, 2013 (Form MBP-1).

Shri Anup Sankar Bhattacharya has also complied with the requirements under Rule 6 of the Companies (Appointment and qualifications) Rules, 2014.

The Board has recommended for passing the resolution seeking the approval of members for the appointment of Shri

Anup Sankar Bhattacharya as an Independent Director of the Company with effect from September 07, 2022 pursuant to Section 149 and other applicable provisions of the Act and the Rules made thereunder. He is not liable to retire by rotation.

Your Directors are of the opinion that Shri Anup Sankar Bhattacharya fulfils the conditions specified in the Companies Act, 2013, SEBI (LODR) Regulations, 2015 and the Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021 for appointment as an Independent Director and his appointment as an Independent Director would be in the best interest of the Company.

The draft letter of appointment of an Independent Director setting out the terms and conditions is available on the website of the Company. Consents, declarations etc., referred above would be available for inspection by the Members as mentioned in the notes to this Notice.

In terms of Sec.149, 150, 152 and other applicable provisions of the Companies Act, 2013 and related rules made thereunder, Shri Anup Sankar Bhattacharya, being eligible, is proposed to be appointed as an Independent Director from this Annual General Meeting until the conclusion of the Annual General Meeting of the Company of the year 2025.

The Board of Directors therefore, recommend the passing of the resolution proposed at Agenda No.7 of the Notice.

In terms of Sec.161 of the Companies Act, 2013, the Additional Director appointed by the Board holds office upto the date of the ensuing AGM and he shall be appointed as a Director by the Members at this AGM. Hence, this agenda item is considered unavoidable in terms of MCA Circulars and forms part of this Notice.

### **In respect of Agenda No.7 - To borrow amounts not exceeding ₹35,000 Crore**

At the 34th Annual General Meeting (AGM) of the Company held on September 08, 2021, the shareholders have accorded consent u/s.180(1)(c) and all other applicable provisions, if any, of the Companies Act 2013, by way of a special resolution, to the Board of Directors of the Company for borrowing money(ies) in excess of the aggregate of the paid up capital and free reserves of the Company upto a sum of ₹30,000 Crore (including temporary loans obtained from the Company's Bankers in the ordinary course of business). At the 28th Annual General Meeting held on July 08, 2015, the shareholders have authorised the Board of Directors of the Company u/s. 180(1) (a) to create security to the extent of the borrowing limits approved by the Members from time to time.

The total borrowings of the Company as on March 31, 2022 was ₹24,647.68 Crore. As per NHB/RBI Master directions, for

the financial year ended March 31, 2023, the maximum amount that the Company can borrow shall not exceed 12 times of the net owned funds as per the last audited balance sheet. As on March 31, 2022, the NOF was ₹3,001.61 Crore (net of Dividend outflow) and hence our borrowing limit shall not exceed ₹36,019 Crore at the end of the year 2022-23. The Borrowing Power of ₹35,000 Crore sought by the Company will be valid till the outstanding borrowing of the Company reaches the limit approved at this AGM. Though the approved limit is higher than the projected book size i.e., ₹32,100 Crore for FY23, the limits will be availed by the Company only based on the actual requirement. However, a higher limit will help the Company to approach various Banks/ Institutions and have sufficient cost-effective funds at our disposal.

In view of the above, it is considered desirable to increase the Company's existing borrowing limit from ₹30,000 Crore to ₹35,000 Crore. In order to comply with the requirements under Section 180(1)(c) of the Companies Act, 2013, consent of the Members is sought through the resolution(s) proposed at Agenda No.7 by way of special resolution to enable the Board of Directors of the Company to borrow money(ies) upto a sum of ₹35,000 Crore (Rupees Thirty- Five Thousand Crore) only, including the temporary loans obtained from Company's Bankers in the ordinary course of business. Accordingly, the aggregate amounts borrowed, which are outstanding at a given point of time shall not exceed the limit of ₹35,000/- Crore as recommended by the Board to the Members for their consent.

The borrowings of the Company include term loans, overdraft facilities, issue of non-convertible debentures, commercial papers, acceptance of deposits from public, etc. All the related documents and registers referred to in the Notice, which do not form part of the Annual Report, if any, are available for inspection at the Registered Office of the Company.

None of the Directors are related inter-se. No Director or any Key Managerial Personnel or the relatives of the directors or Key Managerial Personnel is in any way concerned or interested, financially or otherwise, in the said resolution, except for borrowings, if any, from Canara Bank, in which case Shri L V Prabhakar (MD and CEO of Canara Bank), Shri Debashish Mukherjee (Executive Director of Canara Bank) and Shri Amitabh Chatterjee (Dy. General Manager, Canara Bank) shall be deemed to be the interested directors.

The Board of Directors therefore, recommends the passing of the special resolution as set out at Agenda No.7 of this Notice, for approval of the Members.

As the Company is a housing finance institution and its main business is providing loans, borrowing through various sources is inevitable. Hence, this agenda item for enhancing borrowing limit is considered unavoidable and forms part of this Notice, in terms MCA Circulars.

### **In respect of Agenda No.8 - Offer or invitation for subscription of Non-Convertible Debentures (NCDs) or bonds, secured or unsecured, of any nature upto an amount not exceeding ₹4000 Crore, on private placement**

In terms of Section 42 and all other applicable provisions, if any, of the Companies Act, 2013, a Company may, subject to the provisions of that section, make an offer or invitation for subscription of securities including non-convertible debentures by way of private placement. Further, in terms of Rule 14(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and all other applicable provisions, if any, of the said Act, Directions/Guidelines by the Regulators or any other statutory authorities issued from time to time, a Company shall not make a private placement of its securities unless the proposed offer of securities or invitation to subscribe securities has been previously approved by the shareholders of the Company by a Special Resolution, for each of the offers or invitations. In case of an offer or invitation for subscription to the Non-Convertible Debentures (NCDs), it shall be sufficient if the Company passes a previous Special Resolution only once in a year for all the offers or invitation for such debentures during the year.

At the 34th AGM of the Company held on September 8, 2021 approval of the Members of the Company was obtained for authorising the Board of Directors of the Company to Offer or Invite for subscription of 'Non-Convertible Debentures (NCDs)' upto an amount of ₹4000 Crore only, on private placement basis, in one or more tranches, during the period of one year commencing from the said AGM until the conclusion of the ensuing AGM.

During the year 2021-22 (subsequent to 34th AGM), the Company has issued NCDs in five tranches aggregating to ₹2,135 Crore with coupon rates varying from 6.10% to 6.85%. The SRNCD outstanding as on March 31, 2022 was ₹3,320 Crore, which works out to 13.07% of the total borrowings.

As per SEBI Circular SEBI/HO/DDHS/CIR/ P2018/144 dated November 26, 2018, SEBI has prescribed to raise one fourth (1/4) of incremental borrowings in a given financial year from debt market, which came into effect from April 01, 2019.

Keeping in view the business of the Company, the expected growth in the activities and operations of the Company, the requirement of additional funds through alternative sources and cost of each of such source, it is proposed to offer or invite subscription of bonds or NCDs or tier II bonds, onshore and/or offshore, which may or may not be classified as Tier II capital under the provisions of the RBI-HFC Directions denominated in Indian Rupees and/or any foreign currency, for cash either at par or premium or at a discount to face value, issuance of Redeemable Non-Convertible Debentures (NCDs), secured or unsecured, such other securities described above upto an

amount of ₹4,000 Crore (Rupees Four Thousand Crore only), on private placement basis during the period of one year from the conclusion of the 35th AGM until the conclusion of the next AGM, in one or more tranches, subject to the condition that the amount accepted in the form of the said Non-Convertible Debentures / Bonds / such other securities together with the existing borrowings and future borrowings would be within the limits specified by the Members under section 180(1)(c) of Companies Act, 2013 and subject to compliance of all the applicable laws.

The terms of issue of such NCDs would depend upon the requirement of the funds, time of issue, market conditions and alternative sources of funds available to the Company and would be decided by the Board or the Committee, if any constituted by the Board. All the required details/ disclosures relating to the issue would be made available in the standard/shelf disclosure document or respective information memorandum, as the case may be.

In order to issue Non-Convertible Debentures/bonds as per the proposed resolutions by way of an offer or invitation for subscription on private placement and in terms of the above-mentioned provisions of the Companies Act, 2013, as amended from time to time and related rules, subject to Directions/Guidelines by the Regulators or any other statutory authorities issued from time to time, the prior consent of the Members is sought by way of a Special Resolution.

All the related documents and registers referred in the Notice, which do not form part of the Annual Report, if any, are available for inspection at the Registered Office of the Company.

None of the directors are related inter-se. No Director or any Key Managerial Personnel or the relatives of the directors or Key Managerial Personnel is in any way concerned or interested, financially or otherwise, in the said resolutions.

The Board of Directors recommend the passing of the special resolution as set out at Agenda No.8 of this Notice, for the approval of the Members.

The approvals given by the members, in terms of Section 42 of the Act, at the last Annual General Meeting (AGM) held on September 8, 2022 will remain valid only upto the date of this AGM. Hence, this agenda item is considered unavoidable in terms of MCA Circulars and forms part of this Notice.

### **In respect of Agenda No.9 - Further issue of shares not exceeding ₹1000 Crore**

In order to enable the Company to access the capital market at the appropriate time, the Board of Directors at their meeting held on August 04, 2022 has recommended to the shareholders for approval through special resolution for the proposal to create, offer, issue and allot Equity Shares not exceeding ₹1000 Crore.

The Company focuses on four key parameters viz., growth, asset quality, liquidity and profitability. The Company expects to grow at an average rate of 18% to 20% for the next five years. The expected growth rate necessitates infusion of fresh capital to build in adequate cushion in the borrowing capacity of the Company for next 3–4 years and to keep the Capital Adequacy Ratio as well as Leverage Ratio at comfortable levels.

At the 34th AGM of the Company held on September 08, 2021 approval of the Members of the Company was obtained for authorizing the Board of Directors of the Company for raising Tier I Capital – By way of issue of Qualified Institutional Placement (QIP). Since the growth did not pick-up as expected during FY 2021–22 due to Covid 19 second wave, the Company continued to deliver a better ROE, additional internal accruals had kept the CAR as well as leverage ratio at comfortable levels. Hence, the Company did not raise any capital during FY 2021–22, though approval was taken from the Members.

As per the Business Plan of the Company for 2022–23 approved by the Board of Directors, ₹32,100 crore has been projected as outstanding loan book as on March 31, 2023. Our loan book has grown by 20% for the FY22 and keeping in view the current scenario, we have projected ₹32,100 Crore as loan outstanding.

The Capital Adequacy Ratio of the Company as on March 31, 2022 was at 23.15% which was well above the regulatory requirement of 15%. However, the Leverage Ratio was expected to remain around 8% over a period of time. Generally, lender/banks are comfortable with DER of around 7–8% and hence, there is a need to infuse Tier-1 capital.

As the validity of the resolutions obtained in the 34th AGM for issue of shares by way of QIPs is restricted to one year, in order to increase the Company's Tier I capital, the Board of Directors have decided and to raise Capital to the extent of ₹1,000 Crores (including premium) through Follow-on Issue, and/or Rights Issue, and/or Preferential Issue, and/or Qualified Institutional Placement and other permitted mode of raising capital and recommended the same to the members for approval.

The Board seeks authorization for taking a decision on the time of issue, type of issue, number of shares to be issues, mode of issue, terms of the offer including the class of investors to whom the securities to be allotted, etc., considering market scenario, the cost, benefit, requirement of time etc., with reference to each of the alternative modes of raising funds.

The Regulation 41(4) of the SEBI (LODR) Regulations, 2015 provides that whenever any further issue or offer is being made by the Company, the existing shareholders should be offered the same on pro-rata basis unless the shareholders in the general meeting decide otherwise. The said resolution, if passed, shall have the effect of allowing the Board on behalf of the Company

to issue and allot the securities otherwise than on pro-rata basis to the existing shareholders.

The Resolution further seeks to empower the Board of Directors to undertake a qualified institutional placement with qualified institutional buyers as defined by ICDR Regulations or any other mode to any other investors within the meaning prescribed under ICDR Regulations. The Board of Directors may in their discretion adopt this mechanism as prescribed under Chapter V and/or Chapter VI of the ICDR Regulations for raising funds for the Company, without seeking fresh approval from the shareholders. In case of a QIP issue in terms of Chapter VI of ICDR Regulations, issue of securities, on QIP basis, can be made at a price not less than the average of the weekly high and low of the closing prices of the shares quoted on a stock exchange during the two weeks preceding the "Relevant Date". "Relevant Date" shall mean the date of the meeting in which the Board or Committee of the Company decides to open the QIP Issue.

Raising of Tier I Capital in any other mode will be made by taking necessary approvals and following the provisions of all applicable laws. The detailed terms and conditions for the offer will be determined in consultation with the Advisors, Lead Managers and Underwriters and such other authority or authorities as may be required, considering the prevailing market conditions and other regulatory requirements.

As the pricing of the offering cannot be decided except at a later stage, it is not possible to state the price of shares to be issued. However, the same would be in accordance with the provisions of the ICDR Regulations and all other applicable provisions of any other guidelines/regulations/consents as may be applicable or required.

The Special Resolution, if passed, will have the effect of allowing the Board to issue and allot Securities to the investors who may or may not be the existing shareholders of the Company. The Company with this resolution seeks the approval of the shareholders to undertake fund raising activity, through one or multiple modes including through an issue of QIP. The securities issued will be listed on one or more stock exchanges in India and the Company will make requisite disclosures to the stock exchanges under the provisions of the SEBI Listing Regulations.

If the Company does not obtain approval from the Members at this point of time, the same may have an impact on its liquidity ratio and other consequential inconveniences in the smooth functioning of the Company. Hence, this agenda item is considered unavoidable and forms part of this Notice, in terms of the Circular No.20/2020 and General Circular No. 02/2022 issued by the Ministry of Corporate Affairs.

For the reasons aforesaid, an enabling resolution is therefore

proposed to be passed to give adequate flexibility and discretion to the Board to finalise the terms of the issue.

The equity shares allotted, shall rank pari passu in all respects with the existing equity shares of the Company.

All the documents referred in the Notice are available for inspection at the Registered Office of the Company. The Board of Directors therefore, recommend the passing of the special resolution proposed at Agenda No.9 of the Notice.

The approval given by members for further issues of Capital by way of Qualified Institutional placement, at the last AGM held on September 8, 2021, will remain valid only for 365 days, i.e. upto September 7, 2022. Hence, the agenda item is considered unavoidable in terms of MCA Circulars and forms part of this Notice.

The Directors or key managerial personnel of the Company or their relatives may be deemed to be concerned or interested in the proposed resolution to the extent of Equity Shares that may be subscribed by the companies /institutions in which they are Directors, Members or employees.
