Dear Shareholders,

Warm and Best wishes for the festive season.

The promoters of your company, from the onset want to set precedence to the fact that we take each and every investment made to the company resolutely and earnestly and understands the faith & fidelity it accompanies.

For the past few weeks there have been a few undesirable and unsought comments being circulated in several media platforms which understandably has been off-putting for stakeholders and the management alike.

The promoters deal with utmost transparency and adhere to the norms and laws prescribed and are in no breach whatsoever. Moreover they respect and have diligence towards keeping their personal proceedings separate from the functioning of the company, thereby ensuring that day to day operations are being run smoothly and efficiently.

The promoters are cognizant of their dual duties towards the management as well as the shareholders; therefore any third party not in their behavioral lines will be dealt with accordingly, at the expense of legal proceedings wherever applicable.

The promoters are confident in the abilities of the management and the team and expect the results to reflect the same. Hence, it is our earnest request not to be perturbed by the aforesaid and continue your faith in LOTUS and the organization as a whole.

Thanks and best wishes,

[DR. KAVETHA SUNDARAMOORTHY, M.D.]
